

Sentence Fragments

Sentence fragments are sentences that are missing their subject or main verb.

Examples of sentence fragments are:

1. Because I promised to get milk
2. Since it's dark
3. However the boy fell

Examples of proper sentences using these fragments are:

1. I need to go to the store, because I promised to get milk.
2. I don't want to go outside, since it is dark out.
3. He tried to catch himself, however the boy fell.
