

# Plan for the South East Corner of the Battery to avoid moving the Guns from the Site of Confederate Battery Ramsey Their present position.

Red. Plan now adopted  
Taken from Plan furnished by  
City Engineer -

Black, Plan as now proposed.

\* Also of Wilkins' Port - 16 Guns  
when Charleston was first laid out - certainly in the early 1700 -  
Then White Point was a sandy point of low lands -
