A. O. G. F.

BRAND FANCY DRESS BALL,
To be given by the Lodges

OFFICE, 83 CHARTRES ST.

THE DAILY BEE. THURSDAY MORNING, FEB. 24.

OUR UNGRATEFUL COUNTRY. We have been singularly interested in a report made in the United States Senate by Mr. SETELDS, of the Committee on Ravolutionary Claims, on the memorial of H. M. SALOMON, for indemnication for advances of money made by his father during the revolutionary war. It is fully and clearly estab. lished by this report that HAYM SALOMON, who, by the way, was the grandfather of a highly respectable citizen of New Orleans highly respectable citizen of New Orleans and a member of the Louisiana Legialature rendered the most important annotal services to our country during the progress our revolutionary struggle. Mr. Sakonow was Pole by birth, and a resident of Philadelphia like action and antherisatin devotion to liber Madison, twice President ; ARTRUR LEE, Am

ne present session of Congress.

mpresario Uniman is the prince of manafashionable and brilliant audience at Odd Fillows' IJail. Although the connert closed at a late hour, we cannot deny ourselves the pleasure of briefly stating our impressions with repart to the principal artists of the troups. Place are dames. Mine. Lanones is richly entitled to precedence. She is one of the most faulices singers we have ever heard. Her voice is wonderfully clear, they ble, and sweet, who passing purity. In vocalization Mme. Passing purity. In vocalization is to be will as the chorized the violin to the bow of Vikutarhers, and her execution is consequently not merely fine, but absolutely perfect. In these respicts we believe Mme. Labord to be unequaled.

M'IF Poinsor possenses a fine seprant voice, completely under control, of great compass, and equal in the several registers. Her style is eminently dramatic, and, we should imagine, would prove highly successful on the stage.

Carl Formes is a grand singer. His true and splendid base exceeds in power and volume any thing we could have conceived, while his execution evinces the highest passing purity. Passing purity is the power and volume any thing we could have conceived, while his execution evinces the highest had been prefer the passing purity and the most perfect musical fields the property of the provided passing purity and passing purity and passing purity in the provided passing and disable passing purity in the power of the provided passing and disable passing purity in the provided passing and disable passing purity in the provided passing purity in the provided passing purity in the provided passing and disable passing purity in the provided passing p ble, and sweet, with an intenation of su

artistic skill, and the knowledge.

Signer FLORENZA has a manly barytone, Signer FLORENZA has a manly barytone, Signor FLORENZA has a manly barytone, and sings with feeling, power and judgment. Herr Gueyave Barries is a charming poanist, with a delicate touch and an expressive style. His mastery of the mechanism of the instrument is thorough and complete.

The orchestra was, of course, excellent, expressed, as it was of course, excellent, expressed, as it was of the best in-

sale and Walsh voted Bay.

Sale and Walsh voted Bay.

So the report was received and approved. Mr. Armant offered the following resolution of the wonderful power of Electro-Biproperty and carondelet streets. This expriment is an intensely interesting illustration of the wonderful power of Electro-Biproperty was received and approved. Mr. Armant offered the following resoluproperty was received and approved. Mr. Armant offered the following resoluments and carondelet streets. This exproperty is a presentation of the wonderful power of Electro-Biproperty was received and approved. Mr. Armant offered the following resoluments and carondelet streets. This exproperty is a presentation of the Mount of which
ments and it and to Dr. Half for
checks, and fancy themselves rich as Cresus.
The delusion is perfectly maintained from
the commencement to the close of the entertainment, while the absolute delity of the
representation, and its astonishing naturalness, render it one of the meat marvelous
psyclogical phenomena ever witnessed. We
hope that a brilliant attendance will repay
the Doctor for his time and trouble.

The McDonoch Estate.—The sale of that
portion of the Modunoch estate belonging to
the city of New Orleans, and embraced within the heats of the Second District, took
place yesterday at the rotunds of the BiLouis Exchange. N. Vioniz, city auctionser,
concided the sale, which produced the
handsome amount of \$189,770. This was considerably above the estimated value of the
handsome amount of \$189,770. This was considerably above the estimated value of the
handsome amount of \$189,770. This was considerably above the estimated value of the
property, which, in the division between the
two cities of New Orleans and Baltimore, had
been appraised at \$135,000. This proves the
property, which, in the division between the
two cities of New Orleans and Baltimore, had
been appraised at \$135,000. This proves the
property, which, in the division between the
two cities of New Orleans and Balti

NEW YORK MARKETS.

New YORK, February 21.—The sales of Cotton to-day amount to 1000 bales.

The Cotton market closed dull without question to happen in prices.

The Flour market closed frim: the sales to-day.

Whise sales at 26 to 27c.

Sugar closed frim and steady at 7 to 75c.

Moisses closed at 38 to 40c.

Spirits of Turpentine steady; small sales to-day at 39c.

CINCINNATI MADVETS.

CINCINNATI, February 23.—The Flour mar-ket closed dull at \$5.50 to \$5.60. Whisky steady; sales to-day 1100 barrels at 2510. Weed's Sewing Machine
Make equally as good work on the facet fabric or
on the heaviest cloth, on either or which free heavily
and durability it is superior to band work. We invite the attention of those whe wish machines to see
Weed's Makine. They are the best for family use,
become adapted to all kinds of work. They see the
best for manufacturer, because they make such
beautiful and strong work. They are the best
beautiful and strong work. They are the best
fer indirects possess they do better work than thest for meeting of subscribers held last night t. Charles Hotel, Mr. D. Urquhart was

tallors, because they do better work than their hands, are transforms a letter writes by a gentleman owning a plantation near New Orleans. "You two Weed's Patent Sewing Machines have been in smoot constant use since I bought them, and with the best of practical results. In less than three weeks the two operators on them finished a complete suit of clothes for earh of my two hundred and tan plantation hands, and I find the time saved is unit (them one season has more than plat their ost." The editor of the Zaneaville (Unio) Cuerc's says: There has a rever been a fewing Machine in this city that has given such unbounded natisfaction to all and receive subscriptions.
Mesra. George Urgubart, G. Miltenberger, R. J.
McCall, Leon Queyroure, Charles Kock, A. Schreiber
and David Urqubart were appointed on the above
committee.

D. HROHEART, Chairman. There has never been a Newing Machine in this way, that has given such unbounded antifaction to all who have used it as the Weed's Patent. We have cransmed them, and must confere our admiration of their simplicity and dorability, and can, with perfect confidence, after an examination of all other Sewing Machines, pronounce, this to be the best, and recommend it to our readers who wish a reveiling and the commendation of th D. URQUHART, Chairman.

The Nuberther, wishing to correct and stop cer-tain rumors now in circulation relative to the change of destination of the Officiary Reactive, has the honor to announce to the public that he will receive scaled proposals for the management of said Thestre until the 25th of February.
