For the purpose of showing the distribution of plants of machine tool companies in the Japanese Empire, the following geographic list has been prepared. This list contains only those plants which, according to available evidence, produce machine tools.

Many of these companies have other plants but they do not appear in this list due to the absence of information concerning their manufactured products.

- 508 -

PLANTS OF
JAPANESE MACHINE TOOL COMPANIES

LISTED GEOGRAPHICALLY

AICHI - KEN

NAGOYA - SHI

<u>Name of Firm</u>	<u>Address</u>
Asahi Kikai	Nakagawa-ku, Yakuma-cho, Godambatake 1253

MACHINE TOOL COMPANIES OF JAPAN

(Companies which are listed in Zenkoku Kojo Tsuran, 1939, and which do not appear in other Japanese directories, are not listed in this index. (Same applies to P/W reports) Reports on these so-called 'doubtful' companies, however, will be found in the final pages of the Directory.)
