- Feedback, Q&A (20 minutes)

Hi, I am Liang

Board of Wikimedia Taiwan

Strategic direction: By 2030, Wikimedia will become the essential infrastructure of the ecosystem of free knowledge, and anyone who shares our vision will be able to join us.

Strategic direction: By 2030, Wikimedia will become the essential infrastructure of the ecosystem of free knowledge, and anyone who shares our vision will be able to join us. **Knowledge Equity**

Strategic direction: By 2030, Wikimedia will become the essential infrastructure of the ecosystem of free knowledge, and anyone who shares our vision will be able to join us. A world in which every single

human being can freely share in the sum of all knowledge Strategic direction: By 2030, Wikimedia will become the essential infrastructure of the ecosystem of free knowledge, and anyone who shares our vision will be able to join us.

> Accessible platforms, spaces free from harassment, many languages

Strategic direction: By 2030, Wikimedia will become the essential infrastructure of the ecosystem of free knowledge, and anyone who shares our vision will be able to join us. **Contribute their** knowledge and read yours

Case sharing -Aboriginal
