

MUSEUM DISTRICT
COALITION AGREEMENT

We, the aforesigned, agree to support a City of Houston Resolution creating the Museum District. This resolution is not legally binding, but allows official usage of the name. The boundaries of the Museum District are agreed as follows:

The area referred to as the Museum District is bound by Allen Parkway on the north between Shepherd Street and Montrose Boulevard, then south along Montrose Boulevard to Westheimer from Allen Parkway, east along Westheimer to Brazos and south along the freeway to 59. From there the border runs east to San Jacinto Street and south on San Jacinto Street to Southmore, then east to Alameda Road and south along Alameda Road to Hermann Park (and follows the park's southern border) to Rice Blvd. until Cherokee St. It runs north on Cherokee to Bissonnet, then west on Bissonnet to Greenbriar, and north on Greenbriar/Shepherd to Allen Parkway.
