

RUSSELL-PIERCE FURNITURE SALE

Beginning Monday Glendale Firm Will Offer Low Price Specials

In celebration of its fifth anniversary as a Glendale firm, Russell-Pierce Furniture Co. of San Fernando road is announcing for Monday the beginning of a mammoth furniture sale. This event, according to Mr. Russell, is one that has been planned for weeks, special purchases in quantity lots have been made so that extremely low prices can be quoted.

Mr. Russell emphasizes the fact that although the company was conducting a big sale, this would in no wise interfere with its regular service in any way and that "convenient credit" would apply wherever desired.

Special Offer
Customers are extended the privilege of making a deposit on any furniture that they desire and leaving it for future delivery without storage charge.

One special advantage being offered by this firm on the purchase of upholstered pieces, is the selection of coverings from over 150 patterns and designs in a wide variety of materials. These include velvet, tapestry, brochette and mohair. In this way it was pointed out that any desired color scheme could be harmoniously worked out with any particular style of interior finish.

Blank Appears Daily
Each day there appears in this newspaper a blank form on which Glendale residents are invited to write the names of citizens who they believe are fitted for service on the City Council. Five candidates are to be elected next April.

When any person nominated receives fifty or more nominations, his or her picture and a brief biography will be published in The Glendale Evening News. Five nominations is the limit any one person is permitted to make. Names of all persons nominated will be published when twenty-five or more votes have been received by any candidate.

The nomination blank appears on page two of today's Glendale Evening News. Make use of it at once and mail it to Nomination Editor, 139 South Brand, Glendale, California.

Following is the list of those who have been nominated thus far, and have received twenty-five or more votes:

CANDIDATES TO GET PETITIONS MARCH 5

Aspirants to Councilmanic Positions Must File Lists Before March 25; Municipal Election April 14

Persons who intend to become candidates for the city council have less than a week to wait until nomination petitions will be available at the office of the city clerk, and, judging from the selections made by residents of this city through The Glendale Evening News, a strong slate of non-partisan candidates will be circulating petitions next week.

The state law provides that petitions can not be put in circulation before March 5, and must be filed with the county registrar of voters not later than March 25 for checking. Many of the persons whose names have appeared in The Glendale Evening News as possible candidates will make the race, and their names will appear on the ballots for the municipal election on April 14.

Another Glendalian has reached the twenty-five mark in number of votes, and today the name of S. S. BERAN, of 1529 East Broadway, appears as a possible candidate. Other possible candidates have been piling up votes and several are near the fifty-mark, which, when reached, results in their picture and biography appearing in The Glendale Evening News.

S. E. BROWN FOR CITY TREASURER

Pioneer Resident, Formerly In Position at Tropic, Candidate For Office

S. E. Brown, 1239 South Maryland street, for seventeen years a resident of Glendale, today announced his candidacy for the office of city treasurer. At the present time conducting an insurance business, Mr. Brown is widely known in the city. He was city treasurer of Tropic during the last six years of its existence. He has spent considerable time as a deputy in the offices of the county assessor, tax collector and court clerk.

For eight years before coming to Glendale, Mr. Brown was a banker in North Dakota, he said today. He will file his petition as a candidate shortly after March 5. He has many friends in Glendale who will be greatly interested in his announcement that he is a candidate for city treasurer.

ENGLISH COTTAGE DESIGN FOLLOWED IN SOUTHLAND

Unique Type of Architecture Is Seen On Fox Bros.' Residential Tract

Fox Bros., in their development of Cottage Grove and Brier lane, have added to the attractiveness and desirability of southeast Glendale as a residential district of the better class. English stucco cottages are the type of dwelling erected. These cottages are designed by R. H. Paul and C. B. Martin. English architects and built by the Pacific Housing corporation. They are the most artistic and complete cottages of this kind in California, according to Preston S. Fox.

The tract is located in the foothill district and joins onto the Oakridge tract. Owners are protected from undesirable surroundings by restrictions as to the price, size and kind of house to be erected on all lots that are sold.

Fox Bros. state that all street improvements are in and are of the very highest type, including the sewer. This tract is said to provide exclusiveness and convenience at the same time.

FROM SKYSCRAPERS
INGLEWOOD, Feb. 27.—Notwithstanding pleas for skyscrapers in Inglewood, due to the coming of a number of big department stores and hotels, this city is still to be out in "the great open spaces" if G. Gordon Whitnell of the Los Angeles City Planning commission is to be heeded.

Addressing the Inglewood zoning body, the City Planning authority frowned upon limit-height buildings, declaring that they would not only retard development of the outlying sections, but also would increase the water rates and taxes, because of the increased water pressure that would be required to protect them from fire.

THIS BIRD HAS REAL JOB
LANKERSHIM, Feb. 27.—Thomas Humphreys has a big job on his hands, but he says it isn't a bigger bite than he can chew. Humphreys' job is to dig up about 11,000 hens each week, which he has contracted to sell to one of the chain groceries of Los Angeles and surrounding cities. The contract calls for 600 cases of eggs a week, and all are to be of the "fresh yard egg" variety, gathered from various ranches in the San Fernando valley.

BIG HIGHWAY PROJECT
SAN BERNARDINO, Feb. 27.—What portends to be one of the largest highway relocation projects ever undertaken in the San Bernardino mountains is under consideration by the state bureau of public roads and the state highway commission, contemplating a rerouting of the 101-mile Rim of the World drive in Waterman canyon, to reduce the present 12 per cent grade to a climb of between 7 and 8 per cent. Under the proposed relocation the present switchbacks would be eliminated.

INVENTS ORCHARD HEATER
RIVERSIDE, Feb. 27.—A new system of orchard heating which, according to its inventor, S. Mitchell, will cut the fuel bill and number of smudge pots in half, has been described to the Riverside Chamber of Commerce. The plan is one of heat conservation by use of applied physics, founded on the idea that vaporizing water into steam gives off much heat, and that this heat will form a blanket of moist air.

Glendale Elks Assist In Pomona Dedication
Glendale Elks lodge sent a delegation Wednesday night to Pomona to attend the dedication celebration of the new \$200,000 Elks home in that city. James A. Apfel, past exalted ruler of Glendale lodge, assisted in presiding at the after dinner hour. Others from Glendale attending were Earl S. Patterson, Arthur H. Dillburn, J. Murray Durham, A. R. Hildreth, Len C. Davis, J. W. Arnold, Maurice Andrews, Colonel L. F. Lenone.

Taxpayer Inquires As To School Head Trip
Editor, The Evening News:—It having been reported that the state superintendent of public instruction, in his address at the high school on February 10, stated that the taxpayers have the right to inquire into the expenditure of \$70,000,000 collected in California this year for its deluxe school system, and invited "pitiless publicity," no one should now object to questions being asked. I, therefore, make bold to inquire what will be the expense of the present trip east of the head of our grammar schools, and what are the benefits to the schools arising from this expenditure?

George H. Barnes Will Speak Here Sunday
George H. Barnes of Los Angeles, president of the American Forestry association, is to speak Sunday afternoon at 4 o'clock at the meeting of Glendale Art association in Van Grove salon on North Brand boulevard. Mrs. Roy Ballagh, president, announces that the public is invited to hear Mr. Barnes. The association's annual banquet will be held tomorrow night at the Tuesday Afternoon clubhouse. There will be a reception at 5 o'clock, with dinner at 6 o'clock.

Letter Sent 73 Years Ago Is Discovered

A letter written seventy-three years ago by his uncle, James W. Lusk, has been discovered among family keepsakes by R. L. Foster of 632 Orange Grove avenue. The letter was written on July 14, 1852, from Richmond, New York, by Mr. Lusk to his sister, Mrs. Julia A. Foster, the latter being the mother of Mr. Foster. Although the letter was written seventy-three years ago it is still in good shape and is easily read. Mr. Lusk, who was a member of the Bryant, Lusk & Stratton Commercial colleges of Cleveland, Buffalo and New York City, took a premium in Paris for being the best writer in the world. He wrote the Spencerian type of writing, and, besides winning the premium in Paris, won many others. Mr. Foster plans to send the letter to his son, Fred L. Foster of Wichita, Kansas.

Spanish Class Formed At Tuesday Clubhouse

Language lovers of Glendale and vicinity will welcome the announcement that Spanish classes are now being conducted by Dr. Frederick E. Beckman at the Tuesday Afternoon clubhouse, corner of Lexington drive and Central avenue, every Friday night between 7 and 9 o'clock. For those who desire morning lessons, Dr. Beckman has formed two classes, to meet on Thursday and Friday mornings from 9:30 to 11:30 o'clock. Dr. Beckman teaches, Spanish, French, German and Italian. A newly-organized French class, which meets from 9:30 to 11:30 o'clock every Wednesday, has fourteen Glendale women now enrolled, which shows that Glendale folk are not slow in taking up anything worth while," says Dr. Beckman.

SELF RESPECT IS OUTLINED IN SERMON

Evangelist John Brown Talks To Young People At Tabernacle Meeting

Brown Program

Friday night, 7:30 o'clock—Committee on Starvation.
 Saturday morning—No service.
 Saturday afternoon, 2:30 o'clock—"A Great Woman" (women only invited).
 Saturday night, 7:30 o'clock—"What Must I Do to Be Saved?"
 Sunday morning—No service at the tabernacle.
 Sunday afternoon, 2:30 o'clock—"Slime Pits" (men only invited).
 Sunday afternoon, 2:30 o'clock—Mrs. Jones speaks to women at the Glendale Presbyterian church.

"Better be tied to your mother's apron strings than to a ball and chain in a chain gang," Evangelist John Brown told young people of Glendale who assembled in large crowds to hear his sermon on "Daniel" at the Union tabernacle on North Kenwood street last night. The speaker made self-respect of the young the keynote of his talk. "If you live a life of self-respect, it will not be long before the world will respect you likewise," he said. "You have got to live with yourself; you may get away from other folks, but not from yourself, and it behooves you to live a life that you yourself can respect. EVENING NEWS AIR SPECIAL TO VENTURA

Glendale Newspaper to Send Flyer to Secretaries' Meet Tomorrow

A representative of The Evening News, flying in a special Evening News airplane, will leave Glendale tomorrow morning for Ventura to represent this newspaper at the meeting of Southern California commercial secretaries when that organization considers plans for participation in Glendale's air meet on March 14 and 15.

Secretaries who will assemble at Ventura represent every Chamber of Commerce and civic organization in Southern California and are expected to pledge wholehearted support and co-operation to Glendale in staging the air meet.

The Evening News' ship will hop off from Glendale air port along with several other planes from Glendale at 10 o'clock tomorrow morning and will arrive at Ventura in time for the luncheon and business session of the secretaries at noon. W. B. Kinner, president of the Kinner Airplane Manufacturing Co., will pilot the Glendale Evening News' plane.

During the Ventura meeting, Dr. T. C. Young, Glendale aeronautic enthusiast and chairman of the Chamber of Commerce committee in charge of Glendale's commercial air meet, will deliver a thirty-minute talk to the secretaries. Following this, a discussion of plans for joining in the meet is scheduled. Dr. Young and

Flyer Enters Waffle-Baking Club Contest

Rumors are current that Dr. T. C. Young, Glendale aviator has come to earth with an awful jar. Mrs. Arthur Cresse has challenged him to a waffle baking contest, to be a feature Saturday night at the informal dancing party at Oakmont Country club.

Mrs. Cresse claims that she can bake an awful waffle, while Dr. Young concedes that her waffles may be awful good, but the waffles he can make and bake are the best in the world.

Club members and guests will be judges. To the tunes of the latest jazz the batter will be mixed by the two contestants and baked and served for the verdict of those present. Dancing will be from 8:30 to 12 o'clock.

Dr. Ferris To Speak At Cornerstone Laying

Dr. Lincoln A. Ferris, pastor of First Methodist church of Glendale, will be one of the speakers Sunday afternoon at the laying of the cornerstone of the new David and Margaret home at La Verne. He will tell of the aims and benefits of the new home. The program will open at 3 o'clock. Mrs. Margaret Locke Coates of Los Angeles, president of the Southern California conference of Women's Home Missionary society, will preside. Rev. Walter Buckner, Pasadena district superintendent, will give the invocation. The home is a Methodist institution for unfortunate children.

Secretary Howard I. Wood of the Chamber of Commerce will fly to Ventura in one of the other ships in the Glendale party.

L. A. Zone Ordinances Are Upheld In Court

(Continued from page 1)

planned, healthier and more artistic cities. Specifically it means that Glendale may exercise a reasonable control over the type of construction to go up in the various sections of the city and know that it has the authority of the California superior court behind such control.

"Before the city of Los Angeles undertook to go far with its zoning ordinances two or three test cases were carried to the United States supreme court. The decisions there handed down were favorable and upon that impregnable foundation of law the present intricate and effective system was developed, which is reflected in the zoning system employed by the city of Glendale."

Three Decisions Prove Of Importance to Cities

SAN FRANCISCO, Feb. 27.—Three decisions having an impor-

tant bearing upon the future development of cities of California were handed down by the supreme court today. The decisions affirmed the power of a city to zone under a general comprehensive zoning ordinance.

The leading case of George L. and Frances Miller vs. the board of public works of Los Angeles involved the validity of an ordinance which zoned a certain district as a "strictly residential district."

The second case was brought by Hector N. Zahn and W. A. Ross, also against the board of public works of Los Angeles. The third case involved zoning in the small town of Atherton, on the San Francisco peninsula.

Both Los Angeles parties wanted to construct types of structures not permitted in the residential zones where their lots were situated.

In all three decisions the supreme court held that the protection of strictly residential districts from the encroachment of business establishments, apartments and flats was a legitimate exercise of the police power and did not contravene the provisions of the

federal and state constitutions.

While the right of a municipality to exclude from certain districts nuisances and "near nuisances" has previously been before the supreme court, the validity of a comprehensive zoning ordinance districting an entire city, such as the Los Angeles zoning, was raised for the first time in the Miller and Zahn and Ross cases.

The decision in these two cases definitely decides in favor of the constitutionality of the zoning pursuant to a comprehensive zoning plan which covers the entire city and provides for future department along definite lines.

MARKET SUMMARY

By Southland News Service

LOS ANGELES, Feb. 27.—Directors of the New York Federal Reserve bank yesterday increased the discount rate from 3 to 3½ per cent. The latter is the Los Angeles rediscount rate. Local bankers believe there will be no increase here for the reason that bank statements reveal so much idle money. Good loans are much desired by many banks.

California and Hawaiian refined sugar was advanced ten points to 6 cents a pound yesterday.

United States Steel now is operating at about 93 cents capacity, and announcement of a small increase in unfilled orders is expected.

Announcement was made today that Holly Development Co. had arranged to expend \$250,000 for additional development work in the Huntington Beach oil field.

Cable reports state that the present outlook for European crops is even worse than it was a year ago. Foreigners are reported to be buying new crop futures on American exchanges.

PARIS, Feb. 27.—Gloria Swanson showed a marked improvement today, the ninth day since she was operated on. Her condition led her to hope she would be able to leave the hospital and be taken to her hotel within five or six days.

Columbia River Water Bill Passed By Senate

WASHINGTON, Feb. 27.—The Dill bill permitting the states of Washington, Idaho, Oregon and Montana to enter an agreement relative to the disposition of waters of the Columbia river and its tributaries was passed by the Senate today.

New Arrest Made In Hotaling Murder Plot

SAN FRANCISCO, Feb. 27.—Police today were continuing their investigation into the alleged plot to kill Mr. and Mrs. Frederick Hotaling, prominent members of San Francisco society, and part heirs to the long contested Hotaling millions. Details of the asserted plot were declared by Captain of Detectives Duncan Matheson to have been revealed to the police by Ralph P. King, former policeman and aviator.

"Russian Lou" Madison arrested yesterday on the strength of King's alleged revelations to the police, was declared by Captain Matheson to have confessed that he and a friend had taken \$3300 from King as payment for the proposed murders but declared they never had any intention of keeping their agreement.

Navy And State Court In Jurisdiction Clash

SAN FRANCISCO, Feb. 27.—The navy will contest the right of a state court to hear habeas corpus proceedings over a United States naval officer, it was learned today at the Mare Island Navy yard, near here, following the recent issuance of such a writ by Superior Judge Percy S. King of San Francisco at the request of civilian attorneys for Lieutenant Frank E. Kennedy, now in the Napa state insane asylum, west of Mare Island, demanding that Kennedy be produced in court next Monday for the purpose of showing that he is not insane. The navy, it became known, will claim jurisdiction over Kennedy as a member of its fighting force, not subject to process in a civil court.

Indiana Solons Back After Fleeing State

INDIANAPOLIS, Feb. 27.—Having obtained the promise of Republican leaders that the Penrod "gerrymander" bill, redistricting the state, would not be "forced upon them," the recalcitrant Indiana Senate Democratic minority was back in the Hoosier capital today, ready to answer the roll call.

Terms of the agreement between the Senate majority and the fifteen Democratic senators who fled to Ohio to evade arrest on charges of wilfully breaking a quorum when they feared their party would lose a seat in Congress by passage of the "gerrymander" measure were not made public.

Princess Fails Court In Damage Case Trial

CONSTANTINOPLE, Feb. 27.—The Princess Suvad Chakir, formerly Sidi Wirt Spreckels of San Francisco, was unable to appear today when her suit for damages against the Princess Cheviakov was called in a courtroom tense with anticipation. The Princess Cheviakov appeared, however, and with flashing eyes made a categorical denial of the charges that she attempted to incite Turkish soldiers to lynch the San Francisco girl. The court adjourned to March 30.

Crack Turf Performer Sold To Californian

NEW ORLEANS, Feb. 27.—S. N. Holman, owner of a large stable of horses which he has campaigned over the local tracks with considerable success this season, announced today the sale of the 3-year-old Elector to the La Brea stable near Los Angeles. John C. McKee came here and closed the deal involving \$25,000. Elector will be shipped to Ti Juana where he will be started in the rich Croft handicap. In the same car will be four horses belonging to Holman.

Lord Balfour's Visit Puts Land in Mourning

JERUSALEM, Feb. 27.—Arab executives have proclaimed a day of mourning the day upon which Lord Balfour arrives for a visit to the Holy Land. They have cabled Balfour that, since they cannot agree with his policy toward Palestine, he will be given no reception by Arab chiefs.

Franco-German Treaty Approved By French

PARIS, Feb. 27.—President Gaston Doumergue, presiding at a meeting of the cabinet today, formally approved negotiations in the Franco-German commercial pact. He approved also a decree designating a consultative committee to negotiate with the Soviets a settlement of the Russian debt.

LOCATE AVIATORS

PARIS, Feb. 27.—Captains Le Maitre and Arrachard, aviators who were missing nearly a week, have been located at Ul-Gold-Gola, near Timbuctoo, the air ministry told International News Service today. Both men and their airplane were in excellent condition, the ministry said.

SETS NEW RECORD

SAN FRANCISCO, Feb. 27.—A new high record for bank clearings in San Francisco was established today when \$45,600,000 was reported by the clearing house as the mark for the past twenty-four hours.

The Opening and Improving of Glendale Heights Extension

Last year gave a new inspiration to the already fast growing section south of Palmer Ave.; and through our efforts leases were made, which caused the erection of a fine business block by Mr. Joseph Baudino, which building now houses The Sam Seelig Grocery, The Funk Pharmacy and Dolan's Hardware & Specialty Shop.

Seeing the wonderful future of this business corner and realizing the necessity of more shops, Mr. Hogsett followed with the erection of another fine building, just completed. All this activity causes values to rise rapidly and is attracting many builders, who realize the advantages of a quick market for homes in a fast growing community, close to the heart of Los Angeles and still but five minutes' ride from the center of Glendale.

THESE BEAUTIFUL HILL SLOPES AND HILL TOPS MAKE IDEAL SETTINGS FOR HOMES AND THERE ARE STILL AVAILABLE SITES FROM 60 TO 80 FOOT FRONTAGE AT VERY REASONABLE PRICES (WHICH INCLUDE ALL IMPROVEMENTS NOW IN AND PAID FOR) AND FULLY COVERED BY GOOD RESIDENTIAL RESTRICTIONS THAT PROTECT YOU AGAINST UNDESIRABLE SURROUNDINGS.

Buy now and build your home where an interesting view of the City, Valley and Mountains greets you from your window every day and every night.

We will gladly call for you at any time and show you our property. Please do not feel obligated in any way.

The New Hogsett Building, Corner Adams and Palmer

Dutton the Home Fynder was the general contractor. No red tags were given out on this building, red tags being issued for condemnation or change by the city hall building inspector.

The strategic location at Adams and Palmer Streets is immediately recognized when it is considered that York Boulevard now paved and curbed, connects with Adams Street, giving Glendale another thoroughfare into Los Angeles, Highland Park, South Pasadena, Alhambra and towns to the east. Then, again, the great Sycamore Canyon Drive, extending eventually from Pasadena straight through Glendale to Palmer Street, thence across to San Fernando and Los Feliz Roads—this corner being the only property zoned for commercial purposes south of Colorado and east of Glendale Avenue. This intersection is destined to be a natural trading point for the thousands of people who will live in this great section, known as "The Beautiful Hill of Southeast Glendale."

RECORD PRICE FOR ATWATER PROPERTY

Fifty-foot Frontage on Los Feliz Is Purchased by R. E. Hubbard; Place Consideration at \$12,500

What is believed to be a record price for Los Feliz boulevard property was established yesterday when fifty feet fronting on the north side of the thoroughfare was sold by Shaller & Jones, Hollywood brokers, for \$12,500.

The property was purchased by R. E. Hubbard. Although rumors had it that the ground will be improved immediately with a large business block, Mr. Hubbard said that he was undecided, having not yet made up his mind whether to build now or later.

To Establish Nursery

A nursery business is being established by William S. Johnson at the corner of Revere street and Glendale boulevard next to the Purman & Wilson real estate office. Mr. Johnson is an old-time nurseryman having conducted a nursery in Camden, N. J., for 30 years before coming to Atwater Park.

Bridge Party Tomorrow

A large attendance is expected at the bridge and five-hundred party to be given at the home of Mrs. E. V. Bacon, 2802 Revere street, tomorrow night, under the auspices of the Atwater Parent-Teachers' association. Prizes will be offered for the winners and the funds collected will go to the Parent-Teachers' association fund.

Entertainment Postponed

The "Womanless Wedding" and mock trial that were to be features of an entertainment under the auspices of the Young People's class of the Neighborhood Christian church tonight have been postponed until Friday night, March 13, it was announced by Rev. J. W. Utter, pastor of the church.

Notes Along Realty Row

A. G. Chick, contractor, has purchased property on Glenmanor place between Glenfelix and Valleybrink and will commence the erection of a five-room stucco house shortly.

Herbert R. Payne, for many years employed as an expert in the Ford Motor works at Detroit, has joined Mrs. Payne in Atwater Park, and has purchased the property at 3444 Gardenside lane where the couple will reside in the future.

J. R. Dixon has started work on a six-room stucco house to be located on Edenhurst avenue between Appleton and Dover streets.

C. A. Riggs will build a four-room stucco residence on his property on Valleybrink near Sunnybrook.

William S. Johnson, owner of a florist shop on Los Feliz road, has closed his business and retired from activity for the present.

Masons Elect Chapman

Frank J. Chapman was elected master of Atwater Masonic lodge last night to fill the vacancy caused by the resignation of Ralph J. Reese. R. F. Brown was elected senior warden in the place of Mr. Chapman. J. A. Herbert was elected junior warden of the lodge when P. E. Lipscomb tendered his resignation of that position.

Glowing tribute to the work of Mr. Reese during the few weeks that he was master of Atwater lodge was paid in a short talk by Mr. Lipscomb. Mr. Reese has been moved to Long Beach by the bank of Italy and has gone to that city to reside.

Plans for an Atwater Masonic temple were presented by the building committee last night when the lodge met at 3218 Glendale boulevard.

Personals From District

Miss Virginia Wheeler, 2987 Glenfelix place, who has been confined to her home for two weeks with an attack of tonsillitis, is sufficiently recovered to be about once more.

Frank E. Macaully, 3270 Garden avenue, has returned to his office with the California Mortgage Co. in Los Angeles following an attack of rheumatism.

Mr. and Mrs. Will Jones, 1030 North Ramon street, who were guests of the Young People's class at the Neighborhood Christian church last Sunday, were entertained by Mr. and Mrs. Clayton S. Decker on Wednesday night.

Mr. and Mrs. W. A. Webster, well known in the Atwater district, visited friends yesterday. They are now located at Huntington Park.

BENEFIT FOR WAR MOTHERS BACKED

Glendale Endorses Affair To Be Given March 6 For Veterans' Aid

Glendale people are endorsing the benefit to be given the night of March 6 at Broadway High school, under the auspices of Lester Meyer chapter, American War Mothers. Proceeds from the affair will be used by the chapter for work among disabled war veterans, who are now confined to hospitals and sanitariums. The War Mothers are receiving co-operation from leaders of civic and fraternal organizations of the city.

Screen and ring stars will take part in the program. Among them will be Louise Dresser, Tom Mix, Lew Cody, Madge Bellamy, William Desmond, Albert J. Smith, Jess Willard, Jim Jeffries, Ringling Bros. and his owner and trainer, Lieut. Lee Duncan. Others appearing in the program will be Viola Yorba, dancers from the Pearl Keller studio, Keamoku Louis, Chief Walking Deer and his troupe of Hopi Indian singers and dancers from the Mission Play. The Elks band will play. Endorsements for the affair come from Mayor Spencer Robinson; T. Watson, commander of the local Legion post; Mrs. H. E. Bartlett, prominent member of the Tuesday Afternoon club; Col. John D. Fraser, chief of police; Earl S. Patterson, exalted ruler, Glendale Elks; Fred Huesman, grand knight of Glendale council, Knights of Columbus.

INCREASE FOR NAVY

WASHINGTON, Feb. 27.—The House has passed the \$56,000,000 deficiency appropriation bill, carrying \$30,000,000 for increase in the navy. A provision of the bill increasing the salary of the secretary to the president from \$7500 to \$10,000 was knocked out.

PICK MILTON TO WIN RACE SUNDAY

Former National Speedway Champion Expected To Cross Line First

The wise ones along gasoline row are picking Tommy Milton, twice winner of the Indianapolis race, former national speedway champion, and a topnotch driver, as the man who will cross the finish line first in the opening 250-mile race of the A. A. A. Sunday at Culver City. Milton, it has developed, was leading the field last Sunday at Culver City, when the speed merchants were flagged down by Starter Fred Wagner, after three cars had piled up.

The famous "27" car, driven last Sunday by Frank Elliott, and which hit the lower guard rail on the first turn about the same time Stuart Wilkinson and his Durant Special backed into the upper guard rail, will be back in the race next Sunday. It has been announced. The name of the driver for the white streak has not been made known. Doc Shattuck's mount, which also became affectionate with the lower guard rail, will be repaired in time to permit the Kentucky medico to get in a little practice before whirling around the boards with the other speed demons.

Bennett Hill, winner of the opening race at the speedway last December, and Harry Harz, a couple of nifty drivers, are expected to provide the greatest thrills next Sunday. These two drivers thrilled the spectators last Sunday with a sensational brush on the straightaway in front of the main grandstand, and both have vowed to battle for the lead in the next race.

Speedway officials have announced ticket stubs for last Sunday's race will be honored for admission Sunday at the Speedway. The race is scheduled to get under way at 2 o'clock.

RINGSIDE GOSSIP BY FAIR PLAY

Special Correspondent of The Glendale Evening News, Copyright, 1925
NEW YORK, Feb. 27.—George K. O. Chaney of Baltimore is one of those pathetic figures in the prize ring, a boy who can swing with deadly vigor and yet not take a sock himself. Evidently when Chaney steps into the ring it is a question whether he puts his man away or is stowed away himself.

In the meantime the 7½ percent which the lightweights are appearing in the New York tourney are getting is not making money for them to any extent. They could go up the state and fight bums and make about as much. Paddy Mullins' wails over the money O'Brien got are said to have resounded throughout a large area of the city. Mullins, by the way, tells of the time when they tried to ring Harry Wills into an elimination tourney, this one composed of colored heavy weights.

Wills was asked to enter and his manager promptly wired the enterprising promoter that Wills was the champion of the race and suggested that the tournament be held without Wills who would be happy to meet the winner.

The winner was Clem Johnson and Wills stowed him away in a round.

JOHN B. FOSTER'S VIEWS

Special Correspondent of The Glendale Evening News, Copyright, 1925.

CHICAGO, Feb. 27.—Stopping off between trains on the way to the Pacific coast where his annual tour of the training camps starts this year, the writer dropped in on Kenesaw Mountain Landis, high commissioner of baseball, and now is in a position to state that the season of 1925 is in full swing.

The commissioner is in a high state of excitement over what he predicts is going to be an even more exciting season than 1924. Who would have thought of the springy air and vowing that—despite the fact that he is just back from a vacation tour—he is going to grab a few more days and visit some of the training camps himself.

"I can think of no reason of which I am proud," said Commissioner Landis, "why the coming season of our national game should not be the most successful of any since I have been privileged to have a direct part in the councils of the sport.

"So you are going to visit the training camps—I wish I were going." (The early spring day had not yet fully got in its work at this point.)

"I like the training camps," this supposedly austere high commissioner went on wistfully, "I like them beyond measure. I like to hear the boys talk about what they are doing and what they expect to do, and I like to watch them and speculate a little myself on what the old fellows can do and what the younger ones—the boys who are getting their first taste of big league baseball life—may do.

"I am just fan enough to include my theories a little as to what each individual has in him. Who would deprive the baseball lover of this gentle amusement? I may get some of them wrong—probably do. But there are others who size them up wrong some times.

"There is an atmosphere about the training camps that is one of pleasant anticipation. All expectations are not realized, perhaps, and I venture to say there are managers who can do more quiet conversing with themselves when things fall to break right than an army mule driver can do when his team balks.

"We are going to see some great baseball. Both major leagues are fortified for it. We had splendid races in 1924, with a splendid climax. I am no prophet, nor son of a prophet, but if we don't have more exciting baseball in 1925 than we had even last year, then I will never be prophet nor son of one.

"I am not saying there will be better baseball than baseball is good. Some games are more exciting than others. This year we'll have plenty of the exciting games. How can it be otherwise when you look the field over and see what is in sight. And there are likely to be some surprises this year that will give all of us a chance to express our astonishment. What youngster may step to the fore and upset the plans of the men who think out the campaigns, and what player who has given promise for some time may suddenly spring out of the ruck and astonish the baseball world with his skill? Didn't Bucky Harris do it last year?

"The bright outlook is not confined to the major leagues either, by any means. There will be more baseball in the minors this season of the kind that stands the test of their toes and revolves itself by expressing its joy in shouts that can be heard in the next county, than baseball has heard since the boys have been playing it. That is true of all sections—south, far west, middle west and far northwest.

"They tell me that a big finish in baseball always means a big season the year after. Didn't we have the big finish last season? Aren't we booked for another this season? I'll say we are.

"I'm going to the training camps. You've got me all fired up. It's pretty near time for somebody to shout 'Play Ball!'

STATE CHAMPIONS WILL PLAY HERE

Glendale Caseys To Meet L. A. Team at Local Park Sunday

Baseball fans who are present at the local ball park on San Fernando road Sunday afternoon will be assured of seeing a snappy ball game when the Glendale Caseys, state champions, meet the Los Angeles K. C. council team in a scheduled league game. Los Angeles almost wrecked the hopes of the locals during the first half of the season, Glendale winning in the ninth inning, 2 to 1.

Intent upon putting a stop to the winning streak of the Glendale Caseys, the Los Angeles team is coming to Glendale Sunday determined to win, or go down fighting hard. They have reinforced their team with some high-class ballplayers, according to advance dope from the metropolitan camp, and will give the locals a hard struggle.

It will be Myers' last game with the state champions. The plucky catcher, whose work behind the plate has been a contributing factor in the nine straight victories the Caseys have piled up, will leave next week for the Texas training camp of the Casaba Western League club. Myers played last season in the Mink league with Muskogon but last week he was notified that he had been sold to the Omaha club. McDonald will pitch for Glendale, with the lineup unchanged. Manager Harry Manush announces.

BOXING NOTES

The Smokehouse crew, captained by Paul Leuthner, walloped the Palace Barber shop team in a Mercantile league match last night at the Recreation alleys. Barrick of the winners rolled 208 for high score, with Leuthner second at 207.

The Coast to Coast Army store team took two out of three games in the Mercantile league match played against the Glendale Bootery. Martin of the winners rolled high score of 233. The scores:

TO-NIGHT'S CARRIERS

A packed house will greet Ace Hudkins and Pat Mills, lightweights, when they start their ten-round main event tonight at the Hollywood American Legion stadium. The winner of tonight's battle will meet Joe Benjamin, who took the decision from Jack Silver last Monday at Oakland, to determine the coast's representative in the lightweight tournament now under way in New York.

Harvey Perkins and Ray Neuman meet in the semi-windup, six rounds. Eddie Diggins and Joe Trabon are billed for six rounds. Kid Blackie and Johnny Villaflores are down for four rounds, and Johnny Godinas and Harry Soo will open the show with four rounds.

LAWRENCE DERRY SAYS

Special Correspondent of The Glendale Evening News, Copyright, 1925.

NEW YORK, Feb. 27.—Pennsylvania football authorities are being to put into effect an innovation which will be watched with interest by everyone who is interested in the training and conditioning of gridiron players.

Football practice will begin on March 1 and will continue without interruption till the spring term ends in June. Then the squad will not reorganize until the University opens. This is in accordance with an agreement made with Yale when representatives of the two universities arranged their football date for 1925.

Just how the players will react to a long spring session of football practice remains to be seen. There is a theory in some quarters that more harm than good will come of the scheme, and from comments of more than one Pennsylvania player it is clear fear exists that they may be altogether fed up with the sport.

This may happen and if it does the bad effects may be evident in the football season which follows. On the other hand, it may be found that the players will be endowed with a poise and a proficiency that are almost professional.

In any event, the experiment is an interesting one and if it proves successful there may be a general revision of ideas concerning football practice throughout the country.

While Michigan alumni and athletic authorities are discussing the project of an enlarged stadium at Ferry field, or a new and commodious amphitheatre, somewhere else, it is a fact that nothing at all can be done in the face of the announced attitude of the board of regents of the university, which is dead against such a plan.

So evidently the first thing that will have to be done will be to get the regents, if possible, to reconsider their attitude. The strongest argument that can be brought to bear in this end will, of course, be the inadequacy of the present structure to seat all who wish to attend football games.

At the same time, it is pointed out that Ann Arbor is too small to take care of crowds of the size that are drawn to the present stadium. Yet there is the fact that the Michigan stands do not meet the demands of Michigan's constituency, let alone the general public.

It is rather a vexing problem, a problem that is not rendered easier by the inquiry of the Michigan alumni, the official graduates' organ of the university as to just "what is the constituency of a state university."

In the meantime, three plans are being discussed, viz: The enlargement of the present Ferry field by the addition perhaps of an upper tier. 2—The digging of a bowl on some other site. 3—The construction of a new stadium on some site away from Ferry field.

Wilson Wins Casaba Game With Pasadena

The Wilson Intermediate school, Pioneers defeated the Pasadena Presbyterian Pioneers, 23 to 10, in the second of a series of three basketball games. The contest was played at Pasadena. Sherman was high-point man, making seventeen points, including five free throws out of five attempts. The first game was won by Pasadena, 24 to 12, and the third and deciding game will be played next Friday night. The Wilson lineup was: Sherman and Davis, forwards; Forrester, center; Demmitt and Wilkins, guards; Regan, substitute.

Ace Hudkins May Meet Kaplan In Coast Ring

LOS ANGELES, Feb. 27.—Ace Hudkins, the sensational Nebraska lightweight, will probably box Kid Kaplan, featherweight champion of the world, here shortly. Hudkins claimed today he could make 133 pounds for Kaplan, and promoters were said to look with favor on the match. Pat Mills of England and Hudkins box ten rounds at Hollywood arena tonight.

TRACK SQUAD IN MEET AT CITRUS

Dynamiters Meet Lemons And Riverside Today; Oxy Frosh Tuesday

By ROSS M. RUSSELL, JR. Or The Evening News Staff.

Two important track meets are on the slate for the local high school team during the next few days. This afternoon at Citrus, the Lemons, Glendale, and Riverside are taking part in a triangular meet while the Dynamiters mix with the Oxy Frosh Tuesday at Occidental college.

With the help of the interclass track meet held at the school, Coach Hayhurst has been able to train and discover a host of material, which he hopes to mold into one of the best track teams that Glendale High has had.

The Occidental meet was called for last Friday but was postponed on account of rain. As the Freshies have a first rate team the locals expect to have plenty of competition.

First Meet
Today's meet is the first practice meet for the locals. Although little is known of Citrus, it is said that the Riverside boys boast of a mean bunch. Their miler was last year's state champion and at the present time holds the Southern California record.

Glendale officials show well in the weights, the discus, the 889, and the 440. Maydwell is Glendale's standby in the last two named, while Bradbury, Lundie, Squires and de Parq are good in the weights. Squires has sent the discus 115 feet several times. Purdy is expected to clean up a few points for Glendale in the dashes.

Psychologist To Open Free Lecture Course

Henriette Jodar, psychologist and psycho-analyst will give the first of a series of lectures in Glendale Sunday night, March 1, on "Practical Psychology." Mrs. Jodar's long experience as a teacher and her experience as a lecturer along with many years spent in the business world combined with a thorough understanding of the natural laws governing the lives of human beings have given her a rare opportunity to work out methods whereby those who follow her may attain true and complete self-knowledge and self-mastery. It is declared. She teaches her pupils to live so as to bring about a mastery over physical conditions of body and circumstances.

Mrs. Jodar has recently closed a lecture course in Pasadena which acclaimed her the most interesting and practical teacher of psychology that has visited Pasadena for years. The series in Glendale will consist of eight free lectures.

One explanation of the modern girl is that she learned how to handle a typewriter instead of a frying pan.

DELANEY WINS BY K. O. IN FOURTH

Another Riot Marks Battle In New York As Final Round Staged Twice

By DAVIS J. WALSH For International News Service.

NEW YORK, Feb. 27.—A riot a day keeps the customers gay. Authorized boxing in this state staged its third near-riot within a matter of four days last night, when Referee Taty Haley indicated his intention of disqualifying Jack Delaney of Bridgeport, Conn., in the fourth round for hitting Tiger Flowers, Atlanta colored gent, while the latter rested on one knee.

Irate fans rushed the ringside. A nightly pastime nowadays, and ugly threats were hurled at the official as he sidled along the ropes and took counsel with judges and boxing commissioners. Special police sprang into action and held the clamoring citizens at bay while those in the rear continued to push forward, charging over empty chairs and the more sedate customers.

Says Double Foul
A serious situation was averted when the referee came out of a conference to announce that a double foul had been committed, since Flowers had been guilty of the original breach of the code by dropping to his knees without being hit. He had seen Delaney coming and knew what a good decision of the church should do in the circumstances.

The round was ordered fought over again and this time Delaney slapped the deacon for the count with a right to the jaw after one minute and five seconds following the resumption of hostilities. It was a gala night for the reform element, which has viewed with due appreciation the spectacle of a fight crowd running amuck no less than three times during the current week.

BURBANK NEWS

BURBANK, Feb. 27.—Three sites for new school buildings have been purchased with the proceeds of the last bond issue for grade schools. It is announced by L. F. Collins, superintendent of city schools.

One of the new sites is in the Magnolia Park tract, where the school board has purchased from E. L. White twenty-two lots, or a little more than five acres. This lies between Magnolia boulevard and Clark street and one block north of Hollywood way. The price of \$500 a lot includes pavements and sidewalks.

Five acres between Ash and Valencia streets and Victory boulevard and Main street is the location of another school site to accommodate the children of the southeast section. This ground was bought from A. J. Schmidt for the sum of \$2600 per acre.

A third plot of ground lately acquired by the school board is one of a little more than five acres that lies on the south side of Ontario street, a short distance west of Burbank boulevard and a short distance north of Hollywood way. This was purchased by A. Dymond for \$2000 per acre.

The exact number of people living in Burbank, as shown by the final check on the census taken last week, is 11,509, announced F. S. Webster, city clerk and director of census. This figure will become the official population total, he states, and will stand until the federal census of 1930.

The first papers for the sale of Mayor J. C. Crawford's residence at the corner of Magnolia avenue and Hollywood way, have been signed, in the report, the transfer being to a Hollywood financier. Mr. and Mrs. C. H. Young and Mrs. C. M. Knox were among Burbank folk who enjoyed the Orange Show at San Bernardino on Sunday.

'GAS' PRODUCTION

WASHINGTON, Feb. 27.—The production of gasoline in the United States in 1924 totaled 8,558,220 gallons, the largest annual output in history, the interior department announced today. The total exceeded by 1,403,735,077 the previous high record, set in 1923.

BETTER BUILT HOMES - Not Merely Houses

The first plan in our book of designs

Style 495 shown here was accorded the honor of occupying first place in our 160-page book of choice California homes. It is one of the finest designs we have ever seen and has been favorably commented upon by scores of leading architects throughout the country. It has traits of modified Colonial architecture, and is ideally planned. It contains a 14x20 living room with hearth, the front door opening into a little entry nook. The plan also contains a dining room with buffet, two bedrooms, a kitchen and breakfast nook with built-in features and rear screen porch, bath and hall with linen and storage closets. 125 other plans are also shown in the book which sells for 50c. AT LA CRESCENTA

LA CRESCENTA, Feb. 27.—Plans for the new club home of the La Crescenta Valley Women's club were presented at the meeting yesterday afternoon by Mrs. Harvey Bissell, chairman of the building committee. The first unit, according to the plans, will be thirty by seventy feet for the main floor, with two wings one nine by twelve feet and the other twenty-one by twenty-one. At the upper end, on the west side of the main floor, will be dressing and check rooms. A fireplace will occupy the north end of the large room. The plans were unanimously adopted. Bids will be received soon.

There will be a cooked food sale on Saturday, March 7, in the Sam Seelig store, at the corner of Michigan and Los Angeles avenues, the proceeds to go toward the building fund.

Mrs. Charles Turk, president, and Mrs. Howard Reynolds will go as delegates to the federation meetings in Santa Barbara on April 15. Mrs. Haskins was chosen as alternate for the president. Better Speech week and Better Homes week will be observed next week.

A vote of thanks was extended Mrs. H. Bissell for her work as chairman of the building committee, and to other members of the board. At the conclusion of the business meeting tea was served by the hostesses, Mesdames E. B. Newton, A. W. Brown, Thomas, and Harvey Bissell.

The last meeting of the month of the Parent-Teacher association reading circle was celebrated with a luncheon. Women of Highway Highlands were hostesses. Meeting at 10 o'clock, the members of the physical culture class were instructed in exercises by Mrs. G. Hansen. At 11 o'clock the reading circle was called to order by Mrs. Vernon Hall. Minutes of the previous meeting were read. McKeever's "Training of the Boy and Girl" was read. Luncheon, with tables decorated in red, white and blue flowers and flags, was served. Place cards, with appropriate verses by Mrs. A. E. Hopkins, were at each cover. Mrs. W. C. Angler, president of the Parent-Teacher association, offered a toast to Mrs. R. Q. MacDonald, hostess of the month, for the splendid work she has done during her term. At 2 o'clock adjournment was made, as the members could attend the regular meeting of the Women's club of La Crescenta valley. Mrs. Virna Harmon Walker will be hostess at the next meeting, at her home on East Prospect avenue.

Mrs. A. B. Cochran and her house guest, Mrs. G. G. Sands of Venice, attended the Orange show at San Bernardino.

Members of the Guild of St. Luke's Episcopal church met yesterday afternoon with Canon Renison to discuss the Lenten program. Sixteen members were present. Each week Canon Renison will be here on Wednesday (with the exceptions of the weeks the club meets), to give instructions in Lenten subjects; also to instruct the children who are to be confirmed by the bishop next month.

Mr. and Mrs. Ward Van Dusen motored to Laguna for a stay at their summer home.

The Women's club of La Crescenta valley will give another of their popular monthly dances Saturday night, at the school-house.

As the fishing season flashes by, we wait with evergrowing impatience for a strike vote of paragraphers.

FROM EAGLE ROCK

EAGLE ROCK, Feb. 27.—The Professional and Business Women's club met last night at the home of Mrs. Mary Fiske of Caspar avenue, where a dinner was served. Later the members adjourned to the Congregational church and enjoyed a program.

Mrs. Carl Bruce Wood entertained recently at her home 5252 North Townsend avenue with a shower in honor of Miss Thelma Gray, who is to marry James Bloom. The house was decorated in honor of the occasion. The gifts were presented in a unique fashion on the tea wagon, which was made to represent a huge red heart. Cards were played in the afternoon, Mrs. Claude Prescott winning the prize.

Those present beside the hostess and guest of honor were Misses Evangeline Bloom, Katharine Phinney, Barbar Neff, Laura Merriman, Margaret Dunn, Lois Jean Wiggins and the Mesdames Clifford Hill, Jerry Wilson, Claude Prescott, Sumner Bryant, Irwin Davis, John H. Goss and V. Gray.

A number of new volumes of high class fiction have recently been added to the Eagle Rock branch of the Los Angeles Public Library, announces Mrs. Blanche A. Gardiner, librarian. Following is a partial list:

Sedgwick, "Little French Girl." Galsworthy, "White Monkey." Kyne, "Enchanted Hill." Ferber, "So Big." Lincoln, "Rugged Water." Curwood, "Gentlemen of Courage." Forster, "Passage to India." Bailey, "Peacock

Federal Reserve Bank Lifts Rediscount Rate

WASHINGTON, Feb. 27.—The Federal Reserve board authorized the Federal Reserve bank of New York to increase its re-discount rate from 3 to 3 1/2 per cent on all classes of paper of all maturities. Officials anticipate that other reserve banks throughout the country will follow the New York bank in increasing the rate.

Feathers." Waller, "Deep in the Hearts of Men." Locke, "Coming of Amos." Miln, "In a Shantung Garden." Richmond, "Red of the Redfields." Dell, "Unknown Quantity." Johnston, "Slave Ship." Ertz, "Nina." Wilson, "Professor, How Could You?" Walpole, "Old Ladies." Oppenheim, "Passionate Quest." McCutcheon, "East of the Setting Sun." Cross, "Golden Cocoon."

There will be an open forum meeting on Tuesday, March 10, at 8 o'clock, at the Eagle Rock school auditorium, Chickasaw avenue. Various community problems will be discussed and there will be a showing of the film, "The Giant of the Hills," by the Bureau of Power and Light.

The automobile booster plates have been delivered in Eagle Rock and will be sold at thirty-five cents a pair. They may be had at the Pearl Motor company, the Eagle Rock Tire shop and the McLean Motor Sales company. Mr. and Mrs. P. B. Rhodes of San Diego, groom and bride, were honor guests recently when Mr. and Mrs. R. L. Hammers of Colorado boulevard entertained for them.

Twin Barons Visitors Here From Holland

(Continued from page 3)

leisurely around the world, and in their journeys have encountered a number of persons who have told them about "the fastest growing city in America." While in Fresno, recently, they heard John Brown speak, and several days ago Evangelist Brown invited them to come to Glendale. They will be here several days, the barons announced.

The Quarles Van Ufford family name originated in Scotland, where the town of Van Ufford was named after their ancestors, but in 1600 the family moved to Holland, the barons said. The family estate and castle are located at Ginneken, near Freda.

Secretary to Prince Their brother, O. J. Quarles Van Ufford, is secretary to Prince Henry of Holland, and their cousin, Baron Y. Quarles Van Ufford, is governor of Zeeland, an island province of Holland. The twins are alike as two peas, and, after touring about the United States, will leave for Alaska as soon as the northern passages are open, they said.

The brothers are touring the country in their Buick sedan, which they say is one of the few popular cars in their native country. Some interesting facts concerning the automobile industry in Holland were given by one of the brothers.

"Only the real rich in Holland can afford automobiles," he said, "because every owner of a car must employ a chauffeur. This is necessary because, when a person leaves his car standing at the curb, if the chauffeur is not sitting on the front seat, the car would be filled with curious people in a few minutes. Then, the cost is very high. The Ford car in Holland, costs nearly \$1000, and other cars are much higher. Holland has no parking laws, on account of the narrow streets."

Children Are Barred There are no holdups on the streets of Holland towns and cities, one of the brothers said, due to a law which prohibits children under 15 years of age from attending motion-picture

REALTOR WINDOW DISPLAY SUCCESS

Miniature Stone Rancho At Twining & Myers Gets Much Attention

The miniature of a stone rancho in the window of Twining & Myers, realtors, 108 West Broadway, is attracting unusual attention. The work is by George Harris of Tunjunga, exponent of natural landscape and "the glorified shack." It is built to scale, according to W. L. Twining.

The model represents a little home in the Verdugo foothills and shows in minute detail the possibilities offered in a blend of artistic architecture and landscaping. Mr. Harris is known throughout America for his work and is the builder of the Little Landers club-house and many other novel structures.

"This miniature rancho in our window has brought scores of inquiries as to sites where such homes may be built," says Mr. Twining, "and many have wanted to know more about this original genius, George Harris, who paints beautiful pictures with cobblestones and wood. From a humble fisherman's cabin by the sea to a great, rambling mountain lodge, he is supreme in this line of work. Newspapers and magazines have printed many pictures of his architectural and landscaping creations in the past five years."

theatres. Children can attend the operas, concerts and dramas, but all theatres bar them if they are not 13 years old, he said. This law was passed by the rulers, he said, to keep the children from becoming familiar with holdup methods and other criminal acts. Prohibition will never become effective in Holland, they said. The brothers like the United States and the American people, and are planning on locating somewhere in California, they said, probably starting in business near Sacramento. They are stopping at the Brand hotel.

Days of Gold to Be Featured in Glendale

(Continued from page 3)

these are to be given away to lucky number holders during the nights of the party.

Everything is in readiness for the opening of the show tonight, when thousands of Glendallians and residents of the upper valley are expected to attend, R. E. Johnston, toparch of Glendale pyramid Ancient Egyptian Order of Sciois, announced. A large corps of Sciois officials will have charge of the fun and merrymaking and promise a "hilarious time." The show will proceed tonight, tomorrow afternoon and night, and possibly Monday and Tuesday, it was stated.

Large Dance Floor The tent under which the "49" celebration is to take place is the largest canvas spread ever seen in Glendale. Powerful electric lights set from the top of the tent will give daylight illumination at all hours. The largest dancing floor in Southern California has been built, and a special Sciois orchestra will furnish the music for dancing.

Old-fashioned bars draped in the shade that is the absence of all color since the advent of Mr. Volsted to the Hall of Fame, will be seen once more. Amusement booths will line the entire length of the tent on either side.

Each admission to the tent will be accompanied by one million dollars of Sciois money, good at any of the "gambling" concessions. A special attraction will be Eddie Gamble, nationally-known clown and funmaker, who will entertain the huge crowd during the night. An attendant will be provided to care for the younger children while their parents are taking in the more strenuous part of the night's toparch Johnston announced.

SEATS TO SHRINE COUNCIL ON SALE

Glendale Members Urged To Arrange Now For Big Gathering In June

Glendale Shriners who desire seats in the Stadium in Los Angeles during the fifty-first annual session of the Imperial Council, Mystic Shrine, to be held the first week in June, should make reservations now, according to an announcement today by Dr. F. R. Gartley, secretary of the Glendale Shrine club. Application for tickets to the stadium should be made to Dr. Gartley, located at Room 205 Security building, either by telephone or in person, not later than tomorrow.

All parades, drills, songs and displays during the Imperial Council session will take place at the stadium, where there are seats for 80,000 persons, Dr. Gartley said. More than 250,000 are expected to attend the event. The Glendale Shrine club will secure tickets for all Shriners, whether members of the local club or not, Dr. Gartley stated.

LEGION NOTES

Commander A. E. Baron and a delegation from Verdugo Hills Post No. 288, at Montrose, will visit Benjamin J. Bowie Post No. 228, Los Angeles, on Monday night. The delegates will assemble at the Montrose drug store and leave at 7:15 o'clock Monday night in automobiles.

The next regular meeting of the Verdugo Hills post will be held Wednesday night at the Sparr Heights Community building. Adjutant J. Benton Wirt, chairman of the annual mess call, will outline plans for the event to be held March 25 at the La Crescenta schoolhouse. Past National Commander John R. Quinn will be the principal speaker at the annual mess call, and department, county and district Legion officers will be present.

Tomorrow afternoon and Sunday morning the members of the post and their friends will assemble at the Legion lot near the corner of Fairway and Rosemont avenues, to prepare the ground for the new Legion building. A. N. Vilmur is chairman of the building committee and will be in charge of the clearing work.

Soaring Hog Market Hits Season's Top

CHICAGO, Feb. 27.—The soaring hog market here hit a new season's top at \$12.35 today on active buying which a fresh supply of 29,000 failed to check. Today's advance was 10 to 15 cents above yesterday's close.

KANSAS CITY, Mo., Feb. 27.—Hogs hit \$12.25 on the Kansas City market, a new record since 1920.

FINANCIAL EDITOR OPTIMISTS' GUEST

Charles G. Haskell Advises Glendale Cooperation With Los Angeles

Charles G. Haskell, financial editor of the Los Angeles Examiner, nationally-known newspaper man, told Glendale Optimists at their meeting today that the city of Glendale will do well to tie up very closely to Los Angeles and that financial expenditures being made in the metropolis of the Southwest will indirectly benefit Glendale only to the extent that Glendale co-operates and works with the larger city.

The speaker praised the idea of a three-day Spanish Fiesta and carnival to be staged in Glendale. He said he was sure with proper planning, it could be carried to a tremendously successful conclusion.

Mr. Haskell charmed his hearers with stories of international known personages whom he had known in his years of experience in the newspaper business.

Fiesta Plans Told William L. Twining and Lon J. Haddock addressed the Optimists and told of plans for the fiesta. The club voted to endorse the fiesta idea.

Dr. H. R. Boyer, president of the club, announced that election of new officers will take place at the meeting next Friday. He also urged that as many as possible can attend the national convention of Optimist clubs at Dallas, June 4, 5 and 6.

Glenn R. Dolberg, accompanied by Jim Hunter, entertained with a number of song numbers at the meeting, which took place at the Masonic temple at Montrose.

By unanimous vote, Optimist A. H. Voelker was made "poet laureate" of the local club.

NEW YORK CLOSING

By W. S. COUSINS
For International News Service
NEW YORK, Feb. 27.—Industrial stocks were under selling pressure today and price trend was generally lower. In this respect the market was in contrast with the grain, cotton, foreign exchange and commodities markets, which showed a disposition to continue the rallies in progress the last two days.

Some disappointment was expressed that the oil stocks and other industries, which have been comparatively quiet of late, failed to carry the forward movement in prices, and thus allow the rails, motors and equipments a breathing spell. Bulls in the latter group were not disposed to sell their stocks at any great concessions from previous high prices, and the market relapsed into dullness, rather than weakness, shortly after the noon period.

Prior to that time, however, a number of new high-price records for the current year had been established, of which Savage Arms, above 107, was the most conspicuous. Remington Typewriter, Certainated Products and International Combustion Engineering were active at higher prices.

A number of the new-priced motors, including Packard, Jordan and Gardner, were whipped up to higher price levels on rumors that negotiations were pending for the merger of some of these companies with each other and with accessories companies like Briggs Manufacturing. The president of the Packard company denied the reports, but interest in these stocks was well maintained, while high-priced motor shares, like General Motors and Mack Trucks, were under pressure.

Call money opened at 4 1/4 per cent, but was marked up to 4 1/2 per cent around midday. Loans made today hold over the weekend and the month, and this accounted as much for the firmness in call money as hardening of time money. Sterling and franc exchanges improved as the day advanced, the former helped by rumors of an impending advance in London discount rates.

Western Pacific, Frisco common and a few of the low-priced railroad shares sold in good volume at an advance of one point in the late trading. St. Paul yielded nearly two points on profit-taking and Atchafalaya, New York Central and other high-priced rails showed most of their strength in the first two hours. Shipping stocks were unable to keep up their rally, and, outside of tobacco products, the tobacco shares were irregular.

Sales today, 1,360,900 shares; bonds, \$12,738,000.

CLAY PIPE WORK TOLD KIWANIS

Charles Murphy of Tropico Potteries Gives Talk At Meeting Today

The method of making sewer pipe, the use of clay and the laying of the Glendale and Los Angeles sewers were explained by Charles Murphy of the Tropico Potteries, in an illustrated talk delivered at the meeting of the Glendale Kiwanis club, held today noon at the Tuesday Afternoon clubhouse. Motion pictures showing ancient clay pipes, mining the clay, machinery at the Tropico plant, and the process of laying sewer pipe, were shown in connection with the address.

Clay pipe was first made in California over 200 years ago, Mr. Murphy said. The founders of missions in this state taught the Indians how to model clay and use it for various purposes, and water was brought to the missions for miles in clay pipes, he said. Clay tablets thousands of years old have been found, while clay pipe used in the time of Babylon is in perfect condition today, he said.

President Frank L. Fox presided at the meeting and announced the meeting next week would be given over to business, being the first meeting of the month.

Tell Fiesta Plans Plans for a three-day Spanish fiesta to be held in September, were outlined by Lon Haddock. He said it was planned to have the fiesta open the day before Admission Day and last until the day of Admission Day, when the seventy-fifth anniversary of the state will be celebrated. The club will send representatives to the meeting Tuesday night when the fiesta committee will be organized. The speaker was introduced by W. L. Twining.

Secretary Burton McGinnis read a telegram from St. Paul relative to the ninth annual convention June 22 to 25. An ice palace will be constructed, according to the telegram, and water sports will prevail in midsummer. A. L. Baird told of the attendance contest to start March 2 and last until May 19.

A special train will be run from this zone to St. Paul in June. Charles Cobb, of Pasadena, said. Mr. Cobb will have charge of the train, which will make a stop at Grand Canyon and Kansas City. Mr. Cobb has been in charge of convention trains for a number of years.

The Glee club, composed of Allan Fairchild, George Lyons, Elwood Ingledue, Mayor Robinson, Ole Andresen, E. P. Hayward, Park Arnold, W. A. Fern and John D. Fraser, sang several numbers. William Bode directed the singing with Mrs. George Lyons at the piano. The attendance prize, donated by Charles Stuart, was won by Fred Deal.

'Bill' Bode Honored Cigars were passed commemorating the arrival of a daughter, born to Mr. and Mrs. William Bode this morning, February 27, 1925. Several "appropriate" attendance prizes were awarded Mr. Bode.

Visiting Kiwanians present today were: Fred Maynard, Lankershim; D. R. Edwards, Huntington Park; Chester A. Parker, South Pasadena; Charles Cobb, Pasadena, and Edward Lynch, Los Angeles. Herbert Parker outlined plans for an attendance contest to be staged by the club, starting next week. Majors for the two teams and full details will be named in the letter next week, he said. Bert P. Woodard spoke on the fight to secure lower rates on the Pacific Electric between Los Angeles and Glendale. Action was deferred until next week.

FIESTA PLANS TO COME UP AT MEET

Representatives of All Civic Bodies Call Meeting For Tuesday

Representatives of all service clubs, Glendale Chamber of Commerce, the Realty board and others will meet Tuesday night to crystallize plans for Glendale's first great three-day historical fiesta and pageant, to be held during September. Presidents of all civic organizations and one member from each board of directors will be included in the gathering, which will take place at the offices of Twining & Myers, realtors, at 108 West Colorado street. Appointment of a large staff of committee chairmen, into whose hands will be placed the task of organizing the fiesta celebration, will be made at the meeting, and a general chairman elected. It is planned to include in the working organization behind the fiesta representatives of every club and society in Glendale so that city-wide effort will be exerted in making the affair a success. The meeting will commence promptly at 7:30 o'clock.

LEAVES FOR CAMP

PORTLAND, Ore., Feb. 27.—Business Manager Roy Mack of the Portland Beavers left here today to join Manager Duffy Lewis in San Francisco preparatory to the opening of training camp at San Jose Sunday. Pitchers and catchers will report Sunday, the rest of the squad to report March 6. Jim Poole, first baseman, and Johnny Jones, shortstop, are still on the holdout list. Ray Rohwer, slugging outfielder, has signed his contract. Outfielder Jones has been sent to Augusta, Ga., on option.

OREGON VICTORS

SUNLAND NOTES

SUNLAND, Feb. 27.—Street lights and a Chamber of Commerce building for Sunland are two subjects occupying the attention of the Valley Center Improvement League. A committee has been appointed to make recommendations for locating new street lights. The league favors immediate construction of a building to house the Chamber of Commerce. Several sites have been offered, but the majority seem to favor the first offer of a lot in Sunland Park, a new tract on the market, located near the business district.

A committee has been appointed by the Chamber of Commerce to assist other valley organizations in solving the flood control problem. Secretary John Abernathy reported a balance of eighty dollars in the treasury at the last meeting.

The recent celebration of the birthday anniversary of the Parent-Teacher association was well attended. A program was given, afternoon and evening, which was made up of clever tableaux and musical numbers by the school pupils dressed in Washington and Lincoln costumes. A supper was served in the evening and a birthday cake sold for the benefit of the national Parent-Teacher association fund. In the evening musical selections by the Lewis Sisters trio were given in addition to the pupils' program.

The Monte Vista Woman's club has voted to join the Federation of Women's clubs. Mrs. J. F. A birthday celebration in honor of Abraham Lincoln was held at the Home for the Aged, Volunteers of America. Readings and reminiscences by tenants of the home who were living during Lincoln's time furnished entertainment.

Pass-Key Burglars In \$11 Raid In Glendale

Burglars last night entered the home of F. W. Corey of 110 East Chestnut street, using a pass-key, and stole \$11 in cash. It was reported to Glendale police headquarters today. A pocketbook containing \$25 was stolen yesterday afternoon from a car belonging to Mrs. W. B. Leavens of 325 1/2 North Howard street, while it was parked on Hawthorne street. D. M. Forsyth of 135 North Maryland avenue reported theft of a .38-caliber revolver and cartridge belt from his trunk at that address.

PETITIONERS ASK TRUCK ROAD BUILT

L. A. City Council Urged To Develop Link From Flower to Los Feliz

A 100 per cent petition for development of the proposed River Truck highway was filed yesterday with the Los Angeles City Council, according to Chairman T. W. Watson of the Glendale City Planning commission. The petitioning property owners ask that the council have deeds prepared and surveys made without delay for this new thoroughfare. The River Truck boulevard will parallel the east side of the Los Angeles river, running from Flower street on the north to Los Feliz road on the south. Riverside drive, on the west side of the river, will parallel the River Truck highway, Mr. Watson said.

Aircraft Is Key To Next War Rear-Admiral Says

(Continued from page 1)

ger lies in the planes that can be brought over by an enemy fleet. "In event of a war with Japan, the United States would be fortunate if half of our battleships got back to San Francisco. By control of the air, a Japanese fleet could drive away an American fleet, Sims declared.

"If Japan with twelve airplane carriers and other auxiliary craft, but no battleships, should attack Hawaii, 'Japan would have an advantage over our battle fleet and our one airplane carrier, Langley,' Sims said. He predicted the Japanese could bomb down the Hawaiian defense, destroy the defending aircraft and escape without being seen by the army forces on the island.

Sims opposed a unified air service. "The air force operating with the navy should be manned by competent naval officers, who have lived their lives in the navy," said Sims. Sims placed great emphasis upon submarines. "No fleet can exist in the face of submarines unless it is running at full speed and is zig-zagging."

"The nation that commands the air over a land or a sea force will bring either to submission, I think the navy, therefore, should build light airplane carriers, instead of cruisers," he said. Sims assailed "conservatism" in Congress. "It is a curious thing," he said, "but you can't change the minds of the navy conservatives. You have to shed their blood before they change, or they'll hang on until some disaster comes along."

"With an adequate air and submarine force, no nation will both. Unification of the air force in England has destroyed its effectiveness, he said.

Widening of Wilson Is Now Being Considered

(Continued from page 1)

local business street carrying through traffic should be not less than 100 feet wide, with a seventy-two foot roadway from curb to curb.

Eighty Feet Wide

In view of these declarations of Mr. Bartholomew, Chairman Watson of the City Planning commission told members of the Wilson Avenue Improvement association this morning that he is convinced Wilson avenue should be widened to eighty feet to west city limits, with a uniform roadway of fifty-six feet.

"Ultimately Wilson avenue will become commercial its entire length," he said. "At present it is zoned commercial between Glendale and Central avenues. The only effective way to prevent further building on that portion of the street which must be dedicated for widening is to immediately institute condemnation proceedings. "Such a move would involve no immediate expenditure on the part of Wilson avenue property owners," he went on to say, "yet would insure the ultimate widening of this street. In future it is going to be the policy of the City Planning commission to deny setback lines nearer than forty feet from the center of any street, as we are looking ahead to the time when every street in Glendale will be at least eighty feet wide."

Wilson avenue at the present time varies in width from thirty-six to forty feet, from curb to curb. It was pointed out, constituting a thoroughfare so narrow as not only to retard traffic but to endanger the lives of motorists and pedestrians.

The Wilson Avenue Improvement association intends to correct this situation without delay and, in the words of President Woodard, "bring this important east and west thoroughfare into its own, as one of the finest business and apartment house streets in Glendale."

TUJUNGA NOTES

TUJUNGA, Feb. 27.—Informal discussion of plans for the best way in which to insure perfect drainage of flood waters from Haines canyon was recently indulged in by leading Tujunga citizens after they had inspected the canyon sites where \$1,000,000 flood control improvements will be made by the county. Cement sluiceways and pile-lined canals were suggested to carry off the storm waters from the canyon to the Big Tujunga wash. This inspection and discussion was at the request of the Tujunga Chamber of Commerce in anticipation of a request from the county flood control officials for recommendations of plans. Surveyors have been at work in the Tujunga section getting data for a federal topographical map.

Mrs. Leon Harvey was given a "welcome home" party, on her return from New York, by Mr. and Mrs. A. J. Scribner. Radio music, games and refreshments were enjoyed. Among the guests were: Mr. and Mrs. Charles H. Keller; Mr. and Mrs. M. E. Hill; Ned Hill, Mr. and Mrs. M. T. Gilmer, Mr. and Mrs. A. C. Stover, Mr. and Mrs. Carroll W. Parcher, Mr. and Mrs. W. H. Scribner, Mrs. William Gale, Billy Swizer, Miss Margaret Clark, Mrs. Van Essen.

Miss Helen Byrnes, national organizer of J. O. C. classes, was a recent speaker at the Tujunga Methodist Community church. The J. O. C. class held a business meeting and banquet, February 17.

An employment office has been opened by the Haines Canyon Water company in their offices on Sunset boulevard. The service will be maintained without charge. Miss Osgood will be in charge of the employment department.

A. Terrill Will Talk At Church Dinner Mar. 11

Arthur Terrill, teacher at the California Institute of Technology of Pasadena and formerly a teacher of mining engineering in China, will be speaker at the monthly church night dinner of the Congregational church to be held on March 11.

Rev. H. H. Moon Gives First Sermon Sunday

Rev. H. H. Moon, recently appointed pastor of the Gospel Tabernacle church, Louise and East Chestnut streets, will deliver his first sermon Sunday morning at 11 o'clock. The Lord's supper will also be observed at that hour.

Another reason why there was less sex interest in the old days was because people stayed at home once in a while.

SENATE TO HEAR PRIVATE SCHOOLS

Public Hearing At Capitol Monday When Murphy Bill Comes Up

SACRAMENTO, Feb. 27.—Trade schools, commercial colleges and other private institutions will be given a public hearing before the Senate education committee on Thursday night, March 12, when Senator Daniel Murphy's bill regulating such schools will be considered. The hearing was granted at the request of Labor Commissioner Walter Mathewson. The education committee has approved Senator Herbert Slater's bill that would place in the custody of school boards the student body funds amounting to many thousands of dollars in some instances.

Jones Bill Deferred
The Jones bill that would permit school boards to levy all of the dollar tax rate for maintenance, instead of 30 cents now allowed and 70 cents for building purposes, has been deferred for further consideration.

Attorney-General Webb's ruling on the wording of the budget thought unconstitutional by Controller Ray Riley, is expected by the assembly ways and means committee by tonight. A special committee on revenues and expenditures is digging up facts on state loans, to also report to the assembly body.

Senator H. C. Jones of the Senate judiciary committee has announced an open hearing the night of March 3 on the Murphy-Harris bill providing for a jury trial in contempt cases, said to be muchly desired legislation.

Scalding Chickens
In the Assembly William Jost has introduced a bill which would prevent the scalding of chickens offered for sale by markets, it being alleged that the hot water removes signs of tuberculosis and other diseases against which pure food laws are directed.

The special investigating committee looking into the alleged Chinese herb bill extortion plot will not hold star chamber sessions, despite the desire of George Cleveland's motion to that effect. Sidney Graves, Los Angeles lawyer and chairman of the committee, does not believe there will be any reflection on the Legislature by making the hearings public. They start next Monday afternoon.

Self-Respect Is Urged In Sermon By Brown

(Continued from page 3)

will always come to the surface, so while you are young make a determination that will shape your destiny. Pray God to give us men and women who can hold their heads above the clouds." Tells About Daniel
Mr. Brown based his sermon on the sixth chapter of the book of Daniel, devoting the greater part of his discourse to the story of the prophet's captivity when Jerusalem was ransacked by the army of King Nebuchadnezzar, and his refusal to eat the meat

and wine offered by the king. The meat and wine were against the law of Daniel's people; they were temptations which he was strong enough to overcome, even in the den of vicious lions.

"Daniel had religion in his heart rather than in his head," the preacher said. "I like to see men and women get religion in their hearts."
The evangelist then launched into a plea for a truer Christian spirit among the young people, not only in the home, but at all times, no matter where they are. "Keep the window up and your faces toward Jerusalem," implored Mr. Brown in closing. This morning at 10 o'clock Mr. Brown preached his final sermon on "The Spirit-Filled Life."
