

Public Law 95-292
95th Congress

An Act

To amend titles II and XVIII of the Social Security Act to make improvements in the end stage renal disease program presently authorized under section 226 of that Act, and for other purposes.

June 13, 1978
[H.R. 8423]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) title II of the Social Security Act is amended by inserting immediately after section 226 the following new section: .

“SPECIAL PROVISIONS RELATING TO COVERAGE UNDER MEDICARE PROGRAM FOR END STAGE RENAL DISEASE

“SEC. 226A. (a) Notwithstanding any provision to the contrary in section 226 or title XVIII, every individual who—

Social Security Act, amendment. End stage renal disease program. 42 USC 401 *et seq.*
42 USC 426.

42 USC 426-1.
42 USC 1395 *et seq.*
42 USC 414.

42 USC 231 *et seq.*

“(1) (A) is fully or currently insured (as such terms are defined in section 214 of this Act) or would be fully or currently insured if his service as an employee (as defined in the Railroad Retirement Act of 1974) after December 31, 1936, were included in the term ‘employment’ as defined in this Act, or (B) is entitled to monthly insurance benefits under title II of this Act or an annuity under the Railroad Retirement Act of 1974, or (C) is the spouse or dependent child (as defined in regulations) of an individual who is fully or currently insured or would be fully or currently insured if his service as an employee (as defined in the Railroad Retirement Act of 1974) after December 31, 1936, were included in the term ‘employment’ as defined in this Act, or (D) is the spouse or dependent child (as defined in regulations) of an individual entitled to monthly insurance benefits under title II of this Act or an annuity under the Railroad Retirement Act of 1974;

“(2) is medically determined to have end stage renal disease; and

“(3) has filed an application for benefits under this section; shall, in accordance with the succeeding provisions of this section, be entitled to benefits under part A and eligible to enroll under part B of title XVIII, subject to the deductible, premium, and coinsurance provisions of that title.

42 USC 1395.
42 USC 1395j.

“(b) Subject to subsection (c), entitlement of an individual to benefits under part A and eligibility to enroll under part B of title XVIII by reasons of this section on the basis of end stage renal disease—

“(1) shall begin with—

“(A) the third month after the month in which a regular course of renal dialysis is initiated, or

“(B) the month in which such individual receives a kidney transplant, or (if earlier) the first month in which such individual is admitted as an inpatient to an institution which is a hospital meeting the requirements of section 1861(e) (and such additional requirements as the Secretary may prescribe under section 1881(b) for such institutions) in preparation for or anticipation of kidney transplantation, but only if such transplantation occurs in that month or in either of the next two months,

42 USC 1395x.
Post, p. 308.

whichever first occurs (but no earlier than one year preceding the month of the filing of an application for benefits under this section); and

“(2) shall end, in the case of an individual who receives a kidney transplant, with the thirty-sixth month after the month in which such individual receives such transplant or, in the case of an individual who has not received a kidney transplant and no longer requires a regular course of dialysis, with the twelfth month after the month in which such course of dialysis is terminated.

“(c) Notwithstanding the provisions of subsection (b)—

“(1) in the case of any individual who participates in a self-care dialysis training program prior to the third month after the month in which such individual initiates a regular course of renal dialysis in a renal dialysis facility or provider of services meeting the requirements of section 1881(b), entitlement to benefits under part A and eligibility to enroll under part B of title XVIII shall begin with the month in which such regular course of renal dialysis is initiated;

“(2) in any case in which a kidney transplant fails (whether during or after the thirty-six-month period specified in subsection (b)(2)), and as a result the individual who received such transplant initiates or resumes a regular course of renal dialysis, entitlement to benefits under part A and eligibility to enroll under part B of title XVIII shall begin with the month in which such course is initiated or resumed; and

“(3) in any case in which a regular course of renal dialysis is resumed subsequent to the termination of an earlier course, entitlement to benefits under part A and eligibility to enroll under part B of title XVIII shall begin with the month in which such regular course of renal dialysis is resumed.”

42 USC 426.

(b) Section 226 of such Act is amended—

(1) by striking out subsections (e), (f), and (g), and

(2) by redesignating subsections (h) and (i) as subsections (e) and (f), respectively.

42 USC 1395x.

SEC. 2. Part C of title XVIII of the Social Security Act is amended by adding at the end thereof the following new section:

“MEDICARE COVERAGE FOR END STAGE RENAL DISEASE PATIENTS

“SEC. 1881. (a) The benefits provided by parts A and B of this title shall include benefits for individuals who have been determined to have end-stage renal disease as provided in section 226A, and benefits for kidney donors as provided in subsection (d) of this section. Notwithstanding any other provision of this title, the type, duration, and scope of the benefit provided by parts A and B with respect to individuals who have been determined to have end-stage renal disease and who are entitled to such benefits without regard to section 226A shall in no case be less than the type, duration, and scope of the benefits so provided for individuals entitled to such benefits solely by reason of that section.

“(b) (1) Payments under this title with respect to services, in addition to services for which payment would otherwise be made under this title, furnished to individuals who have been determined to have end-stage renal disease shall include (A) payments on behalf of such individuals to providers of services and renal dialysis facilities which meet such requirements as the Secretary shall by regulation prescribe for institutional dialysis services and supplies (including self-dialysis services in a self-care dialysis unit maintained by the provider or facil-

ity), transplantation services, self-care home dialysis support services which are furnished by the provider or facility, and routine professional services performed by a physician during a maintenance dialysis episode if payments for his other professional services furnished to an individual who has end-stage renal disease are made on the basis specified in paragraph (3) (A) of this subsection, and (B) payments to or on behalf of such individuals for home dialysis supplies and equipment. The requirements prescribed by the Secretary under subparagraph (A) shall include requirements for a minimum utilization rate for covered procedures and for self-dialysis training programs.

“(2) (A) With respect to payments for dialysis services furnished by providers of services and renal dialysis facilities to individuals determined to have end-stage renal disease for which payments may be made under part B of this title, such payments (unless otherwise provided in this section) shall be equal to 80 percent of the amounts determined in accordance with subparagraph (B); and with respect to payments for services for which payments may be made under part A of this title, the amounts of such payments (which amounts shall not exceed, in respect to costs in procuring organs attributable to payments made to an organ procurement agency or histocompatibility laboratory, the costs incurred by that agency or laboratory) shall be determined in accordance with section 1861(v). Payments shall be made to a renal dialysis facility only if it agrees to accept such payments as payment in full for covered services, except for payment by the individual of 20 percent of the estimated amounts for such services calculated on the basis established by the Secretary under subparagraph (B) and the deductible amount imposed by section 1833(b).

42 USC 1395j.

42 USC 1395.

42 USC 1395x.

42 USC 1395l.

Regulations.

“(B) The Secretary shall prescribe in regulations any methods and procedures to (i) determine the costs incurred by providers of services and renal dialysis facilities in furnishing covered services to individuals determined to have end-stage renal disease, and (ii) determine, on a cost-related basis or other economical and equitable basis (including any basis authorized under section 1861(v)), the amounts of payments to be made for part B services furnished by such providers and facilities to such individuals. Such regulations shall provide for the implementation of appropriate incentives for encouraging more efficient and effective delivery of services (consistent with quality care), and shall include, to the extent determined feasible by the Secretary, a system for classifying comparable providers and facilities, and prospectively set rates or target rates with arrangements for sharing such reductions in costs as may be attributable to more efficient and effective delivery of services.

“(C) Such regulations, in the case of services furnished by proprietary providers and facilities may include, if the Secretary finds it feasible and appropriate, provision for recognition of a reasonable rate of return on equity capital, providing such rate of return does not exceed the rate of return stipulated in section 1861(v) (1) (B).

“(D) For purposes of section 1878, a renal dialysis facility shall be treated as a provider of services.

42 USC 1395oo.

“(3) With respect to payments for physicians' services furnished to individuals determined to have end-stage renal disease, the Secretary shall pay 80 percent of the amounts calculated for such services—

“(A) on a reasonable charge basis (but may, in such case, make payment on the basis of the prevailing charges of other physicians for comparable services) except that payment may not be made under this subparagraph for routine services furnished during a maintenance dialysis episode.

Baltimore, Maryland 21244

“(B) on a comprehensive monthly fee or other basis for an aggregate of services provided over a period of time (as defined in regulations).

Agreements.

“(4) Pursuant to agreements with approved providers of services and renal dialysis facilities, the Secretary may make payments to such providers and facilities for the cost of home dialysis supplies and equipment and self-care home dialysis support services furnished to patients whose self-care home dialysis is under the direct supervision of such provider or facility, on the basis of a target reimbursement rate (as defined in paragraph (6)).

“(5) An agreement under paragraph (4) shall require, in accordance with regulations prescribed by the Secretary, that the provider or facility will—

“(A) assume full responsibility for directly obtaining or arranging for the provision of—

“(i) such medically necessary dialysis equipment as is prescribed by the attending physician;

“(ii) dialysis equipment maintenance and repair services;

“(iii) the purchase and delivery of all necessary medical supplies; and

“(iv) where necessary, the services of trained home dialysis aides;

Records.

“(B) perform all such administrative functions and maintain such information and records as the Secretary may require to verify the transactions and arrangements described in subparagraph (A);

“(C) submit such cost reports, data, and information as the Secretary may require with respect to the costs incurred for equipment, supplies, and services furnished to the facility's home dialysis patient population; and

“(D) provide for full access for the Secretary to all such records, data, and information as he may require to perform his functions under this section.

Target reimbursement rate.

“(6) The Secretary shall establish, for each calendar year, commencing with January 1, 1979, a target reimbursement rate for home dialysis which shall be adjusted for regional variations in the cost of providing home dialysis. In establishing such a rate, the Secretary shall include—

“(A) the Secretary's estimate of the cost of providing medically necessary home dialysis supplies and equipment;

“(B) an allowance, in an amount determined by the Secretary, to cover the cost of providing personnel to aid in home dialysis; and

“(C) an allowance, in an amount determined by the Secretary, to cover administrative costs and to provide an incentive for the efficient delivery of home dialysis;

but in no event shall such target rate exceed 70 percent of the national average payment, adjusted for regional variations, for maintenance dialysis services furnished in approved providers and facilities during the preceding fiscal year. Any such target rate so established shall be utilized, without renegotiation of the rate, throughout the calendar year for which it is established. During the last quarter of each calendar year, the Secretary shall establish a home dialysis target reimbursement rate for the next calendar year based on the most recent data available to the Secretary at the time. In establishing any rate under this paragraph, the Secretary may utilize a competitive-bid procedure, a prenegotiated rate procedure, or any other procedure

which the Secretary determines is appropriate and feasible in order to carry out this paragraph in an effective and efficient manner.

“(7) For purposes of this title, the term ‘home dialysis supplies and equipment’ means medically necessary supplies and equipment (including supportive equipment) required by an individual suffering from end-stage renal disease in connection with renal dialysis carried out in his home (as defined in regulations), including obtaining, installing, and maintaining such equipment.

Definitions.

“(8) For purposes of this title, the term ‘self-care home dialysis support services’, to the extent permitted in regulation, means—

“(A) periodic monitoring of the patient’s home adaptation, including visits by qualified provider or facility personnel (as defined in regulations), so long as this is done in accordance with a plan prepared and periodically reviewed by a professional team (as defined in regulations) including the individual’s physician;

“(B) installation and maintenance of dialysis equipment;

“(C) testing and appropriate treatment of the water; and

“(D) such additional supportive services as the Secretary finds appropriate and desirable.

“(9) For purposes of this title, the term ‘self-care dialysis unit’ means a renal dialysis facility or a distinct part of such facility or of a provider of services, which has been approved by the Secretary to make self-dialysis services, as defined by the Secretary in regulations, available to individuals who have been trained for self-dialysis. A self-care dialysis unit must, at a minimum, furnish the services, equipment and supplies needed for self-care dialysis, have patient-staff ratios which are appropriate to self-dialysis (allowing for such appropriate lesser degree of ongoing medical supervision and assistance of ancillary personnel than is required for full care maintenance dialysis), and meet such other requirements as the Secretary may prescribe with respect to the quality and cost-effectiveness of services.

“(c)(1)(A) For the purpose of assuring effective and efficient administration of the benefits provided under this section, the Secretary shall establish, in accordance with such criteria as he finds appropriate, renal disease network areas, such network organizations (including a coordinating council, an executive committee of such council, and a medical review board, for each network area) as he finds necessary to accomplish such purpose, and a national end stage renal disease medical information system. The Secretary may by regulations provide for such coordination of network planning and quality assurance activities and such exchange of data and information among agencies with responsibilities for health planning and quality assurance activities under Federal law as is consistent with the economical and efficient administration of this section and with the responsibilities established for network organizations under this section.

Network organizations.

“(B) At least one patient representative shall serve as a member of each coordinating council and executive committee.

“(C) The Secretary shall, in regulations, prescribe requirements with respect to membership in network organizations by individuals (and the relatives of such individuals) (i) who have an ownership or control interest in a facility or provider which furnishes services referred to in section 1861(s)(2)(F), or (ii) who have received remuneration from any such facility or provider in excess of such amounts as constitute reasonable compensation for services (including time and effort relative to the provision of professional medical services) or goods supplied to such facility or provider; and such requirements shall provide for the definition, disclosure, and, to the maximum

Regulations.

Regulations.

42 USC 1395x.

Conflicts of interest.

extent consistent with effective administration, prevention of potential or actual financial or professional conflicts of interest with respect to decisions concerning the appropriateness, nature, or site of patient care.

“(2) The network organizations of each network shall be responsible, in addition to such other duties and functions as may be prescribed by the Secretary, for—

“(A) encouraging, consistent with sound medical practice, the use of those treatment settings most compatible with the successful rehabilitation of the patient;

“(B) developing criteria and standards relating to the quality and appropriateness of patient care; and network goals with respect to the placement of patients in self-care settings and undergoing or preparing for transplantation;

“(C) evaluating the procedure by which facilities and providers in the network assess the appropriateness of patients for proposed treatment modalities;

“(D) identifying facilities and providers that are not cooperating toward meeting network goals and assisting such facilities and providers in developing appropriate plans for correction; and

“(E) submitting an annual report to the Secretary on July 1 of each year which shall include a full statement of the network's goals, data on the network's performance in meeting its goals (including data on the comparative performance of facilities and providers with respect to the identification and placement of suitable candidates in self-care settings and transplantation), identification of those facilities that have consistently failed to cooperate with network goals, and recommendations with respect to the need for additional or alternative services or facilities in the network in order to meet the network goals, including self-dialysis training, transplantation, and organ procurement facilities.

“(3) Where the Secretary determines, on the basis of the data contained in the network's annual report and such other relevant data as may be available to him, that a facility or provider has consistently failed to cooperate with network plans and goals, he may terminate or withhold certification of such facility or provider (for purposes of payment for services furnished to individuals with end stage renal disease) until he determines that such provider or facility is making reasonable and appropriate efforts to cooperate with the network's plans and goals.

“(4) The Secretary shall, in determining whether to certify additional facilities or expansion of existing facilities within a network, take into account the network's goals and performance as reflected in the network's annual report.

“(5) The Secretary, after consultation with appropriate professional and planning organizations, shall provide such guidelines with respect to the planning and delivery of renal disease services as are necessary to assist network organizations in their development of their respective networks' goals to promote the optimum use of self-dialysis and transplantation by suitable candidates for such modalities.

“(6) It is the intent of the Congress that the maximum practical number of patients who are medically, socially, and psychologically suitable candidates for home dialysis or transplantation should be so treated. The Secretary shall consult with appropriate professional and network organizations and consider available evidence relating to developments in research, treatment methods, and technology for home dialysis and transplantation. The Secretary shall periodically submit to the Congress such legislative recommendations as the Secretary finds

Criteria and standards.

Report to Congress.

warranted on the basis of such consultation and evidence to further the national objective of maximizing the use of home dialysis and transplantation consistent with good medical practice.

“(d) Notwithstanding any provision to the contrary in section 226 any individual who donates a kidney for transplant surgery shall be entitled to benefits under parts A and B of this title with respect to such donation. Reimbursement for the reasonable expenses incurred by such an individual with respect to a kidney donation shall be made (without regard to the deductible, premium, and coinsurance provisions of this title), in such manner as may be prescribed by the Secretary in regulations, for all reasonable preparatory, operation, and postoperation recovery expenses associated with such donation, including but not limited to the expenses for which payment could be made if he were an eligible individual for purposes of parts A and B of this title without regard to this subsection. Payments for postoperation recovery expenses shall be limited to the actual period of recovery.

42 USC 426.

42 USC 1395,
1395j.
Regulations.

“(e) (1) Notwithstanding any other provision of this title, the Secretary may, pursuant to agreements with approved providers of services and renal dialysis facilities, reimburse such providers and facilities (without regard to the deductible and coinsurance provisions of this title) for the reasonable cost of the purchase, installation, maintenance and reconditioning for subsequent use of artificial kidney and automated dialysis peritoneal machines (including supportive equipment) which are to be used exclusively by entitled individuals dialyzing at home.

Agreements.

“(2) An agreement under this subsection shall require that the provider or facility will—

“(A) make the equipment available for use only by entitled individuals dialyzing at home;

“(B) recondition the equipment, as needed, for reuse by such individuals throughout the useful life of the equipment, including modification of the equipment consistent with advances in research and technology;

“(C) provide for full access for the Secretary to all records and information relating to the purchase, maintenance, and use of the equipment; and

“(D) submit such reports, data, and information as the Secretary may require with respect to the cost, management, and use of the equipment.

Reports.

“(3) For purposes of this section, the term ‘supportive equipment’ includes blood pumps, heparin pumps, bubble detectors, other alarm systems, and such other items as the Secretary may determine are medically necessary.

“Supportive
equipment.”

“(f) (1) The Secretary shall initiate and carry out, at selected locations in the United States, pilot projects under which financial assistance in the purchase of new or used durable medical equipment for renal dialysis is provided to individuals suffering from end stage renal disease at the time home dialysis is begun, with provision for a trial period to assure successful adaptation to home dialysis before the actual purchase of such equipment.

Experiments and
pilot projects.

“(2) The Secretary shall conduct experiments to evaluate methods for reducing the costs of the end stage renal disease program. Such experiments shall include (without being limited to) reimbursement for nurses and dialysis technicians to assist with home dialysis, and reimbursement to family members assisting with home dialysis.

“(3) The Secretary shall conduct experiments to evaluate methods of dietary control for reducing the costs of the end stage renal disease program, including (without being limited to) the use of protein-

controlled products to delay the necessity for, or reduce the frequency of, dialysis in the treatment of end stage renal disease.

Studies. “(4) The Secretary shall conduct a comprehensive study of methods for increasing public participation in kidney donation and other organ donation programs.

“(5) The Secretary shall conduct a full and complete study of the reimbursement of physicians for services furnished to patients with end stage renal disease under this title, giving particular attention to the range of payments to physicians for such services, the average amounts of such payments, and the number of hours devoted to furnishing such services to patients at home, in renal disease facilities, in hospitals, and elsewhere.

“(6) The Secretary shall conduct a study of the number of patients with end stage renal disease who are not eligible for benefits with respect to such disease under this title (by reason of this section or otherwise), and of the economic impact of such noneligibility of such individuals. Such study shall include consideration of mechanisms whereby governmental and other health plans might be instituted or modified to permit the purchase of actuarially sound coverage for the costs of end stage renal disease.

“(7) The Secretary shall conduct a study of the medical appropriateness and safety of cleaning and reusing dialysis filters by home dialysis patients. In such cases in which the Secretary determines that such home cleaning and reuse of filters is a medically sound procedure, the Secretary shall conduct experiments to evaluate such home cleaning and reuse as a method of reducing the costs of the end stage renal disease program.

“(8) The Secretary shall submit to the Congress no later than October 1, 1979, a full report on the experiments conducted under paragraphs (1), (2), (3), and (7), and the studies under paragraphs (4), (5), (6), and (7). Such report shall include any recommendations for legislative changes which the Secretary finds necessary or desirable as a result of such experiments and studies.

“(g) The Secretary shall submit to the Congress on April 1, 1979, and April 1 of each year thereafter a report on the end stage renal disease program, including but not limited to—

“(1) the number of patients, nationally and by renal disease network, on dialysis (self-dialysis or otherwise) at home and in facilities;

“(2) the number of new patients entering dialysis at home and in facilities during the year;

“(3) the number of facilities providing dialysis and the utilization rates of those facilities;

“(4) the number of kidney transplants, by source of donor organ;

“(5) the number of patients awaiting organs for transplant;

“(6) the number of transplant failures;

“(7) the range of costs of kidney acquisitions, by type of facility and by region;

“(8) the number of facilities providing transplants and the number of transplants performed per facility;

“(9) patient mortality and morbidity rates;

“(10) the average annual cost of hospitalization for ancillary problems in dialysis and transplant patients, and drug costs for transplant patients;

“(11) medicare payment rates for dialysis, transplant procedures, and physician services, along with any changes in such rates during the year and the reasons for those changes;

Reports to
Congress.

“(12) the results of cost-saving experiments;

“(13) the results of basic kidney disease research conducted by the Federal Government, private institutions, and foreign governments;

“(14) information on the activities of medical review boards and other networks organizations; and

“(15) estimated program costs over the next five years.”.

SEC. 3. (a) Section 226(a) of the Social Security Act is amended—

Hospital
insurance
benefits.
42 USC 426.

(1) by striking out “specified in subparagraph (B)” and inserting in lieu thereof “specified in paragraph (1)”;

(2) by striking out “specified in subparagraphs (A) and (B)” and inserting in lieu thereof “specified in paragraphs (1) and (2)”.

(b) Paragraphs (2) and (3) of section 226(e) of such Act (as redesignated by subsection (b) (2) of the first section of this Act) are each amended by striking out “subsection b” and inserting in lieu thereof “subsection (b)”.

SEC. 4. (a) Section 1811 of the Social Security Act is amended—

Insurance
program.
42 USC 1395c.

(1) by striking out “section 226” and inserting in lieu thereof “sections 226 and 226A”;

(2) by striking out “and” at the end of clause (1), and inserting in lieu thereof a comma; and

(3) by inserting immediately before the period the following: “, and (3) certain individuals who do not meet the conditions specified in either clause (1) or (2) but who are medically determined to have end stage renal disease”.

(b) Section 1833(a) (1) of such Act is amended—

Payment of
benefits.
42 USC 1395l.

(1) by striking out “and” at the end of clause (C), and

(2) by adding the following after “section,” in clause (D): “and (E) with respect to services furnished to individuals who have been determined to have end stage renal disease, the amounts paid shall be determined subject to the provisions of section 1881, and”.

Ante, p. 308.
42 USC 1395l.

(c) Section 1833(a) (2) of such Act is amended by inserting “(unless otherwise specified in section 1881)” after “other services”.

(d) Section 1861(s) (2) of such Act is amended—

42 USC 1395x.

(1) by striking out “and” at the end of clause (D);

(2) by inserting “and” at the end of clause (E); and

(3) by adding the following new clause after clause (E):

“(F) home dialysis supplies and equipment, self-care home dialysis support services, and institutional dialysis services and supplies;”.

(e) The first sentence of section 1866(a) (2) (A) of such Act is amended by inserting the following before the period: “(but in the case of items and services furnished to individuals with end-stage renal disease, an amount equal to 20 percent of the estimated amounts for such items and services calculated on the basis established by the Secretary)”.

Agreements,
service providers.
42 USC 1395cc.

(f) Section 1814(b) (1) of such Act is amended by inserting “and as further limited by section 1881(b) (2) (B)” after “1861(v)”.

42 USC 1395f.

SEC. 5. The third sentence of section 1817(b) of the Social Security Act, and the third sentence of section 1841(b) of such Act, and section 1876(b) (2) (B) of such Act, are each amended by striking out “Commissioner of Social Security” and inserting in lieu thereof “Administrator of the Health Care Financing Administration”.

42 USC 1395i.
42 USC 1395t.
42 USC
1395mm.

SEC. 6. The amendments made by the preceding sections of this Act shall become effective with respect to services, supplies, and equipment furnished after the third calendar month which begins after the date

Effective date.
42 USC 426 note.

of the enactment of this Act, except that those amendments providing for the implementation of an incentive reimbursement system for dialysis services furnished in facilities and providers shall become effective with respect to a facility's or provider's first accounting period which begins after the last day of the twelfth month following the month of the enactment of this Act, and those amendments providing for reimbursement rates for home dialysis shall become effective on April 1, 1979.

42 USC 1395x.

SEC. 7 Section 15(d) of Public Law 93-233 (as amended by section 7(c) of Public Law 93-368 and the first section of Public Law 94-368) is amended by striking out "October 1, 1977" and inserting in lieu thereof "October 1, 1978".

42 USC 1396d.

SEC. 8. (a) The first sentence of section 1905(c) of the Social Security Act is amended—

(1) by striking "and (3)" and inserting in lieu thereof "(3)"; and

42 USC 1395x.

(2) by striking out the period at the end thereof and inserting in lieu thereof the following "and (4) meets the requirements of section 1861(j)(14) with respect to protection of patients' personal funds."

(b) The fourth sentence of section 1905(c) of such Act is amended by striking out "clauses (2) and (3)" and inserting in lieu thereof "clauses (2), (3), and (4)".

Regulations.
42 USC 1396d
note.

(c) The Secretary of Health, Education, and Welfare shall, by regulation, define those costs which may be charged to the personal funds of patients in intermediate care facilities who are individuals receiving medical assistance under a State plan approved under the provisions of title XIX of the Social Security Act, and those costs which are to be included in the reasonable cost or reasonable charge for intermediate care facility services as determined under the provisions of such title.

42 USC 1396.

(d) (1) The amendments made by subsections (a) and (b) shall become effective on July 1, 1978.

Effective date.
42 USC 1396d
note.

(2) The Secretary of Health, Education, and Welfare shall issue the regulations required under subsection (c) within 90 days after the date of enactment of this Act but not later than July 1, 1978.

Regulations.
42 USC 1396d
note.

(e) Section 20(c)(2) of the Medicare-Medicaid Anti-Fraud and Abuse Amendments (Public Law 95-142) is amended by striking out "section 1905(g)" and inserting in lieu thereof "section 1903(g)".

42 USC 1396b
