SUBJECT: Report on Lost CIE Film

TO : GHQ, SCAP
APO 500
ATTN: CI Section

- for - C-File*
1. Reference par 8a, OD 57, Hq 8th Army, dated 25 October 1948.
 2. The Kinki Regional Equipment and Service Center has informed this headquarters that CIE Visual Education Film No. 25 (Copy 31) entitled "A Day at School" could not be found in their files when they looked for it to return it to your headquarters.
 3. The film was issued to the Osaka Military Government Team, 24 May 1948 to be returned 13 October 1948. Prior to the scheduled date of return of film to the Regional Equipment Center, records of Kinki CI show that they phoned Osaka MG and requested its return. A Japanese worker, the only employee of the Osaka MG Visual Aids Section still with the Team since that date, says that he packed the film and assumed that it was forwarded by the CIE Chief. However, Kinki disclaims receiving it and no written record can be found concerning the film's whereabouts.
 4. In-as-much as the film cannot be located either at the Equipment Center, Osaka MG or in the field, it must be considered as lost in transit or otherwise mislaid.
 5. Request that a new copy of this film be issued for future projection.
