SECRETANNEX TO APPENDIX

## D E C L A R A T I O N

regarding the defeat of Germany and the assumption of supreme authority with respect to Germany by the Governments of the United States of America, the Union of Soviet Socialist Republics and the United Kingdom and the Provisional Government of the French Republic.

The German armed forces on land, at sea and in the air have been completely defeated and have surrendered unconditionally and Germany, which bears responsibility for the war, is no longer capable of resisting the will of the victorious Powers. The unconditional surrender of Germany has thereby been effected, and Germany has become subject to such requirements as may now or hereafter be imposed upon her.

There is no central Government or authority in Germany capable of accepting responsibility for the maintenance of order, the administration of the country and compliance with the requirements of the victorious Powers.

It is in these circumstances necessary, without prejudice to any subsequent decisions that may be taken respecting Germany, to make provision for the cessation of any further hostilities on the part of the German armed forces, for the maintenance of order in Germany and for the administration of the country, and to announce the immediate requirements with which Germany must comply.

The Representatives of the Supreme Commands of the United States of America, the Union of Soviet Socialist Republics, the United Kingdom and the French Republic, hereinafter called the "Allied Representatives," acting by authority of their respective Governments and in the interests of the United Nations, accordingly make the following Declaration:-

The Governments of the United States of America, the Union of Soviet Socialist Republics and the United Kingdom, and the Provisional Government of the French Republic, hereby assume supreme authority with respect to Germany, including all the powers possessed by the German Government, the High

SECRET

Command and any state, municipal, or local government or authority. The assumption, for the purposes stated above, of the said authority and powers does not effect the annexation of Germany.

The Governments of the United States of America, the Union of Soviet Socialist Republics and the United Kingdom, and the Provisional Government of the French Republic, will hereafter determine the boundaries of Germany or any part thereof and the status of Germany or of any area at present being part of German territory.

In virtue of the supreme authority and powers thus assumed by the four Governments, the Allied Representatives announce the following requirements arising from the complete defeat and unconditional surrender of Germany with which Germany must comply:-

## ARTICLE I.

Germany, and all German military, naval and air authorities and all forces under German control shall immediately cease hostilities in all theatres of war against the forces of the United Nations on land, at sea and in the air.

## ARTICLE 2

(a) All armed forces of Germany or under German control, wherever they may be situated, including land, air, anti-aircraft and naval forces, the S.S., S.A. and Gestapo, and all other forces or auxiliary organisations equipped with weapons, shall be completely disarmed, handing over their weapons and equipment to local Allied Commanders or to officers designated by the Allied Representatives.

(b) The personnel of the formations and units of all the forces referred to in paragraph (a) above shall, at the discretion of the Commander-in-Chief of the Armed Forces of the Allied State concerned, be declared to be prisoners of war, pending further decisions, and shall be subject to such conditions and directions as may be prescribed by the respective Allied Representatives.

(c) All forces referred to in paragraph (a) above, wherever

they may be, will remain in their present positions pending instructions from the Allied Representatives.

(d) Evacuation by the said forces of all territories outside the frontiers of Germany as they existed on the 31st December, 1937, will proceed according to instructions to be given by the Allied Representatives.

(e) Detachments of civil police to be armed with small arms only, for the maintenance of order and for guard duties, will be designated by the Allied Representatives.

## ARTICLE 3

(a) All aircraft of any kind or nationality in Germany or German-occupied or controlled territories or waters, military, naval or civil, other than aircraft in the service of the Allies, will remain on the ground, on the water or aboard ships pending further instructions.

(b) All German or German-controlled aircraft in or over territories or waters not occupied or controlled by Germany will proceed to Germany or to such other place or places as may be specified by the Allied Representatives.

## ARTICLE 4

(a) All German or German-controlled naval vessels, surface and submarine, auxiliary naval craft, and merchant and other shipping, wherever such vessels may be at the time of this Declaration, and all other merchant ships of whatever nationality in German ports, will remain in or proceed immediately to ports and bases as specified by the Allied Representatives. The crews of such vessels will remain on board pending further instructions.

(b) All ships and vessels of the United Nations, whether or not title has been transferred as the result of prize court or other proceedings, which are at the disposal of Germany or under German control at the time of this Declaration, will proceed at the dates and to the ports or bases specified by the Allied Representatives.

## ARTICLE 5

(a) All or any of the following articles in the possession of the German armed forces or under German control or at German

SECRET

disposal will be held intact and in good condition at the disposal of the Allied Representatives, for such purposes and at such times and places as they may prescribe:-

- (i) all arms, ammunition, explosives, military equipment, stores and supplies and other implements of war of all kinds and all other war material;
- (ii) all naval vessels of all classes, both surface and submarine, auxiliary naval craft and all merchant shipping, whether afloat, under repair or construction, built or building;
- (iii) all aircraft of all kinds, aviation and anti-aircraft equipment and devices;
- (iv) all transportation and communications facilities and equipment, by land, water or air;
- (v) all military installations and establishments, including airfields, seaplane bases, ports and naval bases, storage depots, permanent and temporary land and coast fortifications, fortresses and other fortified areas, together with plans and drawings of all such fortifications, installations and establishments;
- (vi) all factories, plants, shops, research institutions, laboratories, testing stations, technical data, patents, plans, drawings and inventions, designed or intended to produce or to facilitate the production or use of the articles, materials, and facilities referred to in sub-paragraphs (i), (ii), (iii), (iv) and (v) above or otherwise to further the conduct of war.

(b) At the demand of the Allied Representatives the following will be furnished:-

- (i) the labour, services and plant required for the maintenance or operation of any of the six categories mentioned in paragraph (a) above; and
- (ii) any information or records that may be required by the Allied Representatives in connection with the same.

SECRET

(c) At the demand of the Allied Representatives all facilities will be provided for the movement of Allied troops and agencies, their equipment and supplies, on the railways, roads and other land communications or by sea, river or air. All means of transportation will be maintained in good order and repair, and the labour, services and plant necessary therefor will be furnished.

## ARTICLE 6

(a) The German authorities will release to the Allied Representatives, in accordance with the procedure to be laid down by them, all prisoners of war at present in their power, belonging to the forces of the United Nations, and will furnish full lists of these persons, indicating the places of their detention in Germany or territory occupied by Germany. Pending the release of such prisoners of war, the German authorities and people will protect them in their persons and property and provide them with adequate food, clothing, shelter, medical attention and money in accordance with their rank or official position.

(b) The German authorities and people will in like manner provide for and release all other nationals of the United Nations who are confined, interned or otherwise under restraint, and all other persons who may be confined, interned or otherwise under restraint for political reasons or as a result of any Nazi action, law or regulation which discriminates on the ground of race, colour, creed or political belief.

(c) The German authorities will, at the demand of the Allied Representatives, hand over control of places of detention to such officers as may be designated for the purpose by the Allied Representatives.

## ARTICLE 7

The German authorities concerned will furnish to the Allied Representatives:-

(a) full information regarding the forces referred to in Article 2 (a), and, in particular, will furnish

SECRET

forthwith all information which the Allied Representatives may require concerning the numbers, locations and dispositions of such forces, whether located inside or outside Germany;

- (b) complete and detailed information concerning mines, minefields and other obstacles to movement by land, sea or air, and the safety lanes in connection therewith. All such safety lanes will be kept open and clearly marked; all mines, minefields and other dangerous obstacles will as far as possible be rendered safe, and all aids to navigation will be reinstated. Unarmed German military and civilian personnel with the necessary equipment will be made available and utilized for the above purposes and for the removal of mines, minefields and other obstacles as directed by the Allied Representatives.

## ARTICLE 8

There shall be no destruction, removal, concealment, transfer or scuttling of, or damage to, any military, naval, air, shipping, port, industrial and other like property and facilities and all records and archives, wherever they may be situated, except as may be directed by the Allied Representatives.

## ARTICLE 9

Pending the institution of control by the Allied Representatives over all means of communication, all radio and telecommunication installations and other forms of wire or wireless communications, whether ashore or afloat, under German control, will cease transmission except as directed by the Allied Representatives.

## ARTICLE 10

The forces, nationals, ships, aircraft, military equipment, and other property in Germany or in German control or service or at German disposal, of any other country at war with any of the Allies, will be subject to the provisions of this Declaration and of any proclamations, orders, ordinances or instructions

(b) The same will apply in the case of any national of any of the United Nations who is alleged to have committed an offence against his national law, and who may at any time be named or designated by rank, office or employment by the Allied Representatives.

(b) The Allied Representatives will impose on Germany additional political, administrative, economic, financial, military and other requirements arising from the complete defeat of Germany.
