Washington, September, 24.

My Dear Mr. Wassenberg:

Peonies came yesterday. Called up my friend _____, we unpacked the plants like a couple of kids with their Christmas toys, and _____ got as much kick out of it as if they had been his own. I will give you his verdict, it is worth more than mine, as he has been growing Peonies for over a dozen years and I am a novice. He says "George you would not have gotten better plants, no matter where you might have sent—no matter how much you might have paid." Now while I admit _____ took in a lot of territory my opinions confirm his endorsement.

Sincerely yours,

—o—
New York State.

Dear Mr. Wassenberg:

I thought I must write and tell you how splendidly your Peonies did for me this year. The ones I bought last fall came fine; the ones I bought two years ago gave me unspeakable pleasure, as they were great strong, lusty blooming plants. I do not know how it is but you certainly understand cutting peony roots so that your purchasers get a show. I went to a place to see Peonies this spring, this person had some from you and from many other growers. Being a booster for you. I bet I could pick your plants from the others in the collection. And I did. They were far superior in looks and growth to any other growers products. As soon as your new catalog is out please send me a copy.

Yours sincerely,

—o—
My Dear Mr. Wassenberg:

Just to thank you for the Peony shipment, which as usual is 100% fine. Somehow you get some "Pep" in your roots that other growers do not get. For instance; I needed the place occupied by Therese (you shipped me in 1922) to put in Le Cygne (at one side of Mons. M. Cahuzas) and you can imagine my delight when I dug Therese to find that I could make five nice divisions. Well thank you again.

Yours truly,

Cutting The Choicest
