Assumed Reasons for Hesitation to Establish Board of Ed on the part of Local People.

(S. Miura) 17 May 1950.

1. Due to lack of local leadership, the existing local school boards have failed to demonstrate the advantages to be obtained by their installation.

2. Ineffective and uneconomical operation ~~and uncommon~~ displayed by the existing boards & giving an unfavorable impression to the general ~~bad~~ public that the board of education is "expensive"

3. Difficulty for the local public body to foresee their future financial situation (capability to afford the board of education). pending the legislation of the new local tax law.

4. Alleged re-demarcation of administrative district (prefecture) prevents local people from taking ~~any~~ a definite step in local administration.

Budget file

SUBJECT: Chizai Hatsu 456, 28 September 1948
(No. 456, Local Finance Committee, 28 Sept. 1948)

FROM : Secretary General Office of Local Finance Committee

TO : Governor of Shiga Prefecture

TITLE : Concerning the Expenditure of the Local Fund of Matters beyond jurisdiction of the Local Public Organizations.

In spite of the articles 9 thru 12 of the Local Finance Law which clarifies the areas covered by the national government budget and the local government budget, recent reports to this office have revealed the fact that they contrived many pretexts for misappropriation of the local funds 1) to raise salaries, 2) to pay expenses which are to be met by To, Do, Fu, and Ken Police Forces, 3) to misappropriate considerable sum of the prefectural budget to meet the expenses which come under the Article 10 of the said law under undue pressure of the national government, 4) to pay expenses for equipment, maintenance and buildings of the government sponsored educational institutions.

This misappropriation of the local funds has become an obstacle to the sound development of local finance in accordance with the Local Finance Law. This committee warns you to be on strict guard against this sort of practice since such act may be regarded as violation of the Local Finance Law, Article 2, No. 1, and as such will be dealt with the Article 26 of the said law.

This committee wants to be always informed of any unreasonable inducement by the government agencies in violation of the Local Finance Law.
