Red square seal impression in seal script (Zhuanshu). The characters are arranged in two columns, reading from right to left: 河漢之流 (He Han zhi liu), which translates to "The flow of the He and Han rivers." This is a common seal used by collectors or publishers of classical Chinese texts.

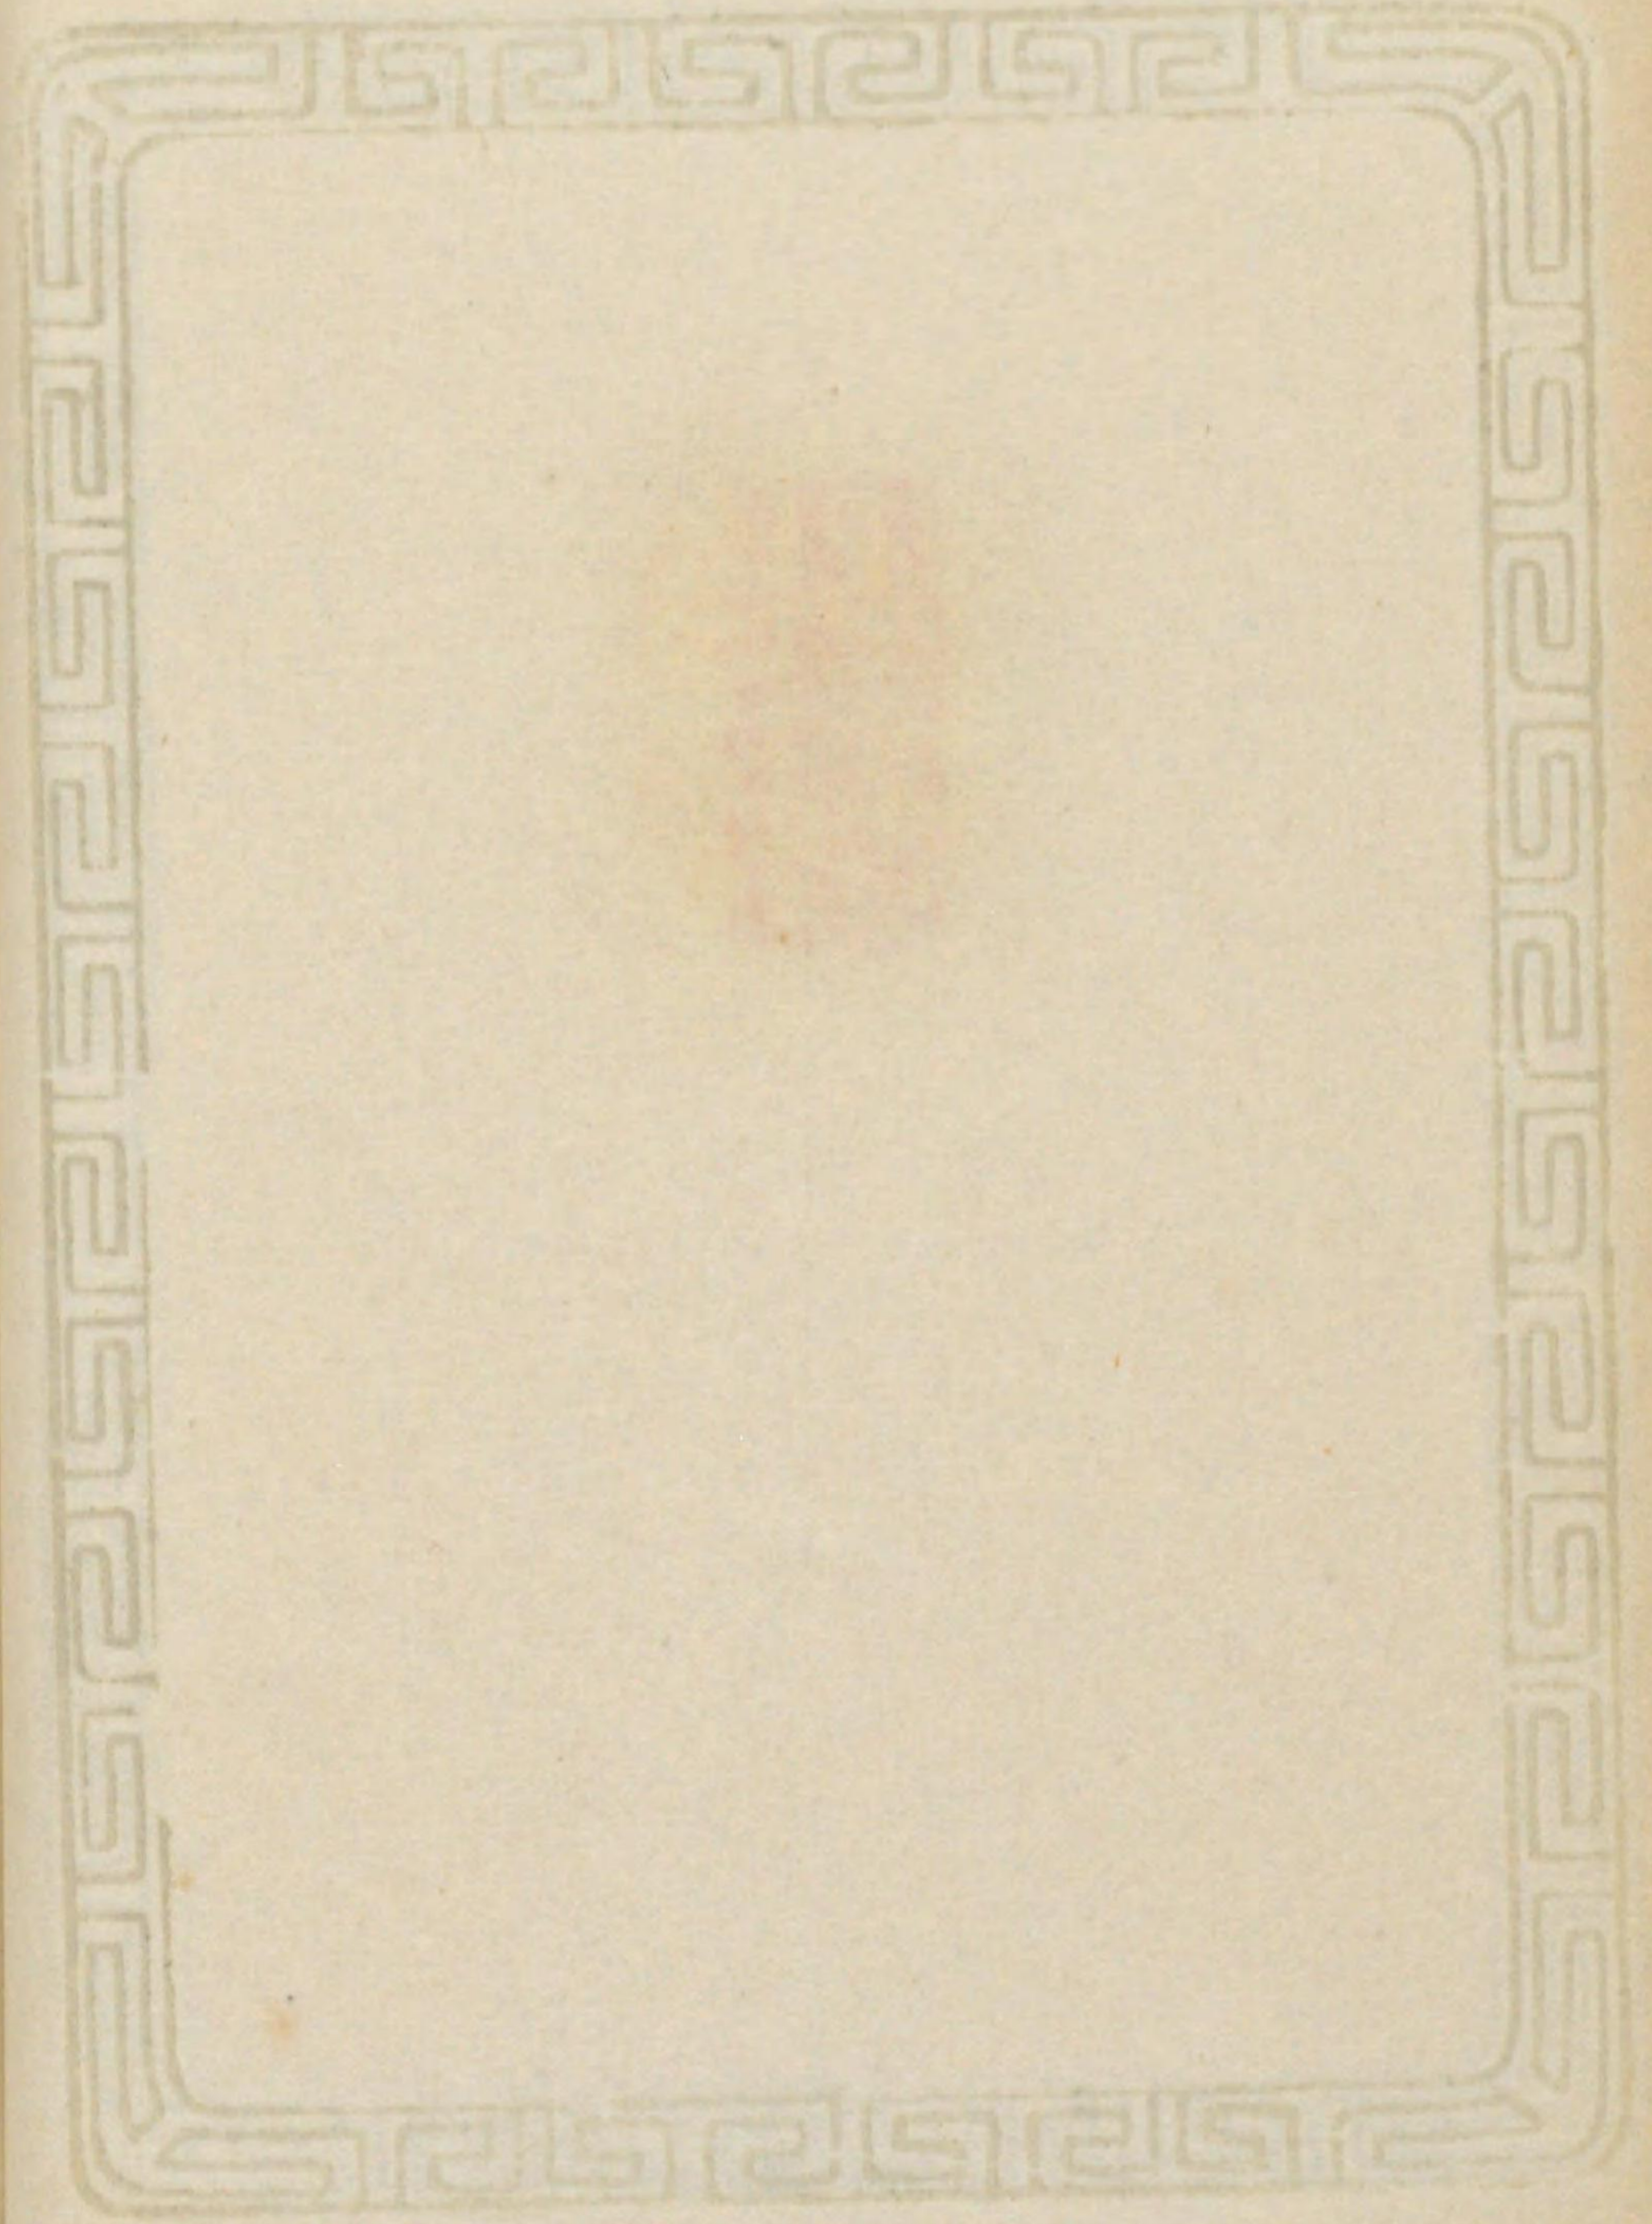

A faint, rectangular red seal impression, likely a watermark or a very light stamp, centered on the right page. The characters are illegible due to fading.

Red square seal impression in seal script characters, likely a collector's or publisher's mark.
