DEALERS' GARDEN SEED PRICE LIST

LIST No. 3

FREIGHT PREPAID
IN LOTS OF 300 LB.
OR MORE

JUNE, 1956

"Subject to the limitation of liability herein set forth, we warrant that at time of delivery the seeds or bulbs sold are as described on the container, within recognized tolerances. Our liability on this warranty is limited in amount to the purchase price of the seeds or bulbs. In no event shall we be liable for the crop, or for any loss due to the failure, impairment or quality thereof or variation therein, whether such loss results from breach of the foregoing warranty, from breach of any other provision of the buyer's contract for purchase of said seeds or bulbs, or from any other cause".

QUALITY LAWN SEEDS

Livingston's 100-year background of experience with grasses for turf purposes has developed Livingston's quality mixtures for general and specific purposes which will give most desirable results under given conditions. Generally, Livingston's carefully prepared Lawn Grass Mixtures, made with turf grasses which are compatible, will give best results and can be furnished in bulk or in boxes. Some turf hobbyists want separate grasses. These can be supplied in bulk bags.

LIVINGSTON'S "EXTRA SELECTED" MIXTURE

The finest grade of Kentucky Bluegrass with Danish Bluegrass and Bent Grass. All perennial varieties that make a permanent lawn that lasts for years with normal attention. Available in 5-Pak cartons and bulk.

LIVINGSTON'S "CAPITOL" MIXTURE

"The Green 5-Pak Carton"

Extra fancy grasses with high percentage of hardy perennial Bluegrass and Bent Grass; makes the most durable, lasting Lawn Turf. Use in full sun or light shade. Reasonably good soil, preferably loam of a neutral to slightly acid analysis. Fertilizing spring, summer and fall recommended. Available in 5-Pak and in bulk.

LIVINGSTON'S SHADY MIXTURE

"The Tan 5-Pak Carton"

High percentage of hardy Fescues. Tolerant to light and dense shade where it is difficult to get a stand. Good soil recommended, but adaptable to sandy situations; frequent seeding and fertilizing beneficial. Available in 5-Pak and in bulk.

LIVINGSTON'S "HAVALAWN" MIXTURE

"The Orange 5-Pak Carton"

Balanced mixture of hardy perennial and annual grasses; adaptable to wide range of soils, even clay; endures drought; does well in sun or light shade; fertilizing spring and fall and summer watering recommended. Available in 5-Pak and in bulk.

LIVINGSTON'S "FANCY MIXED" MIXTURE

"The Yellow 5-Pak Carton"

Mixture of quick growing grasses; adaptable to poor and acid soil. Endures sun or shade, drought conditions and minimum fertilizing; frequent seeding necessary. Available in 5-Pak and in bulk.

LIVINGSTON'S "QUICK-GROWER" MIXTURE

Another quick growing mixture, recommended where it is important to obtain a cover in a minimum length of time. Available in 5 lb. bags and in bulk.

SEPARATE GRASSES

Kentucky Bluegrass	Timothy	Ky. 31 or Alta Fescue
Danish Bluegrass	Creeping Bent	Domestic Ryegrass
Merion Bluegrass	Chewing's Fescue	Perennial Ryegrass
Redtop	Creeping Red Fescue	White Clover
