

A MERRY CHRISTMAS

COUNCIL HOLDS IMPORTANT MEETING

At the regular meeting of the Borough Council on Monday evening petition was made by Mr. Dold, Chairman of a committee of five, that the Narberth Fire Company be taken over by the Borough.

The petition was preceded by a report, which brought out the following figures:

Building cost	\$10,200
Ground cost	1,200
Present apparatus	5,350
	<hr/>
	\$16,750

Revenue of the Company.

Membership dues	\$555.00
Rent of Council Chamber	200.00
Rent B. and L. Ass'n	60.00
Rent Board of Health	60.00
Rent Hall	65.00
Donations received	5.00
	<hr/>
	\$965.00

Expenditures.

Bonds of Company purchased ..	None
Interest paid on Bonds	\$225.00
Interest paid on Notes	111.00
Janitor services	100.00
Light, Coal and Telephone	178.00
Repairs to building	87.00
	<hr/>
	\$781.00

The following reasons were outlined as making necessary the petition:

Due to the financial condition of the Narberth Fire Company, the falling off of contributing membership in the Company, also amount of dues far in arrears which we seem unable to collect, also the increase in maintenance due to needy repairs, the Fire Company is in serious financial difficulty.

In order to bring the question before the members for discussion and to determine the best and proper means to continue the Fire Company as a volunteer organization.

The motion and petition followed:

Motion.

We the officers and members of the Narberth Fire Company, for a consideration of One Dollar (\$1.00), propose to turn over to the Borough of Narberth all property now in possession of the Fire Company in the Borough, consisting of building and lot situated on the east side of Forrest avenue, between Haverford and Windsor avenues, also all fire fighting apparatus complete. Council on behalf of the Borough of Narberth to assume the following debts of the Company:

Bonds outstanding against building	\$4,450.00
Notes outstanding against Apparatus	2,100.00
	<hr/>
	\$6,550.00

and outstanding bills not to exceed \$7,000.00.

Petition.

The volunteer members of the Narberth Fire Company petition the Borough Council and desire said petition be spread on the minutes of Council at their regular meeting when considering both the motion and petition, i. e.—That the volunteer members of the Narberth Fire Company be given the sanction and approval of the Borough Council by vote, to elect their own officers, including a Fire Chief, and also that they be given the free use of the present Club Room for their social gathering.

Mr. Dold then went on to outline some of the advantages of favorable action

on the part of Councils.

a. Councils and Board of Health would both save rental.

b. Councils could approve all expenditures, including those of Fire Chief, apparatus, hose, etc., prior to such expense being incurred.

c. Council could derive certain revenues from rental of auditorium and other rooms for entertainment purposes.

Mr. Dold suggested that an increase of one mill in the present tax rate would net a revenue of about \$2,300.00, and also that a sinking fund be created to pay bonds due 1927.

The expenses were estimated as follows:

Interest charges on Bonds	\$225.00
Interest charges on Notes	111.00
Janitor services	180.00
Coal, Light and Telephone	178.00
Expense on up-keep of building	87.00
Expense on up-keep of apparatus	350.00
	<hr/>
	\$1,131.00

Mr. Dold suggested that Council should appoint a House Committee who would have charge of the building.

Membership of the Fire Company was explained as being 285, about 19 of these out of Merion and Wynnewood. 24 of these are active members, and dues in arrearage amounted to \$453.00.

The petition was referred to Council Committees on Ordinance and Law and on Finance, with instructions for quick action.

Council also passed a motion to build a passageway over gutter in front of new post office, and this in addition to the right-hand doors, now in operation should make conditions at the post office very comfortable.

Advertisements will be sent to local papers for garbage removal for the year 1919. Mr. Maddox reported that present collections were apparently satisfactory, as no complaints had been received.

Mr. Wentz, of the Highway Committee, reported that ash collections were progressing satisfactorily, but that 35% less material had been removed as compared to last year under the old system of removing containers from the cellars. The cost of present system where the tenant places receptacles out near the street cost 50% less than the old system. Mr. Wentz deplored the somewhat untidy appearance of premises decorated with boxes, cans, etc., filled with ashes, but urged that such receptacles be placed on the day scheduled and as near the street as possible.

Mr. Leach called attention to the wire supports for the Service Flag and the purchase by the Borough of a suitable American Flag which was now in place.

Mr. Henderson, of the Law and Ordinance Committee, introduced two bills which will receive readings at the next regular meeting of Council.

1. For levying and fixing taxes.

2. For making appropriation for defraying expenses of the Borough.

Mr. Wentz submitted two designs for Borough signs with the wording, "Borough of Narberth," these to be placed at the main entrances to the Borough. He was instructed to secure bids for making these signs, using either metal or wood.

The children of the Presbyterian Sunday School have been rehearsing very faithfully for the Christmas entertainment to be held next Friday afternoon and evening. We are all invited.

CHRISTMAS

THE HAPPIEST SEASON OF ALL THE YEAR—DO YOU LOVE THE OLD CAROLS?

COME TO THE COMMUNITY CAROL SERVICE MONDAY EVENING AT 8 O'CLOCK, HIGH SCHOOL AUDITORIUM.

One of the anticipated nights of the year for Narberth people is Community Carol Night.

The project launched four years ago has grown in favor. Each year the same sweet songs are sung, but by a larger number of boys and girls and to larger audiences.

One hundred and sixty boys and girls will sing this year. The program will include the following well-known carols:

- "O Come, O Ye Faithful."
- "Holy Night,"
- "O Little Town of Bethlehem,"
- "It Came Upon the Midnight Clear,"
- "Bethlehem Babe,"
- "The First Nowel,"
- "Joy to the World,"
- "Hark! the Herald Angels Sing."

Doors open at 8:30 o'clock. No admission, no collection. Singing begins at 8 o'clock.

To the Editor of Our Town:

I have this morning suggested to Mr. Melchior, Principal of the Narberth School, that it would be appropriate on Christmas Eve to have carols sung throughout the town of Narberth, and that a special effort be made to have them sung before every home where boys have left for the service of our country.

Mr. Melchior has given hearty approval to the idea and Miss Schubel will take charge of the singing. I would urge that all singers in Narberth (and we have many) co-operate with Miss Schubel and be on hand at 7:30 o'clock in front of the new Post Office on Christmas Eve to start off an old custom in a new way.

Narberth has always followed for the past few years the beautiful custom of lighting all windows with candles. Let every home follow out the custom this year and give to the carol singers a bright and Christmasy welcome.

Each church in the community could help along the singing if they would appoint some one from the choir to get volunteers together to make the carol singing a splendid success.

JOSEPH H. NASH,

President Narberth Civic Association, Narberth, Dec. 18, 1918.

Christmas Candles in the Window

For a number of years past the delightful custom of placing lighted candles in the windows of our homes on Christmas Eve has prevailed in Narberth. There is nothing more suggestive of peace on earth and good will to men than this charming practice, at a time when our hearts are filled with love for our fellows, and when around many a hearthstone are gathered reunited families.

How lovely it is to go out into our streets, which seem pervaded by an expectant hush, and watch the beams from thousands of candles as they pierce the gloom and bear on their radiant wings messages of cheer to all the world. Our thoughts go back to the source of these rays, and we see behind them groups of expectant children, eagerly discuss-

ing the possibilities of the morrow, and fond parents in mysterious consultation about the distribution of gifts, selected with such loving care.

And this year the display is particularly appropriate, as the dawn of world-peace becomes brighter and brighter in the East. With thoughts of our brave boys in mind who have fought so hard to help bring about this peace, and who have made us feel so secure in our comfortable homes, let every householder place in the windows these lights, as emblems of recognition of their great sacrifices. Some of our homes mourn those who have made the supreme sacrifice. Let us all show by these sacrificial emblems our sympathy with them, and our appreciation of the splendid loyalty of those who laid down their lives that the world might be free.

It has been the custom to light the candles about half-past seven or eight o'clock on Christmas Eve, and keep them burning until about 10 o'clock. Great care must be taken that by no possibility curtains or other inflammable articles could be ignited. The candles should be well secured, so that in case of falling over, no harm can be done; in fact, all the precautions against fire that common sense will suggest must be taken. Much better effects are obtained by artistic and symmetrical arrangement of the candles than if they are placed at random in the windows. Let each family strive to make the display as a whole as beautiful as possible.

EDITORIAL

In another column we print an appeal for the observance of the beautiful custom of placing lighted candles in the windows of our homes on Christmas Eve. We heartily commend this appeal, and hope there will be a response from every Narberth home.

It is to be regretted that there are in Narberth "souls so dead" that they will not help support our volunteer Fire Company. If every house owner in Narberth would pay the small annual membership fee, the financial troubles of the organization would be solved. The failure of all to do this may compel the borough to take over the apparatus, and increase taxes sufficiently to cover the expense. Without a fire company, our insurance rates would be much higher. It is incredible that house owners can be so short-sighted as not to support it.

Since it became necessary for the Borough Council to require citizens to place their ash containers in an accessible location outside their residences, the general good appearance of the borough streets has been greatly impaired, due to the indiscriminate practice of placing the receptacles anywhere from directly on the curb line back to the building line.

The borough authorities have been watching this matter very closely, and at their last regular meeting steps were taken to remedy this condition. The Street Commissioner was instructed to notify all residents of the borough that on removing ashes from their cellars the receptacles should be placed so that they will not mar the appearance of their lawns. This means that they should be kept back of the building line and hidden from sight as much as possible or if they can be kept out of sight, and still be placed closer to the curb line, it should be done.

This subject is one in which all residents of the borough should take a keen interest and co-operate in every way with the borough authorities until the former practice with regard to the collection of ashes can be re-established.

COMMISSIONERS' MEETING.

The regular meeting of the Lower Merion Township Commissioners was held on Tuesday evening with all members present, excepting Mr. Barker, who is still ill, and Captain Evans, who is in France.

The report of the Finance Committee showed a balance of \$61,563.19 in the general fund. Reports of other committees were read and approved.

A resolution was adopted instructing Solicitor Williams to take an appeal from the decision of the Public Service Commission in the petition of the township on the water rates for fire purposes.

A letter was read from the Ardmore Chamber of Commerce stating that a resolution had been passed commending the Commissioners for their action in purchasing a site for a public dump and urging that an appropriation be made in the budget for next year to provide for the removal of ashes from the buildings in the township.

Another resolution from the Ardmore Chamber of Commerce requested the Commissioners to provide labor to keep Lancaster pike clean in the business section of Ardmore.

On motion of Mr. Hamilton the secretary was instructed to inform the Chamber of Commerce that the township had no jurisdiction over the pike and they would have to take the matter up with the State Highway Department. The motion was opposed by Mr. Frankenkfield, who stated that it was about time that the taxpayers that reside along Lancaster avenue should receive some return for the money that they pay into the township treasury. They receive practically nothing from the township, and now they are told that they cannot even have the health of the community protected by having the street in the business section kept clean so as the dirt will not be carried into the stores by the wind as has been the case in the past.

MAIN LINE BOYS HARD HIT.

Narberth Soldier Writes Half of All Called Have Fallen.

More than half the Main Line boys who went to camp last April have been killed or wounded.

This is asserted by Charles D. Thorman, of Narberth, in a letter to Captain James I. Donaghy, chief of police, Lower Merion Township, and chairman of the Ardmore Draft Board.

"I am one of the lucky ones who came through," he writes. "But I am sorry to say that if we had to return to Ardmore to muster out, you would not see one-half the boys you did when we went away. They all proved to be true-blue Americans and fought like lions."

Recent Main Line casualties include many from Ardmore. Among them were Joseph M. Driscoll, wounded; Antonio Durante, wounded; Douglass Perry, wounded, and Orlando H. D. King, the first negro from Ardmore to be killed.

NOTICE.

The Borough of Narberth will receive sealed bids for the Collection of Garbage in the Borough during the year 1919 up until 12 o'clock noon Monday, December 23rd, 1918.

All bids should be addressed Charles V. Noel, Borough Secretary, Narberth, Pa. Specifications and information may be secured from the Borough Secretary.

XMAS MAIL.

The co-operation of the public is desired in the handling of the Xmas mail. Observance of the following simple conditions will help:

Fully prepay postage on all parcels. Address all parcels plainly. Place name and address of sender on all matter.

Pack carefully and wrap securely, but do not seal them, as sealed parcels are subject to postage at letter rate.

Mail parcels early. They may be marked, "Do not open till Xmas."

Insure all valuable parcels. "Merry Xmas," "Happy New Year," "Best Wishes" are permissible additions to fourth class mail.

In order to relieve some of the congestion at stamp window, patrons are requested to purchase stamps in quantity during the holiday season. It is much better to buy 10 stamps at one time than to come to the window ten times buying one stamp each time.

By observing these simple regulations the comfort and pleasure of the Xmas time may be greatly increased.

SCHOOL NOTES

I heard the bells on Christmas Day
Their old familiar carols play.
And wild and sweet
The words repeat
Of peace on earth, good-will to men!
—Longfellow.

The Community Carol Service is scheduled for Monday night, December 23rd. Everybody is welcome.

On Tuesday morning at 8.40 the children of the Elementary Building will render their Christmas program.

The Domestic Science Department has been unusually active during the past week. Not more work being done, but we are hearing more and seeing more—incidentally tasting more. Possibly no department in any school can actually do more than the Domestic Science Department in the Narberth School is doing. But the people in Room 7 work so quietly and unostentatiously that we seldom realize the amount of splendid work there done.

Now it's Christmas week, and each class, with the spirit of the times, is bent on doing something for others. How fortunate are the boys of the classes, the faculty, the mothers of the 7th grade, and it is whispered a School Board member is equipping himself with peppermint and pills for an afternoon not far hence.

The music of the Christmas week is always a longed for activity of the school. Particularly on the part of the younger children. The High School has steamed up to its usual interest also and the boys especially have not failed to make themselves heard. Watch for them on Monday evening.

Decorations have begun earlier than usual. Why not? It has always seemed a pity to decorate the last day. Now for several remaining days of the semester the cheery suggestive surroundings will be enjoyed by pupils, faculty and friends.

A stronger appeal than ever has come for the Christmas Donation. With so many foreign calls, our poor little tots near home are likely to be neglected.

Old Santa will come on Tuesday morning with an empty sack. Let us send him away with a heavy pack.

Clothes and toys, new or old, anything good to eat—will slip well into Santa's sack.

Athletic Notes.

And still the inter-class games continue and good wholesome spirit runs high.

Narberth Schools stand for the physical development of the masses, not the over-stimulation of a "pet Varsity team." It's fine to know that nearly every boy and girl can play basketball. Note, we did not say all are "stars."

The Narberth High School boys won against the Provident Club of Philadelphia on Saturday evening by a score of 38 to 6. One of the largest crowds seen in the gymnasium witnessed the game. The dance following was a happy feature of the evening.

The following is the schedule of games played or to be played:

FIRESIDE.

(Continued from Page 1.)

Checks for \$18,000 were mailed last week by the Merion Title and Trust Company to their Christmas Club members living in Narberth.

Paper money may be easily placed in your "Thank Box." Just fold to size of slot and help it through with a match stick or something small.

The Home Guard expects to use motor trucks to collect the Thank Boxes on January 15. Here is hoping the Boxes will be so heavy they will need a couple of 5-ton trucks.

The local trust company will start their Xmas Saving Clubs for next year the same as usual, and if you were out this year do not be so foolish next year.

If you want to contribute a lasting living memorial to the boys in the service, join the Tree Planting Movement. Send your name to Mr. Hillegas for full particulars.

Tuesday's Roll of Honor gives the name of Charles M. Nevin, 209 Elm Terrace, Narberth, among the list of wounded.

Our Boys gave all! Match them by filling your Thank Box to the limit. If your Thank Box is too small, notify any member of the Home Guard and you will receive another box.

Lieutenant Frederick T. Cunningham, son of Mrs. Thomas F. Cunningham, of Merion, died last Friday of pneumonia at San Benito, Texas, where he was stationed with the United States Army.

The many friends of Mr. T. S. Berry will learn with regret that on account of business duties he finds it necessary to resign as organist and choir director in the Presbyterian Church. His resignation takes effect to-morrow.

A special invitation is extended to all those who have service flags in their homes to attend the meeting in the Presbyterian Church to-morrow morning. Mr. Van Ness will preach on the theme, "God's Golden Service Star."

The Narberth work room will be closed on Tuesday, December 24th, as well as Christmas Day, but will be open for work again on Tuesday the 31st, as well as New Year's Day, as the work room has a large order for pinafores for French refugee children.

Our Town acknowledges with thanks receipt of a donation of \$6.00 from the Home Guard. The donations given this paper from time to time by the Women's Community Club Women's Auxiliary, Y. M. C. A. and the Home Guard have certainly been appreciated.

"The Oxford Affair," Junior Red Cross Benefit, will be given by members of the Sophomore Class in the school auditorium on January 4th instead of the earlier date. Immediately preceding the play, Mrs. Mather, Director of the Bureau of Production for Camden County, New Jersey, will give a short talk on Junior Red Cross work. Tickets from Sophomores, 25 cents.

One of our readers writes us as follows:

"If Postmaster Haws would move the radiator on the front east wall of the Post Office and the counter, the narrowest and most used part of the Post Office would be relieved at the most congested point. This, with the changed doors, would greatly please 95% of his patrons."

On Monday "The Romance of Tarzan," being the concluding chapters of Edgar Rice Burrough's famous classic, "Tarzan of the Apes," will be shown at the Palace Theatre, Ardmore. The director of this massive photoplay has worked very hard to illustrate the novel relating to a human being raised in the jungles by apes, and has succeeded in giving the "screen" play a distinctive value in the atmosphere so admirably preserved.

Township Treasurer George Gane has received no word from his son, Albert Gane, since last August. "Bert" enlisted in the U. S. Marines when war was declared and was of the 76 boys to volunteer to fill out the quota of the Fifth Regiment of Marines which was the first to leave for service in France. All efforts to secure definite information as to his safety have been unsuccessful, but his name has not appeared on any casualty list up to this date.

your old newspapers until the last Saturday of each month. The Ladies' Auxiliary is planning to collect and sell this otherwise wasted material as one means to cover the Y. M. C. Y. M. C. A. NOTES

GOING UP!!!

The elevator taking our membership UP is proving to be an express car. No stops are in order. The figure on November 30th was 305. The schedule called for the reaching of floor three by January 1st. With the three December expirations renewed and four additional memberships taken out the total has reached 309. The time for reaching the fourth floor has not been fixed. The engineers have not been able to calculate this time owing to the possible acceleration of the elevator. A rough guess would set the time to be March 31st. Watch for this jump.

THAT WAS SOME SUPPER.

Who was that that sighed as they went out the door, "Oh, if I could only feed my family like that each evening for only fifty cents a piece?" "Mrs. Odell's Oyster Supper," is a phrase that will have even a greater magic effect than before. And that isn't forgetting her committee of loyal helpers, for along with her ability to plan a top-notch supper (dinner would be a more correct name) she is gifted with the ability to gather around her an attractive and hard-working committee.

More than two hundred people were served with a luscious oyster or ham supper on the evening of December 12th. One of our popular High School boys was caught red-handed in the middle of his second attack on the supper committee's preparations. We would hate to divulge his identity, but you might watch for the biggest eater on the next occasion of this kind. We think there must have been a traitor on the inside who helped him get away with it. Don't lose sight of the fact that Mrs. Odell's committee counted among its numbers some fine looking young girls. And say, didn't that candy and cake and those fancy articles go fast? The writer knows, for he had his eye on some of that candy, but by the time he left the supper table it had all been sold.

Roughly, the proceeds were as follows:

Supper	\$50.00
Cake	6.00
Candy	16.00
Fancy Articles	33.00
Total.....	\$105.00

The three bazaar tables were in charge of Presbyterian, Baptist and Methodist Church representatives as follows:

Cake—Mrs. Haws, Presbyterian.
Candy—Miss Mazie Simpson, Baptist.
Fancy Articles—Mrs. C. L. Smith, Methodist.

The thanks of the Woman's Auxiliary is hereby tendered to Mrs. Odell and her helpers and to the bazaar workers, together with all who by their contributions helped to make the evening a success not only financially but socially.

By the way, one of the points of interest was the home-like setting given to the whole affair by Mr. Kreamer, the President of our Association, as he sat by the table in one of those comfortable rockers and read the Bulletin by the light of that attractive library lamp.

HIS FIRST APPEARANCE FOR THE YEAR.

Mr. Wm. D. Smedley tried his hand

on the bowling alleys for the first time since last April. His opponent was Mr. Bowen, who rolled for the first time in his life, outside of the accustomed seashore and summer resort duck pin rolling. Scores, 7-1. Please don't embarrass the loser. His misses were too numerous to count.

Bowlers, please take note! The pits are being repaired and it is hoped will keep dry. This will make it possible to keep the whole equipment in better shape. Make it a point to come in and look us over in the next few days.

BOYS, TAKE NOTICE.

In another column of this paper is an open letter to all Narberth boys. Take it as a personal letter to yourself. Don't let your opportunity slip by.

WATCH US GROW

is the motto of the special committee of our Association appointed to devise ways and means to improve the standing of our work in this community. The committee, headed by Mr. T. Noel Butler and including in its membership Rev. Avery S. Demmy, Rev. Frank M. Gray, Mr. C. L. Metzgar and Mr. H. C. Gara, has had at least ten conferences since its appointment on December 2nd. This surely means business. Be ready for the very best plans possible. They are determined to make good.

DON'T FORGET THOSE LECTURES.

Our Educational Committee, which is glad to count as new members Mr. W. R. D. Hall and Mr. Houston, with Mr. George W. Braden as an advisory member, expects to conduct those illustrated lectures depicting "America at War," starting soon after January 1st. The slides are on their way and definite dates will be announced in the near future.

BIG TIME ON NEW YEAR'S DAY

As stated in another column, this day will be Open House to all in our building. Of course, a program of events and game room schedule will be arranged to prevent overcrowding at any one time. Watch for the full program in next week's Our Town.

Boy Scouts and the Red Cross Roll Call

EIGHT LOYAL SCOUTS ARE ON THE WAR PATH FOR MEMBERSHIPS—THEY HAVE EXCLUSIVE RIGHTS IN FOLLOWING TERRITORY.

Richard Odierne, Haverford avenue and Antrhryn Farms.

Palmer Swartz, north of Montgomery, between Gordon and Woodbine avenue. Alexander Burt, Wayne avenue. Irving Dodge, Essex avenue, west side.

Donald Brown, Windsor avenue. Carl Metzgar, Essex avenue, east side.

Wayne Bond, Elm terrace. Joseph Fulton, Price avenue.

The boys listed above are the only bonafide membership solicitors in their respective territories, and Mr. Bowen, their Captain, has instructed them to enroll at least every adult in each home and if possible each child. If you live on one of these streets you are urged to do your part to help the boys make good. After the first day's work one boy reported 19 members, another 10, another 9, and 4, etc., so you can see that they are determined to make good. Furthermore, Mr. Patten, Scoutmaster, and Mr. Bowen, Assistant Scoutmaster, KNOW they will make good and have full confidence in their ability.

Boys Are Working for War Honor Awards.

One of the ten points that each Scout must secure to win a War Honor Award calls for the securing of 25 members for the Red Cross. An additional point is given for each 5 over the required amount. Give the boys a membership for each person in your house and help them win this award as well as helping the Red Cross in the fine work it is doing, described elsewhere in this paper.

Gymnasium Classes.

Boys 9 to 12 years of age, each afternoon from 2 to 3.30.

Boys 12 to 15 years of age, each afternoon from 3.30 to 5.

Game Rooms.

Boys 9 to 12 years of age, each afternoon from 3.30 to 5.30.

Boys 12 to 15 years of age, each afternoon from 1.30 to 3.30.

The building will be closed in the morning, but will be open each evening, and an invitation is extended to the men of Narberth to visit the game rooms.

A full open house program is being arranged for New Year's Day with exhibitions in the gymnasium during the afternoon and the probability of a basketball game between the High School Team and the new Y. M. C. A. Team. Watch for further announcements of this program and get your tickets early for the game, for it will be a good one if arrangements go through.

Dear Boy:

We are having great times in the Y. M. C. A. gym classes. You are missing lots of fun and losing opportunities to make your body strong.

Beginning with the new year, members can win the following honors and prizes:

1. Every boy who passes certain marks in 10 athletic events will be given a bronze athletic button.

2. Every boy who can do a certain number of stunts in good form on the horse, mats, parallels, horizontal bar, and rings will win a letter in each piece—i. e., H for horse, M for mats, etc.

3. Boys passing certain tests and showing leadership ability will be organized into a leaders' club which will meet one extra period a week to learn the stunts to teach their class.

4. Each class will be divided into basketball teams, which teams will form a league to play during class periods and at night. Members of the leadership club will be captains of these teams. The team winning the highest number of games shall receive a banner or cup.

5. The teams will also compete in indoor baseball and volley ball.

These are some of the things we are going to do. We want you to join us. Every boy should wear a button. Every boy should try to be a leader. Every boy should be on a team.

Join now and start the new year RIGHT.

Cordially yours,

ARTHUR V. EMMETT,
Physical Director.

NOTICE.

There will be no ash collection on Christmas and New Year's Day. The ashes from the houses included in the route that fall on these days will be taken up on the morning of the following day (Thursday). There will be no change of the days for the rest of the collection.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.

Red Cross Christmas Roll Call

UNIVERSAL MEMBERSHIP WEEK

DECEMBER 16-23, 1918

Have You Joined Yet?

Make Narberth 100 per cent.

The Christmas Roll Call for 1917 changed the National Membership from 22,000 to that of 22,000,000. The Main Line Branch enrolled 12,000 Members; Narberth Section enrolled 1,150 Members in the 1917 drive. Watch for next week's issue of "Our Town" to see how we grow.

Fixing quotas has been such a familiar feature of previous campaigns to sell bonds or raise welfare and relief funds that the failure to assign quotas in the Red Cross CHRISTMAS ROLL CALL is arousing discussion.

The reason for this new policy is logical. The Red Cross now is so widely known and so strongly approved that the goal of the CHRISTMAS ROLL CALL is nothing short of "Universal Membership." In other words, the census figures will be the nation's quota.

The Week of December 16-23 will see this apparently formidable task accomplished because there will be an eager spirit of co-operation. More than 22,000,000 present members in the United States will answer "Here," and it is the hope of the Red Cross War Council that treble or quadruple that number will join, and so permit a Christmas Eve cable to Europe that the American people are solidly behind the Red Cross spirit.

THE RED CROSS CHRISTMAS ROLL CALL is not an effort to raise money and no one will be asked for contributions. The annual membership cost for an adult is only one dollar.

The United States undoubtedly has as many dollars for the Red Cross as there are adults in population.

THE THREE CROSSES

The iron cross is black as death and hard as human hate;
The wooden cross is white and still and whispers us "Too late";
But the Red Cross sings of life and love and hearts regenerate.

The iron cross is a boastful cross and marks a war-mad slave;
The wooden cross is a dumb, dead cross and guards a shallow grave,
But the Red Cross reaches out its arms to solace and to save.

The iron cross is a kaiser's cross and narrow is its clan,
The wooden cross is a soldier's cross and mourns its partisan,
But the Red Cross is the Cross of One who served his fellow-men.

WORK IN FRANCE

Call for Wide Expansion of Relief Results from German Retreat

In France the retreat of the German armies and the redemption of wide territory has produced a tremendous expansion of all Red Cross activities. The German retreat widens the systematic destruction not only of cities and villages, but of practically everything in the evacuated territory. Houses that remained were roofless, windowless; the furniture had been removed or destroyed and in the country districts farmhouses, hay-stacks and supplies of grain were burned; agricultural implements and everything of possible use to returning inhabitants ruthlessly destroyed.

It will be necessary to provide at once for the housing of homeless refugees in the devastated areas and in the at least temporary reconstruction of villages. It will be necessary to provide clothing, cloth and dressmaking supplies, sewing machines, in addition to foodstuffs and medical supplies throughout all this territory.

With the coming again of winter, the fight against

tuberculosis must be taken up with renewed energy. 76 tuberculosis hospitals have been completed and are in operation, but requisitions have been made for 96 provisional hospitals, all to be in operation before winter. The Red Cross has adopted as a slogan "to visit every baby in France." It is estimated that 80,000 French babies died last year, 40,000 of whom might have been saved. One of the immediate objects of the Red Cross is to save those 40,000 babies in 1919.

THE ROLL CALL.

The Christmas Roll Call for this year, 1918, is the one great and universal call to the people of the United States to enroll themselves in the grandest ministry of Service that the world has ever known.

Behind the purpose of war that would combat and destroy there must be the complemental force that will conciliate and renew. That force springs from the soul of the Red Cross—it is the Nation mobilized for Service.

The United States entered the war for the vindication of an ideal. The Red Cross is founded on that ideal.

It is the Greatest Mother in the World, because it is the embodiment of unselfish mercy—and unselfishness is the test of Brotherhood—as Brotherhood is the test of Democracy.

In the days that are to come, when the conflict having ended, the world faces the vast work of rebuilding what war has destroyed—of gathering the scattered, bringing succor to the weak, establishing law and order, where chaos and confusion have reigned—it will be the Spirit of the Red Cross, incarnate in a world-wide ministry of Service, that shall guide the feet of the nations along the pathway of enduring peace.

To enlist our people—all of our people—in this mighty Evangel, is the purpose of the Christmas Roll Call. To have a part in this propaganda of philanthropy—to belong to this Crusade for the common weal, is a benediction alike to him who gives and to him who takes.
