FLAMM'S

STREET DIRECTORY OF BALTIMORE.

By the decimal system of numbering houses one hundred numbers are allotted to each square, commencing at **Charles Street** running **East and West**, and at **Baltimore Street** running **North and South**.

In all cases where there are vacant squares or lots between buildings or streets the regular numbers have been assigned them.

Postage Rates and Regulations.

Rates of Postage — First-Class—Letters and all other written matter, or matter by typewriter, in whole or in part, whether sealed or unsealed, and all matter sealed, nailed, sewed, screwed, tied or fastened in such manner that it cannot be easily examined, two cents per ounce or fraction thereof. Postal cards are unmailable with any writing, printing or other impress on the **address side**, except such as may be necessary for the proper addressing of the same, or with anything pasted or attached to them except an address tag or label.

Local or Drop Letters, two cents per ounce or fraction thereof.

Second-Class—Includes all newspapers, periodicals, etc., exclusively in print and regularly issued at stated periods, as frequently as four times a year, from a known office of publication and can only be mailed by publishers and newsdealers—postage, one cent per pound or fraction thereof. Papers except weeklies, deposited in a letter-carrier office for delivery by its carriers, must bear a one-cent stamp. (Periodicals weighing more than two ounces must bear two-cent stamps.) Second-class Matter may

be mailed by other than publishers or newsdealers at the rate of one cent for four ounces or fraction thereof.

Third-Class—Printed matter in unsealed wrappers only (all matter enclosed in sealed envelopes, notched at the sides or corners must pay letter rates.) Limit of weight four pounds, except for single book, which is unlimited in weight. Postage one cent for two ounces or fraction thereof.

Fourth-Class—All merchandise, playing-cards, billheads, envelopes, etc., etc., and all other matter not included in three preceding classes so prepared for mailing as to be easily withdrawn from the wrapper and examined. Limit of weight four pounds. Postage one cent per ounce or fraction thereof. Seeds, cuttings and bulbs have a special rate of one cent for each two ounces or fraction thereof.

First-Class Matter must have at least one full rate paid (two cents). Second, Third and Fourth-Class must be fully prepaid, or it will not be forwarded in the mails.

Any article not prohibited in ordinary mail can be registered by placing on it an eight (8) cent stamp in addition to its proper postage.

Before registering see that the letter, with its contents, is securely sealed. Address it fully and legibly with Post-

office, County and State, and write on envelope the name and address of the **sender** also.

Third and Fourth-Class Matter must be put up to bear transportation safely and admit of examination of contents to determine its admissibility as such matter.

Unmailable—Obscene books, letters, papers, pictures and postal cards, lottery circulars, liquids (except when enclosed in Water Tight Cases not less than 3-16 an inch in thickness), explosives, razors (except when enclosed in metallic cases), live animals (except Queen Bees and their attendant bees), poisons, ground red pepper, ink and coloring matter, and any article exhaling a bad odor or liable to injure the mails or the persons handling them.

Money Orders—Domestic, 1 cent to \$100, fee from 3 to 30 cents. International, one cent to \$100, fee from 10 cents to \$1.00.

Special Delivery—A letter bearing a **special delivery stamp** (costing ten cents), **in addition to the lawful postage** (which must also be affixed), will be delivered by messenger within the carriers' limits of any free delivery offices, and within a radius of one mile from the Postoffice at all other **offices**.
