A wiki should make a clear difference between readers and contributors.

MORE INFORMATION

Wikimedia Deutschland (WMDE) is a non profit club that supports wikis and free knowledge.

00

English.

In 2010 started a project in German Wikipedia with children articles about medicine. The community voted against it.

and Lexikon,

ZUM e.V. is a German association of OER activists and teachers. They host Klexikon.

The word 'Klexikon' stems from the German words Kinder, children, encyclopedia.

Our report for In 2015, Klexikon WMDE, about the received 640,000 creation of a wiki page views, and 5,900,000 encyclopedia for children, was page views translated to in 2018.

Start early with the wiki, but have a good basic set of rules from the beginning.
