

CAPE COD MARTHAS VINEYARD NANTUCKET

and HOW TO GET THERE

THE
NEW HAVEN
RAILROAD

Come to Cape Cod this Summer *By Train*

Excellent Connections to Martha's Vineyard and Nantucket

THE Cape and Martha's Vineyard and Nantucket are truly "go-there-and-stay" places, to sojourn in. They are not tourists' paradises to be viewed in passing — but delightful places to LIVE in, for a week, a month, a season — or for a lifetime. Touring through Cape Cod and the Islands is like eating a meal prepared for a gourmet, at a quick lunch counter.

Why not get aboard a delightfully comfortable, air-conditioned New Haven coach or Pullman — from New

York? Arrive at your Cape or Island destination refreshed and happy. Leave motor cars and traffic and parking problems and highway dangers behind. Settle down and KNOW the people in a delightful New England shore town, in a fine hotel — with entertainment, golf, swimming and other diversions all within health-bringing walking distance, or occasional inexpensive motor hire.

Details of train service and boat connections inside this folder.
