

EXPERT OPINION

W. F. WOOD SEES PROSPECT OF GOOD CROP AS RESULT OF RAINS

Mr. W. F. Wood, rancher, living at 1470 E. Wilson Ave., is very optimistic regarding crop conditions, especially since the last rains. Previous to these the ground was not at all in condition for dry farming, which requires that the ground be wet to a depth of at least two feet. Bean growers practice dry farming almost entirely and they were considerably discouraged up to the time of the recent showers. The ground is now in fine condition for all purposes and will put off the need for irrigation to a much later date than was anticipated would be necessary. The fruit prospect is very good, says Mr. Wood, and bumper yields are certain if killing frosts do not come.

TRUSTEES' MEETING

PUBLIC SERVICE ENGINEER REPORTS ON TROPICO DISTRICT ELECTRIC PLANT

The board assembled at 8:10 p. m. March 13. Present at roll call: Trustees Henry, Shaw, Woodberry. Absent, Muhleman, Jackson. Minutes of the last regular meeting were read and corrections ordered to be made on page 73, making the minutes show that both of the transfers from the insurance reserve fund are to be repaid. With this correction, the minutes were approved.

A communication was presented from the Lutheran Church of Glendale, stating that a number of petty thefts had been made of articles in automobiles in the neighborhood of the church and requesting that an electric light be installed on the pole located near the church. Upon motion of Trustee Shaw, the communication was referred to the city manager with power to act.

A communication was read from C. L. Thedaker, agent for the Southern Pacific Railroad Co. for Glendale, enclosing corrected bill in the amount of \$779.97 to take the place of bill formerly submitted for the cost of moving the Tropico tower. Upon motion of Trustee Shaw the matter was referred to the city manager and city attorney to report thereon.

Communication was read from C. A. Chambers, making application for permit to operate motor trucks over the streets of the city. On motion it was ordered that the application be set for hearing Thursday evening, April 10, 1919, at 8 o'clock, in the council chamber of the board of trustees.

Mr. Cram appeared before the board in reference to application of the Santa Paula Motor Express Co. for permit to operate auto trucks over the streets of the city. Owing to the informality of the application, it was ordered, on motion of Trustee Shaw, that the same be dismissed without prejudice to the applicant.

Mr. C. A. Beeson appeared before the board in reference to application of C. A. Beeson & Son for a permit to operate motor trucks over the streets of the city. Same being set for hearing on this date, on motion of Trustee Shaw the hearing was continued until 8 o'clock p. m., March 20, 1919, in the council chamber of the board of trustees.

Rev. Scott of the First Methodist Church appeared before the board with a proposition to the effect that the members of the Young People's Society of that church would agree to furnish supervision of the playgrounds of the Intermediate School on Wilson Avenue under the rules and regulations of the school authorities. He stated that it is necessary that the grounds be lighted up, as it is proposed that the same be turned open to the general use of the public at least one night in the week from 6:30 to 9:30 o'clock, and requested that the trustees provide a limited equipment not to exceed \$35 in cost and install the necessary lights. On motion of Trustee Shaw the matter was referred to the city manager to investigate and report at the next meeting.

On motion of Trustee Shaw it was ordered that the previous action taken at this meeting, with reference to (Continued on Page 4)

BEAUTIFUL CATALINA

INTERESTING FACTS ABOUT THE MAGIC ISLE FROM ONE WHO KNOWS

Mrs. John H. Jackson of 316 Milford has been spending the most of her time the past two years in Avalon, Catalina Island. She has had unusual opportunities for observing manners and customs on the island and the peculiar business tactics employed by the owners. Mrs. Jackson also has the faculty of expressing her thoughts in a clear, concise and forcible manner, hence she gives a vivid word picture of Catalina as it is.

For many years Catalina was owned by three brothers, who inherited the property from their father, a man of great shrewdness and foresight, whose plans, if they had been carried out, would have added much to the attractiveness of this famous resort. The brothers formulated many wise plans, too, but always quarreled over them before they could be put into effect, and for months they would not speak to each other. They refused to sell building lots, leasing them from year to year at \$25 per lot. Trusting to the integrity and fair-mindedness of the brothers, many people built costly homes on these leased lots, which they occupied in perfect security year after year. The scenic aspect was ever uppermost with the owners and this idea was capitalized year after year, with the result that people came literally from all over the world, some for mere visits others to build and stay. Finally the differences between the brothers became so acute that two of them, owning 60 per cent. of the stock, sold their holdings to a well known manufacturer. His majority holdings gave him absolute control and he at once began to put into effect some revolutionary measures. Pensions that had been paid for years to retired employes were stopped, one of the victims of this order being a Glendale man who was drawing \$85 a month. People who had built houses on leased lots were notified that the leases would be terminated and if they wished to keep from losing their residences, some of them worth thousands of dollars, they must buy the lots at a cost of \$60 to \$70 a front foot.

New town sites are being laid out (Continued on Page 2)

PRESIDENT WILSON GETS TO WORK

REACHED PARIS AT NOON TODAY, MET BY PRESIDENT POINCAIRE; ARRANGES FOR CONFERENCES

(Special Service to Glendale Evening News)
Paris, March 14.—President Wilson arrived here from Brest at three minutes after 12 o'clock today. President and Madame Poincaire greeted him at the station. While the wives of the two Presidents chatted, Wilson and Poincaire reviewed the guard of honor. The Wilsons went immediately to their residence from the train, a cavalry guard accompanying them.

The President is feeling fine. Arrangements were made immediately for a series of rapid fire conferences to be held with various leaders.

REVOLUTION KEPT DOWN IN IRELAND

ESTIMATED THAT THERE IS SOLDIER OR CONSTABLE FOR EVERY THIRTY-FIVE PERSONS

(Special Service to Glendale Evening News)
New York, March 14.—(Copyrighted, 1919, by United Press.)—While the exact number of soldiers in Ireland is a military secret, Sinn Fein leaders declare that England is holding Ireland with two thousand bayonets.

Lord Mayor O'Neill of Dublin, an Irish Nationalist, estimates that the "army of occupation" is composed of 100,000 men.

To the visitor in Dublin the number of uniformed soldiers on the streets is amazing. They guard all public buildings and are fully armed. Most of them wear shrapnel helmets.

Rev. Michael O'Flanagan, vice president of the Sinn Fein National Council, declared that "England is ready to put down the revolution here." He said that in addition to the soldiers, 11,000 members of the Royal Irish Constabulary are policing the rural districts.

O'Flanagan declared that, assuming there are only 100,000 troops in Ireland, there is a soldier or constable to each thirty-five persons.

O'Flanagan would not predict that Ireland will be free within his lifetime, but added: "We'll give Mother England a devil of a lot of trouble. Ireland is sure to be independent in the end."

GEORGE CREEL RETURNS TO WASHINGTON

WILL CLOSE AFFAIRS OF HIS BUREAU IN APRIL AND RETIRE TO "DELOUSE" PUBLIC LIFE

(Special Service to Glendale Evening News)
Washington, March 14.—George Creel has returned to Washington and announced that he will close up the affairs of the committee on public information and retire to private life as soon as he completes his report to President Wilson.

"I believe the country is big enough to hold an independent writer who wishes to help 'delouse' public life," Creel declared.

The committee's affairs will be closed up by April 1. Creel himself has been off the government's pay roll since March 1. The only foreign bureaus now remaining open are at London and Paris and they are being used as settling agencies.

"Will Wilson win?" Creel was asked. "Of course he'll win. You might as well try to stop a tidal wave as stem the world's demand for permanent peace and reduced armaments."

TROUBLE AT TIEN TSIN

CLASH BETWEEN AMERICAN SOLDIERS, JAPANESE POLICE AND CIVILIANS REPORTED TO WASHINGTON

(Special Service to Glendale Evening News)
Washington, March 14.—The State Department issued a statement today saying a clash between some American soldiers and Japanese policemen and some civilians at Tien Tsin on Wednesday and Thursday was reported in a dispatch to the department today.

The report was very brief and gave no details. The American minister to China is investigating the affair, and the first secretary of the American legation at Peking has been sent to Tien Tsin.

The fact that the clash covered two days evidently indicates that it either occurred during the night or was a series of small brawls.

ANNIVERSARY DINNER

ODD FELLOWS CELEBRATE LONG MEMBERSHIP OF C. R. NORTON AND JOHN ROPER

The first function of importance to be held in the new attractive quarters of the I. O. O. F. Lodge, No. 338, at 111 East Broadway, took place Thursday evening and was a very pleasant social affair, a banquet to celebrate the fiftieth anniversary of the date on which Rev. C. R. Norton united with the order, March 13, 1869, and the sixty-sixth anniversary of the initiation of John A. Roper, which falls upon March 15th.

Following a brief session members adjourned to the banquet hall where a very nice dinner was served to a goodly number, the lodge membership being well represented. The chief after-dinner speech was made by Rev. Norton who told in a most entertaining way the story of how he became an Odd Fellow, that it was chiefly through the solicitation of men of unquestioned character who were among the best men in the community, that it was also a desire for the protection which such fraternal association affords coupled with the natural and keen curiosity developed within him by the stories he had heard about the lodge goat, the doings in which it participated and in which he thought he would like to have a part. In the fifty years that had passed he had not altered the high opinion he then conceived of the order, and although he had tested it in various avenues of society it had never failed to meet his expectations.

Mr. Roper made a brief acknowledgment in which he expressed his appreciation of the kindness shown him by his fellow members.

A. D. Hartley also made a short talk setting forth the benefits he had received from the order.

Besides this public tribute Mr. Norton is receiving a postal shower of congratulations from Odd Fellows and Rebekahs, and has been advised that a "pencil picture" of members of his home lodge in Milton, Iowa, is on the way, all of which will be souvenirs of an important anniversary in his life which he will treasure.

MISS WESSELS WAITS

Miss Susine Wessels, who has been endeavoring to return to Cape Town, South Africa, is still unable to get a ship. She has been packed up since December, unable to get a booking. All the ships are employed for other service and a long list of reservations is accumulating in the hands of steamship agents. It has been suggested that she go to England and sail from there, but she is confident the steamers are all being used for the transport of soldiers and she would gain nothing by attempting it, so she is quietly waiting and enjoying her friends and relatives here. She belongs to a large family and has relatives all over the world.

FUNERAL OF MARY E. DIEDERICH

Funeral services over the body of Mary E. Diederich, wife of Peter Diederich of this city and mother of Anna and John Diederich, will be held Saturday, March 15th, at 9 a. m., at the Holy Family Catholic Church. Father O'Neill officiating. Interment will be made at Calvary Cemetery in Los Angeles. The deceased leaves a sister, Mrs. John O'Connor of 438 West 46th St., Los Angeles, and a brother, Peter Hughes of 5403 Sixth Avenue, the same city.

CHAPTER L. ELECTS

P. E. O. SELECT OFFICERS FOR COMING YEAR AT ALL-DAY MEETING

At the all-day meeting of Chapter L, of the P. E. O., the chief business transacted was the election of officers. The remaining time was given to the study of Roberts' Rules of Order. The Chapter was entertained at the home of Mrs. Fern Q. Roberts, at 539 East Elk Avenue, who was assisted by Mrs. E. U. Emery, Mrs. J. C. Danford and Miss Dorothy Lee.

Officers elected were: President, Mrs. Ann P. Bartlett; Vice-President, Mrs. Pearl Tower; Recording Secretary, Mrs. Genevieve Neel; Corresponding Secretary, Mrs. Pearl Ramsey; Treasurer, Mrs. Edith Hartley; Chaplain, Mrs. Fern Roberts; Journalist, Mrs. Flora Temple; Parliamentarian, Mrs. Charlotte Campbell; Organist, Mrs. Emma Burket. Delegates to the State Convention to be held in April were elected as follows: Mrs. Ann Bartlett and Mrs. May Emery; alternates, Mrs. Lydia Border and Miss Dorothy Lee.

DISTINGUISHED TENOR

LEON RICE OF NEW YORK WILL GIVE CONCERTS AT METHODIST CHURCH

The First Methodist Church is providing a rare treat for Glendale music lovers in bringing the distinguished New York tenor, Mr. Leon Rice, to our city, for three evenings. Next Sunday night he will render several numbers in a sacred program, and on Tuesday and Wednesday nights he will give a full evening's program assisted by Miss Amanda Caesar, violinist, and Jennie Rice, pianist. By a special arrangement the church is able to invite the whole community to hear Mr. Rice and contribute what they please for the privilege, instead of paying \$1.00 per seat as at his regular concert engagements.

This young artist has appeared in almost every city of importance in the United States and Canada and has met with the highest praise.

For several years he was soloist with the great Trinity Choir of New York, one of the highest salaried church positions in America, and recently he declined \$100.00 per week as permanent soloist in another of the great churches, preferring to take his message to the wider audience afforded by travel and concert.

Mr. Rice is visiting in Los Angeles before commencing a concert tour of Pacific Coast cities.

BIG SOCIAL FUNCTION

GLEN EYRIE AND VAN NUYS CHAPTERS, O. E. S., TO ENTERTAIN STATE OFFICIALS

Great preparations are being made for the banquet and reception to state officers which will be given by Glen Eyrie and Van Nuys Chapters, O. E. S., jointly, March 20th, at the Masonic Temple in this city. It promises to be the largest, most elaborate function given by the chapters this year, and tickets are selling rapidly.

Miss Cora Hickman was appointed general chairman and has made committee appointments which insure its success in every detail.

Mrs. Mary McPeak Campbell, of Glen Eyrie Chapter, who is Grand Chaplain of the Grand Lodge, will be the special guest of honor, the list of honorees numbering about fifteen and including Mrs. Elizabeth Mar- (Continued on Page 4)

PLEASANT HOUSEWARMING

Mr. and Mrs. E. A. Radcliffe, who came to Glendale from Illinois last fall and are now located at 426 Pioneer Drive, entertained Thursday evening relatives and friends at a function in the nature of a house warming. Their guest list included Mr. and Mrs. Oscar Dennison, Owen Dennison, Mr. and Mrs. Earl Dennison, Mr. and Mrs. W. A. Kulp and daughters Wilma and Frances, Mr. and Mrs. James W. Veach and Mrs. M. A. Mercer of Ashfork, Ariz.

Refreshments were served following a pleasant evening of song and social chat, the hostess being assisted by Misses Wilma and Frances Kulp. Before the good-nights were said a letter was read from the youngest son of the host and hostess, who is with a flying corps in France, describing his thrilling and perilous experiences as a passenger on the Tuscania and his rescue after being in the water four hours.

DO NOT BE DISCOURAGED

Apprehension is felt by some in regard to the shortage in rainfall this year so far. We are now 5 inches short of the seasonal average, but we have a month and a half yet in which rains are common. Six different years, 1882, '94, '98, '99, 1900 and 1904 show a rainfall of 10.40 inches, 6.73 inches, 7.06 inches, 5.59 inches, 7.91 inches and 8.72 inches, respectively. In 1882 there had been but 5.78 inches up to March 13th. In 1899 there were only 2.98 inches up to March 13th, with a total of 5.59 inches for the year.

IMPROVED MAIL SERVICE

Recent letters from A. E. F. boys still abroad tell of greatly improved conditions in the mail service. Their letters from home are reaching them with greater regularity and their own letters to loved ones "back in the States" are making better time, a recent record from Southeastern France to Glendale being 28 days. In times past when the boys would be without mail for two or three months and then 14, 21 or 25 letters pile in all at once, or 75 as one Long Beach boy reported, it was just a trifle annoying.

in several locations on the island, contrary to the policy of the former owners.

Near the upper end of the island, where it is almost cut in two, the government owns a strip of land extending across this narrow neck, on which are located a fort and barracks. It is the hope of the new owner to buy this strip from the government, remove the dilapidated barracks and the antiquated fort.

While some of the innovations of the new owner are condemned, it is not to be denied that he is showing great business acumen and that his plans when carried out will add much to the attractiveness of famed Santa Catalina.

Just now curiosity as well as a love of pleasure is attracting so many visitors that every boat going over is crowded to the guards and occasionally an entire boat load is sent back because no more people can be accommodated.

Mr. Bargain Hunter
I need funds for a new enter-
prise into which I am entering,
and wish to sell a portion of my
local property, viz:
1. New 7-room house at 332
N. Jackson, with lot 50x150 to
alley; garage, shed, everything
complete—a very comfortable
home. If you wish a wider lot,
will sell you a part or all of ad-
joining lot, upon which is lo-
cated one of the finest oaks in
Southern California. This at a
before-the-war price. Might
take a lot as part payment.
2. Business lot (25x110 to
alley) on Brand Boulevard next
to the Chaffee store building.
Mr. Spickerman's office is on
this lot. This is perhaps the
most valuable unimproved busi-
ness lot in Glendale. Would
rent immediately if improved
with a store building. Such a
lot in Pasadena would sell for
ten times what I am asking for
it. Destined to grow rapidly in
value.
3. Beautiful lot at N. W. cor-
ner of Kenwood and Lexington
Drive (First Street), 50x150 to
alley. Handsome trees well
started. Has ornamental lights
and street work all paid for.
Exceptionally desirable.
4. Lots on Jackson between
Lexington and Wilson (First
and Second). If you want a
lot 50, 60 or 75 feet wide, I can
accommodate you.

In this glorious climate of California—God's Country—the
beautiful sunsets, the beautiful sunsets, the blossoms of
orange, lemon, peach, apricot; and, oh! the roses, gorgeous
in their bloom and fragrance, the never-ending tints on the
mountains, pink, blue, violet, gold and purple; Old Baldy

the benches, with the ripple of the ocean as it ebbs and flows;
the beautiful blue skies, moonlight nights, sunshiny days;
its boulevards and scenic auto drives—all tend to make it a
veritable Heaven on earth. The siesta, the afternoon tea in

The city clerk reported having received a statement required by its franchise from the Pacific Telephone and Telegraph Company, giving total gross receipts for operating under said franchise for the year ending March 10, 1919, as being \$52,860.16, upon which sum 2 per cent is payable to the city of Glendale. The city clerk further reported that the papers required to be filed with the secretary of state in connection with the annexation of Grand View District to the city of Glendale had been forwarded and acknowledgment of receipt of same received from the secretary of state under date of March 11, 1919.

The city manager presented a map showing new streets to be dedicated in tract No. 250, which was on motion referred to committee of the whole. The city manager reported that in the case of the deed received by the city from Mr. Palmer dedicating Dorothy Drive for street purposes, that shortly after delivery of deed Mr. Palmer had died, before delivering certificate of title. On motion of Trustee Shaw city manager was instructed to secure certificate showing property deeded to the city by Mr. Palmer to be clear of encumbrance.

In reference to the application of the Glendale and Montrose Railroad Company for permission to move their tracks on Wilson Avenue, the city manager stated that he had submitted to the railroad company a statement of costs connected with this work, but had not heard from them in reply. March 14, 1919.
Editor of the Glendale Evening News:—

Dear Sir:—

Our attention has been called to a communication in a recent issue of your paper from Rev. J. S. O'Neil in which he complains of alleged discrimination against him and his church in the matter of use of the High School for public meetings. For the information of your readers we desire to call attention to the provisions of the Civic Center Law, passed in 1913, as follows:

SCHOOL LAW OF CALIFORNIA
Article VIII, Section 1.

There is hereby established a civic center at each and every public schoolhouse within the State of California, where the citizens of the respective public school districts within the said State of California may engage in supervised recreational activities, and where they may meet and discuss, from time to time, as they may desire, any and all subjects and questions which in their judgment, may appertain to the educational, political, economic, artistic and moral interests of the citizens of the respective communities in which they may reside; provided, that such use of said public schoolhouse and grounds for said meetings shall in no wise interfere with such use and occupancy of said public schoolhouse and grounds as is now, or hereafter may be required for the purposes of said public schools of the State of California.

We have at all times followed the provisions of this law in acting on requests for use of the High School, and are satisfied that the meetings now being held are entirely within its terms. In such case we have no discretion in the matter, but must grant the use of the building, subject to any reasonable regulations. We would also suggest that Father O'Neil has apparently forgotten that we granted the use of the High School for a Catholic Mass in connection with the installation of the local chapter of the Knights of Columbus last September.

Yours very truly,
BOARD OF TRUSTEES,
Glendale Union High School.

SANTA ROSA BANK CASE

SACRAMENTO, Cal., March 14.—The Sacramento grand jury is expected to take up the case of the Santa Rosa National Bank within a week or so, it was announced here today. The case has been somewhat complicated with the recent death of Jacob H. Brush, father of Frank A. Brush, cashier, one of the defendants.

The Santa Rosa National Bank closed its doors on September 30, 1918, following a steady and quiet run on the bank, caused by rumors of its instability. Previously Frank A. Brush, cashier, and Will C. Grant and Harold Loughery, assistant cashiers, had been relieved of their positions pending investigation of alleged actions on their part.

Several weeks later Brush and his assistants were arrested by federal authorities charged with misappropriation and embezzlement of approximately \$800,000. It appears that portions of this total were duplicated in the three cases so the actual shortage may not be more than \$400,000.

Disclosures show, it is alleged, that Brush forged many notes to explain the shortages of money. More than \$100,000 in Liberty Bonds were missing, purchasers being unable to get delivery although their payments were complete.

Frank Brush is now in the Sonoma county jail, awaiting action. His father, Jacob Brush, died two weeks ago, his death being brought on, it is said, by the difficulties over the bank. Jacob Brush was president of the bank.
