

## MEMBERS OF SCHOOL BOARD, IN INTERVIEW, GIVE THREE PLANS

All Three Plans Carefully Discussed and Figures Given Relative To Each Plan

On behalf of Our Town, one of the associate editors interviewed members of the School Board to obtain a clear idea of their plans for providing additional accommodations. They very frankly outlined the ideas of the board as follows:

Three plans have been discussed by the board, designated plans Nos. 1, 2 and 3. Plan No. 1 provides for the erection of a new building on the present site, to consist of 8 rooms, and well-lighted basement for gymnasium purposes. A new heating plant, capable of adequately heating both old and new building, is included. The cost of the building is roughly estimated at \$5000 per room; cost of heating plant, with needed repairs and changes to old building, \$9000. To finance this, the following loan is proposed:

Cost of building	\$40,000
Heating plant and toilets	9000
Bonding of present floating indebtedness	3000

Total new bond issue.....\$52,000

Plan No. 2 was considered to meet the wishes of those who think a central location the proper solution of the question. This likewise provides for an 8-room building and heating plant. Centrally located sites of adequate size, as required by law, within two blocks of the station on the north side, are not plentiful. To secure sufficient ground would require purchase of lots with improvements thereon. The cost of this plan is estimated as follows:

Cost of building	\$40,000
Heating plant	4000
Cost of lot and removal of buildings thereon	20,000
Bonding of present floating indebtedness	9000
To this add cost of new heating plant for old building and toilets	7000

Total new bond issue.....\$80,000

Plan No. 3 is considered in deference to those who wish a primary school located on the south side. This plan provides for a 6-room building and heating plant. Its cost is estimated as follows:

Cost of building	\$30,000
Heating plant	3500
Cost of lot	10,000
Bonding of present floating indebtedness	9000
To this add cost of new heating plant for old building	7000

Total new bond issue.....\$59,500

### Arguments for and Against the Three Plans.

The board favors Plan No. 1 for many reasons. A plant centralized at one point is in accord with modern practice in suburban towns. The cost of administration is lower; general supervision by the principal is more practicable and satisfactory. The cost of the plant itself is lower; the location on the hill is the most sanitary and quiet. There is ample room on the present premises. If at some future time a playground should be desired, there is one now held by Mr. A. C. Shand, available at cost price to him, plus carrying charges. The board is supported in its views by the State authorities, as fully set forth in last week's issue of Our Town. They fully investigated existing conditions, concluding that the proper location is on the present site.

Plan No. 2 is not favored by the board because its initial cost is much greater, as well as cost of administration and supervision. Another janitor at say \$900 per annum would be required, and an additional Domestic Science teacher, and provision for noonday lunches. It would necessarily be rather close to the railroad, and noisy. Play room would be restricted, unless a very large sum were expended for ground; supervision would be inconvenient. The children would not have the use of the gymnasium at the upper school.

Plan No. 3 is objectionable because of higher initial cost, and very much higher cost of administration. There would have to be two sets of lower grade teachers, because those living at

the extreme northern limits of the borough would be in the same condition as those now living at the southern limit, if they had to attend a school on the south side. There would not only be an additional janitor, but say six additional teachers at \$750 each, or \$4500 per annum.

In considering the three bond issues described above, the reader must bear in mind that in each case, \$9000 represents old indebtedness, on which the borough is now paying interest. In other words, the additional or new part of the proposed issue is \$49,000 for Plan No. 1, \$71,000 for Plan No. 2, and \$50,500 for Plan No. 3.

### What the Board Proposes To Do.

The board will very soon send out to each household in Narberth a number of blank ballots, with a stamped, addressed return envelope. Every adult resident of Narberth is asked to indicate on his prepared ballot whether he or she favors Plans 1, 2 or 3. No ballot will be considered which is not signed, or on which the residence is not stated. All ballots must be marked and mailed to the board not later than May 15; otherwise they will not be counted. The board will then apply for a loan for a new building located in accordance with the wishes of the majority.

### INTERESTING SPEAKER AT WOMAN'S COMMUNITY CLUB MEETING.

Members of the Women's Community Club are looking forward to an especially interesting and enjoyable occasion at the next club meeting, Tuesday afternoon next, May 9. As usual, the meeting will be held in the Community room on the second floor of the Y. M. C. A., and members are urged to bring their friends and be on hand promptly at 3 o'clock.

For this meeting the club has secured the services of Mrs. Leonidas Beck, well known as a successful worker in women's clubs. And she is just as interesting a speaker as she is a successful worker.

Mrs. Beck organized the Cynwyd Women's Club, and is now president of the Montgomery County Federation of Women's Clubs. She will speak on the function of a woman's club in a community and suggest ways and means by which the Narberth organization can widen and make more effective its local activities.

It is hoped that there will be a large attendance at the club meeting next Tuesday afternoon, 3 P. M., in the Community room, Y. M. C. A.

### "500"

On Monday, April 24th, Mrs. C. P. Fowler entertained the Fortnightly "500" at her home on Windsor avenue. Those present were Mrs. George Seymour, of Monson, Mass.; Mrs. Horace Biles, of Richmond Hills, L. I.; Miss Florence Lyon, of Springfield, Mass.; Miss Mayo Sudo, of Philadelphia; Mrs. Frank Stone, of Cynwyd; Mrs. William Livingston, Mrs. Clement Booth, Mrs. Charles Verna, Mrs. Robert E. Pattison, Jr., Mrs. Stuart McClellan, of Narberth.

### LUNCHEON AND BOWLING PARTY.

On Friday, April 28th, Mrs. W. M. Cameron, of 202 North Narberth avenue, gave a luncheon and bowling party in honor of Mrs. Carlisle D. Cleland and Miss Inman, of Erie, Pa.

## DUN NINE DEFEATS MAIN LINE CHAMPIONS

Two Hits and an Error Open Way for 2 to 1 Victory in Opening Game of Season

### WAYNE WINS FROM BERWYN

Overbrook and Paoli Also Make Good Start in Initial Games

The Narberth team, champions of the Main Line League, lost their opening game of the season before a large crowd to the R. G. Dun & Co. A. A. Travelers 2 to 1.

Mr. Harry A. Hopper, president of the Narberth Y. M. C. A., threw out the first ball, and we still believe he has a whip left. Pitcher Gibson did not have to exert himself to get it, as is usually the case.

From the beginning of the game it was decided that it would be a pitchers' battle, and while Gibson, Narberth's pitcher, struck out twelve men to Whitney's six, yet the Dun aggregation got seven hits to Narberth's four, two of which were made by centerfielder Barker.

Errors paved the way for the Dun's two runs. W. Fahey struck out, but arrived safely when Koons let the third strike get away from him, and while he had plenty of time to get his man at first, yet his throw was too high for Davis to get and hold. Fahey was then advanced to second on a passed ball, and then Schwartz doubled to center, scoring Fahey. Schwartz then scored on J. Fahey's single which Barker let get away from him. Whitney then ended the inning by fanning.

Narberth in the meantime could do nothing with Whitney's shoots, who, by the way, was a left-hander, much to their disgust. Ensinger singled to left in the fifth inning and Mr. Fahey, Dun's catcher, always full of pep, shouted there were two outs, and the Narberth coacher was not on the job, and took his word for it, and when Gene Davis lifted a high fly to right field, which Gear caught. Ensinger started to run, and Gear immediately doubled him up at first for an easy double play, and which killed the local boys' chances in very short fashion.

The hitting honors of the day were carried off by H. Barnitz with three hits, with Barker and J. Fahey not far behind with two apiece. The fielding honors, without a doubt, went to our peppery young shortstop and W. Fahey, who each sphere the ball with one hand on several occasions. The score:

## CO-OPERATION, KEYNOTE OF CIVIC ASSOCIATION MEETING

Petition Councils For A "Clean-up" Day—Assignments of Districts Made

A continuation of the district plan by which the general welfare of all parts of the borough is supervised by individual directors, was the chief subject discussed at the meeting of the Board of Directors of the Civic Association held Tuesday, April 25. It was proposed to make this plan still more effective by co-operating with Councils and the borough officials in every way to bring about a realization of the plans suggested for the betterment of their respective districts by the directors. The President, Mr. A. J. Loos, and Mr. Fletcher W. Stites will see that any such suggestions and plans are brought to the attention of the proper authorities. Each district supervisor who has any matter needing attention, will report at once either to Mr. Loos, Mr. Stites or the secretary. This plan will have the great advantage of obtaining immediate action on the matter. It is not the intent of the directors of the Civic Association that matters pertaining to the welfare of the community should be discussed in any way from a merely critical standpoint, nor do they wish in any way to interfere with or hinder the work of the borough officials, but rather, the purpose is to initiate and formulate plans for the betterment of Narberth and to co-operate with the constituted authorities in carrying such plans to a completion.

There is printed at the end of this article, a list of districts and the names of the officers and directors assigned to them.

### Fire Company Complimented.

A motion was made and unanimously approved that the Narberth Fire Company be complimented for their plan to collect the waste paper in the borough to be sold for the benefit of the fire company. The co-operation of the directors of the Civic Association was extended in making this good work a success.

Mrs. Lester W. Nickerson and Mr. A. E. Wohlert were appointed a committee to look into a proposed plan to offer prizes for the best gardens in the town. It is possible that the plan may be tried out on a small scale, using some section of the borough for the experiment. Watch out for the announcement of prizes.

Following the action of the Lower Merion Township Commissioners who set aside several days as Clean-up Days in the township, the Civic Association will petition Council to arrange for a similar day in Narberth.

The Lower Merion Township Commissioners removed all rubbish, ashes, tin cans, broken glass, etc., which were placed in the proper receptacles in front of houses, before 7 A. M. on the day appointed. The previous Clean-up Days in our town have been conducted by members of the Civic Association who deserve much credit for their good work. The borough teams and workmen were used in this work and now that the plan has proved successful, it should not be a difficult matter for the borough to do its own cleaning up. Let's all co-operate. Everyone is willing, we feel sure.

### Districts Assigned.

The districts assigned for the supervision of the officers and directors during the coming year follow. If you have any suggestions to make, hunt up the supervisor in your district and tell him about it. It's everybody's work to help in making our town the

Police 1250.

We publish this week a very clear exposition of the plans of the Narberth School Board, as outlined by the directors, and commend the board for its full and frank statement, and absolute willingness to abide by the decision of the majority. We hope the school authorities will be met in the same spirit of frankness and confidence, and that our residents will avail themselves of this opportunity to make a choice of location. The arguments are clearly presented, the figures speak for themselves, and it is now the duty of those interested to express their wishes.

The board is asking nothing unreasonable in requesting this informal ballot. They cannot file an application for permission to submit a loan bill at a regular election, unless the location and cost of the proposed improvements are specifically stated. Hence they ask a clear and unmistakable expression of opinion, such as can only be obtained in the manner chosen by them. A public meeting would not be attended by more than one-third or one-half of those interested. By their plan, every one may vote without trouble or inconvenience. And they must have such an expression by the people, because if they were to go ahead and supply for a loan based on the choice of any one of the three plans, the chances are that it would again be defeated, whereas if they apply for the loan chosen by a decided majority in this test ballot it will surely receive a majority at the regular election.

To the Editor of Our Town:

Permit me through your valuable paper to call attention to the mosquito breeding pile of ashes and rubbish accumulating in the rear of the fire house, which is a menace to the health of the people residing in the immediate vicinity. Councils should be well aware of the fact of these unsanitary conditions existing, as they meet within a few feet of the pile, and as for the Civic Club they can see it from the window of the room in which they meet. As the Civic Club stands for the abolition of all such nuisances, especially waging a campaign for the extermination of the mosquito, would it not be a good idea for them to start near home? They have done good work in other years, having had a clean-up week last year which was a great boon to the residents of Narberth. Why not have another this year?

Hoping that the Civic Club will initiate proceedings, I remain,  
Yours truly,  
Public Welfare.

To the Editor of Our Town:

No doubt nearly everyone in the borough read with interest the report of the State Board of Education and the remarks of Mr. Loos in connection therewith.

But it is not reasonable to suppose that this letter has changed the opinion of so many of our citizens who desire a centrally located school.

After several months' delay the State

Board reports that it does not wish to obtrude its opinion, but that it sent down two experienced men to study the situation and they differed in their views—while they favor consolidation for administrative purposes they believe that a central location is fundamental, a factor of equal if not of greater importance than any other consideration. However, as we already have a school site at one edge of the borough with sufficient room to erect another building probably we would better defer the cost of buying a central site for three or four years, and if necessary furnish transportation for those children who are too far from this location.

Verily the mountain hath labored and brought forth a mouse! The question then is shall we have a central school for the elementary grades now, or put it off for three or four years when we will no doubt pay more for the site, and in the mean time put up another building on the hill where it should not be needed if we had a central building, and pay considerable sums for transportation in order to preserve for a little while administrative convenience and the benefits of consolidation?

They believe in consolidation of units, but many thoughtful parents are very strongly in favor of having their young children separated entirely from the older ones. Large playgrounds are not necessary for them at school times. We require them to return home immediately after school. Where are our Primary and Grammar Schools being consolidated with our High Schools? In this township schools are miles apart and satisfactorily conducted.

Then why not have a central school for elementary grades and the present plans for the High School? The citizens of Narberth are not trying to save a few dollars at the expense of their children's education. I have yet to hear the first complaint about the increased tax rate last year though it was not known why it was necessary. If transportation should be furnished, how determine who is entitled to it at the expense of all the tax payers?

Where draw an arbitrary line? Some parts of the north side are further from the school than some sections of the south side. It is said that the north side is growing faster than the south. There may be more than one reason, but it is certain that many people locate there to be near the school, and some refuse to buy on the south side because it is too far from the school. It is suggested that later a school house might be built near the opposite end of the borough.

No one has asked for a school on the south side, but it might be suggested if we believe, what we have so often been told, that this long walk of such great benefit to the health of the children that we might have a new South Side School to be attended only by children from the northern limits of the borough who are presumably suffering from lack of exercise.

**BARNUM & BAILEY'S CIRCUS.**

The day of all days in the calendar of the small boy has almost arrived and the youngsters of this vicinity are anxiously counting the hours until circus day. It looks now as though a large percentage of the local population, both young and old, will be present at one of the performances when the Barnum & Bailey Greatest Show on Earth exhibits in Philadelphia, week of May 1, 1916.

Not in several years has so much local interest been evinced in a circus event as has been displayed this season in the coming exhibition of the Barnum & Bailey Circus. It is promised that the show will display more new and novel features than ever before, including 100 new acts from Europe.

The principal feature is the new Oriental, spectacular pageant, "Persia, or the Pageants of The Thousand and One Nights." This great display, which is portrayed by 1350 persons, and hundreds of horses, elephants and camels, depicts in pageantry the famous tales of the Arabian Nights. In New York City, where this pageant was produced for the first time this spring, it was announced the most gorgeous and stupendous Oriental display ever presented in America.

Among the foreign circus novelties to be seen for the first time this season are four troupes of wonderful Chinese performers direct from Peking, the Great Hanneford family of riders; Signor Bagogni, famous dwarf equestrian from Italy; James Teddy, cham-

pion jumper of the world; Pallenberg's two troupes of trained bears, and a host of other novel acts too numerous to mention individually.

The Barnum & Bailey circus is traveling this season on five trains, made up of 89 cars. More than 1400 persons are carried in the various departments of this great show, which also includes an enlarged menagerie of 108 cages and 41 elephants.

A brilliant, new, three mile street parade will be given on the streets during the morning hours preceding the first performance.

**ADVANCEMENT FOR NARBERTH MAN**

Walton M. Wentz, formerly in the publicity department of the Pennsylvania Railroad Company at Broad street station, has been advanced to the position of assistant publicity agent.

Mr. Wentz has been with the company since December, 1902. He entered the service of the company as a clerk in the superintendent's office at Baltimore, and after six years in that department, he was transferred to the office of the publicity agent in Philadelphia, where for the last two years he has been information clerk.

Mr. Wentz resides at 246 Dudley avenue, Narberth.

**Votes for Women Day in Narberth.**

A committee of women from the Women's Suffrage Party of Narberth was at the station on Monday morning abundantly supplied with yellow flowers, which they presented to those going in town on the trains, both men and women. Almost every man accepted a flower, although occasionally one would state he was not convinced that the women should vote. In the great majority of cases the men accepted them graciously and stated that they were very glad to wear them; occasionally a man would refuse to accept a flower, two or three women did this also. For the few persons encountered who were not convinced that suffrage would be a good thing, the committee had ready a pamphlet which was presented to them setting forth some of the strong points and convincing arguments for suffrage.

The flowers were presented to the ladies for the occasion by two of our local gardeners, Messrs. Albrecht & Co., and Mr. Ely Ewing. Mrs. W. I. Othard was in charge, assisted by Mrs. Dr. E. C. Towne, Mrs. W. A. Cole, Mrs. Edward A. Muschamp, Mrs. Chas. Verna, Mrs. C. P. Fowler, Mrs. Edgar Cockrill and Miss Mary Gara.

**Y. M. C. A. NOTES**

**Sunday Men's Meeting.**

Dr. Green, who spoke at the men's meeting last Sunday afternoon, certainly lived up to his reputation. His subject was "Sacred Spots," and all those who heard him will not soon forget the "sacred spots" in 1st, individual history; 2nd, national history; 3rd, world history; 4th, local history, and finally, personal history, which he emphasized in his most pleasing and characteristic way. We were very fortunate in securing such a man as Dr. Green and our only regret is that more were not present to hear him. However, in our series of meetings scheduled for next winter, we have already placed the name of Dr. Green.

**Community Night.**

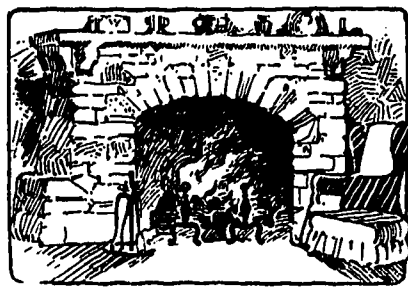

As usual, the community night at the Y. M. C. A. was quite a success. About eighty persons attended and all seemed to have a most enjoyable time.

The entertainment consisted of local talent. Miss Melchior gave several delightful readings which were enjoyed by all. The musical program was furnished by Mrs. C. R. Jones and the male quartet consisting of Messrs. J. P. Witherow, A. J. Climenso, F. M. Justice and Marion Cheney. The tremendous applause which followed these selections was indicative of their success.

The social committee of the Community Club, under the direction of Mrs. C. T. Moore, "did the honors" in the refreshment line.

"This paper," said Languid Lewis, "tells about a horse running away with a woman, and she was laid up for six weeks."

"That ain't so worse," rejoined Boastful Benjamin; "a friend of mine once ran away with a horse, and he was laid up for six years."

**THE FIRESIDE**

**Betty Baxter's Gossip.**

Mrs. Wm. J. Posey, of Muddy Creek Forks (York County), spent several days with her daughter, Miss Elizabeth Posey, of Essex avenue.

Miss Pauline Nickerson, of Ocean City, N. J., spent the week-end as the guest of Miss Margaret Eyre, of Woodside avenue.

Mr. and Mrs. Horace Obylke, of Chestnut avenue, entertained twelve couples Saturday evening, members of a West Philadelphia Card Club.

Miss Bertha Voff and niece of Buffalo, N. Y., are visiting Mrs. Edward Cockrill, of Dudley avenue.

Mrs. George Seymour, of Munson, Mass., and Mrs. Horace Biles and daughter, of Richmond Hill, L. I., who have been visiting Mr. and Mrs. C. F. Fowler, of Windsor avenue, over the Easter holidays, have returned to their homes.

Mrs. Reed is very ill at the home of her son, Mr. William Livingston, of 415 Narberth avenue.

After the assembly dance last Friday evening, Mr. and Mrs. C. P. Fowler gave a supper to the following: Mr. Pede, of Philadelphia; Mr. Robertson, of Ridley Park; Mrs. Horace Biles, Mrs. George Seymour and Miss Steel.

Mrs. C. R. Blackall has returned to Narberth after having spent the winter in the city.

The property 208 Grayling avenue has been purchased by W. D. Smedley, and is being renovated throughout.

One of the many new residents of Narberth is Mr. C. E. McHenry, who is occupying No. 200 Woodbine avenue.

Mr. and Mrs. George H. Gifford, of 310 Woodside avenue, left Narberth on Monday for Boston, Mass., where they will permanently reside. Mr. and Mrs. Gifford have lived in Narberth for six years, and their many friends will be sorry to learn that on account of Mr. Gifford having been transferred from the Philadelphia office to the Boston office of his company, it was necessary for them to leave Narberth.

Several of the Narberth up-to-date stores were prettily decorated on Monday, May 1, in yellow, symbolizing the spirit of Equal Suffrage.

Mr. Edgar Taylor, of Chestnut avenue, may be seen any pleasant day at this season, "Dodge-ing" the ruts along Wynnewood avenue. He has the new car well in hand now and, it is understood, has volunteered to transport from the fishing towns along the Jersey coast, to Narberth, all the fish that the members of the Main Line Fishing Club can induce to leave their happy homes in the Atlantic and Delaware Bay and grab at the seductive hooks.

**Church Notes.**

Plans are being formulated for the celebration of the twenty-fifth anniversary of the organization of this church in June next. At the annual meeting of the congregation last Wednesday evening the work of the church was reviewed for the past year, ending March 31, 1916. In many ways it has been the most encouraging year in the history of the church. During the past year forty-four names have been added to the roll of members, bringing the present membership up to 241. There are 233 enrolled in the active list of the Sunday school. Adding to this the members of the Home Department and Cradle Roll the grand total of Sunday school members is 343. During the year the church has collected and disbursed \$7,172, of which \$1,146 was used for various missionary purposes. At the meeting last Wednesday evening, Messrs. A. E. Brown, E. S. Haws and G. H. Roberts were re-elected trustees of the church for the term of three years. Reports were presented by the presiding officers and the treasurers of each of the nine organizations of the church.

The regular monthly meeting of the Men's Club will be held next Monday night. This being the time for the annual election of officers, all the members of the club are especially urged to be present.

Next Wednesday evening a most interesting program is being arranged by the senior division of the Mission Study Class to take the place of the regular weekly prayer meeting. There are eight young ladies and two young men who have been in this class under the instruction of Mrs. S. W. Foster, and they will present in a miniature pageant the vast subject of work in the foreign fields as depicted in Mrs. Montgomery's fascinating book which they have been studying. The young people will be in costume. The public is cordially invited.

The Narberth team lacked pep, ginger and everything else. Maybe the picture had something to do with it.

Coaches get awake, do not listen to the other catchers' dope.

Davis should have saved Koons from the error in the second inning. Use two hands, Gene.

The new suits looked nice. Dun also had new uniforms.

Wayne here next week.

**HE WAS TRUTHFUL.**

Broad—By the way, old man, do you remember borrowing \$10 from me six months ago?

Short—Yes.

Broad—And you said you only wanted it for a short time.

Short—And I told the truth. I didn't keep it twenty minutes.

**HO! MERION!**

All progressive communities are taking down the electric light and telephone poles from their highways. It is no longer a question of aesthetic beauty. It has been demonstrated to be good business. In every case where the poles have come down, properties have gone up from 11 to 52 per cent.

What other communities have demonstrated, Merion can demonstrate.

The Merion Civic Association stands ready to bear the expense of taking the poles down from in front of Merion houses and removing them to the rear property line, increasing the value of your property by adding to the beauty of your road.

The more beautiful is the face of a community, the more anxious are people to settle there and the higher are the property values and the easier become the rentals.

There is, perhaps, no other community where a Civic Association stands ready to defray the cost of removing the poles from the highways—in almost all communities the property owners stand the cost.

The Merion Civic Association has actually appropriated several thousand dollars to do this work, contributed for the purpose, and stands ready to make its word good, and thus actually add to the property values in Merion.

**AN INTERESTING SPEAKER.**

Mr. Paul Hanna, member of the editorial staff of the Evening Telegraph, will speak on the primaries at the monthly meeting of the Narberth Branch of the Women's Suffrage Association, which will meet at the home of Mrs. W. A. Cole, 20 Woodside avenue, on Friday afternoon, May 5th, at 3 o'clock.

This meeting promises to be of unusual interest owing to the talent available, and it is hoped there will be a large attendance.

The regular quarterly meeting of Montgomery county will be held at Norristown on May 10th.

Luncheon will be served at Hotel Hamilton and it is urged that as many women as possible attend this meeting.

May 1st, National Suffrage Day was appropriately observed by the display of suffrage banners and colors in the windows of merchants and in the homes of those interested in this cause.

Yellow pansies and daffodils were distributed as a fitting token to all passengers boarding the trains leaving Narberth during the rush hours.

**PAUL—MAGUIRE.**

A pretty wedding was solemnized in St. Margaret's Church, Narberth, when Miss Mary Josephine Maguire, daughter of Mr. and Mrs. Joseph D. Maguire, of Woodbine avenue, became the bride of Mr. John J. Paul, of Bryn Mawr. The bride, who was given away in marriage by her father, wore a white embroidered net dress over satin made with full short swirt. Her veil of tulle was caught with orange blossoms and she carried a shower bouquet of bridal roses and lilies of the valley. Miss Kathryn J. Maguire, sister of the bride, and Miss Mary R. Paul, sister of the bridegroom, were the bridesmaids. They were dressed alike in dainty pink tulle frocks and wore pink straw hats trimmed with flowers and carried bouquets of pink shaded sweet peas and roses. Mr. Paul had his brother, Mr. James R. Paul, as best man. Mr. Thomas B. Redfern and Mr. William May, of Haverford, acted as ushers. Following the church ceremony a small reception for the immediate families was held at the bride's home. After a wedding trip Mr. and Mrs. Paul will live in Bryn Mawr, where they will be at home after May 15.
