

prezentei hotărâri, din valoarea compensației prevăzute la art. 5 se deduce suma aferentă creșterii prețurilor la drepturile astfel acordate, calculată pe baza cantității de produse acordate lunar și a diferenței dintre prețul de vânzare practicat de unitate pentru produsele din producția proprie sau prețul de aprovizionare pentru alte produse, după data compensării, și cel anterior acestei date.

Art. 7. — (1) Compensația stabilită potrivit art. 5 și 6 face parte din salariu, fără a fi inclusă în salariul de bază, și se acordă proporțional cu timpul lucrat în program normal de lucru. Compensația se cuprinde în fondul de salarii și se ia în calcul, potrivit legii, la stabilirea drepturilor și obligațiilor care se determină în raport cu salariul și, respectiv, cu fondul de salarii, cumulându-se, în vederea impozitării, cu celelalte drepturi salariale. Compensația se ia în calcul la stabilirea indemnizației pentru concediul de odihnă.

(2) Compensația prevăzută la art. 5 și 6 are caracter de spor permanent în sensul prevederilor Legii nr. 48/1992.

(3) Compensația se va include în salariul de bază o dată cu majorarea salariilor în anul 1997, ca urmare a negocierilor sau a aplicării unor acte normative în acest sens.

Art. 8. — (1) În cazul cumulului de funcții, compensația se acordă o singură dată, la unitatea unde persoana în cauză își are funcția de bază.

(2) Persoanele care cumulează fracțiuni de normă în vederea realizării unei norme întregi vor beneficia de compensație proporțional cu fracțiunea de normă, până la realizarea compensației integrale stabilite potrivit art. 5 din prezenta hotărâre. În același mod se procedează și în cazul pensionarilor de invaliditate de gradul III încadrați în muncă.

(3) Persoanele care cumulează, potrivit legii, pensia pentru limită de vârstă cu salariul vor beneficia numai de compensația acordată în calitate de pensionar.

Art. 9. — (1) Ajutorul de șomaj pentru șomerii aflați în plată la data de 30 septembrie 1996, precum și pentru persoanele cărora li s-a deschis acest drept până la data intrării în vigoare a prezentei hotărâri, se va acorda, începând cu data de 1 octombrie 1996, indexat cu coeficientul de 6%.

(2) Pentru persoanele cărora li se deschide dreptul la ajutorul de șomaj după data intrării în vigoare a prezentei hotărâri, ajutorul de șomaj se va calcula potrivit prevederilor Legii nr. 1/1991, republicată.

Art. 10. — La ajutorul de șomaj stabilit potrivit art. 9 din prezenta hotărâre se adaugă, începând cu 1 octombrie 1996, o compensație corespunzătoare creșterilor de prețuri la energie, combustibili și pâine. Începând cu 1 octombrie 1996, compensația de 7.900 lei lunar net, acordată începând cu data de 1 iulie 1996, se majorează cu 4.100 lei, devenind 12.000 lei lunar net, reprezentând valoarea netă a compensației stabilite pentru salariați.

Art. 11. — Stabilirea drepturilor prevăzute la art. 9 și 10 din prezenta hotărâre se va face cu încadrarea în prevederile art. 4 alin. (2) din Legea nr. 1/1991, republicată.

Art. 12. — Noile tranșe de venituri lunare impozabile care se aplică începând cu drepturile salariale ale lunii octombrie 1996, stabilite în baza procentului general de compensare-indexare, sunt cele prevăzute în anexa care face parte integrantă din prezenta hotărâre.

Art. 13. — În aplicarea prevederilor prezentei hotărâri, Ministerul Muncii și Protecției Sociale și Ministerul Finanțelor pot emite precizări.

PRIM-MINISTRU

**NICOLAE VĂCĂROIU**

Contrasemnează:

Ministru de stat, ministrul muncii și protecției sociale,

**Dan Mircea Popescu**

Ministru de stat, ministrul finanțelor,

**Florin Georgescu**

București, 26 septembrie 1996.  
Nr. 860.

## NOTĂ:

1. Calculatorul nr. 1 de impozit s-a elaborat distinct pentru veniturile impozabile din 100 în 100 lei, precum și din 10 în 10 lei.

2. Calculul impozitului pe salarii se efectuează prin rotunjirea veniturilor impozabile lunare la 10 lei, prin neglijarea unităților în favoarea salariaților.

3. Impozitul pe salarii se calculează prin adăugarea sumelor prevăzute în tabelele I și II. Spre exemplu, la venitul impozabil de 425.271 lei, care se rotunjește, potrivit pct. 1, la 425.270 lei, impozitul se calculează astfel: pentru suma de 425.200 lei se ia impozitul corespunzător din tabelul I, de 96.052 lei, la care se adaugă impozitul de 20 lei din tabelul II, corespunzător zecilor de lei (70 lei) și tranșei de venit unde se încadrează suma de 425.270 lei. Impozitul datorat este de 96.072 (96.052 + 20) lei.

4. Precizăm că, la venitul impozabil de peste 658.400 lei lunar, la impozitul de 172.596 lei se adaugă un impozit de 40% pentru ceea ce depășește suma.

5. Partea din venitul impozabil de peste 1.223.000 lei lunar se impozitează cu cota de 60%.

## CALCULATORUL Nr. 2

pentru impozitul pe venitul lunar realizat din salarii între 106.901 – 130.050 lei,  
la locul permanent de muncă

## I. Tabelul impozitului calculat din zece în zece lei

II. Tabelul impozitului calculat din leu în leu

— lei —

Venit lunar impozabil	Unitățile								
	1	2	3	4	5	6	7	8	9
106.901—130.050	1	2	3	4	5	6	7	8	9

NOTĂ:

1. Calculatorul nr. 2 de impozit se aplică veniturilor lunare impozabile cuprinse între 106.901 – 130.050 lei realizate de salariații de la unitatea unde au funcția de bază [art. 7 lit. c) coroborat cu art. 8 alin. 5 din Legea nr. 32/1991, republicată, în Monitorul Oficial al României, Partea I, nr. 185/1996].

2. Calculatorul nr. 2 de impozit s-a elaborat distinct, pentru veniturile lunare impozabile din 10 în 10 lei, precum și din leu în leu.

3. Impozitul pe salarii se calculează prin adăugarea sumelor prevăzute în tabelele I și II din calculatorul nr. 2. Spre exemplu, la venitul impozabil de 120.823 lei, impozitul se calculează astfel: pentru suma de 120.820 lei se ia impozitul corespunzător din tabelul I de 13.920 lei, la care se adaugă impozitul de 3 lei din tabelul II, corespunzător unităților (3 lei). Impozitul datorat este de 13.923 (13.920 + 3) lei.

4. Pentru veniturile lunare impozabile realizate din salarii de peste 130.050 lei, la locul permanent de muncă, impozitul se calculează pe baza calculatorului nr. 1.
