U.S. EXPORT SALES

- Outstanding Export Sales (Unshipped Balances) on JANUARY 22, 1978
- Export Shipments in Current Marketing Year
- Daily Sales Reported JANUARY 23 - 29, 1978 --As Reported by Exporters

U.S. DEPT. OF AGRICULTURE
WASHINGTON, D.C. 20250

FEB 17 1978

Outstanding export sales as reported by private exporters and compiled with other data in this release give a snapshot view of the current contracting scene. At any given time in the course of a marketing year outstanding sales do not bear a consistent relationship to eventual export shipments. A meaningful export projection is not obtainable by the simple device of adding outstanding sales to exports to date. The latter data, alone, may provide a more reliable measure of current export activity than may be derived from a year-to-year comparison of outstanding sales.

COMMENTS PREPARED BY THE OFFICE OF THE GENERAL SALES MANAGER

EXPORT SALES REPORT

Comments on release of February 2, 1978 (based on reports from exporters for the week ending January 22, 1978, unless otherwise noted).

Wheat: Market activity continued at a moderate pace with only a slight recovery from the preceding week. Noteable sales were reported to Taiwan, Japan and Portugal. Many other countries entered the market for small quantities. Switches from unknown to specific destinations resulted in a net decrease in total sales to unknown. Mexico, Morocco and the Soviet Union were the principal countries of destination on most of the switches. New crop sales were slow with the majority being made to unknown destinations. The pace of exports (695,300 MT) improved dramatically, registering the highest weekly total since the week ending September 25.

Corn: Sales to Taiwan, Portugal, Egypt and unknown destinations dominated this week's rather heavy volume. The Soviet Union was the principal beneficiary of sales switched from unknown destinations. The first sales for MY 1978/79 were reported as Taiwan and the Netherlands made small purchases. Sales reported under the daily system, included 183,000 MT to Taiwan and 826,204 MT to unknown destinations for MY 1977/78 and 35,000 MT to Taiwan for MY 1978/79. Exports (559,200 MT) continued to decline, as ice problems on the river delayed barge arrivals.

Barley: The export market registered its first significant activity in almost a month as Taiwan added 27,200 MT to earlier purchases.

Rice: Sales activity continued to perk up. The first PL-480 sale in months was reported as Indonesia purchased 58,200 MT of milled medium grain. Sales of 15,000 MT to Iran were switched to Iraq. Small commercial sales were also reported to Saudi Arabia and unknown destinations. Exports continued at a modest pace.

Soybeans: Continuing strong demand from the EC and Japan accounted for nearly two-thirds of the week's heavy sales activity (404,400 MT). The EC also added 183,800 MT to MY 1978/79 purchases. Exports (407,000 MT) remained strong with the EC and Japan accounting for most of the shipments.

Soybean Cake and Meal: Sales (95,400 MT) recovered from last week's lull due primarily to purchases by the EC and Eastern Europe. Sales of 25,000 MT to Romania were cancelled. Exports (122,100 MT) were at a moderate level.

Cotton: Sales activity remained brisk as Japan, Hong Kong, Bangladesh, PRC, Greece, Switzerland, Italy, and the UK added moderate quantities for MY 1977/78 and Korea added to both MYs 1977/78 and 1978/79 purchases. Exports remained good with 85 percent going to Asia.

Sorghum, Oats and Soybean Oil: Showed no significant activity.

Data shown above may not add due to rounding. 1/ Includes increases resulting from new sales, upward contract adjustments, shifts in delivery period from one marketing year to another and changes from one commodity to another. 2/ Net foreign purchase activity. A purchase from a foreign seller is a transaction contracting to buy U.S. produced commodity from a firm outside the U.S. -- not involving a cancellation or buy-back of a reported sale. 3/ Includes decreases resulting from buy-backs of all or part of a contract balance by mutual consent, unilateral cancellation by one party which could result in a contract dispute, downward contract adjustments, shifts in delivery period from one marketing year to another, and changes from one commodity to another. 4/ Does not include exports for exporter's own account.
