NIIGATA PREFECTURAL GOVERNMENT OFFICE
CITY OF NIIGATA

1 December 1948

TO : Commanding Officer, Niigata Mil. Govt. Team.

SUBJECT: Survey of Physically Handicapped People.

1. In reference to the subject matter, this office has previously received a notice from the Welfare Ministry's Social Bureau head and we, in turn, have made every necessary arrangement for carrying out the survey with the heads of local offices, sub-prefectural office and city mayors, issuing them the detailed instructions therefore as per copy attached hereto.

2. Upon completion of the said investigation, we shall be glad to forward a report to your office without delay.

Kenzo Takanami

KENZOH TAKANAMI
Director,
Welfare Dept.,
Niigata Pref. Govt.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

NIIGATA PREFECTURAL GOVERNMENT OFFICE
CITY OF NIIGATA

1 December 1948

KOH NO. 1,628

TO : Local office heads
Sub-prefectural office head
City mayors

SUBJECT: Survey of Physically Handicapped People.

Measures for protection and re-birth of the blind, deaf, mute, disabled, TB convalescents and other physically handicapped people are and have been taken in pursuance of the Livelihood Protection Law and other statutes, but there is still a criticism that they lack integrity. Especially, under the current hazardous economic as well as social circumstances, the enforcement of more and more intensified measures are being desired.

In spite of this, as for informations on the actual states of these people which are supposed to constitute the foundation of the desired administration, no substantial, trustworthy data are available so far. In face of the fact, it has been decided to execute a nation-wide survey in accordance with the Physically Handicapped People Survey Program as per copy attached hereto, with a view to being acquainted with the precise figures and to having city, town and village offices equipped with the Physically Handicapped People's Register for integrate protection and re-birth of these people. For achieving the aims of this survey, you are hereby directed to make necessary preparations and to exert for giving all-out protection and guidance to the individuals of this category, utilizing this opportunity.

(SIGNED): KENZOH TAKANAMI
Director,
Welfare Dept.,
Niigata Pref. Govt.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

PROGRAM FOR SURVEY OF THE PHYSICALLY HANDICAPPED

Welfare Dept., Niigata Pref.

December 1948

1. Objectives:

Notwithstanding the various measures taken for protection and regeneration of the physically handicapped people, no exact, trustworthy data on their actual states are available and it is noted that this very fact created a considerable amount of hitches in executing the programs. For this reason, it has been decided to carry out a nation-wide investigation simultaneously and from every angle for having the statistically correct figures and for contributions to their protection and regeneration works by having the city, town and village offices equipped with the Handicapped People's Register.

2. Objects of survey:

The deaf-mute, men with total blindness, men with strong visual or hearing difficulties, the amputated, men with disturbances in limb functions or brain, TB convalescents, etc. who find it difficult to take part in the normal actions in the society will be the objects of the survey.

3. Surveying and reporting dates:

The survey will be conducted in mid-December. However, depending upon the local circumstances, the date of survey may be altered. The final reporting date is set for the last day of December 1948.

4. Methods:

a) The prefecture will, in accordance with the numbers of the physically handicapped checked up by local offices (including sub-prefectural office) and cities in March of this year, mail the questionaire form to the local offices (including sub-prefectural office) and cities on the basis of one per head.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

b) The local offices (including sub-prefectural office) and city offices will distribute the questionaire form to heads of towns and villages in accordance with the numbers of the physically handicapped within their jurisdictions and the heads of cities, towns and villages, in turn, will distribute it to the Welfare Committee-men in charge.

c) On the surveying day, each Welfare Committee-man will pass the questionaire to the handicapped within his jurisdiction and have themselves make entries. Depending upon the circumstances, the Committee-man himself may fill out the questionaire, on their behalf, upon hearing the oral reports made by the handicapped or their families.

d) The headmen of cities, towns and villages will request the Welfare Committee-men to forward the individual questionaires and will mail to the local offices (including sub-prefectural office) the town or village cummulative reports the forms of which will be distributed to them separatedly for preparation based on the individual questionaires. The individual questionaires will be kept at the town and village offices as their own registers.

e) Upon receipt of the cummulative reports by towns and villages, the local offices will prepare and mail to the Welfare Department Director of the prefecture the cummulative reports by local and city offices.

f) As to the State Hospitals, Sanatoria and Schools for Deaf-mute, the head of local or city office having jurisdictions over them will distribute to them the questionaires in advance in accordance with the number of the inmates at each institute of this category and the head of each institute will arrange and prepare the cummulative report of the institute and forward it to the local or city office. Upon receipt thereof, the local office will add the figures thus gained to the cummulative reports by towns and villages.

The individual questionaire will be kept by the institute and, at the time the individual inmate leaves the institute, it will be delivered to him for submission to the head of city, town or village of his residence.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

g) As to the inmates at either the public or the private hospitals or dispensaries, the questionaire will be prepared by city, town or village headman or Welfare Committee-man at the place of their residence by investigating the family members.

5. Notes:

a) The results gained through this survey will serve as the basic data for appropriate administration for protection and regeneration of the physically handicapped people. So, it is requested the parties concerned will exert their best for acquiring the detailed informations of the actual states by keeping closest contact with the interested agencies and Welfare Committees.

b) Utilizing this opportunity, the concerned parties are requested to give consultation and guidance services to the people of this category for encouraging them to stand on their own feet.

c) A special caution is invited not to reveal to the third party the family conditions and other personal matters learned through the survey.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

SUBJECT: Social Service Literature

TO : See Distribution

1. Arrangements have been made for team welfare officers to utilize social welfare professional literature now available in the CIE library at Sendai.

2. As the literature is limited, it is suggested that books be obtained one at a time and for a two week period or less when ever possible.

3. Requests for literature should be directed to the Welfare Officer, Tohoku Region.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

NIIGATA PREFECTURAL GOVERNMENT OFFICE

KO. NO. 1,206 10 September 1948

TO : Chief, Local Government Office
Chief, Sado Sub-government Office
Mayor, Heads of Town and Village

SUBJECT : Revision of Standard Amount of Expense-in-aid for Life Protection Purpose in Pursuance of the Life Protection Law

With the revision of the price structure recently effected, it has been under the condition of dire difficulties to assure an adequate and secure protection for the supported families by supplying the standard amount of expense-in-aid in pursuance of the existing Life Protection Law, and therefore, this time, the revision of the standard supplying amount of expense-in-aid was issued with the notification (in this prefecture, Notification No. 763 dated 3 Sept. '48) effective 1 August 1948.

It is hereby desired that your will acquire the full understanding and recognition of the purport of the standard supplying amount of expense-in-aid (hereinafter called the standard amount) decided at this time, as per separate papers, in order that anything may not be left unturned in actual effectuation.

You are further desired to acknowledge that simultaneous with the revision at this time, notifications of KO. NO. 209, dated 20 Feburary '48 (subject: Decision of amount of expense-in-aid for supported families) and KO. NO. 495, dated 8 April '48 (subject: Recognition of the limit required for the minimum living) was rescinded and hereafter shall be null and void.

KENZO TAKANAMI
Director, Public Welfare
Dept., Niigata Pref. Govt.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

PURPORT OF REVISION OF STANDARD AMOUNT EXPENSE IN AID TO BE SUPPLIED FOR LIFE PROTECTION PURPOSE IN PURSUANCE OF THE LIFE PROTECTION LAW

A. Items relative to standard amount of expense-in-aid for life protection purpose

1. Basic principle of the revision.

With the revised commodity price structure having reached a little stabilized stage in effect, the revision of the existing standard amount was decided, the aim of which is not merely to increase the present amount, but with this revision as a turning point, to thoroughly scrutinize it, giving a guarantation of the minimum required for a decent living to the supported persons.

The standard amount hithertofore supplied, which was calculated based on the various conditions of social economy in the past time, had failed to keep pace with the soaring of living cost having arisen out of the subsequently changed national economy, and therefore, as a temporary measure to cope with this difficulties until the enforcement of the revision of the general commodity price structure, the notifications of KO. NO. 209, dated 20 Feburary '48 and KO. NO. 495, dated 8 April '48, which were given some corrections, have been brought into practice to date.

Concerning the revision of this time, the following points are taken into consideration.

a. The computation method of the living cost according to family members was, this time, not produced on the method of multiplying the living cost of five family members as a basic structure by a specific rate of increase and decrease, but worked out by cauculating scientifically and rationally respective necessary expense by family members on the basis of the family structure as was considered the most standard and most adequate.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

One family member	Age 62, Female
Two family members	Age 65, male Age 58, Female
Three family members	Age 35, Female Age 10, male Age 7, Female
Four family members	Age 72, Female Age 37, Female Age 6, male Age 3, Female
Feve family members	Age 64, male Age 35, Female Age 9, male Age 5 female Age 1, male
Six family members	Age 81, male Age 76, female Age 33, female Age 8, female Age 6, male Age 4, male.

b. In view of the fact that Japan is placed in the condition unable to appropriate for her present needs even with the total amount of domestic food and imported food by the good will of the Occupation Forces, the revised computation method of food expense is produced on the expenses required

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

for securing the maximum alsorption calory within the limit authorized according ages and sexes -- although it is in line with the principle of filling out the standard calory (average 1.508 cal per person in five family members calculated by the National Dietetic Research Laboratory) required for individuals from the stand point of dietetics.

And then, the deficit calory resulting from the scant rationed food must be made up by the decontroled provisions, the expenses for which are also included therein.

c. Other expenses except food expense is drafted out on the consuming rate of items concretely selected as was required for the maintenance of the minimum living of each family.

For instance, the resident expenses are figured out on the minimum house-rent according to number of family members and expenses of furnitures and table-wares as considered necessary to the minimum degree. And health expense are classified into necessary and unnecessary items for child and woman whereby the actual circumstances may be met.

d. The Education expense, as it is inevitably necessary for the compulsory education of the school child, is not included in the standard amount by the reason that this expense, if included as hithertofore, would break a equilibrium relation according as a family have a school child or not, but, the revised education expense is classified in a separate item from the standard amount in order that the minimum expense for compulsory education may be secured for the family embracing a school child.

The cultural expense is included in the item of miscellaneous expenses.

e. Included in separate items from the standard amount is the education expense, the expense for rationed artificial nutrition goods for bottle-fed infants under 12 months and school lunch expense for school child under a school lunch program.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

f. This standard amount is calculated on the basis of the minimum expenses required in accordance with the purports of the aforementioned (a), (b), (c) and furthermore, in case of necessity, the special expenses described in the preceding paragraph (rationed processed nutrition goods expense, school lunch expense and education expense) may be added thereto.

And therefore, this standard amount will give in its character a secure garantee to the minimum living condition except as special expenses were required for inevitable circumstance, ie nutrition goods expense for a patient.

2. Revised Standard Supplying Amount of Expense-in-aid

1) Monthly standard amount of minimum living expense in pursuance of the Life Protection Law is as per separate list (1)

2) Monthly amount of expense-in-aid to be supplied only by a mayor, heads of town and village is as per separate list (2)

3) Monthly amount of expense-in-aid to be supplied by the sanction of the Governor is as per separate list (3)

3. Operation Method.

1) In sanction of the minimum living expense and decision of the supplying amount of expense-in-aid, a chief of local government office, a mayor, and heads of town and village shall take the following points into consideration.

a. In case it was deemed necessary to supply the minimum living expense exceeding this standard amount, which was calculated on the basis of the material of national census and other investigation ever conducted on the supported families' living status, a chief of local government office (Sado-sub-government office), a mayor or heads of town and village shall take all procedures for the sanction of the Welfare Minister in order to ensure the life protection purpose.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

b. In case the supplying amount of expense-in-aid to each family was decided, the actual amount to be supplied shall be the balance accruing from the reductioning of the earned income (irrespective of income by a regular business or blackmarket transaction) from the amount granted as the minimum living expense to the family.

Furthermore, estimation of the earned income, which, it is pointed out by those concerned, have been apt to be underrated, shall be made from the fair stand point, in view of the fact that the revised amount at this time was increased to the maximum degree that it can be permitted in the present national stringent monetary situation.

Besides, as it is pointed that there have been facts that the expense-in-aid due to the supported families have been supplied reducted by reason of the scant financial condition of a city, town and village, even where the decision of the minimum living expense and estimation of the earned income were fairly maintained and conducted, an adequate and secure protection measure must be implemented.

c. The education expense shall be supplied with closer connection with a principal of a school based on the details of the computed standard amount as per separate papers attached herewith, in order that a school child may go through the complete compulsory education course.

2) Procedures of the expense-in-aid are as follow.

a. As was mentioned above, this standard amount was calculated on the basis of the living expenses of the non-income family and poor income family, but it is a fact that most of the families are living on their considerably earned income except for the family embracing a patient or school child. And therefore, this time, expense-in-aid to be supplied only by a mayor, and heads of town and village was constituted.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

b. As it is anticipated that there will be many cases where the expense-in-aid for the non-income family or poor income family will be supplied in considerable excess of the standard amount indicated in the list 2 of the minimum living expense attached, the procedure for sanction in such case shall be made due without delay.

c. An application for the sanction of the governor among the aforementioned applications shall be in case of a town and village, presented to the local government office and, in case of a city, directly to the prefecture government office.

When the local government office (Sado Sub-government office) received the aforementioned application for sanction from any person, the chief, if deemed it necessary after a full deliberation and study, shall issue the permission to him without delay.

d. An application for the sanction of the Welfare Minister except the aforementioned applications shall be, in case of a town and village, to the local government office and in case of a city, directly to the prefecture government office.

When the local government office received the aforementioned application for sanction from any person, the chief shall, if deemed it necessary after full deliberation and study, present the above application with his opinions to the prefecture government office as stated above, tentatively giving the sanction for supplying the amount of expense-in-aid indicated in the separate paper 3 to him.

And moreover, when the municipal office received the aforementioned application for sanction from any person, the mayor shall take the same measure as was stated above.

3) Upon sanction of the minimum living expense and decision of the supplying amount, the chief of the local government office and Sado-government office mayor, and heads of town and village must take it into full consideration to particularily supply the standard amount in a way such as to meet the actual local circumstances.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

Furthermore, in order to assure the fullness of the living of the supported families within the limit of the standard amount supplied, chiefs of the local government office, mayor, and heads of town and village must have members of the Public Welfare Commissions assume the leadership in guiding the way of living for them, for instance, how to choose and obtain the cheeper goods and now to economize our living goods, etc.

4. Other items.

1) An applications for sanction by which the minimum living expenses of Item 3 (1) exceeding the standard amount of Item 2 (2) or the amount of expense-in-aid of Item 3 (2) exceeding the amount of Item 2 (3) (expense-in-aid to be granted only by a mayor, heads of town and village) will be recognized and decided, shall be attached with a prepared sheet as per a separate form.

An application for the sanction of the Welfare Minister, in case of a city, shall be filed in two copies with the prefecture government office and in case of a town and village, in three copies with the local government office, through which two copies shall be forwarded to the prefecture government office.

An application for the sanction of the governor shall be filed in one copy with the city, town or village office without delay.

The chief of the local government office, if gave a sanction of the supply of amount within the limit of the amount prescribed in Item 2, (3) to any person, shall report the following matters to the prefecture office without delay.

a. Name and address of a supporter of a family.

b. Status of a family structure (Age, male, famale to be entered)

c. Living status prior to the sanction given for excessive amount supply.

Monthly minimum living expense.

Monthly income.

Present amount supplied.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

d. Present living status.

Monthly minimum living expense.

Monthly income.

e. Monthly excessive amount supplied.

f. Reason for excessive amount supply.

B. The expense for the medical treatment has been hithertofore calculated in accordance with the Welfare Ministry Notification No. 66 dated Feburary '43 (Computation method of the health insurance and crew's insurance, and computation method of doctor's requiring amount to the judical person of the National Insurance Association), the part of which will be revised shortly and enforced retroactive to 1 August '48. Accordingly if the aforementioned notification was revised, there will cause many differences among the health insurance, crew's insurance, and national health insurance in the deciding method of unit price of one point of medical treatment expense and other method, and so the expense for the medical treatment in this item will be supplied as hithertofore pending the issue of another notification on decision.

C. The standard expense amount for child-birth, and for furneral service as was prescribed in Article 11 Para. 1, 2, of the furneral service protection regulation, are revised as follows.

Items	Revised standard amount		Remarks
	Six cities, Naoetsu-machi, and Miyauchi-machi	Other machi & mura	
Child-birth	¥ 550	¥ 500	
Furneral service	Adult: ¥ 1,300 Child: ¥ 900	Adult: ¥ 1,000 Child: ¥ 700	Child to be taken as under-school-child-age.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

When the amounts exceeding the above listed standard amount are needed for the supported families due to their special circumstances, a mayor and heads of town and village shall acquire the sanction of the Welfare Minister (through the local government office or sub-government office and the prefecture) and then supply the necessary expense for each family.

D. Revision of the standard amount of the existing expense-in-aid for business protection purpose is at present under full deliberation and study, and so for the time being, the existing amount shall be supplied.

That is, supplying and advancing of funds, apparatus and materials for business protection purporse shall be made in the amount less than ¥ 1,000 per person.

In case the governor especially deemed it necessary and gave the sanction to the supported family, it shall be made in the amount not exceeding ¥ 2,000 per person, and furthermore, in case of a technically-skilled person, it be made in the amount less than ¥ 300 per day per person.

E. The local government office, sub-government office and city office shall bring home to those persons concerned in Mura and Machi and members of the Public Welfare Commission the purport and significance of this revision.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013
