Item #1: Next Zoom Meeting for members

The group decides to schedule the next Zoom membership meeting for Sunday, June 19th, 16:00 UTC. OtuNwachinemere will give a short presentation about photography in Nigeria.

Item #2: Alternatives for faster communication among board members

Attendees agree that they'll try to be more present on the User Groups pages on Commons. We'll also try emails as a way to improve the communication between the board members (some of us don't like to be on Telegram).

Item #3: Wikimedia Summit

We'll have three online spots to participate in the Summit in September. Ailura volunteers to attend, Suyash will also attend online, if it's not possible to be on site. Ailura will raise our concerns to the organizers.

Item #4: Workshop

We will organize a workshop in October.

Item #5: Wikimedia Foundation Board Election

The voting for the Analysis Committee is due until tomorrow.

Item #6: Next Board Meeting

The next board meeting will be held on Saturday, July 16, 16:00 UTC. Ailura will send out invitations.
