THEODORE, NICOLE for the latest London and the process will be extremely low nov. 25

The victory was complete and absolute, there are not indifferent to the first cover in for present humon condition. Is we fact, even in her present happy condition, is we or wounded on the field of battle. Also 30 drums, think, evinced in the flebales upon he subject of 2 cannon, 743 guns, 689 bayonnets, 6000 carremoving the thinks of his father to that country, tridges, 39 bags of grape shot and a great many She cannot, under any circumstances, be insended, other articles of war.

Such has been the sible to the condition of the young Duke; at least splendid, though mournful victory which has so long as his name continues to be connected with cost us the brave Capt. Tapia and 19 soldiers kil-any agitation of a popular nature, and is still proand Bota spicious character, were reported as mounceed with enthusiasm by the old followers of Moreno, and 35 rank and file, wounded. Our maring arrivales the Bocas, in a small boat, with his father. It will always be a subject for dis
force convisted of 280 infantry and 300 cavalry. nonneced with enthusiasm by the old followers of Moreno, and 35 rank and file, wounded. Our custion; and he will often be appealed to by the With that number of men we have saved the glorives of the discontented upon occasions of public ry of Colombia; we are placed in a condition to excitations. France, we conceive, would for sustain the Constitution and the integrity of the these reasons alone, be a party to any such ar- nation, and the government is freed from its op-

rangement. How the Courts of England and Russia would stand effected by this measure, is not so readily ascertained. Whatever dislike they may have manifested to his father, it cannot be supposed The marriage of the new sovereign prince with a victors, by virtue of which the latter entered the daughter of Lewis Pilip would be a guaranty of capital at 1 o'clock, P. M. The persons and Registration between the persons and Registration between the sovereign prince with a victors, by virtue of which the latter entered the Registration New-York, a handsome dissortment of Registration and the persons and Registration between the government and the latter entered the latter entered the persons and Registration between the government and the latter entered th They had several sacks of money his pacific intentions towards Europe, even if he and property of the inhabitants were guaranteed by the conquerors, except that certain obstance elephants' teeth. Two were carried should grow into that gigantic conqueror who Back had two large bags of money. The other the nomination of England having proved aborthood who appeared to be Genose, went off in the street to the south and of the inond choice; which would also be more agreenble to the forme power than a vassel of the Russian crown, from the proximity to Greece, and her evident avidity to secure the navigation and commerce of those seas to herself.

The rumer is certainly specious; and accords too well with the present condition and prospects of the continent to hastily discredit. Greece will be a fine field for the developement of the young prince's powers; and if he inherits but a moiety of his illustrious father's abilities, the new state will soon assume an attitude and a consideration in the eyes of the world worth our admiration.

The London Morning Chronicle says of the political condition of England:
"There are warnings which ought not to be

pent out by the authorities there. They "There are warnings which ought not to be smalled that they had been wrecked in the neglected. The Aristocracy and the Church The Aristotiary and see a wreeked in the large field with the captain and the others left the wheel the shore in a launch. They there are the resulting is gone by.
