CHAPTER 38

S. B. No. 173

Introduced by Committee on State Affairs

AERONAUTICS DIVISION PUBLIC SERVICE COMMISSION

An Act Creating an aeronautics division in the Public Service Commission for the promotion and development of aviation, air commerce, and the establishment of an adequate system of airways and airports within this state; providing for the appointment by the Governor of a committee of aeronautics consisting of five members, one of whom shall be a member of the Public Service Commission; declaring the public policy; prescribing powers and duties of aeronautics committee; authorizing cooperation with the federal agencies and municipalities; providing for federal aid; conferring power to receive and disburse federal aid and other funds; providing for organization of committee, meetings, reports, and compensation; authorizing appointment of director of aeronautics; making an appropriation; and declaring an emergency.

Be It Enacted by the Legislative Assembly of the State of North Dakota:

§ 1. DECLARATION OF POLICY.] It is hereby declared to be the public policy of this state that the promotion and development of aeronautics, air commerce and a state system of airways and airports is affected with a public interest; that the committee of aeronautics created by this act in the exercise of its powers and performance of its duties shall be considered to be the state acting in a governmental capacity in the performance of a governmental function.

§ 2. DIVISION OF AERONAUTICS.] There is hereby created a division of aeronautics within the Public Service Commission; that the powers, duties and functions of said division of aeronautics shall be administered by a committee of aeronautics consisting of five members who shall be appointed by the Governor, not more than one of whom shall always be a member of the Public Service Commission. Each appointed member shall be a qualified elector of the state, and shall be so located as to residence that each of four sections of the state (the southwest, northwest, northeast, and southeast) shall have equal representation on such committee. The governor shall appoint one member for two years; two members for four years, and two members for six years; their term shall end July first in each of the years 1947, 1949 and 1951, inclusive. Thereafter, each member shall be appointed and serve for a term of six years. Each member so appointed shall be subject to removal by the governor for cause, and in the case of death, resignation or removal of such appointed

member, the vacancy created thereby shall be filled by the appointive power and each member so appointed shall serve for the unexpired term. Before entering upon the discharge of his official duties each appointed member shall take, subscribe and file with the secretary of state his oath, as prescribed by the Constitution, for the discharge of his duties as a member of said committee.

§ 3. POWERS AND DUTIES OF COMMITTEE OF AERONAUTICS.]

The committee of aeronautics shall have, and is hereby vested, with full and complete power, authority and supervision over the promotion and development of aeronautics, air commerce, and a state system of airways and airports:

1. To designate, design and plan a state airway and airport system which will best serve the interests of the state;
2. To coordinate such state airway and airport system in aid of and to supplement air commerce with the federal, or interstate air services;
3. To encourage the use of all types of air navigation facilities within the state;
4. To provide and furnish all expert, engineering, legal or other technical services, without charge, to municipalities in need thereof while engaged in the planning, construction, or operation of airports;
5. To represent the state in aeronautical matters before state and federal agencies;
6. To institute or participate in investigations and hearings pertaining to the promotion and development of aeronautics, air commerce, and the establishment of a system of airways and airports in this state;
7. To assist in the enforcement of all laws of this state relating to aeronautics and air commerce, and all rules and regulations made in pursuance thereof;
8. To cooperate with federal agencies and all municipalities of this state engaged in the promotion and development of aeronautics and air commerce;
9. To assemble, use and furnish all available data, records and services that may be necessary to carry out the purposes of this act;
10. To make reports of all of its investigations and hearings to the governor, and to make such reports and other data available to the appropriate federal and state agencies;
11. To employ a director of aeronautics; to prescribe his powers and duties, and to fix his salary; and

12. To employ such other experts, clerical and stenographic help as the committee may determine necessary to administer the provisions of this act.

§ 4. COOPERATION WITH FEDERAL AGENCIES AND MUNICIPALITIES.] The committee of aeronautics shall cooperate with and assist the federal government and all agencies of the state including municipalities of this state engaged in the promotion and development of aeronautics, air commerce and the establishment and maintenance of airways and airports in this state, to assure the sound development of aeronautics and the establishment and maintenance of an adequate system of state airways and airports in this state, to furnish reasonably adequate air commerce for the transportation of persons and property for hire. The committee, for said purpose, shall avail itself of all records, facilities and services of such federal agencies as it may determine useful and necessary, and shall, in turn, reciprocate by furnishing to the federal agencies such data and assistance as it may determine necessary to carry out the purposes of this act.

§ 5. FEDERAL OR PRIVATE AID.] The committee of aeronautics shall have authority to accept, receive and receipt for all federal moneys allocated to this state for the promotion and development of aeronautics, air commerce and the establishment and maintenance of an adequate system of airways and airports in this state. Said committee may, authorized by any municipality, act as its agent in receiving and receipting for and in its behalf of any moneys allocated or contributed for any of the purposes authorized by this act. Said committee may also receive either public or private contributions made for the purpose of promoting and developing aeronautics, air commerce and the establishment and maintenance of an adequate system of airways and airports in this state.

§ 6. DISPOSITION OF FEDERAL AND OTHER FUNDS.] All moneys received from the federal government or any agency thereof, and from other public agencies or private persons, association, or corporations, shall be credited to a special fund and shall be disbursed only for the purposes for which such moneys may be allocated or contributed to said committee, and that all moneys credited to such fund and held in trust for the purpose for which such aid is granted shall be disbursed only after all claims and demands upon such funds shall have been duly audited and approved by the committee, and shall thereupon be disbursed in the manner prescribed by rules and regulations.

§ 7. ORGANIZATION MEETINGS; REPORTS.] The committee shall meet, within a reasonable time after its appointment, to organize, adopt a seal, and make and amend such rules and regulations as it may deem expedient to carry out the provisions of this act. At such organization meeting it shall elect from its membership a chairman, a vice-chairman, and a secretary. All meetings shall be held in its

offices in the Capitol, except that the committee may hold special meetings at such times and places, and upon such notice as it may, by resolution, provide. Notices of regular and special meetings may be given by telegram, or by writing, at least three days prior to the date of meeting. A majority of the members shall constitute a quorum, and no action shall be taken by less than a majority except for adjournment. The chairman, or in his absence or disability, the vice-chairman of the committee, may issue a call for any general or special meetings. The committee shall make at least an annual report to the governor on or before the first day of July of each year. Said report shall contain a summary of its proceedings during the preceding fiscal year, and an itemized statement of all moneys received and expended by the committee, or in behalf of any municipality, or agency of the federal government, *provided however*, that the committee shall, upon request by the governor, make such additional reports to him as he may require.

§ 8. COMPENSATION AND EXPENSES OF COMMITTEE.] Each member of said committee, except the member appointed from the Public Service Commission, shall receive, as compensation for his services, the sum of Eight Dollars (\$8.00) per day for each day actually engaged in the performance of the duties of his office, including time for travel between his home and the place at which he performs such duties, together with actual traveling and maintenance while away from his home in the performance of his official duties, *provided however*, that the member of the Public Service Commission shall only receive actual traveling and maintenance expenses while attending special meetings held at places other than the Capitol.

§ 9. DIRECTOR OF AERONAUTICS.] The committee shall appoint a director of aeronautics who shall serve at its pleasure. He shall be appointed with due regard to his fitness by reason of his aeronautical education and practical experience. He shall devote his entire time to the duties of his office and shall not be actively engaged in any other business or employment; nor shall he have any pecuniary interest in any civil aeronautics enterprise. He shall receive such compensation as the committee may fix and determine, and shall be reimbursed for all traveling and maintenance expenses in the performance of his official duties, *provided however*, that such salary and expenses so authorized by said committee shall not exceed the amount appropriated for said purposes. The director of aeronautics shall exercise such powers and perform such duties as the committee of aeronautics may confer or impose upon him. He shall be in charge of the office of the committee and be responsible for the preparation of reports, the collection and dissemination of factual data pertaining to the promotion and development of aeronautics, air commerce and the establishment of an adequate system of airways and airports in this state. The director shall, before entering upon the performance

of his official duties, be bonded with the State Bonding Fund in the penal sum of \$10,000.00 conditioned upon the faithful performance of his official duties. The amount of the premium for such bond shall be paid out of funds appropriated therefor. The director shall maintain his office in the Capitol at Bismarck, and all of his acts shall be subject to the supervision and control of the committee of aeronautics.

§ 10. VIOLATIONS AND PENALTIES.] Any person who shall fail to comply with the requirements of or violates any provisions of this act, or rules and regulations made by the aeronautics committee pursuant to the provisions of this act, shall be guilty of a misdemeanor and punishable by a fine of not more than Five Hundred Dollars (\$500.00), or suffer imprisonment for a period not to exceed ninety (90) days, or by both such fine and imprisonment.

§ 11. APPROPRIATION.] There is hereby appropriated out of any moneys in the State Treasury, not otherwise appropriated, the sum of Twenty-five Thousand Dollars, (\$25,000.00) or so much thereof as may be necessary for the purpose of carrying out the provisions of this act.

§ 12. EMERGENCY.] This act is hereby declared to be an emergency measure and shall be in full force and effect from and after its approval.

Approved March 12, 1945.

AIRPORT FUNDS, POLITICAL SUBDIVISIONS

An Act Authorizing counties, cities, villages, park districts and townships to accept federal and other monies for airports and other air navigation facilities and sites therefor; to designate the state aeronautics committee of North Dakota as its agent in connection therewith; to enter into contracts in connection therewith; and declaring an emergency.

Be It Enacted by the Legislative Assembly of the State of North Dakota:

§ 1. AUTHORIZATION TO ACCEPT FEDERAL OR OTHER MONIES.] Any county, city, village, park district, or township is authorized to accept, receive, and receipt for federal monies, and other monies, either public or private, for the acquisition, construction, enlargement, improvement, maintenance, equipment, or operation of airports and

other air navigation facilities, and sites therefor, and to comply with the provisions of the laws of the United States and any rules and regulations made thereunder for the expenditure of federal monies upon such airports and other air navigation facilities.

§ 2. DESIGNATION OF AERONAUTICS COMMITTEE AS AGENT.] The governing body of any political subdivision referred to in section one (1) hereof, is authorized to designate the state aeronautics committee of the state as its agent to accept, receive, and receipt for federal monies in its behalf for airport purposes and to contract for the acquisition, construction, enlargement, improvement, maintenance, equipment or operation of such airports, or other air navigation facilities, and may enter into an agreement with such aeronautics committee prescribing the terms and conditions of such agency in accordance with federal laws, rules and regulations and applicable laws of this state. Such monies as are paid over by the United States government shall be paid over to said municipality under such terms and conditions as may be imposed by the United States government in making such grant.

§ 3. CONTRACTS.] All contracts for the acquisition, construction, enlargement, improvement, maintenance, equipment or operation of airports or other air navigation facilities, made by any of the political subdivisions referred to, by itself or through the agency of the aeronautics committee of the state, shall be made pursuant to the laws of this state governing the making of like contracts; provided, however, that where such acquisition, construction, improvement, enlargement, maintenance, equipment or operation is financed wholly or partly with federal monies the municipality, or the aeronautics committee as its agent, may let contracts in the manner prescribed by the federal authorities, acting under the laws of the United States, and any rules or regulations made thereunder, notwithstanding any other state law to the contrary.

§ 4. EMERGENCY.] This Act is hereby declared an emergency act and shall be in full force and effect from and after its approval.

Approved March 9, 1945.

CHAPTER 40

S. B. No. 56

Introduced by Senators Rue, Nordhougen, Raschko, Schrock,
Brunsdale and Flatt.

AUTHORIZING POLITICAL SUBDIVISIONS PROVIDE
AND REGULATE AIRPORTS

An Act To empower counties, cities, villages, park districts and townships to promulgate, administer, and enforce airport zoning regulations limiting the height of structures and objects of natural growth, and otherwise regulating the use of property, in the vicinity of airports, and to acquire, by purchase, grant, or condemnation, air rights and other interests in land; to provide penalties and remedies for violations of this Act or any ordinance or regulation made under the authority conferred herein; and declaring an emergency.

Be It Enacted by the Legislative Assembly of the State of North Dakota:

§ 1. DEFINITIONS.] As used in this Act, unless the context otherwise requires:

(1) "Airport" means any area of land or water designed and set aside for the landing and taking-off of aircraft and utilized or to be utilized in the interest of the public for such purposes.

(2) "Airport hazard" means any structure or tree or use of land which obstructs the airspace required for the flight of aircraft in landing or taking-off at any airport or is otherwise hazardous to such landing or taking-off of aircraft.

(3) "Airport hazard area" means any area of land or water upon which an airport hazard might be established if not prevented as provided in this Act.

(4) "Political sub-division" means any county, city, village, park district, or township.

(5) "Person" means any individual, firm, co-partnership, corporation, company, association, joint stock association, the State of North Dakota or any political sub-division thereof, and includes any trustee, receiver, assignee, or other similar representative thereof.

(6) "Structure" means any object constructed or installed by man, including, but without limitation, buildings, towers, smokestacks, and overhead transmission lines.

(7) "Tree" means any object of natural growth.

§ 2. AIRPORT HAZARDS CONTRARY TO PUBLIC INTEREST.] It is hereby found that an airport hazard endangers the lives and property of users of the airport and of occupants of land in its vicinity, and

also, if of the obstruction type, in effect reduces the size of the area available for the landing, taking-off and maneuvering of aircraft, thus tending to destroy or impair the utility of the airport and the public investment therein. Accordingly, it is hereby declared: (a) that the creation or establishment of an airport hazard is a public nuisance and an injury to the community served by the airport in question; (b) that it is therefore necessary in the interest of the public health, public safety, and general welfare that the creation or establishment of airport hazards be prevented; and (c) that this should be accomplished, to the extent legally possible, by exercise of the police power, without compensation. It is further declared that both the prevention of the creation or establishment of airport hazards and the elimination, removal, alteration, mitigation or marking and lighting of existing airport hazards are public purposes for which political sub-divisions may raise and expend public funds and acquire land or property interests therein.

§ 3. POWER TO ADOPT AIRPORT ZONING REGULATIONS.] (1) In order to prevent the creation or establishment of airport hazards, every political sub-division having an airport hazard area within its territorial limits may adopt, administer, and enforce, under the police power and in the manner and upon the conditions hereinafter prescribed, airport zoning regulations for such airport hazard area, which regulations may divide such area into zones, and, within such zones, specify the land uses permitted and regulate and restrict the height to which structures and trees may be erected or allowed to grow.

(2) Where an airport is owned or controlled by a political sub-division and any airport hazard area appertaining to such airport is located outside the territorial limits of said political sub-division, the political sub-division owning or controlling the airport and the political sub-division within which the airport hazard area is located may, by ordinance or resolution duly adopted, create a joint airport zoning board, which board shall have the same power to adopt, administer and enforce airport zoning regulations applicable to the airport hazard area in question as that vested by subsection (1) in the political sub-division within which such area is located. Each such joint board shall have as members two representatives appointed by each political sub-division participating in its creation and in addition a chairman elected by a majority of the members so appointed.

(3) If in the judgment of a political sub-division owning or controlling an airport, the political sub-division within which is located an airport hazard area appertaining to that airport, has failed to adopt or enforce reasonably adequate airport zoning regulations for such area under subsection (1) and if that political sub-division has refused to join in creating a joint airport zoning board as authorized in subsection (2), the political sub-division owning or controlling the airport may itself adopt, administer, and enforce airport zoning regulations for the airport hazard area in question. In the event of

conflict between such regulations and any airport zoning regulations adopted by the political sub-division within which the airport hazard area is located the regulations of the political sub-division owning or controlling the airport shall govern and prevail.

§ 4. RELATION TO COMPREHENSIVE ZONING REGULATIONS.]

(1) INCORPORATION.] In the event that a political sub-division has adopted, or hereafter adopts, a comprehensive zoning ordinance regulating, among other things, the height of buildings, any airport zoning regulations applicable to the same area or portion thereof, may be incorporated in and made a part of such comprehensive zoning regulations, and be administered and enforced in connection therewith.

(2) CONFLICT.] In the event of conflict between any airport zoning regulations adopted under this Act and any other regulations applicable to the same area, whether the conflict be with respect to the height of structures or trees, the use of land, or any other matter, and whether such other regulations were adopted by the political sub-division which adopted the airport zoning regulations or by some other political sub-division, the more stringent limitation or requirement shall govern and prevail.

§ 5. PROCEDURE FOR ADOPTION OF ZONING REGULATIONS.]

(1) NOTICE AND HEARING.] No airport zoning regulations shall be adopted, amended, or changed under this Act except by action of the legislative body of the political sub-division in question, or the joint board provided for in Section 3 (2), after a public hearing in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard. At least fifteen (15) days' notice of the hearing shall be published in an official paper, or a paper of general circulation, in the political sub-division or sub-divisions in which is located the airport hazard area to be zoned.

(2) AIRPORT ZONING COMMISSION.] Prior to the initial zoning of any airport hazard area under this Act, the political sub-division or joint airport zoning board which is to adopt the regulations shall appoint a commission, to be known as the airport zoning commission, to recommend the boundaries of the various zones to be established and the regulations to be adopted therefor. Such commission shall make a preliminary report and hold public hearings thereon before submitting its final report, and the legislative body of the political sub-division or the joint airport zoning board shall not hold its public hearings or take other action until it has received the final report of such commission. Where a city plan commission or comprehensive zoning commission already exists, it may be appointed as the airport zoning commission.

§ 6. AIRPORT ZONING REQUIREMENTS.] (1) REASONABLENESS.] All airport zoning regulations adopted under this Act shall

be reasonable and none shall impose any requirement or restriction which is not reasonably necessary to effectuate the purposes of this Act. In determining what regulations it may adopt, each political subdivision and joint airport zoning board shall consider, among other things, the character of the flying operations expected to be conducted at the airport, the nature of the terrain within the airport hazard area, the character of the neighborhood, and the uses to which the property to be zoned is put and adaptable.

(2) NON-CONFORMING USES.] No airport zoning regulations adopted under this Act shall require the removal, lowering, or other change or alteration of any structure or tree not conforming to the regulations when adopted or amended, or otherwise interfere with the continuance of any non-conforming use, except as provided in Section 7 (3).

§ 7. PERMITS AND VARIANCES.] (1) PERMITS.] Any airport zoning regulations adopted under this Act may require that a permit be obtained before any new structure or use may be constructed or established and before any existing use or structure may be substantially changed or substantially altered or repaired. In any event, however, all such regulations shall provide that before any nonconforming structure or tree may be replaced, substantially altered or repaired, rebuilt, allowed to grow higher, or replanted, a permit must be secured from the administrative agency authorized to administer and enforce the regulations, authorizing such replacement, change or repair. No permit shall be granted that would allow the establishment or creation of an airport hazard or permit a non-conforming structure or tree or nonconforming use to be made or become higher or become a greater hazard to air navigation than it was when the applicable regulation was adopted or than it is when the application for a permit is made. Except as provided herein, all applications for permits shall be granted.

(2) VARIANCES.] Any person desiring to erect any structure, or increase the height of any structure, or permit the growth of any tree, or otherwise use his property in violation of airport zoning regulations adopted under this Act, may apply to the Board of Adjustment for a variance from the zoning regulations in question. Such variances shall be allowed where a literal application or enforcement of the regulations would result in practical difficulty or unnecessary hardship and the relief granted would not be contrary to the public interest but do substantial justice and be in accordance with the spirit of the regulations and this Act; provided, that any variance may be allowed subject to any reasonable conditions that the Board of Adjustment may deem necessary to effectuate the purposes of this Act.

(3) HAZARD MARKING AND LIGHTING.] In granting any permit or variance under this section, the administrative agency or

Board of Adjustment may, if it deems such action advisable to effectuate the purpose of this Act and reasonable in the circumstances, so condition such permit or variance as to require the owner of the structure or tree in question to permit the political sub-division, at its own expense, to install, operate, and maintain thereon such markers and lights as may be necessary to indicate to flyers the presence of an airport hazard.

§ 8. APPEALS.] (1) Any person aggrieved, or taxpayer affected, by any decision of an administrative agency made in its administration of airport zoning regulations adopted under this Act, or any governing body of a political sub-division, or any joint airport zoning board, which is of the opinion that a decision of such administrative agency is an improper application of airport zoning regulations of concern to such governing body or board, may appeal to the Board of Adjustment authorized to hear and decide appeals from the decisions of such administrative agency.

(2) All appeals taken under this section must be taken within a reasonable time, as provided by the rules of the board, a notice of appeal specifying the grounds thereof. The agency from which the appeal is taken shall forthwith transmit to the board all the papers constituting the record upon which the action appealed from was taken.

(3) An appeal shall stay all proceedings in furtherance of the action appealed from, unless the agency from which the appeal is taken certifies to the Board, after the notice of appeal has been filed with it, that by reason of the facts stated in the certificate a stay would, in its opinion, cause imminent peril to life or property. In such cases proceedings shall not be stayed otherwise than by order of the Board on notice to the agency from which the appeal is taken and on due cause shown.

(4) The board shall fix a reasonable time for the hearing of appeals, give public notice and due notice to the parties in interest, and decide the same within a reasonable time. Upon the hearing any party may appear in person or by agent or by attorney.

(5) The board may in conformity with the provisions of this Act, reverse or affirm wholly or partly, or modify, the order, requirement, decision, of determination appealed from and may make such order, requirement, decision, or determination as ought to be made, and to that end shall have all the powers of the administrative agency from which the appeal is taken.

§ 9. ADMINISTRATION OF AIRPORT ZONING REGULATIONS.] All airport zoning regulations adopted under this Act shall provide for the administration and enforcement of such regulations by an administrative agency which may be an agency created by such regulations or any official, board, or other existing agency of the political sub-

division adopting the regulations or of one of the political subdivisions which participated in the creation of the joint airport zoning board adopting the regulations, if satisfactory to that political subdivision, but in no case shall such administrative agency be or include any member of the Board of Adjustment. The duties of any administrative agency designated pursuant to this Act shall include that of hearing and deciding all permits under Section 7 (1), but such agency shall not have or exercise any of the powers herein delegated to the Board of Adjustment.

§ 10. BOARD OF ADJUSTMENT.] (1) All airport zoning regulations adopted under this Act shall provide for a Board of Adjustment to have and exercise the following powers:

(a) To hear and decide appeals from any order, requirement, decision, or determination made by the administrative agency in the enforcement of the airport zoning regulations, as provided in Section 8.

(b) To hear and decide any special exceptions to the terms of the airport zoning regulations upon which such board may be required to pass under such regulations.

(c) To hear and decide specific variances under Section 7 (2).

(2) Where a zoning board of appeals or adjustment already exists, it may be appointed as the Board of Adjustment. Otherwise, the Board of Adjustment shall consist of five (5) members, each to be appointed for a term of three (3) years by the authority adopting the regulations and to be removable by the appointing authority for cause, upon written charges and after public hearing.

(3) The concurring vote of a majority of the members of the Board of Adjustment shall be sufficient to reverse any order, requirement, decision, or determination of the administrative agency, or to decide in favor of the applicant on any matter upon which it is required to pass under the airport zoning regulations, or to effect any variation in such regulations.

(4) The board shall adopt rules in accordance with the provisions of the ordinance or resolution by which it was created. Meetings of the board shall be held at the call of the chairman and at such other times as the board may determine. The chairman, or in his absence the acting chairman, may administer oaths and compel the attendance of witnesses. All hearings of the board shall be public. The board shall keep minutes of its proceedings, showing the vote of each member upon each question, or, if absent, or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall immediately be filed in the office of the board and shall be a public record.

§ 11. JUDICIAL REVIEW.] (1) Any person, aggrieved, or

taxpayer affected, by any decision of a Board of Adjustment, or any governing body of a political sub-division or any joint airport zoning board which is of the opinion that a decision of a Board of Adjustment is illegal, may present to the district court a verified petition setting forth that the decision is illegal, in whole or in part, and specifying the grounds of the illegality. Such petition shall be presented to the court within fifteen (15) days after the decision is filed in the office of the board.

(2) Upon presentation of such petition the court may allow a writ of certiorari directed to the Board of Adjustment to review such decision of the board. The allowance of the writ shall not stay proceedings upon the decision appealed from, but the court may, on application, on notice to the board and on due cause shown, grant a restraining order.

(3) The Board of Adjustment shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof or of such portions thereof as may be called for by the writ. The return shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from and shall be verified.

(4) The court shall have exclusive jurisdiction to affirm, modify, or set aside the decision brought up for review, in whole or in part, and if need be, to order further proceedings by the Board of Adjustment. The findings of fact of the board, if supported by substantial evidence, shall be accepted by the court as conclusive, and no objection to a decision of the board shall be considered by the court unless such objection shall have been urged before the board, or, if it was not so urged, unless there were reasonable grounds for failure to do so.

(5) Costs shall not be allowed against the Board of Adjustment unless it appears to the court that it acted with gross negligence, in bad faith, or with malice, in making the decision appealed from.

(6) In any case in which airport zoning regulations adopted under this Act, although generally reasonable, are held by a court to interfere with the use or enjoyment of a particular structure or parcel of land to such an extent, or to be so onerous in their application to such a structure or parcel of land, as to constitute a taking or deprivation of that property in violation of the Constitution of this state or the Constitution of the United States, such holding shall not affect the application of such regulations to other structures and parcels of land.

§ 12. ENFORCEMENT AND REMEDIES.] Each violation of this Act or of any regulations, orders, or rulings promulgated or made pursuant to this Act, shall constitute a misdemeanor and shall be punishable by a fine of not more than five hundred dollars (\$500.00)

or imprisonment for not more than ninety (90) days or by both such fine and imprisonment, and each day a violation continues to exist shall constitute a separate offense. In addition, the political subdivision or agency adopting zoning regulations under this Act may institute in any court of competent jurisdiction, an action to prevent, restrain, correct or abate any violation of this Act, or of airport zoning regulations adopted under this Act, or of any order or ruling made in connection with their administration or enforcement, and the court shall adjudge to the plaintiff such relief, by way of injunction (which may be mandatory) or otherwise, as may be proper under all the facts and circumstances of the case, in order fully to effectuate the purposes of this Act and of the regulations adopted and orders and rulings made pursuant thereto.

§ 13. ACQUISITION OF AIR RIGHTS.] In any case in which: (1) it is desired to remove, lower, or otherwise terminate a non-conforming structure or use; or (2) the approach protection necessary cannot, because of constitutional limitations, be provided by airport zoning regulations under this Act; or (3) it appears advisable that the necessary approach protection be provided by acquisition of property rights rather than by airport zoning regulations, the political sub-division within which the property or non-conforming use is located or the political sub-division owning the airport or served by it may acquire, by purchase, grant, or condemnation in the manner provided by the law under which political sub-divisions are authorized to acquire real property for public purposes, such air right, navigation easement, or other estate or interest in the property or non-conforming structure or use in question as may be necessary to effectuate the purposes of this Act.

§ 14. SEVERABILITY.] If any provision of this Act or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect the provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

§ 15. SHORT TITLE.] This Act shall be known and may be cited as the "Airport Zoning Act."

§ 16. REPEAL.] All acts or parts of acts which are inconsistent with the provisions of this Act are hereby repealed.

§ 17. EMERGENCY.] This Act is hereby declared an emergency Act and shall be in full force and effect from and after its approval.

of any such violation or violations committed by such licensee within their jurisdiction to file such an affidavit with the Attorney General. Such affidavit shall state the facts constituting the violation or violations of law charged therein with such clarity and certainty that the licensee may be reasonably apprised of the offense or offenses alleged to have been committed by him. Upon receipt of any such affidavit, it shall be the duty of the Attorney General to set the matter down for hearing at an early date. The Attorney General shall mail by registered mail to the retailer a copy of the affidavit together with a notice of the time and place of hearing thereon, which date of hearing shall not be less than ten (10) days after such copy of affidavit and notice has been mailed to the retailer.

§ 8. HEARING, PLACE OF.] The Attorney General or any competent employee of his office whom he may select may conduct any hearing herein provided for, but any employee so conducting the hearing shall report his findings and conclusions to the Attorney General for appropriate action by such Attorney General. Such shall be held at the county seat of the county in which the licensed premises are situated.

§ 9. SUSPENSION OR REVOCATION OF LICENSE.] If, after such hearing, the Attorney General finds that the violation or violations charged in the affidavit have been established by the evidence, he shall order the revocation or suspension of the license. If the Attorney General finds that the licensee has not previously violated the law in the operation of his licensed business and that no license held by him has previously been suspended or revoked and if it appears to the satisfaction of the Attorney General that there is reasonable ground to believe that the licensee will not again commit the offense or offenses charged in the affidavit and that to revoke the license would be unduly severe, then the Attorney General may, in his discretion, suspend the license for such period of time as he deems proper.

§ 10. WITNESSES.] The Attorney General or other employee of his office authorized herein to conduct any hearing shall have the power to subpoena witnesses, to compel their attendance, and to administer oaths. Such witnesses shall be allowed a fee of \$4.00 per day, together with their mileage in attending such hearing at the rate of five cents per mile, such fees and expenses to be paid by the State Treasurer on voucher duly approved by the Attorney General.

§ 11. REVIEW BY THE COURT.] The action of the Attorney General in revoking or suspending a license may be appealed to the district court of the county and district in which the premises described in the license are located by procedure applicable to appeals from Justice Court except that the Attorney General's order revoking or suspending the license may be stayed by the court appealed to

upon filing with the clerk of said court a bond approved by and in the amount set by the Judge of said district court for the faithful observance of the laws of the state relative to the operation of the business licensed during the pendency of the appeal.

The revocation or suspension of a licensee's municipal or county license shall automatically revoke or suspend such licensee's state license.

§ 12. DUTY TO ENFORCE.] The Attorney General, his inspectors and all peace officers in the State of North Dakota shall be charged with the duty of diligently enforcing the provisions of this act and all other provisions of law relating to the manufacture and sale of beer, alcohol or alcoholic beverages and the failure to so diligently perform such duties shall be grounds for removal from office.

§ 13. Before selling, serving or dispensing to any person any beer, alcohol or alcoholic beverage, a licensee, his agent or employee may require a statement in writing and signed by said person of such person's age. Any person who makes a false statement as to his or her age is guilty of a misdemeanor and shall be punished by a fine of not to exceed one hundred dollars (\$100.00) or by imprisonment for not to exceed thirty (30) days or by both such fine and imprisonment.

§ 14. APPROPRIATION.] There is hereby appropriated out of any monies in the State Treasury, not otherwise appropriated, the sum of \$35,000 or so much thereof as may be necessary for the purpose of defraying expenses of the licensing and enforcement purposes of this act.

§ 15. The provisions of this act shall not be construed as exclusive and shall in no manner repeal or abolish any restrictions or regulations now contained in any law, resolution or ordinance for the conduct and operation of such business, enacted by the legislative assembly and the governing board of any city, village or county.

§ 16. REPEAL.] Any acts or parts of acts in conflict with any of the provisions of this act, including any provision or provisions of that initiated measure adopted at a special election held on September 22, 1933, as amended, known as the North Dakota Beer Act, and of that initiated measure adopted at the general election held on November 3, 1936, as amended, known as the Liquor Control Act, excluding, however, Chapter 5-04 of the North Dakota Revised Code of 1943 in conflict with any of the provisions of this act, are hereby expressly repealed.

§ 17. EMERGENCY.] This act is hereby declared to be an emergency measure and shall be in full force and operation from and after its passage and approval.

Approved March 13, 1945.

§ 26-0340. STANDARD FIRE INSURANCE POLICY.] No policy or contract of fire insurance, including a renewal thereof, shall be made, issued, used or delivered by any insurer or by any agent or representative thereof, on property within this state other than such as shall conform in all particulars as to blanks, size of type, context, provisions, agreements and conditions with the 1943 Standard Fire Insurance Policy of the State of New York, a copy of which shall be filed in the office of the Commissioner of Insurance as standard policy for this State, and no other or different provision, agreement, condition or clause shall in any manner be made a part of such contract or policy or be endorsed thereon or delivered therewith, except as follows:

2. Printed or written forms of description and specifications or schedules of the property covered by any particular policy

and any other matter necessary to express clearly all the facts and conditions of insurance on any particular risk, which facts or conditions shall in no case be inconsistent with or a waiver of any of the provisions or conditions of the standard policy herein provided for, may be written upon or attached or appended to any policy issued on property in this state. Appropriate forms of supplemental contracts, contracts or endorsements, whereby the interest in the property described in such policy shall be insured against one or more of the perils which insurer is empowered to assume, may be used in connection with the standard policy. Such forms of contracts, supplemental contracts or endorsements attached or printed thereon may contain provisions and stipulations inconsistent with the standard policy if applicable only to such other perils. The first page of the standard policy may be rearranged to provide space for the listing of rates and premiums for coverages insured thereunder or under endorsements attached or printed thereon, and such other data as may be included for duplication on daily reports for office records.

3. A company, corporation or association organized or incorporated under and in pursuance of the laws of this state or elsewhere, if entitled to do business in this state, may with the approval of the Commissioner of Insurance, if the same is not already included in the standard form as filed in the office of the Commissioner of Insurance, print on its policies, any provision which it is required by law to insert therein, if said provision is not in conflict with the laws of this state or the United States, or of the provisions of the standard form provided for herein, but said provision shall be printed apart from the other provisions, agreements or conditions of the policy and in type not smaller than the body of the policy and a separate title, as follows: "Provisions required by law to be stated in this policy," and be a part of said policy.
4. There may be endorsed on the outside of any policy herein provided for the name, with the word "Agent or Agents" and place of business, of any insurance agent or agents, either by writing, printing, stamping or otherwise. There may also be added, with the approval of the Commissioner of Insurance, a statement of the group of companies with which the company is financially affiliated.
5. When two or more companies, each having previously complied with the laws of this state, unite to issue a joint policy, there may be expressed in head line of each policy the fact of the severalty of the contract; also the proportion of premiums to be paid to each company and the proportion of

liability which each company agrees to assume. And in the printed conditions of such policy the necessary change may be made from the singular to plural number, when reference is had to the companies issuing such policy.

6. Provided, however, that this section shall not apply to automobile insurance, and provided also that by and with the approval of the Insurance Commissioner, a combined farm policy may be used, the fire portion of which shall be substantially in accord with the fire insurance policy herein provided, but no policy or contract issued under the provisions of this Act shall contain a limitation of less than five years for the bringing of any suit or action thereunder.
7. That the standard form of policy herein provided for shall be construed as an interest policy and shall be so construed as to at all times protect the interest, whatever it may be, of any named insured. Provided, however, that a five day grace period shall be allowed after the execution of any written instrument transferring interest in insured property during which full protection shall be granted under the terms of the policy.
8. In case of other coverage on the same peril, the liability of each insurer shall not be for any greater amount or proportion of the loss than the ratio such insurance shall bear to the valid and collectible whole insurance covering the property against the peril involved.

§ 2.] This Act shall be effective on July 1, 1945, provided, however, that any company authorized to transact business in this state on and after July 1, 1945, which is issuing a form of fire policy not in conformity with this section may continue issuing the same for a period of one year next following such date, on condition that any such policy so issued shall be construed as subject to the provisions, stipulations, agreements and conditions of the said 1943 Standard Fire Insurance Policy of the State of New York and to the terms and conditions of the forms and endorsements added thereto.

§ 3.] Provided, however, that the Standard Fire Insurance Policy provided for herein shall be construed to be a Valid Policy as defined under the provisions of Section 26-0303 of the North Dakota Revised Code of 1943.

Be It Enacted by the Legislative Assembly of the State of North Dakota:

§ 1. AMENDMENT.] Section 28-1509 and Section 28-1510 of the North Dakota Revised Code of 1943 (Vol. 3), are hereby amended and re-enacted to read as follows:

28-1509 and 28-1510. MOTION FOR DIRECTED VERDICT, AND JUDGMENT NOTWITHSTANDING VERDICT.] When at the close of the testimony any party to the action moves the court to direct a verdict in his favor, and the adverse party objects thereto, such motion shall be denied and the Court shall submit to the jury such issue or issues, within the pleadings on which any evidence has been taken, as either or any party to the action shall request, but upon subsequent motion, by such moving party after verdict rendered in such action, that judgment be entered notwithstanding the verdict, or if the jury have failed to agree upon a verdict, for a directed verdict, the Court shall grant the same if, upon the evidence as it stood at the time such motion to direct a verdict was made, the moving party was entitled to such directed verdict. An order for judgment notwithstanding the verdict may also be made on a motion in the alternative form asking therefor, or if the same be denied, for a new trial. Such motion, singly or in the alternative, may be made either before or after entry of judgment. The ruling on the motion for a directed verdict may be reviewed by the Supreme Court without a motion for judgment notwithstanding the verdict or a motion in the alternative for such judgment or for a new trial having been first made in the trial court. If the motion for judgment notwithstanding the verdict be denied, the Supreme Court, on appeal from the judgment, may order judgment to be entered, when it appears from the testimony that a verdict should have been so directed; and it may also so order on appeal from the whole order denying such motion when made in the alternative form whether a new trial was granted or denied by such order.

§ 2. The terms and provisions of this act shall apply to any and all actions pending in any of the courts of the State.

§ 3. EMERGENCY.] An emergency is hereby declared to exist

32-3101. In any case in which real estate has been sold at tax sale for general taxes, for special assessments, for hail indemnity taxes, for assessments of irrigation districts, for drain assessments, or for both general taxes and any such special taxes or assessments, the District Court of the proper county shall have jurisdiction in an action in equity brought for that purpose to foreclose the lien of the delinquent taxes and assessments for which such land was sold and to enter judgment foreclosing the same and decreeing that the same shall be sold under special execution in a manner similar to that prescribed in case of the foreclosure by action of a mortgage or other lien upon real property.

If in such action it shall appear that the taxes or assessments, or the tax certificate, are invalid or void by reason of non-compliance with the law, the Court shall determine the true and just amount which the property attempted to be so assessed should pay to make the same uniform with other taxes and assessments for the same purpose, and judgment must be rendered and given against the property liable for such taxes or assessments without regard to the proceedings had for the levy thereof, and such judgment shall be a lien upon the property upon which the taxes or assessments shall have been levied, of equal force and effect as the lien of the tax or assessment, and the lien of such judgment shall be enforced by the Court in such action.

GRAVEL SURFACING CITY STREETS

An Act To provide for the gravel surfacing of streets in cities and for the payment therefor through special assessments against the property benefited.

Be It Enacted by the Legislative Assembly of the State of North Dakota:

§ 1. On or before the 15th day of March in each year, the City Auditor of each city within the state may at the discretion of the governing board advertise in the official newspaper once each week for two consecutive weeks for bids for the furnishing of gravel in place for gravel surfacing of highways within the city, upon a cubic yard basis. The bids shall be made in accordance with

such specifications as to type, grade and quality of material as shall be specified by the city engineer and approved by the governing board, and shall provide for the delivery of such gravel along such streets of the city as may thereafter be designated, in such manner as may be designated in the specifications. The notice shall specify that payment for such gravel in cash or by special assessment warrants issued against the Graveling Special Assessment Fund created by this act, and each bidder shall specify in his bid the lowest rate of interest which he will accept upon such warrants, and that payment for such gravel will be accepted by him in the manner herein provided without any general obligation against the city. Each bid shall be accompanied by a certified check in such amount as may be fixed by the governing board, and the award of the contract shall be made only to such persons who shall furnish good and sufficient bond for the performance thereof, in such amount as shall be fixed by the governing board at the time of calling for bids.

§ 2. If bids have been called for at the first regular meeting of the governing body in the month of April in each year the bids shall be opened and the contract for the furnishing of gravel shall be awarded to the lowest responsible bidder who has complied with the requirements of this act. If the City Auditor shall have failed to advertise for bids before the 15th day of March, or if the governing body shall have failed to award the contract at a meeting in April, such advertisement for bids and such award may be made subsequently upon the same basis as if made at the time provided in this act.

§ 3. Upon petition of the owners of not less than fifty percent of the property, measured by front feet, on both sides of any street or portion thereof, not less than one block in length, for gravel surfacing of such street or portion thereof, the governing board may give notice of such petition and of a time and place for hearing thereon, by publication once in each week for two successive weeks prior to such hearing, the first such publication to be not less than ten days before such hearing. At the time and place of such hearing the governing board shall consider and determine the desirability and necessity of the graveling of such street or portion thereof, the ownership and use of the property adjoining said street, the probability or lack of probability of special assessments for such graveling being paid, and the necessity, from the standpoint of the municipality, of such graveling being undertaken, and shall thereupon determine whether or not such project shall be undertaken, and its decision thereon shall be final.

§ 4. If the governing board shall determine that such graveling project should be undertaken, it shall direct its street department to prepare the surface of such street or portion thereof for such gravel surfacing, and the city engineer shall notify and direct

the holder of the contract for the furnishing of gravel for such year to deliver in place sufficient gravel to accomplish the gravel surfacing of said street, specifying the number of yards, including intersections if so determined by the governing board, within a reasonable time to be specified in such notice. The holder of such contract shall within such time deliver said gravel in accordance with such instructions and the street department shall spread said gravel and complete the necessary work for the gravel surfacing of said street or portion thereof. Each such project shall be designated as a particular graveling district by number.

§ 5. The entire cost of furnishing gravel, together with the cost of the legal notices and engineering services involved, and including the cost of gravel used at street intersections, shall thereupon be assessed against the property adjoining such street upon a front foot basis by the city engineer. The city engineer shall return his assessments of such cost and file the same in the office of the City Auditor, who shall cause such assessment, together with a notice of the time and place when and where the governing body will meet to consider the approval thereof, to be published in one issue of the official newspaper at least ten days prior to the meeting of the governing body at which the approval of such assessment will be considered. Upon such hearing the decision of the Board shall be final.

§ 6. On or before the 1st day of September of each year, the City Auditor shall deliver to the County Auditor a duplicate of all assessment rolls containing assessments made under the provisions of this chapter, and the County Auditor shall extend the assessments in the proper column against the property assessed. Such assessments shall be collected and the payment thereof enforced as county and state taxes are collected and enforced and such assessments shall constitute a lien against the property designated in the same manner and to the same extent as other special assessments. When collected, the assessments shall be paid over by the County Treasurer to the municipal treasurer in the same manner as other taxes.

§ 7. The City Auditor shall keep in his office a book called "Graveling Assessment Book" and shall enter therein the costs certified by the city engineer and governing body as an assessment against the lots or parcels of land adjoining any such graveling project constructed under the provisions of this act, and the names of the owners of such lots or parcels of land, if the same are known to him.

§ 8. All assessments for gravel projects shall be payable in equal annual amounts extending over such period as may be determined by the governing body, not exceeding three years, and shall bear interest at a rate of not more than six percent per annum on the total amount of such assessments remaining from time to time

unpaid. Anyone who chooses to pay such assessments in one single payment may do so, and anyone who has paid any one or more installments may pay the balance in one payment. When the assessment against any lot or tract shall have been paid the lien against said lot or tract shall be cancelled and annulled.

§ 9. All monies received by a municipality from assessments for any graveling project shall be kept in a separate fund designated as "Graveling District Number_-----." Warrants shall be drawn on such fund for the payment of the cost of such gravel project.

§ 10. All gravel assessment warrants shall be payable as specified and in such amounts as in the judgment of the governing body will be provided by such special assessments. Such shall bear interest at the rate of not more than six percent per annum, and interest shall be payable annually. They may have coupons attached representing each year's interest. The warrants shall state on their face the purpose for which they were issued, and from what fund they are payable, and shall be signed by the executive officer and countersigned by the City Auditor under the seal of the municipality, and shall be in denominations of not to exceed one thousand dollars (\$1,000.00) each. Such warrants shall specifically recite that the City assumes no general responsibility for the payment thereof, and that they are payable solely and only out of such designated Graveling District Fund. Such warrants shall be used in making payment on the contract for the furnishing of gravel, or may be sold for cash at not less than par value thereof, and the proceeds credited to the special fund and used to pay for such gravel project.

§ 11. The treasurer of the municipality shall pay such special gravel assessment warrants and interest coupons as they mature and are presented for payment out of the Graveling Special Fund, and shall cancel the same when paid.

§ 12. It is the intent of this act to provide an optional and discretionary method of graveling streets and levying special assessments therefor in addition to those provided by existing statutes, and in all matters not specifically provided for in this act the provisions of Chapters 40-23, 40-24, and 40-25 of the North Dakota Revised Code of 1943 shall govern.

52-0105. DECLARATION OF PUBLIC POLICY.] As a guide to the interpretation and application of this Act, the public policy of this state is declared to be as follows: Economic insecurity due to unemployment is a serious menace to the health, morals and welfare. Economic insecurity due to unemployment is therefore a subject of general interest and concern which requires appropriate action by the legislature to prevent its spread and to lighten its burdens. This can be provided by encouraging employers to provide more stable employment and by the systematic accumulation of funds during periods of employment to provide benefits for periods of unemployment, thus maintaining purchasing power and limiting the serious social consequences of poor relief assistance. The legislature,

therefore, declares that in its considered judgment the public good and the general welfare of the citizens of this state will be promoted by providing, under the police powers of the state, for the compulsory setting aside of unemployment reserves to be used for the benefit of persons unemployed through no fault of their own.

52-0106. SAVING CLAUSE.] The legislature reserves the right to amend or repeal all or any part of this title at any time; and there shall be no vested private right of any kind against such amendment or repeal. All the rights, privileges, or immunities conferred by this title or by acts done pursuant thereto shall exist subject to the power of the legislature to amend or repeal this title at any time.

52-0107. SEPARABILITY OF PROVISIONS.] If any provision of this title, or the application thereof to any person or circumstance, is held invalid, the remainder of this title, and the application of such provision to other persons or circumstances, shall not be affected thereby.

The "North Dakota State Employment Service" also shall constitute a division of the workmen's compensation bureau, and together with the unemployment compensation division shall constitute two coordinate divisions of such bureau, each of which shall be administered by a full-time salaried director, who shall be subject to the supervision and direction of the bureau. In addition to compensation received as commissioners of the bureau, each of the three commissioners of the bureau may receive and retain as remuneration for their services under this chapter such sums as the United States government or the federal social security board may allow to them, not to exceed the sum of twelve hundred dollars per annum. Each division of the bureau shall be responsible for the discharge of its distinctive functions. Each division shall be a separate administrative unit with respect to personnel, budgets, and duties, except insofar as the bureau may find that such separation is impractical because of the small size of the territory served or of the volume of work performed. The bureau may appoint, fix the compensation of, and prescribe the duties

of the director of the unemployment compensation division. Such appointment shall be made on a nonpartisan merit basis.

§ 3. AMENDMENT.] That 52-0215 of the North Dakota Revised Code of 1943 is hereby amended and re-enacted to read as follows:

52-0215. RECIPROCAL ARRANGEMENTS WITH OTHER STATES AND FEDERAL GOVERNMENT.] The bureau may enter into reciprocal arrangements with appropriate and duly authorized agencies of other states or of the federal government or both, whereby:

 - c. In which the employing unit maintains a place of business if there is in effect as to such services, an election, approved by the agency charged with the administration of such state's unemployment compensation law, pursuant to which all the services performed by such individual for such employing unit, are deemed to be entirely within such state;
2. Potential rights to benefits accumulated under the unemployment compensation laws of one or more states or under one or more such laws of the federal government, or both, may constitute the basis for the payment of benefits through a single appropriate agency under terms which the bureau finds will be fair and reasonable as to all affected interests and will not result in any substantial loss to the fund;
3. Wages or services, upon the basis of which an individual may become entitled to benefits under an unemployment compensation law of another state or of the federal government, shall be deemed to be wages for insured work for the purpose of determining his rights to benefits under this title, and wages for insured work, on the basis of which an individual may become entitled to benefits under this title, shall be deemed to be wages or services on the basis of which unemployment compensation under such law of another state or of the federal government is payable. No such arrangement shall be entered into unless it contains provisions for reimbursements to the fund for such of the benefits paid under this title upon the basis of such wages or services, and provisions for reimbursements from the fund for such of the compensation paid under such other law upon the basis of wages for insured work, as the bureau

finds will be fair and reasonable as to all affected interests; and

4. Contributions due under this title with respect to wages for insured work, for the purposes of sections 52-0411 to 52-0414, inclusive, shall be deemed to have been paid to the fund as of the date payment was made as contributions therefore under another state or federal unemployment compensation law, but no such arrangement shall be entered into unless it contains provisions for such reimbursements to the fund of such contributions and the actual earnings thereon as the bureau finds will be fair and reasonable as to all affected interests.

§ 4. AMENDMENT.] That 52-0301 of the North Dakota Revised Code of 1943 is hereby amended and re-enacted to read as follows:

52-0301. UNEMPLOYMENT COMPENSATION FUND: MAINTAINING AND ADMINISTERING; WHAT CONSTITUTES.] A Special fund, separate and apart from all public moneys or funds of this state, and known as the "Unemployment Compensation Fund," shall be maintained in the state treasury and shall be administered by the bureau exclusively for the purposes of this title. 2. All fines and penalties collected pursuant to the provisions of this title;
3. Interest earned upon any moneys in the fund;
4. Any property or securities acquired through the use of moneys belonging to the fund; and
5. All earnings of such property or securities.

In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to one-half cent or more, in which case it shall be increased to one cent.

52-0402. RATES AND BASE OF CONTRIBUTIONS OF WAGES PAY-

2. After December 31, 1941, the percentage shall be determined pursuant to sections 52-0404 to 52-0410, inclusive.

52-0404. SEPARATE ACCOUNT OF EMPLOYERS CONTRIBUTIONS KEPT.] The bureau shall maintain a separate account for each employer showing his contributions, and shall credit his account with all the contributions paid by him since January 1, 1937. The provisions of this title shall not be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by the employer into the fund.

52-0405. STANDARD RATE OF CONTRIBUTIONS; REDUCTION OF RATES.] The standard rate of contributions payable by each employer shall be two and seven-tenths percent. No employer's rate shall be reduced below the standard rate for any succeeding calendar year unless and until his account has been chargeable with benefits throughout the thirty-six-consecutive-calendar-month period ending on December thirty-first of the preceding calendar year.

52-0406. VARIATIONS IN STANDARD RATE OF CONTRIBUTIONS; HOW DETERMINED.] Variations from the standard rate of contributions shall be determined in accordance with the following requirements:

1. If the total of all an employer's contributions paid on or before January thirty-first of any year subsequent to December thirty-first, 1941, with respect to wages paid by him prior to the first day of January of that calendar year exceeds the total benefits which were chargeable to his account and were paid on or before December thirty-first of the preceding year with respect to weeks of unemployment compensated prior to such first day of January, his contribution rate for the ensuing calendar year shall be:

 - g. One-half of one percent, if such excess equals or exceeds fifteen percent of his average annual payroll.
2. If the total benefits chargeable against an employers account for all periods prior to January first of such calendar year, including benefits paid on or before January first, with respect to weeks of unemployment compensated prior to January first, exceed the total contributions paid by such employer for the same period, including contributions paid on or before January thirty-first with respect to wages paid prior to January first of the same year, his contribution rate for the ensuing calendar year shall be two and seven-tenths percent ;
 3. No employer's rate for the period of twelve months commencing January first of any calendar year shall be less than two and seven-tenths percent unless the total assets of the fund, excluding contributions not yet paid at the beginning of such calendar year, exceed the total benefits paid from the fund within the last preceding calendar year ; and no employer's rate shall be less than two percent unless such assets at such time were at least twice the total benefits paid from the fund within such last preceding year ;

The amount of benefits so chargeable against each base-period employer's account shall bear the same ratio to the total benefits paid to an individual as the base-period wages paid to the individual by such employer bear to the total amount of the base-period wages paid to the individual by all his base-period employers.

52-0408. REORGANIZED EMPLOYING UNITS CONSIDERED SINGLE EMPLOYING UNIT; WHEN.] For the purpose of establishing benefit experience and fixing contributions to be paid an employing unit which in any manner succeeds to or acquired substantially all of the organization, trade, business, or the assets thereof, of any employing unit shall upon request be substituted to the position and all rights of the predecessor employing unit with respect to such predecessor employing unit's separate account, actual contributions and benefit experience, annual pay roll, or otherwise, as if no change with respect to such separate account, contributions and benefit experience, pay rolls or otherwise had occurred. The bureau upon notification thereof shall forthwith transfer to such succeeding employing unit all rights, accounts, contributions, benefit experience and all ratings of such predecessor employing unit in accordance with such regulations as the bureau may prescribe; provided that if good cause can be shown to the bureau why such transfer would be inequitable, the bureau may refuse the same.

52-0409. CLASSIFICATION OF EMPLOYERS TO DETERMINE CONTRIBUTIONS; REGULATIONS GOVERNING.] For the year 1942 and for each calendar year thereafter, the bureau shall classify employers in accordance with their actual experience in the payment of contributions and with respect to benefits charged against their accounts, with a view to fixing such contribution rates as will reflect such benefit experience. Each employer's rate for any calendar year shall be determined on the basis of his record as of January first of that calendar year. If, as of the date such classification of employers is made, the bureau finds that any employing unit has failed to file any report required in connection therewith, or has filed a report which the bureau finds incorrect or insufficient, the bureau shall make an estimate of the information required from such employing unit on the basis of the best evidence reasonably available to the bureau at the time, and shall notify the employing unit thereof by registered mail addressed to its last known address. Unless such employing unit shall file the report, or a corrected or sufficient report, as the case may be, within fifteen days after the mailing of such notice, the bureau shall compute such employing unit's rate of contributions on the basis of such estimates and the rate thus determined shall be subject to increase but not to reduction on the basis of subsequently ascertained information.

52-0410. CONTRIBUTIONS FOR ENSUING YEAR; NOTIFICATION OF; REVIEW OF.] The Bureau shall notify promptly each employer of his rate of contributions as determined for each ensuing year not later than March thirty-first of such ensuing year. Such contributions shall be computed pursuant to the provisions of this chapter. Such determination shall become conclusive and binding upon the employer unless, within fifteen days after the mailing of the notice thereof to his last known address, or in the absence of the

mailing, within fifteen days after the delivery of such notice, the employer files an application for review and redetermination, setting forth his reasons therefor. If the bureau grants such review, the employer shall be notified promptly thereof and shall be granted an opportunity for a hearing, but no employer shall have standing, in any proceeding involving his rate of contributions or contribution liability, to contest the chargeability to his account of any benefits paid in accordance with a determination, redetermination, or decision pursuant to the provisions of chapter 6 of this title except upon the ground that the services on the basis of which such benefits were found to be chargeable did not constitute the services performed in employment for him and only in the event that he was not a party to such determination, redetermination, or decision or to any other proceedings under this chapter in which the character of these services was determined. The employer shall be notified promptly of the bureau's denial of his application, or of the bureau's redetermination, both of which shall become final unless within fifteen days after the mailing of notice thereof to his last known address or in the absence of mailing, within fifteen days after delivery of such notice, a petition for judicial review is filed in the district court of Burleigh County. Any proceeding before the court under the terms of this section shall be had in accordance with the provisions in chapter 6 of this title with respect to court review.

52-0411. UNPAID CONTRIBUTIONS TO BEAR INTEREST; INTEREST COLLECTED PAID INTO UNEMPLOYMENT COMPENSATION FUND.] Contributions unpaid on the date on which they are due and payable as prescribed by the bureau shall bear interest at the rate of one-half of one percent per month from and after such date until the payment plus the accrued interest is received by the bureau; except that in case of willful failure to file the reports and pay the contributions required by this chapter, there shall be added in addition to the interest five per centum of the contributions if the failure is for not more than sixty days, with an additional five per centum for each additional sixty days or fraction thereof during which such failure continues but not exceeding twenty-five per centum in the aggregate, exclusive of interest. The amount added pursuant to the provisions of this section shall be collected at the same time and in the same manner and as a part of the contributions and shall be paid into the unemployment trust fund.

52-0412. CIVIL ACTION TO COLLECT CONTRIBUTIONS OR INTEREST; PRIORITY OF ACTION ON CALENDAR.] After due notice, if any employer defaults in any payment of contributions or interest thereon, the amount due shall be collected by a civil action in the name of the bureau and the employer adjudged in default shall pay the cost of such action. Civil actions brought under this section to collect contributions or interest thereon, from an employer shall be

heard by the court at the earliest possible date, and shall be entitled to preference upon the calendar of the court over all other civil actions except petitions for judicial review under chapter 6 of this title and cases arising under the workmen's compensation law of this state.

52-0413. PRIORITY RIGHTS TO CONTRIBUTIONS UPON LEGAL DISSOLUTIONS OR DISTRIBUTIONS.] In the event of any distribution of an employer's assets pursuant to an order of any court under the laws of this state, including any receivership, assignment for the benefits of creditors, adjudicated insolvency, composition, or similar proceeding, contributions then or thereafter due shall be paid in full prior to all other claims except taxes and claims for wages of not more than two hundred and fifty dollars to each claimant, earned within four months of the commencement of the proceeding. In the event of an employer's adjudication in bankruptcy, judicially confirmed extension proposal, or composition, under the Federal Bankruptcy Act of 1898, as amended, contributions then or thereafter due shall be entitled to such priority as is provided in section 64a of that act, United States Code Title 11, section 104b, as amended.

52-0414. ADJUSTMENT AND REFUND OF CONTRIBUTIONS.] Not later than one year after the date on which any contributions or interest thereon became due, if an employer has paid such contributions or interest thereon shall make application for an adjustment thereof in connection with subsequent contribution payments, or for a refund thereof because such adjustment cannot be made, and the bureau shall determine that such contributions or interest or any portion thereof was collected erroneously, the bureau shall allow such employer to make an adjustment thereof, without interest, in connection with subsequent contribution payments by him, or if such adjustment cannot be made, the bureau shall refund said amount, without interest, from the fund. For like cause and within the same period, an adjustment or refund may be made on the bureau's own initiative.

52-0415. REFUND OF MONEYS NOT AUTHORIZED BY PROVISIONS OF TITLE.] Nothing in this title shall be construed to authorize any refund of moneys due and payable under the law and regulations in effect at the time such moneys were paid.

52-0416. PERIOD OF LIMITATIONS UPON ASSESSMENT OF CONTRIBUTIONS.] The amount of contributions imposed by this title shall be assessed within three years after the return was filed, and no proceedings in court for the collection of such contributions shall be begun after the expiration of such period; provided, however, that in the case of a false or fraudulent return, or the willful failure to file a return with intent to evade the payment of contributions,

the contributions may be assessed or a proceeding in court for the collection of such contributions shall be begun at any time.

52-0417. ADMINISTRATIVE DETERMINATIONS OF COVERAGE.] The division may, upon its own motion or upon application of an employing unit, and after notice and opportunity for hearing, make findings of fact and on the basis thereof, determinations with respect to whether an employing unit constitutes an employer and whether services performed for or in connection with the business of an employing unit constitute employment. Appeal from any such determination may be taken to the bureau within fifteen days after the mailing of notice of such findings and determination to the employing unit, or, in the absence of mailing, within fifteen days after the delivery of such notice. Proceedings in such appeals shall be had in the same manner as in appeals from a decision of an appeal tribunal. A determination of the division, in the absence of appeal therefrom, and a determination of the bureau upon an appeal, together with the record of the proceeding under this section shall be admissible in any subsequent proceeding under this title, and if supported by substantial evidence and in the absence of fraud shall be conclusive, except as to errors of law, upon any employing unit which was a party to the proceeding under this section.

§ 6. AMENDMENT.] That 52-0601 of the North Dakota Revised Code of 1943 is hereby amended and re-enacted to read as follows:

52-0601. CONDITIONS REQUIRED TO BE ELIGIBLE TO BENEFITS.] An unemployed individual shall be eligible to receive benefits with respect to any week only if the bureau finds that:

1. He has made a claim for benefits with respect to such week in accordance with such regulations as the bureau may prescribe.
2. He has registered for work at, and thereafter continued to report at, an employment office in accordance with such regulations as the bureau may prescribe, except that the bureau may, by regulation, waive or alter either or both of the requirements of this subsection as to individuals attached to regular jobs and as to such other types of cases or situations with respect to which it finds that compliance with such requirements would be oppressive, or would be inconsistent with the purposes of this title; provided, that no such regulation shall conflict with section 52-0603 of this title.
3. He is able to work and is available for suitable work and actively seeking employment; provided,
 - a. That subject to such limitations and conditions as the bureau may prescribe an unemployed individual shall not be ineligible by reason of unavailability for work during

- a period of vocational training in a vocational training program maintained by a federal, state or other public agency when his unavailability is due solely to requirements with respect to attendance at and completion of such training.
- b. That any claimant who, because of marital obligations or approaching marriage, has voluntarily left work for an indefinite period, to engage in the occupation of a homemaker, shall be considered unavailable for work until availability is shown by some evidence in addition to registration for work and statement of availability, such as (but not limited to) the fact that the conditions which led to leaving work have terminated; or arrangements have been made for the care of the household by others; or conditions require claimant's contribution to the economic support of the household; or the claimant has had some work or made efforts to secure work;
 - c. That a woman shall be considered unable to work for the period of twelve weeks before the anticipated date of childbirth and four weeks after childbirth unless it is shown by facts such as a licensed physician's certificate or by her work record during previous periods of pregnancy that she is able to work during such period.
4. He has been unemployed for a waiting period of one week. No week shall be counted as a week of unemployment for the purposes of this subsection:
 - a. Unless it occurs within the benefit year which includes the week with respect to which he claims payment of benefits, provided, that this requirement shall not interrupt the payment of benefits for consecutive weeks of unemployment;
 - b. If benefits have been paid with respect thereto;
 - c. Unless the individual was eligible for benefits with respect thereto as provided in this section and section 52-0602 of this title.
 5. He has during his base-period been paid wages for insured work equal to not less than twenty-eight times his weekly benefit amount.

§ 7. AMENDMENT.] That 52-0602 of the North Dakota Revised Code of 1943 is hereby amended and re-enacted to read as follows:

52-0602. DISQUALIFICATION FOR BENEFITS.] An individual shall be disqualified for benefits:

- I. For the week in which he has left his work voluntarily without good cause and for not more than seven consecutive weeks which immediately follow such week, as determined according to the circumstances in each case;

2. For the week in which he has been discharged for misconduct connected with his work and for not more than the ten consecutive weeks which immediately follow such week, as determined according to the circumstances in each case;
3. If he has failed, without good cause, either to apply for available, suitable work when so directed by the *unemployment* [employment] office or the bureau or to accept suitable work when offered him. Such disqualification shall continue for the week in which such failure occurred and for not more than the seven consecutive weeks which immediately follow such week as determined according to the circumstances in each case;
4. For any week with respect to which it is found that his unemployment is due to a stoppage of work which exists because of a labor dispute at the factory, establishment, or other premises at which he is or was last employed; provided that this subsection shall not apply if it is shown that:
 - a. He is not participating in or directly interested in the labor dispute which caused the stoppage of work; and
 - b. He does not belong to a grade or class of workers of which, immediately before the commencement of the stoppage, there were members employed at the premises at which the stoppage occurs, any of whom are participating in or directly interested in the dispute; provided, that if in any case separate branches of work, which are commonly conducted as separate businesses in separate premises, are conducted in separate departments of the same premises, each such department shall, for the purposes of this subsection, be deemed to be a separate factory, establishment, or other premises; and provided further, that there shall not be deemed to be a stoppage of work in any factory, establishment, or other premises unless there shall be a substantial stoppage of work in each of said factory, establishment or other premises.
5. For any week with respect to which or a part of which he has received or is seeking unemployment benefits under an unemployment compensation law of another state or of the United States, provided, that if the appropriate agency of such other state or of the United States finally determines that he is not entitled to such unemployment benefits, this disqualification shall not apply.
6. For any week of unemployment if such individual has left his most recent work for the purposes of attending an educational institution; or if the individual is a student registered for full attendance at and is regularly attending an established school, college or university, or is on vacation within the school term; provided, however, that this dis-

qualification shall not apply if such individual is unemployed through no fault of his own and is attending school only because of lack of work and is willing to quit school to accept full-time work.

7. For any week in which he is partially or totally unemployed by reason of a disciplinary suspension of not more than thirty days by his employer for misconduct connected with his employment, and the bureau so finds.
8. For one year from the date on which such individual has made a false statement for the purposes of obtaining benefits to which he was not lawfully entitled. Provided, however, that this disqualification shall not apply to cases in which it shall appear to the satisfaction of the bureau that the said false statement was made by reason of a mistake or misunderstanding of law or of facts without fraudulent intent.

The waiting period described in section 52-0602 [52-0601] of this title shall be required to be served after the expiration of the disqualification herein mentioned.

§ 8. AMENDMENT.] That 52-0604 of the North Dakota Revised Code of 1943 is hereby amended and re-enacted to read as follows:

52-0604. 52-0605. DURATION OF BENEFITS.] Any otherwise eligible individual shall be entitled during any benefit year to a total amount of benefits equal to twenty times his weekly benefit amount.

§ 10. AMENDMENT.] That 52-0616 of the North Dakota Revised Code of 1943 is hereby amended and re-enacted to read as follows:

52-0616. REDETERMINATIONS MADE BY DIVISION; WHEN; NOTICE.] The division may reconsider a determination of a claim whenever it finds:

Subject to the same limitations and for the same reasons, the division may reconsider the determination in any case in which the final decision has been rendered by an appeal tribunal, the bureau, or a court, and may apply to that body or court which rendered such final decision to issue a revised decision.

§ 12. AMENDMENT.] That 52-0627 of the North Dakota Re-

52-0627. The petition for review shall be verified and shall state the grounds upon which such review is sought. The bureau shall be deemed to be a party to any such proceeding. If the bureau is a party respondent the petition shall be served upon it by leaving with it or its chairman or any other representative as it may designate for that purpose, as many copies of the petition as there are respondents. With its answer or petition, the bureau shall certify and file with the court a verified copy of the record of the case, including all documents and papers and a transcript of all testimony taken in the matter, together with the bureau's findings, conclusions, and decision therein. Upon the filing of a petition for review by the bureau or upon the service of the petition upon it, the bureau forthwith shall send by registered mail to each other party to the proceeding a copy of such petition, and such mailing shall be deemed to be completed service upon all such parties. In any proceeding under this section the findings of the bureau as to the facts, if supported by evidence and in the absence of fraud, shall be conclusive and the jurisdiction of said court shall be confined to questions of law. Be It Enacted by the Legislative Assembly of the State of North Dakota:

§ 1. DEFINITIONS.] The following words, terms and phrases, when used in this Act, have the meanings ascribed to them in this section, except where the context clearly indicated a different meaning:

(a) "Person" includes any individual, firm, copartnership, joint adventure, association, corporation, estate, business trust, receiver, or any other group or combination acting as a unit and the plural as well as the singular number.

(b) "Sale" means any transfer, exchange or barter, conditional or otherwise, in any manner or by any means whatsoever, for a consideration.

(c) "Retail Sale" or "Sale at Retail" means the sale to a consumer or to any person for any purpose, other than for processing or for resale, of tangible personal property and the sale of steam, gas, electricity, water, and communication service to retail consumers or users, and shall include the ordering, selecting or aiding a customer to select any goods, wares, or merchandise from any price list, or catalogue, which such customer might order, or be ordered for such customer to be shipped directly to such customer. By the term "processing" as used in this Act is meant tangible personal property that is used in manufacturing, producing or processing and which becomes an ingredient or competent part of other tangible personal property and which latter tangible personal property becomes subject to the retail sales tax. The sale of an item of tangible personal property for the purpose of incorporating it in or attaching it to other real or personal property otherwise exempt from the sales tax shall for the purposes of this Act be considered as a sale of tangible personal property for a purpose other than for processing.

(d) "Business" includes any activity engaged in by any person or caused to be engaged in by him with the object of gain, benefit, or advantage, either direct or indirect.

(e) "Retailer" includes every person engaged in the business of selling tangible goods, wares, or merchandise at retail, or furnishing of steam, gas, electricity, water and communication services, and tickets or admissions to places of amusement and athletic events as provided in this Act, and shall include any person as herein defined who by contract or otherwise agrees to furnish for a consideration a totally or partially finished product consisting in whole or in part of tangible personal property subject to the sales tax herein provided, and all items of tangible personal property entering into the performance of such contract as a component part of the product agreed to be furnished under said contract shall be subject to the sales tax herein provided, and the sales tax thereon shall be collected by the contractor from the person for whom the contract has been performed in addition to the contract price agreed upon, and shall be remitted to the State in the manner provided in this Act.

(f) "Gross receipts" means the total amount of the sales of retailers, valued in money, whether received in money or otherwise, provided, however, that discounts for any purposes allowed and taken on sales shall not be included, nor shall the sale price of property returned by customers when the full sale price thereof is refunded either in cash or by credit. Provided, further, that on all sales of retailers, valued in money, when such sales are made under conditional sales contract, or under other forms of sale wherein the payment of the principal sum thereunder be extended over a period longer than sixty (60) days from the date of sale thereof that only such portion of the sale amount thereof shall be accounted, for the purpose of imposition of tax imposed by this bill, as has actually been received in cash by the retailer during each quarterly period as defined herein.

(g) "Relief agency" means the State, any County, City and County, City or District thereof, or any agency engaged in actual relief work.

(h) "Commissioner" means the Tax Commissioner of the State of North Dakota.

(i) "Local Governmental Unit" means Incorporated Cities, Towns and Villages, Counties, School Districts and Townships.

§ 2. TAX IMPOSED.] There is hereby imposed, beginning the first day of July, 1945, and ending June 30, 1947, a tax of two per cent (2%) upon the gross receipts from all sales of tangible personal property, consisting of goods, wares, or merchandise, except as otherwise provided in this act, sold at retail in the State of North Dakota to consumers or users; a like rate of tax upon the gross receipts from the sales, furnishing or service of steam, gas, electricity, water and communication service, including the gross receipts from such

sales by any municipal corporation furnishing steam, gas, electricity, water and communication service to the public in its proprietary capacity, except as otherwise provided in this Act, when sold at retail in the State of North Dakota to consumers or users; and a like rate of tax upon the gross receipts from all sales of tickets or admissions to places of amusement and athletic events and the playing of a record on a vending machine, in response to a coin placed in a slot, except as otherwise provided in this Act.

The Tax herein levied shall be computed and collected as hereinafter provided.

§ 3. EXEMPTIONS.] There are hereby specifically exempted from the provisions of this Act and from computation of the amount of tax imposed by it, the following:

(a) The gross receipts from sales of tangible personal property which this State is prohibited from taxing under the Constitution or laws of the United States or under the Constitution of this State.

(b) The gross receipts from the sales, furnishing or service of transportation service.

(c) The gross receipts from sales of tangible personal property processed from agricultural products, when such property is sold in exchange for like agricultural products produced by the purchaser and is for the use of the purchaser and his family.

(d) The gross receipts from sales of tickets or admissions to State, County, District and Local Fairs, and the gross receipts from educational, religious, or charitable activities, where the entire amount of such receipts is expended for educational, religious or charitable purposes.

(e) The gross receipts from the sale by any school board of this State of books and school supplies to regularly enrolled students at costs.

(f) Gross receipts from sales of tangible personal property or from furnishing or service of steam, gas, electricity, water, and communication service to the United States, State of North Dakota or any of its subdivisions, departments or institutions, any County, City, Village, Township, School District, Park District, or Municipal Corporations.

§ 4. Taxes paid on gross receipts represented by accounts found to be worthless and actually charged off, for income tax purposes may be credited upon subsequent payment of the tax herein provided; provided, that if such accounts are hereafter collected by the retailer, a tax shall be paid upon the amount so collected. The provisions of this Act shall not apply to sales of gasoline, cigarettes, snuff, insurance premiums, or any other product or article upon which the State of North Dakota may now or hereafter impose a special tax.

§ 5. CREDIT TO RELIEF AGENCY AND LOCAL GOVERNMENTAL UNITS.]

(1) A relief agency may apply to the Commissioner for refund of the amount of tax imposed hereunder and paid upon sales to it of any goods, wares, or merchandise used for free distribution to the poor and needy ;

(2) Such refunds may be obtained only in the following amount and in the manner and only under the following conditions :

(a) On forms furnished by the Commissioner, and during the time herein provided for the filing of quarterly tax returns by retailers, the relief agency shall report to the Commissioner the total amount or amounts, valued in money, expended directly or indirectly for goods, wares, or merchandise used for free distribution to the poor and needy.

(b) On these forms the relief agency shall separately list the persons making the sales to it or to its order, together with the dates of the sales, and the total amount, so expended by the relief agency.

(c) The relief agency must prove to the satisfaction of the Commissioner that the person making the sales has included the amount thereof in the computation of the gross receipts of such person and that such person has paid the tax levied by this division, based upon such computation of gross receipts.

(3) If the Commissioner is satisfied that the fore-going conditions and requirements have been complied with, he shall refund the amount claimed by the relief agency.

§ 6. Retailers shall add the tax imposed under this Act, or the average equivalent thereof, to the sales price or charge and when added such taxes shall constitute a part of such price or charge, shall be a debt from consumer or user to retailer until paid, and shall be recoverable at law in the same manner as other debts.

Agreements between competing retailers, or the adoption of appropriate rules and regulations by organizations or associations of retailers to provide uniform methods for adding such tax or the average equivalent thereof, and which do not involve price fixing agreements otherwise unlawful, and which shall first have the approval of the Commissioner, are expressly authorized and shall be held not to be in violation of any anti-trust laws of this State.

§ 7. UNLAWFUL ACTS.] It shall be unlawful for any retailer to advertise or hold out or state to the public or to any consumer, directly or indirectly, that the tax or any part thereof imposed by this Act shall be assumed or absorbed by the retailer or that it will not be considered as an element in the price to the consumer, or if added, that it or any part thereof will be refunded.

§ 8. RECORDS REQUIRED.] It shall be the duty of every re-

tailer required to make a report and pay any tax under this provision, to preserve such records of the gross proceeds of sales as the Commissioner may require and it shall be the duty of every retailer to preserve for a period of two years all invoices and other records of goods, wares, or merchandise purchased for resale; and all such books, invoices and other records shall be open to examination at any time by the Commissioner or any one of his duly authorized agents.

§ 9. RETURN OF GROSS RECEIPTS.]

(1) The retailer shall, on or before the 20th day of the month following the close of the first quarterly period as defined in the following section, and on or before the 20th day of the month following each subsequent quarterly period of three months, make out a return for the preceding quarterly period in such form and manner as may be prescribed by the Commissioner, showing the gross receipts of the retailer, the amount of the tax for the period covered by such return, and such further information as the "Commissioner may require to enable him correctly to compute and collect the tax herein levied; provided, however, that the Commissioner may, upon request by any retailer and a proper showing of the necessity therefor, grant unto such retailer an extension of time not to exceed thirty (30) days for making such return. If such extension is granted to any such retailer, the time in which he is required to make payment as provided for in Section Ten (10) of this Act shall be extended for the same period.

(2) The Commissioner, if he deems it necessary or advisable in order to insure the payment of the tax imposed by this Act, may require returns and payment of the tax to be made for other than quarterly periods, the provisions of Section Ten (10) or elsewhere to the contrary notwithstanding.

(3) Returns shall be signed by the retailer or his duly authorized agent.

§ 10. PAYMENT OF TAX, BOND, CREATION OF LIEN:]

(1) The tax levied hereunder shall be due and payable in quarterly installments on or before the 20th day of the month next succeeding each quarterly period, the first of such period being the period commencing with July 1, 1945, and ending on the 30th day of September, 1945.

(2) Every retailer, at the time of making the return required hereunder, shall compute and pay to the Commissioner the tax due for the preceding period.

(3) The Commissioner may, when in his judgment it is necessary and advisable to do so in order to secure the collection of the tax levied under this Act, require any person subject to such tax to file with him a bond, issued by a surety company authorized to

transact business in this state and approved by the Insurance Commissioner as to solvency and responsibility, in such amount as the Commissioner may fix, to secure the payment of any tax and/or penalties due or which may become due from such person. In lieu of such bond, securities approved by the Commissioner in such amount as he may prescribe, may be deposited with him, which securities shall be kept in the custody of the Commissioner and may be sold by him at public or private sale, without notice to the depositor thereof, if it becomes necessary so to do in order to recover any tax and/or penalties due. Upon any such sale, the surplus, if any, above the amounts due under this provision shall be returned to the person who deposited the securities.

Sub-§ 4. LIEN OF TAX. COLLECTION. ACTION AUTHORIZED.] Whenever any taxpayer liable to pay a tax and/or penalty imposed refuses or neglects to pay the same, the amount, including any interest, penalty, or addition to such tax, together with the costs that may accrue in addition thereto, shall be a lien in favor of the State of North Dakota upon all property and rights to property, whether real or personal, belonging to said taxpayer.

The lien aforesaid shall attach at the time the tax becomes due and payable and shall continue until the liability for such amount is satisfied.

In order to preserve the aforesaid lien against subsequent mortgages, purchasers or judgment creditors, for value and without notice of the lien, on any property situated in a county, the Tax Commissioner shall file with the Register of Deeds of the county in which said property is located, a notice of said lien.

The Register of Deeds of each county shall prepare and keep in his office a book to be known as "Index of Tax Liens", so ruled as to show in appropriate columns the following data, under the names of taxpayers, arranged alphabetically.

1. The name of the taxpayer.
2. The name 'State of North Dakota' as claimant.
3. Time notice of lien was received.
4. Date of notice.
5. Amount of lien then due.
6. When satisfied.

The Register of Deeds shall indorse on each notice of lien the day, hour, and minute when received and preserve the same, and shall forthwith index said notice in said index book and shall forthwith record said lien in the manner provided for recording real estate mortgages, and the said lien shall be effective from the time of the indexing thereof.

The Tax Commissioner shall pay a recording fee as provided by law for the recording of such lien, or for the satisfaction thereof.

Upon the payment of a tax as to which the Tax Commissioner

has filed notice with the Register of Deeds, the Tax Commissioner shall forthwith file with said Register of Deeds a satisfaction of said tax and the Register of Deeds shall enter said satisfaction on the notice on file in his office and indicate said fact on the index aforesaid.

The Attorney General shall, upon the request of the Tax Commissioner, bring an action at law or in equity, as the facts may justify, without bond to enforce payment of any taxes and/or penalties, and in such action he shall have the assistance of the State's Attorney of the county in which the action is pending.

It is expressly provided that the foregoing remedies of the State shall be cumulative and that no action taken by the Tax Commissioner or Attorney General shall be construed to be an election on the part of the State or any of its officers to pursue any remedy hereunder to the exclusion of any other remedy provided by law.

The technical, legal requirements outlined in this Section relating to tax liens on all real and personal property of the taxpayer to insure payment of the taxes, including penalties, interest and other costs, are self-explanatory.

(5) Remittances on account of tax due under this Act shall not be deemed or considered payment thereof unless or until the Commissioner shall have collected or received the amount due for such tax in cash or equivalent credit.

§ 11. PERMITS; APPLICATIONS FOR.]

(1) It shall be unlawful for any person to engage in or transact business as a retailer within this State unless a permit or permits shall have been issued to him as hereinafter prescribed. Every person desiring to engage in or conduct business as a retailer within this State shall file with the Commissioner an application for a permit or permits. Every application for such a permit shall be made upon a form prescribed by the Commissioner and shall set forth the name under which the applicant transacts or intends to transact business, the location of his place or places of business and such other information as the Commissioner may require. The application shall be signed by the owner if a natural person; in the case of an association or partnership, by a member or partner thereof; in the case of a corporation, by an executive officer thereof or some person specifically authorized by the corporation to sign the application, to which shall be attached the written evidence of his authority.

(2) At the time of making such application, the applicant shall pay to the Commissioner a permit fee of fifty cents (50c) for each permit, and the applicant must have a permit for each place of business.

(3) Upon the payment of the permit fee, or fees herein required, the Commissioner shall grant and issue to each applicant a permit for each place of business within the State. A permit is not

assignable and shall be valid only for the person in whose name it is issued and for the transaction of business at the place designated therein. It shall at all times be conspicuously displayed at the place for which issued.

(4) Permits issued under the provisions of this section shall be valid and effective without further payment of fees until revoked by the Commissioner.

(5) Whenever the holder of a permit fails to comply with any of the provisions of this section or any rules or regulation prescribed by the Commissioner and adopted under this section, the Commissioner upon hearing after giving ten days' notice of the time and place of the hearing to show cause why his permit should not be revoked, may revoke the permit. The Commissioner shall also have the power to restore licenses after such revocation.

(6) The Commissioner shall charge a fee of One Dollar (\$1.00) for the issuance of a permit to a retailer whose permit has been previously revoked.

(7) It is hereby provided that all permits issued under the provisions of Chapter 276, 1935 Session Laws, and all subsequent re-enactments thereof and in effect up to the taking effect of this Act are hereby continued and shall remain in full force and effect unless revoked as herein provided:

§ 12. FAILURE TO FILE RETURN; INCORRECT RETURN.] If a return required by this section is not filed, or if a return when filed is incorrect or insufficient and the maker fails to file a corrected or sufficient return within twenty days after the same is required by notice from the Commissioner, such Commissioner shall determine the amount of tax due from such information as he may be able to obtain, and, if necessary, may estimate the tax on the basis of external indices, such as number of employees of the person concerned, rentals paid by him, his stock on hand, and/or other factors. The Commissioner shall give notice of such determination to the person liable for the tax. Such determination shall finally and irrevocably fix the tax unless the person against whom it is assessed shall within thirty days after the giving of notice of such determination, apply to the Commissioner for a hearing or unless the Commissioner of his own motion shall reduce the same. At such hearing evidence may be offered to support such determination or to prove that it is incorrect. After such hearing the Commissioner shall give notice of his decision to the person liable for the tax.

§ 13. APPEALS.]

(1) An appeal may be taken by the taxpayer to the District Court of the county in which he resides, or in which his principal place of business is located, within sixty days after he shall have received notice from the Commissioner of his determination as provided for in the preceding Section.

(2) The appeal shall be taken by a written notice to the Commissioner and served as an original notice. When said notice is so served it shall, with the return thereon, be filed in the office of the Clerk of said District Court, and docketed as other cases, with the taxpayer as plaintiff and the Commissioner as defendant. The plaintiff shall file with such Clerk a bond for the use of the defendant, with sureties approved by such Clerk, in penalty at least double the amount of tax appealed from, and in no case shall the bond be less than Fifty Dollars (\$50.00), conditioned that the plaintiff shall perform the orders of the Court.

(3) The Court shall hear the appeal in equity and determine anew all questions submitted to it on appeal from the determination of the Commissioner. The Court shall render its decree thereon and a certified copy of said decree shall be filed by the Clerk of said Court with the Commissioner who shall then correct the assessment in accordance with said decree. An appeal may be taken by the taxpayer or the Commissioner to the Supreme Court of this State in the same manner that appeals are taken in suits in equity, irrespective of the amount involved.

§ 14. SERVICE OF NOTICE.]

(1) Any notice, except notice of appeal, authorized or required under the provisions of this Act may be given by mailing the same to the person for whom it is intended by registered mail addressed to such person at the address given in the last return filed by him pursuant to the provision of this division, or if no return has been filed, then such address as may be obtainable. The mailing of such notice shall be presumptive evidence of the receipt of the same by the person to whom addressed. Any period of time which is determined according to the provisions of this division by the giving of notice shall commence to run from the date of registration and posting of such notice.

(2) The provisions of the North Dakota Code relative to the limitation of time for the enforcement of a civil remedy shall not apply to any proceeding or action taken to levy, appraise, assess, determine or enforce the collection of any tax or penalty provided by this Act.

§ 15. PENALTIES, OFFENSES.]

(1) Any person failing to file a return or corrected return or to pay any tax within the time required by this division, shall be subject to a penalty of five per cent (5%) of the amount of tax due, plus one per cent (1%) of such tax for each month of delay or fraction thereof, excepting the first month after such return was required to be filed or such tax became due; but the Commissioner, if satisfied that the delay was excusable, may remit all or any part of such penalty. Such penalty shall be paid to the Commissioner and disposed of in the same manner as other receipts under this Act. Unpaid

penalties may be enforced in the same manner as the tax imposed by this Act.

(2) Any person who shall sell tangible personal property, tickets or admissions to places of amusement and athletic events, or steam, gas, water, electricity and communication service at retail in this State after his license shall have been revoked, or without procuring a license within sixty (60) days after the effective date of this Act, as provided in Section 11 of this Act, or who shall violate the provisions of Section 7 of this Act, and the officers of any corporation who shall so act, shall be guilty of a misdemeanor, punishment for which shall be a fine of not more than One Thousand Dollars (\$1,000.00) or imprisonment for not more than one year, or both such fine and imprisonment, in the discretion of the Court.

(3) Any person required to make, render, sign or verify any return or supplementary return, who makes any false or fraudulent return, with intent to defeat or evade the assessment required by law to be made, shall be guilty of a misdemeanor and shall, for each such offense, be fined not to exceed Five Hundred Dollars (\$500.00) or be imprisoned in the County Jail not exceeding one year, or be subject to both a fine and imprisonment, in the discretion of the Court.

(4) The certificate of the Commissioner to the effect that a tax has not been paid, that a return has not been filed, or that information has not been supplied pursuant to the provisions of this Act, shall be prima facie evidence thereof.

(5) Any person failing to comply with any of the provisions of this Act, or failing to remit within the time herein provided to the State the tax due on any sale or purchase of tangible personal property subject to said sales tax, shall be guilty of a misdemeanor and upon conviction shall be punished by imprisonment in the County Jail not exceeding six (6) months or by a fine not exceeding Five Hundred Dollars (\$500.00), or by both such fine and imprisonment at the discretion of the Court. This criminal liability shall be cumulative and in addition to the civil liability for penalties hereinbefore provided.

§ 16. The Tax Commissioner of the State of North Dakota is hereby charged with the administration of this Act and the taxes imposed thereby. Such Commissioner shall have power and authority to prescribe all rules and regulations not inconsistent with the provisions of this Act, necessary and advisable for its detailed administration and to effectuate the purposes, including the right to provide for the issuance and sale by the State of coupons covering the amount of tax or taxes to be paid under this Act, if such method is deemed advisable by said Commissioner.

§ 17. All fees, taxes, interest and penalties imposed and/or collected under this Act must be paid to the Commissioner in the

form of remittance payable to the Treasurer of the State of North Dakota, and said Commissioner shall transmit each payment monthly to the State Treasurer to be deposited in the State Treasury to the credit of a fund to be known as the Retail Sales Tax Fund, which fund is hereby created and established.

§ 18. GENERAL POWERS.]

(1) The Commissioner, for the purpose of ascertaining the correctness of any return or for the purpose of making an estimate of the taxable income and/or receipts of any taxpayer, shall have power: to examine or cause to be examined by any agent or representative designated by him, books, papers, records or memoranda; to require by subpoena the attendance and testimony of witnesses; to issue and sign subpoenas; to administer oaths, to examine witnesses and receive evidence; to compel witnesses to produce for examination books, papers, records and documents relating to any matter which he shall have the authority to investigate or determine.

(2) Where the Commissioner finds the taxpayer has made a fraudulent return, the costs of said hearing shall be taxed the taxpayer. In all other cases the cost shall be paid by the State.

(3) The fees and mileage to be paid witnesses and taxed as costs shall be the same as prescribed by law in proceedings in the District Court of this State in civil cases. All costs shall be taxed in the manner provided by law in proceedings in civil cases. Where the costs are taxed to the taxpayer, they shall be added to the taxes assessed against said taxpayer and shall be collected in the same manner. Costs taxed to the state shall be certified by the Commissioner to the State Treasurer, who shall issue warrant for the amount of said costs, to be paid out of the proceeds of the taxes collected under this act.

(4) In case of disobedience to a subpoena the Commissioner may invoke the aid of any court of competent jurisdiction in requiring the attendance and testimony of witnesses and production of records, books, papers, and documents, and such court may issue an order requiring the person to appear before the Commissioner and give evidence or produce records, books, papers, and documents, as the case may be, and any failure to obey such order of Court may be punished by the Court as a contempt thereof.

(5) Testimony on hearings before the Commissioner may be taken by a deposition as in civil cases, and any person may be compelled to appear and depose in the same manner as witnesses may be compelled to appear and testify as hereinbefore provided.

§ 19. (1) The Commissioner may appoint such agents, auditors, clerks and employees as he may deem necessary and fix their salaries and compensation and prescribe their duties and powers, and said Commissioner shall have the right to remove such agents,

auditors, clerks and employees so appointed by him; provided, that the number of inspectors appointed shall not exceed ten, each of whom shall have had at least three years experience in the auditing and checking of books of account.

(2) All such agents and employees shall be allowed such reasonable and other necessary traveling expenses as may be incurred in the performance of their duties not to exceed, however, such amounts as are now or may hereafter be fixed by law.

(3) The Commissioner may require such of the officers, agents and employees as it may designate to give bond for the faithful performance of the duties in such sum and with such sureties as it may determine and the State shall pay, out of the proceeds of the taxes collected under the provisions of this Act, the premiums on such bonds.

(4) The Commissioner may utilize the office of the Treasurer of the various counties in order to administer this Act and effectuate its purposes, and may appoint the Treasurers of the various counties its agents to collect any or all of the taxes imposed by this Act, provided, however, that no additional compensation shall be paid to said Treasurer by reason thereof.

§ 20. INFORMATION DEEMED CONFIDENTIAL.]

(1) It shall be unlawful for the Commissioner, or any person having an administrative duty under this act, to divulge or to make known in any manner whatever, the business affairs, operations, or information obtained by an investigation of records and equipment of any person or corporation visited or examined in the discharge of official duty, or the amount or source of income, profits, losses, expenditures or any particular thereof, set forth or disclosed in any return, or to permit any return or copy thereof or any book containing any abstract of particulars thereof to be seen or examined by any person except as provided by law; provided, however, that the Commissioner may authorize examination of such returns by other State officers, or, if a reciprocal arrangement exists, by tax officers of another state, or the Federal Government.

(2) Any person violating the provisions of Sub-section 1 of this Section shall be guilty of a misdemeanor and punishable by fine not to exceed one thousand dollars (\$1,000.00).

§ 21. CORRECTION OF ERRORS.] If it shall appear that, as a result of mistake, an amount of tax, penalty, or interest has been paid which was not due under the provisions of this Act, then such amount shall be credited against any tax due, or to become due, under this Act from the person who made the erroneous payment, or such amount shall be refunded to such person by the Commissioner.

§ 22. Wherever by any provision of this Act a refund is

authorized, the Commissioner shall certify the amount of the refund, the reason therefor and the name of the payee to the State Auditor, who shall thereupon draw his warrant on the Retail Sales Tax Fund in the amount specified payable to the named payee.

§ 23. ALLOCATION OF REVENUE.] All moneys collected and received under this Act shall be paid into the State Treasury and shall be credited by the State Treasurer into a special fund to be known as "The Retail Sales Tax Fund." Out of this fund the State Treasurer shall first provide for the payment of refunds allowed under this Act. That the net amount of moneys remaining in said "Retail Sales Tax Fund" shall be and shall constitute a special trust fund to be used and disbursed solely for the following purposes:

(1) That seven-twelfths ($7/12$) of said trust fund shall be used and disbursed only for the payment of appropriations made pursuant to and for the purposes set forth in the State Equalization Fund Law. That the remaining five-twelfths ($5/12$) of said trust fund shall be used and disbursed only for the payment of appropriations to be expended by the Public Welfare Board for the purposes authorized by law; provided, however, that appropriations made from the General Fund to be expended by said Public Welfare Board shall constitute and include appropriations from said five-twelfths ($5/12$) share of said trust fund.

(2) That the State Treasurer and State Auditor are hereby authorized and directed to make monthly transfers of all the amounts available in said trust fund, in the proportions provided herein to the State Equalization Fund and to be expended by said Public Welfare Board as provided by law.

§ 24. All monies now in the Retail Sales Tax Fund created by Chapter 57-39 of the North Dakota Revised Code of 1943, or collected pursuant to the provisions of said chapter, are hereby appropriated and transferred into the Retail Sales Tax Fund created by this act, and shall be allocated and used as herein provided.

§ 25. If any section, subsection, clause, sentence, or phrase of this act is for any reason held to be unconstitutional and invalid, such decision shall not affect the validity of the remaining portions of this act. The Legislature hereby declares that it would have passed this act and each section, subsection, clause, sentence or phrase hereof, irrespective of whether any one or more of the sections, subsections, clauses, sentences, or phrases, be declared unconstitutional.

§ 26. REPEAL.] All laws or parts of laws in conflict with this act are hereby repealed.

UNIFORM TRUST RECEIPTS ACT

An Act With reference to trust receipts and pledges of personal property unaccompanied by possession in the pledgee and to make uniform the law with reference thereto.

Be It Enacted by the Legislative Assembly of the State of North Dakota:

§ 1. (DEFINITIONS) In this act, unless the context or subject matter otherwise requires:

“Buyer in the ordinary course of trade” means a person to whom goods are sold and delivered for new value and who acts in good faith and without actual knowledge of any limitation on

the trustee's liberty of sale, including one who takes by conditional sale or under a preexisting mercantile contract with the trustee to buy the goods delivered, or like goods, for cash or on credit. "Buyer in the ordinary course of trade" does not include a pledgee, or mortgagee, a lienor, or a transferee in bulk.

"Document" means any document of title of goods.

"Entruster" means the person who has or directly or by agent takes a security interest in goods, documents or instruments under a trust receipt transaction, and any successor in interest of such person. A person in the business of selling goods or instruments for profit, who at the outset of the transaction has, as against the buyer, general property in such goods or instruments, and who sells the same to the buyer on credit, retaining title or other security interest under a purchase money mortgage or conditional sales contract or otherwise, is excluded.

"Goods" means any chattels personal other than: money, things in action, or things so affixed to land as to become a part thereof.

"Instrument" means

- (a) any negotiable instrument as defined in the Uniform Negotiable Instruments Law and amendments thereto, or
- (b) any certificate of stock, or bond or debenture for the payment of money issued by a public or private corporation as part of a series, or
- (c) any interim, deposit or participation certificate or receipt, or other credit or investment instrument of a sort marketed in the ordinary course of business or finance, of which the trustee, after the trust receipt transaction, appears by virtue of possession and the face of the instrument to be the owner. "Instrument" does not include any document of title to goods.

"Lien creditor" means any creditor who has acquired a specific lien on the goods, documents or instruments by attachment, levy, or by any other similar operation of law or judicial process, including a distraining landlord.

"New value" includes new advances or loans made, or new obligation incurred, or the release or surrender of a valid and existing security interest, or the release of a claim to proceeds under Section 10; but "new value" shall not be construed to include extensions or renewals of existing obligations of the trustee, nor obligations substituted for such existing obligations.

"Person" means, as the case may be, an individual, trustee, receiver or other fiduciary, partnership, corporation, business trust, or other association, and two or more persons having a joint or common interest.

"Possession," as used in this act with reference to possession taken or retained by the entruster, means actual possession of goods,

documents or instruments, or, in the case of goods, such constructive possession as, by means of tags or signs or other outward marks placed and remaining in conspicuous places, may reasonably be expected in fact to indicate to the third party in question that the entruster has control over or interest in the goods.

“Purchase” means taking by sale, conditional sale, lease, mortgage, or pledge, legal or equitable.

“Purchaser” means any person taking by purchase. A pledgee, mortgagee or other claimant of a security interest created by contract is, insofar as concerns his specific security, a purchaser and not a creditor.

“Security interest” means a property interest in goods, documents or instruments, limited in extent to securing performance of some obligation of the trustee or of some third person to the entruster, and includes the interest of a pledgee, and title, whether or not expressed to be absolute, whenever such title is in substance taken or retained for security only.

“Transferee in bulk” means a mortgagee or a pledgee or a buyer of the trustee’s business substantially as a whole.

“Trustee” means the person having or taking possession of goods, documents, or instruments under a trust receipt transaction, and any successor in interest of such person. The use of the word “Trustee” herein shall not be interpreted or construed to imply the existence of a trust or any right or duty of a trustee in the sense of equity jurisprudence other than as provided by this act.

“Value” means any consideration sufficient to support a simple contract. An antecedent or preexisting claim, whether for money or not, and whether against the transferor or against another person, constitutes value where goods, documents or instruments are taken either in satisfaction thereof or as security therefor.

§ 2. (WHAT CONSTITUTES TRUST RECEIPT TRANSACTION AND TRUST RECEIPT.)

I. A trust receipt transaction within the meaning of this act is any transaction to which an entruster and a trustee are parties, for one of the purposes set forth in Subsection 3, whereby

- (a) the entruster or any third person delivers to the trustee goods, documents or instruments in which the entruster (i) prior to the transaction has, or for new value (ii) by the transaction acquires or (iii) as the result thereof is to acquire promptly, a security interest; or
- (b) the entruster gives new value in reliance upon the transfer by the trustee to such entruster of a security interest in instruments which are actually exhibited to such entruster, or to his agent in that behalf, at a place of business of either entruster or agent, but possession of which is retained by the trustee;

provided that the delivery under paragraph (a) or the giving of new value under paragraph (b) either

- (i) be against the signing and delivery by the trustee of a writing designating the goods, documents or instruments concerned, and reciting that a security interest therein remains in or will remain in, or has passed to or will pass to, the entruster, or
- (ii) be pursuant to a prior or concurrent written and signed agreement of the trustee to give such a writing

The security interest of the entruster may be derived from the trustee or from any other person, and by pledge or by transfer of title or otherwise.

If the trustee's rights in the goods, documents or instruments are subject to a prior trust receipt transaction, or to a prior equitable pledge, Section 9 and Section 3, respectively, of this act determine the priorities.

2. A writing such as is described in Subsection 1, paragraph (i) signed by the trustee, and given in or pursuant to such a transaction, is designated in this act as a "trust receipt." No further formality of execution or authentication shall be necessary to the validity of a trust receipt.

3. A transaction shall not be deemed a trust receipt transaction unless the possession of the trustee thereunder is for a purpose substantially equivalent to any one of the following:

- (a) in the case of goods, documents or instruments, for the purpose of selling or exchanging them, or of procuring their sale or exchange; or
- (b) in the case of goods or documents, for the purpose of manufacturing or processing the goods delivered or covered by the documents, with the purpose of ultimate sale, or for the purpose of loading, unloading, storing, shipping, trans-shipping or otherwise dealing with them in a manner preliminary to or necessary to their sale; or
- (c) in the case of instruments, for the purpose of delivering them to a principal, under whom the trustee is holding them, or for consummation or some transaction involving delivery to a depository or registrar, or for their presentation, collection, or renewal.

§ 3. (ATTEMPTED CREATION OR CONTINUANCE OF PLEDGE WITHOUT DELIVERY OR RETENTION OF POSSESSION.)

1. An attempted pledge or agreement to pledge not accompanied by delivery of possession, which does not fulfill the requirements of a trust receipt transaction, shall be valid as against creditors of the pledgor only as follows:

- (a) to the extent that new value is given by the pledgee in reliance thereon, such pledge or agreement to pledge shall

be valid as against all creditors with or without notice, for ten days from the time the new value is given;

- (b) to the extent that the value given by the pledgee is not new value, and in the case of new value after the lapse of ten days from the giving thereof, the pledge shall have validity as against lien creditors without notice, who become such as prescribed in Section 8, only as of the time the pledgee takes possession, and without relation back.

2. Purchasers (including entrusters) for value and without notice of the pledgee's interest shall take free of any such pledge or agreement to pledge unless, prior to the purchase, it has been perfected by possession taken.

3. Where, under circumstances not constituting a trust receipt transaction, a person, for a temporary and limited purpose, delivers goods, documents, or instruments, in which he holds a pledgee's or other security interest, to the person holding the beneficial interest therein, the transaction has like effect with a purported pledge for new value under this section.

§ 4. (CONTRACT TO GIVE TRUST RECEIPT)

1. A contract to give a trust receipt, if in writing and signed by the trustee, shall, with reference to goods, documents or instruments thereafter delivered by the entruster to the trustee in reliance on such contract, be equivalent in all respects to a trust receipt.

2. Such a contract shall as to such goods, documents, or instruments be specifically enforceable against the trustee, but this subsection shall not enlarge the scope of the entruster's rights against creditors of the trustee as limited by this act.

§ 5. (VALIDITY BETWEEN THE PARTIES)

Between the entruster and the trustee the terms of the trust receipt shall, save as otherwise provided by this act, be valid and enforceable. But no provision for forfeiture of the trustee's interest shall be valid except as provided in Subsection 5 of Section 6.

§ 6. (REPOSSESSION AND ENTRUSTER'S RIGHTS ON DEFAULT.)

1. The entruster shall be entitled as against the trustee to possession of the goods, documents or instruments on default, and as may be otherwise specified in the trust receipt.

2. An entruster entitled to possession under the terms of the trust receipt or of Subsection 1 may take possession in any manner permitted by law for taking possession of personal property subject to lien.

3. (a) After possession taken, the entruster shall, subject to subdivision (b) and Subsection 5, hold such goods, documents or instruments with the rights and duties of a pledgee.

(b) An entruster in possession may, on or after default, fore-

close his lien in the manner provided by law for foreclosure of a pledge, and may at public sale himself become a purchaser. The proceeds of any such sale, whether public or private, shall be applied (i) to the payment of the expenses thereof, (ii) to the payment of the expense of retaking, keeping and storing the goods, documents, or instruments, (iii) to the satisfaction of the trustee's indebtedness. The trustee shall receive any surplus and shall be liable to the entruster for any deficiency.

(c) A purchaser in good faith and for value from an entruster in possession takes free of the trustee's interest, even in a case in which the entruster is liable to the trustee for conversion.

4. Surrender of the trustee's interest to the entruster shall be valid, on any terms upon which the trustee and the entruster may, after default, agree.

5. As to articles manufactured by style or model, the terms of the trust receipt may provide for forfeiture of the trustee's interest, at the election of the entruster, in the event of the trustee's default, against cancellation of the trustee's then remaining indebtedness; provided that in the case of the original maturity of such indebtedness there must be cancelled not less than 80% of the purchase price to the trustee, or of the original indebtedness, whichever is greater; or, in the case of a first renewal, not less than 70%, or, in the case of a second or further renewal, not less than 60%.

§ 7. (GENERAL EFFECT OF ENTRUSTER'S FILING OR TAKING POSSESSION)

1. (a) If the entruster within the period of thirty days specified in Subsection 1 of Section 8 files as in this act provided, such filing shall be effective to preserve his security interest in documents or goods against all persons, save as otherwise provided by Sections 8, 9, 10, 11, 14, and 15 of this act.

(b) Filing after the lapse of the said period shall be valid; but in such event, save as provided in subdivision 2(b) of Section 9, the entruster's security interest shall be deemed to be created by the trustee as of the time of such filing, without relation back, as against all persons not having notice of such interest.

2. The taking of possession by the entruster shall, so long as such possession is retained, have the effect of filing, in the case of goods or documents; and of the notice of the entruster's security interest to all persons, in the case of instruments.

§ 8. (VALIDITY AGAINST CREDITORS.)

1. The entruster's security interest in goods, documents or instruments under the written terms of a trust receipt transaction, shall without any filing be valid as against all creditors of the trustee, with or without notice, for thirty days after delivery of the goods, documents or instruments to the trustee, and thereafter except as in this act otherwise provided.

But where the trustee at the time of the trust receipt transaction has and retains instruments, the thirty days shall be reckoned from the time such instruments are actually shown to the entruster, or from the time that the entruster gives new value under the transaction, whichever is prior.

2. Save as provided in Subsection 1, the entruster's security interest shall be void as against lien creditors who become such after such thirty day period and without notice of such interest and before filing.

(a) Where a creditor secures the issuance of process which within a reasonable time after such issuance results in attachment of or levy on the goods, he is deemed to have become a lien creditor as of the date of the issuance of the process.

(b) Unless prior to the acquisition of notice by all creditors filing has occurred or possession has been taken by the entruster, (i) an assignee for the benefit of creditors, from the time of assignment, or (ii) a receiver in equity from the time of his appointment, or (iii) a trustee in bankruptcy or judicial insolvency proceedings from the time of filing of the petition in bankruptcy or judicial insolvency by or against the trustee, shall, on behalf of all creditors, stand in the position of a lien creditor without notice, without reference to whether he personally has or has not, in fact, notice of the entruster's interest.

§ 9. (LIMITATIONS ON ENTRUSTER'S PROTECTION AGAINST PURCHASERS.)

I. (Purchasers of Negotiable Documents or Instruments.)

(a) Nothing in this act shall limit the rights of purchasers in good faith and for value from the trustee of negotiable instruments or negotiable documents, and purchasers taking from the trustee for value, in good faith, and by transfer in the customary manner instruments in such form as are by common practice purchased and sold as if negotiable, shall hold such instruments free of the entruster's interest; and filing under this act shall not be deemed to constitute notice of the entruster's interest to purchasers in good faith and for value of such documents or instruments, other than transferees in bulk.

(b) The entrusting (directly, by agent, or through the intervention of a third person) of goods, documents or instruments by an entruster to a trustee, under a trust receipt transaction or a transaction falling within Section 3 of this act, shall be equivalent to the like entrusting of any documents or instruments which the trustee may procure in substitution, or which represents the same goods or instruments or the proceeds thereof, and which the trustee negotiates to a purchaser in good faith and for value.

2. Where a purchaser from the trustee is not protected under Subsection 1 hereof, the following rules shall govern:

(a) (Sales by trustee in the ordinary course of trade.)

(i) Where the trustee, under the trust receipt transaction, has liberty of sale and sells to a buyer in the ordinary course of trade, whether before or after the expiration of the thirty day period, specified in Sub-section 1 of Section 8 of this act, and whether or not filing has taken place, such buyer takes free of the entruster's security interest in the goods so sold, and no filing shall constitute notice of the entruster's security interest to such a buyer.

(ii) No limitation placed by the entruster on the liberty of sale granted to the trustee shall affect a buyer in the ordinary course of trade, unless the limitation is actually known to the latter.

(b) (Purchasers other than buyers in the ordinary course of trade)

In the absence of filing, the entruster's security interest in goods shall be valid, as against purchasers, save as provided in this Section; but any purchaser, not a buyer in the ordinary course of trade, who, in good faith and without notice of the entruster security interest and before filing, either (i) gives new value before the expiration of the thirty day period specified in Subsection 1 of Section 8, or (ii) gives value after said period, and who in either event before filing also obtains delivery of goods from a trustee shall hold the subject matter of his purchase free of the entruster's security interest; but a transferee in bulk can take only under (ii) of this subdivision (b).

(c) (Liberty of Sale)

If the entruster consents to the placing of goods subject to a trust receipt transaction in the trustee's stock in trade or in his sales or exhibition rooms, or allows such goods to be so placed or kept, such consent or allowance shall have like effect as granting the trustee liberty of sale.

3. As to all cases covered by this section the purchase of goods, documents or instruments on credit shall constitute a purchase for new value, but the entruster shall be entitled to any debt owing to the trustee and any security therefor, by reason of such purchase; except that the entruster's right shall be subject to any set-off or defense valid against the trustee and accruing before the purchaser has actual notice of the entruster's interest.

§ 10. (ENTRUSTER'S RIGHT TO PROCEEDS.)

Where, under the terms of the trust receipt transaction, the trustee has no liberty of sale or other disposition, or, having liberty of sale or other disposition, is to account to the entruster for the proceeds of any disposition of the goods, documents or instruments, the entruster shall be entitled, to the extent to which and against all classes of persons as to whom his security interest was valid at the time of disposition by the trustee, as follows:

- (a) to the debts described in Section 9 (3); and also
- (b) to any proceeds or the value of any proceeds (whether such proceeds are identifiable or not) of the goods, documents or instruments, if said proceeds were received by the trustee within the ten days prior to either application for appointment of a receiver of the trustee, or the filing of a petition in bankruptcy or judicial insolvency proceedings by or against the trustee, or demand made by the entruster for prompt accounting; and to a priority to the amount of such proceeds or value; and also
- (c) to any other proceeds of the goods, documents or instruments which are identifiable, unless the provision for accounting has been waived by the entruster by words or conduct; and knowledge by the entruster of the existence of proceeds, without demand for accounting made within ten days from such knowledge, shall be deemed such a waiver.

§ 11. (LIENS IN COURSE OF BUSINESS GOOD AGAINST ENTRUSTER)

Specific liens arising out of contractual acts of the trustee with reference to the processing, warehousing, shipping or otherwise dealing with specific goods in the usual course of the trustee's business preparatory to their sale shall attach against the interest of the entruster in said goods as well as against the interest of the trustee, whether or not filing has occurred under this act; but this section shall not obligate the entruster personally for any debt secured by such lien; nor shall it be construed to include the lien of a landlord.

§ 12. (ENTRUSTER NOT RESPONSIBLE ON SALE BY TRUSTEE)

An entruster holding a security interest shall not, merely by virtue of such interest or of his having given the trustee liberty of sale or other disposition, be responsible as principal or as vendor under any sale or contract to sell made by the trustee.

§ 13. (FILING AND REFILING CONCERNING TRUST RECEIPT TRANSACTIONS COVERING DOCUMENTS OR GOODS.)

I. Any entruster undertaking or contemplating trust receipt transactions with reference to documents or goods is entitled to file

with the Secretary of State a statement, signed by the entruster and the trustee, containing;

- (a) a designation of the entruster and the trustee, and of the chief place of business of each within this state, if any; and if the entruster has no place of business within the state, a designation of his chief place of business outside the state; and
- (b) a statement that the entruster is engaged, or expects to be engaged, in financing under trust receipt transactions the acquisition of goods by the trustee; and
- (c) a description of the kind or kinds of goods covered or to be covered by such financing.

2. The following form of statement (or any other form of statement containing substantially the same information) shall suffice for the purposes of this act:

“Statement of Trust Receipt Financing.

“The entruster _____ whose chief place of business within this state is at _____, (or who has no place of business within this state and whose chief place of business outside this state is at _____,) is or expects to be engaged in financing under trust receipt transactions the acquisition by the trustee, _____ whose chief place of business within this state is at _____ of goods of the following description: (coffee, silk, automobiles, or the like.)

(signed) _____ Entruster
(signed) _____ Trustee.”

3. It shall be the duty of the filing officer to mark each statement filed with a consecutive file number, and with the date and hour of filing, and to keep such statement in a separate file; and to note and index the filing in a suitable index, indexed according to the name of the trustee and containing a quotation of the trustee's chief place of business as given in the statement. The fee for such filing shall be one dollar.

1. Central filing is essential to the plan of the act.

4. Presentation for filing of the statement described in Subsection 1 and payment of the filing fee, shall constitute filing under this act, in favor of the entruster, as to any documents or goods falling within the description in the statement which are within one year from the date of such filing, or have been, within thirty days previous to such filing, the subject-matter of a trust receipt transaction between the entruster and the trustee.

5. At any time before expiration of the validity of the filing, as specified in Subsection 4, a like statement, or an affidavit by the entruster alone, setting out the information required by Subsection 1, may be filed in like manner as the original filing. Any filing of such further statement or affidavit shall be valid in like manner and for

like period as an original filing, and shall also continue the rank of the entruster's existing security interest as against all junior interests. It shall be the duty of the filing officer to mark, file and index the further statement or affidavit in like manner as the original.

§ 14. (LIMITATIONS ON EXTENT OF OBLIGATION SECURED.)

As against purchasers and creditors, the entruster's security interest may extend to any obligation for which the goods, documents or instruments were security before the trust receipt transaction, and to any new value given or agreed to be given as a part of such transaction; but not, otherwise, to secure past indebtedness of the trustee; nor shall the obligation secured under any trust receipt transaction extend to obligations of the trustee to be subsequently created.

§ 15. (ACT NOT APPLICABLE TO CERTAIN TRANSACTION.)

This act shall not apply to single transactions of legal or equitable pledge, not constituting a course of business, whether such transactions be unaccompanied by delivery of possession, or involve constructive delivery, or delivery and redelivery, actual or constructive, so far as such transactions involve only an entruster who is an individual natural person, and a trustee entrusted as a fiduciary with handling investments or finances of the entruster; nor shall it apply to transactions of bailment or consignment in which the title of the bailor or consignor is not retained to secure an indebtedness to him of the bailee or consignee.

§ 16. (ELECTION AMONG FILING STATUTES.)

As to any transaction falling within the provision both of this act and of any other act requiring filing or recording, the entruster shall not be required to comply with both, but by complying with the provisions of either at his election may have the protection given by the act complied with; except that buyers in the ordinary course of trade as described in Subsection 2 of Section 9, and lienors as described in Section 11, shall be protected as therein provided, although the compliance of the entruster be with the filing or recording requirements of another act.

§ 17. (CASES NOT PROVIDED FOR.)

In any case not provided for in this act the rules of law and equity, including the law merchant, shall continue to apply to trust receipt transactions and purported pledge transactions not accompanied by delivery of possession.

§ 18. (UNIFORMITY OF INTERPRETATION.)

This act shall be so interpreted and construed as to effectuate its general purpose to make uniform the law of the states which enact it.

§ 19. (CONSTITUTIONALITY.)

If any provision of this act or the application thereof to any

person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable.

§ 20. (SHORT TITLE.)

This act may be cited as the Uniform Trust Receipts Act.

§ 21. (INCONSISTENT LAWS REPEALED.)

(Except so far as they are applicable to trust receipt and pledge transactions entered into before this act takes effect, the following acts shall be and hereby are repealed; and) all acts or or parts of acts inconsistent with this act are hereby repealed.

ASSESSMENTS BY IRRIGATION DISTRICTS

An Act To amend and reenact Section 61-0915 of the North Dakota Revised Code of 1943, relating to assessments by Irrigation Districts, and to the powers of district courts involving the validity of such assessments, and of tax certificates, and tax deeds based upon such assessments, and declaring an emergency.

Be It Enacted by the Legislative Assembly of the State of North Dakota:

§ 1. AMENDMENT.] That Section 61-0915 of the North Dakota Revised Code of 1943 be amended and reenacted to read as follows:

61-0915. All assessments made pursuant to the provisions of this chapter on real property, and assessments on leasehold estates owned by this state or any of its subdivisions, and, to the extent provided by the act of congress of August 11, 1916, assessments on entered or unentered public lands, shall be a general tax against the real property on which assessed in like manner and to the same effect as general state and county taxes and shall be of the same order. The lien thereof shall share ratably with general tax liens in all tax proceedings and tax sales, and shall be subject to all provisions of law relating to general taxes. Such assessment shall become due and payable and delinquent at the same time as other general state and county taxes, and at the annual tax sale the said assessment shall be included in the total amount of taxes for which the property affected is being offered for sale, and such property, in the absence of other bidders, shall be sold to the county. A tax sale certificate therefor may issue to the county and shall remain subject to all statutory provisions applying to tax sale certificates issued to a county. In case leasehold estates only are affected by said assessments the tax sale certificate issued therefor shall state that fact. The lien for the bonds of any series shall be preferred to that of any subsequent series, and the lien for the payments due to the United States under any contract between the district and the United States, accompanying which bonds have not been deposited with the United

States, shall be a lien preferred over that of any issue of bonds or any series of any issue subsequent to the date of such contract. All funds arising from assessment and levy, if any, shall be devoted to the obligations of the district payable from said funds and as to all obligations from the bond and United States contract a fund shall be so devoted in the order of priority of the creation of the obligation. No error or omission which may be made in the proceedings of the board, or of any officer of an irrigation district in referring, reporting upon, ordering or otherwise acting concerning the establishment, construction or acquisition of irrigation works, or concerning the issuance of bonds or improvement warrants, or in making or certifying any assessment shall vitiate or in any way affect any such assessment; but if it shall appear that by reason of such error or omission substantial injury has been done to the party or parties claiming to be aggrieved, the court shall alter such assessment as may be just and the same shall then be enforced. Whenever the validity of any assessment, or the validity of any tax sale certificate or deed given pursuant to a sale for such assessment shall be drawn in question in any action in any district court in this state, and such assessment shall be held to be invalid by reason of noncompliance with the laws of this state, the court shall determine the true and just amount which the property attempted to be so assessed by said assessment should pay, to make the same uniform with other assessments for the same purpose, and the amount of such assessments as the same appears on the assessment list thereof, shall be prima facie evidence of such true and just amount, and judgment must be rendered and given therefor against the property liable for such assessment, without regard to the proceedings had for the levy thereof, and such judgment shall be a lien upon the property upon which the assessment shall have been levied, of equal force and effect as the lien of irrigation district assessments, and the lien of such judgment shall be enforced by the court in such action.

§ 2. EMERGENCY.] An emergency is hereby declared to exist and this Act shall be in full force and effect from and after its passage and approval.

LETTING CONTRACTS FOR DRAINS; DEFERRING; PREFERENCE IN AWARDING.] At the time and place appointed the board of drain commissioners shall proceed to hear all complaints relative to such assessments, unless a hearing has already been had under the provisions of Sections 61-2120 and 61-2121, and correct and confirm the same. Such board shall then proceed to let contracts for the construction of the drain by divisions as it shall have divided the same, to the persons who will do the work according to the specifications, for the lowest price and give adequate security for the performance of the same within such time as the contract shall specify. Such board may adjourn such letting in whole or in part and from time to time to such other time and place, to be by it at the time of such adjournment publicly announced, as shall to it seem proper and it may reserve the right to reject any and all bids. The parties who are to be assessed for the construction of such drain and who may be bidders for contracts thereon shall, if equal bidders with other parties, be preferred in the awarding of such contracts; provided, that contracts for the building of bridges and culverts mentioned in Section 61-2136 may be deferred, until the construction of the drain has reached such a stage of completion that the character of the bridges and culverts which will be needed can be determined. As soon as the character of such bridges and culverts can be determined such board shall cause plans and specifications of the bridges and culverts to be constructed in connection with such drain to be prepared and shall give at least ten days' notice of the time and place when and where it will meet parties for the purpose of letting contracts for such construction. Such notice shall be published at least fifteen days prior to the date of the opening of the bids there-

REPAIRS OF DRAINS

An Act To amend and re-enact Section 61-2142 of the North Dakota Revised Code of 1943 as amended by Chapter 14 of the 1944 Special Session Laws relating to repairs of existing drains, and declaring an emergency.

Be It Enacted by the Legislative Assembly of the State of North Dakota:

§ 1. AMENDMENT.] That Section 61-2142 of the North Dakota Revised Code of 1943 as amended by Chapter 14 of the 1944 Special Session Laws is hereby amended and re-enacted to read as follows:

§ 61-2142. DRAIN KEPT OPEN AND IN REPAIR BY BOARD OF COUNTY COMMISSIONERS; COST OF.] All drains that may have been constructed under any law of this state, or that may be constructed

under the provisions of this chapter and situated in this state, shall, except as otherwise provided, be under the charge of the board of county commissioners and their successors in office and it shall be the mandatory duty of the board of county commissioners and their successors in office to keep said drain open and in good repair. In all cases when any completed drain is or may be situated in more than one county the care of the portion lying within any county is hereby assigned to the board of county commissioners of such county to be by it kept open and in repair. The cost of such keeping open and in repair shall in all cases be assessed, levied and collected in the same manner as is provided in this chapter for the construction of drains in the first instance, and in cases when no assessments of benefits shall have been made, the board of commissioners having charge of or to whose care such drain may be assigned shall make such assessments.

Provided that any work of cleaning out or repairing any drain, the cost of which said work is not in excess of \$150.00 in any one year, may be done by day work or under contract therefor, which contract may be let without such work being advertised and the expense thereof shall be paid out of the county road and bridge fund.

Provided that the levy in any one year for cleaning out or repairing any drain shall not exceed a maximum of fifty cents per acre on any lands in such drain district. Provided further that the Board of County Commissioners may accumulate a fund for such purpose, but such fund shall not exceed the maximum levy allowable for one year.

Provided that all such cleaning out and repair shall be let by bids as provided by law except that the said Board of County Commissioners may in their discretion reject any and all bids and perform such work with county equipment or enter into an agreement with any State or Federal agency for such cleaning out and repair of drains. Provided that such discretionary power in the Board of County Commissioners shall expire on June 1, 1947 and that on and after June 1, 1947 such cleaning and repair can only be let by bids as provided by law. Provided that where such a county drain runs through or adjacent to an incorporated city or village, the governing body of such city or village is hereby authorized to contribute to the expense of cleaning such drain in such amount as may be agreed upon between such governing board and the county commissioners.

Provided, however, that if such levy and the funds accumulated in said drain fund shall not be sufficient for properly cleaning out or repairing such drains, the Board of County Commissioners may spend more than the above maximum limit as follows:

Sub-§ 1. Upon presentation to the Board of County Commissioners of a petition signed by property owners liable for 10% or more of the cost of such repair or improvement requesting the cleaning out and repair of an established drain, the Board of County

Commissioners shall forthwith give notice by registered mail, to all property owners interested in such drain of a hearing upon such petition at some convenient time and place.

Sub-§ 2. At such hearing after the purpose of the proposed improvement and repair has been explained, and the probable cost and all other pertinent information has been presented, the signers of such petition shall have the right to withdraw their names. Other owners of property within the drainage district shall at that time have the right to add their names to such petition at the time of the hearing or within twenty days thereafter, if they so desire.

Sub-§ 3. If, after ten days and within twenty days thereafter, petitions are signed containing the signatures of persons owning property which is liable for 51% or more of the cost of such repair or improvement, the Board of County Commissioners shall proceed in the regular way with such repair or improvement. If however, within twenty days after the hearing on the petition, property owners liable for 51% or more of the cost of such repair and improvements, have not signed such petition, then all action of such project shall be postponed for at least one year.

§ 2. EMERGENCY.] This act is hereby declared to be an emergency and shall be in full force and effect from and after its passage and approval.

Approved March 10, 1945.

TRI STATE COMPACT RATIFICATION

An Act To Ratify and Approve the Compact between the States of Montana, North Dakota and Wyoming, Providing for an Equitable Apportionment of the Waters in the Yellowstone River Basin among said States.

Be It Enacted by the Legislative Assembly of the State of North Dakota:

§ I. RATIFICATION OF COMPACT BETWEEN THE STATES OF MONTANA, NORTH DAKOTA AND WYOMING.] That the compact entered into between the states of Montana, North Dakota and Wyoming pursuant to an act of Congress of the United States of America, approved March 16, 1944 (Public No. 257, 78th Congress, Second Session), which was concluded and signed on the 18th day of December, 1944, at Billings, Montana, by the Commissioners for the states of Montana, North Dakota and Wyoming, respectively, acting under appointment by the Governors of said states, providing for an equitable apportionment of the waters in the Yellowstone River basin among said states and each and every part and article thereof is hereby ratified and approved by the Legislative Assembly of the State of North Dakota, which said compact is in words and figures, as follows:

YELLOWSTONE RIVER COMPACT. The State of Montana, the State of North Dakota, and the State of Wyoming, being moved by consideration of interstate comity, and desiring to remove all causes of present and future controversy between said States and between persons in one and persons in another with respect to the waters of the Yellowstone River and its tributaries, other than waters within or waters which contribute to the flow of streams within the Yellowstone National Park, and desiring to provide for an equitable division and apportionment of such waters, and to encourage the beneficial development and use thereof, have resolved to conclude a Compact as authorized under the Act of the Congress of the United States of America, approved March 16, 1944 (Public No. 257, 78th Congress, Second Session), for the attainment of these

purposes, and to that end, through their respective governments, have named as their respective Commissioners:

For the State of Montana: Fred E. Buck, W. E. Ogden, P. F. Leonard, H. W. Bunston, Wesley A. D'Ewart, E. E. Tiffany, D. M. Manning, Chester E. Onstad, Paul J. Hagan, Axel Persson;

For the State of North Dakota: J. J. Walsh, Kenneth W. Simons, Einar H. Dahl, M. M. Millhouse, Frank P. Whitney, John T. Tucker;

For the State of Wyoming: L. F. Thornton, John Gonin, Earl Bower, Ray Bower, R. E. McNally, E. J. Johnson, Ernest J. Goppert, David G. Anderson, W. B. Snyder, Mark N. Partridge, L. C. Bishop, H. J. Paustian, W. R. Holt who, after negotiations participated in by Harold D. Comstock, appointed as the representative of the United States of America, have agreed upon the following articles, to-wit:

ARTICLE I. A. Where the name of a state is used in this Compact, as a party thereto, it shall be construed to include the individuals, corporations, partnerships, associations, districts, administrative departments, bureaus, political subdivisions, agencies, persons, permittees, appropriators, and all others using, claiming, or in any manner asserting any right to the use of the waters of the Yellowstone River System under the authority of said State.

B. Any individual, corporation, partnership, association, district, administrative department, bureau, political subdivision, agency, person, permittee, or appropriator authorized by or under the laws of a signatory State, and all others using, claiming, or in any manner asserting any right to the use of the waters of the Yellowstone River System under the authority of said State, shall be subject to the terms of this Compact. Where the singular is used in this article, it shall be construed to include the plural.

ARTICLE II. A. The State of Montana, the State of North Dakota, and the State of Wyoming are hereinafter designated as "Montana", "North Dakota", and "Wyoming", respectively.

B. The terms "Commission" and "Yellowstone River Compact Commission" mean the agency created as provided herein for the administration of this Compact.

C. The term "Yellowstone River Basin" means areas in Wyoming, Montana, and North Dakota drained by the Yellowstone River and its tributaries, and includes the area in Montana known as Lake Basin.

D. The term "Yellowstone River System" means the Yellowstone River and all of its tributaries, including springs and swamps, from their sources to the mouth of the Yellowstone River near Buford, North Dakota, except those portions thereof which are

within or contribute to the flow of streams within the Yellowstone National Park.

E. The term "Tributary" means any stream which in a natural state contributes to the flow of the Yellowstone River, including interstate tributaries and tributaries thereof, but excluding those which are within or contribute to the flow of streams within the Yellowstone National Park.

F. The term "Interstate Tributaries" means the Clarks Fork, Yellowstone River; the Big Horn River; the Tongue River; and the Powder River; whose confluences with the Yellowstone River are respectively at or near the city (or town) of Laurel, Big Horn, Miles City, and Terry, all in the State of Montana.

G. The term "Point of Diversion" means the point or place at which water is taken or removed from the channel of the Yellowstone River or from any tributary thereof.

H. The terms "Divert" and "Diversion" mean the taking or removing of water from the Yellowstone River or any tributary thereof when the water so taken or removed is not returned directly into the channel of the Yellowstone River or of the tributary from which it is taken.

I. The term "Divertible Flow" means the quantity of water that could be diverted from the stream flow above a designated point of measurement during a specified period of time. It is comprised of three elements: (a) the total net inflow to storage; (b) the total diversions; and (c) the remaining flow in the stream at the designated point of measurement for which the divertible flow is being determined. It is computed as follows:

The algebraic sum of:

(a) the quantity of water (in acre-feet) that flowed into reservoirs situated above the point of measurement during the specified period of time; less the outflow and diversions made directly from reservoirs (in acre-feet) during the same period; plus

(b) The quantity of water (in acre-feet) that was diverted from the stream above the point of measurement (including diversions made directly from reservoirs) during the specified period of time; plus

(c) The quantity of water in the stream (in acre-feet) that flowed past the point of measurement for which divertible flows are being determined during the specified period of time.

J. The term "Mean Divertible Daily Flow" means the average divertible flow occurring during a twenty-four hour period, beginning at 12:00 midnight.

K. The term "Mean Daily Flow" at any point means the aver-

age stream flow occurring at that point during a twenty-four hour period, beginning at 12:00 midnight.

L. The term "Beneficial Use" is herein defined to be that use by which the water supply of a drainage basis is depleted when usefully employed by the activities of man, and includes water lost by evaporation, percolation, and other natural causes from streams, canals, ditches, irrigated areas, and reservoirs.

ARTICLE III. A. This Compact is entered into by each signatory State in the exercise of its sovereign powers for a governmental purpose, and its provisions shall be administered by a Commission, composed of one representative from each signatory State, to be known as the Yellowstone River Compact Commission. The State representatives on this Commission shall be selected in such manner as each signatory State shall choose. The State Engineer of each signatory State, or other similar official, shall be and act as the State representative on the Commission at all times when a vacancy may exist thereon either from failure to designate a method of selection or otherwise. The President of the United States shall be requested by the Commission to designate a representative of the United States to sit with such Commission, and such representative of the United States, if designated by the President, shall, when present, act as Chairman of the Commission without vote.

B. The salaries and necessary expenses of each State representative shall be paid by the respective State; all other expenses incident to the administration of this Compact not borne by the United States shall be allocated to and borne by each state as follows: One-fifth by the State of North Dakota; and two-fifths each by the States of Montana and Wyoming.

C. In addition to other powers and duties herein conferred upon the Commission and the members thereof, the jurisdiction of the Commission shall include the collection, correlation, and presentation of factual data, the maintenance of records having a bearing upon the administration of this Compact, and, by unanimous action, the making of recommendations to the respective States upon matters connected with the administration of this Compact. In connection with the performance of its duties hereunder, the Commission may employ such services and make such expenditures as may be reasonably necessary, within the limit of funds provided for that purpose by the respective States. The Commission shall compile a report for each year ending September 30th, and shall transmit it to the Governors of the signatory States on or before December 31st of that year.

D. The Secretary of War; the Secretary of the Interior; the Secretary of Agriculture; the Chairman, Federal Power Commission; the Chief, Federal Weather Bureau, or comparable officers of whatever Federal agencies may succeed to the functions and duties

of these agencies, and such other Federal officers and officers of appropriate agencies of the signatory States having services of data useful or necessary to the Compact Commission, shall cooperate, ex-officio, with the Commission in the execution of its duty in the collection, correlation, and publication of records and data necessary for the proper administration of the Compact; and these officers may perform such other services related to the Compact as may be mutually agreed on with the Commission.

E. The Commission shall have power to formulate rules of procedure, rules, and regulations, and to perform any and all acts it may find necessary to carry out the provisions of this Compact, and to prescribe, issue, make, amend, and rescind such order, rules and regulations. All rules of procedure, rules, and regulations of the Commission shall be filed in the Office of the State Engineer of each signatory State and shall be kept in a convenient form for public inspection and examination during reasonable business hours.

F. The Commission herein authorized shall have power to sue and be sued in its official capacity in any Federal Court of the Signatory States and may adopt and use an official seal which shall be judicially noticed.

ARTICLE IV. The Commission shall itself, or in conjunction with other responsible agencies, cause to be established, maintained, and operated such suitable water gaging and evaporation stations as it finds necessary in connection with its duties.

ARTICLE V. A. The States of Montana, North Dakota, and Wyoming hereby agree that the waters of the Yellowstone River and its interstate tributaries shall be apportioned among said States as follows:

I. CLARKS FORK, YELLOWSTONE RIVER

Each day, during the period May 1st to September 30th, inclusive, of each year, the first 1,600 acre-feet of mean divertible daily flow of the main stem of the Clarks Fork, Yellowstone River, determined immediately above the confluence of Rock Creek with Clarks Fork in Montana, shall be divided fourteen (14) per cent to Wyoming and eighty-six (86) per cent to Montana; however, either State may temporarily divert, consume, or store for its beneficial use any unused part of the above flow allotted to the other, but no continuing right to such unused flow shall be established thereby. Unappropriated divertible daily flows in excess of 1,600 acre-feet occurring during the period May 1st to September 30th, inclusive, of each year, and all presently unappropriated flows occurring during the period October 1st to April 30th, inclusive, shall be subject to future appropriation for beneficial use within the Yellowstone River Basin in Montana, North Dakota and Wyoming in accordance with the laws of said respective States.

2. BIG HORN RIVER (EXCLUSIVE OF LITTLE HORN RIVER)

Each day during the period May 1st to September 30th, inclusive, of each year, after due consideration being given to all Indian-treaty-water rights of the lands in Wyoming and Montana served directly from the main stem of the Big Horn River, the first 15,000 acre-feet of mean divertible daily flow of the Big Horn River, determined at or near the Big Horn River Bridge on U. S. Highway 87 near Hardin, Montana, shall be divided ninety (90) per cent to Wyoming and ten (10) per cent to Montana; and the next 15,000 acre-feet of mean divertible daily flow shall be divided ninety-three (93) per cent to Wyoming and seven (7) per cent to Montana; provided, however, that either State may temporarily divert, consume, or store for its beneficial use any unused part of the above flows allotted to the other, but no continuing right to such unused flows shall be established thereby. Subject to Indian-treaty-water rights, the unappropriated divertible daily flows in excess of 30,000 acre-feet occurring during the period May 1st to September 30th, inclusive, of each year, and all presently unappropriated flows occurring during the period October 1st to April 30th, inclusive, shall be subject to future appropriations for beneficial use within the Yellowstone River Basin in Montana, Wyoming and North Dakota in accordance with the laws of said respective States.

3. TONGUE RIVER

Each day during the period May 1st to September 30th, inclusive, of each year, the first 2,200 acre-feet of mean divertible daily flow of the Tongue River, determined at the lowest point of diversion on this stream, shall be divided seventy-two (72) per cent to Wyoming and twenty-eight (28) per cent to Montana; and the next 1,200 acre-feet of mean divertible daily flow shall be divided forty-three (43) per cent to Wyoming and fifty-seven (57) per cent to Montana: Provided, That either State may temporarily divert, consume, or store for its beneficial use any unused part of the above flows allotted to the other, but no continuing right to such unused flows shall be established thereby. Unappropriated divertible daily flows in excess of 3,400 acre-feet occurring during the period May 1st to September 30th, inclusive, and all presently unappropriated flows occurring during the period October 1st to April 30th, inclusive, of each year, shall be subject to future appropriation for beneficial use within the Yellowstone River Basin in Wyoming, Montana, and North Dakota in accordance with the laws of said respective States.

The provisions herein, and each of them, and in particular the allotments, and each of them, shall be subject to the following conditions:

- (a) For the purpose of determining the engineering feasibility, particularly as to water supply, of any project or program of the United States for the further conservation and utilization

of the waters of the Tongue River, particularly the storage of waters in the State of Wyoming for beneficial use in that State, the allotments hereinabove made, and each of them, may be assumed as the measure of an equitable apportionment of the waters of the Tongue River between the States of Wyoming and Montana to satisfy, as of the date of this Compact, those established rights for beneficial consumptive uses which are exercised beneficially and which are valid under the laws of the States of Wyoming or Montana, as the case may be.

(b) Such provisions and allotments shall become operative either ten (10) years from and after the date that this Compact is ratified by the Congress; or on June 15 of the year in which water is available for release through any adequate distributary system, other than the stream bed, from the Tongue River Reservoir of the Montana Water Conservation Board for beneficial uses in Montana, the amount of water so released, however, shall be equal to at least one-half of the working capacity of such reservoir; or on June 15 of the year in which water is available for release through any adequate distributary system, other than the stream bed, if such be necessary, from any storage reservoir constructed in Wyoming to conserve for beneficial uses in Wyoming the waters of the Tongue River, the amount of water released, however, shall be equal to at least one-half of the working capacity of such reservoir; or whichever of said dates is the earlier.

4. POWDER RIVER (EXCLUSIVE OF LITTLE POWDER RIVER)

Each day during the period May 1st to September 30th, inclusive, of each year, the first 2,000 acre-feet of mean divertible daily flow of the Powder River, determined at the Wyoming-Montana State line, shall be divided ninety-six and one-half (96½) per cent to Wyoming and three and one-half (3½) per cent to Montana; Provided, That, when in the judgment of the Compact Commission the carriage loss in and through the stream bed depletes the divertible flow to such an extent that an unreasonable waste of water would result if Wyoming were regulated to produce such percentage to Montana, then such regulation shall be enforced only to the extent directed by the Commission. The next 2,600 acre-feet of mean divertible daily flow shall be divided sixty (60) per cent to Wyoming, and forty (40) per cent to Montana; however, either State may temporarily divert, consume, or store for beneficial use any unused part of the above flows allotted to the other, but no continuing right to such unused flows shall be established thereby. Unappropriated divertible daily flows in excess of 4,600 acre-feet occurring during the period May 1st to September 30th, inclusive, and all presently unappropriated flows occurring during the period October 1st to April 30th, inclusive, of each year, shall be subject to future appropriation for beneficial use within the Yellowstone River Basin

in Montana, Wyoming, and North Dakota in accordance with the laws of said respective States.

5. YELLOWSTONE RIVER—MAIN STEM (NEAR MONTANA-NORTH DAKOTA STATE LINE)

During the period May 1st to September 30th, inclusive, of each year, lands within the Yellowstone River Basin in Montana and in North Dakota below Intake, Montana, shall be entitled to the beneficial use of the available residual flow of the waters of the Yellowstone River below Intake, Montana, on a pro rata basis of acreage irrigated.

All residual flows of the Yellowstone River below Sidney, Montana, after the states of Montana and Wyoming have made, or may make, full beneficial use of the waters of said streams, is hereby allotted to the State of North Dakota.

B. From time to time following the consummation of this Compact, the Commission shall re-examine the allocations made under part "A" of this article and shall, after reaching unanimous agreement, make such modifications in these allotments as are fair, just and equitable, giving consideration among other factors to:

- (a) priorities of water rights;
- (b) acreage irrigated;
- (c) acreage irrigable under existing works; and
- (d) potentially irrigable lands.

Provided, That if the Commission should fail to reach unanimous agreement as to the modification of any allotment provided for in this article, then, as to the stream affected, the allotment then existing shall continue in full force and effect until unanimous agreement thereon be reached; and

Provided further, That changes and amendments that are substantive and are not modifications of allotments as herein provided shall be subject to Article XI.

C. The allocations made herein shall be exclusive of the use of the waters for domestic and stock use, and each signatory State shall be allowed unrestricted use for these purposes, except that no reservoir for such use shall exceed 20 acre-feet in capacity.

D. It is recognized that variable climatic conditions, stream flow regulation, the administration of the interstate tributaries in Wyoming and Montana, and other causes will produce diurnal and other unavoidable variations and fluctuations in the stream flows at the interstate measuring stations, and it is agreed that in the performance of provisions of part "A", of this article and subsequent modifications thereof, minor compensating irregularities and fluctuations in the flow shall be permitted; but where any deficiency of the mean daily flow at an interstate measuring station may be occasioned by neglect, error, or failure in the performance of the

duty of the upstream-state water officials having charge of the administration of the diversions from the stream, each such deficiency shall be made up within the next succeeding period of 72 hours by delivery of additional flow at the interstate measuring station over and above the amount allotted, sufficient to compensate for such deficiency. Notwithstanding the allocations of this Compact, the Commission, in its administration, shall direct the regulation of the streams within each of the signatory States to avoid unreasonable carriage losses.

ARTICLE VI. Present vested rights within each State and between States relating to the beneficial use of the waters of the Yellowstone River System are recognized by this Compact and shall be administered by the proper officials of the respective States. All rights to the beneficial use of the waters of the Yellowstone River System, heretofore and hereafter established under the laws of any signatory State, shall be satisfied solely from the portion of the water allotted to that State as provided in Article V. All Indian Treaty rights pertaining to the waters of the Yellowstone River Basin are unaffected by this Compact and are excluded therefrom.

ARTICLE VII. A. A lower signatory State shall have the right, by compliance with the laws of an upper signatory State, to file application for and receive permits to appropriate and use any waters in the Yellowstone River System not specifically apportioned to or appropriated by such upper State as provided in Article V; and to construct or participate in the construction and use of any dam, storage reservoir, or diversion works in such upper State for the purpose of conserving and regulating water that may be apportioned to or appropriated by the lower State, provided that such right is subject to the rights of the upper State to control, regulate, and use the water apportioned to and appropriated by it; and, provided further, that should an upper State elect, it may share in the use of any such facilities constructed by a lower State to the extent of its reasonable needs upon assuming or guaranteeing payment of its proportionate share of the cost of the construction, operation, and maintenance. This provision shall apply with equal force and effect to an upper State in the circumstance of the necessity of the acquisition of rights by an upper State in a lower State.

B. Each claim hereafter initiated for an appropriation of water in one signatory State for use in another signatory State shall be filed in the Office of the State Engineer of the signatory State in which the water is to be diverted, and a duplicate copy of the application including a map showing the character and location of the proposed facilities and the lands to be irrigated shall be filed in the Office of the State Engineer of the signatory State in which the water is to be used. If a portion or all the lands proposed to be reclaimed are located in a State other than the one in which the water is to be

diverted, then, before approval of the application shall be granted, said application shall be checked against the records of the appropriate office of the State in which the water is to be used, and a notation shall be placed thereon by the officer in charge of such records to the effect that the land description does not indicate a conflict with existing water rights. All endorsements shall be placed on both the original and duplicate copies of all such maps filed, to the end that the records in both States may be complete and identical.

C. Appropriations may hereafter be adjudicated in the State in which the water is diverted, and where a portion or all of the lands irrigated are in another signatory State, such adjudications shall be confirmed in that State by the proper authority. Each adjudication is to conform with the laws of the State where the water is diverted and shall be recorded in the County and State where the water is used.

ARTICLE VIII. A lower signatory State shall have the right, upon compliance with the laws of an upper signatory State, to acquire in such upper State by purchase, or through exercise of the power of eminent domain, such easements and rights of way for the construction, operation, and maintenance of pumping plants, storage reservoirs, canals, conduits, and appurtenant works as may be required for the enjoyment of the privileges granted herein to such lower State. This provision shall apply with equal force and effect to an upper State in the circumstance of the necessity of the acquisition of rights by an upper State in a lower State.

ARTICLE IX. Should any facilities be constructed by a lower signatory State in an upper signatory State under the provisions of Article VII, the construction, operation, repairs, and replacements of such facilities shall be subject to the laws of the upper State. This provision shall apply with equal force and effect to an upper State in the circumstance of the necessity of the acquisition of rights by an upper State in a lower State.

ARTICLE X. In the event water from another drainage basin shall be imported into the Yellowstone River Basin, or transferred from one tributary basin to another by the United States, Montana, North Dakota, or Wyoming, or any of them jointly, the State having the right to the use of such water shall be given proper credit therefor in determining its share of the divertible flows apportioned in accordance with Article V herein.

ARTICLE XI. The provisions of this Compact shall remain in full force and effect until amended in the same manner as it is required to be ratified to become operative as provided in Article XVII.

ARTICLE XII. No action taken by the Compact Commission

shall be valid except by the unanimous consent of the Commissioners representing the signatory States.

ARTICLE XIII. This Compact may be terminated at any time by unanimous consent to the signatory States, and upon such termination all rights then established hereunder shall continue unimpaired.

ARTICLE XIV. Nothing in this Compact shall be construed to limit or prevent any State from instituting or maintaining any action or proceeding, legal or equitable, in any Federal Court of the United States Supreme Court, for the protection of any right under this Compact or the enforcement of any of its provisions.

ARTICLE XV. Nothing in this Compact shall be construed as affecting any rights to the use of the waters of the Big Horn or Wind River and the Little Horn River and their tributaries, existing by virtue of Indian treaties.

ARTICLE XVI. The physical and other conditions characteristic of the Yellowstone River and peculiar to the territory drained and served thereby and to the development thereof, have actuated the signatory States in the consummation of this Compact, and none of them, nor the United States by its consent and approval, concedes thereby the establishment of any general principle or precedent with respect to other interstate streams.

ARTICLE XVII. This Compact shall become operative when approved by the Legislature of each of the signatory States and consented to and approved by the Congress of the United States.

ARTICLE XVIII. Nothing in this Compact shall be deemed:

(a) To impair or affect any rights or powers of the United States, its agencies, or instrumentalities, in and to the use of the waters of the Yellowstone River Basin nor its capacity to acquire rights in and to the use of said waters;

(b) To subject any property of the United States, its agencies, or instrumentalities to taxation by any State or subdivision thereof, nor to create an obligation on the part of the United States, its agencies, or instrumentalities, by reason of the acquisition, construction, or operation of any property or works of whatsoever kind, to make any payments to any State or political subdivision thereof, State agency, municipality, or entity whatsoever in reimbursement for the loss of taxes;

(c) To subject any property of the United States, its agencies, or instrumentalities, to the laws of any State to an extent other than the extent to which these laws would apply without regard to the Compact.

ARTICLE XIX. Should a Court of competent jurisdiction hold

any part of this Compact to be contrary to the constitution of any signatory State or of the United States, all other severable provisions of this Compact shall continue in full force and effect.

IN WITNESS WHEREOF the Commissioners have signed this Compact in quadruplicate original, one of which shall be filed in the archives of the Department of State of the United States of America and shall be deemed the authoritative original, and of which a duly certified copy shall be forwarded to the Governor of each signatory State.

§ 2. Such certificates, or any part of any series thereof, may at any time be sold to and purchased by the Bank of North Dakota, or any public official, board, bureau, institution or agency of the state or of any county or municipality in this state at par and accrued interest and without advertising for bids as herein provided, and certificates held by them, or any of them, may be called for payment, as provided in section 4 hereof, upon thirty (30) days notice by mail and without publishing the notice of such call, as provided in said section, and such certificates so called for payment shall cease to bear interest thirty (30) days after the mailing of such notice.

§ 6. All public officials, boards, bureaus and institutions, state, county and municipal in this state, having the custody of public funds for investment, are hereby authorized to invest such funds in said state highway revenue anticipation certificates. Said certificates are also hereby declared to be legal investments for assets of the Bank of North Dakota and all other banks organized under the laws of this state.

§ 7. Said certificates may be accepted at par value by all public officials of the state of North Dakota as security for the repayment of all deposits of public moneys of the state and of any county, municipality or public institution thereof and as security for the faithful performance of any obligation or duty to guarantee the

performance of which such officials are now authorized by law to accept deposits of the bonds of this state and of the United States of America.

§ 8. All monies realized upon the negotiation and sale of said certificates shall be placed by the state treasurer in and credited to a fund hereby created to be known as "state highway special construction fund", and the same are hereby appropriated and shall be used and expended only for the construction and reconstruction of such highways and bridges as may come within the purview and restrictions of the acts of congress and amendments thereto now in force or hereafter enacted, granting federal aid for the construction and reconstruction of federal, state and feeder highways and bridges within this state and for the matching of such federal funds and grants in such proportion and manner as is now or may hereafter be provided in said acts of congress and as shall have been determined by the state highway department, with the approval of the governor, at the time of authorizing the issuance of said certificates, as hereinbefore provided, but the validity of said certificate in the hands of any holder shall not be affected in any manner by the character, amount of use of such Federal aid moneys or with the continuance thereof, nor by the failure to conform with the provisions of this paragraph.

§ 9. For the purpose of providing funds for the payment of the semi-annual interest and the redemption of said certificates as the same become payable, there is hereby imposed on dealers in motor vehicle fuels, a special motor vehicle fuel license tax of one cent (1¢) per gallon on all motor vehicle fuels used and sold in the state of North Dakota; which tax shall be separate and apart from and in addition to any license tax or other tax imposed upon or applicable to motor vehicle fuels or dealers therein under the laws of this state, and said additional one cent (1¢) per gallon tax shall be in addition to and over and above the three cent (3¢) tax now imposed and assessed by the initiated measure approved June 30, 1926, and amendments thereof and acts supplementary thereto, known as "Motor Vehicle Fuel Tax Law", provided, however, that said additional one cent (1¢) per gallon tax shall not be imposed upon or applicable to motor vehicle fuels sold in this state to be used solely for agricultural and industrial purposes and said motor vehicle fuels so sold to be used solely for agricultural and industrial purposes shall be tax exempt, as is provided by chapter 147 of the 1939 session laws of the state of North Dakota, and amendments thereto, or any law hereafter enacted.

§ 10. Said additional one cent (1¢) per gallon tax shall be paid by every dealer in motor vehicle fuels as defined and provided in the said initiated measure approved June 30, 1926, and the amendments thereto and said additional one cent (1¢) per gallon

tax shall be paid in the manner, at the times and to the officer specified in said initiated measure and amendments thereto, and all definitions of terms and methods of procedure for assessment and collection and other general provisions by context applicable hereto now contained and provided in said initiated measure and all future amendments thereto shall apply and hereby are made applicable to the special license tax imposed under the terms and provisions of this act.

§ 11. Every dealer paying the additional one cent (1¢) per gallon special motor vehicle fuel license tax herein imposed or liable for the payment thereof shall be entitled to charge and collect the sum of one cent (1¢) per gallon on such motor vehicle fuels sold by him as a part of the selling price thereof.

§ 12. Any dealer, person or association, firm or corporation liable to account for and pay said one cent (1¢) per gallon tax who shall violate any of the provisions of this act or who shall make any false statement or report required by this act or who shall fail or neglect to pay the one cent (1¢) per gallon additional special motor vehicle fuel license tax herein imposed, shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than five hundred dollars (\$500.00) or be imprisoned in the county jail for not more than ninety days (90), or both such fine and imprisonment.

§ 13. In the event that this act shall be approved and shall take effect and the one cent (1¢) additional motor vehicle fuel tax shall become collectible hereunder, chapter 263, Laws of 1943, immediately upon such taking effect, shall be, and, in such event is, hereby repealed.

§ 14. There is hereby created a special fund to be used solely for the payment and retirement of the certificates authorized and to be issued under the provisions of this act and the payment of the interest to accrue upon said certificates, said special fund to be known as "state highway revenue anticipation certificate retirement fund", into which fund the state treasurer shall pay or transfer all monies derived from said one cent (1¢) motor vehicle fuel tax and all monies directed by this act to be transferred thereto from the state highway fund.

§ 15. In the event the amount to the credit of said state highway revenue anticipation certificate retirement fund at any time shall be insufficient to pay the semi-annual interest and pay and retire the principal of said certificates, as they fall due and mature, there is hereby appropriated so much of the funds allocated and appropriated by the constitution and laws of this state for the construction, reconstruction and maintenance of public highways then credited to the state highway fund as may be necessary to meet such

deficit in the state highway revenue anticipation certificate retirement fund, not exceeding, however, the sum of two hundred fifty thousand dollars (\$250,000.00) in any one year, which amount so appropriated shall thereupon be transferred by the state treasurer to said state highway revenue anticipation certificate retirement fund and used for the payment of such interest and the retirement of the principal of said certificates so maturing.

§ 16. The total proceeds of said special license tax of one cent (1¢) per gallon and any monies transferred to said state highway revenue anticipation certificate retirement fund from the state highway fund, as herein provided, are hereby appropriated and allocated without any deduction for administrative costs whatever and shall be expended only for the payment of the interest to accrue upon said certificates and the payment of the principal and the retirement of said certificates as the same mature or become payable.

§ 17. The total proceeds of said one cent (1¢) per gallon motor vehicle fuel tax and any monies transferred or to be transferred under Section 15 hereof from the state highway fund to said state highway revenue anticipation certificate retirement fund are hereby irrevocably pledged for the payment of the principal and interest of said certificates, and so long as any of said certificates remain outstanding and unpaid, the laws imposing said taxes shall not be repealed nor shall the same be altered or amended by reducing the amount or the requirement for the collection, disposition and use of said taxes, as herein and in the laws imposing said taxes provided. When there are sufficient funds in said state highway revenue anticipation certificate retirement fund to retire all outstanding and unpaid certificates said tax shall cease and terminate.

§ 18. If any section, paragraph, sentence, part or provision of this act shall be found by any court to be invalid, it shall be conclusively presumed that this act would have been passed and enacted by the people without such invalid section, paragraph, sentence, part or provision.

§ I. AMENDMENT.] That Section 158 of Article 9 of the Constitution of the State of North Dakota, as amended by Article 13 of the Amendments thereof, as further amended by Article 50 of the amendments thereof, is hereby amended and re-enacted to read as follows:

§ 158. No original grant school or institutional land shall be sold for less than the fair market value thereof, and in no case for less than ten dollars (\$10.00) per acre, provided that when lands have been sold on contract and the contract has been cancelled, such lands may be resold without reappraisal by the board of appraisal. The purchaser shall pay twenty (20) per cent of the purchase price at the time the contract is executed; thereafter annual payments shall be made of not less than six (6) per cent of the original purchase price. An amount equal to not less than three (3) per cent per annum of the unpaid principal shall be credited to interest and the balance shall be applied as payment on principal as credit on purchase price. The purchaser may pay all or any installment or installments not yet due to any interest paying date. If the purchaser so desires, he may pay the entire balance due on his contract with interest to date of payment at any time and he will then be entitled to proper conveyance.

All sales shall be held at the county seat of the county in which the land to be sold is situated, and shall be at public auction and to the highest bidder, and notice of such sale shall be published once each week for a period of three weeks prior to the day of sale in a legal newspaper published nearest the land and in the newspaper designated for the publication of the official proceedings and legal notices within the county in which said land is situated.

No grant or patent for such lands shall issue until payment is made for the same; provided that the land contracted to be sold by the State shall be subject to taxation from the date of the contract. In case the taxes assessed against any of said lands for any year remain unpaid until the first Monday in October of the following year, the contract of sale for such land shall, if the Board of University and School Lands so determine, by it, be declared null and void. No contract of sale heretofore made under the provisions of said Section 158 of the Constitution as then providing shall be affected by

this amendment, except prepayment of principal may be made as herein provided.

Any of said lands and any other lands controlled by the Board of University and School Lands, may, with the approval of said Board, be exchanged for lands of the United States, the State of North Dakota or any county or municipality thereof as the Legislature may provide, and the lands so acquired shall be subject to the trust to which the lands exchanged therefor were subject, and the State shall reserve all mineral and water power rights in lands so transferred.

When any of said lands have been heretofore or may be hereafter sold on contract, and the purchaser or his heirs or assigns is unable to pay in full for the land purchased within twenty years after the date of purchase and such contract is in default and subject to being declared null and void as by law provided, the Board of University and School Lands may, after declaring such contract null and void, resell the land described in such contract to such purchaser, his heirs or assigns, for the amount of the unpaid principal, together with interest thereon reckoned to the date of such resale at the rate of not less than three (3%) per cent, but in no case shall the resale price be more than the original sale price; such contract of resale shall be upon the terms herein provided, provided this section shall be deemed self-executing insofar as the provisions for resale herein made are concerned.

WHEREAS, to produce and harvest a crop in North Dakota and to otherwise engage in other agricultural pursuits to the maximum capacity of the farmers of this State, it is absolutely necessary that they have adequate help on the farms of this State, and

Joint Memorial Resolution

JOHN MOSES

The tragic death of our Senator and former Governor, the Honorable John Moses has removed the first citizen of the State from the realm of public service.

He brought to that service a forceful personality, a calm dignity, a tolerance and an understanding which enabled him to mold dissenting factions into a working unit, which under his leadership acted in state affairs for the good of all. He dedicated to that service a powerful physique and a boundless energy. His frankness, integrity and ability were universally recognized. Indeed, it has been given to few in the history of the State and Nation to be held so highly in the affection and respect of all men.

At this hour of crisis in the Nation's history when there is great need for extraordinary capacity, character and diligence in the public

service his passing is an irreparable loss to the country, which, though his by adoption, was loved by him with a deep and glowing patriotism.

THEREFORE BE IT RESOLVED:

In gratitude for the great services which we have received at his hands, in recognition of the State's great loss and in honor of his memory this resolution be entered in the Journal of this Joint Session of the Legislative Assembly and an enrolled copy hereof, properly executed by the Lieutenant-Governor and the Speaker of the House be presented to Mrs. Moses.

NATIONAL GUARD

A Concurrent Resolution Memorializing the Congress of the United States on the Postwar Military Establishment and the Status of the National Guard.

Be It Resolved by the House of Representatives of the State of North Dakota, the Senate Concurring Therein:

WHEREAS, the Postwar Military Policy and the character, composition and size of the Military Establishment of the United States is a matter of vital importance to the States and Territories of the Union, as well as to the National Government, and

WHEREAS, the decisions which will be reached by the Congress in this matter will be predicated upon the powers granted to the Congress under the "Militia clauses" as well as the "Army clauses" of the Constitution, and will directly affect the Military Establishments of the Several States, and the relationship of these State Forces to the Army of the United States, and

WHEREAS, many plans and suggestions as to the Postwar Military Policy and the future Military Establishment have been proposed, some of which have already been presented to the Congress,

NOW THEREFORE BE IT RESOLVED by the House of Representatives of the State of North Dakota, the Senate Concurring Therein, That the Congress is respectfully urged to preserve in the Postwar Military Organization insofar as it relates to the civilian components of the Army of the United States, and specifically to the National Guard, the Officers' Reserve Corps and the Organized Reserve, the basic principles of the policies laid down in the National Defense Act of 1916 as amended, and in cogent acts, especially the

provisions of the Selective Training and Service Act of 1940 relating to the status of the National Guard as an integral part of the first line of defense of the nation. National Guard units have played a vital role in the mobilization of our present Army and they have made a brilliant record on every fighting front. We are counting on them as a bulwark of our future national security. The contributions made by National Guard units and the Organized Reserves on the battle fields of World War II completely justify the wisdom of the Congress in making them a first-line component of the Army of the United States, and amply warrants their retention in that capacity.

AND BE IT FURTHER RESOLVED that in the discussion of the Postwar Military Policy and the form of the Military Establishment, the fullest opportunity, consistent with existing conditions, be accorded the officers and men of all components of the Army, who are or who have been serving with the Armed Forces in time of war, to express their views on this most important matter to the end that this Nation will adopt a sound military policy consistent with our traditions and which will afford the utmost security to the Nation.

REGARDING CEILING PRICE ON BUTTER

A Concurrent Resolution Memorializing Congress, the President of the United States, and Chester Bowles, Administrator of the Office of Price Administration, to Permit the Sale of North Dakota Butter within Ceiling Prices on the Basis of its True Commercial Value,

and to Cease Unjust Discrimination against Butter Made in the State of North Dakota.

Be It Resolved by the House of Representatives of the State of North Dakota, the Senate Concurring:

That, WHEREAS, the Creamery industry contributes materially to the aggregate economy of the State of North Dakota, and is the only branch of agriculture in which practically all the processing of the products are carried out within the borders of the State; and whereas the Office of Price Administration has adopted a policy in dealing with our North Dakota creameries based on the erroneous conclusion that top quality butter cannot be produced in North Dakota, and pursuant to said policy has classified North Dakota as a B grade butter state;

AND WHEREAS, this action is doing irreparable harm to our dairy industry as a whole and particularly to the producer, as any action that compels creameries to market butter on the theory that government grades are the sole and only basis of its commercial value will automatically reduce the price the creamery can pay to the producer in this state for butterfat; and whereas if damage actions by the Office of Price Administration succeed as against creameries which have bought and paid for butterfat, to the producer, on the theory that such butterfat could be and was processed into butter that could be lawfully sold for a price actually based on its real commercial value, within ceiling price limitations, and judgments for damages against said creameries are obtained, then and in that event, as to co-operatives creameries, the damages will be collected from the pockets of the farmer producer, and as to independent creameries, the judgments will have to be collected out of the working capital, as in truth and in fact the prices that were paid to the farmer were based on the prices the creameries have received for the butter, and in truth and in fact, no damage has accrued to the consumer; and if the present program of the OPA is carried out, no benefit can or will accrue to the consumer. The North Dakota producer will be materially damaged and the ultimate consumer will receive no benefit.

NOW, THEREFORE, Be it resolved that we petition the Congress of the United States to investigate the activities of the OPA in connection with the matters hereinbefore referred to, and to urge Chester Bowles, Administrator of the Office of Price Administration, to issue such regulations as may be required to permit North Dakota Creameries to sell North Dakota butter within ceiling prices on the basis of its true commercial value, and that the present program of the OPA based on alleged upgrading be forthwith terminated.

It is further resolved that a copy of this joint resolution be

sent to the President of the United States, to Chester Bowles, Administrator, and to each of the North Dakota members of Congress.

WHEREAS, in the years 1941, 1942, 1943, and 1944 the North Dakota farmers produced 613,010,000 bushels of wheat, and

WHEREAS, in 1935 the average cost of shipping a ninety car

WHEREAS, the grain producers of North Dakota have in the last four years paid in excess of eighty million dollars for the transportation of wheat alone to the primary grain market at Minneapolis, and

WHEREAS, more favorable rates are afforded to the shippers of neighboring states for the shipping of coarse grain to primary grain market in Minneapolis.

NOW, THEREFORE, BE IT RESOLVED that we petition the Interstate Commerce Commission and the Public Service Commission of the State of North Dakota to take appropriate steps for the removal of the existing discrimination against the grain producers of the State of North Dakota, and

BE IT FURTHER RESOLVED, that copies of this resolution be sent to the Interstate Commerce Commission at Washington, D. C., to the Public Service Commission at Bismarck, North Dakota, and to the senators and representatives of this State.

REQUESTING MODIFICATION OF O.D.T. ORDER

A Concurrent Resolution requesting the Office of Defense Transportation to modify the order permitting the removal of the Soo Line passenger trains 105 and 106 operating between Glenwood, Minnesota and Enderlin, North Dakota, and passenger trains 107 and 108 operating between Enderlin, North Dakota and Minot, North Dakota, daily, except Sundays, effective March 1, 1945.

Be It Resolved by the House of Representatives of the State of North Dakota, the Senate Concurring Therein:

WHEREAS, the Office of Defense Transportation has issued its order permitting the removal of Soo Line passenger trains 105 and 106 operating between Glenwood, Minnesota and Enderlin, North Dakota, a distance of 136 miles, and also passenger trains 107 and 108 operating between Enderlin, North Dakota and Minot, North Dakota, a distance of 212 miles, and

WHEREAS, the discontinuance of passenger trains 105 and 106 operating between Glenwood, Minnesota and Enderlin, North Dakota, and passenger trains 107 and 108 operating between Enderlin, North Dakota and Minot, North Dakota, will for all practical purposes deprive all the communities effected by such discontinuance

of express service, particularly in-coming express, and also deprive said communities of evening mail from the east, and result in a substantial financial loss to the business enterprises now established in the villages and cities served by said trains, and

WHEREAS, it further appears that the public convenience of the communities, villages, and cities served by the continuance of the operation of all said passenger trains upon their present schedule is a necessity, and

WHEREAS, there appears to be no reasonable basis for permitting their removal or permitting the discontinuance of the service rendered by said trains at this time.

NOW, THEREFORE, BE IT RESOLVED, that the legislative assembly of the State of North Dakota urges the Office of Defense Transportation to modify its order permitting the removal of said trains by the railroads and ordering the Soo Line to continue the same in service for the convenience of the citizens and people of the State of Minnesota and State of North Dakota effected by the service rendered by the same at this time, and

BE IT FURTHER RESOLVED, that it appears that if passenger trains 105, 106, 107, and 108 are removed from the service over the Soo Line between Glenwood, Minnesota and Minot, North Dakota, that the burden of traffic which they ordinarily carry will have to be assumed by and carried on trains 3 and 4, and that said trains will in effect become local passenger trains instead of through trains which will be a great inconvenience to all the passengers who use and utilize the service of said trains between the points of Glenwood, Minnesota and Minot, North Dakota, and would also inconvenience all passengers on said trains from arriving at their destinations in the western part of the United States and Vancouver, Canada, on schedule.

STANDARDS OF FOODS AND DRUGS

An Act To amend and re-enact Section 19-0202, of the North Dakota Revised Code of 1943, relating to definitions, rules, regulations and standards of foods and drugs.

March 16th 1945

Honorable Thomas Hall,
Secretary of State,
Bismarck, North Dakota

Dear Mr. Hall:—

I am delivering herewith H. B. No. 195 without my approval. This bill requires eating places to designate whether meat served is first, second or third grade meat and provides a heavy penalty for violations. Much of the meat sold in North Dakota has no official grading. This law would be difficult to comply with and would in no way improve the quality of meat used in North Dakota.

I therefore veto this bill.

Respectfully,
Fred G. Aandahl (Signed)
Fred G. Aandahl
Governor

FGA:RS

Be It Enacted by the Legislative Assembly of the State of North Dakota:

§ I. AMENDMENT.] That Section 19-0202, of the North Dakota Revised Code of 1943, is hereby amended and re-enacted to read as follows:

19-0202. DEPARTMENT TO ESTABLISH DEFINITIONS, RULES, REGULATIONS, AND STANDARDS OF FOODS AND DRUGS.] The department shall fix, adopt, publish, and enforce definitions, rules, regulations, and standards of quality, purity, and strength of articles of food and drugs for which no definitions, rules, regulations, and standards are prescribed by law including as to what constitutes first, second and third grade meats, for the purpose of:

- I. Securing uniformity, as far as practicable, in the laws of this state and of the federal government and the ordinances of municipalities within this state;

2. Preventing fraud and deception in the manufacture, use, sale and transportation of food;
3. Preserving the public health;

It shall be the duty of all public eating places to designate by printed or written word on the menu, in a manner equally conspicuous with and immediately adjoining each item of meat offered for sale, whether such meat is first, second or third grade meat.

The violation of this Act shall be deemed a misdemeanor and punishable by a fine of not more than One Hundred Dollars (\$100.00) or thirty (30) days in jail.
