CIVIL AFFAIRS: BANK SURVEY CONSIDERS DIET DISSOLUTION INEVITABLE

News pamphlet, issued by the Survey Section of sender, states:

"The Democratic Liberal Party advocated that the dissolution of Diet can be made by the sole will of the Government according to the Japanese Constitution, Article No.7, while the Opposition insist that it can only be done through the appliance of Article No.69 after a non-confidence bill is passed, or confidence vote rejected. The true intention consists in which is advantageous to their own party, and this problem will finally be decided according to whether the dissolution agrees to the policies of the Occupation. With the understanding of the General Headquarters, the interpretation of Constitution will be of secondary problem. The situation has suddenly been changed into critical and the dissolution is now inevitable."
