

Political Party Representation Before Elections 2015

Shan State Hluttaw

The boundaries of State/Region electoral constituencies (2 per township) are defined by the Union Election Commission on the basis of population figures. Due to technical difficulties to draw some ward and village tract boundaries correctly, the constituency boundaries shown in this map are indicative only. Some reserved forest areas have not been included in electoral constituencies. Note that this map shows only elected representation per constituency, but not the elected Ethnic Affairs Ministers and not the number of military appointees in the State/Region Hluttaws.
