Esteemed Friend

A person by name of Alexander Gless closed store in this place a short time since, owing us a considerable amount. He is now missing and we have heard it hinted has gone to Rochester with a quantity of goods. Should you have any acquaintance in that place through whom you could make the enquiry and if successful give us early information you would do us a particular favour. He formerly done business in Montreal, and is brother to the Gless who lives with Galtgat at West Farms I think at the time you was there. and is now doing business in Montreal, Consider Flour as you will observe by the price current has advanced and is now worth 5 3/4. we ordered 500 lbs of your flour at Troy last week which has not yet arrived. we would have ordered the whole but were fearful it might not be sweet in which case it had better remain for the present as the market is over stocked with our Flour. Wheat is worth 120^{cts} - with esteem yours
