BY A. B. MOMAN, COVERNOR OF THE STATE OF LOUISING. HEREAS a vacancy has been created in the office of Representative in the Congress of the United States of the third Congressional District of the State of Louisians, comprised of the counties of Attshapas, Opelousas, Rapides, Natchitoches, Ouchita and Concordis; and whereas it is the duty of the Governor to cause an eliminate of the country of the control of the country of the

lection to be held to fill said vacancy:

I, therefore, issue this my proclamation, directing an election to be held throughout said district on Monday, the 3rd day of March next, and on the two following days motifying the electors thereof of the election aforesaid and commanding all Parish Judges, Sheriffs and other Officers therein concerned, to hole an election on the days aforesaid at the usual places of holding elections within their respective counties, parishes and precincts, and to cause the same to be conducted, and due returns thereof to be made in the praper and within the time prographed by be made, in the manner and within the time prescribed by

Given under my hand and the seal of the State, at New Orleans, this 25th day of January, eighteen hundred and thirty four, and of the independence of the United States the fifty eight year. A. B. ROMAN. By the Governor

GEORGE EUSTIS, Secretary of State. MR. & MRS. GRANET, EG to inform the inhabitants of New Orloans, that they intend opening on the 15th of February next, in the town of Baton Rouge, two establishments for the education of young people. The female Department will be Orleans—it has surmounted the difficulties inturally

in the town of Baton Rouge, two establishments for the education of young people. The female Department will be conducted by Madam Granet, and the male Department by Monsieur Granet, assisted by competent masters.

From the very kind encouragement which Monsieur Granet has received from the principal inhibitiants of Baton Rouge, he has reason to expect, that each school will open with about twenty pupils. Education will be carried in all its branches as far as it may be in any other College.

The method adopted by Monsieur Granat is calculated to improve and instruct the boys, without throwing confusion into their young and tender minds by the alternate to improve and instruct the boys, without throwing con-fusion into their young and tender minds by the alternate use of the two languages for the translation of the classics, as is to 's practised elsewhere, but Latin and Greek will be taught through the medium of either the French or the

be taight through the medium of either the reach of the English language, as the parents may choose. In forming these two new establishments, Monsieur Granet positively and publicly engages to bestow all his care upon them, and partitionally not to allow himself to be again induced by delustry or the country of the partition of the property of the country of the c gain induced by details, because of employment and to pre-erverse in the engagement which he now takes. Terms to be known on application to Wm. H. Ker, Esq.

And last, the document D, is a sufficient of the cash in the bank on the 27th January last, and shows that the amount of specie then in the vaults was \$61,936 43 In concluding their report, your Committee cannot efrain from expression, the satisfaction which they refrain from expressing the antisfaction which they feel, in seeing well and prudence the affairs of this institution as condition, and in finding them in a situation so generally favorable. The Board of Directors has conciliated the interest of the stockholders with the rhich the embarrassing circumstances in indulgent which the embarrassing circumstances in which our planters are placed, made it necessary should

be granted to the debton of the institution.

All of which is resultfully submitted.

THE, (hm'n. Senate, JOHNSON, Chm'n.

Tom. H. Representatives. On motions ordered that said report be adopted.

Mr. Ducros, on behalf of the Committee appointer

o examine the situation of the Louisiana State Bank, made the following report: The Joint Committee, appointed to examine the offirs of the Louisiana State Bank, have the honor

That, having performed the task assigned them by pell-egislature, and having enquired with scrupulous tion, into its present situation, are happy to be a say, that the management of the affairs of this tion could not be entrusted to more competent than those which conduct it at present. The

Board of Directors merit praise for the prudence and judgment which they have exercised in all their trans actions, and the impartiality which they have evinced towards all those who deal with the institution. Your Committee feel confident that not even the self interest of the Directors has ever caused a deviation from that impartiality; for it seems that, to themselves they have dways been more severe than to others, as the whole amount due by them, and the commercial houses to long, though they are (18 in number) is only \$93,039. Your Committee think proper to lay before you a brief statement of the situation of the affirs of the institution on the 31st January last, which

is as follows: Effective capital of the Bank Accommodation notes, discounted at 6 per cent per ann. \$148,452 82
