MEMORANDUM FOR: Director of Security

SUBJECT : Roselli/Maheu Matter

1. This memorandum is for your information.
2. Reference is made to the 21 May 1975 memorandum from Mr. Scott D. Breckinridge, which outlines his review of the Department of Justice files on the Roselli/Maheu matter.
3. The undersigned reviewed referenced memorandum and discovered an apparent discrepancy between the Office of Security files and the Department of Justice files. Paragraphs 9 and 10 of referenced memorandum reflect that the Department of Justice records contain a 22 May 1961 report of an FBI interview with Colonel Sheffield Edwards. During this FBI interview, Colonel Edwards allegedly stated that "only Mr. Bissell and two others in CIA" were aware of the "Giancana-Maheu activity" and that "Allen Dulles was completely unaware of Edwards' (sic) contact with Maheu in this connection."
4. Office of Security files reflect that Mr. Allen Dulles had approved the entire operation against Castro, thus inferring that he would have been aware of plans to approach Robert A. Maheu, et al. Further, our files reflect that six Agency people were aware of the operation--Allen Dulles, William Harvey, Richard Bissell, Sheffield Edwards, Colonel J.C. King, and James O'Connell.
5. The above is provided for your information should this discrepancy surface during the current inquiries into this matter.
