the hearty good wishes which Her Majasiy cherishes for the prosperity of the United States. He centured to congratulate the President on his accession to the highest elective digital to the second of the country and the world, saying, the country and the world saying the country and the world of your constitution of the control of the

care. The President, in reply, offered Lord Napier a hearty welcome as Encoy Extraordinary and Minister Plenipotentiary of Her Britainne Majorty to the United States. "Your Sweetness" he said, "I am convinced, could not have selected a more acceptable representative than yourself to renew those relations of international irrendably which I trust may never horeafter be interrupted. The earnest and grace used fearing the presence of England and America; and the hearty good wishes which Her Majesty cherishes for the prosperity of the United States are cordially receptived in the prosperity of the United States are cordially receptived in the prosperity of the United States are cordially receptived in the prosperity of the United States are cordially receptived in the prosperity of the United States are cordially receptived in the prosperity of the United States are cordially receptived in the United States are cordially receptived certly of the Lintid States are corcindly reopticated on my part, and will elicit an
influenced on my part, and will elicit an
anything about it.

This acquisition to the
United States will be immense, especially to
the creat of the more appropriate to the control of the

marshal of the District of Columbia.

The opposition to Governor Geary comes from Pennsylvania. Kanasa has not yet spuken on the stopiet.

A. Il. Lawrence, an eminent lawyer of Washington, died this morning of pneumonia. The President has issued cards of invitation of the columbia of the columbia.

The Washington correspondent of the Mo-bile Advertiser furnishes that paper with an elaborate history of the origin, objects and failure of the recent Mexican treaties. Ac-cording to this account Comorrow's first idea in seaking to obtain indispensable aid from the United States, was to offer import-ant advantages to our commerce, and a con-siderable cession of territory. But, con-tinues the writer:

South Carolina, has been tendered a foreign in Cit. R. F. washington has received the approximent of Collector of the port of San Francisco.

Cit. R. Washington has received the approximent of Collector of the port of San Francisco.

R. G. Co. Citi.

G. W. Gery, the all ong conversation with the Irendent and Cabinet, to-day, on Kanasa Marchinet, the delegate from Ulanh, dender the discreditable story about that Territory, life says it comminde from Delevese Ulah and the general government.
