SECTION I - GENERAL

1. Mission - Government Section is responsible for the reform, organization, and administration of the Diet, prefectural and municipal subdivisions, national ministries, and other executive agencies; supervises elections and guides Diet activities; abrogates laws prejudicial to occupation policies and procedures and practices in national and local governments. Publicizes and popularizes civil liberties under Japanese and Occupation law. Supervises reform of civil and criminal procedures; the dissolution of organizations fostering militarism, nationalism, or hostility; the removal of exponents of ultranationalism and aggression from local and national public life; and programs designed to give understanding of principles and techniques of democratic government and recommends procedure and legislation for Japanese civil service. Governmental and political relations with Washington as to status and policies pertaining to above activities.
2. Assignment - This is a special staff section of the Supreme Commander for the Allied Powers by General Order No. 10, GHQ, SCAP, dated 23 June 1947.
3. Capabilities - Government Section is capable of accomplishing assigned mission with present civilian personnel.

able for the reform, organization, and administration of Japanese governmental system, the  
ions, national ministries, and other executive agencies. Supervises political parties and  
rogates laws prejudicial to occupation policies and eliminates undesirable or undemocratic  
local governments. Publicizes and popularizes the Japanese Constitution. Advises on  
ation law. Supervises reform of civil and criminal codes, court structure, and judicial  
ions fostering militarism, nationalism, or hostility to the Occupation. Recommends re-  
nd aggression from local and national public life. Develops and executes long-range  
of principles and techniques of democratic government. Formulates plans and programs  
for Japanese civil service. Governmental and political advisor to Supreme Commander and  
taining to above activities.

tion of the Supreme Commander for the Allied Powers with responsibilities as established  
d 23 June 1947.

able of accomplishing assigned mission with present authorized allotment of military and
