THE NARBERTH PLAN AND THE RETAILER

How The Merchant Will Benefit

This is the second of the articles explaining The New Narberth Plan for economic and efficient purchasing of food supplies for the people of our borough. Read this article and subsequent articles so that you may be thoroughly familiar with the Plan and ready for the town meeting, which will be called in a week or so. Full details of the meeting will be published in Our Town.

ARTICLE 2.—THE RETAILER AND CONSUMER

The Narberth Plan has been devised to get basic results:

1st—To eliminate every unnecessary middleman.

2nd—To change our buying system so as to fit the grocer's needs and thus give to the consumers, in dollars and cents, the money saved.

3rd—To use our dollars in such a way that they will have their maximum buying power.

Under our prevailing system of production and distribution, the wholesaler, the commission man and the retailer are absolutely necessary. The wholesaler brings together, under a single roof, the teas of Ceylon and China, the coffees of Arabia and Brazil, the spices of Java and Celebes, the oils of Italy and California; fresh and dried fruits, canned goods, nuts, raisins—all these he assembles from Maine to California and from Canada to Florida.

The commission man brings under a single roof potatoes from Maine and Michigan, onions from Texas and Ohio, celery from California and Michigan; fresh fruits and vegetables, in season, from California, Florida, New York and Canada.

The retailer brings to our very doors, selections from all the wholesalers and commission men, that we may buy our food quickly, intelligently and far more cheaply than we could possibly do ourselves.

These men must be paid a reasonable profit, but since it is our money which buys their merchandise, we have an absolute right to demand of them the best of service and the lowest prices consistent with the reasonable profit. The Narberth Plan will enable us to solve this problem satisfactorily.

As the wholesaler and commission man are now operating under Federal license, they may be safely left to the care and attention of Mr. Hoover. It is, therefore, up to the consumer to make whatever adjustment is necessary, with the retailer—our daily source of supply, our necessary agent. You will notice that the word "agent" is used, under the Narberth Plan, it is precisely in that light the retailer will be regarded.

The Narberth Plan will do away with losses which are an inherent part of the prevailing method of retail merchandising and which do not make a penny of profit for anyone.

These losses are connected with soliciting orders, delivery, credit, and retailer's method of buying from wholesaler and commission man.

The Narberth Plan will so organize the purchasing power of local consumers as to put the retailer on a sound basis. This is absolutely necessary in the interest of the consumer, because, while the grocer makes the blunders, it is the consumer that pays for them. Under the Narberth Plan, the retailer will be equipped to buy in the most intelligent and economic manner, and as an experienced and successful business man has said, ninety per cent. of the successes in business are due to good buying. Under the Narberth Plan the retailer will be put in a position where he can buy large lots and take advantage of all trade discounts, and we, the consumers, in turn will benefit by the money saved in this way.

(Editor's Note—The third article on The Narberth Plan will be published in next week's issue of Our Town.)

January 22, 2.30 P. M.—Domestic Science class at school house under Miss Fryer's supervision.

A LITTLE SANTA CLAUS GIRL

Margaret Koppel celebrated her eighth birthday Saturday last by entertaining sixty children of the Methodist primary department.

Acting upon her own suggestion her little friends were requested to omit personal presents and bring a new toy for the worthy poor children's Christmas at the Deaconess Home, Seventh and Vine streets, Philadelphia.

A pleasant afternoon was spent playing games and partaking of "goodies."

As a happy "aftermath" a little girl accompanied by an automobile load of all sorts of dolls, toys, books, etc., brought Christmas cheer to almost a hundred of the city's poor.

COMMUNITY SINGING OF THE CHRISTMAS CAROLS

On Christmas Eve From 10.30 P. M. to 11 P. M.—Meet at Y. M. C. A.

An effort is being made to establish community singing in Narberth and one can think of no more propitious time to make a start than Christmas eve. This practice is sweeping over the entire country and there is no reason why Narberth should drag behind. There will be a rehearsal on Wednesday evening, December 19, at 7.30 P. M., at the Y. M. C. A. Bring your hymnal.

The singing will be directed by Mrs. Joseph Barclay, chairman of music of the Women's Community Club, assisted by members of other organizations and church choirs.

Residents of Narberth are asked to join in this movement and do their "bit" in radiating the Yuletide spirit at a time when many hearts are saddened probably as never before in the history of our country.

Let us also repeat the can! lighting of last year.

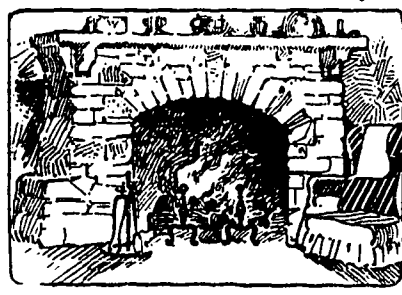

Scrooge and Christmas!

"A Merry Christmas, Bob!" said Scrooge, with an earnestness that could not be mistaken, as he clapped him on the back. "A Merrier Christmas, Bob, my good fellow, than I have given you for many a year—"

Scrooge was better than his word. He did it all, and infinitely more, and to Tiny Tim, he was a second father.

And so, as Tiny Tim observed, God bless us, Every One!

From Charles Dickens' "A Christmas Carol."

Take time to stop at the postoffice and get a Thrift Card or a Certificate. Your help will add to the effectiveness of our efforts to win the war. The boys "over there" stand to lose a limb or their sight or their life. We must save and sacrifice for them.

Pennies, nickles and dimes do not earn anything while in the children's banks. They will earn interest if you buy savings stamps with them, and the small coins are in tremendous demand. The director of the Mint requests that all small coins be put in circulation.

All who are interested in the success of the \$2,000,000,000 Thrift Stamp sale should "talk it up." The investment pays four per cent. compounded quarterly. The Certificate Stamps may be cashed in at any time prior to maturity by giving the postmaster ten days' notice.

ANNOUNCEMENT

By Publicity Committee, Narberth Men's Meeting

The men's meeting of the Narberth Methodist Episcopal Church has organized for the ensuing year with officers as follows:

President—John E. Matthews.
Vice-President—A. K. Siler.
Secretary—B. Turner.
Treasurer—N. E. Smedley.
Leader—Hon. F. W. Stites.

Meetings are held at "The Little Church on the Hill," Price street and Essex avenue, 10 A. M. each Sunday.

The purpose of the men's meeting is to discuss present day difficulties, and how to overcome them; present living conditions in home, community and country, and how to improve them. These discussions are especially helpful now when all need strong spiritual support and the consolation which can come from Christianity only. The practical application of Christ's teachings to our everyday life is needed everywhere.

All the men of Narberth who do not regularly attend Sunday school services in other local churches, are invited to be present next Sunday, 10 A. M. (subject, "Caring for the Weak") and each Sunday thereafter. You can be a silent—benefited—spectator, or take part in the discussion to the extent of your inclination.

When our country is in WAR—when our boys are going to the front—when DEMOCRATIC CIVILIZATION is challenged, it is up to us to keep our home—spiritual—fires burning.

"Fleck" Stites is as inspiring a spiritual leader at "The Little Church on the Hill," as he is an interesting performer on the base ball diamond.

Remember next game called 10 A. M., Sunday, December 23, 1917. Admission free. Come early. Get a grandstand seat.

EDITORIAL

Let there be lights in every window, Christmas eve, for our soldier and sailor boys.

Ashes are being collected with greater regularity this winter. Thanks Councilmen; thanks!

Did you promptly clean your sidewalks after the recent snow storms? If so, accept thanks. You are a real neighbor and a thoughtful "civic!"

The candles in the windows this year will have an added significance, as they will disclose the red crosses of membership in the Red Cross Society.

Get the Christmas spirit now and practice it throughout the year—which means give service to others each day and exercise friendliness at every opportunity.

It must be a real comfort to those recently come to Narberth from Philadelphia to awaken on a snowy morning and find a pathway ploughed clear all the way to the station. Some advantages in the suburbs!

Two tremendous drives are in progress at this time. One is the drive for fifteen million members in the Red Cross Society, and the other the great Allied drive against the Germans. Remember that the success of the latter is largely dependent on the aid of the American Red Cross Society.

When our next issue appears, Christmas, 1917, will have come and gone. May it bring to each one of our readers much joy and happiness, and may the dawn of 1918 herald the approach of a lasting peace, founded on strict justice to all, and the abolition of the tyranny of the strong over the weak.

The "Cub Reporter" has been an unusually interesting feature in the columns of Our Town, and our readers should appreciate the sacrifice of time by the writer of this column. Such brilliantly treated local paragraphs cannot be "turned out by the yard"—they have to be laboriously produced.

In these days of conservation, let

each household consider buying only living evergreen trees for Christmas. They may be set out, and used over and over again. Timber is becoming too scarce to permit of the wanton destruction of thousands of thrifty trees. Such trees were on sale last year, and will be obtainable again this season.

The Cub Reporter, last week, expressed righteous indignation regarding those house owners of Narberth who have not taken membership in the local fire company. In many cases, this is doubtless due to thoughtlessness, and we are pleased that he took occasion to remind non-members of their duty. The membership is only \$3 per annum, and may be paid in two instalments. Let one of your New Year resolutions be to join at once. Don't be a slacker.

Announcement of the resignation of Mr. C. W. Schaeffer as secretary of our Y. M. C. A. is made in this issue. Our Town extends to Mr. Schaeffer and his family best wishes for success in whatever new field of work he may engage. Coincident with the news of his resignation comes the announcement of the engagement until April 1, 1918, of Rev. William G. Nyce as Mr. Schaeffer's successor. Mr. Nyce has done such good work in other fields, requiring executive and organizing ability, that we have no doubt he will do well here. He expects to make his home in Narberth during his connection with the Y. M. C. A., and we bespeak for him a cordial reception by all interested in its welfare, and as much assistance by its active managers as possible.

In a communication received by this paper, Collector of Internal Revenue, Ephraim Lederer, of the First District of Pennsylvania, announces that a Federal Income Tax Officer will be sent into the various towns in this county at a date to be announced at the postoffices throughout the county.

The Income Tax Officer will be at the place designated every day ready and willing to help persons subject to the income tax make out their returns without any cost to them for his services.

Returns of income for the year 1917 must be made on forms provided for that purpose before March 1, 1918. Because a great many people do not understand the law and will not know how to make out their returns, the Government is sending this expert to do it for them. But the duty is on the taxpayer to make himself known to the Government. If he does not make a return as required before March 1, he may have to pay a penalty of from \$20 to \$1000 and in addition thereto pay a fine or be prosecuted. So if you do not want to take the chances you had better call on the Income Tax man. If you are not sure about being subject to the Income Tax, you had better ask him. Whether you see the Income Tax man or not you must make a return if you are subject to the tax.

The Collector suggests that everybody start figuring up his income and expenses now so as to be ready with the figures when the expert arrives. Expenses, however, do not mean family expenditures, that is money used to pay off the principal of a debt, or for new machinery, buildings, or anything like that. They mean what you spend in making your money—interest, taxes, for hired help on your farm, in your factory or business, amount paid for goods sold, seed, stock, rent, (except for your own dwelling), etc., etc.

To the Editor of Our Town:

A news item appeared in a late issue of Our Town which was calculated to do a grave injustice to a young man of Narberth, who was reported therein as having been arrested as a deserter.

The young man, Michael Brogan, although now at Camp Meade, is a British subject and as such, is exempt from military service here. It seems the Local Board at Ardmore failed to grasp this fact or to recognize his certificate of exemption, and therefore exceeded its powers in this case. He also held a letter from the British Consul at Philadelphia offering to place him in the British army or navy, whichever he might elect. It was while considering this offer he was hustled off to Camp Meade. Brogan belongs to the "fighting race" and had no thought of deserting.

R. F. C.

The item to which "R. F. C." refers was taken from one of the Ardmore papers, and we therefore believed

that the facts were authentic. Our Town had no intention of doing Mr. Brogan an injustice, and, judging from the facts given us, Mr. Brogan was undoubtedly misjudged.

Our Town apologizes to Mr. Brogan, and thanks "R. F. C." for giving up the facts. We will endeavor to be more careful in the future.—Editor.

To the Editor of Our Town:

It was with great pleasure that I read in Our Town of the large amount subscribed by Narberth toward the Y. M. C. A. fund, and Narberth should feel proud of what she has done. As I am one of the many that will enjoy some of the benefits that this money will bring, I want to thank every one who contributed and say a few words about the Y. M. C. A.

This camp is twenty-three miles from the nearest town (of any importance) and the nearest church. We have been here for five months. Transportation to town (San Antonio) is very poor; we have only two trains a day and once in a while an auto comes out, therefore, the meetings at the Y. M. C. A. are the only religious services the boys have a chance to attend. We have services there every Sunday and most every Wednesday night. Every Sunday morning at nine o'clock the Catholic Church holds Mass, then at half past ten the Protestants have their meeting. Next Sunday (December 9) the Methodist Church has Communion.

There is a bible class in nearly every company here, started by the Y. M. C. A. and there is class held every night, sometimes two classes a night. Last Sunday night when the speaker asked if anyone would come to the front and shake hands with him and by so doing say that they were going to try to lead a better life, there were twenty-five men responded.

From the few things I have mentioned you can see what a wonderful work in the religious field the Y. M. C. A. is doing. Apart from this the Y. M. C. A. furnishes a place of rest and comfort. They have quite a library, also a phonograph, and furnish writing material, pens and ink. In the athletic end, they have a football field, volley ball court, baseball diamond and a large open air auditorium with an elevated stage where we have boxing and wrestling matches.

There are numerous other things about which I could write, but I think I have mentioned enough so that every one can see what an oasis in the desert our Y. M. C. A. is, out here in the Texas hills twenty-three miles from any place. I have no doubt but that the boys in the other camps could write as much about their Y. M. C. A.'s as I have about ours, so the people who have contributed can rest assured that their donation has gone for a grand, good work. May God bless the Y. M. C. A.

CUB'S WEEKLY LETTER

To the Editor of Our Town:

If the "Narberth Plan" is such a boon to mankind and to us poor Narberthians in particular, why not get it to working before the war ends? Week after week we are led to believe that the following issue of "Our Town" will unfold the wonders of this much heralded, albeit mysterious, operation that will make the "Year 'Round Home Town" the cynosure of the eyes of the whole world. We are told that if Narberth does not see its great opportunity and embrace it, some less distinguished, but more ambitious community, possibly Paoli or Kanakee will be chosen to wear the crown. Well, here we have been several weeks standing on the corner ready to embrace, enfold or hug any old thing looking like an opportunity that might show itself; we have a bad cold because we have stood bareheaded for a month waiting for the promised coronation to take place. Thought sure we'd have the whole program in last week's paper, but, alas! it was the same old story. The suspense is dreadful. Looks like a scheme of yours, Mr. Editor, to make people buy the paper, similar to one of those serials "Continued in our next." Shame on you!

Lew Hess decided that he couldn't stand the rigorous winter in Narberth and thereupon leased a flat in the city, paying a month's rent in advance. In taking a second look at the outfit, a mouse scampered across the room and Lew ran all the way home. His hair turned white over night. He says he thinks he can stand the Narberth climate this winter after all.

Fur coats were the subject of a debate at the Forum last Saturday evening. Howard Wilson fell in love with Charley Humphrey's tiger skin, or whatever it is, and offered him \$7.50 for it. Charley insisted on \$8, however, and there was no sale. He told Howard that if he wanted a cheap coat he should make DeWitt Holt an offer for his. DeWitt has a coat which, Charley says, should bring at least \$5. with Ray Jones' fur hat

thrown in. During the discussion the interesting fact was brought out that a black fur coat is a sign of livery and is only worn by chauffeurs. It seems to me I have seen black fur worn by more than one of our local capitalists. Haven't you?

It's rumored that Carl Metzger has donated a carload of coal to the school. Very likely it's true, because as you know, all of Carl's neighbors have full coal bins. Wish he'd move around our way.

John Caldwell has removed the "for sale" sign from his house. Did he have to give the house away?

Sad will be the days until Bill—our own Bill Cumber—returns to Narberth. You know Willie has gone to Winnipeg to see his Pa and Ma. He is able to travel alone now that he is grown up.

"Cub."

When the service flag was unfurled with fifteen stars arranged in the shape of a cross, the congregation that crowded the church sprang to its feet and sang the "Star-Spangled Banner" with impressive enthusiasm. Nine of the boys are members of the church, the remainder belong to the Sunday school. Upon the suggestion of many, an offering was taken in which the entire congregation will be remembered in a Christmas present to the boys.

7.45 P. M.—Evening worship. Brief Christmas message from the pastor. The quartet will render the beautiful Christmas cantata by Thomas Adams entitled, "The Holy Child."

Church Notes

The Christmas entertainment for the primary department of the Sunday school will be held next Wednesday afternoon, December 26, at 3 o'clock. The little people will have their songs and exercises and a Christmas tree and a Santa Claus. It promises to be a most interesting occasion. All are invited.

The Christmas entertainment for the main school and Junior department will be held next Wednesday evening at 7.30. Each class will have a part in the exercises, the nature of which remains a secret, as far as secrets are possible, until the evening of the entertainment. The offering will be for the Presbyterian Orphanage.

ALL SAINTS' P. E. CHURCH.

Rev. Andrew S. Burke, Rector

The services at All Saints' P. E. Church, Montgomery and Wynnewood avenues, for next Sunday are as follows:

8.00 A. M.—Holy Communion.

9.45 A. M.—Sunday school.

11.00 A. M.—Morning prayer and sermon.

4.00 P. M.—Evening prayer. Services on Christmas Day, 8.00 and 11.00 A. M.

It has been very gratifying to the rector and vestrymen to see that so many strangers are availing themselves of the privilege of worshipping in All Saints' Church. The pews are all free and you are most cordially invited to make All Saints' your church home.

If you know any children who do not attend Sunday school, ask them to come up to All Saints' next Sunday morning at 9.45.

The church has provided transportation from the railroad stations at Narberth and Wynnewood, busses leaving at 10.40 on Sunday mornings.

Christmas festival will be announced next week.

THE FIRESIDE

(Continued from Second Page)

"Christmas dance" for the benefit of the Red Cross, Elm Hall, Friday evening, December 28, 1917. Remember this date. An opportunity to help the Red Cross fund and spend an enjoyable evening. The Albert Myers' full orchestra, with Prof. Myers, himself, as director, will have charge of the music.

One of the features of "The Nautical Knot" is that your friends will be in it. Everyone who goes can't help discovering an acquaintance in the long list of participants. Back your girls up, and at the same time your country for all net proceeds will be donated to the Red Cross. Come laugh at us, then dance with us, December 29.

Mr. Samuel W. Foster, until recently a resident of Narberth, has accepted an offer from the Y. M. C. A. to take charge of the religious work in one of the camps in France. He expected to sail on Wednesday of this week. It will be recalled that Mr. Foster's son Frank, enlisted some time in the Naval Reserve, stationed at Cape May. Mr. Foster and his son have the best wishes of many Narberth friends.

Miss M. Louise Beaty is visiting her aunt, Mrs. A. J. Loos, having just arrived from Porto Rico, where she has been engaged for the past twelve years in training Porto Rican girls as nurses, in the Presbyterian Hospital at San Turce, a suburb of San Juan. Miss Beaty has resigned her position as superintendent of this department of the hospital work, to offer her services to the Red Cross Society, of which she is a member. While preferring service in France, Miss Beaty is ready to take up any work that may be assigned to her.

RESIGNATION OF CHARLES W. SCHAEFFER

Secretary Narberth Y. M. C. A. —Election of Rev. Wm. G. Nyce As His Successor

A special meeting of the Y. M. C. A. Directors was held Saturday afternoon last at 5 o'clock, to consider the resignation of Mr. C. W. Schaeffer as secretary. Although the notice was short, thirteen members were present. As it was understood that Mr. Schaeffer was considering a number of offers, his resignation was accepted, with immediate relief from duties, in order to give him an opportunity to make other arrangements, although his salary will be paid to the end of December.

In anticipation of this step on Mr. Schaeffer's part, Mr. Hopper, president of the association, had been in communication with Rev. William G. Nyce, with the view of engaging his services at least temporarily, to take charge as superintendent or acting secretary. Mr. Nyce has had wide experience in Social Service work, having had charge about three years ago of the work of the Law and Order Society of Montgomery county. He has also had much to do with young people in Sunday schools, etc. He is a good organizer, and at present pastor of a church in Harmonyville, Mont. Co. Rev. L. M. Keim, of Narberth, is a brother-in-law of Mr. Nyce.

As Mr. Nyce was visiting in Narberth last week, he was requested to attend the meeting, and meet the other members of the board, which he did, making a very favorable impression indeed. He expressed his willingness to take charge at once, beginning Monday, December 17, and continuing until April 1st next, beyond which time he could not now make any definite engagement. A motion was accordingly made to appoint Mr. Nyce for the period mentioned, and unanimously carried.

The board considers itself very fortunate in having been able to secure the services of Mr. Nyce, and looks forward with confidence to a successful winter's work.

Mr. Hopper announced that he had attended a meeting of the Ladies' Auxiliary on Thursday afternoon, with a view to bring about a closer co-operation between it and the Board of Directors. He suggested to them the appointment of standing committees, corresponding to the committees of the association, the committees of ladies working closely with the men's committees. This suggestion was favorably received by the ladies, and will doubtless be acted upon in the near future.

Mr. Hopper also announced the appointment of the following standing committees:

- Executive—A. J. Loos, Miller Burkhardt, C. L. Metzgar, H. S. Hopper.
- Auditing—T. C. Trotter, Jr., T. Noel Butler, Frank A. Northeim.
- Educational—Wm. T. Melchior, I. M. Keim, F. M. Justice, R. L. Beatty.

War-time Traffic

Extraordinary as have been the increases in local Bell Telephone calling during the past months, the changes in out-of-town traffic volumes are even more remarkable.

With unprecedented increases have sprung up new volumes between places which heretofore had practically no telephone intercourse, and the demands for service by the Government and its agents have been quite beyond conception.

Altogether, the growth has been most remarkable; and success in coping with it has been due in great measure to the public's ready co-operation and appreciation of the steady effort which the operating force is making, an effort which these young women of the great communication army may be counted on to maintain in every emergency.

2. Dog licenses must be paid annually and not later than January 15 of each year and expire January 15 of the following year, and have fixed for 1918 at \$1 each male or spayed female dog and \$2.50 for each upspayed female dog over six months old. Kennel licenses, \$5 for ten dogs or less and \$10 for more than ten dogs.

3. On payment of the license a metal tag will be furnished for each dog to be attached to a substantial collar and at all times kept on the dog licensed, which tag is not transferrable to another dog.

4. Owners of dogs becoming six months old or acquired after January 15, shall forthwith procure a license for the same, the license required after July 15, being one-half the annual license.

SCHOOL NOTES

Important Notice!

Children that will be six years of age before June 30 will be admitted to the first grade at the opening of school after the holidays. Parents are urgently requested to enroll applicants before December 30. This can be done by phone or letter to Principal William T. Melchior or Miss Nellie Wetherill. The incoming of more pupils for the first grade will necessitate a re-adjustment. The earlier this can be made, the better. Hence parents will confer not only a favor upon the school administration, but will materially help their own cause by registering their "beginners" as early as possible.

The round table conference held on Wednesday devoted most of its time to a discussion of the course of study. Particular interest was manifested by the mothers on the question of reading, physical education and art. The few parents who seemingly make little effort to attend any of these meetings probably do not realize how unfair it is to their children to be out of touch with the school.

The heating plants in both buildings are now working to the satisfaction of everyone concerned. Shortage of mechanics, change of assistant janitors and many other conditions brought about by causes only too well-known by everybody has given the board serious concern. Certain rooms were occasionally over or under heated; but no further trouble is anticipated.

It may be well to remember that Narberth is fortunate thus far in being able to keep her both buildings open for full sessions. Many districts are not so fortunate.

The following letter was received from the University Settlement in acknowledgment of the Thanksgiving donation:

My Dear Mr. Melchior:
I want to tell you how very grateful we are to you and your young friends who remembered our children so very liberally again this year. It came as a real blessing to us as we seem to have in our neighborhood a great many widows who are supporting families and unfortunately their work is unskilled labor and as such, they received no increase in wages. This together with the condition of times make it so hard for them.

We are indeed very grateful to you all.

Very sincerely yours,
(Signed) HELEN I. DUNCAN.

Let us not forget the Christmas donation of toys, new and old, clothing and goodies on this Friday evening. Beyond doubt, there will be a large school Christmas tree again this year. It will delight our little school tots and will inspire the older pupils. But how much more beautiful it would be surrounded by the gifts for the poor!

JENKINS-ANDERSON NUPTIALS

The home of Mr. and Mrs. Charles L. Jenkins, Dudley avenue, was the scene of a pretty wedding last Wednesday evening, when their daughter, Miss Eva B. Jenkins, and Mr. A. Warren Anderson, were united in marriage by the Rev. C. G. Koppel, pastor of the Methodist Episcopal Church.

The bride was beautifully gowned in hand embroidered white satin and carried a huge bouquet of white roses. The maid of honor, her sister, Miss Alice Jenkins, wore a gown of pink taffeta. Her bouquet was of La France roses.

Mr. C. Edwin Anderson, dressed in the uniform of the U. S. S. Ambulance Corps, was best man.

The bridegroom is one of Narberth's rising young business men.

After an extended trip through the middle West the young people will make their home in Narberth.

As a fitting climax to the social activities of Christmas week, a Christmas dance is to be given in Elm Hall Friday, December 28, 1917. Proceeds for the benefit of the Red Cross. Remember this date.
