# *Hurrah for Another Gladiolus Season!*

Do not let another season go by without a garden of glads. You will get more pleasure from these than from any other flower you have ever raised. There is something about glads that gets under your skin more than any other flower I know of.

**PLANTING TIME** will soon be here in the North. They are planting now in several states and in the South glads are already blooming. I can't tell you just when to plant in your locality. If you don't know ask any local gardener. Here we plant from about two weeks before the last frost up to July 4th. In some of the Southern states where the Summer is extremely hot many people plant late so as the blooms will be produced along in September or October or later after the extreme heat of the summer has passed.

**NOW IS THE TIME** to order so as to have the bulbs when you want them. I am already sold out of a few of the most popular varieties and can't get any more from reliable growers. A lot of people are going to be disappointed. But there are plenty of other good varieties which you will probably like about as well.

**PLEASE** look over this price list carefully before ordering. Do not use an old list. There are many changes in this one. Some prices have been lowered and some sizes of many varieties are sold out and a few varieties are entirely gone. Where a price is missing it means that that size is sold out. Do not waste your time and mine by ordering anything not quoted in the list.

**FOR THE AMATEUR** who just wants a fine garden of glads and doesn't care for names I recommend my collections No. 1A, 2 and 3 on page 17 of the list. I sell thousands of these collections every year and get quantities of fine reports on them. They are all good varieties most of them listed in the catalog but they are not labeled.

**FOR THOSE WANTING** a large glad garden at a reasonable price the growers collections on page 21 are the best. These are all good standard varieties which will give you fine bloom and to the person who is not a real glad fan they will probably be just as good as some of the newer higher priced varieties.

**A SECRET.** I ask everyone to tell me what varieties they are interested in for extras. Not knowing what you already have or what you would like I may not give you the extras that you would like the most. Here is the secret. If you will give me a list from which to choose your extras you will get more than you would if you just leave it to me as it saves me time and brainwork trying to figure out what you would like. Some people send in an order for a dollar or two and name varieties worth two or three dollars each for extras. Of course that is out of line. But just tell me what you would like the most and I will do the best I can with the extras. Will give you all I can in proportion to the size of order you send in. **However the Collections**, especially the unlabeled ones are very big value as is and we don't give much extra with those other than as noted in the list.

## NOTES ON VARIETIES

**ALADDIN** is a most gorgeous creation that you will eventually grow. Makes fine growth and should bloom from bulblets if given good care.

**ALGONOUIN.** We consider this the finest red. It will be grown by the million when the stock is available.

**ALLEGRO.** A beautiful blue but am about sold out. Suggest **MILFORD** as a substitute.

**AMBERGLOW.** Most beautiful yellow.

**ARIADNE.** A cracker-jack blotched pink.

**AMRITA** and **AMULET.** Very beautiful buffs. Nothing finer in these shades.

**BARCAROLE.** Most beautiful orange in existence.

**BEACON.** Here is a variety that is going places as a commercial. The Florida growers are stocking up with it and they don't buy anything until they are sure it is going to make good. I am nearly out of bulblets but still have a few thousand bulbs of various sizes. This is one of the best bets as a future commercial.

**BELLA DONNA.** An early light blue that looks like one of the very best commercials.

**BERNECE.** A fine very early bronze.

**BIT O'HEAVEN** and **SOLITA.** Two best commercial oranges.

**BLACK OPAL.** A dark red that is fast becoming very popular. One of the very best.

**BLUE ADMIRAL.** A fine dark blue in big demand. Sold out at wholesale. Have just secured a few bulbs from another grower for retail sales. You can use **Pelegrina** as a substitute.

**CAMELLIA.** A beautiful tinted blush with diffused blotch. Really fine.

**BUCCANEER.** One of the finest rose varieties. Don't pass this up.

**CARILLON.** New and not well known yet but I predict it will be one of the most popular commercial rose varieties. Very dependable.

**COLOSSUS.** Huge early blotched pink. You will like it.

**CREVE COEUR:** A different orange that you will like.

**DAMARIS.** A fine exhibition dark burgundy red or purple. A fine addition to a different class.

**DEBONAIR.** In warm parts of the country does better than Picardy. Very tall and always straight.

**DIANE.** Fine late orange salmon.

**DREAM O'BEAUTY.** Very popular commercial dark rose.

**ELOISE.** A lavender that will largely supplant **Minuet.** Much better stem and more open.

*This List Supersedes All Previous Lists*

**Do Not Use An Old List.**

**There are many changes in this one.**

**Please read pages 2 and 3 before  
making out an order.**

**SOME LOWER PRICES. LOOK OVER LIST.**

**Champlain View Gardens**

**ELMER GOVE**

**BURLINGTON, VT.**

## PLEASE READ CAREFULLY

Please do not ask us to change collections or special sets. The collections are made up as they are for definite reasons and we cannot change them. Any of these collections or specials are very good value.

Do not split quantities as listed. Where a variety is listed at 2 for 15 cents or 4 for 15 cents do not order 1 or 2 at a lower price. There is no profit in any items of less than ten cents and very little at that price. **No single item accepted for less than ten cents.**

**EXTRAS ON CASH ORDERS.** On cash orders of \$2.00 to \$5.00 you can select 10% extra in bulbs of your own choosing. From \$5.00 to \$25.00 select 15%; \$25.00 to \$50.00 select 20% and above \$50.00 select 25%. **These Discounts do not Apply to Collections, Special Offers or Wholesale prices or New Introductions, or those marked "No Discount."**

**VARIETIES MARKED "NO DISCOUNT" CAN NOT BE USED AS EXTRAS.**

**Discounts apply to gladiolus only and not to other articles listed.**

**TO MAKE OUT YOUR ORDER** put everything down on the order blank, just as listed in the price list. Add it up, then figure out any special discounts or add on the extra bulbs of your choosing. It is all very simple but some people seem to have a lot of trouble in making out an order.

The above discounts and extras are all for cash orders. The earlier the orders are received and the larger they are the more generous we will be with our extras. If you cannot spare all the cash now send 25% and the balance later and we will see that you are satisfied. **But the above extras are only for cash before shipment.**

On cash orders of \$12.00 or more, for bulbs, I will give a copy of the "Gladiolus Book" by Rockwell if you ask for it and if you have not already had one.

Packages of bulblets run from twenty-five to fifty or more. We give very good value.

You can have 3 or more bulbs at the 10 rate; 25 at the 100 rate. But no single items for less than 10 cents.

**Please do not send us orders of under \$1.00 as we lose money on them. I do usually fill such orders from regular customers as an accommodation but they cost us more than we get for them. On retail orders of under \$1. please enclose 10 cents for postage.**

**I GUARANTEE SATISFACTION**, and I mean just that. If at any time, either after receiving the bulbs or after blooming, you have cause for complaint just write me about it and I will do my utmost to make things right. This is the only basis on which anyone can hope to conduct a business that will be permanently successful.

At these prices all bulbs, except the wholesale offers and growers' collections, are prepaid anywhere in the United States and Canada and all countries in the Postal Union.

**SPECIAL QUOTATIONS.** Do not ask for special quotations unless you have a large order. We will not consider quoting any special prices on small orders. I publish this price list to give people the prices and do not consider it honest to give one person a lower price than another.

**REMEMBER** in buying bulbs price is not everything. In fact sometimes the price is a minor item. Consider the quality, count, the reliability of the grower, etc. I always mean to put in enough extra count or over size to make up for any lower price that other good reliable growers might make. **Just leave it to me.**

**IF YOU WANT TO PAY TRANSPORTATION** and get extra count on your order just mention it and I will send your order collect for postage or express and will see that you are more than satisfied. Just mention whether you want extra count on your order or extras in other kinds and what kinds. If you want bulbs sent by mail it is better to let us send them **C.O.D. for the postage**, then we know the postage is correct and I will give you more than enough bulbs to make it up. People who send stamps or cash for the postage seldom send enough.

On wholesale orders do not ask us to prepay the carrying charges and take out enough bulbs to offset the express or parcel-post. This disrupts the whole office routine and makes us a lot of extra work. On wholesale orders which are not prepaid let us send them **C.O.D. for the postage or express collect.**

**ON FAIR SIZED ORDERS, EXPRESS** is safest and best especially in the winter time; I advise express if you are situated so as to get free delivery by the express company.

**EXTRAS.** It is the practice of most growers to give extras on orders. I always put in some myself. So it would help me if you will mention whether you want extras of the same varieties that you order or in other kinds. And if you have a preference it will help me still more if you can name the varieties in which you want your extras and if you want large, medium or small bulbs or bulblets. Just give us a list of varieties from which to select your extras. We will put in what we think the order rates.

**PLEASE** give me a list from which to select your extras. Extras are given for orders from the retail list—not from the wholesale tho I usually put in something new to try anyway.

**C.O.D. ORDERS**—Please do not ask us to send an order C. O. D. without your making a deposit on it. If it is a small order we shall have to ask for a deposit of at least a dollar. Larger C.O.D. orders should be accompanied by 25% of the value. We cannot send out any more C.O.D. orders without at least some deposit.

## Premium Bulbs Free

**MAGNOLIA. PALMER SEEDLING No. 34045.** Large beautiful clear light creamy rose with creamy throat, a beautiful clear smooth color. Edges of blooms roll back. Up to eight well placed blooms open at a time. A very beautiful variety that Mr. Palmer wanted to introduce at \$5.00 a bulb but I prevailed upon him to let me use it as a premium bulb. **A bulb of MAGNOLIA given FREE with a cash order for \$15.00 worth of bulbs.**

**LOMBARDY. PALMER SEEDLING No. 33153.** Large bright tho soft rose salmon opening up to 10 beautiful blooms at a time. One that has attracted a lot of attention in my garden and that I am very sure you will be immensely pleased with. Both this variety and **Magnolia** received Awards of Merit at the Canadian Show. Free with \$30.00 order.

Bulbs of **Magnolia** and **Lombardy** are limited so I shall not have enough of these to last through the season. When these are gone I shall have to use one or two numbered seedlings that are very fine but not been named yet. Or if you prefer I will put in a bulb of **Jasmine** with a \$15.00 order and a bulb of both **Jasmine** and **Diane** with an order for bulbs of \$30.00 or more.

**With a \$30.00 cash order for bulbs, one each of these bulbs will be given FREE. We will give out large bulbs as long as they last. After that we will have to use medium and smaller. The early orders will get the larger bulbs.**

**WHEN CORRESPONDING ABOUT A PREVIOUS ORDER, PLEASE GIVE ORDER NUMBER. IT SAVES US A LOT OF TIME.**

**F.O.B. ITEMS.** When an order contains both F.O.B. items and retail items unless you give instructions to the contrary we ship them all together in one package F.O.B. but put in extra count and enough extras to more than offset the carrying charges on the retail items. If the order is large and you want the two different classes shipped separate we can do that if you ask us to but many orders contain both retail and wholesale items and it is usually simpler to send them all together.

**CERTAIN VARIETIES** because of their being new introductions of this year or because I am simply listing them for another grower or for some other reason I have marked "no discount." We do not give any discount whatever on introductions of the current year and there are no discounts on Golden Goddess, a patented variety, and a few others. These are marked in the price list.

**The varieties marked "no discount" cannot be used as extras as either they are very limited in quantity or I am listing them for other growers at a nominal commission.**

**CANADIAN CUSTOMERS** have to send to the Destructive Insect & Pest Act Advisory Board at Ottawa for permit to import bulbs.

**AT THIS TIME** most foreign money is discounted in this country so foreign customers in remitting for bulbs will please send a bank draft on a New York Bank in United States dollars

We had it very dry, hot here in Jersey yet those bulbs bloomed extra good."

—Charles H. Pulis, New York.

"Nothing I got from you last year did as well or pleased me as much as KINGS RANSOM. They revelled in what my soil had to offer, and produced two beautiful spikes. Plants were as sturdy and robust as any of my 325 other varieties."

"I rec'd my order of bulbs Feb. 26. They were in very good condition and they are very fine bulbs."  
—Arthur G. Katz, Michigan.

"Please accept my sincere thanks for your promptness, fine lot of clean bulbs and the many extras which I received in wonderful condition."  
—Francis J. French, Connecticut.

"I have never been more delighted in a Gladiolus than I was with BEACON,—which I tried for the first time last year. It stands erect in our hottest sun, and was definitely outstanding in both its unusual color and symmetrical placement."  
—H. W. Broome, Texas.

"I am so very glad to tell you I just had my gladiolus shipment. I am very well pleased with size and extra count. They were the cleanest looking and healthiest looking that I have ever seen."  
—Mrs. R. E. Towers, Alabama.

"The glad bulbs I had from you last year were simply gorgeous and my neighbors went wild over them. The blooms and most stems were splendid in spite of terrific heat and drought and no water for irrigation."  
—Mrs. Elizabeth Caluson, Mont.

## No. 45. 50 Cent Long Season Specials

To have blooms of a certain variety over a long period I want to especially recommend the following collections. These consist of various sizes of bulbs of each variety. There are usually two or more large bulbs, some medium and some small. If you are not in the habit of buying medium or small bulbs you will be amazed at the fine blooms you will get from these. And if there is a particular variety that you especially like you can have blooms of this variety over a much longer period than you could if you planted all one size.

I can't give you the exact number of bulbs that you will receive in each lot because the varieties vary somewhat in price and I have a much larger stock of some kinds than of others but you may be assured that you will get big value. **Leave it to me.**

**Remember each 50 cent special is only one variety and not an assortment of several varieties or of all of them.** Each special consists of various sizes of just one variety. Select as many as you wish. But remember they are 50 cents for each one.

Any five lots for \$2.25. Any 10 lots for \$4.00 or any 15 for \$5.75. In addition to this if you buy several lots I will put in something good for you to try out.

## Euphorbia Corolata (FLOWERING SPURGE)

This is a hardy perennial somewhat similar to double Baby's Breath but blossoms later. Blooms through August and September. Just the thing to go with glads or any other kind of flower. Will grow on most any kind of soil, even on dry sand, but good garden soil will make it very much better.

This is a plant that should be grown in every garden and commercial growers should plant it by the hundred. Absolutely hardy and I am sure you will like it.

In the northern states I would suggest Euphorbia be planted early in the spring. In the south or where it does not freeze hard, fall planting would be perfectly all right.

Though Euphorbia is easy to handle, and there should be no reason for it not doing well, I have had some complaints about the roots not growing. I don't know why this is because if they are planted at once and given a good watering they should all grow. I have had no trouble with them myself. But in as much as I have had some complaints I no longer guarantee the roots. I do give good strong healthy roots and if given half a chance they should grow but if they do not grow I shall not be responsible.

Prices are 4 roots for 60 cents or one dozen for \$1.25 prepaid. **We do not sell less than four as they cannot be shipped with the gladiolus bulbs. We have to make a separate shipment. Can't usually ship roots after May 15th.**

100 roots \$6.00 f.o.b. with 50 at the 100 rate.

## Pure Vermont Maple Syrup

Griddlecakes or Waffles and Syrup. Um! Um!

If you have never eaten the pure unadulterated Vermont Syrup you don't know what you have missed. The black blended concoctions sold throughout the country as Maple Syrup are not to be compared with the real Vermont Syrup any more than Halley is to be compared with Picardy. Then a lot of Vermont Maple products are not of good quality. I am a connoisseur of good syrup and send out only the best grade such as I would eat myself.

Prices are F.O.B. Burlington. A gallon can be sent as far south as Virginia for 35 cents and to the West Coast for \$1.00. The Express companies make a special rate on Maple products. Parcel Post costs much more. A gallon of syrup weighs 13 lbs. packed for shipment.

1 GALLON \$2.50	½ GALLON \$1.50	1 QUART 90 cents
A case of 12 PINTS \$4.50	A case of 12 HALF-PINTS in glass \$2.50	
MAPLE SUGAR. 2 oz. cakes 60 cents a lb. 5 lb. pail soft sugar \$2.50.		

"I have had bulbs from you for several years now, and my flowers have been the envy of the entire neighborhood. I am looking forward to some beauties this summer."

—Mrs. Robert S. Moore, Penn.

"For several years now I have had this \$3.00 Number 1 Collection which has been very satisfactory."

—Mrs. W. R. Pottongall, Moine

"ALADDIN has not yet flowered with me but my neighbor has several on huge spikes and the flowers are immense, dwarfing MISS NEW ZEALAND."

—H. W. Tonkin, Australia.

## *Very Special*

For the balance of the season I will give you something specially nice on all orders of \$5.00 and over. This in addition to any other extras. I am not going to tell you what this is as I want it to be a surprise to you. Make your orders up to \$5.00 and get this extra special present.

EMILE BRIDE AND IEKA. Two smokies that you will hear a lot about when cheaper.

**FIREFLY AND 30112.** Two crackerjack reds. Firefly is the best early large scarlet. Have just heard from a prominent grower in Florida who says that 30112 is the best red he has seen there. It shows up like a house afire away across the field. Still going under number but think it will be named as so many people like it.

**GATE OF HEAVEN.** Heaviest ruffled yellow.

**GOLDEN GODDESS.** Best exhibition yellow. Medium size about all sold out. Better order large.

HARVEST MOON. Big yellow growing more popular all the time.

**HELENA.** Fine late lavender pink.

ISOLA BELLA. Large beautiful lavender that is going places. Price has been dropped.

**JALNA.** Commercial growers don't go in much for smokies but the public sure does like them. I had one half the original stock of Mother Machree but run short every year. Jalna is the one that will replace Mother Machree as it is larger, more beautiful and a better propagator.

JASMINE. The most beautiful lemon yellow. Bulblets often bloom.

**JOSEPH HADYN.** A gorgeous late blue with large dark blotch. Notice the change in price.

KING'S RANSOM. A gorgeous early variety that will be popular as a commercial.

**LOYALTY.** Good late yellow. About the largest yellow.

**MARGARET BEATON.** Most beautiful snow white with live orange blotch. A must have.

MAYTIME. A fine early commercial pink. Growers who have tried it are buying it in quantity.

**MILFORD.** One of the best light blues.

MRS. S. A. ERREY. A gorgeous flower when well grown. Have fine looking bulbs this year.

**MYRNA.** The coming ruffled commercial and exhibition white.

PHYLLIS MCQUISTON. Beautiful light rose.

**PRELUDE.** Very early rose. Fine color.

RECADO. One of the very best of all smokies. If you like smokies by all means try this.

**RED PHIPPS.** Very popular light red.

REWI FALLU. Beautiful huge dark blood red. Enormous seller this year but stock insufficient to meet demand. I am sold out at wholesale and can't find any more. Have a few left at retail.

**WE ARE WORKING LONG HOURS** trying to keep up to date with orders and are better caught up this year than usual. Just send on your orders and we will get them out as soon as possible. Ordinarily all orders will be filled in rotation but we usually do fill Southern orders and special rush orders first.

**WHOLESALE ORDERS** should go by express if possible. Express is always safer as goods are insured against loss or damage and it is most always cheaper. Not one person in one hundred sends money enough for postage on F.O.B. orders.

**1940 INTRODUCTIONS.** Now is the time to get a start in these. They are all easy growers and even a bulblet should give you a good start at a low cost.
