

CITY TRUSTEES

AWARD CONTRACTS FOR STREET WORK ON BRAND AND LINCOLN PLACE

The Board of Trustees met in regular session at the City Hall at 7:30 p. m., November 22, 1915. There were present Trustees Grist, Lane, Thompson, Tower, Absent, Williams. The minutes of the last regular meeting and the adjourned meeting were read and approved.

A communication was read from Ralph Wolfe calling attention to an alleged mistake in a charge against his lot, Lot 12, Block J, Glendale Valley View Tract, for lot cleaning, amounting to \$1.30. On motion, the matter was referred to the City Manager.

Mr. A. W. Tower requested permission to remove two trees in front of his place on Adams street and replace the same by two pepper trees. On motion of Trustee Thompson, the request was granted.

An application to sell milk was read from C. C. Miller and C. W. Young of Rock Glen and Ellis avenues. Being approved by the milk inspector, the same was, on motion, granted.

The City Engineer made a report recommending the acceptance of the bid of F. R. Sinclair for the improvement of Lincoln Place. Trustee Tower moved the adoption of the recommendation and offered a resolution to that effect, which was adopted.

The City Engineer also made a report recommending the acceptance of the bid of George H. Oswald for the improvement of a portion of Brand boulevard, Doran street and First street. On motion of Trustee Tower, the recommendation was adopted.

The manager of the public service department presented a waiver signed by the Miradero Water Company by L. C. Brand, President, agreeing that paragraph contained in lines eight to nineteen inclusive on Page three of the "Lease and Option" made the first day of October, 1914, between the Miradero Water Company and the City of Glendale, be eliminated and stricken out, and the provisions therein contained be declared null and void. Upon motion of Trustee Thompson, said waiver and agreement was directed to be signed by the president of the Board of Trustees and the clerk of the Board of Trustees of the City of Glendale.

The manager of the public service department also reported that the Verdugo Pipe and Reservoir company has procured a good title to its reservoir lot on Verdugo road, and that the deal with that company may now be closed and presented a demand for \$1500, being the price agreed upon. Upon motion, the manager of the public service department was authorized to consummate.

The manager of the public service department also recommended that application be made to the Railroad Commission to confirm the sale made in 1912 of the property of the Glendale Light and Power company to the City of Glendale. Upon motion of Trustee Tower, it was so ordered.

The city attorney made a report regarding the opening and widening of Seventh street and Adams street. Action in these cases had been promptly filed after receiving the certificate of title showing property owners, and was turned over in July to Mr. G. H. Herald, who made return on the same about October 1, showing defendants all served with the exception of two or three whom he had been unable to locate. The city attorney had since located these parties, and will soon have all papers back for the further progress of the work. The defendants in these cases, having been so widely scattered, the task of locating them had been necessarily slow and tedious. He also reported that the case of Frith vs. the City of Glendale and O. W. Tarr, street superintendent, and also the case of Hight vs. City of Glendale and O. W. Tarr, street superintendent, for damages amounting to \$1500.00, had been tried in the Superior Court during the past week and judgment given to the city. In reference to this last case, the city attorney presented a statement of expenses in connection with the trial, which statement was ordered to be filed with the demand.

The matter of a public gymnasium for the use of the young men of the city was informally discussed at some length, and was, on motion, finally referred to the Public Welfare department.

Demands referred to the Finance Committee at the last meeting were reported back and approved and warrants were ordered drawn in payment of same. A list of these demands was published in the News last week.

The following demands were presented, referred to the Finance Committee, and allowed:

"FUN" IN EAGLE ROCK

EAGLE ROCK TORPEDO ADVOCATES ANNEXATION OF EAGLE ROCK TO LOS ANGELES

It was with feelings of interest that the editorial staff of The Glendale Evening News took up the first issue of The Eagle Rock Torpedo, which purports to be a paper published in "the interests of—the annexation of—Eagle Rock." This paper represents that it is "paid for by the believers in a Greater Los Angeles." Further examination of its contents shows a table giving the various officials of Eagle Rock with editorial comment on their motives for holding office. One is a trustee for "glory;" another for "honor;" another for "service;" still another for "fame," and last but not least, E. E. Chandler, editor of the "Torpedo," who evidently fears no loss of dignity in stating that he is a trustee of Eagle Rock for "fun."

If one may judge from the fact that Mr. Chandler has taken to the wild delights of editorship there is not enough "fun" in the Eagle Rock city council to suit the hilarious disposition of the editor and he is desirous of seeing Eagle Rock annexed to Los Angeles for the "fun" he will manage to extract out of the hauling of taxpayers all the way to Los Angeles to answer for their delinquencies. Some people can see fun in anything, especially when the laugh is not on themselves.

Whatever fun Mr. Chandler has been extracting from his responsible office of trustee for Eagle Rock city he does not show much evidence of real humor in the "Torpedo," which is occupied chiefly with the usual dreary array of figures common to the party "agin' the government" and which prove anything or nothing. If this be the editor's idea of "fun" there is little wonder that he is in the "opposition."

Here we have the common stock "machinery" of the opposition broadsheet, of which Glendale has had experience. There is nothing new in argument or illustration. The dissenting element that is to be found in every city, great or small, must have some organ for utterance otherwise it might split with "the venom of its spleen."

With this element everything is out of joint in the city where they dwell; but they have none of Hamlet's modesty and are quite convinced that they were "born to set it right" and only regret that they don't get carte blanche to do so. Eagle Rock is an excellent little city and is progressing along individual lines. Long may she do so. The big city has its advantages; but so has the small city and those who are able to see and appreciate these advantages and to value independence are just as wise as the discontented element that is always wanting a change.

Eagle Rock, with her finely equipped library, her modern churches, her well-made streets, her excellent street car service and her schools has no need to attach herself to a huge organization like Los Angeles. Any advantages she might acquire would be more than offset by the loss of identity and the sacrifice of home rule.

In all probability, also, the conservative element gets just as much "fun" out of the situation as any would-be humorist in public life.

WISCONSIN WOMAN DIES SUDDENL

Mrs. Dennie Keating, who with her husband had just arrived from Wisconsin on a visit to the George Betts family, 442 Gardena avenue, Tropic, passed away suddenly at the Betts home last evening. The remains are at the Scovern-Letton-Frey parlors awaiting shipment to her home in Wisconsin.

EFFECTS \$140,000 EXCHANGE

Following up recent large deals which have been effected by their agency, H. L. Miller & Co., 409 S. Brand boulevard, have successfully managed to effect an exchange, the amount of realty in which is valued at \$140,000. In this important deal Mr. F. De Witt Moon exchanges a 420-acre improved farm, five miles north of Merced, valued at \$63,000, along with 7 Long Beach lots, valued at \$7000, for a 3000-acre Texas farm owned by C. W. Roberts. This is an even exchange, the Texas property being valued at \$70,000.

READY TO DISCUSS "PREPAREDNESS"

MINORITY LEADER MANN ACCEPTS WILSON'S INVITATION TO CONSIDER PLANS

(Special Service to Glendale Evening News)
WASHINGTON, D. C., Nov. 23.—Minority Leader Mann announced here today that he had accepted President Wilson's invitation to visit the White House next week in order to discuss the military "preparedness" program.

CYCLONES AND FLOODS IN SICILY

DESTRUCTIVE STORMS CAUSE SERIOUS LOSS OF LIFE IN ITALIAN ISLAND

(Special Service to Glendale Evening News)
ROME, Nov. 23.—Destructive cyclones and floods have swept the island of Sicily from north to south. Many persons lost their lives in the suddenly swollen mountain streams, where the floods carried away bridges and caused enormous damage to houses and farm produce. The greatest casualties are reported from Licata where numbers of people were killed in the cyclone. Wires are down in every direction and communication is interrupted.

DESTRUCTIVE FIRE IN MEXICALI

CONFLAGRATION RAGING IN LOWER CALIFORNIA CITY—TWENTY BUILDINGS IN RUINS

(Special Service to Glendale Evening News)
CALEXICO, Nov. 23.—Twenty buildings in Mexicali were destroyed by fire in the city across the border today. The conflagration started in a saloon. The entire town is threatened.

GERMANS REPORT BRITISH DEFEAT

TEUTONS SAY TURKS HAVE DRIVEN ENGLISH TROOPS BACK 30 MILES IN ASIA MINOR

(Special Service to Glendale Evening News)
BERLIN, Nov. 23.—After driving across Asia Minor a British army of 170,000 was defeated by the Turks 10 miles from Bagdad and forced to retire 30 miles, according to official reports here today.

BRITISH REINFORCEMENTS FOR GALLIOLI

BRITISH TRANSPORTS ARE BUSY LANDING TROOPS AT NEW POINT ON THE DARDANELLES

(Special Service to Glendale Evening News)
CONSTANTINOPLE, Nov. 23.—Numerous British transports are appearing around Ali Barnou, on the Dardanelles. This is believed to indicate that the Allies are about to attempt to send reinforcements from that point inland to effect a junction with the other troops already on the peninsula. The Turkish land batteries are busy trying to break up the movement.

SERVIANS STILL HOLD MONASTIR

KING PETER'S SOLDIERS SMASH BULGARIAN LINE AND EFFECT JUNCTION WITH FRENCH

(Special Service to Glendale Evening News)
LONDON, Nov. 23.—Monastir is still in the hands of the Serbian army, which is not in anything like the plight reported by the Germans. Instead of a mere remnant of the army being left the main Serbian army is still effective. The Servians have severely defeated the Bulgarians, killing 10,000 of them and forcing them back 20 miles. The Serbian left wing also broke through the Bulgarian line and effected a junction with the French. On the plain of the Blackbird also the Servians are victorious, defeating the Bulgarians and forcing them to abandon territory forty miles wide.

ATTORNEY SCORES GERMAN OFFICIALS

HAMBURG-AMERICAN LINE AND GERMAN ATTACHE "RODE ROUGHSHOD OVER TREATIES AND LAWS"

(Special Service to Glendale Evening News)
NEW YORK, Nov. 23.—In his opening statement to the jury trying the officials of the Hamburg-American line on a charge of supplying munitions to German commerce raiders District-Attorney Wolfe declared today that Captain Boy-Ed of the German embassy had superintended expenditures of \$750,000 for provisioning the commerce raider Leipzig in the Pacific. The Hamburg-American officials said Attorney Wolfe "rode roughshod over American treaties and laws as though they were scraps of paper."

FOOTHILL CLUB

MRS. N. C. KELLEY AND MRS. E. B. WYMAN HOSTESSES AT QUILTING BEE

Members of the Foot-hill club were delightfully entertained on the 19th instant in the attractive N. C. Kelley home at 1117 Melrose avenue, Mrs. E. B. Wyman assisting the gracious hostess of the afternoon.

A "Quilting Bee," quilts to be given to our needy at Xmas time, occupied the first hours of the afternoon, followed by a most pleasing musical program arranged and given by Mrs. W. W. Stone, accompanied by Mrs. Kelley. The sweet, mellow-toned contralto singer gave these selections: "What Is Love," by Rudolph Ganz; "Mellande In The Woods," by Almer Gletz; "Mammy's Song," by Harriet Ware, the last number being anonymous. Special guests of the afternoon were Mrs. A. L. Wykoff and Mrs. T. H. Spence, mother and sister of the hostess, here for the holidays from La Crosse, Wisconsin. Mrs. Spence, who is truly an authority on "Art and Masters," related her interesting experience at the exposition in San Francisco. Comparisons were made along all lines including the "Cubist." In the spacious living room tall vases containing white and yellow chrysanthemum, interlaced with strands of smilax, prevailed, while pink Enchantress and Mamon Cochet roses with ferns were used in the attractive dining-room, where a dainty buffet repast was served.

The next meeting will be held on the afternoon of December 17, Mrs. George E. Larkey, 1305 N. Central avenue, as hostess, assisted by Mrs. L. Oliver.

PROGRESSIVE DINNER PARTY

It is not easy to get much originality into a dinner party nowadays because every idea has been used over and over again, but there was both originality and amusement in a party given in conjunction, Monday night, by Mr. and Mrs. A. R. Chapman, 1359 Myrtle street, and Mr. and Mrs. C. M. Van Dyke, 1450 W. Third street. This entertainment was in the nature of a progressive dinner. The first two courses were served at the home of Mr. and Mrs. Chappell, where the dining room and table were beautifully decorated with chrysanthemums and ferns. The next courses were served at the Van Dyke home where poinsettias and Christmas decorations made a brave show. Afterward the hosts and their guests, consisting of Mr. and Mrs. Blake Franklin, Mrs. Mabel Ocker and Mr. and Mrs. C. A. Watson, of Albuquerque, N. M., went to the Palace-Grand theater to enjoy "Carmen." At the close of the show the party returned to the Van Dyke home where a pleasant hour was spent with piano and violin music and songs.

CHRYSANTHEMUM TEA

A profusion of chrysanthemums and foliage converted the C. W. Houston home on 1540 Myrtle street into a realistic Japanese tea room, on last Friday afternoon, when this attractive hostess opened her door to friends, who brought their work bags and spent the afternoon in needlework and conversation.

An elaborate five-o'clock tea was served by Mrs. Houston to her mother, Mrs. Patterson, Mrs. Clement Moore, Mrs. Horace G. Hosford, Mrs. Ed. Chappella, Mrs. B. H. Ward, Mrs. George Harrison, Mrs. Alfred Landman, Mrs. Chas. E. Hall, Mrs. J. E. Rochester and Mrs. Weeks of Glendale; Mrs. Wm. Rochester, Mrs. W. A. Smith and the Misses Hildebrand, all of Los Angeles.

MEXICANS IN FRAY

Pedro Ziebras and Jesus Ortega had been friends for years. They had had their fallings out and their makings up and thought nothing of them. Sunday saw another phase of their friendship, when having imbibed freely of the liquor known as "Dago ked," Pedro took umbrage at Jesus Ortega and informed him in language more virile than polite that his ancestors as far back as they could be traced were yellow curs. He then proceeded to administer what he declared was good enough for curs—a beating. For this assault and disturbance of the peace which took place on Verdugo Road, near the Ross packing house, Judge Whomes fined Ziebras \$10.

FUNERAL NOTICE

Funeral services for Joseph Arthur Houle will be held Wednesday morning at nine o'clock at the Church of The Holy Family.

WEATHER FORECAST—Cloudy and warmer tonight and Wednesday; northerly to westerly winds.

IN SCHOOL GARDENS

PROF. HOUDYSHEL EXPLAINS WORK DONE IN AGRICULTURAL DEPARTMENT OF HIGH SCHOOL

"In a High School like that of Glendale," said Prof. Houdyshel to a representative of the Glendale News, "it is impossible to do more in the way of teaching agriculture than to put the students in the track of learning thoroughly how to prepare, plant and cultivate a small vegetable garden such as is attached to most of the houses in the city, and at the same time to learn a little about budding, and raising certain trees from seed, along with the growing of roses and other home garden flowers. Still, if the students learn all this they are learning something that will not only be a pleasure but also a profit to them in days to come." Prof. Houdyshel teaches physiography, physiology and biology in the Union High School.

"When one learns how small a piece of ground is necessary for supplying fresh fruits and vegetables to a small family, he said, "it can be easily realized how valuable is the teaching and practice the students get in the garden class taught in the High School of Glendale. You see each student has a piece of ground 25x50 feet to cultivate. The soil is in excellent shape. This whole tract, which lies to the west of the school, has been put under cultivation. There are 11 pupils in the class. Others were very anxious to take this class but could not get a place for it in their schedule.

"It is no sinecure, this garden work. The students are expected to take as much care of their patches of ground as though they were professional gardeners. There is nothing easy about this work. It demands intelligence, knowledge and a certain amount of intuition to make things grow. There is a right and a wrong way about gardening as about everything else. There is poetry and culture also in the work and it serves as a mental development just as much as any other subject in the curriculum.

"Here are the gardens. The students have put in long icicle radishes, which are coming up thickly and look healthy, as you see. The other winter crops that are in are carrots, which are always hardy; turnips, which will be able to stand any sudden spell of cold; two kinds of hardy peas, the broad Windsor bean and the Canadian Wonder bean, which is being put in as an experiment. Lettuce, cabbage and spinach are also there and seem to be doing well.

"That is all the students have put in at present. They will have plenty of work to do cultivating these crops and keeping the ground free from weeds. In the propagating house the students raise cabbage, pansies and roses. Along about February they will attend to hardwood cuttings. We intend also to cultivate from seed the avocado pear, the figoia, the chermoya and the sapote. These are all semi-tropic fruits that grow easily in Southern California. The avocado pear is a most valuable fruit. It is gradually coming into demand and has a very high value as a food. The students will become familiarized with all these kinds of fruits and learn how to propagate them.

"We allow the students, also, to take home the vegetables they have raised. This of itself will stimulate and encourage others to cultivate what ground they may have. You see, the good done by the gardening class is both direct and indirect. It must not be thought, either, that the work entirely consists in raising vegetables. In the spring we grow flowers of all sorts and, complying with the old Horatian maxim, 'mix the useful with the pleasant.'"

INTERESTING SPEAKER COMING

The evening of December 2 has been chosen by the Woman's federation of Glendale Parent-Teacher association for the date on which Homer Van, chief probation officer of Juvenile Court, Los Angeles, will address the men of Glendale and school boys from the 6th grade through the High School grades, in the assembly room of the Third St. school, at 8 o'clock. Mr. Van will give a most interesting talk, his subject being, "Slaying Lions In Snow Time."

FORBIDDEN TO RIDE

Before Judge Whomes, A. Gilhousen, 530 S. Kenwood street, was charged with reckless riding of a motorcycle in the public streets. Judge Whomes deprived him of his wheel and deprived him of the privilege of riding a motorcycle within the city limits for the period of six months.

ON THE HORNS OF A DILEMMA

Greece or rather the government of Greece is on the horns of a dilemma. It is quite probable that whatever it may do it will suffer. The war is at its very doors and there is every possibility that Greece will be drawn into the contest whatever she may do. It would have been better for Greece if she had made up her mind long ago as to which side she would espouse. Constantine, the king, is a German partisan as might be expected when it is remembered that his queen is the sister of the German kaiser. It would be unnatural to expect that the kaiser's sister would not do all she could to influence her husband in favor of her brother.

In consequence of this relationship of crowned heads Greece is in danger of being led to break the solemn treaty she made with Serbia. In fact she has broken it already seeing that she has stood idly by while Austria and Germany have been hammering away at the devoted Serbian army.

It is quite likely, however, that Constantine may succeed in throwing the force of Greece in favor of the Central powers and against the Allies. The king has power in Greece and as long as he governed as a constitutional monarch he had a good hold on the throne. It is likely, however, that his recent dissolution of the Greek parliament will be the last chance he will have to exercise his autocratic power in a supposedly democratic state.

Greece is thoroughly democratic at heart. It is also thoroughly informed as to the progress of the war, and the people, who are strongly in favor of the Allies, do not like the idea of having their wishes overruled by an alien monarch. Many of the best authorities see in the situation the downfall of monarchy in Greece. The people having realized that the desires of the nation can be overruled by a headstrong monarch who is ruled by his wife, a foreigner like himself, are likely some of these days to put an end to monarchy altogether and get a pure democracy in the shape of a republic.

Still Greece is face to face with a dilemma. On the one hand Germany threatens that if Greece do not cast in her lot with the Central allies she will be strictly dealt with when the time for reckoning comes and that the allied troops, if compelled to retreat into Greece will be followed and war carried into that unfortunate country.

At the same time Britain, France and Russia make similar threats and while the king has no doubt as to what he would like to do to aid his powerful brother-in-law, the kaiser, he is by no means so blind as not also to see the day of reckoning with the Greeks. That is certain to come. In the event of Germany's victory Greece, in alliance with the Allies, would be subjected to a fate not less pitiful than that of Belgium; while in alliance with Germany she would be likely to become a vassal State.

Such is the dilemma of Greece. That she should be compelled to hesitate at a moment when honor, solemn treaties and the national conscience point to the fulfillment of her obligations is a powerful object lesson against the acceptance of any foreigner as ruler of a country.

Do not imagine that many persons are lying awake nights worrying over your troubles.

Let's put a decree of banishment on that vacant lot and back alley rubbish and discourage the weeds.

The kind of government that keeps efficiency up while keeping taxes down is the kind the people want and should have.

"I thought of that myself, but I didn't say it," is what too many people are obliged to say after the idea has made a hit.

"Wealth is often bought at a dear price, the price of youth, peace of mind and often the respect of others."

An old bachelor says that most fashionable young women are engaging works of art.

A man may think there is no hereafter for others, but deep down in his heart he thinks there is one for himself.

California has shipped more delicious fruit this season than ever before. This state always is doing something greater or better than ever.

How to Dry Clean Your Garments

WORTH KNOWING

Take a quantity of Naptha, a sufficient amount in which to wash your garments. Be sure and use Naptha—not gasoline, as gasoline contains graphite, a certain amount of which is retained in the garments when gasoline is used, and this graphite soon collects dust and dirt. It also has a tendency to darken your clothes. You should use a soap soluble in Naptha. You cannot clean your garments in clear Naptha any more than you can wash your clothes in clear water without soap. The Naptha Soap and Naptha should be well mixed, but we would advise you not to mix them. Here's a better plan. Use the Naptha in your automobile; it will run your machine fine, and send your clothes to the Fansey Dye Works and have them cleaned properly. They will be cleaned by an expert cleaner and the best and most modern methods known to dry cleaners will be used. Every stain will be removed that can be removed without injury to the fabric. Your clothes will be pressed by a master presser and delivered to you on time. For further information call Glendale Sunset 155 or Home Blue 159. You can find no better Cleaners and Dyers than the Fansey Dye Works, 1112 W. Broadway, Glendale.

CHANGE OF SECTION DATE

The Political Science Section of the Tuesday Afternoon Club, which regularly meets on the last Tuesday of each month, has postponed its meeting for one week, on account of its conflict with Thanksgiving. The Study section will meet Thursday, Dec. 2, at the home of Mrs. A. L. Weaver, 235 S. Kenwood, at 2:30 p. m., adjourning to the Intermediate school at 4 p. m. for the session open to the public. At that session Mrs. Estelle Lawton Lindsay will speak on "Woman in Civic Government."

TROPICO

Word has been received of the serious illness of Mrs. O. P. Sheldon of Los Angeles. Rev. and Mrs. Sheldon were former residents of Tropic and the news of Mrs. Sheldon is a source of much solicitude among their numerous friends, not only of Tropic, but of Glendale and Burbank.

After a most delightful visit of four months, enjoyed in San Francisco visiting relatives and friends and attending the Panama-Pacific Exposition, Mr. and Mrs. Edgar S. Ayres and son Stuart Ayres have returned to their home on West Park avenue. Mr. Ayres and family are as enthusiastic about the great exposition as are all who have had the pleasure of visiting there the past ten months. Master Stuart Ayres will resume his studies in the Tropic schools.

Mrs. Lila Miller of Tropic avenue has been entertaining as her guest the past week, Miss Ruby Goodwin of Los Angeles.

George Mecke of Los Angeles, a former resident of Tropic, spent Sunday here visiting former friends.

One of the liveliest games of the season was played on the municipal playground Sunday afternoon, when the Saturday ball team crossed bats with the Sunday ball team. Each team had its usual enthusiastic rooters, and the din, confusion and yells from each side was as lively as was the warmly contested game between the Saturdays and the Sundays, which resulted in the Saturdays winning, the score standing 4 to 3. Thursday's game gives promise of being as lively as was that of Sunday afternoon.

The two-mile course as selected by the committee arranging for the big auto races for Thanksgiving morning is quite lively the past few days, as a large number of the entrants are trying out their machines and familiarizing themselves with the course. No point in the race course is as dangerous as the hair pin turn. This, however, is being provided with sand and baled hay, which obviates considerable of the danger for the racers.

The emergency committee of the Tropic Parent-Teacher association will hold a sewing bee at the home of Mrs. Robert Danner, 331 Gardena avenue, Tuesday afternoon. All ladies interested in sewing for needy children will attend this sewing bee, bringing needles, thread, thimble and scissors.

N. P. Banks, W. R. C., will hold the usual all-day meeting in G. A. R. hall, Friday, Nov. 26. All members are requested to bring their usual well-filled lunch baskets as dinner will be served at 12:30.

PERSONALS

Today Mrs. Jos. L. Stagner of 904 Dryden street was a luncheon guest in the Dan H. Johnson home, 299 Paloma avenue.

Mrs. C. H. E. Bordman and daughter Jeanice, of Marshalltown, Iowa, have taken the residence at 135 Belmont street for winter.

Mrs. J. F. Lilly of 128 South Louise street left today with relatives to spend several days with still other relatives in San Diego.

Mrs. W. Leo Wheeler was an all-day guest on Monday at the home of her mother, Mrs. Mary O. Ragan, 1322 Hawthorne street.

Mr. and Mrs. L. W. Needham, of Racine, Wis., arrived in Glendale last Saturday to spend the winter with their daughter and family, Mrs. Frank Ayars, of 1314 Chestnut St.

Mr. and Mrs. Henry Braun and family of 900 South Glendale avenue will have as dinner guests on Thanksgiving day, Mr. and Mrs. Lawrence W. Eley of 645 North Louise street.

Mr. and Mrs. J. H. Hinkley of Emmetsburg, Iowa, being among Easterners wintering in Glendale, are located in a pretty bungalow on Colorado boulevard. Mr. Hinkley is a retired merchant of Emmetsburg.

Mrs. Chas. M. Stanley is greatly improved and suffering no serious results from her fall last week. The family hope to have her moved from the Sanitarium to the home at 336 Everett street before Thanksgiving day.

Miss Fredonia Borthick, worthy matron of Glen Eyrie chapter, O. E. S., will entertain the officers of the chapter of 1915, and the district deputy grand matron, Miss Cora Hickman, at her home on West Seventh street, Saturday afternoon.

Mr. and Mrs. C. E. Reed, 139 S. Brand Boulevard, left this morning for San Francisco and Oakland, where they will spend Thanksgiving with their son, Mr. Charles Reed. They will also visit the Exposition and friends in San Francisco.

Among the many pleasing affairs of the past week was the Orpheum Theatre party given by Miss Bernice Dibbins in honor of the Misses Mattie and Lucy Butler of Millersburg, Kentucky, house guests of their cousin, Mrs. J. K. Williams, at Brand boulevard and Fairview avenue.

Mr. and Mrs. J. D. Wollaver, of Dundee, Illinois, Miss Helen Brownning, of R'vers'de, Miss Della White, Misses Maude and Cora Sayers and little Miss Jean Brown, of Los Angeles, have been visitors at the G. H. Rowe home on Orange street the past week.

That the people of Glendale have kind hearts is being demonstrated by the interest that is being taken in the Christmas Charity ball to be given December 2 by the Knights Templar. You can purchase tickets at Crofto's shoe store and thus assist a very worthy cause.

Mr. and Mrs. L. W. Needham of Racine, Wisconsin, are among recent arrivals who will spend the winter in Glendale. The Needhams are the parents of Mrs. Frank C. Ayars of 1314 Chestnut, and after a visit with their daughter will move into a bungalow in the thirteen hundred block on Chestnut.

You may not be able to attend the Christmas Charity Ball on the evening of December 2. But purchase one or more tickets anyway. The organized effort of the Knights Templar can make your dollar go further in purchasing Christmas gifts for the needy little ones, than you can alone.

Mr. Percy T. McIntyre, 315 Cedar street, and Mr. Ralph R. T. Proctor, 135 E. Third street, who left last Thursday for a week's visit to friends at Stanford and Berkeley, are having a pleasant time in those seats of learning, where they are visiting friends. They are also spending some time visiting the Exposition and will return by the end of this week.

Yellow, white and green will form the color motif to beautify the Thanksgiving table at the Geo. W. Blake home on 1564 West Fifth street, on Thursday, when they will have as their dinner guests Mr. and Mrs. Eugene Riggs, Mr. and Mrs. George Felch and daughter Ardena and Mrs. M. W. Blake, mother of the host.

There will be no expenses to pay from the proceeds of the Christmas ball to be given by the Knights Templar Dec. 2. Everything for this affair has been donated and all money received from the sale of tickets will be used to purchase Christmas toys for children who would not otherwise have any. Truly a pleasant way to do a kindly deed is to purchase one or more tickets to this ball.

The Horace G. Hosfords, of 219 S. Central street, have as their house guests Mrs. Hosford's parents, Mr. and Mrs. F. W. Youngerman, and sister, Miss Rose Youngerman, of Des Moines, Iowa. En route to the Pacific Coast the Youngermans have made extensive stops in cities of interest, including Salt Lake City, Denver, San Francisco, and are touring Southern California, visiting the San Diego fair before returning east.

DON'T BE A GOOSE

Or a turkey either during this Thanksgiving season, else you may lose your head. You will be open to suspicion if, with all the opportunities of saving money afforded by my stock of presentable second-hand goods, you should allow yourself to pay more elsewhere. Every price a special price, every article a bargain. If you spend your circus money with me it will leave a good taste in your mouth long after the circus has gone. Don't take my word for it—try it.

Remember, I buy, sell or exchange new or old goods. Right prices and satisfaction guaranteed. Boost for Glendale.

Mrs. Edward Douglas, Jr., residing at 414 1/2 Orange street, is expected home during the coming week, after an extensive eastern trip.

Mr. and Mrs. H. Tilton, formerly residing at 414 1/2 Orange street, have moved to San Pedro, where Mr. Tilton has gone into business for himself.

Mrs. Nellie Kemper of Santa Barbara arrived yesterday and will visit with her daughter and son-in-law, Mr. and Mrs. E. M. Hitchcock, on 1463 West Broadway.

Mr. Frank E. Stewart of Marshalltown, Iowa, has been a frequent visitor in Glendale during the past few days, reacquainting himself with friends from the "old home."

W. S. Springer of Redondo Beach, California, has been visiting his brother, F. L. Springer, of 231 S. Kenwood. He had not been in Glendale for 13 years and is surprised to witness the wonderful progress made since he last saw the city.

There are many things of interest to the public happening within a week's time. Circus parade and two performances today, the Constantino charity concert at the Palace Grand Theatre at 8:15 p. m. on the 26th instant, the Choral Club concert on the evening of November 29 and December the 2nd is the date of the Knights Templar Charity Ball.

MEXICANS IN TROUBLE

Two Mexicans, A. Gortilius and Raymon Contreras, who had been celebrating some family anniversary in Los Angeles Sunday, along with some of the colony there, arrived in Glendale on their way home, full of good or rather bad cheer as the case turned out. Getting off the car at Glendale avenue instead of proceeding quietly home, the two exalted individuals began an altercation which ended in their being arrested for being drunk and disorderly. Judge Whomes fined them \$10 each or ten days in jail. Gortilius paid his fine; Contreras had no money and is now in jail explaining his offense.

NORTH GLENDALE

Mr. and Mrs. U. S. Moffat of Los Angeles were the guests of Mr. and Mrs. Judd Mead of 1648 Ruth street last Sunday.

Mrs. William Alston of Valley View road, with her daughter, Mrs. George Vradenburg, of North Central avenue, spent Monday in Los Angeles. Mrs. Sallie Braden of 1304 Arden avenue is entertaining as her guests her cousin, Mrs. C. Montgomery and daughter Miss Myra, of Sheridan, Oregon, who will remain here some time.

Mr. and Mrs. T. W. Curl, of 1438 Vine street have as their house guests at the present time Mrs. Curl's sisters, Mrs. J. H. McKeever of Wichita, Kansas, and Mr. and Mrs. H. E. Noble of Alva, Okla. On Monday of this week the Curls, with their guests, spent the day at Long Beach, reporting a most delightful outing.

Mrs. C. O. Blakely of Portland, Oregon, left recently for her home, after spending some time in North Glendale as the guest of her sister, Mrs. Sallie Braden, of 1304 Arden avenue.

Mrs. J. W. West of 1333 Valley View road spent a portion of the past week with her friend, Mrs. Frank Gardner, of Grand View street, Los Angeles, who has been seriously ill.

PLANNING FOR BAZAAR

Among other societies of the Congregational Church which have been planning and working for the bazaar to be held Thursday, Dec. 2, is the Fancy Work committee, which has been at work all summer regularly in anticipation of this coming event. The ladies of this organization have accomplished a great deal of work and are looking forward to having a profitable booth at the bazaar. The ladies of the Auxiliary have also been busy and their booth will be attractive and interesting.

Two programs of music, both vocal and instrumental, interspersed with readings, have been arranged for 4 p. m. and 7:30 p. m. These entertainments will be entirely free.

CONSTANTINO WILL SING TO AID LITTLE CHILDREN

On next Friday evening, November 26, the Glendale public will turn out in full to hear the great Constantino, who will sing a concert performance at the Palace Grand Theatre, proceeds of which will be devoted to charity. The music section of the Tuesday Afternoon club, under whose auspices this concert will be held, secured the services of Constantino free of charge, and have put forth every effort in the sale of tickets to insure the success of the concert. Results have been more than gratifying and they are assured of a packed house. Citizens from this entire section have promised to attend the performance, it being the first time in the history of Glendale that a celebrity of such international reputation as Constantino has ever come to Glendale.

NOTICE OF AWARD OF CONTRACT

Pursuant to Statute and to Resolution of Award of the Board of Trustees of the City of Glendale, California, adopted the 22nd day of November, 1915, directing this notice. Notice is hereby given that the said Board of Trustees, in open session, on the 15th day of November, 1915, opened, examined and publicly declared all sealed proposals offered for the following improvement, to-wit:

The improvement on a portion of Lincoln Place, described in Resolution of Intention Number 847, to which said Resolution reference is hereby made for a description of said work.

The Board of Trustees of the City of Glendale determines that serial bonds shall be issued to represent assessments of twenty-five (\$25.00) or over for the cost of said work or improvement; said serial bonds shall extend over a period ending nine (9) years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after their date until the whole is paid; and the interest shall be payable semi-annually, by coupon, on the second day of January and July, respectively, of each year, at the rate of seven (7) per cent per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California entitled "An Act to provide a system of street improvement bonds to represent certain assessments for the cost of street work and improvements within municipalities, and also for the payment of such bonds," approved February 27, 1893, and of all acts supplementary thereto and amendatory thereof.

And thereafter, to-wit: On the 22nd day of November, 1915, awarded the contract for said work to the lowest regular responsible bidder, to-wit: To F. R. Sinclair at the prices named for said improvement in his proposal on file for said improvement, to-wit:

Sidewalk, per square foot, 8c.
And that said award has been approved by the President of the Board of Trustees of said City of Glendale. Clerk's office, City of Glendale, California, Nov. 22nd, 1915.

Fifty Horse Power 7-passenger SIX \$1050

Most POWERFUL Car at its Price

It is the ONLY 7-passenger, FIFTY Horse Power, 6-Cylinder car with a 3 7/8-inch bore x 5-inch stroke motor that has ever been offered in America or Europe for less than \$1450. And it is the MOST POWERFUL car for its weight that any automobile maker has ever produced. In POWER, flexibility of performance and economy of operation, it stands ALONE in the 1916 market.

Price has been reduced from \$1450 to \$1050—a REDUCTION of \$400. But nothing except the price has been reduced. In POWER, size and quality the car has been GREATLY IMPROVED. And to-day it gives more for every dollar of the price than any other 6-cylinder car in the history of the industry.

For a man owning and driving his own car in and round New York, there is no better car on the market. It has the POWER that the country round New York demands—it has all the style and comforts and conveniences that Fifth Avenue desires. Come in and SEE this Studebaker SIX that has set a new Standard of Value in 6-cylinder cars.
