had been no agreement to necessitate any approval of Mitsubishi Zaibatsu or its direct affiliate in the case of my assumption to the anditor, and there had been no fact of this kind.

(2) As shown in the attached sheet C, issued by the head office of the Mitsubishi Co., Ltd., there had been no agreement to necessitate any approval of the Mitsubishi Co., and no fact of being approved by it.
It is impossible to consider that my assumption was restricted by any other direct Mitsubishi affiliate and had been no fact of this kind.

(IV) In fact, so long as I was an auditor of Edogawa, I had never had any legal capacity or managing power which are bigger than those of the representative officials.

(1) As long as I was an auditor of Edogawa, I had been the manager of Nakagawa Mill and Takasago Mill, as one of the employees, and as indicated by the title "Auditor" I had only fuction of auditing and I had no managing or no representative function.

(2) Therefore everyone can easily understand that my legal capacity or managing power is not bigger than that of Mr. Mikizo Nikuni who was a highest representative official and president of Edogawa, and one of my seniors by many years.

(3) To make this more distinctive, please see attached Sheet No. 6, the letter of certification written by Mr. Toshio Kawase who was a managing director of Edogawa when I was a auditor or it and now the president of it.

(V) I have never had more than four positions of officers of Mitsubishi Zaibatsu Companies in one time as stated in No. 4 Item Art. 7 of the Law. Please see above-written paragraph (A) (IV).

According to the reasons above-mentioned, I wish to say that the appointment and dismissal of my official position have not been under the control of Mitsubishi Zaibatsu and I have never participated in m managing Edogawa's significant business for the benefit of Mitsubishi Zaibatsu.

On these reasons, I wish to make an application for the recognition of the non-Zaibatsu directors.

Yours truly,

Signature Fumio Shimoda

Explanatory Statement

(I) When Mr. Fumio Shimoda was elected, on the date of Dec. 12, 1946, to the standing director of the Mitsubishi Paper Mills, Ltd., I was the director and vice-president of the company. Mr. Mikizo Nikuni, the director and president of the company on this date, had already been died. Therefore, I wish to take mr. M. Nikuni's place to explain on the circumstances of Mr. F. Shimoda's assumption to the standing director, as one of those who know circumstances.

(II) There was no agreement to necessitate any approval by anyone of Mitsubishi Zaibatsu in the case of assumption to the standing director of the company. Therefore, no one can find out any fact of being approved by Mitsubishi Zaibatsu in Mr. F. Shimoda's case. I can declare the above-mentioned facts without hesitation as far as I know.

(III) I believe the following facts. The facts of the percentage of the total rights of voting, which were considered as Mitsubishi's, in the shareholders' meeting, and the one year lapse after Mr. Takeya Iwasaki's retirement from director show that there had been no influence of Mitsubishi Zaibatsu concerning to the assumption. The late Mr. Mikizo Nikuni was entrusted with the appointment in the shareholders' meeting and Mr. M. Nikuni decided, by his own will, Mr. F. Shimoda's appointment to the standing director. this fact also shows that there had been no existence of the influence of Mitsubishi Zaibatsu.

(IV) As shown in the certification, attached sheet C, issued by the head office of the Mitsubishi Co. Ltd., there had not been any control of direct Zaibatsu affiliate on Mr. F. Shimoda's assumption.

I certify that the above-written items are exactly true.

Yours truly,

# Regarding the Arrangement for Selecting Officials

**January, 1948**

1. In the selection of officials of the directly affiliated companies specified as "Bunkei-Kaisha" (called hereafter the Subsidiaries), the Mitsubishi Honsha enacted the following memorandum on May 27, 1941.

   "The directors and auditors of the Subsidiaries shall be recommended by the President of the Mitsubishi Honsha."

   Notwithstanding this memorandum, however, the Mitsubishi Honsha greatly esteemed the independence of the Subsidiaries and firmly observed the principle of leaving the selection of their officials to their own decisions.

   In actual practice:

   a) The Mitsubishi Honsha made recommendations when sending their own officials or staffs to the Subsidiaries as their directors or auditors.

   b) The President of the Mitsubishi Honsha gave previous approval when the President of the Subsidiary applied for it before assuming the position of President.

   Except in these two specified cases, it has been the usual custom to leave the selection of officials to the Subsidiaries themselves.

   The above-mentioned memorandum is different in nature from the arrangement regarding approval for the assumption of the position of officials under the provisions of Article 7 of the Law for the Termination of Zaibatsu Family Control. However, there existed no arrangement in writing except this memorandum, which is similar to that prescribed by the Law.

2. The Subsidiaries are companies designated as such by the Mitsubishi Honsha and placed under the direct "supervision and encouragement" of the Mitsubishi Honsha, as mentioned in the provisions of the Articles of Association which define the purposes of the Mitsubishi Honsha.

   At the termination of hostilities, the Subsidiaries of the Mitsubishi Honsha were the following:

   Mitsubishi Heavy-Industries, Limited.
   Mitsubishi Mining Company, Limited.
   Mitsubishi Warehouse Company, Limited.
   Mitsubishi Electric Manufacturing Company, Limited.
   Mitsubishi Chemical Industries Company, Limited.
   Mitsubishi Steel Manufacturing Company, Limited.
   Mitsubishi Oil Company, Limited.
   Mitsubishi Trading Company, Limited.
   The Mitsubishi Bank, Limited.
   Mitsubishi Trust Company, Limited.
   Mitsubishi Estate Company, Limited.

   However, the circumstances under which the Mitsubishi Honsha controlled each Subsidiary have varied according to the history, scale, capital relation, etc. of the respective Subsidiaries. Among the directly affiliated companies of the Mitsubishi Concern designated by the Law for the Termination of Zaibatsu Family Control, Mitsubishi Steamship Co., Ltd., Nippon Aluminium Co., Ltd. and Nippon Iron Construction Co., Ltd. are not Subsidiaries of the Mitsubishi Honsha. As far as the relation with the Mitsubishi Honsha is concerned, these three companies are quite different from the eleven companies mentioned above.

3. The Mitsubishi Honsha had no arrangement, written or unwritten, with regard to the recommendation of officials, except with the above-mentioned eleven Subsidiaries. Furthermore, except when the Mitsubishi Honsha recommended officials or staffs of the Mitsubishi Honsha as officials, the Mitsubishi Honsha have never recommended or approved officials.

4. At the Shareholders' Meeting held on November 1, 1945, the Mitsubishi Honsha deleted a part of the text with regard to the purposes of the Company in the Articles of Association, that is, "to supervise and encourage the Subsidiaries and to promote the development of the associated companies." The Mitsubishi Honsha thus wiped out its character as a parent company, and declared that it should be dissolved in the future; and at the same time the President, Vice-president and other main officials retired from their positions. All memorandums and other regulations with regard to the control of the Subsidiaries were cancelled officially on the same day. Previous to the Shareholders' Meeting, the Managing Director of the Mitsubishi Honsha called the Presidents of the Subsidiaries together and made a statement to that effect.

   As the dissolution of the Zaibatsu is one of the most important occupation policies based on the Potsdam Declaration, General Headquarters and the Japanese Government have issued various statements, directives and memorandums on the subject since the Occupation of Japan on September 2, 1945. As a result, the control function of the Mitsubishi Honsha as a parent company was completely suspended immediately after the Occupation, that is, long before the Shareholders' Meeting mentioned above. The memorandum regarding the selection of officials of the Subsidiaries has, therefore, been abolished practically since then.

5. As far as can be gathered by the Mitsubishi Honsha, there has never been any memorandum similar to Honsha's, regarding the selection of officials, between the Subsidiaries and their affiliated or associated companies. Whether the Subsidiary recommended or acknowledged officials of its affiliated or associated companies has to be proved in individual cases.

I hereby certify the above statement to be true and correct in every detail.

For the Mitsubishi Honsha,

*Toshio Ishiguro (Signed)*

Liquidator.

Mr. Tetsu Katayama,
Prime Minister,
Japanese Government, TOKYO

Subject: PETITION for removal of provisional designation as person to whom the "purge" Ordinance is applicable

Sir:

For the reasons stated below, I hereby petition for official recognition of the fact that, although in October 1946 I was appointed as Auditor of the Taisho Marine and Fire Insurance Company, Limited (Taisho Kaijo Kasai K.K.), which is designated by the Elimination of Zaibatsu Family Control Law, I personally was or am not connected in any way with ZAIBATSU control or appointments.

Reasons

Although I was elected to officership in the Taisho Marine and Fire Insurance Company, Ltd. by the Company's 30th Regular General Meeting of Shareholders of October 25, 1946, and was appointed to the post of Auditor, I wish to contend that designation on this account of my status as a Zaibatsu company officer as prescribed in Article 6 of the Elimination of Zaibatsu Family Control Law is, for the following reasons, unjustifiable:

a. Cessation of Function and Controlling Power of the MITSUI HONSHA (Mitsui Holding Company)

Previous to the issuance of the SCAP Memorandum in connection with the dissolution of holding companies on November 6, 1945, it had become apparent that the Allied authorities

were definitely inclined toward dissolution of the MITSUI HONSHA. Thus, by mid-October the MITSUI HONSHA had severed connections with its former subsidiaries and affiliates, and on November 8, 1945, two days after the dissolution order, President Takakimi Mitsui of the MITSUI HONSHA issued a statement of dissolution to all employes. This statement was published in the house organ of the Company, and was given wide circulation among former affiliated and subsidized concerns. Thus, a formal cessation of activities was called, completely suspending function of the MITSUI HONSHA and all control over its affiliates and subsidized concerns. On September 30, 1946, a Special General Meeting of Shareholders of the MITSUI HONSHA was convened for the purpose of resolving dissolution and liquidation. Therefore, at the time of my election by the 30th General Meeting of Shareholders of the Taisho Marine and Fire Insurance Company, Ltd., and my appointment as Auditor of that Firm, the MITSUI HONSHA had ceased to exist .

b. Procedure for Appointment of Officers of the Taisho Marine and Fire Insurance Co., Ltd.

Apart from the officers detailed to the Taisho Marine and Fire Insurance Company by the MITSUI HONSHA, complete independence in the election and appointment of officers was permitted. No agreement, either with the MITSUI BUSSAN K.K. or its successor the MITSUI HONSHA, ever existed with regard to previous acknowledgment of appointments. Reference to the appended "Procedures for Appointments of MITSUI ZAIBATSU officers" is requested.

c. Circumstances of the Appointment of the Undersigned as Auditor; absence of previous acknowledgment thereto by the MITUI HONSHA

As will be clear from my personal history appended hereto, I entered the Taisho Marine and Fire Insurance Co., Ltd. in 1920 in the month of December as an ordinary employe, working as an employe of the Company for 26 years until my appointment as an officer in October, 1946 when all control over the Company by the MITSUI HONSHA had completely ceased. The general situation was confused; the shock of the surrender still persisting, and with inflation progressing, living costs were steadily rising causing unrest among the working classes, which were banding to form a labor "offensive." Under these conditions, the future of the insurance business was clouded with fears, and as a method of overcoming the difficulties, the democratization of the enterprise was advocated. Unions were formed by the employes who demanded together with democratization, improvement of treatment. Thus, the trend for democratic election of the Company's officers from among the employes, instead of hierarchical appointments as had been customary in the past became strongly imbedded. In this general tide, the Taisho Marine and Fire Insurance Company, Ltd. swung toward democratization of management, and it was agreed that officers should be elected from among the employes. It was under such conditions that my election and appointment took place, and I rose to officership from the ranks. Therefore, it is clear that the MITSUI HONSHA had nothing to do with my present position, and moreover, the MITSUI HONSHA was at that time already dissolved and in liquidation. A letter of certi-

fication to the effect that the MITSUI HONSHA had no connection with my appointment is appended hereto.

Also appended is a document explaning the procedure taken regarding the previous acknowledgment of the Holding Companies Liquidation Committee of all agenda prepared for the General Meetings of Shareholders of the Taisho Marine and Fire Insurance Company.

d. The undersigned has no connections whatsoever either by blood-relationship or by marriage with any of the Mitsui Zaibatsu or family members thereof.

In proof of this fact, a certified copy of my census-register is appended hereto.

e. While holding officership in a Mitsui Zaibatsu concern, I have never held more than four posts concurrently. This is evidenced by my personal history, and I have never been an officer in any other Mitsui Zaibatsu concern or in the organization of any other Zaibatsu.

f. The "purge" Ordinance is not applicable to the undersigned.

As the result of examination by the Central Screening Committee, I have been classified as "non-applicable", and the note of confirmation to that effect , dated June 5, 1947, a copy of which is hereto appended, was received from the said Committee.

g. Circumstances Attending my appointment as Managing Director of the Taisho Marine and Fire Insurance Company, Ltd.

At the 30th Regular General Meeting of Shareholders held on October 25, 1946, I was elected an officer of the Company and appointed Auditor. Later, in 1947, on May 5, the 13th Special Meeting of Shareholders was held for the bye-election of officers to fill vacancies created up to April of that year. It having been previously agreed that the wishes of the employes' union would be respected in the appointments of officers, the election was held on the principle that able and experienced men would be chosen from among the employes of the Comapny. With the support of the union and with the backing of a majority of the shareholders I was permitted to resign as Auditor and, with the acknowledgment of the Holding Companies Liquidation Committee, my appointment as Managing Director was effected.

The results of the by-election were as follows:

| POSITION | NAME | FORMER POSITION |
|---|---|---|
| President & Director | Harue Yamane | Employe of the Taisho Marine & Fire Insurance Company,Ltd. |
| Managing Director | Takashi Watanabe | " |
| " | Kozo Uchida | " |
| Director | Nansei Nishimeri | " |
| " | Masao Yuri | " |
| " | Shiro Uehara | " |
| " | Yozo Kobashi | " |
| Auditor | Naoji Takeda | " |
| " | Tameji Shimomura | " |

To date, there has been no change,excepting Auditor Tameji Shimomura,who resigned on October 22, 1947 to take up the post of manager of the Nagoya Branch Office of the Taisho Marine and Fire Insurance Co.,Ltd.

I therefore request acknowledgement of non-applicability to my presentbstatus of Articles 6 and 7 (Clause 1, items 1,2 and 40) of the Elimination of ZAIBATSU Family Control Law.

I remain

Yours very sincerely

T. Watanabe

THE MITSUI HONSHA BULLETIN NO. 68

Dated November 8th (Thursday), 1945.
Issued by the Archives Department.

EXTRA

It is decided that the Mitsui Honsha, Ltd. shall be dissolved in order to carry out the basic principle of the SCAP and the intention of the Japanese Government, and today the president gave a farewell address to the employes.

The Resume of the Address

As was recently announced by the SCAP, the Mitsui Honsha, Ltd. has decided to embark upon its dissolution along with the respective head-offices of Mitsubishi, Sumitomo and Yasuda, and as President I wish to make you a report.

Since the establishment of the Company last March, the war situation has gradually deteriorated and the general conditions have worsened. Amidst these difficulties the directors and employes have made concerted and unremitting efforts toward realization of the Company's objective for which I express my deepest gratitude and appreciation. At the same time I regret very much to say that our country was forced to accept the defeat in war as a cold fact at a time when the Company was placed upon a solid basis and began to show itself in true colors. As you are quite well aware, the termination of the war has brought about a complete change of the situation and to effect sweeping industrial and economic reforms has become the crying need of the new epoch, and thus the so-called dissolution of the Zaibatsu came into question. Being firmly convinced of the raison d'etre of the Zaibatsu in Japan and its high mission for the economic reconstruction, the management has exerted all possible efforts to cope with the question properly in appreciation of a wery grave responsibility. We are now forced, however, to adapt ourselves to the basic principle of the SCAP and the intention of the Government which demand dissolution.

The method of dissolution is as reported in yesterday's papers and contains four items.

1. Four headquarters of Mitsui, Mitsubishi, Sumitomo and Yasuda shall be dissolved.
2. Securities and other assets held by the four holding companies shall be transferred to an organ designated by the Government.
3. Members of Houses of Mitsui, Iwasaki, Sumitomo and Yasu-

da shall sever their relations with associated companies.

4. Directors of the headquarters shall retire after transference of their assets.

Thus the nerve center of all Mitsui enterprises will go out of existence and hereafter all associated companies wil be managed unfettered.

Since its foundation over three centuries ago, though marked by vicissitudes, the House of Mitsui has succeeded in attaining the present grandeur and contributed very much toward enhancing the national fortunes. The fact is solely attributable to beneficent influences of society and heavy labors of the management and employes in the past which I deeply appreciate. Our country is now vanquished and the Company is fated to be dissolved. In looking back upon the Mitsui's history, a thousand emotions crowd upon me and I believe that my feelings are shared by not a few.

Setting aside the plight of the Mitsuis, I heartily sympathize with you who are obliged to leave the Company which you regard as your life-long workshop and I can fully imagine the deep attachment being felt by you in parting who worked together for many years. I really feel lonely to retire from the Company and bid farewell to you all.

As President I hold myself responsible for your welfare and I am determined to take all available measures after due consultation with the directors. In the circumstances I ask you to remain calm and unagitated and conduct business with usual care.

THE METHOD OF SELECTING
OFFICERS OF THE MITSUI ZAIBATSU

No.1 The Mitsui Honsha, Ltd., Mitsui Somotokata Co. and Mitsui & Co.
Mitsui & Co. (before August 26th, 1940)
Mitsui Somotokata Co. (August 27, 1940-end of February, 1944)
The Mitsui Honsha, Ltd. (March 1st, 1944-the war's end)

Officers of the Mitsui Honsha, Ltd., Mitsui Somotokata Co. and Mitsui & Co. were appointed by the eleven Houses of Mitsui. To explain in detail, the Chairman of the Board of Directors (or Top Executive Director) was chosen by the House of Mitsui after consultation with his predecessor. As to other officers, the Chairman of the Board of Directors and the President of the Mitsui Honsha, Ltd. selected candidates after consultation and formally decided with the approval of the House of Mitsui. There was no written stipulation.

No.2 Subsidiary Companies (under direct control)

There was no written arrangement as to the selection and appointment of officers but in actual practice they got approval in advance of the Mitsui Honsha, Ltd., Mitsui Somotokata Co., or Mitsui & Co. To explain in detail; presidents of Subsidiary companies (under direct control) were recommended by the Mitsui Honsha, Ltd., etc., and as to other officers, apart from cases in which officers of the Mitsui Honsha, Ltd., etc. were sent out, presidents of the said companies selected their own candidates and got approval in advance of the Mitsui Honsha, Ltd. It was customary for the Mitsui Honsha, Ltd. to approve candidates put forward by presidents of subsidiary companies. In other words, selection of officers of subsidiary companies were left to the discretion of presidents, excepting cases in which officers of the Mitsui Honsha, Ltd. were sent out.

No.3 Affiliated Companies (under semi-direct control)

There was no written stipulation. The system of Affiliated Companies was instituted after the Mitsui Honsha, Ltd. was renamed. Officers from the House of Mitsui and the Mitsui Honsha, Ltd. were recommended as a rule by the Mitsui Honsha, Ltd. However, these companies were under the control of the

Mitsui Honsha, Ltd. for less than ten months and the Mitsui Honsha, Ltd. took little or no actual part in the selection of officers. In fact, their relations with their former parent companies such as the Mitsui Bussan Kaisha, Ltd., the Mitsui Mining Co., Ltd., etc. remained unchanged and regarded almost same as companies mentioned in No.4.

No.4 Other Companies.

There was no arrangement as to the selection and appointment of officers. The Mitsui Honsha, Ltd. took no part in the selection and appointment of officers, formally or substantially, excepting cases in which officers were sent out from the Mitsui Honsha, Ltd. This applied to subsidiary companies of the Mitsui Bussan Kaisha, Ltd., the Mitsui Mining Co., Ltd., etc.

No.5 Stoppage of functions of the Mitsui Honsha, Ltd.

The Mitsui Honsha, Ltd. practically stopped its functions since war's end forseeing an inevitable dissolution of the Zaibatsu consequent upon the acceptance of the Potsdam Declaration. Especially since mid-October of 1945 when the decision upon ultimate dissolution of the Mitsui Honsha, Ltd. was about to be reached, the functions were completely stopped-what with notifications from the Finance Ministry and the Central Liaison Office. Formally, the dissolution directive was received on November 6th, 1945 and on the following day the President of the Mitsui Honsha, Ltd. announced the dissolution to the insiders.

In the meantime, since the termination of the war, the floodtide of democracy has surged and election of officers were carried out according to the will of employes free from outside influence.

Subject: PETITION for removal of provisional designation as person to whom the "Purge" Ordinance is applicable

Sir:

For the reasons given below, I hereby submit this petition for official recognition of the fact that, although in June 1946 I was appointed as an officer of the Taisho Kaijo Kasai K.K. (Taisho Marine and Fire Insurance Company,Ltd) which, under the Elimination of Zaibatsu Family Control Law, is designated as a Zaibatsu affiliate, I personally was or am not in any way connected with Zaibatsu control or appointments.

I. Reasons

Although I was elected to officership of the Taisho Marine and Fire Insurance Co.,Ltd. by the Company's 29th Regular General Meeting of shareholders of June 26,1946, and assumed the post of managing director, designation on this account of my status as a Zaibatsu company officer as prescribed in Article 6 of the Elimination of ZAIBATSU Family Control Law is unjustifiable for the following reasons as attested to by the documentary evidence appended hereto:

a. Cessation of Function and Control of the MITSUI HONSHA (Mitsui Holding Company).

Previous to the issuance of the SCAP Memorandum of November 6, 1945 for the dissolution of holding companies, it had become apparent that the Allied authorities were definitely inclined towards dissolution of the MITSUI HONSHA. Thus by mid-October the MITSUI HONSHA had severed connections with its former subsidiaries and affiliates, and on November 8, 1945, two days after the dissolution order, President Takakimi Mitsui of the MITSUI HONSHA issued a statement of dissolution to all employes. This statement was published in the house organ of the Company and was given wide circulation among former affiliated and subsidized concerns. Thus, a formal cessation of activities was called, completely suspending function of the MITSUI HONSHA and all control over affiliates and subsidies as of that date. Therefore, by the time of my appointment as managing director of the Taisho Marine and Fire Insurance Company, Ltd. control over this firm in any form whatsoever by the MITSUI HONSHA had ceased to exist.

b. Procedure for Appointment of Officers of the Taisho Marine and Fire Insurance Co., Ltd.

Apart from the officers detailed to the Taisho Marine and Fire Insurance Company by the MITSUI HONSHA, complete independence in the elections of officers was permitted; there never having existed any agreement as to previous acknowledgement of appointments, either with the MITSUI BUSSAN K.K. or its successor the MITSUI HONSHA. Reference to "Procedures for appointments of MITSUI ZAIBATSU officers" appended hereto is requested.

c. Appointment of the Undersigned as Managing Director (officer) of the Taisho Marine and Fire Insurance Co.,Ltd,was effected without previous acknowledgement by the MITSUI HONSHA

As will be clear from my personal history appended hereto for individual investigation, I entered the Taisho Marine and Fire Insurance Co.,Ltd. in April 1921 as a ordinary employe, and stayed with that firm for 24 years uhtil April 1945, when I left to serve as a Director of the Japan Non-Life Insurance Association. In March 1946 I resigned from that organization and rejoined the Taisho Marine and Fire Insurance Co., where by the Regular General Meeting of Shareholders of June 26,1946 I was elected an officer of the Company and appointed Managing Director. The circumstances of my election were that it so happened that with the re-election of all officers due at the 29th Regular General Meeting of Shareholders, the Company employes as well as the shareholders, in view of the considerable difficulties faced by the development of Japan's damage insurance enterprises, felt it increasingly desirable to elect,as managing director,some person of democratic leanings and wide experience. Furthermore, since the surrender, democratization had become the watchword in the insurance business, and there was an increasing tendency among its employes to demand reforms in the powers-that-be appointments of officers and to seek democratic men of ability from among themselves. My election and appointment took place under such circumstances, and by that time, the MITSUI HONSHA had completely ceased functioning as a Zaibatsu holding company, with all its officers withdrawn, excepting the few remaining in charge of its liquidation. There-

-fore, as certified by the appended document issued by the MITSUI HONSHA, neither that concern nor any of its connections had anything to do with my election and appointment as Managing Director of the Taisho Marine and Fire Insurance Company,Ltd.

d. The undersigned has no connections whatsoever either by blood-relationship or by marriage with any of the Mitsui Zaibatsu or family members thereof.

In proof of this fact is appended hereto a certified copy of my census-register.

e. While an officer in a Mitsui Zaibatsu Concern, the undersigned has never held more than four posts concurrently.

As will be evident from my personal history, I have never held officership in any Mitsui Zaibatsu concern other than the Taisho Marine and Fire Insurance Co.,Ltd. Neither have I ever held officership in any other Zaibatsu concern.

f. The"Purge" Ordinance is not applicable to the undersigned.

As the result of examination by the Central Screening Committee, I was classified as "non-applicable" and the "Confirmatory Note" to that effect,dated June 5,1947, was received from the Committee. A copy of the confirmation is included among the appended documents.

g. Circumstances attending my election to the presidency of the Taisho Marine and Fire Insurance Co.,Ltd.

As already stated above, I was appointed Managing Director of the Taisho Marine and Fire Insurance Co.,Ltd. through the election of officers by the 29th Regular Meeting of Share-

holders of June 26,1946. On May 5,1947 the Company called its 12th Special General Meeting of Shareholders to hold by-election to fill vacancies among Company officers. Previous to this, an employes'union had been formed, and the by-election was held after it had been agreed that the vacancies would be filled by democratic and able men from among the employes. Thus it was that I became president of the Company, succeeding the outgoing president,Mr Toshio Otsuka , with the backing of the employes union and on the understanding of the Holding Companies Liquidation Committee.

The results of the by-election were as follows:

| POSITION | NAME | FORMER POSITION |
|---|---|---|
| President & Director | Harue Yamane | Employe of the Taisho Marine & Fire Insurance Company,Ltd. |
| Managing Director | Takashi Watanabe | " |
| " | Kozo Uchida | |
| Director | Nansei Nishimori | " |
| " | Masao Yuri | " |
| " | Shiro Uehara | " |
| " | Yozo Kobashi | " |
| Auditor | Naoji Takada | " |
| " | Tameji Shimomura | " |

To date, there has been no change,excepting Auditor Tameji Shimomura, who resigned on October 22,1947 to take up the post of manager of the Nagoya Branch Office of the Taisho Marine and Fire Insurance Co.,Ltd.

I therefore request acknowledgement of non-applicability to my present status of Articles 6 and 7 (Clause 1, items 1,2 and 4) of the Elimination of ZAIBATSU Family Control Law.

I remain

Yours very sincerely,

Harue YAMANE
President,
Taisho Marine and Fire Insurance Co.,Ltd.

THE MITSUI HONSHA BULLETIN NO. 68

Dated November 8th (Thursday), 1945.
Issued by the Archives Department.

EXTRA

It is decided that the Mitsui Honsha, Ltd. shall be dissolved in order to carry out the basic principle of the SCAP and the intention of the Japanese Government, and today the President gave a farewell address to the employes.

The Resume of the Address

As was recently announced by the SCAP, the Mitsui Honsha, Ltd. has decided to embark upon its dissolution along with the respective head-offices of Mitsubishi, Sumitomo and Yasuda, and as President I wish to make you a report.

Since the establishment of the Company last March, the war situation has gradually deteriorated and the general conditions have worsened. Amidst these difficulties the directors and employes have made concerted and unremitting efforts toward realization of the Company's objective for which I express my deepest gratitude and appreciation. At the same time I regret very much to say that our country was forced to accept the defeat in war as a cold fact at a time when the Company was placed upon a solid basis and began to show itself in true colors. As you are quite well aware, the termination of the war has brought about a complete change of the situation and to effect sweeping industrial and economic reforms has become the crying need of the new epoch, and thus the so-called dissolution of the Zaibatsu came into question. Being firmly convinced of the raison d'etre of the Zaibatsu in Japan and its high mission for the economic reconstruction, the management has exerted all possible efforts to cope with the question properly in appreciation of a very grave responsibility. We are now forced, however, to adapt ourselves to the basic principle of the SCAP and the intention of the Government which demand dissolution.

The method of dissolution is as reported in yesterday's papers and contains four items.

1. Four headquarters of Mitsui, Mitsubishi, Sumitomo and Yasuda shall be dissolved.
2. Securities and other assets held by the four holding companies shall be transferred to an organ designated by the Government.
3. Members of Houses of Mitsui, Iwasaki, Sumitomo and Yasu-

da shall sever their relations with associated companies.

4. Directors of the headquarters shall retire after transference of their assets.

Thus the nerve center of all Mitsui enterprises will go out of existence and hereafter all associated companies wil be menaged unfettered.

Since its foundation over three centuries ago, though marked by vicissitudes, the House of Mitsui has succeeded in attaining the present grandeur and contributed very much toward enhancing the national fortunes. The fact is solely attributable to beneficent influences of society and heavy labors of the management and employes in the past which I deeply appreciate. Our country is now vanquished and the Company is fated to be dissolved. In looking back upon the Mitsui's history, a thousand emotions crowd upon me and I believe that my feelings are shared by not a few.

Setting aside the plight of the Mitsuis, I heartily sympathize with you who are obliged to leave the Company which you regard as your life-long workshop and I can fully imagine the deep attachment being felt by you in parting who worked together for many years. I really feel lonely to retire from the Company and bid farewell to you all.

As President I hold myself responsible for your welfare and I am determined to take all available measures after due consultation with the directors. In the circumstances I ask you to remain calm and unagitated and conduct business with usual care.

THE METHOD OF SELECTING
OFFICERS OF THE MITSUI ZAIBATSU

No.1 The Mitsui Honsha, Ltd., Mitsui Somotokata Co. and Mitsui & Co.

Mitsui & Co. (before August 26th, 1940)
Mitsui Somotokata Co. (August 27, 1940-end of February, 1944)
The Mitsui Honsha, Ltd. (March 1st, 1944-the war's end)

Officers of the Mitsui Honsha, Ltd., Mitsui Somotokata Co. and Mitsui & Co. were appointed by the eleven Houses of Mitsui. To explain in detail, the Chairman of the Board of Directors (or Top Executive Director) was chosen by the House of Mitsui after consultation with his predecessor. As to other officers, the Chairman of the Board of Directors and the President of the Mitsui Honsha, Ltd. selected candidates after consultation and formally decided with the approval of the House of Mitsui. There was no written stipulation.

No.2 Subsidiary Companies (under direct control)

There was no written arrangement as to the selection and appointment of officers but in actual practice they got approval in advance of the Mitsui Honsha, Ltd., Mitsui Somotokata Co., or Mitsui & Co. To explain in detail, presidents of Subsidiary companies (under direct control) were recommended by the Mitsui Honsha, Ltd., etc., and as to other officers, apart from cases in which officers of the Mitsui Honsha, Ltd., etc. were sent out, presidents of the said companies selected their own candidates and got approval in advance of the Mitsui Honsha, Ltd. It was customary for the Mitsui Honsha, Ltd. to approve candidates put forward by presidents of subsidiary companies. In other words, selection of officers of subsidiary companies were left to the discretion of presidents, excepting cases in which officers of the Mitsui Honsha, Ltd. were sent out.

No.3 Affiliated Companies (under semi-direct control)

There was no written stipulation. The system of Affiliated Companies was instituted after the Mitsui Honsha, Ltd. was renamed. Officers from the House of Mitsui and the Mitsui Honsha, Ltd. were recommended as a rule by the Mitsui Honsha, Ltd. However, these companies were under the control of the

Mitsui Honsha, Ltd. for less than ten months and the Mitsui Honsha, Ltd. took little or no actual part in the selection of officers. In fact, their relations with their former parent companies such as the Mitsui Bussan Kaisha, Ltd., the Mitsui Mining Co., Ltd., etc. remained unchanged and regarded almost same as companies mentioned in No.4.

No.4 Other Companies.

There was no arrangement as to the selection and appointment of officers. The Mitsui Honsha, Ltd. took no part in the selection and appointment of officers, formally or substantially, excepting cases in which officers were sent out from the Mitsui Honsha, Ltd. This applied to subsidiary companies of the Mitsui Bussan Kaisha, Ltd., the Mitsui Mining Co., Ltd., etc.

No.5 Stoppage of functions of the Mitsui Honsha, Ltd.

The Mitsui Honsha, Ltd. practically stopped its functions since war's end forseeing an inevitable dissolution of the Zaibatsu consequent upon the acceptance of the Potsdam Declaration. Especially since mid-October of 1945 when the decision upon ultimate dissolution of the Mitsui Honsha, Ltd. was about to be reached, the functions were completely stopped-what with notifications from the Finance Ministry and the Central Liaison Office. Formally, the dissolution directive was received on November 6th, 1945 and on the following day the President of the Mitsui Honsha, Ltd. announced the dissolution to the insiders.

In the meantime, since the termination of the war, the floodtide of democracy has surged and election of officers were carried out according to the will of employes free from outside influence.
