

MERCILESS WAR

VICTORIOUS GERMANS IN EAST NOW CONCENTRATING IN WESTERN ARENA

With numerous countries engaged in warfare, it is to the interest of those countries now enjoying peace to be diligent in making preparations to protect themselves, should war be declared against them. The war being waged in Europe is indeed a merciless one. Millions of people are in a destitute condition, who six months ago had no intimation of the approaching hardships of war.

The Cossacks, who are in flight before the Germans, indicates that Polanders may share the fate of the Belgians. Events of importance in the past 48 hours are as follows:

LONDON, Dec. 8.—The Germans are attacking the allied line to the south of Ypres in Belgium, but the French announce that they have been repulsed. At some point along the battle front in Flanders and Northern France the Germans have each day of late made a concerted movement, with a view to pushing their advance farther west or to the coast. Berlin reports that in the western war zone a decisive action is likely to start any day. This assertion is based on a statement from German headquarters, which says: "Everything is proceeding according to our program," and it is assumed in Berlin that the German operations thus far have been successful.

The great battle for possession of Poland continues. The front extends along 300 miles and victory over a part of it, at least, appears to have fallen to the Germans, while the Russians are pressing upon Cracow in the south.

That Lodz is in the possession of the Germans seems undoubted and a Russian official report just issued apparently is preparing the public mind for the news by referring to the difficulty of defending the city, which gives to the Russian front an abnormal contour and forecasts a reforming of the line.

Details of these mighty battles have yet to be written. The general fact that there has been fearful slaughter and intense suffering from the cold comprises about the total of the information received.

The Germans say they are pursuing the Russians to the south and southeast of Lodz. Several American correspondents were with the Russian army when the battle broke, but nothing has been heard from them for several days. Evidently they are under the ban of a strict censorship.

British military experts insist that three-quarters of the best material of the German army has been held in the western theater of the war throughout the campaign, and that the troops opposed to the Russians consist principally of second line organizations.

The French official report announces tonight that the Germans have made a violent attack upon the allies at St. Eloy, south of Ypres, which was repulsed. This may mean a renewal of the German attempt to batter through the allies, which the correspondents predicted from the movements of the Germans in Belgium. Elsewhere in the west there have been only local engagements.

The Austrian and Serbian reports continue to claim success for their respective sides. Serbia reports a victory on the northeast front with nearly 2000 prisoners. Vienna says the Austrian advance south of Belgrade is progressing.

Apart from the battlefields, the officially announced illness of the German emperor in Berlin from bronchial catarrh, with a fever, is the most interesting news of the day. The emperor's prolonged activity and the recent reports of his appearance have caused the public to watch with particular interest developments regarding his health.

IN A POSITION TO DO GOOD

Men and women who are anxious to do the most possible good in the world should be fitted to mingle in part with the class of people among whom it is possible to work reasonable reforms.

The man who is sufficiently strong in character and resolution that he is able to associate with a class of people who are in need of living better lives and be himself not likely to be overcome by the evil influences of associates, is indeed a hero.

Such a man is in a position to do great good in this world where the man in the gutter rarely has no other assistance to aid him only those who are in no better condition than himself.

The narrow, self-righteous man who can see no good in anything only his own acts is not well fitted for lifting up the fallen.

PARKERISMS

FOR PRIVATE AND PUBLIC USE—PLEASE REPORT ON WHAT YOU DID NOT READ

Much, but not too much, advertising is made over the sailing of the Camino from the port of Los Angeles with food for the starving Belgians. All through, it is a California affair. The vessel was built at Long Beach, loaded with contributions of Californians. Her officers and crew are Californians, and she will be wafted by prayers for safety by Californians as she breasts the waves on her mission of mercy.

Inasmuch as it will be quite impossible to build a park, trees, shrubbery, flowers, lake, etc., for the eyes of the visiting tenderfoot to gaze on as he visits the fair, soon to open, how would it do to abandon the impossible and make it possible for the aforesaid visitor to obtain a drink of water within our hospitable city limits?

"School notes" as printed in some of our country newspapers are very suggestive, if not entertaining, reading. In a dozen recently examined, nine items out of ten related to games and sports and clubs and contests, while possibly a "measely" tenth may have made brief reference to some innocent line of study.

The promiscuous carrying of side arms is a constant menace to the general public, and the innocent bystander is generally in more danger than the one aimed at. To license their use is no remedy for those who most should be denied would be the first to get out licenses. Every man of the baser sort would have his "shooter" and be handy in its use, and the occasion to use would grow out of the carrying.

The recent gentle showers, so face washing to vegetation and life giving to the valleys, was snow, real snow, cold winter snow, on the mountains not very far away, fresh and glistening in the sunshine, where it rests on old snow, dirty and dusty, for snow is there all the year around. When you recall the agency of snow in contributing to the disagreeableness of an ordinary eastern winter, you feel like saying "distance lends enchantment to the view."

Arizona having passed a prohibitory law to take effect Jan. 1st, alleged saints and known sinners have joined hands in a double-barrelled attack on the law. The party of the first part is afraid the law is so strict that wine for communion will be barred out, while the sinners (saalons) are ready to fight prohibition on drinkables, though submitting to it on everything else. "And they shall gnaw a file." Let them bite.

Glendale has been enjoying recently some rare volcanic pictures. The peak north direct on Brand boulevard has been specially favored with cloud-caps, seemingly a part of the mountain, yet shaping up pyramidal much resembling Aetna or Vesuvius, and at the apex smoke seemed to emit as if from a crater. Omitting the flame of the actual in eruptions, the Glendale type is just as beautiful, while it lasts, and is not at all dangerous.

There is either a woeful lack of administrative force in the public school machinery of the country, or the presence of a rebellious uncontrollable belligerency among American school youths that is a menacing danger to both education and morals. The "frat" secret societies are utterly abhorrent to all public school teachers, and yet they exist and they thrive in spite of efforts to repress them. Mrs. Ella F. Young, superintendent of the Chicago schools, has trouble over this vexing question.

"Can't a Christian dance?" asked a lady of the late R. J. Burdette. "Of course she can," he replied, "but I am at a loss to know why any Christian should ask the question or desire to dance. So dance away, but not as a Christian. Your place is with the 'Salomes,' not in the church."

Nay, nay, my charming cousin, it's far away from true, that pictures in the papers are prettier than you. They merely serve as samples put on the front to please, while merchants say "my store is full of goods ahead of these." In gorge by man untrod-den, the choicest flowers bloom; their beauty and their brightness the chasms doth illumine. So envy not the pictures that seem to have a pull; they are but lovely samples of which the woods are full.

CITY TRUSTEES TRANSACT WEEKLY BUSINESS

APPOINT PARK COMMITTEE AS RECOMMENDED BY COMMISSION OF TEN—RECEIVE COMMUNICATION FROM RAILROAD COMMITTEE—PUBLIC SERVICE DEPARTMENT ASKS FOR ADDITIONAL MOTORCYCLE—TO THANK "ANDY" CARNEGIE

The board of trustees of the city of Glendale met at 7:30 Monday at the city hall. All the trustees were present.

The city clerk read a petition signed by the Los Angeles & Arizona Land company, asking that official grades be established on the following named streets in tract No. 250: Niodrara drive, from Wabasso way to Colina drive; Colina drive, both east and west of Canada boulevard; Altura drive and Hiawatha drive. Referred to the city engineer.

Mr. Philip Englehorn, by letter, informed the board that the committee of ten appointed at a mass meeting at the Glendale Union high school December 1st, at which the question of securing a site for a public park was discussed, nominated at a meeting held December 5th the following citizens as park commissioners: Philip W. Parker, E. S. Brockman, Wilmont Archer, S. A. Davis, T. W. Watson, A. W. Maxwell and Mrs. Mattison B. Jones.

On motion of Trustee Williams it was ordered that this committee of seven be appointed a park committee, but that its power to expend money in connection with their mission be withheld and that the committee first secure and submit to the board an estimate of the sum required to have the services of an expert on parks, as decided upon at the mass meeting, that the board will then make an appropriation as it may deem proper.

A letter from F. H. Vesper, trustee, informing the board that the details of the purchase of the right-of-way for the P. E. railway through the east side of Glendale are so far completed that the amount subscribed by the board may now be paid, was received and placed on file.

A communication from Jas. F. Lyon of Sacramento, offering to furnish copies of bills as they may be introduced at the next state legislature, and advice as to the action taken thereon, so that the board might be informed on any matters before any of the departments of the state, was referred to the city manager.

The city manager reported that the owners of property abutting the 30-foot strip immediately west of the Glendale Union high school, where formerly Maryland avenue extended to Colorado boulevard, wish that portion opened as a street and improved. The question of a name for this street also was mentioned.

On motion of Trustee Grist, it was referred to the city engineer to take up the matter with the property holders interested and to report at the next regular meeting of the board.

The city manager stated that he had conferred with the proper representatives of the P. E. railway with reference to the stopping of cars on the near side of streets, and had received the assurance that the company's orders are to the effect that cars must stop on the near side of streets and he would see immediately that these orders are carried out. However, that it has now been arranged that the northbound cars cross Broadway and stop in front of the depot, the trains making an extra stop and dividing south of the switch below Broadway on Brand boulevard.

The city manager referred to a letter received by the manager of the Glendale municipal band from the Tournament of Roses association of Pasadena, asking for the band's best price per man for music in the parade January 1st, 1915. He said that under our contract with the band the city of Glendale could be represented at the tournament by its band, and pay the agreed \$30 to be allowed the band when employed outside of the city, and at the same time could furnish music to Pasadena at \$30 less than the price it might otherwise ask.

On motion of Trustee Williams the city manager was instructed to arrange the matter with the band and the city of Pasadena.

An application from O. A. Fish for a permit to operate a gasoline filling station at the northeast corner of Glendale avenue and Colorado street was granted.

The city manager reported that the sidewalk on Central avenue at Broadway on the east side of the street is in very bad condition and needs repairing, the cost to be about \$10. This work was ordered done.

The manager of the public service department asked the board for an additional motorcycle for long distance service. Trustee Grist suggested an automobile instead, in view of the rapid wear and tear and the high cost of maintenance of motorcycles. On motion of Trustee Tower, the matter was referred to the city manager and chairman of the supply committee for report at the next board meeting.

On motion an ordinance changing the name of Eagle Rock road was taken up for third reading and final passage.

On motion bids for the work to be done on Bena way were ordered opened, examined and publicly declared.

The following bid was opened, examined and referred to the city engineer:

Peter L. Ferry—Bond \$1000. Grading, per linear foot, 95c. Paving, per square foot, 6 2-3c. Curb, class "B," per linear ft., 26c. Culverts and appurtenances, completely installed, \$200.

The city clerk reported that the last installment of the Carnegie library fund has been paid, and suggested that the board forward to Mr. Carnegie an expression of acknowledgment.

On motion of Trustee Tower it was resolved that the president of the board be instructed to draft a letter thanking Mr. Carnegie for his generous gift for the erection of the Glendale public library.

On motion the hearing of protests against the proposed Canada boulevard bridge and protection work and the extent of the district thereof was taken up.

The clerk again read the letter of Mary A. Hackenberger and Wm. H. Hackenberger, also the communication signed by M. H. Chamberlin and others, containing objections to the signers to being included in the assessment district for said work. None of the protestants being present, Mr. J. A. Pirtle, for the Los Angeles & Arizona Land company, spoke in favor of the proposition, calling particular attention to the very small minority of the protestants' frontage. Referring to the question as to whether or not the work to be undertaken would be acceptable as part of any greater protection work, and allowance be made for the amount of its expense when such greater work might be undertaken by the board of flood control of Los Angeles county, the city attorney stated that the county board of supervisors had expressed themselves quite affirmatively on that question, which is all they are in a position to do.

On motion of Trustee Tower the hearing of the protests was continued to the next regular meeting of the board and set at 8 o'clock p. m. of Monday, December 14th.

Trustee Williams offered a resolution adopting a map showing improvements to be made on Patterson avenue, which was read and on motion accepted and adopted.

Trustee Tower offered a resolution of intention to improve a portion of Patterson avenue, which was read and on motion accepted and adopted.

The city engineer presented the center line maps, with ties, of the city of Glendale; also the contract between himself and the city of Glendale covering the access to and the use of the original field records in the hands of the city engineer. The contract was read and on motion of Trustee Thompson the chairman of the board and the city clerk were authorized and directed to sign the contract.

Demands previously referred to the finance committee were reported favorably by said committee and warrants were ordered drawn in payment of the same by a unanimous vote.

Reports for the month of November were received from the following city officials and placed on file:

City clerk, city recorder, building inspector, street superintendent and health officer; also the weekly report of the tax collector. The tax report showed a collection of \$2498.71 for the week and a total of \$15,226.89 to date.

The board took up the question of granting permits to maintain gasoline selling stations. On motion of Trustee Thompson it was resolved that the chairman appoint a committee of two to investigate the situation in its several phases and report to the board for final action at their next regular meeting.

YOUNG GIRL CALLED

MISS KATHLEEN GUIDINGER RECEIVES FATAL INJURIES IN AUTO ACCIDENT

How prone we are to pass carelessly over the accounts of accidents in which lives are lost, with scarcely a thought, until such accidents come home to us or our friends and neighbors and we are horrified with the recklessness that caused the death of one we held dear.

Glendale people were shocked beyond measure Tuesday when word came of the accident which caused the death of Miss Kathleen Guidinger, only daughter of Mr. and Mrs. Joseph Guidinger of 238 South Maryland avenue.

This young woman was a graduate of Glendale high school in the class of 1914 and was dearly loved among the young people of her social circle. This fall she entered the Los Angeles normal school to fit herself for a teacher, and it was while on her way to school that the accident occurred. She transferred from the Glendale to the Hollywood car at Sunset boulevard about 9 o'clock and when crossing the street to take the Hollywood car, she was struck by an auto driven by C. B. Weaver, 845 Edgemont avenue, and received fatal injuries. She was rushed to the Sisters' hospital, where physicians at once ascertained that there was no hope of her recovery, and she passed away an hour and a half later without regaining consciousness.

Miss Kathleen Guidinger was born in Los Angeles July 17, 1896, so was scarcely eighteen and a half years of age at the time of her death. She leaves her heartbroken parents and a large circle of friends to mourn her death. She had spent her entire life in this vicinity.

The heartfelt sympathy of all Glendale people is being bestowed upon the stricken parents in the loss of their much-loved only child, but all this is inadequate to bring comfort in this dark hour.

Funeral services will be held on Friday at Bresee Brothers' undertaking parlors on Figueroa street, Los Angeles, the hour to be determined later.

"ONE OF OUR GIRLS" AT THE NEW PLAYHOUSE TONIGHT

A large and appreciative audience was on hand at the new playhouse on Brand boulevard Tuesday evening to witness the presentation of "Brewster's Millions," with Edward Aheles in the leading role. This comedy has amused millions, both on the legitimate and screen, and was thoroughly enjoyed by all those who attended the performance.

Tonight and tomorrow night Daniel Frohman presents the popular favorite, Hazel Dawn, in the famous international romance, "One of Our Girls."

"One of Our Girls," the celebrated drama which so closely interweaves the interests of two mighty nations, presents Hazel Dawn, the artistic little star who recently achieved a great stage triumph in the title role of "The Pink Lady." In "One of Our Girls" Hazel Dawn portrays the stellar role, otherwise Kate Shipley. The subject teems with patriotic interest and the thrilling situations, combined with the inspiring sacrifice of the plucky and quick-witted American girl in behalf of her little French cousin, furnish all the elements necessary to the successful screen drama.

MRS. C. G. HEGER

Caroline Guenther Heger, aged 59 years, beloved wife of Wm. G. Heger, died at her residence, 1231 North Brand boulevard, Casa Verdugo, on Tuesday, Dec. 9. Mrs. Heger leaves besides her husband, two sons and one daughter, Oscar Heger of St. Louis, Mo., Wm. J. Heger of Casa Verdugo and Mrs. Walter Studt, nee Heger, of St. Louis, Mo. Also three grandchildren, Wilton, Wm., Jr., and Myrtle Heger, to mourn her loss.

Caroline Guenther Heger was born in Louisville, Ky., but came with her husband to Casa Verdugo in 1911, where she has since resided. She was a devoted wife and mother and loved by all who knew her. During her residence in California she had made many friends, who will greatly miss her loving manners and gentle, kindly ways.

Funeral services will be held on Friday, Dec. 11, at 1:30 p. m. from the parlors of the Jewel City Undertaking company, Third street and Brand boulevard. Cremation at Los Angeles crematory, Sixteenth and Hoover streets.

HUSBANDS ARE "IT"

MEN OF TUESDAY AFTERNOON CLUB FAMILIES HAD AN INNING TUESDAY

Quite the most delightful treat of the year was the evening given by the Tuesday Afternoon club ladies in honor of their husbands at the Masonic temple Tuesday night.

The gorgeous poinsettia, crimson carnation and pepper boughs were wrought into a most artistic decorative scheme by the capable decoration committee of the club, of which the following ladies are members: Mrs. C. Homer Temple, chairman; Mrs. Clinton Booth, Mrs. Arthur Cross, Mrs. Oliver O. Clark, Mrs. H. D. Goss, Mrs. A. M. Hunt, Mrs. W. R. Russell, Mrs. W. P. Thompson and Mrs. Carrie Waite.

Then the splendid courtesy committee—Mrs. Daniel Campbell, chairman, assisted by Mrs. Luther Brown, Mrs. A. L. Bryant, Mrs. C. H. Eudemiller, Mrs. C. M. Turk, Mrs. Blake Franklin, Mrs. Alexander Mitchell, Mrs. O. W. Tarr, Mrs. C. T. Van Ethen, Mrs. W. H. West—greeted all with charming informality and during the hour when the husbands were left in charge of this committee fun and informality reigned supreme.

This stunt was a real "gabfest" and prizes were given to the men who conversed most entertainingly upon three subjects, namely:

1. Describe your favorite dish.
2. What do you want in your stocking?
3. Choose your subject.

Most of the men liked pie, wanted socks or feet in their stockings and for No. 3 chose as their topic, "Woman."

Dr. A. L. Bryant, Mr. Fred Baker and Mr. D. H. Smith received prizes. Dr. Bryant received a toy harp. He was made to ascend the platform and play "The Irish Washerwoman" and other classic (?) selections.

Mrs. Rowe received a souvenir as being the best judge of the men. She said "I find all men interesting."

Last, but not by any means least, was the splendid musical program, which was a rare treat for the large audience assembled. First came Margaret McKee, the California mockingbird, as she is termed, in a number of delightful selections. Notes rivaling the real mockingbird of our hills came beautifully and amazingly clear to the delighted listeners. She is a rare genius and gave many numbers during the evening.

Another California girl equally talented in her way gave her hearers a perfect exhibition of fine cornet solo work, which is rare indeed in one so young. Miss Grace Helen Adams, charming fourteen-year-old daughter of Mr. and Mrs. C. Milton Adams of Los Angeles, was the artist, and that she has a brilliant future no one who heard her rendering of the Russian Fantasia, also the ever sweet Rosary, can ever doubt.

Next came a favorite in club circles and also a member of the Tuesday Afternoon club, Miss Martha Porter, violinist, accompanied by her sister, Miss Elizabeth Porter. Her playing is always true, sweet and sympathetic and she gave two beautiful numbers in her best style.

Then came the time for the ever-ready hospitality committee to care for the inner man, and what did the dear husbands receive but their favorite dish—pie? Cunning individual pumpkin pies and perfect coffee were served by the following ladies: Mrs. H. H. Martin, chairman; Mrs. H. E. Bartlett, Mrs. J. N. Elliott, Mrs. H. R. Goodwin, Mrs. Walter Stamps, Mrs. W. E. Evans, Mrs. E. L. Parke and Mrs. F. W. Pigg. We won't say how many pies they consumed—but they were not limited.

Mr. Oliver O. Clark in behalf of the husbands spoke a few words in appreciation of the evening and said they were only worrying because it would be a year till they could be invited again.

Everyone went away feeling that the Tuesday Afternoon club is an organization to be proud of in Glendale.

The Christmas musicale was announced during the evening, which will be given by the music section of the club one week later, Tuesday evening, Dec. 15. This will be a benefit concert, funds from which will be used to relieve local conditions, and no family in Glendale need go hungry or cold at Christmas time. Also a Christmas to the Children's hospital, which the club remembers every year at this time.

QUICKLY PASS THE YEARS

December, Christmas month, is again upon us. Seemingly, only just yesterday it was summer, and only just a little time ago it was another Christmas time. How quickly pass the years. From youth, longing for Christmas, so slow of approach, to old age, with his ejaculation: "What! Christmas here again?" Fleeting years should remind that only limited time is at the disposal of all. The kindly deed which it is contemplated to perform at some Christmas should be done this year. Next Christmas will find many absent on that journey from which none will return.

AMERICA'S PRAYER TODAY

Tune "America"

Lord, hear our prayer today. As fervently we pray, God bless our land! As hearts begin to dread Lest war's dark cloud may spread And break upon our head, Hold Thou our hand.

Give to our President Wisdom divinely sent, We truly pray; Our Father, grant that he May know assuredly That Thou wilt with him be, From day to day.

Lord, may our nation show To others here below That we are Thine; Not seeking selfish gain At cost of others' pain, But striving to attain Virtues divine.

No other power but Thine, Supreme because divine, Can bring world peace; O haste the day, dear Lord, As promised in Thy word, When there shall be no sword, But wars shall cease.

O God, we pray that we Thy guiding hand may see, For Thou dost lead; May we live true to Thee And to humanity, Thus will our destiny Be bright, indeed.

There was not time at the Tuesday evening meeting for the commander to appoint the different officers whose places are appointive, but that will be done later.

TROPICO

Just as the morning sunbeams touched the hills surrounding Tropic and ushered in a glad, happy day for many, Tuesday morning, the spirit of John W. Stanton winged its flight into the great beyond. Mr. Stanton, who had been a resident of Tropic the past four years, resided with a sister and brother on West Park avenue. He had been a patient sufferer, having spent nearly the entire four years confined to his room, when not in his bed. He was born in Logan county, Ohio, seventy-six years ago. About twenty-five years ago Mr. Stanton came to California to reside. Miss Lydia Stanton has attended her brother faithfully, administering with a sisterly devotion to the wants of her aged and afflicted brother, and endeavoring to alleviate his pain and suffering. Funeral services will be held from the Jewel City undertaking parlors Thursday afternoon at two o'clock. Interment in beautiful Forest Lawn.

Mr. and Mrs. Burt L. Roberts of 203 South Glendale avenue, with their son, Glenn Roberts, leave for Tucson, Ariz., within the next ten days, where they will remain some time owing to the illness of their son Glenn.

BUFFET LUNCHEON

One of the pleasant little social affairs of the season was the buffet luncheon given recently by Mrs. L. E. Starkey at her pretty home at 420 Belmont street. Bouquets of roses with strands of trailing smilax adorned the rooms and the table, from which the dainty and delicious luncheon was served. Nine guests enjoyed Mrs. Starkey's charming hospitality on this occasion.

ferred to exchange pulpits with a well-known Catholic priest, and that the latter may accept the courtesy, may be taken as an indication to "get together." Creditable to the parties concerned and nobody will object.

The holiest thing this side of Heaven is the faith of a little child. To

teach a child anything that they will discover later on to be false, or that you are forced to confess was false, is a moral wrong and may destroy the child's faith, especially in religious matters. "You deceived me about Santa Claus—is Christ a fable, too?" has been heard by many parents, and will be to the end.

"Give me three grains of corn, mother; give me three grains of corn; 'twill keep the little life I have till the coming of the morn. I am dying of hunger and cold, mother, dying of hunger and cold, and half the agony of such a death my lips have never told." Did you ever hear that song? How it rang out from palace and cottage in 1846-7, when across the sea Ireland was in a worse condition than Belgium today, and from a more relentless enemy—famine. The song, first stanza given above, was sung everywhere, and its pathetic appeal aided in contributions. In that day New York City was the focal point for contributions and the barque Rothschild was loaded and dispatched with as much of eclat as that which accompanied the sailing of the Camino. How history repeats itself.

Hip, hip, hurra, hurra, I say, for sensible Judge Lee. Of all the bench elected, he mostly pleases me. He struck out for the people and like a whirlwind went, high stepping over custom and played out precedent. "Hi, there now, Mr. Sheriff, take orders of this court; make changes as instructed and speedily report; clean out this musty court-room, outward the stags must prance; the women now are citizens and they shall have a chance. That side room over yonder, just make it clean and neat, and furnish it completely—these shall the women meet; and every case before me, with a woman in the case, if a jury is demanded, shall woman have a place. This court will furnish you a list from which your jurors draw, for they are full fledged citizens—this order goes for law."

Say, was I glad to hear Judge Lee give such an order out? You bet I had to celebrate with a great noisy shout. "Hurra," I said, and then awoke to wreckage of my theme; my model judge had vanished; behold, it was a dream; and effete rules of practice with errors old and hoar, with little show for women, went onward as of yore.

SEVENTH ANNIVERSARY

Seven years ago, December 12, the Holy Family church of Glendale, now a live and active organization, had its beginning, and like all beginnings, it was small. This week the church celebrates the seventh anniversary of its birth, which is also the seventh anniversary of the present pastorate, Rev. James S. O'Neill having organized the church and has been in charge ever since. Rev. O'Neill was appointed to this territory by Bishop Conaty and after organizing the Catholics of the valley, services were held in the G. A. R. hall for nine months until the church was built and ready for occupancy. Six years ago the church was dedicated, but it is already proving inadequate to the needs of the congregation and plans are being made for a new and larger building.

This important event in the history of the church will be fittingly celebrated. Elaborate preparations are being made for a musicale and card party in Masonic temple on Friday evening. All of the members of the church and their friends are expected to attend and aid in making this affair a success.

EVENING OF ENJOYMENT

Much interest is being aroused in the musicale to be given on the evening of December 15th by the music section of the Tuesday Afternoon club. Tickets are already on sale and are being rapidly disposed of at twenty-five cents each, a price at which all can afford to attend and enjoy an evening of good music, as well as add to the fund which is to be used for charity. Tickets are on sale at several of the stores, and some of the ladies of the section are assisting in the sale during the afternoons. Mrs. Archer is at Williams' dry goods store this afternoon, tomorrow afternoon Mrs. Cassell will be at Roberts & Echols' drug store, and Mrs. Grosvenor will be at McGillis' grocery.

A TOWN TOY

"Better keep out of Plunkville." "If they fine me for speeding I guess I can pay it," retorted the motorist with dignity. "Better be warned. Tramps are scarce and they're crazy to have somebody try their new jail."—Louisville Courier-Journal.

RELIEF SHIP SAILED TUESDAY

The Belgian relief ship Camino, built in a Southern California shipyard and manned by native Californians, set sail from Los Angeles harbor Tuesday afternoon at 2 o'clock with Old Glory floating from the masthead and another banner telling its errand of mercy. The Camino carries about 4300 tons of provisions for the helpless and starving non-combatants of war-ridden Belgium, and practically every city, town and hamlet is represented by the food-stuffs. The loading has been rushed every minute of the time since the vessel docked, and the formal farewell to the Camino before its departure for Rotterdam was abandoned in order that the ship might not be delayed in its departure a minute after the loading was completed.

EAGLE ROCK

Saturday evening, December 5th, "the night of all nights," will go down through the history of our fair city as a great event, one long to be remembered and as the celebration of three very important civic improvements—the erection of two new buildings, the Women's Twentieth Century club house and the Carnegie library, also the new cluster lights which so beautifully illuminate our main streets at night. A large platform was erected in the center of the street, where Central crosses Colorado. This was decorated with bunting, flags, pennants and palms. The streets were also prettily decorated with palms, pennants and huge American flags. These decorations extended from the corner of Rowland and Colorado (at which place the library is located) up to Kenilworth and Colorado, where the Women's club house is being erected, then down as far as Forest and Central avenues, where the cluster street lights end. The program which was given on the platform was as follows: Overture, Glendale band; vocal music by Glee club; address, President W. Rice of Chamber of Commerce; music by band; address, "Cluster Lights," Mayor Cromwell Galpin; music, jubilee minstrels; address, "Women's Clubhouse," Mrs. C. W. Young; music by band; music by jubilee minstrels; address, "Eagle Rock Library," Godfrey Edwards. This concluded the program, as the Elks' Patrol of Glendale were unable to attend. Hot coffee, wienies and rolls were served free to all after the evening's program. It seemed everybody in Eagle Rock was there, as well as many from neighboring cities, and in spite of the rain, everybody enjoyed themselves immensely.

This Friday evening the newly organized Brotherhood will hold its first meeting and elect officers for the year. After the business meeting a delicious oyster supper will be served by the young women of the league and plans are being made for a general good time.

Ernest Coonradt led the Epworth League meeting Sunday evening and well proved that he was capable of doing so. His subject was "What Motive Shall Govern My Christian Giving."

Mrs. W. Paulus, formerly of this city, was calling on friends here one day last week.

Mrs. Mary Needham and family, who have been living on West Sycamore avenue, have moved to Ocean Park.

About twenty-five young people of Occidental college enjoyed a hike and picnic dinner in Sycamore canyon.

Geo. Gilchrist led the prayer meeting last Wednesday evening at the Presbyterian church and it was a real interesting meeting. Miss Ruth Sanborn sang a solo.

Sunday morning Mrs. W. Rice, a former mission worker in South America, talked before Mrs. La Porte's class of young ladies at the Presbyterian Sunday school.

One evening last week a crowd of young folks gathered at the Eddy home on Colorado boulevard and chivariated the bride and groom, Mr. and Mrs. Herman Hensel, who had just returned from their honeymoon. They invited the guests in and music, conversation and cards took up the evening. Refreshments brought by the crowd were served at a late hour.

There were no evening services at the Congregational church Sunday as they united with the Methodists to hear Dr. Byron Wilson, pastor of the Highland Park M. E. church, speak.

The Twentieth Century club bazaar held Friday evening at the Masonic hall proved a big success financially as well as socially. The hall was filled to overflowing with people anxious to get a taste of the New England dinner, and it wasn't until late that everyone could be served. Harvests were reaped from the numerous booths, saying nothing of the many Women's Twentieth Century club cookbooks sold. A large sum was realized, which goes for the new clubhouse fund.

Mr. and Mrs. H. Snyder of Lawrence avenue had as their guests on Thanksgiving Mr. and Mrs. E. Chandler and son Burney of Woodrow avenue.

The monthly Epworth League social and business meeting was held Friday evening at the home of Mr. and Mrs. James Robinson of Oakwood trail. After the business affairs were transacted, a program was given and various games indulged in. A delicious lunch of hot chocolate, cake and wafers was served.

Gas Heaters—Ingersoll Watches for that boy of yours—Bathroom Fixtures—Electrical Cooking Utensils—Casseroles, mounted and unmounted—Ramekins—Individual Custards—Aluminum Ware—Wagons and Coasters for the children—Motorcycle Sundries for your speed friends.

And say, there will be a whole lot of boys in this town the day after Christmas who would be glad to exchange all their books, ties and building sets for a 22-Cal. Rifle. Why not put a rifle in that Xmas stocking. Prices \$1.75 to \$7.50.

Your Christmas money will go a long way, too, in our hardware store, and every present will be appreciated.

HAVE YOUR OWN GRAVEYARD

Every man, says an unknown writer, should have a graveyard of his own. In it he should bury all of his mean thoughts, his hatreds, his animosities and evil aspirations; and bury them deep, so that there can be no resurrection. If you hear a bit of malicious gossip—bury it deep. If you have been nursing a feeling of hatred toward somebody for years—then bury it. And when you have finally filled your graveyard with the worst that was in you—you will find the world and all that goes to make it a much better place than ever before.

DOUBLE OR SINGLE EYED?

Which are you? A single-eyed person can see only one side of a question, and a very narrow side, at that. A double-eyed person can see both sides of a question and the broad side, as well as the narrow. One becomes either double or single-eyed simply by habit. One can form the habit of being simply a single-eyed knocker or a double-eyed booster. No single-eyed umpire ever finished the season with the league in which he started.
