# Introductions/Why are we here today?

- Who here is categorizing?
  - Own media files
  - Other media files
- Who is happy about the current state?

Treasures or landmines: detecting  
uncategorized, language-specific uploads  
in Commons

by Spiritia

# Discussion topics

- overcategorization
  - do we need a “Non-diffusing subcategories” policy?
- undercategorization
- creation of new categories
- non-english category names
- inconsistencies
- [enter your topic here]

  - inconsistencies
  - [enter your topic here]
- Commons is not a multilingual project\*
  - Not all users speak english
  - Naming conventions are not very well defined

\* is about to change: [Allow categories in Commons in all languages](#)
