THE RING AND THE BOOK.

1868-9.

IX.

JURIS DOCTOR JOHANNES-BAPTISTA BOTTINIUS,

FISCI ET REV. CAM. APOSTOL. ADVOCATUS.

HAD I God's leave, how I would alter things !
If I might read instead of print my speech,—
Ay, and enliven speech with many a flower
Refuses obstinate to blow in print,
As wildings planted in a prim parterre,— 5
This scurvy room were turned an immense hall ;
Opposite, fifty judges in a row ;
This side and that of me, for audience—Rome :
And, where yon window is, the Pope should hide—
Watch, curtained, but peep visibly enough. 10
A buzz of expectation ! Through the crowd,

Jingling his chain and stumping with his staff,
 Up comes an usher, louts him low, "The Court
 "Requires the allocution of the Fisc!"
 I rise, I bend, I look about me, pause 15
 O'er the hushed multitude: I count—One, two—

Have ye seen, Judges, have ye, lights of law,—
 When it may hap some painter, much in vogue
 Throughout our city nutritive of arts,
 Ye summon to a task shall test his worth, 20
 To manufacture, as he knows and can,
 A work may decorate a palace-wall,
 Afford my lords their Holy Family,—
 Hath it escaped the acumen of the Court
 How such a painter sets himself to paint? 25
 Suppose that Joseph, Mary and her Babe
 A-journeying to Egypt, prove the piece:
 Why, first he sedulously practiseth,
 This painter,—girding loin and lighting lamp,—
 On what may nourish eye, make facile hand; 30
 Getteth him studies (styled by draughtsmen so)
 From some assistant corpse of Jew or Turk
 Or, haply, Molinist, he cuts and carves,—
 This Luca or this Carlo or the like.
 To him the bones their inmost secret yield, 35

Each notch and nodule signify their use :
On him the muscles turn, in triple tier,
And pleasantly entreat the entrusted man
“ Familiarize thee with our play that lifts
“ Thus, and thus lowers again, leg, arm and foot ! ”
—Ensuring due correctnéss in the nude. 41
Which done, is all done? Not a whit, ye know !
He,—to art’s surface rising from her depth,—
If some flax-polled soft-bearded sire be found,
May simulate a Joseph, (happy chance !)— 45
Limneth exact each wrinkle of the brow,
Loseth no involution, cheek or chap,
Till lo, in black and white, the senior lives !
Is it a young and comely peasant-nurse
That poseth? (be the phrase accorded me!) 50
Each feminine delight of florid lip,
Eyes brimming o’er and brow bowed down with love,
Marmoreal neck and bosom uberous,—
Glad on the paper in a trice they go
To help his notion of the Mother-maid : 55
Methinks I see it, chalk a little stumped !
Yea and her babe—that flexure of soft limbs,
That budding face imbued with dewy sleep,
Contribute each an excellence to Christ.
Nay, since he humbly lent companionship, 60
Even the poor ass, unpannied and elate

Stands, perks an ear up, he a model too ;
 While clouded shoon, staff, scrip and water-gourd,—
 Aught may betoken travel, heat and haste,—
 No jot nor tittle of these but in its turn 65
 Ministers to perfection of the piece :
 Till now, such piece before him, part by part,—
 Such prelude ended,—pause our painter may,
 Submit his fifty studies one by one,
 And in some sort boast “I have served my lords.” 70

But what ? And hath he painted once this while ?
 Or when ye cry “Produce the thing required,
 “Show us our picture shall rejoice its niche,
 “Thy Journey through the Desert done in oils !”—
 What, doth he fall to shuffling 'mid his sheets, 75
 Fumbling for first this, then the other fact
 Consigned to paper,—“studies,” bear the term !—
 And stretch a canvas, mix a pot of paste,
 And fasten here a head and there a tail,
 (The ass hath one, my Judges !) so dove-tail 80
 Or, rather, ass-tail in, piece sorrily out—
 By bits of reproduction of the life—
 The picture, the expected Family ?
 I trow not ! do I miss with my conceit
 The mark, my lords ?—not so my lords were served !
 Rather your artist turns abrupt from these, 86

And preferably buries him and broods
 (Quite away from aught vulgar and extern)
 On the inner spectrum, filtered through the eye,
 His brain-deposit, bred of many a drop, 90
E pluribus unum: and the wiser he!
 For in that brain,—their fancy sees at work,
 Could my lords peep indulged,—results alone,
 Not processes which nourish such results,
 Would they discover and appreciate,—life 95
 Fed by digestion, not raw food itself,
 No gobbets but smooth comfortable chyme
 Secreted from each snapped-up crudity,—
 Less distinct, part by part, but in the whole
 Truer to the subject,—the main central truth 100
 And soul o' the picture, would my Judges spy,—
 Not those mere fragmentary studied facts
 Which answer to the outward frame and flesh—
 Not this nose, not that eyebrow, the other fact
 Of man's staff, woman's stole or infant's clout, 105
 But lo, a spirit-birth conceived of flesh,
 Truth rare and real, not transcripts, fact and false.
 The studies—for his pupils and himself!
 The picture be for our eximious Rome
 And—who knows?—satisfy its Governor, 110
 Whose new wing to the villa he hath bought
 (God give him joy of it) by Capena, soon

(’T is bruited) shall be glowing with the brush
 Of who hath long surpassed the Florentine,
 The Urbinate and . . . what if I dared add, 115
 Even his master, yea the Cortonese,—
 I mean the accomplished *Ciro Ferri*, *Sirs* !
 (—Did not he die? I ’ll see before I print.)

End we exordium, *Phœbus* plucks my ear !
 Thus then, just so and no whit otherwise, 120
 Have I,—engaged as I were *Ciro’s* self,
 To paint a parallel, a Family,
 The patriarch *Pietro* with his wise old wife
 To boot (as if one introduced *Saint Anne*
 By bold conjecture to complete the group) 125
 And juvenile *Pompilia* with her babe,
 Who, seeking safety in the wilderness,
 Were all surprised by *Herod*, while outstretched
 In sleep beneath a palm-tree by a spring,
 And killed—the very circumstance I paint, 130
 Moving the pity and terror of my lords—
 Exactly so have I, a month at least,
 Your *Fiscal*, made me cognizant of facts,
 Searched out, pried into, pressed the meaning forth
 Of every piece of evidence in point, 135
 How bloody *Herod* slew these innocents,—
 Until the glad result is gained, the group

Demonstrably presented in detail,
 Their slumber and his onslaught,—like as life.
 Yea and, availing me of help allowed 140
 By law, discreet provision lest my lords
 Be too much troubled by effrontery,—
 The rack, law plies suspected crime withal—
 (Law that hath listened while the lyrist sang
 “*Lene tormentum ingenio admoves,*” 145
 Gently thou joggest by a twinge the wit,
 “*Plerumque duro,*” else were slow to blab !)
 Through this concession my full cup runs o’er :
 The guilty owns his guilt without reserve.
 Therefore by part and part I clutch my case 150
 Which, in entirety now,—momentous task,—
 My lords demand, so render them I must,
 Since, one poor pleading more and I have done.
 But shall I ply my papers, play my proofs,
 Parade my studies, fifty in a row, 155
 As though the Court were yet in pupilage,
 Claimed not the artist’s ultimate appeal ?
 Much rather let me soar the height prescribed
 And, bowing low, proffer my picture’s self !
 No more of proof, disproof,—such virtue was, 160
 Such vice was never in Pompilia, now !
 Far better say “ Behold Pompilia ! ”—(for
 I leave the family as unmanageable,

And stick to just one portrait, but life-size.)
 Hath calumny imputed to the fair 165
 A blemish, mole on cheek or wart on chin,
 Much more, blind hidden horrors best unnamed?
 Shall I descend to prove you, point by point,
 Never was knock-knee known nor splay-foot found
 In Phryne? (I must let the portrait go, 170
 Content me with the model, I believe)—
 —I prove this? An indignant sweep of hand,
 Dash at and doing away with drapery,
 And,—use your eyes, Athenians, smooth she smiles!
 Or,—since my client can no longer smile, 175
 And more appropriate instances abound,—
 What is this Tale of Tarquin, how the slave
 Was caught by him, preferred to Collatine?
 Thou, even from thy corpse-clothes virginal,
 Look'st the lie dead, Lucretia! 180

Thus at least

I, by the guidance of antiquity,
 (Our one infallible guide) now operate,
 Sure that the innocence thus shown is safe;
 Sure, too, that, while I plead, the echoes cry 185
 (Lend my weak voice thy trump, sonorous Fame!)
 “Monstrosity the Phrynean shape shall mar,
 “Lucretia's soul comport with Tarquin's lie,

“When thistles grow on vines or thorns yield figs,
“Or oblique sentence leave this judgment-seat!” 190

A great theme : may my strength be adequate !
For—paint Pompilia, dares my feebleness?
How did I unaware engage so much
—Find myself undertaking to produce
A faultless nature in a flawless form? 195
What’s here? Oh, turn aside nor dare the blaze
Of such a crown, such constellation, say,
As jewels here thy front, Humanity !
First, infancy, pellucid as a pearl ;
Then childhood—stone which, dew-drop at the first,
(An old conjecture) sucks, by dint of gaze, 201
Blue from the sky and turns to sapphire so :
Yet both these gems eclipsed by, last and best,
Womanliness and wifehood opaline,
Its milk-white pallor,—chastity,—suffused 205
With here and there a tint and hint of flame,—
Desire,—the lapidary loves to find.
Such jewels bind conspicuously thy brow,
Pompilia, infant, child, maid, woman, wife—
Crown the ideal in our earth at last ! 210
What should a faculty like mine do here?
Close eyes, or else, the rashier hurry hand !

Which is to say,—lose no time but begin!
Sermocinando ne declamem, Sirs,
Ultra clepsydrum, as our preachers smile, 215
 Lest I exceed my hour-glass. Whereupon,
 As Flaccus prompts, I dare the epic plunge—
 Begin at once with marriage, up till when
 Little or nothing would arrest your love,
 In the easeful life o' the lady; lamb and lamb, 220
 How do they differ? Know one, you know all
 Manners of maidenhood: mere maiden she.
 And since all lambs are like in more than fleece,
 Prepare to find that, lamb-like, she too frisks—
 O' the weaker sex, my lords, the weaker sex! 225
 To whom, the Teian teaches us, for gift,
 Not strength,—man's dower,—but beauty, nature gave,
 “Beauty in lieu of spears, in lieu of shields!”
 And what is beauty's sure concomitant,
 Nay, intimate essential character, 230
 But melting wiles, deliciousest deceits,
 The whole redoubted armoury of love?
 Therefore of vernal pranks, dishevellings
 O' the hair of youth that dances April in,
 And easily-imagined Hebe-slips 235
 O'er sward which May makes over-smooth for foot—
 These shall we pry into?—or wiselier wink,
 Though numerous and dear they may have been?

For lo, advancing Hymen and his pomp !
Discedunt nunc amores, loves, farewell ! 240
Maneat amor, let love, the sole, remain !
 Farewell to dewiness and prime of life !
 Remains the rough determined day : dance done,
 To work, with plough and harrow ! What comes next ?
 'T is Guido henceforth guides Pompilia's step, 245
 Cries " No more friskings o'er the foodful glebe,
 " Else, 'ware the whip ! " Accordingly,—first crack
 O' the thong,—we hear that his young wife was barred,
Cohibita fuit, from the old free life,
Vitam liberiozem ducere. 250
 Demur we? Nowise : heifer brave the hind?
 We seek not there should lapse the natural law,
 The proper piety to lord and king
 And husband : let the heifer bear the yoke !
 Only, I crave he cast not patience off, 255
 This hind ; for deem you she endures the whip,
 Nor winces at the goad, nay, restive, kicks?
 What if the adversary's charge be just,
 And all untowardly she pursue her way
 With groan and grunt, though hind strike ne'er so hard?
 If petulant remonstrance made appeal, 261
 Unseasonable, o'erprotracted,—if
 Importunate challenge taxed the public ear
 When silence more decorously had served

For protestation,—if Pompilian plaint 265
 Wrought but to aggravate Guidonian ire,—
 Why, such mishaps, ungainly though they be,
 Ever companion change, are incident
 To altered modes and novelty of life :
 The philosophic mind expects no less, 270
 Smilingly knows and names the crisis, sits
 Waiting till old things go and new arrive.
 Therefore, I hold a husband but inept
 Who turns impatient at such transit-time,
 As if this running from the rod would last ! 275

Since, even while I speak, the end is reached :
 Success awaits the soon-disheartened man.
 The parents turn their backs and leave the house,
 The wife may wail but none shall intervene :
 He hath attained his object, groom and bride 280
 Partake the nuptial bower no soul can see,
 Old things are passed and all again is new,
 Over and gone the obstacles to peace,
Novorum—tenderly the Mantuan turns
 The expression, some such purpose in his eye— 285
Nascitur ordo ! Every storm is laid,
 And forth from plain each pleasant herb may peep,
 Each bloom of wifehood in abeyance late :
 (Confer a passage in the Canticles.)

But what if, as 't is wont with plant and wife, 290
Flowers,—after a suppression to good end,
Still, when they do spring forth,—sprout here, spread
 there,
Anywhere likelier than beneath the foot
O' the lawful good-man gardener of the ground?
He dug and dibbled, sowed and watered,—still 295
'T is a chance wayfarer shall pluck the increase.
Just so, respecting persons not too much,
The lady, foes allege, put forth each charm
And proper floweret of femininity
To whosoever had a nose to smell 300
Or breast to deck : what if the charge be true?
The fault were graver had she looked with choice,
Fastidiously appointed who should grasp,
Who, in the whole town, go without the prize!
To nobody she destined donative, 305
But, first come was first served, the accuser saith.
Put case her sort of . . . in this kind . . . escapes
Were many and oft and indiscriminate—
Impute ye as the action were prepense,
The gift particular, arguing malice so? 310
Which butterfly of the wide air shall brag
“ I was preferred to Guido ”—when 't is clear
The cup, he quaffs at, lay with olent breast
Open to gnat, midge, bee and moth as well?

One chalice entertained the company ; 315
 And if its peevish lord object the more,
 Mistake, misname such bounty in a wife,
 Haste we to advertise him—charm of cheek,
 Lustre of eye, allowance of the lip,
 All womanly components in a spouse, 320
 These are no household-bread each stranger's bite
 Leaves by so much diminished for the mouth
 O' the master of the house at supper-time :
 But rather like a lump of spice they lie,
 Morsel of myrrh, which scents the neighbourhood 325
 Yet greets its lord no lighter by a grain.

Nay, even so, he shall be satisfied !
 Concede we there was reason in his wrong,
 Grant we his grievance and content the man !
 For lo, Pompilia, she submits herself ; 330
 Ere three revolving years have crowned their course,
 Off and away she puts this same reproach
 Of lavish bounty, inconsiderate gift
 O' the sweets of wifehood stored to other ends :
 No longer shall he blame "She none excludes," 335
 But substitute "She laudably sees all,
 "Searches the best out and selects the same."
 For who is here, long sought and latest found,
 Waiting his turn unmoved amid the whirl,

"*Constans in levitate*,"—Ha, my lords? 340

Calm in his levity,—indulge the quip!—

Since 't is a levite bears the bell away,

Parades him henceforth as Pompilia's choice.

'T is no ignoble object, husband! Doubt'st?

When here comes tripping Flaccus with his phrase 345

"Trust me, no miscreant singled from the mob,

"*Crede non illum tibi de scelesta*

"*Plebe delectum*," but a man of mark,

A priest, dost hear? Why then, submit thyself!

Priest, ay and very phoenix of such fowl, 350

Well-born, of culture, young and vigorous,

Comely too, since precise the precept points—

On the selected levite be there found

Nor mole nor scar nor blemish, lest the mind

Come all uncandid through the thwarting flesh! 355

Was not the son of Jesse ruddy, sleek,

Pleasant to look on, pleasant every way?

Since well he smote the harp and sweetly sang,

And danced till Abigail came out to see,

And seeing smiled and smiling ministered 360

The raisin-cluster and the cake of figs,

With ready meal refreshed the gifted youth,

Till Nabal, who was absent shearing sheep,

Felt heart sink, took to bed (discreetly done—

They might have been beforehand with him else) 365

And died—would Guido have behaved as well !
 But ah, the faith of early days is gone,
Heu prisca fides! Nothing died in him
 Save courtesy, good sense and proper trust,
 Which, when they ebb from souls they should o'erflow,
 Discover stub, weed, sludge and ugliness. 371
 (The Pope, we know, is Neapolitan
 And relishes a sea-side simile.)
 Deserted by each charitable wave,
 Guido, left high and dry, shows jealous now ! 375
 Jealous avouched, paraded : tax the fool
 With any peccadillo, he responds
 “ Truly I beat my wife through jealousy,
 “ Imprisoned her and punished otherwise,
 “ Being jealous : now would threaten, sword in hand,
 “ Now manage to mix poison in her sight, 381
 “ And so forth : jealously I dealt, in fine.”
 Concede thus much, and what remains to prove ?
 Have I to teach my masters what effect
 Hath jealousy, and how, befooling men, 385
 It makes false true, abuses eye and ear,
 Turns mere mist adamant, loads with sound
 Silence, and into void and vacancy
 Crowds a whole phalanx of conspiring foes ?
 Therefore who owns “ I watched with jealousy 390
 “ My wife,” adds “ for no reason in the world ! ”

What need that, thus proved madman, he remark
 "The thing I thought a serpent proved an eel"—
 Perchance the right Comacchian, six foot length,
 And not an inch too long for that rare pie 395
 (Master Arcangeli has heard of such)
 Whose succulence makes fasting bearable ;
 Meant to regale some moody splenetic
 Who, pleasing to mistake the donor's gift,
 Spying I know not what Lernæan snake 400
 I' the luscious Lenten creature, stamps forsooth
 The dainty in the dust.

Enough! Prepare,

Such lunes announced, for downright lunacy!
Insanit homo, threat succeeds to threat, 405
 And blow redoubles blow,—his wife, the block.
 But, if a block, shall not she jar the hand
 That buffets her? The injurious idle stone
 Rebounds and hits the head of him who flung.
 Causeless rage breeds, i' the wife now, rageful cause,
 Tyranny wakes rebellion from its sleep. 411
 Rebellion, say I?—rather, self-defence,
 Laudable wish to live and see good days,
 Pricks our Pompilia now to fly the fool
 By any means, at any price,—nay, more, 415
 Nay, most of all, i' the very interest

O' the fool that, baffled of his blind desire
 At any price, were truliest victor so.
 Shall he effect his crime and lose his soul?
 No, dictates duty to a loving wife! 420
 Far better that the unconsummated blow,
 Adroitly balked by her, should back again,
 Correctively admonish his own pate!

Crime then,—the Court is with me?—she must crush:
 How crush it? By all efficacious means; 425
 And these,—why, what in woman should they be?
 “With horns the bull, with teeth the lion fights;
 “To woman,” quoth the lyrist quoted late,
 “Nor teeth, nor horns, but beauty, Nature gave.
 Pretty i' the Pagan! Who dares blame the use 430
 Of armoury thus allowed for natural,—
 Exclaim against a seeming-dubious play
 O' the sole permitted weapon, spear and shield
 Alike, resorted to i' the circumstance
 By poor Pompilia? Grant she somewhat plied 435
 Arts that allure, the magic nod and wink,
 The witchery of gesture, spell of word,
 Whereby the likelier to enlist this friend,
 Yea stranger, as a champion on her side?
 Such man, being but mere man, ('t was all she knew),
 Must be made sure by beauty's silken bond, 441

The weakness that subdues the strong, and bows
 Wisdom alike and folly. Grant the tale
 O' the husband, which is false, were proved and true
 To the letter—or the letters, I should say, 445
 Abominations he professed to find
 And fix upon Pompilia and the priest,—
 Allow them hers—for though she could not write,
 In early days of Eve-like innocence
 That plucked no apple from the knowledge-tree, 450
 Yet, at the Serpent's word, Eve plucks and eats
 And knows—especially how to read and write :
 And so Pompilia,—as the move o' the maw,
 Quoth Persius, makes a parrot bid “ Good day ! ”
 A crow salute the concave, and a pie 455
 Endeavour at proficiency in speech,—
 So she, through hunger after fellowship,
 May well have learned, though late, to play the scribe :
 As indeed, there 's one letter on the list
 Explicitly declares did happen here. 460
 “ You thought my letters could be none of mine,”
 She tells her parents—“ mine, who wanted skill ;
 “ But now I have the skill, and write, you see ! ”
 She needed write love-letters, so she learned,
 “ *Negatas artifex sequi voces* ”—though 465
 This letter nowise 'scapes the common lot,
 But lies i' the condemnation of the rest,

Found by the husband's self who forged them all.
 Yet, for the sacredness of argument,
 For this once an exemption shall it plead— 470
 Anything, anything to let the wheels
 Of argument run glibly to their goal !
 Concede she wrote (which were preposterous)
 This and the other epistle,—what of it?
 Where does the figment touch her candid fame? 475
 Being in peril of her life—" my life,
 " Not an hour's purchase," as the letter runs,—
 And having but one stay in this extreme,
 Out of the wide world but a single friend —
 What could she other than resort to him, 480
 And how with any hope resort but thus?
 Shall modesty dare bid a stranger brave
 Danger, disgrace, nay death in her behalf—
 Think to entice the sternness of the steel
 Yet spare love's loadstone moving manly mind? 485
 —Most of all, when such mind is hampered so
 By growth of circumstance athwart the life
 O' the natural man, that decency forbids
 He stoop and take the common privilege,
 Say frank " I love," as all the vulgar do. 490
 A man is wedded to philosophy,
 Married to statesmanship ; a man is old ;
 A man is fettered by the foolishness

He took for wisdom and talked ten years since ;
A man is, like our friend the Canon here, 495
A priest, and wicked if he break his vow :
Shall he dare love, who may be Pope one day?
Despite the coil of such encumbrance here,
Suppose this man could love, unhappily,
And would love, dared he only let love show ! 500
In case the woman of his love, speaks first,
From what embarrassment she sets him free !
“ ’T is I who break reserve, begin appeal,
“ Confess that, whether you love me or no,
“ I love you ! ” What an ease to dignity, 505
What help of pride from the hard high-backed chair
Down to the carpet where the kittens bask,
All under the pretence of gratitude !

From all which, I deduce—the lady here
Was bound to proffer nothing short of love 510
To the priest whose service was to save her. What ?
Shall she propose him lucre, dust o’ the mine,
Rubbish o’ the rock, some diamond, muckworms prize,
Some pearl secreted by a sickly fish?
Scarcely ! She caters for a generous taste. 515
’T is love shall beckon, beauty bid to breast,
Till all the Samson sink into the snare !
Because, permit the end—permit therewith

Means to the end !

How say you, good my lords?

I hope you heard my adversary ring 521

The changes on this precept : now, let me

Reverse the peal ! *Quia dato licito fine,*

Ad illum assequendum ordinata

Non sunt damnanda media,—licit end 525

Enough was found in mere escape from death,

To legalize our means illicit else

Of feigned love, false allurements, fancied fact.

Thus Venus losing Cupid on a day,

(See that *Idyllium Moschi*) seeking help, 530

In the anxiety of motherhood,

Allowably promised " Who shall bring report

" Where he is wandered to, my winged babe,

" I give him for reward a nectared kiss ;

" But who brings safely back the truant's self, 535

" His be a super-sweet makes kiss seem cold ! "

Are not these things writ for example-sake ?

To such permitted motive, then, refer

All those professions, else were hard explain,

Of hope, fear, jealousy, and the rest of love ! 540

He is Myrtillus, Amaryllis she,

She burns, he freezes,—all a mere device

To catch and keep the man, may save her life,

Whom otherwise nor catches she nor keeps !
Worst, once, turns best now : in all faith, she feigns :
Feigning,—the liker innocence to guilt, 546
The truer to the life in what she feigns !
How if Ulysses,—when, for public good
He sunk particular qualms and played the spy,
Entered Troy's hostile gate in beggar's garb— 550
How if he first had boggled at this clout,
Grown dainty o'er that clack-dish? Grime is grace
To whoso gropes amid the dung for gold.

Hence, beyond promises, we praise each proof
That promise was not simply made to break, 555
Mere moonshine-structure meant to fade at dawn :
We praise, as consequent and requisite,
What, enemies allege, were more than words,
Deeds—meetings at the window, twilight-trysts,
Nocturnal entertainments in the dim 560
Old labyrinthine palace ; lies, we know—
Inventions we, long since, turned inside out.
Must such external semblance of intrigue
Demonstrate that intrigue there lurks perdue?
Does every hazel-sheath disclose a nut? 565
He were a Molinist who dared maintain
That midnight meetings in a screened alcove
Must argue folly in a matron—since

So would he bring a slur on Judith's self,
 Commended beyond women, that she lured 570
 The lustful to destruction through his lust.
 Pompilia took not Judith's liberty,
 No faulchion find you in her hand to smite,
 No damsel to convey in dish the head
 Of Holophernes,—style the Canon so— 575
 Or is it the Count? If I entangle me
 With my similitudes,—if wax wings melt,
 And earthward down I drop, not mine the fault :
 Blame your beneficence, O Court, O sun,
 Whereof the beamy smile affects my flight ! 580
 What matter, so Pompilia's fame revive
 I' the warmth that proves the bane of Icarus?

Yea, we have shown it lawful, necessary
 Pompilia leave her husband, seek the house
 O' the parents : and because 'twixt home and home
 Lies a long road with many a danger rife, 586
 Lions by the way and serpents in the path,
 To rob and ravish,—much behoves she keep
 Each shadow of suspicion from fair fame,
 For her own sake much, but for his sake more, 590
 The ingrate husband's. Evidence shall be,
 Plain witness to the world how white she walks
 I' the mire she wanders through ere Rome she reach.

And who so proper witness as a priest?
Gainsay ye? Let me hear who dares gainsay! 595
I hope we still can punish heretics!
“Give me the man” I say with him of Gath,
“That we may fight together!” None, I think:
The priest is granted me.

Then, if a priest, 600
One juvenile and potent: else, mayhap,
That dragon, our Saint George would slay, slays
him.

And should fair face accompany strong hand,
The more complete equipment: nothing mars
Work, else praiseworthy, like a bodily flaw 605
I’ the worker: as ’t is said Saint Paul himself
Deplored the check o’ the puny presence, still
Cheating his fulmination of its flash,
Albeit the bolt therein went true to oak.

Therefore the agent, as prescribed, she takes,— 610
Both juvenile and potent, handsome too,—
In all obedience: “good,” you grant again.
Do you? I would you were the husband, lords!
How prompt and facile might departure be!
How boldly would Pompilia and the priest 615
March out of door, spread flag at beat of drum,
But that inapprehensive Guido grants

Neither premiss nor yet conclusion here,
 And, purblind, dreads a bear in every bush !
 For his own quietude and comfort, then, 620
 Means must be found for flight in masquerade
 At hour when all things sleep.—“ Save jealousy ! ”
 Right, Judges ! Therefore shall the lady’s wit
 Supply the boon thwart nature baulks him of,
 And do him service with the potent drug 625
 (Helen’s nepenthe, as my lords opine)
 Which respites blessedly each fretted nerve
 O’ the much-enduring man : accordingly,
 There lies he, duly dosed and sound asleep,
 Relieved of woes or real or raved about. 630
 While soft she leaves his side, he shall not wake ;
 Nor stop who steals away to join her friend,
 Nor do him mischief should he catch that friend
 Intent on more than friendly office,—nay,
 Nor get himself raw head and bones laid bare 635
 In payment of his apparition !

Thus

Would I defend the step,—were the thing true
 Which is a fable,—see my former speech,—
 That Guido slept (who never slept a wink) 640
 Through treachery, an opiate from his wife,
 Who not so much as knew what opiates mean.

Now she may start : or hist,—a stoppage still !

A journey is an enterprise of cost !

As in campaigns, we fight but others pay, 645

Suis expensis, nemo militat.

'T is Guido's self we guard from accident,

Ensuring safety to Pompilia, versed

Nowise in misadventures by the way,

Hard riding and rough quarters, the rude fare, 650

The unready host. What magic mitigates

Each plague of travel to the unpractised wife ?

Money, sweet Sirs ! And were the fiction fact

She helped herself thereto with liberal hand

From out her husband's store,—what fitter use 655

Was ever husband's money destined to ?

With bag and baggage thus did Dido once

Decamp,—for more authority, a queen !

So is she fairly on her route at last,

Prepared for either fortune : nay and if 660

The priest, now all a-glow with enterprise,

Cool somewhat presently when fades the flush

O' the first adventure, clouded o'er belike

By doubts, misgivings how the day may die,

Though born with such auroral brilliance,—if 665

The brow seem over-pensive and the lip

'Gin lag and lose the prattle lightsome late,—

Vanquished by tedium of a prolonged jaunt
 In a close carriage o'er a jolting road,
 With only one young female substitute 670
 For seventeen other Canons of ripe age
 Were wont to keep him company in church,—
 Shall not Pompilia haste to dissipate
 The silent cloud that, gathering, bodes her bale?—
 Prop the irresoluteness may portend 675
 Suspension of the project, check the flight,
 Bring ruin on them both? Use every means,
 Since means to the end are lawful! What i' the way
 Of wile should have allowance like a kiss
 Sagely and sisterly administered, 680
Sororia saltem oscula? We find
 Such was the remedy her wit applied
 To each incipient scruple of the priest,
 If we believe,—as, while my wit is mine
 I cannot,—what the driver testifies, 685
 Borsi, called Venerino, the mere tool
 Of Guido and his friend the Governor,—
 Avowal I proved wrung from out the wretch,
 After long rotting in imprisonment,
 As price of liberty and favour: long 690
 They tempted, he at last succumbed, and lo
 Counted them out full tale each kiss and more,
 "The journey being one long embrace," quoth he.

Still, though we should believe the driver's lie,
Nor even admit as probable excuse, 695
Right reading of the riddle,—as I urged
In my first argument, with fruit perhaps—
That what the owl-like eyes (at back of head!)
O' the driver, drowsed by driving night and day,
Supposed a vulgar interchange of lips, 700
This was but innocent jog of head 'gainst head,
Cheek meeting jowl as apple may touch pear
From branch and branch contiguous in the wind,
When Autumn blusters and the orchard rocks :—
That rapid run and the rough road were cause 705
O' the casual ambiguity, no harm
I' the world to eyes awake and penetrative.
Say,—not to grasp a truth I can release
And safely fight without, yet conquer still,—
Say, she kissed him, say, he kissed her again ! 710
Such osculation was a potent means,
A very efficacious help, no doubt :
Such with a third part of her nectar did
Venus imbue : why should Pompilia fling
The poet's declaration in his teeth?— 715
Pause to employ what —since it had success,
And kept the priest her servant to the end—
We must presume of energy enough,
No whit superfluous, so permissible?

The goal is gained : day, night and yet a day 720
 Have run their round : a long and devious road
 Is traversed,—many manners, various men
 Passed in review, what cities did they see,
 What hamlets mark, what profitable food
 For after-meditation cull and store ! 725
 Till Rome, that Rome whereof—this voice
 Would it might make our Molinists observe,
 That she is built upon a rock nor shall
 Their powers prevail against her !—Rome, I say,
 Is all but reached ; one stage more and they stop 730
 Saved : pluck up heart, ye pair, and forward, then !

Ah, Nature—baffled she recurs, alas !
 Nature imperiously exacts her due,
 Spirit is willing but the flesh is weak :
 Pompilia needs must acquiesce and swoon, 735
 Give hopes alike and fears a breathing-while.
 The innocent sleep soundly : sound she sleeps,
 So let her slumber, then, unguarded save
 By her own chastity, a triple mail,
 And his good hand whose stalwart arms have borne 740
 The sweet and senseless burthen like a babe
 From coach to couch,—the serviceable strength !
 Nay, what and if he gazed rewardedly
 On the pale beauty prisoned in embrace,

Stooped over, stole a balmy breath perhaps 745
 For more assurance sleep was not decease—
 “*Ut vidi*,” “how I saw!” succeeded by
 “*Ut perii*,” “how I sudden lost my brains!”
 —What harm ensued to her unconscious quite?
 For, curiosity—how natural! 750
 Importunateness—what a privilege
 In the ardent sex! And why curb ardour here?
 How can the priest but pity whom he saved?
 And pity is so near to love, and love
 So neighbourly to all unreasonableness! 755
 As to love’s object, whether love were sage
 Or foolish, could Pompilia know or care,
 Being still sound asleep, as I promised?
 Thus the philosopher absorbed by thought,
 Even Archimedes, busy o’er a book 760
 The while besiegers sacked his Syracuse,
 Was ignorant of the imminence o’ the point
 O’ the sword till it surprised him: let it stab,
 And never knew himself was dead at all.
 So sleep thou on, secure whate’er betide! 765
 For thou, too, hast thy problem hard to solve—
 How so much beauty is compatible
 With so much innocence!

Fit place, methinks,

While in this task she rosily is lost, 770
 To treat of and repel objection here
 Which,—frivolous, I grant,—my mind misgives,
 May somehow still have flitted, gadfly-like,
 And teased the Court at times—as if, all said
 And done, there seemed, the Court might nearly say,
 In a certain acceptation, somewhat more 776
 Of what may pass for insincerity,
 Falsehood, throughout the course Pompilia took,
 Than befits Christian. Pagans held, we know,
 Man always ought to aim at good and truth, 780
 Not always put one thing in the same words :
Non idem semper dicere sed spectare
Debemus. But the Pagan yoke was light ;
 “ Lie not at all,” the exacter precept bids :
 Each least lie breaks the law,—is sin, we hold. 785
 I humble me, but venture to submit—
 What prevents sin, itself is sinless, sure :
 And sin, which hinders sin of deeper dye,
 Softens itself away by contrast so.
 Conceive me ! Little sin, by none at all, 790
 Were properly condemned for great : but great,
 By greater, dwindles into small again.
 Now, what is greatest sin of womanhood?
 That which unwomans it, abolishes
 The nature of the woman,—impudence. 795

Who contradicts me here? Concede me, then,
Whatever friendly fault may interpose
To save the sex from self-abolishment
Is three-parts on the way to virtue's rank !
And, what is taxed here as duplicity, 800
Feint, wile and trick,—admitted for the nonce,—
What worse do one and all than interpose,
Hold, as it were, a deprecating hand,
Statuesquely, in the Medicean mode,
Before some shame which modesty would veil? 805
Who blames the gesture prettily perverse?
Thus,—lest ye miss a point illustrative,—
Admit the husband's calumny—allow
That the wife, having penned the epistle fraught
With horrors, charge on charge of crime she heaped
O' the head of Pietro and Violante—(still 811
Presumed her parents)—having despatched the same
To their arch-enemy Paolo, through free choice
And no sort of compulsion in the world—
Put case she next discards simplicity 815
For craft, denies the voluntary act,
Declares herself a passive instrument
I' the husband's hands ; that, duped by knavery,
She traced the characters she could not write,
And took on trust the unread sense which, read, 820
And recognized were to be spurned at once :

Allow this calumny, I reiterate !
 Who is so dull as wonder at the pose
 Of our Pompilia in the circumstance?
 Who sees not that the too-ingenuous soul, 825
 Repugnant even at a duty done
 Which brought beneath too scrutinizing glare
 The misdemeanours,—buried in the dark,—
 Of the authors of her being, as believed,—
 Stung to the quick at her impulsive deed, 830
 And willing to repair what harm it worked,
 She—wise in this beyond what Nero proved,
 Who when folk urged the candid juvenile
 To sign the warrant, doom the guilty dead,
 “Would I had never learned to write,” quoth he !
 —Pompilia rose above the Roman, cried 836
 “To read or write I never learned at all !”
 O splendidly mendacious !

But time fleets :

Let us not linger : hurry to the end, 840
 Since flight does end, and that disastrously.
 Beware ye blame desert for unsuccess,
 Disparage each expedient else to praise,
 Call failure folly ! Man's best effort fails.
 After ten years' resistance Troy succumbed : 845
 Could valour save a town, Troy still had stood.

Pompilia came off halting in no point
 Of courage, conduct, her long journey through :
 But nature sank exhausted at the close,
 And as I said, she swooned and slept all night. 850
 Morn breaks and brings the husband : we assist
 At the spectacle. Discovery succeeds.
 Ha, how is this? What moonstruck rage is here?
 Though we confess to partial frailty now,
 To error in a woman and a wife, 855
 Is 't by the rough way she shall be reclaimed?
 Who bursts upon her chambered privacy?
 What crowd profanes the chaste *cubiculum*?
 What outcries and lewd laughter, scurril gibe
 And ribald jest to scare the ministrant 860
 Good angels that commerce with souls in sleep?
 Why, had the worst crowned Guido to his wish,
 Confirmed his most irrational surmise,
 Yet there be bounds to man's emotion, checks
 To an immoderate astonishment. 865
 'T is decent horror, regulated wrath,
 Befit our dispensation : have we back
 The old Pagan license? Shall a Vulcan clap
 His net o' the sudden and expose the pair
 To the unquenchable universal mirth? 870
 A feat, antiquity saw scandal in
 So clearly, that the nauseous tale thereof—

Demodocus his nugatory song—
 Hath ever been concluded modern stuff
 Impossible to the mouth of the grave Muse, 875
 So, foisted into that Eighth Odyssey
 By some impertinent pickthank. O thou fool,
 Count Guido Franceschini, what didst gain
 By publishing thy secret to the world?
 Were all the precepts of the wise a waste— 880
 Bred in thee not one touch of reverence?
 Admit thy wife—admonish we the fool,—
 Were falseness' self, why chronicle thy shame?
 Much rather should thy teeth bite out thy tongue,
 Dumb lip consort with desecrated brow, 885
 Silence become historiographer,
 And thou—thine own Cornelius Tacitus!
 But virtue, barred, still leaps the barrier, lords!
 —Still, moon-like, penetrates the encroaching mist
 And bursts, all broad and bare, on night, ye know!
 Surprised, then, in the garb of truth, perhaps, 891
 Pompilia, thus opposed, breaks obstacle,
 Springs to her feet, and stands Thalassian-pure,
 Confronts the foe,—nay, catches at his sword
 And tries to kill the intruder, he complains. 895
 Why, so she gave her lord his lesson back,
 Crowned him, this time, the virtuous woman's way,
 With an exact obedience; he brought sword,

She drew the same, since swords are meant to draw.
Tell not me 't is sharp play with tools on edge! 900
It was the husband chose the weapon here.
Why did not he inaugurate the game
With some gentility of apophthegm
Still pregnant on the philosophic page,
Some captivating cadence still a-lisp 905
O' the poet's lyre? Such spells subdue the surge,
Make tame the tempest, much more mitigate
The passions of the mind, and probably
Had moved Pompilia to a smiling blush.
No, he must needs prefer the argument 910
O' the blow: and she obeyed, in duty bound,
Returned him buffet ratiocinative—
Ay, in the reasoner's own interest,
For wife must follow whither husband leads,
Vindicate honour as himself prescribes, 915
Save him the very way himself bids save!
No question but who jumps into a quag
Should stretch forth hand and pray us "Pull me
out
"By the hand!" such were the customary cry:
But Guido pleased to bid "Leave hand alone! 920
"Join both feet, rather, jump upon my head:
"I extricate myself by the rebound!"
And dutifully as enjoined she jumped—

Drew his own sword and menaced his own life,
 Anything to content a wilful spouse. 925

And so he was contented—one must do
 Justice to the expedient which succeeds,
 Strange as it seem : at flourish of the blade,
 The crowd drew back, stood breathless and abashed,
 Then murmured “This should be no wanton wife, 930
 “No conscience-stricken sinner, caught i’ the act,
 “And patiently awaiting our first stone :
 “But a poor hard-pressed all-bewildered thing,
 “Has rushed so far, misguidedly perhaps,
 “Meaning no more harm than a frightened sheep. 935
 “She sought for aid ; and if she made mistake
 “I’ the man could aid most, why—so mortals do :
 “Even the blessed Magdalen mistook
 “Far less forgiveably : consult the place—
 “Supposing him to be the gardener, 940
 “‘Sir,’ said she, and so following.” Why more words?
 Forthwith the wife is pronounced innocent :
 What would the husband more than gain his cause,
 And find that honour flash in the world’s eye,
 His apprehension was lest soil had smirched? 945

So, happily the adventure comes to close
 Whereon my fat opponent grounds his charge

Preposterous : at mid-day he groans "How dark!"
Listen to me, thou Archangelic swine !
Where is the ambiguity to blame, 950
The flaw to find in our Pompilia? Safe
She stands, see ! Does thy comment follow quick
" Safe, inasmuch as at the end proposed ;
" But thither she picked way by devious path—
" Stands dirtied, no dubiety at all ! 955
" I recognize success, yet, all the same,
" Importunately will suggestion prompt—
" Better Pompilia gained the right to boast
" ' No devious path, no doubtful patch was mine,
" ' I saved my head nor sacrificed my foot : ' 960
" Why, being in a peril, show mistrust
" Of the angels set to guard the innocent?
" Why rather hold by obvious vulgar help
" Of stratagem and subterfuge, excused
" Somewhat, but still no less a foil, a fault, 965
" Since low with high, and good with bad is linked?
" Methinks I view some ancient bas-relief.
" There stands Hesione thrust out by Troy,
" Her father's hand has chained her to a crag,
" Her mother's from the virgin plucked the vest, 970
" At a safe distance both distressful watch,
" While near and nearer comes the snorting orc.
" I look that, white and perfect to the end,

" She wait till Jove despatch some demigod ;
 " Not that,—impatient of celestial club 975
 " Alcmena's son should brandish at the beast,—
 ' She daub, disguise her dainty limbs with pitch,
 " And so elude the purblind monster ! Ay,
 " The trick succeeds, but 't is an ugly trick,
 " Where needs have been no trick !" 980

My answer? Faugh ;

Nimis incongrue! Too absurdly put !

Sententiam ego teneo contrariam, —

Trick, I maintain, had no alternative.

The heavens were bound with brass,—Jove far at feast
 (No feast like that thou didst not ask me to, 986
 Arcangeli,—I heard of thy regale !)

With the unblamed Æthiop,—Hercules spun wool
 I' the lap of Omphale, while Virtue shrieked—

The brute came paddling all the faster. You 990

Of Troy, who stood at distance, where 's the aid

You offered in the extremity? Most and least,

Gentle and simple, here the Governor,

There the Archbishop, everywhere the friends,

Shook heads and waited for a miracle, 995

Or went their way, left Virtue to her fate.

Just this one rough and ready man leapt forth !

—Was found, sole anti-Fabius (dare I say)

Who restored things, with no delay at all,
Qui haud cunctando rem restituit! He, 1000
 He only, Caponsacchi 'mid a crowd,
 Caught Virtue up, carried Pompilia off
 Through gaping impotence of sympathy
 In ranged Arezzo: what you take for pitch,
 Is nothing worse, belike, than black and blue, 1005
 Mere evanescent proof that hardy hands
 Did yeoman's service, cared not where the gripe
 Was more than duly energetic: bruised,
 She smarts a little, but her bones are saved
 A fracture, and her skin will soon show sleek. 1010
 How it disgusts when weakness, false-refined,
 Censures the honest rude effective strength,—
 When sickly dreamers of the impossible
 Decry plain sturdiness which does the feat
 With eyes wide open! 1015

Did occasion serve,
 I could illustrate, if my lords allow ;
Quid vetat, what forbids I aptly ask
 With Horace, that I give my anger vent,
 While I let breathe, no less, and recreate, 1020
 The gravity of my Judges, by a tale?
 A case in point—what though an apologue
 Graced by tradition?—possibly a fact:
 Tradition must precede all scripture, words

Serve as our warrant ere our books can be : 1025
 So, to tradition back we needs must go
 For any fact's authority : and this
 Hath lived so far (like jewel hid in muck)
 On page of that old lying vanity
 Called "Sepher Toldoth Yeschu : " God be praised,
 I read no Hebrew,—take the thing on trust : 1031
 But I believe the writer meant no good
 (Blind as he was to truth in some respects)
 To our pestiferous and schismatic well,
 My lords' conjecture be the touchstone, show 1035
 The thing for what it is ! The author lacks
 Discretion, and his zeal exceeds : but zeal,—
 How rare in our degenerate day ! Enough !
 Here is the story : fear not, I shall chop
 And change a little, else my Jew would press 1040
 All too unmannerly before the Court.

It happened once,—begins this foolish Jew,
 Pretending to write Christian history,—
 That three, held greatest, best and worst of men,
 Peter and John and Judas, spent a day 1045
 In toil and travel through the country-side
 On some sufficient business—I suspect,
 Suppression of some Molinism i' the bud.
 Foot-sore and hungry, dropping with fatigue,

They reached by nightfall a poor lonely grange, 1050

Hostel or inn : so, knocked and entered there.

“ Your pleasure, great ones ? ”—“ Shelter, rest and food ! ”

For shelter, there was one bare room above ;

For rest therein, three beds of bundled straw :

For food, one wretched starveling fowl, no more—

Meat for one mouth, but mockery for three. 1056

“ You have my utmost.” How should supper serve ?

Peter broke silence : “ To the spit with fowl !

“ And while ’t is cooking, sleep !—since beds there be,

“ And, so far, satisfaction of a want. 1060

“ Sleep we an hour, awake at supper-time,

“ Then each of us narrate the dream he had,

“ And he whose dream shall prove the happiest, point

“ The clearliest out the dreamer as ordained

“ Beyond his fellows to receive the fowl, 1065

“ Him let our shares be cheerful tribute to,

“ His the entire meal, may it do him good ! ”

Who could dispute so plain a consequence ?

So said, so done : each hurried to his straw,

Slept his hour’s sleep and dreamed his dream, and woke.

“ I,” commenced John, “ dreamed that I gained the

prize 1071

“ We all aspire to : the proud place was mine,

“ Throughout the earth and to the end of time

“ I was the Loved Disciple : mine the meal ! ”

"But I," proceeded Peter, "dreamed, a word 1075
 "Gave me the headship of our company,
 "Made me the Vicar and Vice-gerent, gave
 "The keys of heaven and hell into my hand,
 "And o'er the earth, dominion : mine the meal !"
 "While I," submitted in soft under-tone 1080
 The Iscariot—sense of his unworthiness
 Turning each eye up to the inmost white—
 With long-drawn sigh, yet letting both lips smack,
 "I have had just the pitifullest dream
 "That ever proved man meanest of his mates, 1085
 "And born foot-washer and foot-wiper, nay
 "Foot-kisser to each comrade of you all !
 "I dreamed I dreamed ; and in that mimic dream
 "(Impalpable to dream as dream to fact)
 "Methought I meanly chose to sleep no wink 1090
 "But wait until I heard my brethren snore ;
 "Then stole from couch, slipped noiseless o'er the
 planks,
 "Slid downstairs, furtively approached the hearth,
 "Found the fowl duly brown, both back and breast,
 "Hissing in harmony with the cricket's chirp, 1095
 "Grilled to a point ; said no grace but fell to,
 "Nor finished till the skeleton lay bare.
 "In penitence for which ignoble dream,
 "Lo, I renounce my portion cheerfully !

“ Fie on the flesh—be mine the ethereal gust, 1100
“ And yours the sublunary sustenance !
“ See that whate’er be left ye give the poor ! ”
Down the two scuttled, one on other’s heel,
Stung by a fell surmise ; and found, alack,
A goodly savour, both the drumstick bones, 1105
And that which henceforth took the appropriate name
O’ the Merry-thought, in memory of the fact
That to keep wide awake is man’s best dream.

So,—as was said once of Thucydides
And his sole joke, “ The lion, lo, hath laughed ! ”—
Just so, the Governor and all that ’s great 1111
I’ the city, never meant that Innocence
Should quite starve while Authority sat at meat ;
They meant to fling a bone at banquet’s end :
Wished well to our Pompilia—in their dreams, 1115
Nor bore the secular sword in vain—asleep.
Just so the Archbishop and all good like him
Went to bed meaning to pour oil and wine
I’ the wounds of her, next day,—but long ere day,
They had burned the one and drunk the other, while
Just so, again, contrariwise, the priest 1121
Sustained poor Nature in extremity
By stuffing barley-bread into her mouth,
Saving Pompilia (grant the parallel)

By the plain homely and straightforward way 1125
 Taught him by common sense. Let others shriek
 "Oh what refined expedients did we dream
 "Proved us the only fit to help the fair!"
 He cried "A carriage waits, jump in with me!"

And now, this application pardoned, lords,— 1130
 This recreative pause and breathing-while,—
 Back to beseeemingness and gravity!
 For Law steps in: Guido appeals to Law,
 Demands she arbitrate,—does well for once.
 O Law, of thee how neatly was it said 1135
 By that old Sophocles, thou hast thy seat
 I' the very breast of Jove, no meanlier throned!
 Here is a piece of work now, hitherto
 Begun and carried on, concluded near,
 Without an eye-glance cast thy sceptre's way; 1140
 And, lo the stumbling and discomfiture!
 Well may you call them "lawless" means, men take
 To extricate themselves through mother-wit
 When tangled haply in the toils of life!
 Guido would try conclusions with his foe, 1145
 Whoe'er the foe was and whate'er the offence;
 He would recover certain dowry-dues:
 Instead of asking Law to lend a hand,
 What pother of sword drawn and pistol cocked,

What peddling with forged letters and paid spies,
Politic circumvention!—all to end 1151
As it began—by loss of the fool's head,
First in a figure, presently in a fact.
It is a lesson to mankind at large.
How other were the end, would men be sage 1155
And bear confidingly each quarrel straight,
O Law, to thy recipient mother-knees!
How would the children light come and prompt go,
This with a red-cheeked apple for reward,
The other, peradventure red-cheeked too 1160
I' the rear, by taste of birch for punishment.
No foolish brawling murder any more!
Peace for the household, practise for the Fisc,
And plenty for the exchequer of my lords!
Too much to hope, in this world: in the next, 1165
Who knows? Since, why should sit the Twelve enthroned
To judge the tribes, unless the tribes be judged?
And 't is impossible but offences come:
So, all 's one lawsuit, all one long leet-day!

Forgive me this digression—that I stand 1170
Entranced awhile at Law's first beam, outbreak
O' the business, when the Count's good angel bade
“ Put up thy sword, born enemy to the ear,
“ And let Law listen to thy difference!”

And Law does listen and compose the strife, 1175
 Settle the suit, how wisely and how well !
 On our Pompilia, faultless to a fault,
 Law bends a brow maternally severe,
 Implies the worth of perfect chastity,
 By fancying the flaw she cannot find. 1180
 Superfluous sifting snow, nor helps nor harms :
 'T is safe to censure levity in youth,
 Tax womanhood with indiscretion, sure !
 Since toys, permissible to-day, become
 Follies to-morrow : prattle shocks in church : 1185
 And that curt skirt which lets a maiden skip,
 The matron changes for a trailing robe.
 Mothers may aim a blow with half-shut eyes
 Nodding above their spindles by the fire,
 And chance to hit some hidden fault, else safe. 1190
 Just so, Law hazarded a punishment—
 If applicable to the circumstance,
 Why, well ! if not so apposite, well too.
 “ Quit the gay range o’ the world,” I hear her cry,
 “ Enter, in lieu, the penitential pound : 1195
 “ Exchange the gauds of pomp for ashes, dust !
 “ Leave each mollitious haunt of luxury !
 “ The golden-garnished silken-couched alcove,
 “ The many-columned terrace that so tempts
 “ Feminine soul put foot forth, extend ear 1200

“To fluttering joy of lover’s serenade,—

“Leave these for cellular seclusion ! mask

“And dance no more, but fast and pray ! avaunt—

“Be burned, thy wicked townsman’s sonnet-book !

“Welcome, mild hymnal by . . . some better scribe !

“For the warm arms were wont enfold thy flesh, 1206

“Let wire-shirt plough and whipcord discipline !”

If such an exhortation proved, perchance,

Inapplicable, words bestowed in waste,

What harm, since Law has store, can spend nor miss?

And so, our paragon submits herself, 1211

Goes at command into the holy house,

And, also at command, comes out again :

For, could the effect of such obedience prove

Too certain, too immediate? Being healed, 1215

Go blaze abroad the matter, blessed one !

Art thou sound forthwith? Speedily vacate

The step by pool-side, leave Bethesda free

To patients plentifully posted round,

Since the whole need not the physician ! Brief, 1220

She may betake her to her parents’ place.

Welcome her, father, with wide arms once more,

Motion her, mother, to thy breast again !

For why? Since Law relinquishes the charge,

Grants to your dwelling-place a prison’s style, 1225

Rejoice you with Pompilia ! golden days,
Redeunt Saturnia regna. Six weeks slip,
 And she is domiciled in house and home
 As though she thence had never budged at all.
 And thither let the husband,—joyous, ay, 1230
 But contrite also—quick betake himself,
 Proud that his dove which lay among the pots
 Hath mued those dingy feathers,—moulted now,
 Shows silver bosom clothed with yellow gold !
 So shall he tempt her to the perch she fled, 1235
 Bid to domestic bliss the truant back.

But let him not delay ! Time fleets how fast,
 And opportunity, the irrevocable,
 Once flown will flout him ! Is the furrow traced ?
 If field with corn ye fail preoccupy, 1240
 Darnel for wheat and thistle-beards for grain,
Infelix lolium, carduus horridus,
 Will grow apace in combination prompt,
 Defraud the husbandman of his desire.
 Already—hist—what murmurs 'monish now 1245
 The laggard ?—doubtful, nay, fantastic bruit
 Of such an apparition, such return
Interdum, to anticipate the spouse,
 Of Caponsacchi's very self ! 'T is said,
 When nights are lone and company is rare, 1250

His visitations brighten winter up.
If so they did—which nowise I believe—
(How can I?—proof abounding that the priest,
Once fairly at his relegation-place,
Never once left it) still, admit he stole 1255
A midnight march, would fain see friend again,
Find matter for instruction in the past,
Renew the old adventure in such chat
As cheers a fireside! He was lonely too,
He, too, must need his recreative hour. 1260
Shall it amaze the philosophic mind
If he, long wont the empurpled cup to quaff,
Have feminine society at will,
Being debarred abruptly from all drink
Save at the spring which Adam used for wine, 1265
Dreads harm to just the health he hoped to guard,
And, trying abstinence, gains malady?
Ask Tozzi, now physician to the Pope!
“Little by little break”—(I hear he bids
Master Arcangeli my antagonist, 1270
Who loves good cheer, and may indulge too much:
So I explain the logic of the plea
Wherewith he opened our proceedings late)—
“Little by little break a habit, Don,
“Become necessity to feeble flesh!” 1275
And thus, nocturnal taste of intercourse

(Which never happened,—but, suppose it did)
 May have been used to dishabituate
 By sip and sip this drainer to the dregs
 O' the draught of conversation,—heady stuff, 1280
 Brewage which, broached, it took two days and nights
 To properly discuss i' the journey, Sirs !
 Such power has second-nature, men call use,
 That undelightful objects get to charm
 Instead of chafe : the daily colocynth 1285
 Tickles the palate by repeated dose,
 Old sores scratch kindly, the ass makes a push,
 Although the mill-yoke-wound be smarting yet,
 For mill-door bolted on a holiday :
 Nor must we marvel here if impulse urge 1290
 To talk the old story over now and then,
 The hopes and fears, the stoppage and the haste,—
 Subjects of colloquy to surfeit once.
 “ Here did you bid me twine a rosy wreath ! ”
 “ And there you paid my lips a compliment ! ” 1295
 “ Here you admired the tower could be so tall ! ”
 “ And there you likened that of Lebanon
 “ To the nose of the beloved ! ” Trifles ! still,
 “ *Forsan et hæc olim,* ”—such trifles serve
 To make the minutes pass in winter-time. 1300

Husband, return then, I re-counsel thee !

For, finally, of all glad circumstance
 Should make a prompt return imperative,
 What in the world awaits thee, dost suppose?
 O' the sudden, as good gifts are wont befall, 1305
 What is the hap of our unconscious Count?
 That which lights bonfire and sets cask a-tilt,
 Dissolves the stubborn'st heart in jollity.
 O admirable, there is born a babe,
 A son, an heir, a Franceschini last 1310
 And best o' the stock! Pompilia, thine the palm!
 Repaying incredulity with faith,
 Ungenerous thrift of each marital debt
 With bounty in profuse expenditure,
 Pompilia scorns to have the old year end 1315
 Without a present shall ring in the new—
 Bestows on her too-parsimonious lord
 An infant for the apple of his eye,
 Core of his heart, and crown completing life,
 True *summum bonum* of the earthly lot! 1320
 "We," saith ingeniously the sage, "are born
 "Solely that others may be born of us."
 So, father, take thy child, for thine that child,
 Oh nothing doubt! In wedlock born, law holds
 Baseness impossible: since "*filius est* 1325
 "*Quem nuptiæ demonstrant*," twits the text
 Whoever dares to doubt.

Yet doubt he dares !

O faith, where art thou flown from out the world?

Already on what an age of doubt we fall ! 1330

Instead of each disputing for the prize,

The babe is bandied here from that to this.

Whose the babe ? “ *Cujum pecus ?* ” Guido’s lamb ?

“ *An Melibœi ?* ” Nay, but of the priest !

“ *Non sed Ægonis !* ” Someone must be sire : 1335

And who shall say, in such a puzzling strait,

If there were not vouchsafed some miracle

To the wife who had been harassed and abused

More than enough by Guido’s family

For non-production of the promised fruit 1340

Of marriage ? What if Nature, I demand,

Touched to the quick by taunts upon her sloth,

Had roused herself, put forth recondite power,

Bestowed this birth to vindicate her sway,

Like the strange favour, Maro memorized 1345

As granted Aristæus when his hive

Lay empty of the swarm ? not one more bee—

Not one more babe to Franceschini’s house !

And lo, a new birth filled the air with joy,

Sprung from the bowels of the generous steer, 1350

A novel son and heir rejoiced the Count !

Spontaneous generation, need I prove

Were facile feat to Nature at a pinch ?

Let whoso doubts, steep horsehair certain weeks
 In water, there will be produced a snake ; 1355

Spontaneous product of the horse, which horse
 Happens to be the representative—

Now that I think on 't—of Arezzo's self,
 The very city our conception blessed :
 Is not a prancing horse the City-arms ? 1360

What sane eye fails to see coincidence ?

Cur ego, boast thou, my Pompilia, then,

Desperem fieri sine conjuge

Mater—how well the Ovidian distich suits !—

Et parere intacto dummodo 1365

Casta viro ? Such miracle was wrought !

Note, further, as to mark the prodigy,

The babe in question neither took the name

Of Guido, from the sire presumptive, nor

Giuseppe, from the sire potential, but 1370

Gaetano—last saint of our hierarchy,

And newest namer for a thing so new !

What other motive could have prompted choice ?

Therefore be peace again : exult, ye hills !

Ye vales rejoicingly break forth in song ! 1375

Incipe, parve puer, begin, small boy,

Risu cognoscere patrem, with a laugh

To recognize thy parent ! Nor do thou

Boggle, oh parent, to return the grace !
Nec anceps hære, pater, puero 1380
Cognoscendo—one may well eke out the prayer !
 In vain ! The perverse Guido doubts his eyes,
 Distrusts assurance, lets the devil drive.
 Because his house is swept and garnished now,
 He, having summoned seven like himself, 1385
 Must hurry thither, knock and enter in,
 And make the last worse than the first, indeed !
 Is he content? We are. No further blame
 O' the man and murder ! They were stigmatized
 Befittingly : the Court heard long ago 1390
 My mind o' the matter, which, outpouring full,
 Has long since swept like surge, i' the simile
 Of Homer, overborne both dyke and dam,
 And whelmed alike client and advocate :
 His fate is sealed, his life as good as gone, 1395
 On him I am not tempted to waste word.
 Yet though my purpose holds,—which was and is
 And solely shall be to the very end,
 To draw the true *effigies* of a saint,
 Do justice to perfection in the sex,— 1400
 Yet let not some gross pamperer of the flesh
 And niggard in the spirit's nourishment,
 Whose feeding hath offuscated his wit
 Rather than law,—he never had, to lose—

Let not such advocate object to me 1405

I leave my proper function of attack !

“What ’s this to Bacchus?”—(in the classic phrase,

Well used, for once) he hiccups probably.

O Advocate o’ the Poor, thou born to make

Their blessing void—*beati pauperes!* 1410

By painting saintship I depicture sin :

Beside my pearl, I prove how black thy jet,

And, through Pompilia’s virtue, Guido’s crime.

Back to her, then,—with but one beauty more,

End we our argument,—one crowning grace 1415

Pre-eminent ’mid agony and death.

For to the last Pompilia played her part,

Used the right means to the permissible end,

And, wily as an eel that stirs the mud

Thick overhead, so baffling spearman’s thrust, 1420

She, while he stabbed her, simulated death,

Delayed, for his sake, the catastrophe,

Obtained herself a respite, four days’ grace,

Whereby she told her story to the world,

Enabled me to make the present speech, 1425

And, by a full confession, saved her soul.

Yet hold, even here would malice leer its last,

Gurgle its choked remonstrance : snake, hiss free !

Oh, that 's the objection? And to whom?—not her
 But me, forsooth—as, in the very act 1430
 Of both confession and (what followed close)
 Subsequent talk, chatter and gossipry,
 Babble to sympathizing he and she
 Whoever chose besiege her dying bed,—
 As this were found at variance with my tale, 1435
 Falsified all I have adduced for truth,
 Admitted not one peccadillo here,
 Pretended to perfection, first and last,
 O' the whole procedure—perfect in the end,
 Perfect i' the means, perfect in everything, 1440
 Leaving a lawyer nothing to excuse,
 Reason away and show his skill about!
 —A flight, impossible to Adamic flesh,
 Just to be fancied, scarcely to be wished,
 And, anyhow, unpleadable in court! 1445
 “How reconcile,” gasps Malice, “that with this?”

Your “this,” friend, is extraneous to the law,
 Comes of men's outside meddling, the unskilled
 Interposition of such fools as press
 Out of their province. Must I speak my mind? 1450
 Far better had Pompilia died o' the spot
 Than found a tongue to wag and shame the law,
 Shame most of all herself,—could friendship fail

And advocacy lie less on the alert :
 But no, they shall protect her to the end ! 1455
 Do I credit the alleged narration? No !
 Lied our Pompilia then, to laud herself?
 Still, no ! Clear up what seems discrepancy?
 The means abound : art 's long, though time is short ;
 So, keeping me in compass, all I urge 1460
 Is—since, confession at the point of death,
Nam in articulo mortis, with the Church
 Passes for statement honest and sincere,
Nemo presumitur reus esse,—then,
 If sure that all affirmed would be believed, 1465
 'T was charity, in her so circumstanced,
 To spend the last breath in one effort more
 For universal good of friend and foe :
 And,—by pretending utter innocence,
 Nay, freedom from each foible we forgive,— 1470
 Re-integrate—not solely her own fame,
 But do the like kind office for the priest
 Whom telling the crude truth about might vex,
 Haply expose to peril, abbreviate
 Indeed the long career of usefulness 1475
 Presumably before him : while her lord,
 Whose fleeting life is forfeit to the law,—
 What mercy to the culprit if, by just
 The gift of such a full certificate

Of his immitigable guiltiness, 1480
 She stifled in him the absurd conceit
 Of murder as it were a mere revenge
 —Stopped confirmation of that jealousy
 Which, did she but acknowledge the first flaw,
 The faintest foible, had emboldened him 1485
 To battle with the charge, baulk penitence,
 Bar preparation for impending fate !
 Whereas, persuade him that he slew a saint
 Who sinned not even where she may have sinned,
 You urge him all the brisklier to repent 1490
 Of most and least and aught and everything !
 Still, if this view of mine content you not,
 Lords, nor excuse the genial falsehood here,
 We come to our *Triarii*, last resource :
 We fall back on the inexpugnable, 1495
 Submitting,—she confessed before she talked !
 The sacrament obliterates the sin :
 What is not,—was not, therefore, in a sense.
 Let Molinists distinguish, “Souls washed white
 “But red once, still show pinkish to the eye !” 1500
 We say, abolishment is nothingness,
 And nothingness has neither head nor tail,
 End nor beginning ! Better estimate
 Exorbitantly, than disparage aught
 Of the efficacy of the act, I hope ! 1505

Solvuntur tabulæ? May we laugh and go?
 Well,—not before (in filial gratitude
 To Law, who, mighty mother, waves adieu)
 We take on us to vindicate Law's self!
 For,—yea, Sirs,—curb the start, curtail the stare!—
 Remains that we apologize for haste 1511
 I' the Law, our lady who here bristles up
 “Blame my procedure? Could the Court mistake?
 “(Which were indeed a misery to think)
 “Did not my sentence in the former stage 1515
 “O' the business bear a title plain enough?
 “*Decretum*”—I translate it word for word—
 “Decreed: the priest, for his complicity
 “I' the flight and deviation of the dame,
 “As well as for unlawful intercourse, 1520
 “Is banished three years: ' crime and penalty,
 “Declared alike. If he be taxed with guilt,
 “How can you call Pompilia innocent?
 “If both be innocent, have I been just?”

 Gently, O mother, judge men—whose mistake 1525
 Is in the mere misapprehensiveness!
 The *Titulus* a-top of your decree
 Was but to ticket there the kind of charge
 You in good time would arbitrate upon.
 Title is one thing,—arbitration's self, 1530

Probatio, quite another possibly.
Subsistit, there holds good the old response,
Responsio tradita, we must not stick,
Quod non sit attendendus Titulus,
 To the Title, *sed Probatio*, but the Proof, 1535
Resultans ex processu, the result
 O' the Trial, and the style of punishment,
Et pœna per sententiam imposita.
 All is tentative, till the sentence come :
 An indication of what men expect, 1540
 But nowise an assurance they shall find.
 Lords, what if we permissibly relax
 The tense bow, as the law-god Phœbus bids,
 Relieve our gravity at labour's close?
 I traverse Rome, feel thirsty, need a draught, 1545
 Look for a wine-shop, find it by the bough
 Projecting as to say " Here wine is sold !"
 So much I know,—" sold : " but what sort of wine?
 Strong, weak, sweet, sour, home-made or foreign drink?
 That much must I discover by myself. 1550
 " Wine is sold," quoth the bough, " but good or bad,
 " Find, and inform us when you smack your lips !"
 Exactly so, Law hangs her title forth,
 To show she entertains you with such case
 About such crime. Come in ! she pours, you quaff.
 You find the Priest good liquor in the main, 1556

But heady and provocative of brawls :
 Remand the residue to flask once more,
 Lay it low where it may deposit lees,
 I' the cellar : thence produce it presently, 1560
 Three years the brighter and the better !

Thus,

Law's son, have I bestowed my filial help,
 And thus I end, *tenax proposito* ;
 Point to point as I purposed have I drawn 1565
 Pompilia, and implied as terribly
 Guido : so, gazing, let the world crown Law—
 Able once more, despite my impotence,
 And helped by the acumen of the Court,
 To eliminate, display, make triumph truth ! 1570
 What other prize than truth were worth the pains ?

There 's my oration—much exceeds in length
 That famed panegyric of Isocrates,
 They say it took him fifteen years to pen.
 But all those ancients could say anything ! 1575
 He put in just what rushed into his head :
 While I shall have to prune and pare and print.
 This comes of being born in modern times
 With priests for auditory. Still, it pays.

X.

THE POPE.

LIKE to Ahasuerus, that shrewd prince,
 I will begin,—as is, these seven years now,
 My daily wont,—and read a History
 (Written by one whose deft right hand was dust
 To the last digit, ages ere my birth) 5
 Of all my predecessors, Popes of Rome :
 For though mine ancient early dropped the pen,
 Yet others picked it up and wrote it dry,
 Since of the making books there is no end.
 And so I have the Papacy complete 10
 From Peter first to Alexander last ;
 Can question each and take instruction so.
 Have I to dare?—I ask, how dared this Pope ?
 To suffer?—Suchanone, how suffered he ?
 Being about to judge, as now, I seek 15
 How judged once, well or ill, some other Pope ;
 Study some signal judgment that subsists

To blaze on, or else blot, the page which seals
 The sum up of what gain or loss to God
 Came of His one more Vicar in the world. 20
 So, do I find example, rule of life ;
 So, square and set in order the next page,
 Shall be stretched smooth o'er my own funeral cyst.

Eight hundred years exact before the year
 I was made Pope, men made Formosus Pope, 25
 Say Sigebert and other chroniclers.
 Ere I confirm or quash the Trial here
 Of Guido Franceschini and his friends,
 Read,—How there was a ghastly Trial once
 Of a dead man by a live man, and both, Popes : 30
 Thus—in the antique penman's very phrase.

“Then Stephen, Pope and seventh of the name,
 “Cried out, in synod as he sat in state,
 “While choler quivered on his brow and beard,
 “‘Come into court, Formosus, thou lost wretch, 35
 “‘That claimedst to be late Pope as even I!’

“And at the word the great door of the church
 “Flew wide, and in they brought Formosus' self,
 “The body of him, dead, even as embalmed
 “And buried duly in the Vatican 40

" Eight months before, exhumed thus for the nonce.
 " They set it, that dead body of a Pope,
 " Clothed in pontific vesture now again,
 " Upright on Peter's chair as if alive.

" And Stephen, springing up, cried furiously 45
 " ' Bishop of Porto, wherefore didst presume
 " ' To leave that see and take this Roman see,
 " ' Exchange the lesser for the greater see,
 " ' —A thing against the canons of the Church?'

" Then one—(a Deacon who, observing forms, 50
 " Was placed by Stephen to repel the charge,
 " Be advocate and mouthpiece of the corpse)—
 " Spoke as he dared, set stammeringly forth
 " With white lips and dry tongue,—as but a youth,
 " For frightful was the corpse-face to behold,— 55
 " How nowise lacked there precedent for this.

" But when, for his last precedent of all,
 " Emboldened by the Spirit, out he blurts
 " ' And, Holy Father, didst not thou thyself
 " ' Vacate the lesser for the greater see, 60
 " ' Half a year since change Arago for Rome?'
 " ' —Ye have the sin's defence now, Synod mine !'
 " Shrieks Stephen in a beastly froth of rage :

“ ‘ Judge now betwixt him dead and me alive !
 “ ‘ Hath he intruded, or do I pretend ? 65
 “ ‘ Judge, judge ! ’—breaks wavelike one whole foam of
 wrath.

“ Whereupon they, being friends and followers,
 “ Said ‘ Ay, thou art Christ’s Vicar, and not he !
 “ ‘ Away with what is frightful to behold !
 “ ‘ This act was uncanonic and a fault.’ 70

“ Then, swallowed up in rage, Stephen exclaimed
 “ ‘ So, guilty ! So, remains I punish guilt !
 “ ‘ He is unpoped, and all he did I damn :
 “ ‘ The Bishop, that ordained him, I degrade :
 “ ‘ Depose to laics those he raised to priests : 75
 “ ‘ What they have wrought is mischief nor shall stand,
 “ ‘ It is confusion, let it vex no more !
 “ ‘ Since I revoke, annul and abrogate
 “ ‘ All his decrees in all kinds : they are void !
 “ ‘ In token whereof and warning to the world, 80
 “ ‘ Strip me yon miscreant of those robes usurped,
 “ ‘ And clothe him with vile serge befitting such !
 “ ‘ Then hale the carrion to the market-place :
 “ ‘ Let the town-hangman chop from his right hand
 “ ‘ Those same three fingers which he blessed withal ; 85
 “ ‘ Next cut the head off once was crowned forsooth :

“ ‘ And last go fling them, fingers, head and trunk,
 “ ‘ To Tiber that my Christian fish may sup!’
 “ —Either because of ΙΧΘΥΣ which means Fish
 “ And very aptly symbolizes Christ, 90
 “ Or else because the Pope is Fisherman,
 “ And seals with Fisher’s-signet.

“ Anyway,
 “ So said, so done : himself, to see it done,
 “ Followed the corpse they trailed from street to street
 “ Till into Tiber wave they threw the thing. 96
 “ The people, crowded on the banks to see,
 “ Were loud or mute, wept or laughed, cursed or jeered,
 “ According as the deed addressed their sense ;
 “ A scandal verily : and out spake a Jew 100
 “ ‘ Wot ye your Christ had vexed our Herod thus?’

“ Now when, Formosus being dead a year,
 “ His judge Pope Stephen tasted death in turn,
 “ Made captive by the mob and strangled straight,
 “ Romanus, his successor for a month, 105
 “ Did make protest Formosus was with God,
 “ Holy, just, true in thought and word and deed.
 “ Next Theodore, who reigned but twenty days,
 “ Therein convoked a synod, whose decree
 “ Did reinstate, repope the late unpoped, 110

“ And do away with Stephen as accursed.
 “ So that when presently certain fisher-folk
 “ (As if the queasy river could not hold
 “ Its swallowed Jonas, but discharged the meal)
 “ Produced the timely product of their nets, 115
 “ The mutilated man, Formosus,—saved
 “ From putrefaction by the embalmer’s spice,
 “ Or, as some said, by sanctity of flesh,—
 “ ‘ Why, lay the body again,’ bade Theodore,
 “ ‘ Among his predecessors, in the church 120
 “ ‘ And burial-place of Peter !’ which was done.
 “ ‘ And,’ addeth Luitprand, ‘ many of repute,
 “ ‘ Pious and still alive, avouch to me
 “ ‘ That, as they bore the body up the aisle,
 “ ‘ The saints in imaged row bowed each his head 125
 “ ‘ For welcome to a brother-saint come back.’
 “ As for Romanus and this Theodore,
 “ These two Popes, through the brief reign granted each,
 “ Could but initiate what John came to close
 “ And give the final stamp to : he it was 130
 “ Ninth of the name, (I follow the best guides)
 “ Who,—in full synod at Ravenna held
 “ With Bishops seventy-four, and present too
 “ Eude King of France with his Archbishopry,—
 “ Did condemn Stephen, anathematize 135
 “ The disinterment, and make all blots blank,

“ ‘ For, ’ argueth here Auxilius in a place
 “ *De Ordinationibus*, ‘ precedents
 “ ‘ Had been, no lack, before Formosus long,
 “ ‘ Of Bishops so transferred from see to see,— 140
 “ ‘ Marinus, for example : ’ read the tract.

“ But, after John, came Sergius, reaffirmed
 “ The right of Stephen, cursed Formosus, nay
 “ Cast out, some say, his corpse a second time.
 “ And here,— because the matter went to ground, 145
 “ Fretted by new griefs, other cares of the age,—
 “ Here is the last pronouncing of the Church,
 “ Her sentence that subsists unto this day.
 “ Yet constantly opinion hath prevailed
 “ I’ the Church, Formosus was a holy man.” 150

Which of the judgments was infallible?
 Which of my predecessors spoke for God?
 And what availed Formosus that this cursed,
 That blessed, and then this other cursed again?
 “ Fear ye not those whose power can kill the body 155
 “ And not the soul,” saith Christ, “ but rather those
 “ Can cast both soul and body into hell ! ”

John judged thus in Eight Hundred Ninety Eight,
 Exact eight hundred years ago to-day

When, sitting in his stead, Vice-gerent here, 160
 I must give judgment on my own behoof.
 So worked the predecessor : now, my turn !

In God's name ! Once more on this earth of God's,
 While twilight lasts and time wherein to work,
 I take His staff with my uncertain hand, 165
 And stay my six and fourscore years, my due
 Labour and sorrow, on His judgment-seat,
 And forthwith think, speak, act, in place of Him—
 The Pope for Christ. Once more appeal is made
 From man's assize to mine : I sit and see 170
 Another poor weak trembling human wretch
 Pushed by his fellows, who pretend the right,
 Up to the gulf which, where I gaze, begins
 From this world to the next,—gives way and way,
 Just on the edge over the awful dark : 175
 With nothing to arrest him but my feet.
 He catches at me with convulsive face,
 Cries "Leave to live the natural minute more !"
 While hollowly the avengers echo "Leave ?"
 "None ! So has he exceeded man's due share 180
 "In man's fit license, wrung by Adam's fall,
 "To sin and yet not surely die,—that we,
 "All of us sinful, all with need of grace,
 "All chary of our life,—the minute more

“ Or minute less of grace which saves a soul,— 185
 “ Bound to make common cause with who craves time,
 “ —We yet protest against the exorbitance
 “ Of sin in this one sinner, and demand
 “ That his poor sole remaining piece of time
 “ Be plucked from out his clutch : put him to death !
 “ Punish him now ! As for the weal or woe 191
 “ Hereafter, God grant mercy ! Man be just,
 “ Nor let the felon boast he went scot-free !”
 And I am bound, the solitary judge,
 To weigh the worth, decide upon the plea, 195
 And either hold a hand out, or withdraw
 A foot and let the wretch drift to the fall.
 Ay, and while thus I dally, dare perchance
 Put fancies for a comfort ’twixt this calm
 And yonder passion that I have to bear,— 200
 As if reprieve were possible for both
 Prisoner and Pope,—how easy were reprieve !
 A touch o’ the hand-bell here, a hasty word
 To those who wait, and wonder they wait long,
 I’ the passage there, and I should gain the life !—
 Yea, though I flatter me with fancy thus, 206
 I know it is but nature’s craven-trick.
 The case is over, judgment at an end,
 And all things done now and irrevocable :
 A mere dead man is Franceschini here, 210

Even as Formosus centuries ago.
I have worn through this sombre wintry day,
With winter in my soul beyond the world's,
Over these dismalest of documents
Which drew night down on me ere eve befell,— 215
Pleadings and counter-pleadings, figure of fact
Beside fact's self, these summaries to-wit,—
How certain three were slain by certain five :
I read here why it was, and how it went,
And how the chief o' the five preferred excuse, 220
And how law rather chose defence should lie,—
What argument he urged by wary word
When free to play off wile, start subterfuge,
And what the unguarded groan told, torture's feat
When law grew brutal, outbroke, overbore 225
And glutted hunger on the truth, at last,—
No matter for the flesh and blood between.
All 's a clear rede and no more riddle now.
Truth, nowhere, lies yet everywhere in these—
Not absolutely in a portion, yet 230
Evolvible from the whole : evolved at last
Painfully, held tenaciously by me.
Therefore there is not any doubt to clear
When I shall write the brief word presently
And chink the hand-bell, which I pause to do. 235
Irresolute? Not I, more than the mound

With the pine-trees on it yonder ! Some surmise,
 Perchance, that since man's wit is fallible,
 Mine may fail here? Suppose it so,—what then?
 Say,—Guido, I count guilty, there 's no babe 240
 So guiltless, for I misconceive the man !
 What 's in the chance should move me from my mind?
 If, as I walk in a rough country-side,
 Peasants of mine cry "Thou art he can help,
 "Lord of the land and counted wise to boot : 245
 "Look at our brother, strangling in his foam,
 "He fell so where we find him,—prove thy worth!"
 I may presume, pronounce, "A frenzy-fit,
 "A falling-sickness or a fever-stroke !
 "Breathe a vein, copiously let blood at once !" 250
 So perishes the patient, and anon
 I hear my peasants—"All was error, lord !
 "Our story, thy prescription : for there crawled
 "In due time from our hapless brother's breast
 "The serpent which had stung him : bleeding slew
 "Whom a prompt cordial had restored to health." 256
 What other should I say than "God so willed :
 "Mankind is ignorant, a man am I :
 "Call ignorance my sorrow, not my sin !"
 So and not otherwise, in after-time, 260
 If some acuter wit, fresh probing, sound
 This multifarious mass of words and deeds

Deeper, and reach through guilt to innocence,
 I shall face Guido's ghost nor blench a jot.
 "God who set me to judge thee, meted out 265
 "So much of judging faculty, no more :
 "Ask Him if I was slack in use thereof!"
 I hold a heavier fault imputable
 Inasmuch as I changed a chaplain once,
 For no cause,— no, if I must bare my heart,— 270
 Save that he snuffled somewhat saying mass.
 For I am ware it is the seed of act,
 God holds appraising in His hollow palm,
 Not act grown great thence on the world below,
 Leafage and branchage, vulgar eyes admire. 275
 Therefore I stand on my integrity,
 Nor fear at all : and if I hesitate,
 It is because I need to breathe awhile,
 Rest, as the human right allows, review
 Intent the little seeds of act, my tree,— 280
 The thought, which, clothed in deed, I give the world
 At chink of bell and push of arrased door.

O pale departure, dim disgrace of day !
 Winter 's in wane, his vengeful worst art thou,
 To dash the boldness of advancing March ! 285
 Thy chill persistent rain has purged our streets
 Of gossipry ; pert tongue and idle ear

By this, consort 'neath archway, portico.
 But wheresoe'er Rome gathers in the grey, 289
 Two names now snap and flash from mouth to mouth—
 (Sparks, flint and steel strike) Guido and the Pope.
 By this same hour to-morrow eve—aha,
 How do they call him?—the sagacious Swede
 Who finds by figures how the chances prove,
 Why one comes rather than another thing, 295
 As, say, such dots turn up by throw of dice,
 Or, if we dip in Virgil here and there
 And prick for such a verse, when such shall point.
 Take this Swede, tell him, hiding name and rank,
 Two men are in our city this dull eve ; 300
 One doomed to death,—but hundreds in such plight
 Slip aside, clean escape by leave of law
 Which leans to mercy in this latter time ;
 Moreover in the plenitude of life
 Is he, with strength of limb and brain adroit, 305
 Presumably of service here : beside,
 The man is noble, backed by nobler friends :
 Nay, they so wish him well, the city's self
 Makes common cause with who—house-magistrate,
 Patron of hearth and home, domestic lord— 310
 But ruled his own, let aliens cavil. Die ?
 He 'll bribe a gaoler or break prison first !
 Nay, a sedition may be helpful, give

Hint to the mob to batter wall, burn gate,
 And bid the favourite malefactor march. 315
 Calculate now these chances of escape !
 "It is not probable, but well may be."
 Again, there is another man, weighed now
 By twice eight years beyond the seven-times-ten,
 Appointed overweight to break our branch. 320
 And this man's loaded branch lifts, more than snow,
 All the world's cark and care, though a bird's nest
 Were a superfluous burthen : notably
 Hath he been pressed, as if his age were youth,
 From to-day's dawn till now that day departs, 325
 Trying one question with true sweat of soul
 "Shall the said doomed man fitlier die or live ?"
 When a straw swallowed in his posset, stool
 Stumbled on where his path lies, any puff
 That 's incident to such a smoking flax, 330
 Hurries the natural end and quenches him !
 Now calculate, thou sage, the chances here,
 Say, which shall die the sooner, this or that ?
 "That, possibly, this in all likelihood."
 I thought so : yet thou tripp'st, my foreign friend ! 335
 No, it will be quite otherwise,—to-day
 Is Guido's last : my term is yet to run.

But say the Swede were right, and I forthwith

Acknowledge a prompt summons and lie dead :
 Why, then I stand already in God's face 340
 And hear " Since by its fruit a tree is judged,
 " Show me thy fruit, the latest act of thine !
 " For in the last is summed the first and all,—
 " What thy life last put heart and soul into,
 " There shall I taste thy product." I must plead 345
 This condemnation of a man to-day.

Not so ! Expect nor question nor reply
 At what we figure as God's judgment-bar !
 None of this vile way by the barren words
 Which, more than any deed, characterize 350
 Man as made subject to a curse : no speech—
 That still bursts o'er some lie which lurks inside,
 As the split skin across the coppery snake,
 And most denotes man ! since, in all beside,
 In hate or lust or guile or unbelief, 355
 Out of some core of truth the excrescence comes,
 And, in the last resort, the man may urge
 " So was I made, a weak thing that gave way
 " To truth, to impulse only strong since true,
 " And hated, lusted, used guile, forwent faith." 360
 But when man walks the garden of this world
 For his own solace, and, unchecked by law,
 Speaks or keeps silence as himself sees fit,

Without the least incumbency to lie,
 —Why, can he tell you what a rose is like, 365
 Or how the birds fly, and not slip to false
 Though truth serve better? Man must tell his mate
 Of you, me and himself, knowing he lies,
 Knowing his fellow knows the same,—will think
 “He lies, it is the method of a man!” 370
 And yet will speak for answer “It is truth”
 To him who shall rejoin “Again a lie!”
 Therefore these filthy rags of speech, this coil
 Of statement, comment, query and response,
 Tatters all too contaminate for use, 375
 Have no renewing: He, the Truth, is, too,
 The Word. We men, in our degree, may know
 There, simply, instantaneously, as here
 After long time and amid many lies,
 Whatever we dare think we know indeed 380
 —That I am I, as He is He,—what else?
 But be man’s method for man’s life at least!
 Wherefore, Antonio Pignatelli, thou
 My ancient self, who wast no Pope so long
 But studiedst God and man, the many years 385
 I’ the school, i’ the cloister, in the diocese
 Domestic, legate-rule in foreign lands,—
 Thou other force in those old busy days
 Than this grey ultimate decrepitude,—

Yet sensible of fires that more and more 390
 Visit a soul, in passage to the sky,
 Left nakeder than when flesh-robe was new—
 Thou, not Pope but the mere old man o' the world,
 Supposed inquisitive and dispassionate,
 Wilt thou, the one whose speech I somewhat trust,
 Question the after-me, this self now Pope, 396
 Hear his procedure, criticize his work?
 Wise in its generation is the world.

This is why Guido is found reprobate.
 I see him furnished forth for his career, 400
 On starting for the life-chance in our world,
 With nearly all we count sufficient help:
 Body and mind in balance, a sound frame,
 A solid intellect: the wit to seek,
 Wisdom to choose, and courage wherewithal 405
 To deal in whatsoever circumstance
 Should minister to man, make life succeed.
 Oh, and much drawback! what were earth without?
 Is this our ultimate stage, or starting-place
 To try man's foot, if it will creep or climb, 410
 'Mid obstacles in seeming, points that prove
 Advantage for who vaults from low to high
 And makes the stumbling-block a stepping-stone?
 So, Guido, born with appetite, lacks food:

Is poor, who yet could deftly play-off wealth : 415
 Straited, whose limbs are restless till at large.
 He, as he eyes each outlet of the cirque
 And narrow penfold for probation, pines
 After the good things just outside its grate,
 With less monition, fainter conscience-twitch, 420
 Rarer instinctive qualm at the first feel
 Of greed unseemly, prompting grasp undue,
 Than nature furnishes her main mankind,—
 Making it harder to do wrong than right
 The first time, careful lest the common ear 425
 Break measure, miss the outstep of life's march.
 Wherein I see a trial fair and fit
 For one else too unfairly fenced about,
 Set above sin, beyond his fellows here :
 Guarded from the arch-tempter all must fight, 430
 By a great birth, traditionary name,
 Diligent culture, choice companionship,
 Above all, conversancy with the faith
 Which puts forth for its base of doctrine just
 "Man is born nowise to content himself, 435
 "But please God." He accepted such a rule,
 Recognized man's obedience ; and the Church,
 Which simply is such rule's embodiment,
 He clave to, he held on by,—nay, indeed,
 Near pushed inside of, deep as layman durst, 440

Professed so much of priesthood as might sue
 For priest's-exemption where the layman sinned,—
 Got his arm frocked which, bare, the law would bruise.
 Hence, at this moment, what 's his last resource,
 His extreme stay and utmost stretch of hope 445
 But that,—convicted of such crime as law
 Wipes not away save with a worldling's blood,—
 Guido, the three-parts consecrate, may 'scape?
 Nay, the portentous brothers of the man
 Are veritably priests, protected each 450
 May do his murder in the Church's pale,
 Abate Paul, Canon Girolamo!
 This is the man proves irreligiousest
 Of all mankind, religion's parasite!
 This may forsooth plead dinned ear, jaded sense, 455
 The vice o' the watcher who bides near the bell,
 Sleeps sound because the clock is vigilant,
 And cares not whether it be shade or shine,
 Doling out day and night to all men else!
 Why was the choice o' the man to niche himself 460
 Perversely 'neath the tower where Time's own tongue
 Thus undertakes to sermonize the world?
 Why, but because the solemn is safe too,
 The belfry proves a fortress of a sort,
 Has other uses than to teach the hour: 465
 Turns sunscreen, paravent and ombrifuge

To whoso seeks a shelter in its pale,
 —Ay, and attractive to unwary folk
 Who gaze at storied portal, statued spire,
 And go home with full head but empty purse, 470
 Nor dare suspect the sacristan the thief!
 Shall Judas,—hard upon the donor's heel,
 To filch the fragments of the basket,—plead
 He was too near the preacher's mouth, nor sat
 Attent with fifties in a company? 475
 No,—closer to promulgated decree,
 Clearer the censure of default. Proceed!

I find him bound, then, to begin life well;
 Fortified by propitious circumstance,
 Great birth, good breeding, with the Church for guide,
 How lives he? Cased thus in a coat of proof, 481
 Mailed like a man-at-arms, though all the while
 A puny starveling,—does the breast pant big,
 The limb swell to the limit, emptiness
 Strive to become solidity indeed? 485
 Rather, he shrinks up like the ambiguous fish,
 Detaches flesh from shell and outside show,
 And steals by moonlight (I have seen the thing)
 In and out, now to prey and now to skulk.
 Armour he boasts when a wave breaks on beach, 490
 Or bird stoops for the prize: with peril nigh,—

The man of rank, the much-befriended-man,
 The man almost affiliate to the Church,
 Such is to deal with, let the world beware !
 Does the world recognize, pass prudently? 495
 Do tides abate and sea-fowl hunt i' the deep?
 Already is the slug from out its mew,
 Ignobly faring with all loose and free,
 Sand-fly and slush-worm at their garbage-feast,
 A naked blotch no better than they all : 500
 Guido has dropped nobility, slipped the Church,
 Plays trickster if not cut-purse, body and soul
 Prostrate among the filthy feeders—faugh !
 And when Law takes him by surprise at last,
 Catches the foul thing on its carrion-prey, 505
 Behold, he points to shell left high and dry,
 Pleads “ But the case out yonder is myself ! ”
 Nay, it is thou, Law prongs amid thy peers,
 Congenial vermin ; that was none of thee,
 Thine outside,—give it to the soldier-crab ! 510

For I find this black mark impinge the man,
 That he believes in just the vile of life.
 Low instinct, base pretension, are these truth?
 Then, that aforesaid armour, probity
 He figures in, is falsehood scale on scale ; 515
 Honour and faith,—a lie and a disguise,

Probably for all livers in this world,
 Certainly for himself! All say good words
 To who will hear, all do thereby bad deeds
 To who must undergo; so thrive mankind! 520
 See this habitual creed exemplified
 Most in the last deliberate act; as last,
 So, very sum and substance of the soul
 Of him that planned and leaves one perfect piece,
 The sin brought under jurisdiction now, 525
 Even the marriage of the man: this act
 I sever from his life as sample, show
 For Guido's self, intend to test him by,
 As, from a cup filled fairly at the fount,
 By the components we decide enough 530
 Or to let flow as late, or staunch the source.

He purposes this marriage, I remark,
 On no one motive that should prompt thereto—
 Farthest, by consequence, from ends alleged
 Appropriate to the action; so they were: 535
 The best, he knew and feigned, the worst he took.
 Not one permissible impulse moves the man,
 From the mere liking of the eye and ear,
 To the true longing of the heart that loves,
 No trace of these: but all to instigate, 540
 Is what sinks man past level of the brute

Whose appetite if brutish is a truth.
 All is the lust for money : to get gold,—
 Why, lie, rob, if it must be, murder ! Make
 Body and soul wring gold out, lured within 545
 The clutch of hate by love, the trap's pretence !
 What good else get from bodies and from souls ?
 This got, there were some life to lead thereby,
 —What, where or how, appreciate those who tell
 How the toad lives : it lives,—enough for me ! 550
 To get this good,—with but a groan or so,
 Then, silence of the victims,—were the feat.
 He foresaw, made a picture in his mind,—
 Of father and mother stunned and echoless
 To the blow, as they lie staring at fate's jaws 555
 Their folly danced into, till the woe fell ;
 Edged in a month by strenuous cruelty
 From even the poor nook whence they watched the wolf
 Feast on their heart, the lamb-like child his prey ;
 Plundered to the last remnant of their wealth, 560
 (What daily pittance pleased the plunderer dole)
 Hunted forth to go hide head, starve and die,
 And leave the pale awe-stricken wife, past hope
 Of help i' the world now, mute and motionless,
 His slave, his chattel, to first use, then destroy. 565
 All this, he bent mind how to bring about,
 Put plain in act and life, as painted plain,

So have success, reach crown of earthly good,
 In this particular enterprise of man,
 By marriage—undertaken in God's face 570
 With all these lies so opposite God's truth,
 For end so other than man's end.

Thus schemes

Guido, and thus would carry out his scheme :
 But when an obstacle first blocks the path, 575
 When he finds none may boast monopoly
 Of lies and trick i' the tricking lying world,—
 That sorry timid natures, even this sort
 O' the Comparini, want nor trick nor lie
 Proper to the kind,—that as the gor-crow treats 580
 The bramble-finch so treats the finch the moth,
 And the great Guido is minutely matched
 By this same couple,—whether true or false
 The revelation of Pompilia's birth,
 Which in a moment brings his scheme to nought,—
 Then, he is piqued, advances yet a stage, 586
 Leaves the low region to the finch and fly,
 Soars to the zenith whence the fiercer fowl
 May dare the inimitable swoop. I see.
 He draws now on the curious crime, the fine 590
 Felicity and flower of wickedness ;
 Determines, by the utmost exercise

Of violence, made safe and sure by craft,
 To satiate malice, pluck one last arch-pang
 From the parents, else would triumph out of reach, 595
 By punishing their child, within reach yet,
 Who, by thought, word or deed, could nowise wrong
 I' the matter that now moves him. So plans he,
 Always subordinating (note the point !)
 Revenge, the manlier sin, to interest 600
 The meaner,—would pluck pang forth, but unclench
 No gripe in the act, let fall no money-piece.
 Hence a plan for so plaguing, body and soul,
 His wife, so putting, day by day, hour by hour,
 The untried torture to the untouched place, 605
 As must precipitate an end foreseen,
 Goad her into some plain revolt, most like
 Plunge upon patent suicidal shame,
 Death to herself, damnation by rebound
 To those whose hearts he, holding hers, holds still :
 Such plan as, in its bad completeness, shall 611
 Ruin the three together and alike,
 Yet leave himself in luck and liberty,
 No claim renounced, no right a forfeiture,
 His person unendangered, his good fame 615
 Without a flaw, his pristine worth intact,—
 While they, with all their claims and rights that cling,
 Shall forthwith crumble off him every side,

Scorched into dust, a plaything for the winds.
 As when, in our Campagna, there is fired 620
 The nest-like work that overruns a hut ;
 And, as the thatch burns here, there, everywhere,
 Even to the ivy and wild vine, that bound
 And blessed the home where men were happy once,
 There rises gradual, black amid the blaze, 625
 Some grim and unscathed nucleus of the nest,—
 Some old malicious tower, some obscene tomb
 They thought a temple in their ignorance,
 And clung about and thought to lean upon—
 There laughs it o'er their ravage,—where are they ?
 So did his cruelty burn life about, 631
 And lay the ruin bare in dreadfulnes,
 Try the persistency of torment so
 Upon the wife, that, at extremity,
 Some crisis brought about by fire and flame, 635
 The patient frenzy-stung must needs break loose,
 Fly anyhow, find refuge anywhere,
 Even in the arms of who should front her first,
 No monster but a man—while nature shrieked
 “Or thus escape, or die !” The spasm arrived, 640
 Not the escape by way of sin,—O God,
 Who shall pluck sheep Thou holdest, from Thy hand ?
 Therefore she lay resigned to die,—so far
 The simple cruelty was foiled. Why then,

Craft to the rescue, let craft supplement 645
 Cruelty and show hell a masterpiece !
 Hence this consummate lie, this love-intrigue,
 Unmanly simulation of a sin,
 With place and time and circumstance to suit—
 These letters false beyond all forgery— 650
 Not just handwriting and mere authorship,
 But false to body and soul they figure forth—
 As though the man had cut out shape and shape
 From fancies of that other Aretine,
 To paste below—incorporate the filth 655
 With cherub faces on a missal-page !

Whereby the man so far attains his end
 That strange temptation is permitted,—see !
 Pompilia wife, and Caponsacchi priest,
 Are brought together as nor priest nor wife 660
 Should stand, and there is passion in the place,
 Power in the air for evil as for good,
 Promptings from heaven and hell, as if the stars
 Fought in their courses for a fate to be.
 Thus stand the wife and priest, a spectacle, 665
 I doubt not, to unseen assemblage there.
 No lamp will mark that window for a shrine,
 No tablet signalize the terrace, teach
 New generations which succeed the old

The pavement of the street is holy ground ; 670
 No bard describe in verse how Christ prevailed
 And Satan fell like lightning ! Why repine ?
 What does the world, told truth, but lie the more ?

A second time the plot is foiled ; nor, now,
 By corresponding sin for countercheck, 675
 No wile and trick that baffle trick and wile,—
 The play o' the parents ! Here the blot is blanced
 By God's gift of a purity of soul
 That will not take pollution, ermine-like
 Armed from dishonour by its own soft snow. 680
 Such was this gift of God who showed for once
 How He would have the world go white : it seems
 As a new attribute were born of each
 Champion of truth, the priest and wife I praise,—
 As a new safeguard sprang up in defence 685
 Of their new noble nature : so a thorn
 Comes to the aid of and completes the rose—
 Courage to-wit, no woman's gift nor priest's,
 I' the crisis ; might leaps vindicating right.
 See how the strong aggressor, bad and bold, 690
 With every vantage, preconcerts surprise,
 Leaps of a sudden at his victim's throat
 In a byeway,—how fares he when face to face
 With Caponsacchi ? Who fights, who fears now ? 694

There quails Count Guido armed to the chattering teeth,
 Cowers at the steadfast eye and quiet word
 O' the Canon of the Pieve! There skulks crime
 Behind law called in to back cowardice :
 While out of the poor trampled worm the wife,
 Springs up a serpent !

700

But anon of these.

Him I judge now,—of him proceed to note,
 Failing the first, a second chance befriends
 Guido, gives pause ere punishment arrive.
 The law he called, comes, hears, adjudicates, 705
 Nor does amiss i' the main,—secludes the wife
 From the husband, respites the oppressed one, grants
 Probation to the oppressor, could he know
 The mercy of a minute's fiery purge !
 The furnace-coals alike of public scorn, 710
 Private remorse, heaped glowing on his head,
 What if,—the force and guile, the ore's alloy,
 Eliminate, his baser soul refined—
 The lost be saved even yet, so as by fire?
 Let him, rebuked, go softly all his days 715
 And, when no graver musings claim their due,
 Meditate on a man's immense mistake
 Who, fashioned to use feet and walk, deigns crawl—
 Takes the unmanly means—ay, though to ends

Man scarce should make for, would but reach thro'
 wrong,— 720

May sin, but nowise needs shame manhood so :
 Since fowlers hawk, shoot, nay and snare the game,
 And yet eschew vile practice, nor find sport
 In torch-light treachery or the luring owl.

But how hunts Guido? Why, the fraudulent trap— 725

Late spurned to ruin by the indignant feet
 Of fellows in the chase who loved fair play—
 Here he picks up its fragments to the least,
 Lades him and hies to the old lurking-place
 Where haply he may patch again, refit 730

The mischief, file its blunted teeth anew,
 Make sure, next time, first snap shall break the bone.
 Craft, greed and violence complot revenge :
 Craft, for its quota, schemes to bring about
 And seize occasion and be safe withal : 735

Greed craves its act may work both far and near,
 Crush the tree, branch and trunk and root, beside.
 Whichever twig or leaf arrests a streak
 Of possible sunshine else would coin itself,
 And drop down one more gold piece in the path :
 Violence stipulates " Advantage proved 741

" And safety sure, be pain the overplus !
 " Murder with jagged knife ! Cut but tear too !

" Foiled oft, starved long, glut malice for amends !"
 And what, craft's scheme? scheme sorrowful and strange
 As though the elements, whom mercy checked, 746
 Had mustered hate for one eruption more,
 One final deluge to surprise the Ark
 Cradled and sleeping on its mountain-top :
 Their outbreak-signal—what but the dove's coo, 750
 Back with the olive in her bill for news
 Sorrow was over? 'T is an infant's birth,
 Guido's first born, his son and heir, that gives
 The occasion : other men cut free their souls
 From care in such a case, fly up in thanks 755
 To God, reach, recognize His love for once :
 Guido cries " Soul, at last the mire is thine !
 " Lie there in likeness of a money-bag
 " My babe's birth so pins down past moving now,
 " That I dare cut adrift the lives I late 760
 " Scrupled to touch lest thou escape with them !
 " These parents and their child my wife, —touch one.
 " Lose all ! Their rights determined on a head
 " I could but hate, not harm, since from each hair
 " Dangled a hope for me : now—chance and change !
 " No right was in their child but passes plain 766
 " To that child's child and through such child to me.
 " I am a father now,—come what, come will,
 " I represent my child ; he comes between—

“Cuts sudden off the sunshine of this life 770

“From those three: why, the gold is in his curls!

“Not with old Pietro’s, Violante’s head,

“Not his grey horror, her more hideous black—

“Go these, devoted to the knife!”

”T is done: 775

Wherefore should mind misgive, heart hesitate?

He calls to counsel, fashions certain four

Colourless natures counted clean till now,

—Rustic simplicity, uncorrupted youth,

Ignorant virtue! Here ’s the gold o’ the prime 780

When Saturn ruled, shall shock our leaden day—

The clown abash the courtier! Mark it, bards!

The courtier tries his hand on clownship here,

Speaks a word, names a crime, appoints a price,—

Just breathes on what, suffused with all himself, 785

Is red-hot henceforth past distinction now

I’ the common glow of hell. And thus they break

And blaze on us at Rome, Christ’s birthnight-eve!

Oh angels that sang erst “On the earth, peace!

“To man, good will!”—such peace finds earth

to-day!

790

After the seventeen hundred years, so man

Wills good to man, so Guido makes complete

His murder! what is it I said?—cuts loose

Three lives that hitherto he suffered cling,

Simply because each served to nail secure, 795
 By a corner of the money-bag, his soul,—
 Therefore, lives sacred till the babe's first breath
 O'erweights them in the balance,—off they fly!

So is the murder managed, sin conceived 799
 To the full: and why not crowned with triumph too?
 Why must the sin, conceived thus, bring forth death?
 I note how, within hair's-breadth of escape,
 Impunity and the thing supposed success,
 Guido is found when the check comes, the change,
 The monitory touch o' the tether—felt 805
 By few, not marked by many, named by none
 At the moment, only recognized aright
 I' the fulness of the days, for God's, lest sin
 Exceed the service, leap the line: such check—
 A secret which this life finds hard to keep, 810
 And, often guessed, is never quite revealed—
 Needs must trip Guido on a stumbling-block
 Too vulgar, too absurdly plain i' the path!
 Study this single oversight of care,
 This hebetude that marred sagacity, 815
 Forgetfulness of all the man best knew,—
 How any stranger having need to fly,
 Needs but to ask and have the means of flight.
 Why, the first urchin tells you, to leave Rome,

Get horses, you must show the warrant, just 820
 The banal scrap, clerk's scribble, a fair word buys,
 Or foul one, if a ducat sweeten word,—
 And straight authority will back demand,
 Give you the pick o' the post-house!—how should he,
 Then, resident at Rome for thirty years, 825
 Guido, instruct a stranger! And himself
 Forgets just this poor paper scrap, wherewith
 Armed, every door he knocks at opens wide
 To save him: horsed and manned, with such advance
 O' the hunt behind, why, 't were the easy task 830
 Of hours told on the fingers of one hand,
 To reach the Tuscan frontier, laugh at-home,
 Light-hearted with his fellows of the place,—
 Prepared by that strange shameful judgment, that
 Satire upon a sentence just pronounced 835
 By the Rota and confirmed by the Granduke,—
 Ready in a circle to receive their peer,
 Appreciate his good story how, when Rome,
 The Pope-King and the populace of priests
 Made common cause with their confederate 840
 The other priestling who seduced his wife,
 He, all unaided, wiped out the affront
 With decent bloodshed and could face his friends,
 Frolic it in the world's eye. Ay, such tale
 Missed such applause, and by such oversight! 845

So, tired and footsore, those blood-flustered five
 Went reeling on the road through dark and cold,
 The few permissible miles, to sink at length,
 Wallow and sleep in the first wayside straw, 849
 As the other herd quenched, i' the wash o' the wave,
 —Each swine, the devil inside him : so slept they,
 And so were caught and caged—all through one trip,
 One touch of fool in Guido the astute !
 He curses the omission, I surmise,
 More than the murder. Why, thou fool and blind,
 It is the mercy-stroke that stops thy fate, 856
 Hamstrings and holds thee to thy hurt,—but how?
 On the edge o' the precipice ! One minute more,
 Thou hadst gone farther and fared worse, my son,
 Fathoms down on the flint and fire beneath ! 860
 Thy comrades each and all were of one mind,
 Thy murder done, to straightway murder thee
 In turn, because of promised pay withheld.
 So, to the last, greed found itself at odds
 With craft in thee, and, proving conqueror, 865
 Had sent thee, the same night that crowned thy hope,
 Thither where, this same day, I see thee not,
 Nor, through God's mercy, need, to-morrow, see.

Such I find Guido, midmost blotch of black
 Discernible in this group of clustered crimes 870

Huddling together in the cave they call
 Their palace outraged day thus penetrates.
 Around him ranged, now close and now remote,
 Prominent or obscure to meet the needs
 O' the mage and master, I detect each shape 875
 Subsidiary i' the scene nor loathed the less,
 All alike coloured, all descried akin
 By one and the same pitchy furnace stirred
 At the centre : see, they lick the master's hand,—
 This fox-faced horrible priest, this brother-brute 880
 The Abate,—why, mere wolfishness looks well,
 Guido stands honest in the red o' the flame,
 Beside this yellow that would pass for white,
 Twice Guido, all craft but no violence,
 This copier of the mien and gait and garb 885
 Of Peter and Paul, that he may go disguised,
 Rob halt and lame, sick folk i' the temple-porch !
 Armed with religion, fortified by law,
 A man of peace, who trims the midnight lamp
 And turns the classic page—and all for craft, 890
 All to work harm with, yet incur no scratch !
 While Guido brings the struggle to a close,
 Paul steps back the due distance, clear o' the trap
 He builds and baits. Guido I catch and judge ;
 Paul is past reach in this world and my time : 895
 That is a case reserved. Pass to the next,

The boy of the brood, the young Girolamo
 Priest, Canon, and what more? nor wolf nor fox,
 But hybrid, neither craft nor violence
 Wholly, part violence part craft : such cross 900
 Tempts speculation—will both blend one day,
 And prove hell's better product? Or subside
 And let the simple quality emerge,
 Go on with Satan's service the old way?
 Meanwhile, what promise,—what performance too!
 For there's a new distinctive touch, I see, 906
 Lust—lacking in the two—hell's own blue tint
 That gives a character and marks the man
 More than a match for yellow and red. Once more,
 A case reserved : why should I doubt? Then comes
 The gaunt grey nightmare in the furthest smoke, 911
 The hag that gave these three abortions birth,
 Unmotherly mother and unwomanly
 Woman, that near turns motherhood to shame,
 Womanliness to loathing : no one word, 915
 No gesture to curb cruelty a whit
 More than the she-pard thwarts her playsome whelps
 Trying their milk-teeth on the soft o' the throat
 O' the first fawn, flung, with those beseeching eyes,
 Flat in the covert! How should she but couch, 920
 Lick the dry lips, unsheath the blunted claw,
 Catch 'twixt her placid eyewinks at what chance

Old bloody half-forgotten dream may flit,
 Born when herself was novice to the taste,
 The while she lets youth take its pleasure. Last, 925
 These God-abandoned wretched lumps of life,
 These four companions,—country-folk this time,
 Not tainted by the unwholesome civic breath,
 Much less the curse o' the Court! Mere striplings too,
 Fit to do human nature justice still! 930
 Surely when impudence in Guido's shape
 Shall propose crime and proffer money's-worth
 To these stout tall rough bright-eyed black-haired boys,
 The blood shall bound in answer to each cheek
 Before the indignant outcry break from lip! 935
 Are these i' the mood to murder, hardly loosed
 From healthy autumn-finish of ploughed glebe,
 Grapes in the barrel, work at happy end,
 And winter near with rest and Christmas play?
 How greet they Guido with his final task— 940
 (As if he but proposed "One vineyard more
 "To dig, ere frost come, then relax indeed!")
 "Anywhere, anyhow and anyhow,
 "Murder me some three people, old and young,
 "Ye never heard the names of,—and be paid 945
 "So much!" And the whole four accede at once.
 Demur? Do cattle bidden march or halt?
 Is it some lingering habit, old fond faith

I' the lord o' the land, instructs them,—birthright badge
 Of feudal tenure claims its slaves again? 950
 Not so at all, thou noble human heart !
 All is done purely for the pay,—which, earned,
 And not forthcoming at the instant, makes
 Religion heresy, and the lord o' the land
 Fit subject for a murder in his turn. 955
 The patron with cut throat and rifled purse,
 Deposited i' the roadside-ditch, his due,
 Nought hinders each good fellow trudging home,
 The heavier by a piece or two in poke,
 And so with new zest to the common life, 960
 Mattock and spade, plough-tail and waggon-shaft,
 Till some such other piece of luck betide,
 Who knows? Since this is a mere start in life,
 And none of them exceeds the twentieth year.
 Nay, more i' the background yet? Unnoticed forms
 Claim to be classed, subordinately vile? 966
 Complacent lookers-on that laugh,—perchance
 Shake head as their friend's horse-play grows too rough
 With the mere child he manages amiss—
 But would not interfere and make bad worse 970
 For twice the fractious tears and prayers : thou know'st
 Civility better, Marzi-Medici,
 Governor for thy kinsman the Granduke !
 Fit representative of law, man's lamp

I' the magistrate's grasp full-flare, no rushlight-end 975
 Sputtering 'twixt thumb and finger of the priest !
 Whose answer to the couple's cry for help
 Is a threat,—whose remedy of Pompilia's wrong,
 A shrug o' the shoulder, and facetious word
 Or wink, traditional with Tuscan wits, 980
 To Guido in the doorway. Laud to law !
 The wife is pushed back to the husband, he
 Who knows how these home-squabbings persecute
 People who have the public good to mind,
 And work best with a silence in the court ! 985

Ah, but I save my word at least for thee,
 Archbishop, who art under, i' the Church,
 As I am under God,—thou, chosen by both
 To do the shepherd's office, feed the sheep—
 How of this lamb that panted at thy foot 990
 While the wolf pressed on her within crook's reach ?
 Wast thou the hireling that did turn and flee ?
 With thee at least anon the little word !

Such denizens o' the cave now cluster round
 And heat the furnace sevenfold : time indeed 995
 A bolt from heaven should cleave roof and clear place,
 Transfix and show the world, suspiring flame,
 The main offender, scar and brand the rest

Hurrying, each miscreant to his hole : then flood
 And purify the scene with outside day— 1000
 Which yet, in the absolutest drench of dark,
 Ne'er wants a witness, some stray beauty-beam
 To the despair of hell.

First of the first,

Such I pronounce Pompilia, then as now 1005
 Perfect in whiteness : stoop thou down, my child,
 Give one good moment to the poor old Pope
 Heart-sick at having all his world to blame—
 Let me look at thee in the flesh as erst,
 Let me enjoy the old clean linen garb, 1010
 Not the new splendid vesture ! Armed and crowned,
 Would Michael, yonder, be, nor crowned nor armed,
 The less pre-eminent angel ? Everywhere
 I see in the world the intellect of man,
 That sword, the energy his subtle spear, 1015
 The knowledge which defends him like a shield—
 Everywhere ; but they make not up, I think,
 The marvel of a soul like thine, earth's flower
 She holds up to the softened gaze of God !
 It was not given Pompilia to know much, 1020
 Speak much, to write a book, to move mankind,
 Be memorized by who records my time.
 Yet if in purity and patience, if

In faith held fast despite the plucking fiend,
 Safe like the signet stone with the new name 1025
 That saints are known by,—if in right returned
 For wrong, most pardon for worst injury,
 If there be any virtue, any praise,—
 Then will this woman-child have proved—who knows?—
 Just the one prize vouchsafed unworthy me, 1030
 Seven years a gardener of the untoward ground,
 I till,—this earth, my sweat and blood manure
 All the long day that barrenly grows dusk :
 At least one blossom makes me proud at eve
 Born 'mid the briers of my enclosure ! Still 1035
 (Oh, here as elsewhere, nothingness of man !)
 Those be the plants, imbedded yonder South
 To mellow in the morning, those made fat
 By the master's eye, that yield such timid leaf,
 Uncertain bud, as product of his pains ! 1040
 While—see how this mere chance sown clèft-nursed seed
 That sprang up by the wayside 'neath the foot
 Of the enemy, this breaks all into blaze,
 Spreads itself, one wide glory of desire
 To incorporate the whole great sun it loves 1045
 From the inch-height whence it looks and longs ! My
 flower,
 My rose, I gather for the breast of God,
 This I praise most in thee, where all I praise,

That having been obedient to the end
 According to the light allotted, law 1050
 Prescribed thy life, still tried, still standing test,—
 Dutiful to the foolish parents first,
 Submissive next to the bad husband,—nay,
 Tolerant of those meaner miserable
 That did his hests, eked out the dole of pain,— 1055
 Thou, patient thus, couldst rise from law to law,
 The old to the new, promoted at one cry
 O' the trump of God to the new service, not
 To longer bear, but henceforth fight, be found
 Sublime in new impatience with the foe! 1060
 Endure man and obey God : plant firm foot
 On neck of man, tread man into the hell
 Meet for him, and obey God all the more!
 Oh child that didst despise thy life so much
 When it seemed only thine to keep or lose, 1065
 How the fine ear felt fall the first low word
 “ Value life, and preserve life for My sake ! ”
 Thou didst . . . how shall I say ? . . . receive so long
 The standing ordinance of God on earth,
 What wonder if the novel claim had clashed 1070
 With old requirement, seemed to supersede
 Too much the customary law ? But, brave,
 Thou at first prompting of what I call God,
 And fools call Nature, didst hear, comprehend,

Accept the obligation laid on thee, 1075
 Mother elect, to save the unborn child,
 As brute and bird do, reptile and the fly,
 Ay and, I nothing doubt, even tree, shrub, plant
 And flower o' the field, all in a common pact
 To worthily defend the trust of trusts, 1080
 Life from the Ever Living:—didst resist—
 Anticipate the office that is mine—
 And with his own sword stay the upraised arm,
 The endeavour of the wicked, and defend
 Him who,—again in my default,—was there 1085
 For visible providence: one less true than thou
 To touch, i' the past, less practised in the right,
 Approved less far in all docility
 To all instruction,—how had such an one
 Made scruple “Is this motion a decree?” 1090
 It was authentic to the experienced ear
 O' the good and faithful servant. Go past me
 And get thy praise,—and be not far to seek
 Presently when I follow if I may!

And surely not so very much apart 1095
 Need I place thee, my warrior-priest,—in whom
 What if I gain the other rose, the gold,
 We grave to imitate God's miracle,
 Greet monarchs with, good rose in its degree?

Irregular noble'scapegrace—son the same ! 1100
 Faulty—and peradventure ours the fault
 Who still misteach, mislead, throw hook and line,
 Thinking to land leviathan forsooth,
 Tame the scaled neck, play with him as a bird,
 And bind him for our maidens ! Better bear 1105
 The King of Pride go wantoning awhile,
 Unplagued by cord in nose and thorn in jaw,
 Through deep to deep, followed by all that shine,
 Churning the blackness hoary : He who made
 The comely terror, He shall make the sword 1110
 To match that piece of netherstone his heart,
 Ay, nor miss praise thereby ; who else shut fire
 I' the stone, to leap from mouth at sword's first stroke,
 In lamps of love and faith, the chivalry
 That dares the right and disregards alike 1115
 The yea and nay o' the world? Self-sacrifice,—
 What if an idol took it? Ask the Church
 Why she was wont to turn each Venus here,—
 Poor Rome perversely lingered round, despite
 Instruction, for the sake of purblind love,— 1120
 Into Madonna's shape, and waste no whit
 Of aught so rare on earth as gratitude !
 All this sweet savour was not ours but thine,
 Nard of the rock, a natural wealth we name
 Incense, and treasure up as food for saints, 1125

When flung to us—whose function was to give
 Not find the costly perfume. Do I smile?
 Nay, Caponsacchi, much I find amiss,
 Blameworthy, punishable in this freak
 Of thine, this youth prolonged, though age was ripe,
 This masquerade in sober day, with change 1131
 Of motley too,—now hypocrite's disguise,
 Now fool's-costume : which lie was least like truth,
 Which the ungainlier, more discordant garb
 With that symmetric soul inside my son, 1135
 The churchman's or the worldling's,—let him judge,
 Our adversary who enjoys the task !
 I rather chronicle the healthy rage,—
 When the first moan broke from the martyr-maid
 At that uncaging of the beasts,—made bare 1140
 My athlete on the instant, gave such good
 Great undisguised leap over post and pale
 Right into the mid-cirque, free fighting-place.
 There may have been rash stripping—every rag
 Went to the winds,—infringement manifold 1145
 Of laws prescribed pudicity, I fear,
 In this impulsive and prompt self-display !
 Ever such tax comes of the foolish youth ;
 Men mulct the wiser manhood, and suspect
 No veritable star swims out of cloud. 1150
 Bear thou such inputation, undergo

The penalty I nowise dare relax,—
 Conventional chastisement and rebuke.
 But for the outcome, the brave starry birth
 Conciliating earth with all that cloud, 1155
 Thank heaven as I do! Ay, such championship
 Of God at first blush, such prompt cheery thud
 Of glove on ground that answers ringingly
 The challenge of the false knight,—watch we long
 And wait we vainly for its gallant like 1160
 From those appointed to the service, sworn
 His body-guard with pay and privilege—
 White-cinct, because in white walks sanctity,
 Red-socked, how else proclaim fine scorn of flesh,
 Unchariness of blood when blood faith begs! 1165
 Where are the men-at-arms with cross on coat?
 Aloof, bewraying their attire: whilst thou
 In mask and motley, pledged to dance not fight,
 Sprang'st forth the hero! In thought, word and deed,
 How throughout all thy warfare thou wast pure, 1170
 I find it easy to believe: and if
 At any fateful moment of the strange
 Adventure, the strong passion of that strait,
 Fear and surprise, may have revealed too much,—
 As when a thundrous midnight, with black air 1175
 That burns, rain-drops that blister, breaks a spell,
 Draws out the excessive virtue of some sheathed

Shut unsuspected flower that hoards and hides
Immensity of sweetness,—so, perchance,
Might the surprise and fear release too much 1180
The perfect beauty of the body and soul
Thou savedst in thy passion for God's sake,
He who is Pity. Was the trial sore?
Temptation sharp? Thank God a second time!
Why comes temptation but for man to meet 1185
And master and make crouch beneath his foot,
And so be pedestaled in triumph? Pray
“Lead us into no such temptations, Lord!”
Yea, but, O Thou whose servants are the bold,
Lead such temptations by the head and hair, 1190
Reluctant dragons, up to who dares fight,
That so he may do battle and have praise!
Do I not see the praise?—that while thy mates
Bound to deserve i' the matter, prove at need
Unprofitable through the very pains 1195
We gave to train them well and start them fair,—
Are found too stiff, with standing ranked and ranged,
For onset in good earnest, too obtuse
Of ear, through iteration of command,
For catching quick the sense of the real cry,— 1200
Thou, whose sword-hand was used to strike the lute,
Whose sentry-station graced some wanton's gate,
Thou didst push forward and show mettle, shame

The laggards, and retrieve the day. Well done!
 Be glad thou hast let light into the world 1205
 Through that irregular breach o' the boundary,—see
 The same upon thy path and march assured,
 Learning anew the use of soldiership,
 Self-abnegation, freedom from all fear,
 Loyalty to the life's end! Ruminare, 1210
 Deserve the initiatory spasm,—once more
 Work, be unhappy but bear life, my son!

And troop you, somewhere 'twixt the best and worst,
 Where crowd the indifferent product, all too poor
 Makeshift, starved samples of humanity! 1215
 Father and mother, huddle there and hide!
 A gracious eye may find you! Foul and fair,
 Sadly mixed natures: self-indulgent,—yet
 Self-sacrificing too: how the love soars,
 How the craft, avarice, vanity and spite 1220
 Sink again! So they keep the middle course,
 Slide into silly crime at unaware,
 Slip back upon the stupid virtue, stay
 Nowhere enough for being classed, I hope
 And fear. Accept the swift and rueful death, 1225
 Taught, somewhat sternlier than is wont, what waits
 The ambiguous creature,—how the one black tuft
 Steadies the aim of the arrow just as well

As the wide faultless white on the bird's breast !
 Nay, you were punished in the very part 1230
 That looked most pure of speck,—'t was honest
 love

Betrayed you,—did love seem most worthy pains,
 Challenge such purging, since ordained survive
 When all the rest of you was done with? Go !
 Never again elude the choice of tints ! 1235
 White shall not neutralize the black, nor good
 Compensate bad in man, absolve him so :
 Life's business being just the terrible choice.

So do I see, pronounce on all and some
 Grouped for my judgment now,—profess no doubt
 While I pronounce : dark, difficult enough 1241
 The human sphere, yet eyes grow sharp by use,
 I find the truth, dispart the shine from shade,
 As a mere man may, with no special touch
 O' the lynx-gift in each ordinary orb : 1245
 Nay, if the popular notion class me right,
 One of well-nigh decayed intelligence,—
 What of that? Through hard labour and good will,
 And habitude that gives a blind man sight
 At the practised finger-ends of him, I do 1250
 Discern, and dare decree in consequence,
 Whatever prove the peril of mistake.

Whence, then, this quite new quick cold thrill,—cloud-
like,

This keen dread creeping from a quarter scarce
Suspected in the skies I nightly scan? 1255

What slacks the tense nerve, saps the wound-up spring
Of the act that should and shall be, sends the mount
And mass o' the whole man's-strength,—conglobed so
late—

Shudderingly into dust, a moment's work?
While I stand firm, go fearless, in this world, 1260

For this life recognize and arbitrate,

Touch and let stay, or else remove a thing,

Judge "This is right, this object out of place,"

Candle in hand that helps me and to spare,—

What if a voice deride me, "Perk and pry! 1265

"Brighten each nook with thine intelligence!

"Play the good householder, ply man and maid

"With tasks prolonged into the midnight, test

"Their work and nowise stint of the due wage

"Each worthy worker: but with gyves and whip 1270

"Pay thou misprision of a single point

"Plain to thy happy self who lift'st the light,

"Lament'st the darkling,—bold to all beneath!

"What if thyself adventure, now the place

"Is purged so well? Leave pavement and mount roof,

"Look round thee for the light of the upper sky, 1276

"The fire which lit thy fire which finds default
 "In Guido Franceschini to his cost!
 "What if, above in the domain of light,
 "Thou miss the accustomed signs, remark eclipse?
 "Shalt thou still gaze on ground nor lift a lid,— 1281
 "Steady in thy superb prerogative,
 "Thy inch of inkling,—nor once face the doubt
 "I' the sphere above thee, darkness to be felt?"

Yet my poor spark had for its source, the sun; 1285
 Thither I sent the great looks which compel
 Light from its fount: all that I do and am
 Comes from the truth, or seen or else surmised,
 Remembered or divined, as mere man may:
 I know just so, nor otherwise. As I know, 1290
 I speak,—what should I know, then, and how speak
 Were there a wild mistake of eye or brain
 As to recorded governance above?
 If my own breath, only, blew coal alight
 I styled celestial and the morning-star? 1295
 I, who in this world act resolvedly,
 Dispose of men, their bodies and their souls,
 As they acknowledge or gainsay the light
 I show them,—shall I too lack courage?—leave
 I, too, the post of me, like those I blame? 1300
 Refuse, with kindred inconsistency,

To grapple danger whereby souls grow strong?
 I am near the end; but still not at the end;
 All to the very end is trial in life:
 At this stage is the trial of my soul 1305
 Danger to face, or danger to refuse?
 Shall I dare try the doubt now, or not dare?

O Thou,—as represented here to me
 In such conception as my soul allows,—
 Under Thy measureless, my atom width!— 1310
 Man's mind, what is it but a convex glass
 Wherein are gathered all the scattered points
 Picked out of the immensity of sky,
 To re-unite there, be our heaven for earth,
 Our known unknown, our God revealed to man?
 Existent somewhere, somehow, as a whole; 1316
 Here, as a whole proportioned to our sense,—
 There, (which is nowhere, speech must babble thus!)
 In the absolute immensity, the whole
 Appreciable solely by Thyself,— 1320
 Here, by the little mind of man, reduced
 To littleness that suits his faculty,
 In the degree appreciable too;
 Between Thee and ourselves—nay even, again,
 Below us, to the extreme of the minute, 1325
 Appreciable by how many and what diverse

Modes of the life Thou madest be ! (why live
 Except for love,—how love unless they know ?)
 Each of them, only filling to the edge,
 Insect or angel, his just length and breadth, 1330
 Due facet of reflection,—full, no less,
 Angel or insect, as Thou framedst things.
 I it is who have been appointed here
 To represent Thee, in my turn, on earth,
 Just as, if new philosophy know aught, 1335
 This one earth, out of all the multitude
 Of peopled worlds, as stars are now supposed,—
 Was chosen, and no sun-star of the swarm,
 For stage and scene of Thy transcendent act
 Beside which even the creation fades 1340
 Into a puny exercise of power.
 Choice of the world, choice of the thing I am,
 Both emanate alike from Thy dread play
 Of operation outside this our sphere
 Where things are classed and counted small or great,—
 Incomprehensibly the choice is Thine ! 1346
 I therefore bow my head and take Thy place.
 There is, beside the works, a tale of Thee
 In the world's mouth, which I find credible :
 I love it with my heart : unsatisfied, 1350
 I try it with my reason, nor discept
 From any point I probe and pronounce sound.

Mind is not matter nor from matter, but
 Above,—leave matter then, proceed with mind!
 Man's be the mind recognized at the height,— 1355
 Leave the inferior minds and look at man!
 Is he the strong, intelligent and good
 Up to his own conceivable height? Nowise.
 Enough o' the low,—soar the conceivable height,
 Find cause to match the effect in evidence, 1360
 The work i' the world, not man's but God's; leave
 man!

Conjecture of the worker by the work:
 Is there strength there?—enough: intelligence?
 Ample: but goodness in a like degree?
 Not to the human eye in the present state, 1365
 An isoscele deficient in the base.
 What lacks, then, of perfection fit for God
 But just the instar.ce which this tale supplies
 Of love without a limit? So is strength,
 So is intelligence; let love be so, 1370
 Unlimited in its self-sacrifice,
 Then is the tale true and God shows complete.
 Beyond the tale, I reach into the dark,
 Feel what I cannot see, and still faith stands:
 I can believe this dread machinery 1375
 Of sin and sorrow, would confound me else,
 Devised,—all pain, at most expenditure

Of pain by Who devised pain,—to evolve,
 By new machinery in counterpart,
 The moral qualities of man—how else?— 1380
 To make him love in turn and be beloved,
 Creative and self-sacrificing too,
 And thus eventually God-like, (ay,
 “I have said ye are Gods,”—shall it be said for nought?)
 Enable man to wring, from out all pain, 1385
 All pleasure for a common heritage
 To all eternity: this may be surmised,
 The other is revealed,—whether a fact,
 Absolute, abstract, independent truth,
 Historic, not reduced to suit man’s mind,— 1390
 Or only truth reverberate, changed, made pass
 A spectrum into mind, the narrow eye,—
 The same and not the same, else unconceived—
 Though quite conceivable to the next grade
 Above it in intelligence,—as truth 1395
 Easy to man were blindness to the beast
 By parity of procedure,—the same truth
 In a new form, but changed in either case:
 What matter so intelligence be filled?
 To a child, the sea is angry, for it roars: 1400
 Frost bites, else why the tooth-like fret on face?
 Man makes acoustics deal with the sea’s wrath,
 Explains the choppy cheek by chymic law,—

To man and child remains the same effect
 On drum of ear and root of nose, change cause 1405
 Never so thoroughly : so my heart be struck,
 What care I,—by God's gloved hand or the bare?
 Nor do I much perplex me with aught hard,
 Dubious in the transmitting of the tale,—
 No, nor with certain riddles set to solve. 1410
 This life is training and a passage ; pass,—
 Still, we march over some flat obstacle
 We made give way before us ; solid truth
 In front of it, what motion for the world?
 The moral sense grows but by exercise. 1415
 'T is even as man grew probatively
 Initiated in Godship, set to make
 A fairer moral world than this he finds,
 Guess now what shall be known hereafter. Deal
 Thus with the present problem : as we see, 1420
 A faultless creature is destroyed, and sin
 Has had its way i' the world where God should rule.
 Ay, but for this irrelevant circumstance
 Of inquisition after blood, we see
 Pompilia lost and Guido saved : how long? 1425
 For his whole life : how much is that whole life?
 We are not babes, but know the minute's worth,
 And feel that life is large and the world small,
 So, wait till life have passed from out the world.

Neither does this astonish at the end, 1430
 That whereas I can so receive and trust,
 Other men, made with hearts and souls the same,
 Reject and disbelieve,—subordinate
 The future to the present,—sin, nor fear.
 This I refer still to the foremost fact, 1435
 Life is probation and the earth no goal
 But starting-point of man : compel him strive,
 Which means, in man, as good as reach the goal,—
 Why institute that race, his life, at all?
 But this does overwhelm me with surprise, 1440
 Touch me to terror,—not that faith, the pearl,
 Should be let lie by fishers wanting food,—
 Nor, seen and handled by a certain few
 Critical and contemptuous, straight consigned
 To shore and shingle for the pebble it proves,— 1445
 But that, when haply found and known and named
 By the residue made rich for evermore,
 These,—that these favoured ones, should in a trice
 Turn, and with double zest go dredge for whelks,
 Mud-worms that make the savoury soup! Enough 1450
 O' the disbelievers, see the faithful few!
 How do the Christians here deport them, keep
 Their robes of white unspotted by the world?
 What is this Aretine Archbishop, this
 Man under me as I am under God, 1455

This champion of the faith, I armed and decked,
 Pushed forward, put upon a pinnacle,
 To show the enemy his victor,—see!
 What's the best fighting when the couple close?
 Pompilia cries, "Protect me from the wolf!" 1460
 He—"No, thy Guido is rough, heady, strong,
 "Dangerous to disquiet: let him bide!
 "He needs some bone to mumble, help amuse
 "The darkness of his den with: so, the fawn
 "Which limps up bleeding to my foot and lies, 1465
 "—Come to me, daughter!—thus I throw him back!"
 Have we misjudged here, over-armed our knight,
 Given gold and silk where plain hard steel serves best,
 Enfeebled whom we sought to fortify,
 Made an archbishop and undone a saint? 1470
 Well, then, descend these heights, this pride of life,
 Sit in the ashes with a barefoot monk
 Who long ago stamped out the worldly sparks,
 By fasting, watching, stone cell and wire scourge,
 —No such indulgence as unknits the strength— 1475
 These breed the tight nerve and tough cuticle,
 And the world's praise or blame runs rillet-wise
 Off the broad back and brawny breast, we know!
 He meets the first cold sprinkle of the world,
 And shudders to the marrow. "Save this child? 1480
 "Oh, my superiors, oh, the Archbishop's self!

" Who was it dared lay hand upon the ark
 " His betters saw fall nor put finger forth?
 " Great ones could help yet help not : why should small?
 " I break my promise : let her break her heart ! " 1485
 These are the Christians not the worldlings, not
 The sceptics, who thus battle for the faith !
 If foolish virgins disobey and sleep,
 What wonder? But, this time, the wise that watch,
 Sell lamps and buy lutes, exchange oil for wine, 1490
 The mystic Spouse betrays the Bridegroom here.
 To our last resource, then ! Since all flesh is weak,
 Bind weaknesses together, we get strength :
 The individual weighed, found wanting, try
 Some institution, honest artifice 1495
 Whereby the units grow compact and firm !
 Each props the other, and so stand is made
 By our embodied cowards that grow brave.
 The Monastery called of Convertites,
 Meant to help women because these helped Christ,—
 A thing existent only while it acts, 1501
 Does as designed, else a nonentity,—
 For what is an idea unrealized?—
 Pompilia is consigned to these for help.
 They do help : they are prompt to testify 1505
 To her pure life and saintly dying days.
 She dies, and lo, who seemed so poor, proves rich.

What does the body that lives through helpfulness
 To women for Christ's sake? The kiss turns bite,
 The dove's note changes to the crow's cry: judge! 1510
 "Seeing that this our Convent claims of right
 "What goods belong to those we succour, be
 "The same proved women of dishonest life,—
 "And seeing that this Trial made appear
 "Pompilia was in such predicament,— 1515
 "The Convent hereupon pretends to said
 "Succession of Pompilia, issues writ,
 "And takes possession by the Fisc's advice."
 Such is their attestation to the cause
 Of Christ, who had one saint at least, they hoped: 1520
 But, is a title-deed to filch, a corpse
 To slander, and an infant-heir to cheat?
 Christ must give up his gains then! They unsay
 All the fine speeches,—who was saint is whore.
 Why, scripture yields no parallel for this! 1525
 The soldiers only threw dice for Christ's coat;
 We want another legend of the Twelve
 Disputing if it was Christ's coat at all,
 Claiming as prize the woof of price—for why?
 The Master was a thief, purloined the same, 1530
 Or paid for it out of the common bag!
 Can it be this is end and outcome, all
 I take with me to show as stewardship's fruit,

The best yield of the latest time, this year
 The seventeen-hundredth since God died for man? 1535
 Is such effect proportionate to cause?
 And still the terror keeps on the increase
 When I perceive . . . how can I blink the fact?
 That the fault, the obduracy to good,
 Lies not with the impracticable stuff 1540
 Whence man is made, his very nature's fault,
 As if it were of ice the moon may gild
 Not melt, or stone 't was meant the sun should warm
 Not make bear flowers,—nor ice nor stone to blame:
 But it can melt, that ice, can bloom, that stone, 1545
 Impassible to rule of day and night!
 This terrifies me, thus compelled perceive,
 Whatever love and faith we looked should spring
 At advent of the authoritative star,
 Which yet lie sluggish, curdled at the source,— 1550
 These have leapt forth profusely in old time,
 These still respond with promptitude to-day,
 At challenge of—what unacknowledged powers
 O' the air, what uncommissioned meteors, warmth
 By law, and light by rule should supersede? 1555
 For see this priest, this Caponsacchi, stung
 At the first summons,—“ Help for honour's sake,
 “ Play the man, pity the oppressed ! ”—no pause,
 How does he lay about him in the midst,

Strike any foe, right wrong at any risk, 1560
 All blindness, bravery and obedience!—blind?
 Ay, as a man would be inside the sun,
 Delirious with the plenitude of light
 Should interfuse him to the finger-ends—
 Let him rush straight, and how shall he go wrong? 1565
 Where are the Christians in their panoply?
 The loins we girt about with truth, the breasts
 Righteousness plated round, the shield of faith,
 The helmet of salvation, and that sword
 O' the Spirit, even the word of God,—where these? 1570
 Slunk into corners! Oh, I hear at once
 Hubbub of protestation! “What, we monks
 “We friars, of such an order, such a rule,
 “Have not we fought, bled, left our martyr-mark
 “At every point along the boundary-line 1575
 “’Twixt true and false, religion and the world,
 “Where this or the other dogma of our Church
 “Called for defence?” And I, despite myself,
 How can I but speak loud what truth speaks low,
 “Or better than the best, or nothing serves! 1580
 “What boots deed, I can cap and cover straight
 “With such another doughtiness to match,
 “Done at an instinct of the natural man?”
 Immolate body, sacrifice soul too,—
 Do not these publicans the same? Outstrip! 1585

Or else stop race you boast runs neck and neck,
 You with the wings, they with the feet,—for shame !
 Oh, I remark your diligence and zeal !
 Five years long, now, rounds faith into my ears,
 “ Help thou, or Christendom is done to death ! ” 1590
 Five years since, in the Province of To-kien,
 Which is in China as some people know,
 Maigrot, my Vicar Apostolic there,
 Having a great qualm, issues a decree.
 Alack, the converts use as God’s name, not 1595
Tien-chu but plain *Tien* or else mere *Shang-ti*,
 As Jesuits please to fancy politic,
 While, say Dominicans, it calls down fire,—
 For *Tien* means heaven, and *Shang-ti*, supreme prince,
 While *Tien-chu* means the lord of heaven : all cry,
 “ There is no business urgent for despatch 1601
 “ As that thou send a legate, specially
 “ Cardinal Tournon, straight to Peking, there
 “ To settle and compose the difference ! ”
 So have I seen a potentate all fume 1605
 For some infringement of his realm’s just right,
 Some menace to a mud-built straw-thatched farm
 O’ the frontier ; while inside the mainland lie,
 Quite undisputed-for in solitude,
 Whole cities plague may waste or famine sap : 1610
 What if the sun crumble, the sands encroach,

While he looks on sublimely at his ease?
How does their ruin touch the empire's bound?

And is this little all that was to be?
Where is the gloriously-decisive change, 1615
Metamorphosis the immeasurable
Of human clay to divine gold, we looked
Should, in some poor sort, justify its price?
Had an adept of the mere Rosy Cross
Spent his life to consummate the Great Work, 1620
Would not we start to see the stuff it touched
Yield not a grain more than the vulgar got
By the old smelting-process years ago?
If this were sad to see in just the sage
Who should profess so much, perform no more, 1625
What is it when suspected in that Power
Who undertook to make and made the world,
Devised and did effect man, body and soul,
Ordained salvation for them both, and yet . . .
Well, is the thing we see, salvation? 1630

I

Put no such dreadful question to myself,
Within whose circle of experience burns
The central truth, Power, Wisdom, Goodness,—God :
I must outlive a thing ere know it dead : 1635
When I outlive the faith there is a sun,

When I lie, ashes to the very soul,—
 Someone, not I, must wail above the heap,
 “He died in dark whence never morn arose.”
 While I see day succeed the deepest night— 1640
 How can I speak but as I know?—my speech
 Must be, throughout the darkness, “It will end :
 “The light that did burn, will burn!” Clouds obscure—
 But for which obscuration all were bright?
 Too hastily concluded! Sun-suffused, 1645
 A cloud may soothe the eye made blind by blaze,—
 Better the very clarity of heaven :
 The soft streaks are the beautiful and dear.
 What but the weakness in a faith supplies
 The incentive to humanity, no strength 1650
 Absolute, irresistible, comports?
 How can man love but what he yearns to help?
 And that which men think weakness within strength,
 But angels know for strength and stronger yet—
 What were it else but the first things made new, 1655
 But repetition of the miracle,
 The divine instance of self-sacrifice
 That never ends and aye begins for man?
 So, never I miss footing in the maze,
 No,—I have light nor fear the dark at all. 1660

But are mankind not real, who pace outside

My petty circle, world that 's measured me?
 And when they stumble even as I stand,
 Have I a right to stop ear when they cry,
 As they were phantoms who took clouds for crags, 1665
 Tripped and fell, where man's march might safely move?
 Beside, the cry is other than a ghost's,
 When out of the old time there pleads some bard,
 Philosopher, or both, and—whispers not,
 But words it boldly. "The inward work and worth 1670
 "Of any mind, what other mind may judge
 "Save God who only knows the thing He made,
 "The veritable service He exacts?
 "It is the outward product men appraise.
 "Behold, an engine hoists a tower aloft: 1675
 "' I looked that it should move the mountain too !'
 "Or else ' Had just a turret toppled down,
 "' Success enough !'—may say the Machinist
 "Who knows what less or more result might be :
 "But we, who see that done we cannot do, 1680
 "' A feat beyond man's force,' we men must say.
 "Regard me and that shake I gave the world !
 "I was born, not so long before Christ's birth
 "As Christ's birth haply did precede thy day,—
 "But many a watch before the star of dawn: 1685
 "Therefore I lived,—it is thy creed affirms,
 "Pope Innocent, who art to answer me !—

- " Under conditions, nowise to escape,
 " Whereby salvation was impossible.
 " Each impulse to achieve the good and fair, 1690
 " Each aspiration to the pure and true,
 " Being without a warrant or an aim,
 " Was just as sterile a felicity
 " As if the insect, born to spend his life
 " Soaring his circles, stopped them to describe 1695
 " (Painfully motionless in the mid-air)
 " Some word of weighty counsel for man's sake,
 " Some 'Know thyself' or 'Take the golden mean':
 " —Forwent his happy dance and the glad ray,
 " Died half an hour the sooner and was dust. 1700
 " I, born to perish like the brutes, or worse,
 " Why not live brutishly, obey brutes' law?
 " But I, of body as of soul complete,
 " A gymnast at the games, philosopher
 " I' the schools, who painted, and made music,— all
 " Glories that met upon the tragic stage 1706
 " When the Third Poet's tread surprised the Two,—
 " Whose lot fell in a land where life was great
 " And sense went free and beauty lay profuse,
 " I, untouched by one adverse circumstance, 1710
 " Adopted virtue as my rule of life,
 " Waived all reward, loved but for loving's sake,
 " And, what my heart taught me, I taught the world,

- " And have been teaching now two thousand years.
 " Witness my work,—plays that should please, forsooth!
 " "They might please, they may displease, they shall
 teach, 1716
 " "For truth's sake,' so I said, and did, and do.
 " Five hundred years ere Paul spoke, Felix heard,—
 " How much of temperance and righteousness,
 " Judgment to come, did I find reason for, 1720
 " Corroborate with my strong style that spared
 " No sin, nor swerved the more from branding brow
 " Because the sinner was called Zeus and God?
 " How nearly did I guess at that Paul knew?
 " How closely come, in what I represent 1725
 " As duty, to his doctrine yet a blank?
 " And as that limner not untruly limns
 " Who draws an object round or square, which square
 " Or round seems to the unassisted eye,
 " Though Galileo's tube display the same 1730
 " Oval or oblong,—so, who controverts
 " I rendered rightly what proves wrongly wrought
 " Beside Paul's picture? Mine was true for me.
 " I saw that there are, first and above all,
 " The hidden forces, blind necessities, 1735
 " Named Nature, but the thing's self unconceived :
 " Then follow,—how dependent upon these,
 " We know not, how imposed above ourselves,

" We well know,—what I name the gods, a power
 " Various or one : for great and strong and good
 " Is there, and little, weak and bad there too, 1741
 " Wisdom and folly : say, these make no God,—
 " What is it else that rules outside man's self?
 " A fact then,—always, to the naked eye,—
 " And so, the one revelation possible 1745
 " Of what were unimagined else by man.
 " Therefore, what gods do, man may criticize,
 " Applaud, condemn,—how should he fear the truth?—
 " But likewise have in awe because of power,
 " Venerate for the main munificence, 1750
 " And give the doubtful deed its due excuse
 " From the acknowledged creature of a day
 " To the Eternal and Divine. Thus, bold
 " Yet self-mistrusting, should man bear himself,
 " Most assured on what now concerns him most—
 " The law of his own life, the path he prints,— 1756
 " Which law is virtue and not vice, I say,—
 " And least inquisitive where search least skills,
 " I' the nature we best give the clouds to keep.
 " What could I paint beyond a scheme like this 1760
 " Out of the fragmentary truths where light
 " Lay fitful in a tenebrific time?
 " You have the sunrise now, joins truth to truth,
 " Shoots life and substance into death and void ;

- "Themselves compose the whole we made before :
 "The forces and necessity grow God,— 1766
 "The beings so contrarious that seemed gods,
 "Prove just His operation manifold
 "And multiform, translated, as must be,
 "Into intelligible shape so far 1770
 "As suits our sense and sets us free to feel.
 "What if I let a child think, childhood-long,
 "That lightning, I would have him spare his eye,
 "Is a real arrow shot at naked orb? 1774
 "The man knows more, but shuts his lids the same :
 "Lightning's cause comprehends nor man nor child.
 "Why then, my scheme, your better knowledge broke,
 "Presently re-adjusts itself, the small
 "Proportioned largelier, parts and whole named new :
 "So much, no more two thousand years have done !
 "Pope, dost thou dare pretend to punish me, 1781
 "For not desecrating sunshine at midnight,
 "Me who crept all-fours, found my way so far—
 "While thou rewardest teachers of the truth, 1784
 "Who miss the plain way in the blaze of noon,—
 "Though just a word from that strong style of mine,
 "Grasped honestly in hand as guiding-staff,
 "Had pricked them a sure path across the bog,
 "That mire of cowardice and slush of lies
 "Wherein I find them wallow in wide day !" 1790

How should I answer this Euripides?
 Paul,—’t is a legend,—answered Seneca,
 But that was in the day-spring; noon is now :
 We have got too familiar with the light. 1794
 Shall I wish back once more that thrill of dawn?
 When the whole truth-touched man burned up, one fire?
 —Assured the trial, fiery, fierce, but fleet,
 Would, from his little heap of ashes, lend
 Wings to that conflagration of the world
 Which Christ awaits ere He makes all things new :
 So should the frail become the perfect, rapt 1801
 From glory of pain to glory of joy ; and so,
 Even in the end,—the act renouncing earth,
 Lands, houses, husbands, wives and children here,—
 Begin that other act which finds all, lost, 1805
 Regained, in this time even, a hundredfold,
 And, in the next time, feels the finite love
 Blent and embalmed with the eternal life.
 So does the sun ghastlily seem to sink
 In those north parts, lean all but out of life, 1810
 Desist a dread mere breathing-stop, then slow
 Re-assert day, begin the endless rise.
 Was this too easy for our after-stage?
 Was such a lighting-up of faith, in life,
 Only allowed initiate, set man’s step 1815
 In the true way by help of the great glow?

A way wherein it is ordained he walk,
 Bearing to see the light from heaven still more
 And more encroached on by the light of earth,
 Tentatives earth puts forth to rival heaven, 1820
 Earthly incitements that mankind serve God
 For man's sole sake, not God's and therefore man's.
 Till at last, who distinguishes the sun
 From a mere Druid fire on a far mount?
 More praise to him who with his subtle prism 1825
 Shall decompose both beams and name the true.
 In such sense, who is last proves first indeed ;
 For how could saints and martyrs fail see truth
 Streak the night's blackness? Who is faithful now?
 Who untwists heaven's white from the yellow flare
 O' the world's gross torch, without night's foil that helped
 Produce the Christian act so possible 1832
 When in the way stood Nero's cross and stake,—
 So hard now when the world smiles "Right and wise!
 " Faith points the politic, the thrifty way, 1835
 " Will make who plods it in the end returns
 " Beyond mere fool's-sport and improvidence.
 " We fools dance thro' the cornfield of this life,
 " Pluck ears to left and right and swallow raw,
 " —Nay, tread, at pleasure, a sheaf underfoot, 1840
 " To get the better at some poppy-flower,—
 " Well aware we shall have so much less wheat

" In the eventual harvest : you meantime
 " Waste not a spike,—the richlier will you reap !
 " What then? There will be always garnered meal
 " Sufficient for our comfortable loaf, 1846
 " While you enjoy the undiminished sack !"
 Is it not this ignoble confidence,
 Cowardly hardihood, that dulls and damps,
 Makes the old heroism impossible? 1850

Unless . . . what whispers me of times to come?
 What if it be the mission of that age
 My death will usher into life, to shake
 This torpor of assurance from our creed,
 Re-introduce the doubt discarded, bring 1855
 That formidable danger back, we drove
 Long ago to the distance and the dark?
 No wild beast now prowls round the infant camp :
 We have built wall and sleep in city safe :
 But if some earthquake try the towers that laugh
 To think they once saw lions rule outside, 1861
 And man stand out again, pale, resolute,
 Prepared to die,—which means, alive at last?
 As we broke up that old faith of the world,
 Have we, next age, to break up this the new— 1865
 Faith, in the thing, grown faith in the report—
 Whence need to bravely disbelieve report

Through increased faith i' the thing reports belie?
 Must we deny,—do they, these Molinists,
 At peril of their body and their soul,— 1870
 Recognized truths, obedient to some truth
 Unrecognized yet, but perceptible?—
 Correct the portrait by the living face,
 Man's God, by God's God in the mind of man?
 Then, for the few that rise to the new height, 1875
 The many that must sink to the old depth,
 The multitude found fall away! A few,
 E'en ere new law speak clear, may keep the old,
 Preserve the Christian level, call good good
 And evil evil, (even though razed and blank 1880
 The old titles,) helped by custom, habitude,
 And all else they mistake for finer sense
 O' the fact that reason warrants,—as before,
 They hope perhaps, fear not impossibly.
 At least some one Pompilia left the world 1885
 Will say "I know the right place by foot's feel,
 "I took it and tread firm there; wherefore change?"
 But what a multitude will surely fall
 Quite through the crumbling truth, late subjacent,
 Sink to the next discoverable base, 1890
 Rest upon human nature, settle there
 On what is firm, the lust and pride of life!
 A mass of men, whose very souls even now

Seem to need re-creating,—so they slink
 Worm-like into the mud, light now lays bare,— 1895
 Whose future we dispose of with shut eyes
 And whisper—“They are grafted, barren twigs,
 “Into the living stock of Christ: may bear
 “One day, till when they lie death-like, not dead,”—
 Those who with all the aid of Christ succumb, 1900
 How, without Christ, shall they, unaided, sink?
 Whither but to this gulf before my eyes?
 Do not we end, the century and I?
 The impatient antimasque treads close on kibe
 O’ the very masque’s self it will mock,—on me, 1905
 Last lingering personage, the impatient mime
 Pushes already,—will I block the way?
 Will my slow trail of garments ne’er leave space
 For pantaloons, sock, plume and castanet?
 Here comes the first experimentalist 1910
 In the new order of things,—he plays a priest;
 Does he take inspiration from the Church,
 Directly make her rule his law of life?
 Not he: his own mere impulse guides the man—
 Happily sometimes, since ourselves allow 1915
 He has danced, in gaiety of heart, i’ the main
 The right step through the maze we bade him foot.
 But if his heart had prompted him break loose
 And mar the measure? Why, we must submit,

And thank the chance that brought him safe so far.
 Will he repeat the prodigy? Perhaps. 1921
 Can he teach others how to quit themselves,
 Show why this step was right while that were wrong?
 How should he? "Ask your hearts as I asked mine,
 "And get discreetly through the morrice too; 1925
 "If your hearts misdirect you,—quit the stage,
 "And make amends,—be there amends to make!"
 Such is, for the Augustin that was once,
 This Canon Caponsacchi we see now.
 "But my heart answers to another tune," 1930
 Puts in the Abate, second in the suite,
 "I have my taste too, and tread no such step!
 "You choose the glorious life, and may, for me!
 "I like the lowest of life's appetites,—
 "So you judge,—but the very truth of joy 1935
 "To my own apprehension which decides.
 "Call me knave and you get yourself called fool!
 "I live for greed, ambition, lust, revenge;
 "Attain these ends by force, guile: hypocrite,
 "To-day, perchance to-morrow recognized 1940
 "The rational man, the type of common sense."
 There's Loyola adapted to our time!
 Under such guidance Guido plays his part,
 He also influencing in the due turn
 These last clods where I track intelligence 1945

By any glimmer, these four at his beck
 Ready to murder any, and, at their own,
 As ready to murder him,—such make the world!
 And, first effect of the new cause of things,
 There they lie also duly,—the old pair 1950
 Of the weak head and not so wicked heart,
 With the one Christian mother, wife and girl,
 —Which three gifts seem to make an angel up,—
 The world's first foot o' the dance is on their heads!
 Still, I stand here, not off the stage though close 1955
 On the exit: and my last act, as my first,
 I owe the scene, and Him who armed me thus
 With Paul's sword as with Peter's key. I smite
 With my whole strength once more, ere end my part,
 Ending, so far as man may, this offence. 1960
 And when I raise my arm, who plucks my sleeve?
 Who stops me in the righteous function,—foe
 Or friend? Oh, still as ever, friends are they
 Who, in the interest of outraged truth
 Deprecate such rough handling of a lie! 1965
 The facts being proved and incontestable,
 What is the last word I must listen to?
 Perchance—"Spare yet a term this barren stock
 "We pray thee dig about and dung and dress
 "Till he repent and bring forth fruit even yet!" 1970
 Perchance—"So poor and swift a punishment

" Shall throw him out of life with all that sin :
 " Let mercy rather pile up pain on pain
 " 'Till the flesh expiate what the soul pays else !"
 Nowise ! Remonstrants on each side commence
 Instructing, there 's a new tribunal now 1976
 Higher than God's—the educated man's !
 Nice sense of honour in the human breast
 Supersedes here the old coarse oracle—
 Confirming none the less a point or so 1980
 Wherein blind predecessors worked aright
 By rule of thumb : as when Christ said,—when, where ?
 Enough, I find it pleaded in a place,—
 " All other wrongs done, patiently I take :
 " But touch my honour and the case is changed !
 " I feel the due resentment,—*nemini* 1986
 " *Honorem trado* is my quick retort."
 Right of Him, just as if pronounced to-day !
 Still, should the old authority be mute
 Or doubtful or in speaking clash with new, 1990
 The younger takes permission to decide.
 At last we have the instinct of the world
 Ruling its household without tutelage :
 And while the two laws, human and divine,
 Have busied finger with this tangled case, 1995
 In pushes the brisk junior, cuts the knot,
 Pronounces for acquittal. How it trips

Silvery o'er the tongue! "Remit the death!
 "Forgive, . . . well, in the old way, if thou please,
 "Decency and the relics of routine 2000
 "Respected,—let the Count go free as air!
 "Since he may plead a priest's immunity,—
 "The minor orders help enough for that,
 "With Farinacci's licence,—who decides
 "That the mere implication of such man, 2005
 "So privileged, in any cause, before
 "Whatever Court except the Spiritual,
 "Straight quashes law-procedure,—quash it, then!
 "Remains a pretty loophole of escape
 "Moreover, that, beside the patent fact 2010
 "O' the law's allowance, there's involved the weal
 "O' the Popedom: a son's privilege at stake,
 "Thou wilt pretend the Church's interest,
 "Ignore all finer reasons to forgive!
 "But herein lies the crowning cogency— 2015
 "(Let thy friends teach thee while thou tellest beads)
 "That in this case the spirit of culture speaks,
 "Civilization is imperative.
 "To her shall we remand all delicate points
 "Henceforth, nor take irregular advice 2020
 "O' the sly, as heretofore: she used to hint
 "Remonstrances, when law was out of sorts
 "Because a saucy tongue was put to rest,

- " An eye that roved was cured of arrogance :
 " But why be forced to mumble under breath 2025
 " What soon shall be acknowledged as plain fact,
 " Outspoken, say, in thy successor's time?
 " Methinks we see the golden age return !
 " Civilization and the Emperor
 " Succeed to Christianity and Pope. 2030
 " One Emperor then, as one Pope now : meanwhile,
 " Anticipate a little ! We tell thee ' Take
 " ' Guido's life, sapped society shall crash,
 " ' Whereof the main prop was, is, and shall be
 " ' —Supremacy of husband over wife !' 2035
 " Does the man rule i' the house, and may his mate
 " Because of any plea dispute the same?
 " Oh, pleas of all sorts shall abound, be sure,
 " One but allowed validity,—for, harsh
 " And savage, for, inept and silly-sooth, 2040
 " For, this and that, will the ingenious sex
 " Demonstrate the best master e'er graced slave :
 " And there 's but one short way to end the coil,—
 " Acknowledge right and reason steadily
 " I' the man and master : then the wife submits 2045
 " To plain truth broadly stated. Does the time
 " Advise we shift—a pillar? nay, a stake
 " Out of its place i' the social tenement?
 " One touch may send a shudder through the heap

- " And bring it toppling on our children's heads ! 2050
 " Moreover, if ours breed a qualm in thee,
 " Give thine own better feeling play for once !
 " Thou, whose own life winks o'er the socket-edge,
 " Wouldst thou it went out in such ugly snuff
 " As dooming sons dead, e'en though justice prompt ?
 " Why, on a certain feast, Barabbas' self 2056
 " Was set free, not to cloud the general cheer :
 " Neither shalt thou pollute thy Sabbath close !
 " Mercy is safe and graceful. How one hears
 " The howl begin, scarce the three little taps 2060
 " O' the silver mallet silent on thy brow,—
 " ' His last act was to sacrifice a Count
 " ' And thereby screen a scandal of the Church !
 " ' Guido condemned, the Canon justified
 " ' Of course,—delinquents of his cloth go free !' 2065
 " And so the Luthers chuckle, Calvins scowl,
 " So thy hand helps Molinos to the chair
 " Whence he may hold forth till doom's day on just
 " These *petit-maitre* priestlings,—in the choir
 " *Sanctus et Benedictus*, with a brush 2070
 " Of soft guitar-strings that obey the thumb,
 " Touched by the bedside, for accompaniment !
 " Does this give umbrage to a husband ? Death
 " To the fool, and to the priest impunity !
 " But no impunity to any friend 2075

" So simply over-loyal as these four
 " Who made religion of their patron's cause,
 " Believed in him and did his bidding straight,
 " Asked not one question but laid down the lives
 " This Pope took,—all four lives together make 2080
 " Just his own length of days,—so, dead they lie,
 " As these were times when loyalty 's a drug,
 " And zeal in a subordinate too cheap
 " And common to be saved when we spend life !
 " Come, 't is too much good breath we waste in words :
 " The pardon, Holy Father ! Spare grimace, 2086
 " Shrugs and reluctance ! Are not we the world,
 " Art not thou Priam ? Let soft culture plead
 " Hecuba-like, '*non tuli*' (Virgil serves)
 " '*Auxilio*' and the rest ! Enough, it works ! 2090
 " The Pope relaxes, and the Prince is loth,
 " The father's bowels yearn, the man's will bends,
 " Reply is apt. Our tears on tremble, hearts
 " Big with a benediction, wait the word
 " Shall circulate thro' the city in a trice, 2095
 " Set every window flaring, give each man
 " O' the mob his torch to wave for gratitude.
 " Pronounce then, for our breath and patience fail ! "

I will, Sirs : but a voice other than yours

Quickens my spirit. "*Quis pro Domino?*" 2100

“Who is upon the Lord’s side?” asked the Count.

I, who write—

“On receipt of this command,

“Acquaint Count Guido and his fellows four

“They die to-morrow : could it be to-night, 2105

“The better, but the work to do, takes time.

“Set with all diligence a scaffold up,

“Not in the customary place, by Bridge

“Saint Angelo, where die the common sort ;

“But since the man is noble, and his peers 2110

“By predilection haunt the People’s Square,

“There let him be beheaded in the midst,

“And his companions hanged on either side :

“So shall the quality see, fear and learn.

“All which work takes time : till to-morrow, then,

“Let there be prayer incessant for the five !” 2116

For the main criminal I have no hope

Except in such a suddenness of fate.

I stood at Naples once, a night so dark

I could have scarce conjectured there was earth 2120

Anywhere, sky or sea or world at all :

But the night’s black was burst through by a blaze—

Thunder struck blow on blow, earth groaned and bore,

Through her whole length of mountain visible :

There lay the city thick and plain with spires, 2125

And, like a ghost disshrouded, white the sea.
So may the truth be flashed out by one blow,
And Guido see, one instant, and be saved.
Else I avert my face, nor follow him
Into that sad obscure sequestered state 2130
Where God unmakes but to remake the soul
He else made first in vain ; which must not be.
Enough, for I may die this very night
And how should I dare die, this man let live?

Carry this forthwith to the Governor ! 2135

XI.

GUIDO.

You are the Cardinal Acciaiuoli, and you,
 Abate Panciatichi—two good Tuscan names :
 Acciaiuoli—ah, your ancestor it was
 Built the huge battlemented convent-block
 Over the little forky flashing Greve 5
 That takes the quick turn at the foot o' the hill
 Just as one first sees Florence : oh those days !
 'T is Ema, though, the other rivulet,
 The one-arched brown brick bridge yawns over,—yes,
 Gallop and go five minutes, and you gain 10
 The Roman Gate from where the Ema's bridged :
 Kingfishers fly there : how I see the bend
 O'erturreted by Certosa which he built,
 That Senescal (we styled him) of your House !
 I do adjure you, help me, Sirs ! My blood 15
 Comes from as far a source : ought it to end
 This way, by leakage through their scaffold-planks

Into Rome's sink where her red refuse runs ?
 Sirs, I beseech you by blood-sympathy,
 If there be any vile experiment 20
 In the air,—if this your visit simply prove,
 When all 's done, just a well-intentioned trick
 That tries for truth truer than truth itself,
 By startling up a man, ere break of day,
 To tell him he must die at sunset,—pshaw ! 25
 That man's a Franceschini ; feel his pulse,
 Laugh at your folly, and let 's all go sleep !
 You have my last word,—innocent am I
 As Innocent my Pope and murderer,
 Innocent as a babe, as Mary's own, 30
 As Mary's self,—I said, say and repeat,—
 And why, then, should I die twelve hours hence? I—
 Whom, not twelve hours ago, the gaoler bade
 Turn to my straw-truss, settle and sleep sound
 That I might wake the sooner, promptlier pay 35
 His due of meat-and-drink-indulgence, cross
 His palm with fee of the good-hand, beside,
 As gallants use who go at large again !
 For why? All honest Rome approved my part ;
 Whoever owned wife, sister, daughter,—nay, 40
 Mistress,—had any shadow of any right
 That looks like right, and, all the more resolved,
 Held it with tooth and nail,—these manly men

Approved! I being for Rome, Rome was for me.
 Then, there's the point reserved, the subterfuge 45
 My lawyers held by, kept for last resource,
 Firm should all else,—the impossible fancy!—fail,
 And sneaking burgess-spirit win the day.
 The knaves! One plea at least would hold,—they
 laughed,—
 One grappling-iron scratch the bottom-rock 50
 Even should the middle mud let anchor go!
 I hooked my cause on to the Clergy's,—plea
 Which, even if law tipped off my hat and plume,
 Revealed my priestly tonsure, saved me so.
 The Pope moreover, this old Innocent, 55
 Being so meek and mild and merciful,
 So fond o' the poor and so fatigued of earth,
 So . . . fifty thousand devils in deepest hell!
 Why must he cure us of our strange conceit
 Of the angel in man's likeness, that we loved 60
 And looked should help us at a pinch? He help?
 He pardon? Here's his mind and message—death!
 Thank the good Pope! Now, is he good in this,
 Never mind, Christian,—no such stuff's extant,—
 But will my death do credit to his reign, 65
 Show he both lived and let live, so was good?
 Cannot I live if he but like? “The law!”
 Why, just the law gives him the very chance,

The precise leave to let my life alone,
 Which the archangelic soul of him (he says) 70
 Yearns after! Here they drop it in his palm,
 My lawyers, capital o' the cursed kind,—
 Drop life to take and hold and keep: but no!
 He sighs, shakes head, refuses to shut hand,
 Motions away the gift they bid him grasp, 75
 And of the coyness comes—that off I run
 And down I go, he best knows whither! mind,
 He knows, who sets me rolling all the same!
 Disinterested Vicar of our Lord,
 This way he abrogates and disallows, 80
 Nullifies and ignores,—reverts in fine
 To the good and right, in detriment of me!
 Talk away! Will you have the naked truth?
 He 's sick of his life's supper,—swallowed lies:
 So, hobbling bedward, needs must ease his maw 85
 Just where I sit o' the door-sill. Sir Abate,
 Can you do nothing? Friends, we used to frisk:
 What of this sudden slash in a friend's face,
 This cut across our good companionship
 That showed its front so gay when both were young?
 Were not we put into a beaten path, 91
 Bid pace the world, we nobles born and bred,
 We body of friends with each his scutcheon full
 Of old achievement and impunity,—

Taking the laugh of morn and Sol's salute 95
 As forth we fared, pricked on to breathe our steeds
 And take equestrian sport over the green
 Under the blue, across the crop,—what care?
 If we went prancing up hill and down dale,
 In and out of the level and the straight, 100
 By the bit of pleasant byeway, where was harm?
 Still Sol salutes me and the morning laughs :
 I see my grandsire's hoof-prints,—point the spot
 Where he drew rein, slipped saddle, and stabbed knave
 For daring throw gibe—much less, stone—from pale : 105
 Then back, and on, and up with the cavalcade.
 Just so wend we, now canter, now converse,
 Till, 'mid the jauncing pride and jaunty port,
 Something of a sudden jerks at somebody—
 A dagger is out, a flashing cut and thrust, 110
 Because I play some prank my grandsire played,
 And here I sprawl : where is the company? Gone!
 A trot and a trample ! only I lie trapped,
 Writhe in a certain novel springe just set
 By the good old Pope : I'm first prize. Warn me?
 Why? 115
 Apprise me that the law o' the game is changed?
 Enough that I 'm a warning, as I writhe,
 To all and each my fellows of the file,
 And make law plain henceforward past mistake,

"For such a prank, death is the penalty!" 120
 Pope the Five Hundredth (what do I know or care?)
 Deputes your Eminency and Abateship
 To announce that, twelve hours from this time, he needs
 I just essay upon my body and soul
 The virtue of his brand-new engine, prove 125
 Represser of the pranksome! I'm the first!
 Thanks. Do you know what teeth you mean to try
 The sharpness of, on this soft neck and throat?
 I know it,—I have seen and hate it,—ay,
 As you shall, while I tell you! Let me talk, 130
 Or leave me, at your pleasure! talk I must:
 What is your visit but my lure to talk?
 Nay, you have something to disclose?—a smile,
 At end of the forced sternness, means to mock
 The heart-beats here? I call your two hearts stone!
 Is your charge to stay with me till I die? 136
 Be tacit as your bench, then! Use your ears,
 I use my tongue: how glibly yours will run
 At pleasant supper-time . . . God's curse! . . . to-night
 When all the guests jump up, begin so brisk 140
 "Welcome, his Eminence who shrived the wretch!
 "Now we shall have the Abate's story!"

Life!

How I could spill this overplus of mine

Among those hoar-haired, shrunk-shanked odds and
ends

Of body and soul old age is chewing dry! 146

Those windlestraws that stare while purblind death

Mows here, mows there, makes hay of juicy me,

And misses just the bunch of withered weed

Would brighten hell and streak its smoke with flame!

How the life I could shed yet never shrink, 151

Would drench their stalks with sap like grass in May!

Is it not terrible, I entreat you, Sirs?—

With manifold and plenitudinous life,

Prompt at death's menace to give blow for threat, 155

Answer his "Be thou not!" by "Thus I am!"—

Terrible so to be alive yet die?

How I live, how I see! so,—how I speak!

Lucidity of soul unlocks the lips:

I never had the words at will before. 160

How I see all my folly at a glance!

"A man requires a woman and a wife:"

There was my folly; I believed the saw.

I knew that just myself concerned myself,

Yet needs must look for what I seemed to lack, 165

In a woman,—why, the woman's in the man!

Fools we are, how we learn things when too late!

Overmuch life turns round my woman-side:

The male and female in me, mixed before,
 Settle of a sudden : I 'm my wife outright 170
 In this unmanly appetite for truth,
 This careless courage as to consequence,
 This instantaneous sight through things and through,
 This voluble rhetoric, if you please,— 't is she !
 Here you have that Pompilia whom I slew, 175
 Also the folly for which I slew her !

Fool !

And, fool-like, what is it I wander from?
 What did I say of your sharp iron tooth?
 Ah,—that I know the hateful thing ! this way. 180
 I chanced to stroll forth, many a good year gone,
 One warm Spring eve in Rome, and unaware
 Looking, mayhap, to count what stars were out,
 Came on your fine axe in a frame, that falls
 And so cuts off a man's head underneath, 185
 Mannaia,—thus we made acquaintance first :
 Out of the way, in a by-part o' the town,
 At the Mouth-of-Truth o' the river-side, you know :
 One goes by the Capitol : and wherefore coy,
 Retiring out of crowded noisy Rome ? 190
 Because a very little time ago
 It had done service, chopped off head from trunk
 Belonging to a fellow whose poor house
 The thing must make a point to stand before —

Felice Whatsoever-was-the-name 195
 Who stabled buffaloes and so gained bread,
 (Our clowns unyoke them in the ground hard by)
 And, after use of much improper speech,
 Had struck at Duke Some-title-or-other's face,
 Because he kidnapped, carried away and kept 200
 Felice's sister who would sit and sing
 I' the filthy doorway while she plaited fringe
 To deck the brutes with,—on their gear it goes,—
 The good girl with the velvet in her voice.
 So did the Duke, so did Felice, so 205
 Did Justice, intervening with her axe.
 There the man-mutilating engine stood
 At ease, both gay and grim, like a Swiss guard
 Off duty,—purified itself as well,
 Getting dry, sweet and proper for next week,— 210
 And doing incidental good, 't was hoped,
 To the rough lesson-lacking populace
 Who now and then, forsooth, must right their wrongs!
 There stood the twelve-foot-square of scaffold, railed
 Considerately round to elbow-height, 215
 For fear an officer should tumble thence
 And sprain his ankle and be lame a month
 Through starting when the axe fell and head too!
 Railed likewise were the steps whereby 't was reached.
 All of it painted red : red, in the midst, 220

Boys lounge and look on, and elucubrate 245
 What the round brush is used for, what the square,—
 So was explained—to me the skill-less then—
 The manner of the grooming for next world
 Undergone by Felice What's-his-name.
 There 's no such lovely month in Rome as May— 250
 May's crescent is no half-moon of red plank,
 And came now tilting o'er the wave i' the west,
 One greenish-golden sea, right 'twixt those bars
 Of the engine—I began acquaintance with,
 Understood, hated, hurried from before, 255
 To have it out of sight and cleanse my soul !
 Here it is all again, conserved for use :
 Twelve hours hence, I may know more, not hate worse.

That young May-moon-month ! Devils of the deep !
 Was not a Pope then Pope as much as now? 260
 Used not he chirrup o'er the Merry Tales,
 Chuckle,—his nephew so exact the wag
 To play a jealous cullion such a trick
 As wins the wife i' the pleasant story ! Well ?
 Why do things change ? Wherefore is Rome un-Romed ?
 I tell you, ere Felice's corpse was cold, 266
 The Duke, that night, threw wide his palace-doors,
 Received the compliments o' the quality
 For justice done him,—bowed and smirked his best,

And in return passed round a pretty thing, 270
 A portrait of Felice's sister's self,
 Florid old rogue Albano's masterpiece,
 As—better than virginity in rags—
 Bouncing Europa on the back o' the bull :
 They laughed and took their road the safelier home.
 Ah, but times change, there 's quite another Pope, 276
 I do the Duke's deed, take Felice's place,
 And, being no Felice, lout and clout,
 Stomach but ill the phrase " I lose my head !"
 How euphemistic ! Lose what ? Lose your ring, 280
 Your snuff-box, tablets, kerchief !—but, your head ?
 I learnt the process at an early age ;
 'T was useful knowledge, in those same old days,
 To know the way a head is set on neck.
 My fencing-master urged " Would you excel ? 285
 " Rest not content with mere bold give-and-guard,
 " Nor pink the antagonist somehow-anyhow !
 " See me dissect a little, and know your game !
 " Only anatomy makes a thrust the thing."
 Oh Cardinal, those lithe live necks of ours ! 290
 Here go the vertebræ, here 's *Atlas*, here
Axis, and here the symphyses stop short,
 So wisely and well,—as, o'er a corpse, we cant,—
 And here 's the silver cord which . . . what 's our word ?
 Depends from the gold bowl, which loosed (not " lost ")

Lets us from heaven to hell,—one chop, we 're loose !
 “ And not much pain i' the process,” quoth a sage :
 Who told him? Not Felice's ghost, I think !
 Such “ losing ” is scarce Mother Nature's mode.
 She fain would have cord ease itself away, 300
 Worn to a thread by threescore years and ten,
 Snap while we slumber : that seems bearable.
 I 'm told one clot of blood extravasate
 Ends one as certainly as Roland's sword,—
 One drop of lymph suffused proves Oliver's mace,— 305
 Intruding, either of the pleasant pair,
 On the arachnoid tunic of my brain.
 That 's Nature's way of loosing cord !—but Art,
 How of Art's process with the engine here,
 When bowl and cord alike are crushed across, 310
 Bored between, bruised through? Why, if Fagon's
 self,
 The French Court's pride, that famed practitioner,
 Would pass his cold pale lightning of a knife,
 Pistoja-ware, adroit 'twixt joint and joint,
 With just a “ See how facile, gentlefolk ! ”— 315
 The thing were not so bad to bear ! Brute force
 Cuts as he comes, breaks in, breaks on, breaks out
 O' the hard and soft of you : is that the same?
 A lithe snake thrids the hedge, makes thro' no leaf :
 A heavy ox sets chest to brier and branch, 320

Bursts somehow through, and leaves one hideous hole
Behind him !

And why, why must this needs be?

Oh, if men were but good ! They are not good,
Nowise like Peter : people called him rough, 325
But if, as I left Rome, I spoke the Saint,
—“ *Petrus, quo vadis ?* ”—doubtless, I should hear,
“ To free the prisoner and forgive his fault !
“ I plucked the absolute dead from God’s own bar,
“ And raised up Dorcas,—why not rescue thee ? ” 330
What would cost one such nullifying word ?
If Innocent succeeds to Peter’s place,
Let him think Peter’s thought, speak Peter’s speech !
I say, he is bound to it : friends, how say you ?
Concede I be all one bloodguiltiness 335
And mystery of murder in the flesh,
Why should that fact keep the Pope’s mouth shut fast ?
He execrates my crime,—good !—sees hell yawn
One inch from the red plank’s end which I press,—
Nothing is better ! What ’s the consequence ? 340
How should a Pope proceed that knows his cue ?
Why, leave me linger out my minute here,
Since close on death comes judgment and comes doom,
Not crib at dawn its pittance from a sheep
Destined ere dewfall to be butcher’s-meat ! 345

Think, Sirs, if I have done you any harm,
 And you require the natural revenge,
 Suppose, and so intend to poison me,
 —Just as you take and slip into my draught
 The paperful of powder that clears scores, 350
 You notice on my brow a certain blue :
 How you both upset the wine at once !
 How you both smile ! “ Our enemy has the plague !
 “ Twelve hours hence he ’ll be scraping his bones bare
 “ Of that intolerable flesh, and die, 355
 “ Frenzied with pain : no need for poison here !
 “ Step aside and enjoy the spectacle ! ”
 Tender for souls are you, Pope Innocent !
 Christ’s maxim is— one soul outweighs the world :
 Respite me, save a soul, then, curse the world ! 360
 “ No,” venerable sire, I hear you smirk,
 “ No : for Christ’s gospel changes names, not things,
 “ Renews the obsolete, does nothing more !
 “ Our fire-new gospel is re-tinkered law,
 “ Our mercy, justice,—Jove’s rechristened God,—
 “ Nay, whereas, in the popular conceit, 366
 “ ’T is pity that old harsh Law somehow limps,
 “ Lingers on earth, although Law’s day be done,
 “ Else would benignant Gospel interpose,
 “ Not furtively as now, but bold and frank 370
 “ O’erflutter us with healing in her wings,

" Law being harshness, Gospel only love —
 " We tell the people, on the contrary,
 " Gospel takes up the rod which Law lets fall ;
 " Mercy is vigilant when justice sleeps ! 375
 " Does Law permit a taste of Gospel-grace?
 " The secular arm allow the spiritual power
 " To act for once?—no compliment so fine
 " As that our Gospel handsomely turn harsh,
 " Thrust victim back on Law the nice and coy!" 380
 Yes, you do say so, else you would forgive
 Me whom Law does not touch but tosses you !
 Don't think to put on the professional face !
 You know what I know : casuists as you are,
 Each nerve must creep, each hair start, sting and stand,
 At such illogical inconsequence ! 386
 Dear my friends, do but see ! A murder 's tried,
 There are two parties to the cause : I 'm one,
 —Defend myself, as somebody must do :
 I have the best o' the battle : that 's a fact, 390
 Simple fact,—fancies find no place just now.
 What though half Rome condemned me? Half approved :
 And, none disputes, the luck is mine at last,
 All Rome, i' the main, acquitting me : whereon,
 What has the Pope to ask but " How finds Law?" 395
 " I find," replies Law, " I have erred this while :
 " Guilty or guiltless, Guido proves a priest,

“ No layman : he is therefore yours, not mine :

“ I bound him : loose him, you whose will is Christ's ! ”

And now what does this Vicar of our Lord, 400

Shepherd o' the flock,—one of whose charge bleats sore

For crook's help from the quag wherein it drowns?

Law suffers him employ the crumpled end :

His pleasure is to turn staff, use the point,

And thrust the shuddering sheep, he calls a wolf, 405

Back and back, down and down to where hell gapes !

“ Guiltless,” cries Law—“ Guilty ” corrects the Pope !

“ Guilty,” for the whim's sake ! “ Guilty,” he somehow
thinks,

And anyhow says : 't is truth ; he dares not lie !

Others should do the lying. That 's the cause 410

Brings you both here : I ought in decency

Confess to you that I deserve my fate,

Am guilty, as the Pope thinks,—ay, to the end,

Keep up the jest, lie on, lie ever, lie

I' the latest gasp of me ! What reason, Sirs? 415

Because to-morrow will succeed to-day

For you, though not for me : and if I stick

Still to the truth, declare with my last breath,

I die an innocent and murdered man,—

Why, there 's the tongue of Rome will wag apace 420

This time to-morrow : don't I hear the talk !

"So, to the last he proved impenitent?
 "Pagans have said as much of martyred saints!
 "Law demurred, washed her hands of the whole case.
 "Prince Somebody said this, Duke Something, that. 425
 "Doubtless the man 's dead, dead enough, don't fear!
 "But, hang it, what if there have been a spice,
 'A touch of . . . eh? You see, the Pope 's so old,
 "Some of us add, obtuse: age never slips
 "The chance of shoving youth to face death first!" 430
 And so on. Therefore to suppress such talk
 You two come here, entreat I tell you lies,
 And end, the edifying way. I end,
 Telling the truth! Your self-styled shepherd thieves!
 A thief—and how thieves hate the wolves we know: 435
 Damage to theft, damage to thrift, all 's one!
 The red hand is sworn foe of the black jaw.
 That 's only natural, that 's right enough:
 But why the wolf should compliment the thief
 With shepherd's title, bark out life in thanks, 440
 And, spiteless, lick the prong that spits him,—eh,
 Cardinal? My Abate, scarcely thus!
 There, let my sheepskin-garb, a curse on 't, go—
 Leave my teeth free if I must show my shag!
 Repent? What good shall follow? If I pass 445
 'Twelve hours repenting, will that fact hold fast
 The thirteenth at the horrid dozen's end?

If I fall forthwith at your feet, gnash, tear,
 Foam, rave, to give your story the due grace,
 Will that assist the engine half-way back 450
 Into its hiding-house?—boards, shaking now,
 Bone against bone, like some old skeleton bat
 That wants, at winter's end, to wake and prey!
 Will howling put the spectre back to sleep?
 Ah, but I misconceive your object, Sirs! 455
 Since I want new life like the creature,—life,
 Being done with here, begins i' the world away:
 I shall next have "Come, mortals, and be judged!"
 There 's but a minute betwixt this and then:
 So, quick, be sorry since it saves my soul! 460
 Sirs, truth shall save it, since no lies assist!
 Hear the truth, you, whatever you style yourselves,
 Civilization and society!
 Come, one good grapple, I with all the world!
 Dying in cold blood is the desperate thing; 465
 The angry heart explodes, bears off in blaze
 The indignant soul, and I 'm combustion-ripe.
 Why, you intend to do your worst with me!
 That 's in your eyes! You dare no more than death,
 And mean no less. I must make up my mind. 470
 So Pietro,—when I chased him here and there,
 Morsel by morsel cut away the life
 I loathed,—cried for just respite to confess

And save his soul : much respite did I grant !
Why grant me respite who deserve my doom? 475
Me—who engaged to play a prize, fight you,
Knowing your arms, and foil you, trick for trick,
At rapier-fence, your match and, maybe, more.
I knew that if I chose sin certain sins,
Solace my lusts out of the regular way 480
Prescribed me, I should find you in the path,
Have to try skill with a redoubted foe ;
You would lunge, I would parry, and make end.
At last, occasion of a murder comes :
We cross blades, I, for all my brag, break guard, 485
And in goes the cold iron at my breast,
Out at my back, and end is made of me.
You stand confessed the adroiter swordsman,—ay,
But on your triumph you increase, it seems,
Want more of me than lying flat on face : 490
I ought to raise my ruined head, allege
Not simply I pushed worse blade o' the pair,
But my antagonist dispensed with steel !
There was no passage of arms, you looked me low,
With brow and eye abolished cut and thrust 495
Nor used the vulgar weapon ! This chance scratch,
This incidental hurt, this sort of hole
I' the heart of me? I stumbled, got it so !
Fell on my own sword as a bungler may !

Yourself proscribe such heathen tools, and trust 500
 To the naked virtue : it was virtue stood
 Unarmed and awed me,—on my brow there burned
 Crime out so plainly intolerably red,
 That I was fain to cry—“ Down to the dust
 “ With me, and bury there brow, brand and all ! ” 505
 Law had essayed the adventure,—but what 's Law?
 Morality exposed the Gorgon shield !
 Morality and Religion conquer me.
 If Law sufficed would you come here, entreat
 I supplement law, and confess forsooth? 510
 Did not the Trial show things plain enough?
 “ Ah, but a word of the man's very self
 “ Would somehow put the keystone in its place
 “ And crown the arch ! ” Then take the word you want !

I say that, long ago, when things began, 515
 All the world made agreement, such and such
 Were pleasure-giving profit-bearing acts,
 But henceforth extra-legal, nor to be :
 You must not kill the man whose death would please
 And profit you, unless his life stop yours 520
 Plainly, and need so be put aside :
 Get the thing by a public course, by law,
 Only no private bloodshed as of old !
 All of us, for the good of every one,

Renounced such licence and conformed to law : 525
 Who breaks law, breaks pact therefore, helps himself
 'To pleasure and profit over and above the due,
 And must pay forfeit,—pain beyond his share :
 For, pleasure being the sole good in the world,
 Anyone's pleasure turns to someone's pain, 530
 So, law must watch for everyone,—say we,
 Who call things wicked that give too much joy,
 And nickname mere reprisal, envy makes,
 Punishment : quite right ! thus the world goes round.
 I, being well aware such pact there was, 535
 I, in my time who found advantage come
 Of law's observance and crime's penalty,—
 Who, but for wholesome fear law bred in friends,
 Had doubtless given example long ago,
 Furnished forth some friend's pleasure with my pain,
 And, by my death, pieced out his scanty life,— 541
 I could not, for that foolish life of me,
 Help risking law's infringement,—I broke bond,
 And needs must pay price,—wherefore, here's my head,
 Flung with a flourish ! But, repentance too? 545
 But pure and simple sorrow for law's breach
 Rather than blunderer's-ineptitude?
 Cardinal, no ! Abate, scarcely thus !
 'T is the fault, not that I dared try a fall
 With Law and straightway am found undermost, 550

But that I failed to see, above man's law,
 God's precept you, the Christians, recognize?
 Colly my cow! Don't fidget, Cardinal!
 Abate, cross your breast and count your beads
 And exorcize the devil, for here he stands 555
 And stiffens in the bristly nape of neck,
 Daring you drive him hence! You, Christians both?
 I say, if ever was such faith at all
 Born in the world, by your community
 Suffered to live its little tick of time, 560
 'T is dead of age, now, ludicrously dead;
 Honour its ashes, if you be discreet,
 In epitaph only! For, concede its death,
 Allow extinction, you may boast unchecked
 What feats the thing did in a crazy land 565
 At a fabulous epoch,—treat your faith, that way,
 Just as you treat your relics: "Here 's a shred
 " Of saintly flesh, a scrap of blessed bone,
 " Raised King Cophetua, who was dead, to life
 " In Mesopotamy twelve centuries since, 570
 " Such was its virtue!"—twangs the Sacristan,
 Holding the shrine-box up, with hands like feet
 Because of gout in every finger joint:
 Does he bethink him to reduce one knob,
 Allay one twinge by touching what he vaunts? 575
 I think he half uncrooks fist to catch fee,

But, for the grace, the quality of cure,—
 Cophetua was the man put that to proof !
 Not otherwise, your faith is shrined and shown
 And shamed at once : you banter while you bow ! 580
 Do you dispute this? Come, a monster-laugh,
 A madman's laugh, allowed his Carnival
 Later ten days than when all Rome, but he,
 Laughed at the candle-contest : mine's alight,
 'T is just it sputter till the puff o' the Pope 585
 End it to-morrow and the world turn Ash.
 Come, thus I wave a wand and bring to pass
 In a moment, in the twinkle of an eye,
 What but that—feigning everywhere grows fact,
 Professors turn possessors, realize 590
 The faith they play with as a fancy now,
 And bid it operate, have full effect
 On every circumstance of life, to-day,
 In Rome,—faith's flow set free at fountain-head !
 Now, you 'll own, at this present, when I speak, 595
 Before I work the wonder, there 's no man
 Woman or child in Rome, faith's fountain-head,
 But might, if each were minded, realize
 Conversely unbelief, faith's opposite—
 Set it to work on life unflinchingly, 600
 Yet give no symptom of an outward change :
 Why should things change because men disbelieve

What 's incompatible, in the whited tomb,
 With bones and rottenness one inch below?
 What saintly act is done in Rome to-day 605
 But might be prompted by the devil,—“ is ”
 I say not,—“ has been, and again may be,—”
 I do say, full 7 the face o' the crucifix
 You try to stop my mouth with! Off with it!
 Look in your own heart, if your soul have eyes! 610
 You shall see reason why, though faith were fled,
 Unbelief still might work the wires and move
 Man, the machine, to play a faithful part.
 Preside your college, Cardinal, in your cape,
 Or,—having got above his head, grown Pope,— 615
 Abate, gird your loins and wash my feet!
 Do you suppose I am at loss at all
 Why you crook, why you cringe, why fast or feast?
 Praise, blame, sit, stand, lie or go!—all of it,
 In each of you, purest unbelief may prompt, 620
 And wit explain to who has eyes to see.
 But, lo, I wave wand, made the false the true!
 Here 's Rome believes in Christianity!
 What an explosion, how the fragments fly
 Of what was surface, mask and make-believe! 625
 Begin now,—look at this Pope's-halberdier
 In wasp-like black and yellow foolery!
 He, doing duty at the corridor,

Wakes from a muse and stands convinced of sin !
 Down he flings halbert, leaps the passage-length, 630
 Pushes into the presence, pantingly
 Submits the extreme peril of the case
 To the Pope's self,—whom in the world beside?—
 And the Pope breaks talk with ambassador,
 Bids aside bishop, wills the whole world wait 635
 Till he secure that prize, outweighs the world,
 A soul, relieve the sentry of his qualm !
 His Altitude the Referendary,—
 Robed right, and ready for the usher's word
 To pay devoir,—is, of all times, just then 640
 'Ware of a master-stroke of argument
 Will cut the spinal cord . . . ugh, ugh ! . . . I mean,
 Paralyse Molinism for evermore !
 Straight he leaves lobby, trundles, two and two,
 Down steps to reach home, write, if but a word 645
 Shall end the impudence : he leaves who likes
 Go pacify the Pope : there 's Christ to serve !
 How otherwise would men display their zeal?
 If the same sentry had the least surmise
 A powder-barrel 'neath the pavement lay 650
 In neighbourhood with what might prove a match,
 Meant to blow sky-high Pope and presence both --
 Would he not break through courtiers, rank and file,
 Bundle up, bear off and save body so,

The Pope, no matter for his priceless soul? 655
 There 's no fool's-freak here, nought to soundly swinge,
 Only a man in earnest, you 'll so praise
 And pay and prate about, that earth shall ring!
 Had thought possessed the Referendary
 His jewel-case at home was left ajar, 660
 What would be wrong in running, robes awry,
 To be beforehand with the pilferer?
 What talk then of indecent haste? Which means,
 That both these, each in his degree, would do
 Just that,—for a comparative nothing's sake, 665
 And thereby gain approval and reward,—
 Which, done for what Christ says is worth the world,
 Procures the doer curses, cuffs and kicks.
 I call such difference 'twixt act and act,
 Sheer lunacy unless your truth on lip 670
 Be recognized a lie in heart of you!
 How do you all act, promptly or in doubt,
 When there 's a guest poisoned at supper-time
 And he sits chatting on with spot on cheek?
 "Pluck him by the skirt, and round him in the ears,
 "Have at him by the beard, warn anyhow!" 676
 Good, and this other friend that 's cheat and thief
 And dissolute,—go stop the devil's feast,
 Withdraw him from the imminent hell-fire!
 Why, for your life, you dare not tell your friend 680

"You lie, and I admonish you for Christ!"
 Who yet dare seek that same man at the Mass
 To warn him—on his knees, and tinkle near,—
 He left a cask a-tilt, a tap unturned,
 The Trebbian running: what a grateful jump 685
 Out of the Church rewards your vigilance!
 Perform that self-same service just a thought
 More maladroitly,—since a bishop sits
 At function!—and he budges not, bites lip,—
 "You see my case: how can I quit my post? 690
 "He has an eye to any such default.
 "See to it, neighbour, I beseech your love!"
 He and you know the relative worth of things,
 What is permissible or inopportune. 694
 Contort your brows! You know I speak the truth:
 Gold is called gold, and dross called dross, i' the Book:
 Gold you let lie and dross pick up and prize!
 —Despite your muster of some fifty monks
 And nuns a-maundering here and mumping there,
 Who could, and on occasion would, spurn dross, 700
 Clutch gold, and prove their faith a fact so far,—
 I grant you! Fifty times the number squeak
 And gibber in the madhouse—firm of faith,
 This fellow, that his nose supports the moon;
 The other, that his straw hat crowns him Pope: 705
 Does that prove all the world outside insane?

Do fifty miracle-mongers match the mob
 That acts on the frank faithless principle,
 Born-baptized-and-bred Christian-atheists, each
 With just as much a right to judge as you,— 710
 As many senses in his soul, and nerves
 I' neck of him as I,—whom, soul and sense,
 Neck and nerve, you abolish presently,—
 I being the unit in creation now
 Who pay the Maker, in this speech of mine, 715
 A creature's duty, spend my last of breath
 In bearing witness, even by my worst fault,
 To the creature's obligation, absolute,
 Perpetual : my worst fault protests, "The faith
 " Claims all of me : I would give all she claims,
 " But for a spice of doubt : the risk 's too rash : 721
 " Double or quits, I play, but, all or nought,
 " Exceeds my courage : therefore, I descend
 " To the next faith with no dubiety—
 " Faith in the present life, made last as long 725
 " And prove as full of pleasure as may hap,
 " Whatever pain it cause the world." I'm wrong?
 I've had my life, whate'er I lose : I'm right?
 I've got the single good there was to gain.
 Entire faith, or else complete unbelief ! 730
 Aught between has my loathing and contempt,
 Mine and God's also, doubtless : ask yourself,

Cardinal, where and how you like a man!
 Why, either with your feet upon his head,
 Confessed your caudatory, or, at large, 735
 The stranger in the crowd who caps to you
 But keeps his distance,—why should he presume?
 You want no hanger-on and dropper-off,
 Now yours, and now not yours but quite his own,
 According as the sky looks black or bright. 740
 Just so I capped to and kept off from faith—
 You promised trudge behind through fair and foul,
 Yet leave i' the lurch at the first spit of rain.
 Who holds to faith whenever rain begins?
 What does the father when his son lies dead, 745
 The merchant when his money-bags take wing,
 The politician whom a rival ousts?
 No case but has its conduct, faith prescribes:
 Where 's the obedience that shall edify?
 Why, they laugh frankly in the face of faith 750
 And take the natural course,—this rends his hair
 Because his child is taken to God's breast.
 That gnashes teeth and raves at loss of trash
 Which rust corrupts and thieves break through and steal,
 And this, enabled to inherit earth 755
 Through meekness, curses till your blood runs cold!
 Down they all drop to my low level, rest
 Heart upon dungy earth that 's warm and soft,

And let who please attempt the altitudes.
 Each playing prodigal son of heavenly sire, 760
 Turning his nose up at the fatted calf,
 Fain to fill belly with the husks, we swine
 Did eat by born depravity of taste!

Enough of the hypocrites. But you, Sirs, you—
 Who never budged from litter where I lay, 765
 And buried snout i' the draff-box while I fed,
 Cried amen to my creed's one article—
 "Get pleasure, 'scape pain,—give your preference
 "To the immediate good, for time is brief,
 "And death ends good and ill and everything! 770
 "What 's got is gained, what 's gained soon is gained twice,
 "And,—inasmuch as faith gains most,—feign faith!"
 So did we brother-like pass word about :
 —You, now,—like bloody drunkards but half-drunk,
 Who fool men yet perceive men find them fools,— 775
 Vexed that a titter gains the gravest mouth,—
 O' the sudden you must needs re-introduce
 Solemnity, straight sober undue mirth
 By a blow dealt me your boon companion here
 Who, using the old licence, dreamed of harm 780
 No more than snow in harvest : yet it falls!
 You check the merriment effectually
 By pushing your abrupt machine i' the midst,

Making me Rome's example : blood for wine !
 The general good needs that you chop and change ! 785
 I may dislike the hocus-pocus,—Rome,
 The laughter-loving people, won't they stare
 Chap-fallen !—while serious natures sermonize
 “ The magistrate, he beareth not the sword
 “ In vain ; who sins may taste its edge, we see ! ” 790
 Why my sin, drunkards ? Where have I abused
 Liberty, scandalized you all so much ?
 Who called me, who crooked finger till I came,
 Fool that I was, to join companionship ?
 I knew my own mind, meant to live my life, 795
 Elude your envy, or else make a stand,
 Take my own part and sell you my life dear.
 But it was “ Fie ! No prejudice in the world
 “ To the proper manly instinct ! Cast your lot
 “ Into our lap, one genius ruled our births, 800
 “ We 'll compass joy by concert ; take with us
 “ The regular irregular way i' the wood ;
 “ You 'll miss no game through riding breast by breast,
 “ In this preserve, the Church's park and pale,
 “ Rather than outside where the world lies waste ! ” 805
 Come, if you said not that, did you say this ?
 Give plain and terrible warning, “ Live, enjoy ?
 “ Such life begins in death and ends in hell !
 “ Dare you bid us assist your sins, us priests

"Who hurry sin and sinners from the earth? 810
 "No such delight for us, why then for you?
 "Leave earth, seek heaven or find its opposite!"
 Had you so warned me, not in lying words
 But veritable deeds with tongues of flame,
 That had been fair, that might have struck a man,
 Silenced the squabble between soul and sense, 816
 Compelled him to make mind up, take one course
 Or the other, peradventure!—wrong or right,
 Foolish or wise, you would have been at least
 Sincere, no question,—forced me choose, indulge 820
 Or else renounce my instincts, still play wolf
 Or find my way submissive to your fold,
 Be red-crossed on my fleece, one sheep the more.
 But you as good as bade me wear sheep's wool
 Over wolf's skin, suck blood and hide the noise 825
 By mimicry of something like a bleat,—
 Whence it comes that because, despite my care,
 Because I smack my tongue too loud for once,
 Drop baaing, here 's the village up in arms!
 Have at the wolf's throat, you who hate the breed!
 Oh, were it only open yet to choose— 831
 One little time more—whether I'd be free
 Your foe, or subsidized your friend forsooth!
 Should not you get a growl through the white fangs
 In answer to your beckoning! Cardinal, 835

Abate, managers o' the multitude,
 I'd turn your gloved hands to account, be sure!
 You should manipulate the coarse rough mob:
 'Tis you I'd deal directly with, not them,—
 Using your fears: why touch the thing myself 840
 When I could see you hunt, and then cry "Shares!
 "Quarter the carcass or we quarrel; come,
 "Here's the world ready to see justice done!"
 Oh, it had been a desperate game, but game
 Wherein the winner's chance were worth the pains!
 We'd try conclusions!—at the worst, what worse 846
 Than this Mannaia-machine, each minute's talk
 Helps push an inch the nearer me? Fool, fool!

You understand me and forgive, sweet Sirs?
 I blame you, tear my hair and tell my woe— 850
 All's but a flourish, figure of rhetoric!
 One must try each expedient to save life.
 One makes fools look foolisher fifty-fold
 By putting in their place men wise like you,
 To take the full force of an argument 855
 Would buffet their stolidity in vain.
 If you should feel aggrieved by the mere wind
 O' the blow that means to miss you and maul them,
 That's my success! Is it not folly, now,
 To say with folk, "A plausible defence— 860

"We see through notwithstanding, and reject?"
 Reject the plausible they do, these fools,
 Who never even make pretence to show
 One point beyond its plausibility
 In favour of the best belief they hold! 865
 "Saint Somebody-or-other raised the dead:"
 Did he? How do you come to know as much?
 "Know it, what need? The story's plausible,
 "Avouched for by a martyrologist,
 "And why should good men sup on cheese and leeks
 "On such a saint's day, if there were no saint?" 871
 I praise the wisdom of these fools, and straight
 Tell them my story—"plausible, but false!"
 False, to be sure! What else can story be
 That runs—a young wife tired of an old spouse, 875
 Found a priest whom she fled away with,—both
 Took their full pleasure in the two-days' flight,
 Which a grey-headed greyer-hearted pair,
 (Whose best boast was, their life had been a lie)
 Helped for the love they bore all liars. Oh, 880
 Here incredulity begins! Indeed?
 Allow then, were no one point strictly true,
 There's that i' the tale might seem like truth at least
 To the unlucky husband,—jaundiced patch—
 Jealousy maddens people, why not him? 885
 Say, he was maddened, so forgivable!

Humanity pleads that though the wife were true,
 The priest true, and the pair of liars true,
 They might seem false to one man in the world !
 A thousand gnats make up a serpent's sting, 890
 And many sly soft stimulants to wrath
 Compose a formidable wrong at last
 That gets called easily by some one name
 Not applicable to the single parts,
 And so draws down a general revenge, 895
 Excessive if you take crime, fault by fault.
 Jealousy ! I have known a score of plays,
 Were listened to and laughed at in my time
 As like the everyday-life on all sides,
 Wherein the husband, mad as a March hare, 900
 Suspected all the world contrived his shame.
 What did the wife ? The wife kissed both eyes blind,
 Explained away ambiguous circumstance,
 And while she held him captive by the hand,
 Crowned his head,—you know what 's the mockery,—
 By half her body behind the curtain. That 's 906
 Nature now ! That 's the subject of a piece
 I saw in Vallombrosa Convent, made
 Expressly to teach men what marriage was !
 But say " Just so did I misapprehend, 910
 " Imagine she deceived me to my face,"
 And that 's pretence too easily seen through !

All those eyes of all husbands in all plays,
 At stare like one expanded peacock-tail,
 Are laughed at for pretending to be keen 915
 While horn-blind: but the moment I step forth—
 Oh, I must needs o' the sudden prove a lynx
 And look the heart, that stone-wall, through and
 through!
 Such an eye, God's may be,—not yours nor mine.

Yes, presently . . . what hour is fleeting now? 920
 When you cut earth away from under me,
 I shall be left alone with, pushed beneath
 Some such an apparitional dread orb
 As the eye of God, since such an eye there glares:
 I fancy it go filling up the void 925
 Above my mote-self it devours, or what
 Proves—wrath, immensity wrecks on nothingness.
 Just how I felt once, couching through the dark.
 Hard by Vittiano; young I was, and gay,
 And wanting to trap fieldfares: first a spark 930
 Tipped a bent, as a mere dew-globule might
 Any stiff grass-stalk on the meadow,—this
 Grew fiercer, flamed out full, and proved the sun.
 What do I want with proverbs, precepts here?
 Away with man! What shall I say to God? 935
 This, if I find the tongue and keep the mind—

"Do Thou wipe out the being of me, and smear
 "This soul from off Thy white of things, I blot!
 "I am one huge and sheer mistake,—whose fault?
 "Not mine at least, who did not make myself!" 940
 Someone declares my wife excused me so!
 Perhaps she knew what argument to use.
 Grind your teeth, Cardinal: Abate, writhe!
 What else am I to cry out in my rage,
 Unable to repent one particle 945
 O' the past? Oh, how I wish some cold wise man
 Would dig beneath the surface which you scrape,
 Deal with the depths, pronounce on my desert
 Groundedly! I want simple sober sense,
 That asks, before it finishes with a dog, 950
 Who taught the dog that trick you hang him for?
 You both persist to call that act a crime,
 Which sense would call . . . yes, I maintain it, Sirs, . . .
 A blunder! At the worst, I stood in doubt
 On cross-road, took one path of many paths: 955
 It leads to the red thing, we all see now,
 But nobody saw at first: one primrose-patch
 In bank, one singing-bird in bush, the less,
 Had warned me from such wayfare: let me prove!
 Put me back to the cross-road, start afresh! 960
 Advise me when I take the first false step!
 Give me my wife: how should I use my wife,

Love her or hate her? Prompt my action now!
 There she is, there she stands alive and pale,
 The thirteen-years' old child, with milk for blood,
 Pompilia Comparini, as at first, 966
 Which first is only four brief years ago!
 I stand too in the little ground-floor room
 O' the father's house at Via Vittoria: see!
 Her so-called mother,—one arm round the waist 970
 O' the child to keep her from the toys, let fall
 At wonder I can live yet look so grim,—
 Ushers her in, with deprecating wave
 Of the other,—and she fronts me loose at last,
 Held only by the mother's finger tip. 975
 Struck dumb,—for she was white enough before!—
 She eyes me with those frightened balls of black,
 As heifer—the old simile comes pat—
 Eyes tremblingly the altar and the priest.
 The amazed look, all one insuppressive prayer,— 980
 Might she but breathe, set free as heretofore,
 Have this cup leave her lips unblistered, bear
 Any cross anywhither anyhow,
 So but alone, so but apart from me!
 You are touched? So am I, quite otherwise, 985
 If 't is with pity. I resent my wrong,
 Being a man: I only show man's soul
 Through man's flesh: she sees mine, it strikes her thus!

Is that attractive? To a youth perhaps—
 Calf-creature, one-part boy to three-parts girl, 990
 To whom it is a flattering novelty
 That he, men use to motion from their path,
 Can thus impose, thus terrify in turn
 A chit whose terror shall be changed apace
 To bliss unbearable when grace and glow, 995
 Prowess and pride descend the throne and touch
 Esther in all that pretty tremble, cured
 By the dove o' the sceptre! But myself am old,
 O' the wane at least, in all things: what do you say
 To her who frankly thus confirms my doubt? 1000
 I am past the prime, I scare the woman-world,
 Done-with that way: you like this piece of news?
 A little saucy rose-bud minx can strike
 Death-damp into the breast of doughty king 1004
 Though 't were French Louis,—soul I understand,—
 Saying, by gesture of repugnance, just
 “Sire, you are regal, puissant and so forth,
 “But—young you have been, are not, nor will be!”
 In vain the mother nods, winks, bustles up,
 “Count, girls incline to mature worth like you! 1010
 “As for Pompilia, what's flesh, fish, or fowl
 “To one who apprehends no difference,
 “And would accept you even were you old
 “As you are . . . youngish by her father's side?

"Trim but your beard a little, thin your bush 1015
 "Of eyebrow; and for presence, portliness,
 "And decent gravity, you beat a boy!"
 Deceive yourself one minute, if you may,
 In presence of the child that so loves age, 1019
 Whose neck writhes, cords itself against your kiss,
 Whose hand you wring stark, rigid with despair!
 Well, I resent this; I am young in soul,
 Nor old in body,—thews and sinews here,—
 Though the vile surface be not smooth as once,—
 Far beyond that first wheelwork which went wrong
 Through the untempered iron ere 't was proof: 1026
 I am the wrought man worth ten times the crude,
 Would woman see what this declines to see,
 Declines to say "I see,"—the officious word
 That makes the thing, pricks on the soul to shoot
 New fire into the half-used cinder, flesh! 1031
 Therefore 't is she begins with wronging me,
 Who cannot but begin with hating her.
 Our marriage follows: there she stands again!
 Why do I laugh? Why, in the very gripe 1035
 O' the jaws of death's gigantic skull, do I
 Grin back his grin, make sport of my own pangs?
 Why from each clashing of his molars, ground
 To make the devil bread from out my grist,
 Leaps out a spark of mirth, a hellish toy? 1040

Take notice we are lovers in a church,
 Waiting the sacrament to make us one
 And happy! Just as bid, she bears herself,
 Comes and kneels, rises, speaks, is silent,— goes :
 So have I brought my horse, by word and blow, 1045
 To stand stock-still and front the fire he dreads.
 How can I other than remember this,
 Resent the very obedience? Gain thereby?
 Yes, I do gain my end and have my will,—
 Thanks to whom? When the mother speaks the word,
 She obeys it—even to enduring me! 1051
 There had been compensation in revolt—
 Revolt's to quell: but martyrdom rehearsed,
 But predetermined saintship for the sake
 O' the mother?—"Go!" thought I, "we meet again!"
 Pass the next weeks of dumb contented death, 1056
 She lives,—wakes up, installed in house and home,
 Is mine, mine all day-long, all night-long mine.
 Good folk begin at me with open mouth
 "Now, at least, reconcile the child to life! 1060
 "Study and make her love . . . that is, endure
 "The . . . hem! the . . . all of you though somewhat
 old,
 "Till it amount to something, in her eye,
 "As good as love, better a thousand times,—
 "Since nature helps the woman in such strait, 1065

“ Makes passiveness her pleasure : failing which,

“ What if you give up boy-and-girl-fools'-play

“ And go on to wise friendship all at once ?

“ Those boys and girls kiss themselves cold, you know,

“ Toy themselves tired and slink aside full soon 1070

“ To friendship, as they name satiety :

“ Thither go you and wait their coming ! ” Thanks,

Considerate advisers,—but, fair play !

Had you and I, friends, started fair at first

We, keeping fair, might reach it, neck by neck, 1075

This blessed goal, whenever fate so please :

But why am I to miss the daisied mile

The course begins with, why obtain the dust

Of the end precisely at the starting-point ?

Why quaff life's cup blown free of all the beads, 1080

The bright red froth wherein our beard should steep

Before our mouth essay the black o' the wine ?

Foolish, the love-fit ? Let me prove it such

Like you, before like you I puff things clear !

“ The best 's to come, no rapture but content ! 1085

“ Not love's first glory but a sober glow,

“ Not a spontaneous outburst in pure boon,

“ So much as, gained by patience, care and toil,

“ Proper appreciation and esteem ! ”

Go preach that to your nephews, not to me 1090

Who, tired i' the midway of my life, would stop

And take my first refreshment, pluck a rose :
 What 's this coarse woolly hip, worn smooth of leaf,
 You counsel I go plant in garden-plot,
 Water with tears, manure with sweat and blood, 1095
 In confidence the seed shall germinate
 And, for its very best, some far-off day,
 Grow big, and blow me out a dog-rose bell ?
 Why must your nephews begin breathing spice
 O' the hundred-petalled Provence prodigy? 1100
 Nay, more and worse,—would such my root bear rose—
 Prove really flower and favourite, not the kind
 That 's queen, but those three leaves that make one cup
 And hold the hedge-bird's breakfast,—then indeed
 The prize though poor would pay the care and toil ! 1105
 Respect we Nature that makes least as most,
 Marvellous in the minim ! But this bud,
 Bit through and burned black by the tempter's tooth,
 This bloom whose best grace was the slug outside
 And the wasp inside its bosom,—call you " rose " ? 1110
 Claim no immunity from a weed's fate
 For the horrible present ! What you call my wife
 I call a nullity in female shape,
 Vapid disgust, soon to be pungent plague,
 When mixed with, made confusion and a curse 1115
 By two abominable nondescripts,
 That father and that mother : think you see

The dreadful bronze our boast, we Aretines,
 The Etruscan monster, the three-headed thing,
 Bellerophon's foe! How name you the whole beast?
 You choose to name the body from one head, 1121
 That of the simple kid which droops the eye,
 Hangs the neck and dies tenderly enough:
 I rather see the griesly lion belch
 Flame out i' the midst, the serpent writhe her rings,
 Grafted into the common stock for tail, 1126
 And name the brute, Chimæra which I slew!
 How was there ever more to be—(concede
 My wife's insipid harmless nullity)—
 Dissociation from that pair of plagues— 1130
 That mother with her cunning and her cant—
 The eyes with first their twinkle of conceit,
 Then, dropped to earth in mock-demureness,—now,
 The smile self-satisfied from ear to ear,
 Now, the prim pursed-up mouth's protruded lips, 1135
 With deferential duck, slow swing of head,
 Tempting the sudden fist of man too much,—
 That owl-like screw of lid and rock of ruff!
 As for the father,—Cardinal, you know,
 The kind of idiot!—such are rife in Rome, 1140
 But they wear velvet commonly; good fools,
 At the end of life, to furnish forth young folk
 Who grin and bear with imbecility:

Since the stalled ass, the joker, sheds from jaw
 Corn, in the joke, for those who laugh or starve. 1145
 But what say we to the same solemn beast
 Wagging his ears and wishful of our pat,
 When turned, with holes in hide and bones laid bare,
 To forage for himself i' the waste o' the world,
 Sir Dignity i' the dumps? Pat him? We drub 1150
 Self-knowledge, rather, into frowzy pate,
 Teach Pietro to get trappings or go hang!
 Fancy this quondam oracle in vogue
 At Via Vittoria, this personified
 Authority when time was,—Pantaloon 1155
 Flaunting his tom-fool tawdry just the same
 As if Ash-Wednesday were mid-Carnival!
 That 's the extreme and unforgiveable
 Of sins, as I account such. Have you stooped
 For your own ends to bestialize yourself 1160
 By flattery of a fellow of this stamp?
 The ends obtained or else shown out of reach,
 He goes on, takes the flattery for pure truth,—
 “ You love, and honour me, of course : what next ? ”
 What, but the trifle of the stabbing, friend ?— 1165
 Which taught you how one worships when the shrine
 Has lost the relic that we bent before.
 Angry ! And how could I be otherwise ?
 'T is plain : this pair of old pretentious fools

Meant to fool me : it happens, I fooled them. 1170
 Why could not these who sought to buy and sell
 Me,—when they found themselves were bought and sold,
 Make up their mind to the proved rule of right,
 Be chattel and not chapman any more ?
 Miscalculation has its consequence ; 1175
 But when the shepherd crooks a sheep-like thing
 And meaning to get wool, dislodges fleece
 And finds the veritable wolf beneath,
 (How that staunch image serves at every turn !)
 Does he, by way of being politic, 1180
 Pluck the first whisker grimly visible ?
 Or rather grow in a trice all gratitude,
 Protest this sort-of-what-one-might-name sheep
 Beats the old other curly-coated kind,
 And shall share board and bed, if so it deign, 1185
 With its discoverer, like a royal ram ?
 Ay, thus, with chattering teeth and knocking knees,
 Would wisdom treat the adventure ! these, forsooth,
 Tried whisker-plucking, and so found what trap
 The whisker kept perdue, two rows of teeth— 1190
 Sharp, as too late the prying fingers felt.
 What would you have ? The fools transgress, the fools
 Forthwith receive appropriate punishment :
 They first insult me, I return the blow,
 There follows noise enough : four hubbub months, 1195

Now hue and cry, now whimpering and wail—
 A perfect goose-yard cackle of complaint
 Because I do not gild the geese their oats,—
 I have enough of noise, ope wicket wide,
 Sweep out the couple to go whine elsewhere, 1200
 Frightened a little, hurt in no respect,
 And am just taking thought to breathe again,
 Taste the sweet sudden silence all about,
 When, there they raise it, the old noise I know,
 At Rome i' the distance! “What, begun once more?
 “Whine on, wail ever, 't is the loser's right!” 1206
 But eh, what sort of voice grows on the wind?
 Triumph it sounds and no complaint at all!
 And triumph it is. My boast was premature:
 The creatures, I turned forth, clapped wing and crew
 Fighting-cock-fashion,—they had filched a pearl 1211
 From dung-heap, and might boast with cause enough!
 I was defrauded of all bargained for:
 You know, the Pope knows, not a soul but knows
 My dowry was derision, my gain—muck, 1215
 My wife, (the Church declared my flesh and blood)
 The nameless bastard of a common whore:
 My old name turned henceforth to . . . shall I say
 “He that received the ordure in his face?”
 And they who planned this wrong, performed this wrong,
 And then revealed this wrong to the wide world, 1221

Rounded myself in the ears with my own wrong,—
 Why, these were (note hell's lucky malice, now !)
 These were just they who, they alone, could act
 And publish and proclaim their infamy, 1225
 Secure that men would in a breath believe
 Compassionate and pardon them,—for why ?
 They plainly were too stupid to invent,
 Too simple to distinguish wrong from right,—
 Inconscious agents they, the silly-sooth, 1230
 Of heaven's retributive justice on the strong
 Proud cunning violent oppressor—me !
 Follow them to their fate and help your best,
 You Rome, Arezzo, foes called friends of me,
 They gave the good long laugh to, at my cost ! 1235
 Defray your share o' the cost, since you partook
 The entertainment ! Do !—assured the while,
 That not one stab, I dealt to right and left,
 But went the deeper for a fancy—this—
 That each might do me two-fold service, find 1240
 A friend's face at the bottom of each wound,
 And scratch its smirk a little !

Panciatichi !

There 's a report at Florence,—is it true ?—
 That when your relative the Cardinal 1245
 Built, only the other day, that barrack-bulk,
 The palace in Via Larga, someone picked

From out the street a saucy quip enough
 That fell there from its day's flight through the town,
 About the flat front and the windows wide 1250
 And bulging heap of cornice,—hitched the joke
 Into a sonnet, signed his name thereto,
 And forthwith pinned on post the pleasantry :
 For which he 's at the galleys, rowing now
 Up to his waist in water,—just because 1255
Panciatric and *lymphatic* rhymed so pat !
 I hope, Sir, those who passed this joke on me
 Were not unduly punished? What say you,
 Prince of the Church, my patron? Nay, indeed,
 I shall not dare insult your wits so much 1260
 As think this problem difficult to solve.
 This Pietro and Violante then, I say,
 These two ambiguous insects, changing name
 And nature with the season's warmth or chill,—
 Now, grovelled, grubbing toiling moiling ants, 1265
 A very synonym of thrift and peace,—
 Anon, with lusty June to prick their heart,
 Soared i' the air, winged flies for more offence,
 Circled me, buzzed me deaf and stung me blind,
 And stunk me dead with fetor in the face 1270
 Until I stopped the nuisance : there 's my crime !
 Pity I did not suffer them subside
 Into some further shape and final form

Of execrable life? My masters, no!
 I, by one blow, wisely cut short at once 1275
 Them and their transformations of disgust,
 In the snug little Villa out of hand.
 "Grant me confession, give bare time for that!"—
 Shouted the sinner till his mouth was stopped.
 His life confessed!—that was enough for me, 1280
 Who came to see that he did penance. 'S death!
 Here 's a coil raised, a pother and for what?
 Because strength, being provoked by weakness, fought
 And conquered,—the world never heard the like!
 Pah, how I spend my breath on them, as if 1285
 'T was their fate troubled me, too hard to range
 Among the right and fit and proper things!

Ay, but Pompilia,—I await your word,—
 She, unimpeached of crime, unimplicate
 In folly, one of alien blood to these 1290
 I punish, why extend my claim, exact
 Her portion of the penalty? Yes, friends,
 I go too fast: the orator 's at fault:
 Yes, ere I lay her, with your leave, by them
 As she was laid at San Lorenzo late, 1295
 I ought to step back, lead you by degrees,
 Recounting at each step some fresh offence,
 Up to the red bed,—never fear, I will!

Gaze at her, where I place her, to begin,
 Confound me with her gentleness and worth! 1300
 The horrible pair have fled and left her now,
 She has her husband for her sole concern :
 His wife, the woman fashioned for his help,
 Flesh of his flesh, bone of his bone, the bride
 To groom as is the Church and Spouse to Christ :
 There she stands in his presence : “ Thy desire 1306
 “ Shall be to the husband, o’er thee shall he rule ! ”
 —“ Pompilia, who declare that you love God,
 “ You know who said that : then, desire my love,
 “ Yield me contentment and be ruled aright ! ” 1310
 She sits up, she lies down, she comes and goes,
 Kneels at the couch-side, overleans the sill
 O’ the window, cold and pale and mute as stone,
 Strong as stone also. “ Well, are they not fled ?
 “ Am I not left, am I not one for all ? 1315
 “ Speak a word, drop a tear, detach a glance,
 “ Bless me or curse me of your own accord !
 “ Is it the ceiling only wants your soul,
 “ Is worth your eyes ? ” And then the eyes descend,
 And do look at me. Is it at the meal ? 1320
 “ Speak ! ” she obeys, “ Be silent ! ” she obeys,
 Counting the minutes till I cry “ Depart,”
 As brood-bird when you saunter past her eggs.
 Departs she ? just the same through door and wall

I see the same stone strength of white despair. 1325
 And all this will be never otherwise !
 Before, the parents' presence lent her life :
 She could play off her sex's armoury,
 Entreat, reproach, be female to my male,
 Try all the shrieking doubles of the hare, 1330
 Go clamour to the Commissary, bid
 The Archbishop hold my hands and stop my tongue,
 And yield fair sport so : but the tactics change,
 The hare stands stock-still to enrage the hound !
 Since that day when she learned she was no child 1335
 Of those she thought her parents,—that their trick
 Had tricked me whom she thought sole trickster late,—
 Why, I suppose she said within herself
 " Then, no more struggle for my parents' sake !
 " And, for my own sake, why needs struggle be ? " 1340
 But is there no third party to the pact ?
 What of her husband's relish or dislike
 For this new game of giving up the game,
 This worst offence of not offending more ?
 I 'll not believe but instinct wrought in this, 1345
 Set her on to conceive and execute
 The preferable plague : how sure they probe—
 These jades, the sensitivest soft of man !
 The long black hair was wound now in a wisp,
 Crowned sorrow better than the wild web late : 1350

No more soiled dress, 't is trimness triumphs now,
 For how should malice go with negligence?
 The frayed silk looked the fresher for her spite!
 There was an end to springing out of bed,
 Praying me, with face buried on my feet, 1355
 Be hindered of my pastime,—so an end
 To my rejoinder, “What, on the ground at last?
 ‘Vanquished in fight, a supplicant for life?
 “What if I raise you? ’Ware the casting down
 “When next you fight me!” Then, she lay there,
 mine:
 Now, mine she is if I please wring her neck,— 1361
 A moment of disquiet, working eyes,
 Protruding tongue, a long sigh, then no more,—
 As if one killed the horse one could not ride!
 Had I enjoined “Cut off the hair!”—why, snap 1365
 The scissors, and at once a yard or so
 Had fluttered in black serpents to the floor:
 But till I did enjoin it, how she combs,
 Uncurls and draws out to the complete length,
 Plaits, places the insulting rope on head 1370
 To be an eyesore past dishevelment!
 Is all done? Then sit still again and stare!
 I advise—no one think to bear that look
 Of steady wrong, endured as steadily
 —Through what sustainment of deluding hope? 1375

Who is the friend i' the background that notes all?

Who may come presently and close accounts?

This self-possession to the uttermost,

How does it differ in aught, save degree,

From the terrible patience of God? 1380

“ All which just means,

“ She did not love you ! ” Again the word is launched

And the fact fronts me ! What, you try the wards

With the true key and the dead lock flies ope?

No, it sticks fast and leaves you fumbling still ! 1385

You have some fifty servants, Cardinal,—

Which of them loves you ? Which subordinate

But makes parade of such officiousness

That,—if there 's no love prompts it,—love, the sham,

Does twice the service done by love, the true ? 1390

God bless us liars, where 's one touch of truth

In what we tell the world, or world tells us,

Of how we love each other ? All the same,

We calculate on word and deed, nor err,—

Bid such a man do such a loving act, 1395

Sure of effect and negligent of cause,

Just as we bid a horse, with cluck of tongue,

Stretch his legs arch-wise, crouch his saddled back

To foot-reach of the stirrup— all for love,

And some for memory of the smart of switch 1400

On the inside of the foreleg—what care we?

Yet where 's the bond obliges horse to man
 Like that which binds fast wife to husband? God
 Laid down the law : gave man the brawny arm
 And ball of fist—woman the beardless cheek 1405
 And proper place to suffer in the side :
 Since it is he can strike, let her obey !
 Can she feel no love? Let her show the more,
 Sham the worse, damn herself praiseworthy !
 Who 's that soprano, Rome went mad about 1410
 Last week while I lay rotting in my straw?
 The very jailer gossiped in his praise—
 How,—dressed up like Armida, though a man ;
 And painted to look pretty, though a fright,—
 He still made love so that the ladies swooned, 1415
 Being an eunuch. “ Ah, Rinaldo mine !
 “ But to breathe by thee while Jove slays us both !
 All the poor bloodless creature never felt,
Si, do, re, mi, fa, squeak and squall—for what ?
 Two gold zecchines the evening. Here 's my slave,
 Whose body and soul depend upon my nod, 1421
 Can't falter out the first note in the scale
 For her life ! Why blame me if I take the life?
 All women cannot give men love, forsooth !
 No, nor all pullets lay the henwife eggs— 1425
 Whereat she bids them remedy the fault,
 Brood on a chalk-ball : soon the nest is stocked—

Otherwise, to the plucking and the spit !
 This wife of mine was of another mood—
 Would not begin the lie that ends with truth, 1430
 Nor feign the love that brings real love about :
 Wherefore I judged, sentenced and punished her.
 But why particularize, defend the deed?
 Say that I hated her for no one cause
 Beyond my pleasure so to do,—what then ? 1435
 Just on as much incitement acts the world,
 All of you ! Look and like ! You favour one,
 Browbeat another, leave alone a third,—
 Why should you master natural caprice ?
 Pure nature ! Try : plant elm by ash in file ; 1440
 Both unexceptionable trees enough,
 They ought to overlean each other, pair
 At top, and arch across the avenue
 The whole path to the pleasaunce : do they so—
 Or loathe, lie off abhorrent each from each ? 1445
 Lay the fault elsewhere : since we must have faults,
 Mine shall have been,— seeing there 's ill in the end
 Come of my course,—that I fare somehow worse
 For the way I took : my fault . . . as God 's my judge,
 I see not where my fault lies, that 's the truth ! 1450
 I ought . . . oh, ought in my own interest
 Have let the whole adventure go untried,
 This chance by marriage : or else, trying it,

Ought to have turned it to account, some one
O' the hundred otherwises? Ay, my friend, 1455
Easy to say, easy to do: step right
Now you've stepped left and stumbled on the thing,
—The red thing! Doubt I any more than you
That practice makes man perfect? Give again
The chance,—same marriage and no other wife, 1460
Be sure I'll edify you! That's because
I'm practised, grown fit guide for Guido's self.
You proffered guidance,—I know, none so well,—
You laid down law and rolled decorum out,
From pulpit-corner on the gospel-side,— 1465
Wanted to make your great experience mine,
Save me the personal search and pains so: thanks!
Take your word on life's use? When I take his—
The muzzled ox that treadeth out the corn,
Gone blind in padding round and round one path,—
As to the taste of green grass in the field! 1471
What do you know o' the world that's trodden flat
And salted sterile with your daily dung,
Leavened into a lump of loathsomeness?
Take your opinion of the modes of life, 1475
The aims of life, life's triumph or defeat,
How to feel, how to scheme, and how to do
Or else leave undone? You preached long and loud
On high-days, "Take our doctrine upon trust! 1479

"Into the mill-house with you! Grind our corn,
 "Relish our chaff, and let the green grass grow!"
 I tried chaff, found I famished on such fare,
 So made this mad rush at the mill-house-door,
 Buried my head up to the ears in dew,
 Browsed on the best: for which you brain me, Sirs!
 Be it so. I conceived of life that way, 1486
 And still declare—life, without absolute use
 Of the actual sweet therein, is death, not life.
 Give me,—pay down,—not promise, which is air,—
 Something that's out of life and better still, 1490
 Make sure reward, make certain punishment,
 Entice me, scare me,—I'll forgo this life;
 Otherwise, no!—the less that words, mere wind,
 Would cheat me of some minutes while they plague,
 Baulk fulness of revenge here,—blame yourselves 1495
 For this eruption of the pent-up soul
 You prisoned first and played with afterward!
 "Deny myself" meant simply pleasure you,
 The sacred and superior, save the mark!
 You,—whose stupidity and insolence 1500
 I must defer to, soothe at every turn,—
 Whose swine-like snuffling greed and grunting lust
 I had to wink at or help gratify,—
 While the same passions,—dared they perk in me,
 Me, the immeasurably marked, by God, 1505

Master of the whole world of such as you,—
 I, boast such passions? 'T was "Suppress them straight!
 "Or stay, we'll pick and choose before destroy.
 "Here's wrath in you, a serviceable sword,—
 "Beat it into a ploughshare! What's this long 1510
 "Lance-like ambition? Forge a pruning-hook,
 "May be of service when our vines grow tall!
 "But—sword use swordwise, spear thrust out as spear?
 "Anathema! Suppression is the word!"
 My nature, when the outrage was too gross, 1515
 Widened itself an outlet over-wide
 By way of answer, sought its own relief
 With more of fire and brimstone than you wished.
 All your own doing: preachers, blame yourselves!

'T is I preach while the hour-glass runs and runs! 1520
 God keep me patient! All I say just means—
 My wife proved, whether by her fault or mine,—
 That's immaterial,—a true stumbling-block
 I' the way of me her husband. I but plied
 The hatchet yourselves use to clear a path, 1525
 Was politic, played the game you warrant wins,
 Plucked at law's robe a-rustle through the courts,
 Bowed down to kiss divinity's buckled shoe
 Cushioned i' the church: efforts all wide the aim!
 Procedures to no purpose! Then flashed truth. 1530

The letter kills, the spirit keeps alive
 In law and gospel : there be nods and winks
 Instruct a wise man to assist himself
 In certain matters, nor seek aid at all.
 " Ask money of me,"—quoth the clownish saw,— 1535
 " And take my purse ! But,—speaking with respect,—
 " Need you a solace for the troubled nose?
 " Let everybody wipe his own himself !"
 Sirs, tell me free and fair ! Had things gone well
 At the wayside inn : had I surprised asleep 1540
 The runaways, as was so probable,
 And pinned them each to other partridge-wise, .
 Through back and breast to breast and back, then bade
 Bystanders witness if the spit, my sword,
 Were loaded with unlawful game for once— 1545
 Would you have interposed to damp the glow
 Applauding me on every husband's cheek?
 Would you have checked the cry " A judgment, see !
 " A warning, note ! Be henceforth chaste, ye wives,
 " Nor stray beyond your proper precinct, priests !" 1550
 If you had, then your house against itself
 Divides, nor stands your kingdom any more.
 Oh why, why was it not ordained just so?
 Why fell not things out so nor otherwise?
 Ask that particular devil whose task it is 1555
 To trip the all-but-at perfection,—slur

The line o' the painter just where paint leaves off
 And life begins,—put ice into the ode
 O' the poet while he cries "Next stanza—fire!"
 Inscribe all human effort with one word, 1560
 Artistry's haunting curse, the Incomplete!
 Being incomplete, my act escaped success.
 Easy to blame now! Every fool can swear
 To hole in net that held and slipped the fish.
 But, treat my act with fair unjaundiced eye, 1565
 What was there wanting to a masterpiece
 Except the luck that lies beyond a man?
 My way with the woman, now proved grossly wrong,
 Just missed of being gravely grandly right
 And making mouths laugh on the other side. 1570
 Do, for the poor obstructed artist's sake,
 Go with him over that spoiled work once more!
 Take only its first flower, the ended act
 Now in the dusty pod, dry and defunct!
 I march to the Villa, and my men with me, 1575
 That evening, and we reach the door and stand.
 I say . . . no, it shoots through me lightning-like
 While I pause, breathe, my hand upon the latch,
 "Let me forebode! Thus far, too much success:
 "I want the natural failure—find it where? . 1580
 "Which thread will have to break and leave a loop
 "I' the meshy combination, my brain's loom

" Wove this long while, and now next minute tests?
 " Of three that are to catch, two should go free,
 " One must : all three surprised,—impossible! 1535
 " Beside, I seek three and may chance on six,—
 " This neighbour, t' other gossip,—the babe's birth
 " Brings such to fireside, and folks give them wine,—
 " 'T is late : but when I break in presently
 " One will be found outlingering the rest 1590
 " For promise of a posset,—one whose shout
 " Would raise the dead down in the catacombs,
 " Much more the city-watch that goes its round.
 " When did I ever turn adroitly up
 " To sun some brick embedded in the soil, 1595
 " And with one blow crush all three scorpions there?
 " Or Pietro or Violante shambles off—
 " It cannot be but I surprise my wife—
 " If only she is stopped and stamped on, good!
 " That shall suffice : more is improbable. 1600
 " Now I may knock!" And this once for my sake
 The impossible was effected : I called king,
 Queen and knave in a sequence, and cards came,
 All three, three only! So, I had my way,
 Did my deed : so, unbrokenly lay bare 1605
 Each tænia that had sucked me dry of juice,
 At last outside me, not an inch of ring
 Left now to writhe about and root itself

I' the heart all powerless for revenge ! Henceforth
 I might thrive : these were drawn and dead and damned.
 Oh Cardinal, the deep long sigh you heave 1611
 When the load 's off you, ringing as it runs
 All the way down the serpent-stair to hell !
 No doubt the fine delirium flustered me,
 Turned my brain with the influx of success 1615
 As if the sole need now were to wave wand
 And find doors fly wide,—wish and have my will,—
 The rest o' the scheme would care for itself : escape
 Easy enough were that, and poor beside !
 It all but proved so,—ought to quite have proved, 1620
 Since, half the chances had sufficed, set free
 Anyone, with his senses at command,
 From thrice the danger of my flight. But, drunk,
 Redundantly triumphant,—some reverse
 Was sure to follow ! There 's no other way 1625
 Accounts for such prompt perfect failure then
 And there on the instant. Any day o' the week,
 A ducat slid discreetly into palm
 O' the mute post-master, while you whisper him—
 How you the Count and certain four your knaves, 1630
 Have just been mauling who was malapert,
 Suspect the kindred may prove troublesome,
 Therefore, want horses in a hurry,—that
 And nothing more secures you any day

The pick o' the stable! Yet I try the trick, 1635
 Double the bribe, call myself Duke for Count,
 And say the dead man only was a Jew,
 And for my pains find I am dealing just
 With the one scrupulous fellow in all Rome—
 Just this immaculate official stares, 1640
 Sees I want hat on head and sword in sheath,
 Am splashed with other sort of wet than wine,
 Shrugs shoulder, puts my hand by, gold and all,
 Stands on the strictness of the rule o' the road!
 "Where's the Permission?" Where's the wretched rag
 With the due seal and sign of Rome's Police, 1646
 To be had for asking, half-an-hour ago?
 "Gone? Get another, or no horses hence!"
 He dares not stop me, we five glare too grim,
 But hinders,—hacks and hamstrings sure enough, 1650
 Gives me some twenty miles of miry road
 More to march in the middle of that night
 Whereof the rough beginning taxed the strength
 O' the youngsters, much more mine, both soul and flesh,
 Who had to think as well as act: dead-beat, 1655
 We gave in ere we reached the boundary
 And safe spot out of this irrational Rome,—
 Where, on dismounting from our steeds next day,
 We had snapped our fingers at you, safe and sound,
 Tuscans once more in blessed Tuscany, 1660

Where laws make wise allowance, understand
 Civilized life and do its champions right !
 Witness the sentence of the Rota there,
 Arezzo uttered, the Granduke confirmed,
 One week before I acted on its hint,— 1665
 Giving friend Guillichini, for his love,
 The galleys, and my wife your saint, Rome's saint,—
 Rome manufactures saints enough to know,—
 Seclusion at the Stinche for her life.
 All this, that all but was, might all have been, 1670
 Yet was not ! baulked by just a scrupulous knave
 Whose palm was horn through handling horses' hoofs
 And could not close upon my proffered gold !
 What say you to the spite of fortune ? Well,
 The worst 's in store : thus hindered, haled this way
 To Rome again by hangdogs, whom find I 1676
 Here, still to fight with, but my pale frail wife ?
 —Riddled with wounds by one not like to waste
 The blows he dealt,—knowing anatomy,—
 (I think I told you) bound to pick and choose 1680
 The vital parts ! 'T was learning all in vain !
 She too must shimmer through the gloom o' the grave,
 Come and confront me—not at judgment-seat
 Where I could twist her soul, as erst her flesh,
 And turn her truth into a lie,—but there, 1685
 O' the death-bed, with God's hand between us both,

Striking me dumb, and helping her to speak,
 Tell her own story her own way, and turn
 My plausibility to nothingness !
 Four whole days did Pompilia keep alive, 1690
 With the best surgery of Rome agape
 At the miracle,—this cut, the other slash,
 And yet the life refusing to dislodge,
 Four whole extravagant impossible days,
 Till she had time to finish and persuade 1695
 Every man, every woman, every child
 In Rome, of what she would : the selfsame she
 Who, but a year ago, had wrung her hands,
 Reddened her eyes and beat her breasts, rehearsed
 The whole game at Arezzo, nor availed 1700
 Thereby to move one heart or raise one hand !
 When destiny intends you cards like these,
 What good of skill and preconcerted play ?
 Had she been found dead, as I left her dead,
 I should have told a tale brooked no reply : 1705
 You scarcely will suppose me found at fault
 With that advantage ! “ What brings me to Rome ?
 “ Necessity to claim and take my wife :
 “ Better, to claim and take my new-born babe,—
 “ Strong in paternity a fortnight old, 1710
 “ When ’t is at strongest : warily I work,
 “ Knowing the machinations of my foe ;

" I have companionship and use the night :
 " I seek my wife and child,—I find—no child
 " But wife, in the embraces of that priest 1715
 " Who caused her to elope from me. These two,
 " Backed by the pander-pair who watch the while,
 " Spring on me like so many tiger-cats,
 " Glad of the chance to end the intruder. I—
 " What should I do but stand on my defence, 1720
 " Strike right, strike left, strike thick and threefold, slay,
 " Not all—because the coward priest escapes.
 " Last, I escape, in fear of evil tongues,
 " And having had my taste of Roman law."
 What's disputable, refutable here?— 1725
 Save by just this one ghost-thing half on earth,
 Half out of it,—as if she held God's hand
 While she leant back and looked her last at me,
 Forgiving me (here monks begin to weep)
 Oh, from her very soul, commending mine 1730
 To heavenly mercies which are infinite,—
 While fixing fast my head beneath your knife !
 'T is fate not fortune. All is of a piece !
 When was it chance informed me of my youths ?
 My rustic four o' the family, soft swains, 1735
 What sweet surprise had they in store for me,
 Those of my very household,—what did Law
 Twist with her rack-and-cord-contrivance late

From out their bones and marrow? What but this—
 Had no one of these several stumbling-blocks 1740
 Stopped me, they yet were cherishing a scheme,
 All of their honest country homespun wit,
 To quietly next day at crow of cock
 Cut my own throat too, for their own behoof,
 Seeing I had forgot to clear accounts 1745
 O' the instant, nowise slackened speed for that,—
 And somehow never might find memory,
 Once safe back in Arezzo, where things change,
 And a court-lord needs mind no country lout.
 Well, being the arch-offender, I die last,— 1750
 May, ere my head falls, have my eyesight free,
 Nor miss them dangling high on either hand,
 Like scarecrows in a hemp-field, for their pains !

And then my Trial,—'t is my Trial that bites
 Like a corrosive, so the cards are packed, 1755
 Dice loaded, and my life-stake tricked away !
 Look at my lawyers, lacked they grace of law,
 Latin or logic? Were not they fools to the height,
 Fools to the depth, fools to the level between,
 O' the foolishness set to decide the case? 1760
 They feign, they flatter; nowise does it skill,
 Everything goes against me : deal each judge
 His dole of flattery and feigning,—why,

He turns and tries and snuffs and savours it,
 As some old fly the sugar-grain, your gift ; 1765
 Then eyes your thumb and finger, brushes clean
 The absurd old head of him, and whisks away,
 Leaving your thumb and finger dirty. Faugh !

And finally, after this long-drawn range
 Of affront and failure, failure and affront,— 1770
 This path, 'twixt crosses leading to a skull,
 Paced by me barefoot, bloodied by my palms
 From the entry to the end,—there 's light at length,
 A cranny of escape : appeal may be
 To the old man, to the father, to the Pope, 1775
 For a little life—from one whose life is spent,
 A little pity—from pity's source and seat,
 A little indulgence to rank, privilege,
 From one who is the thing personified,
 Rank, privilege, indulgence, grown beyond 1780
 Earth's bearing, even, ask Jansenius else !
 Still the same answer, still no other tune
 From the cicala perched at the tree-top
 Than crickets noisy round the root : 't is " Die !"
 Bids Law—" Be damned !" adds Gospel,—nay, 1785
 No word so frank,—'t is rather, " Save yourself !"
 The Pope subjoins—" Confess and be absolved !
 "So shall my credit countervail your shame,

"And the world see I have not lost the knack
 "Of trying all the spirits: yours, my son, 1790
 "Wants but a fiery washing to emerge
 "In clarity! Come, cleanse you, ease the ache
 "Of these old bones, refresh our bowels, boy!"
 Do I mistake your mission from the Pope?
 Then, bear his Holiness the mind of me! 1795
 I do get strength from being thrust to wall,
 Successively wrenched from pillar and from post
 By this tenacious hate of fortune, hate
 Of all things in, under, and above earth.
 Warfare, begun' this mean unmanly mode, 1800
 Does best to end so,—gives earth spectacle
 Of a brave fighter who succumbs to odds
 That turn defeat to victory. Stab, I fold
 My mantle round me! Rome approves my act:
 Applauds the blow which costs me life but keeps 1805
 My honour spotless: Rome would praise no more
 Had I fallen, say, some fifteen years ago,
 Helping Vienna when our Aretines
 Flocked to Duke Charles and fought Turk Mustafa;
 Nor would you two be trembling o'er my corpse 1810
 With all this exquisite solicitude.
 Why is it that I make such suit to live?
 The popular sympathy that 's round me now
 Would break like bubble that o'er-domes a fly:

Solid enough while he lies quiet there, 1815
 But let him want the air and ply the wing,
 Why, it breaks and bespatters him, what else?
 Cardinal, if the Pope had pardoned me,
 And I walked out of prison through the crowd,
 It would not be your arm I should dare press! 1820
 Then, if I got safe to my place again,
 How sad and sapless were the years to come!
 I go my old ways and find things grown grey;
 You priests leer at me, old friends look askance,
 The mob's in love, I'll wager, to a man, 1825
 With my poor young good beauteous murdered wife:
 For hearts require instruction how to beat,
 And eyes, on warrant of the story, wax
 Wanton at portraiture in white and black
 Of dead Pompilia gracing ballad-sheet, 1830
 Which eyes, lived she unmurdered and unsung,
 Would never turn though she paced street as bare
 As the mad penitent ladies do in France.
 My brothers quietly would edge me out
 Of use and management of things called mine; 1835
 Do I command? "You stretched command before!"
 Show anger? "Anger little helped you once!"
 Advise? "How managed you affairs of old?"
 My very mother, all the while they gird,
 Turns eye up, gives confirmatory groan; 1840

For unsuccess, explain it how you will,
 Disqualifies you, makes you doubt yourself,
 —Much more, is found decisive by your friends.
 Beside, am I not fifty years of age? 1844
 What new leap would a life take, checked like mine
 I' the spring at outset? Where's my second chance?
 Ay, but the babe . . . I had forgot my son,
 My heir! Now for a burst of gratitude!
 'There's some appropriate service to intone,
 Some *gaudeamus* and thanksgiving-psalm! 1850
 Old, I renew my youth in him, and poor
 Possess a treasure,—is not that the phrase?
 Only I must wait patient twenty years—
 Nourishing all the while, as father ought,
 The excrescence with my daily blood of life. 1855
 Does it respond to hope, such sacrifice,—
 Grows the wen plump while I myself grow lean?
 Why, here's my son and heir in evidence,
 Who stronger, wiser, handsomer than I
 By fifty years, relieves me of each load,— 1860
 Tames my hot horse, carries my heavy gun,
 Courts my coy mistress,—has his apt advice
 On house-economy, expenditure,
 And what not. All which good gifts and great growth
 Because of my decline, he brings to bear 1865
 On Guido, but half apprehensive how

He cumpers earth, crosses the brisk young Count,
 Who civilly would thrust him from the scene.
 Contrariwise, does the blood-offering fail?
 There 's an ineptitude, one blank the more 1870
 Added to earth in semblance of my child?
 Then, this has been a costly piece of work.
 My life exchanged for his!—why he, not I,
 Enjoy the world, if no more grace accrue?
 Dwarf me, what giant have you made of him? 1875
 I do not dread the disobedient son:
 I know how to suppress rebellion there,
 Being not quite the fool my father was.
 But grant the medium measure of a man,
 The usual compromise 'twixt fool and sage, 1880
 —You know—the tolerably-obstinate,
 The not-so-much-perverse but you may train,
 The true son-servant that, when parent bids
 “Go work, son, in my vineyard!” makes reply
 “I go, Sir!”—Why, what profit in your son 1885
 Beyond the drudges you might subsidize,
 Have the same work from, at a paul the head?
 Look at those four young precious olive-plants
 Reared at Vittiano,—not on flesh and blood,
 These twenty years, but black bread and sour wine!
 I bade them put forth tender branch, hook, hold, 1891
 And hurt three enemies I had in Rome:

They did my hest as unreluctantly,
 At promise of a dollar, as a son
 Adjured by mumping memories of the past. 1895
 No, nothing repays youth expended so—
 Youth, I say, who am young still : grant but leave
 To live my life out, to the last I 'd live
 And die conceding age no right of youth !
 It is the will runs the renewing nerve 1900
 Through flaccid flesh that faints before the time.
 Therefore no sort of use for son have I—
 Sick, not of life's feast but of steps to climb
 To the house where life prepares her feast,—of means
 To the end : for make the end attainable 1905
 Without the means,—my relish were like yours.
 A man may have an appetite enough
 For a whole dish of robins ready cooked,
 And yet lack courage to face sleet, pad snow,
 And snare sufficiently for supper. 1910

Thus

The time 's arrived when, ancient Roman-like,
 I am bound to fall on my own sword : why not
 Say—Tuscan-like, more ancient, better still ?
 Will you hear truth can do no harm nor good ? 1915
 I think I never was at any time
 A Christian, as you nickname all the world,

Me among others : truce to nonsense now !
 Name me, a primitive religionist—
 As should the aboriginary be 1920
 I boast myself, Etruscan, Aretine,
 One sprung,—your frigid Virgil's fieriest word,—
 From fauns and nymphs, trunks and the heart of oak,
 With,—for a visible divinity,—
 The portent of a Jove Ægiochus 1925
 Descried 'mid clouds, lightning and thunder, couched
 On topmost crag of your Capitoline :
 'T is in the Seventh Æneid,—what, the Eighth ?
 Right,—thanks, Abate,—though the Christian's dumb,
 The Latinist's vivacious in you yet ! 1930
 I know my grandsire had our tapestry
 Marked with the motto, 'neath a certain shield,
 Where to his grandson presently will give gules
 'To vary azure. First we fight for faiths,
 But get to shake hands at the last of all : 1935
 Mine's your faith too,—in Jove Ægiochus !
 Nor do Greek gods, that serve as supplement,
 Jar with the simpler scheme, if understood.
 We want such intermediary race
 To make communication possible ; 1940
 The real thing were too lofty, we too low,
 Midway hang these : we feel their use so plain
 In linking height to depth, that we doff hat

And put no question nor pry narrowly
 Into the nature hid behind the names. 1945
 We grudge no rite the fancy may demand ;
 But never, more than needs, invent, refine,
 Improve upon requirement, idly wise
 Beyond the letter, teaching gods their trade,
 Which is to teach us : we 'll obey when taught. 1950
 Why should we do our duty past the need ?
 When the sky darkens, Jove is wroth,—say prayer !
 When the sun shines and Jove is glad,—sing psalm !
 But wherefore pass prescription and devise
 Blood-offering for sweat-service, lend the rod 1955
 A pungency through pickle of our own ?
 Learned Abate,—no one teaches you
 What Venus means and who 's Apollo here !
 I spare you, Cardinal,—but, though you wince,
 You know me, I know you, and both know that !
 So, if Apollo bids us fast, we fast : 1961
 But where does Venus order we stop sense
 When Master Pietro rhymes a pleasantry ?
 Give alms prescribed on Friday : but, hold hand
 Because your foe lies prostrate,—where 's the word
 Explicit in the book debars revenge ? 1966
 The rationale of your scheme is just
 “ Pay toll here, there pursue your pleasure free ! ”
 So do you turn to use the medium-powers,

Mars and Minerva, Bacchus and the rest, 1970
 And so are saved propitiating—whom?
 What all-good, all-wise and all-potent Jove
 Vexed by the very sins in man, himself
 Made life's necessity when man he made?
 Irrational bunglers! So, the living truth 1975
 Revealed to strike Pan dead, ducks low at last,
 Prays leave to hold its own and live good days
 Provided it go masque grotesquely, called
 Christian not Pagan. Oh, you purged the sky
 Of all gods save the One, the great and good, 1980
 Clapped hands and triumphed! But the change came
 fast:

The inexorable need in man for life—
 (Life, you may mulct and minish to a grain
 Out of the lump, so that the grain but live)
 Laughed at your substituting death for life, 1985
 And bade you do your worst: which worst was done
 In just that age styled primitive and pure
 When Saint this, Saint that, dutifully starved,
 Froze, fought with beasts, was beaten and abused
 And finally ridded of his flesh by fire: 1990
 He kept life-long unspotted from the world!
 Next age, how goes the game, what mortal gives
 His life and emulates Saint that, Saint this?
 Men mutter, make excuse or mutiny,

In fine are minded all to leave the new, 1995
 Stick to the old,—enjoy old liberty,
 No prejudice in enjoyment, if you please,
 To the new profession : sin o' the sly, henceforth !
 The law stands though the letter kills : what then ?
 The spirit saves as unmistakeably. 2000
 Omniscience sees, Omnipotence could stop,
 Omnibenevolence pardons : it must be,
 Frown law its fiercest, there 's a wink somewhere !

Such was the logic in this head of mine :
 I, like the rest, wrote " poison " on my bread, 2005
 But broke and ate :—said " Those that use the sword
 " Shall perish by the same ; " then stabbed my foe.
 I stand on solid earth, not empty air :
 Dislodge me, let your Pope's crook hale me hence !
 Not he, nor you ! And I so pity both, 2010
 I 'll make the true charge you want wit to make :
 " Count Guido, who reveal our mystery,
 " And trace all issues to the love of life .
 " We having life to love and guard, like you,
 " Why did you put us upon self-defence ? 2015
 " You well knew what prompt pass-word would appease
 " The sentry's ire when folk infringed his bounds,
 " And yet kept mouth shut : do you wonder then
 " If, in mere decency, he shot you dead ?

" He can't have people play such pranks as yours 2020
 " Beneath his nose at noonday : you disdained
 " To give him an excuse before the world
 " By crying ' I break rule to save our camp !'
 " Under the old rule, such offence were death ;
 " And you had heard the Pontifex pronounce 2025
 " ' Since you slay foe and violate the form,
 " ' Slaying turns murder, which were sacrifice
 " ' Had you, while, say, law-suiting foe to death,
 " ' But raised an altar to the Unknown God
 " ' Or else the Genius of the Vatican.' 2030
 " Why then this pother?—all because the Pope,
 " Doing his duty, cried ' A foreigner,
 " ' You scandalize the natives : here at Rome
 " ' *Romano vivitur more*: wise men, here,
 " ' Put the Church forward and efface themselves. 2035
 " ' The fit defence had been,—you stamped on wheat,
 " ' Intending all the time to trample tares,—
 " ' Were fain extirpate, then, the heretic,
 " ' You now find, in your haste was slain a fool :
 " ' Nor Pietro, nor Violante, nor your wife 2040
 " ' Meant to breed up your babe a Molinist !
 " ' Whence you are duly contrite. Not one word
 " ' Of all this wisdom did you urge : which slip
 " ' Death must atone for.' "

So, let death atone ! 2045

So ends mistake, so end mistakers !—end
 Perhaps to recommence,—how should I know ?
 Only, be sure, no punishment, no pain
 Childish, preposterous, impossible,
 But some such fate as Ovid could foresee,— 2050
Byblis in fluvium, let the weak soul end
 In water, *sed Lycaon in lupum*, but
 The strong become a wolf for evermore !
 Change that Pompilia to a puny stream
 Fit to reflect the daisies on its bank ! 2055
 Let me turn wolf, be whole, and sate, for once,—
 Wallow in what is now a wolfishness
 Coerced too much by the humanity
 That 's half of me as well ! Grow out of man,
 Glut the wolf-nature,—what remains but grow 2060
 Into the man again, be man indeed
 And all man ? Do I ring the changes right ?
 Deformed, transformed, reformed, informed, conformed !
 The honest instinct, pent and crossed through life,
 Let surge by death into a visible flow 2065
 Of rapture : as the strangled thread of flame
 Painfully winds, annoying and annoyed,
 Malignant and maligned, thro' stone and ore,
 Till earth exclude the stranger : vented once,
 It finds full play, is recognized a-top 2070
 Some mountain as no such abnormal birth,

Fire for the mount, not streamlet for the vale !
 Ay, of the water was that wife of mine—
 Be it for good, be it for ill, no run
 O' the red thread through that insignificance ! 2075
 Again, how she is at me with those eyes !
 Away with the empty stare ! Be holy still,
 And stupid ever ! Occupy your patch
 Of private snow that 's somewhere in what world
 May now be growing icy round your head, 2080
 And aguish at your foot-print, —freeze not me,
 Dare follow not another step I take,
 Not with so much as those detested eyes,
 No, though they follow but to pray me pause
 On the incline, earth's edge that 's next to hell ! 2085
 None of your abnegation of revenge !
 Fly at me frank, tug while I tear again !
 There 's God, go tell Him, testify your worst !
 Not she ! There was no touch in her of hate :
 And it would prove her hell, if I reached mine ! 2090
 To know I suffered, would still sadden her,
 Do what the angels might to make amends !
 Therefore there 's either no such place as hell,
 Or thence shall I be thrust forth, for her sake,
 And thereby undergo three hells, not one— 2095
 I who, with outlet for escape to heaven,
 Would tarry if such flight allowed my foe

'To raise his head, relieved of that firm foot
 Had pinned him to the fiery pavement else !
 So am I made, " who did not make myself : " 2100
 (How dared she rob my own lip of the word ?)
 Beware me in what other world may be !—
 Pompilia, who have brought me to this pass !
 All I know here, will I say there, and go
 Beyond the saying with the deed. Some use 2105
 There cannot but be for a mood like mine,
 Implacable, persistent in revenge.
 She maundered " All is over and at end :
 " I go my own road, go you where God will !
 " Forgive you ? I forget you ! " There 's the saint
 That takes your taste, you other kind of men ! 2111
 How you had loved her ! Guido wanted skill
 To value such a woman at her worth !
 Properly the instructed criticize
 " What 's here, you simpleton have tossed to take 2115
 " Its chance i' the gutter ? This a daub, indeed ?
 " Why, 't is a Rafael that you kicked to rags !"
 Perhaps so : some prefer the pure design :
 Give me my gorge of colour, glut of gold
 In a glory round the Virgin made for me ! 2120
 Titian 's the man, not Monk Angelico
 Who traces you some timid chalky ghost
 That turns the church into a charnel : ay,

Just such a pencil might depict my wife !
 She,—since she, also, would not change herself,— 2125
 Why could not she come in some heart-shaped cloud,
 Rainbowed about with riches, royalty
 Rimming her round, as round the tintless lawn
 Guardingly runs the selvage cloth of gold ?
 I would have left the faint fine gauze untouched,
 Needle-worked over with its lily and rose, 2131
 Let her bleach unmolested in the midst,
 Chill that selected solitary spot
 Of quietude she pleased to think was life.
 Purity, pallor grace the lawn no doubt 2135
 When there 's the costly bordure to unthread
 And make again an ingot : but what 's grace
 When you want meat and drink and clothes and fire ?
 A tale comes to my mind that 's apposite—
 Possibly true, probably false, a truth 2140
 Such as all truths we live by, Cardinal !
 'T is said, a certain ancestor of mine
 Followed—whoever was the potentate,
 To Paynimrie, and in some battle, broke
 Through more than due allowance of the foe, 2145
 And, risking much his own life, saved the lord's.
 Battered and bruised, the Emperor scrambles up,
 Rubs his eyes and looks round and sees my sire,
 Picks a furze-sprig from out his hauberk-joint,

(Token how near the ground went majesty) 2150
 And says "Take this, and if thou get safe home,
 " Plant the same in thy garden-ground to grow :
 " Run thence an hour in a straight line, and stop :
 " Describe a circle round (for central point)
 " The furze aforesaid, reaching every way 2155
 " The length of that hour's run : I give it thee,—
 " The central point, to build a castle there,
 " The space circumjacent, for fit demesne,
 " The whole to be thy children's heritage,—
 " Whom, for thy sake, bid thou wear furze on cap !"
 Those are my arms : we turned the furze a tree 2161
 To show more, and the greyhound tied thereto,
 Straining to start, means swift and greedy both ;
 He stands upon a triple mount of gold—
 By Jove, then, he 's escaping from true gold 2165
 And trying to arrive at empty air !
 Aha ! the fancy never crossed my mind !
 My father used to tell me, and subjoin
 " As for the castle, that took wings and flew :
 " The broad lands,—why, to traverse them to-day
 " Scarce tasks my gouty feet, and in my prime 2171
 " I doubt not I could stand and spit so far :
 " But for the furze, boy, fear no lack of that,
 " So long as fortune leaves one field to grub !
 " Wherefore, hurra for furze and loyalty !" 2175

What may I mean, where may the lesson lurk ?
 " Do not bestow on man, by way of gift,
 " Furze without land for framework,—vaunt no grace
 " Of purity, no furze-sprig of a wife,
 " To me, i' the thick of battle for my bread, 2180
 " Without some better dowry,—gold will do !"
 No better gift than sordid muck ? Yes, Sirs !
 Many more gifts much better. Give them me !
 O those Olimpias bold, those Biancas brave, 2184
 That brought a husband power worth Ormuz' wealth !
 Cried " Thou being mine, why, what but thine am I ?
 " Be thou to me law, right, wrong, heaven and hell !
 " Let us blend souls, blent, thou in me, to bid
 " Two bodies work one pleasure ! What are these 2189
 " Called king, priest, father, mother, stranger, friend ?
 " They fret thee or they frustrate ? Give the word—
 " Be certain they shall frustrate nothing more !
 " And who is this young florid foolishness
 " That holds thy fortune in his pigmy clutch,
 " —Being a prince and potency, forsooth !— 2195
 " He hesitates to let the trifle go ?
 " Let me but seal up eye, sing ear to sleep
 " Sounder than Samson,—pounce thou on the prize
 " Shall slip from off my breast, and down couch-
 side,
 " And on to floor, and far as my lord's feet— 2200

" Where he stands in the shadow with the knife,
 " Waiting to see what Delilah dares do !
 " Is the youth fair ? What is a man to me
 " Who am thy call-bird ? Twist his neck—my
 dupe's,—
 " Then take the breast shall turn a breast indeed ! "

Such women are there ; and they marry whom ? 2206
 Why, when a man has gone and hanged himself
 Because of what he calls a wicked wife,—
 See, if the very turpitude bemoaned
 Prove not mere excellence the fool ignores ! 2210
 His monster is perfection,—Circe, sent
 Straight from the sun, with wand the idiot blames
 As not an honest distaff to spin wool !
 O thou Lucrezia, is it long to wait
 Yonder where all the gloom is in a glow 2215
 With thy suspected presence ?—virgin yet,
 Virtuous again, in face of what 's to teach—
 Sin unimagined, unimaginable,—
 I come to claim my bride,—thy Borgia's self
 Not half the burning bridegroom I shall be ! 2220
 Cardinal, take away your crucifix !
 Abate, leave my lips alone,—they bite !
 Vainly you try to change what should not change,
 And shall not. I have bared, you bathe my heart—
 It grows the stonier for your saving dew ! 2225

You steep the substance, you would lubricate,
In waters that but touch to petrify!

You too are petrifications of a kind :
Move not a muscle that shows mercy. Rave
Another twelve hours, every word were waste ! 2230
I thought you would not slay impenitence,
But teased, from men you slew, contrition first,—
I thought you had a conscience. Cardinal,
You know I am wronged !—wronged, say, and wronged,
maintain.

Was this strict inquisition made for blood 2235
When first you showed us scarlet on your back,
Called to the College? Your straightforward way
To your legitimate end,—I think it passed
Over a scantling of heads brained, hearts broke,
Lives trodden into dust ! How otherwise ? 2240
Such was the way o' the world, and so you walked.
Does memory haunt your pillow? Not a whit.
God wills you never pace your garden-path,
One appetizing hour ere dinner-time,
But your intrusion there treads out of life 2245
A universe of happy innocent things :
Feel you remorse about that damsel-fly
Which buzzed so near your mouth and flapped your face?
You blotted it from being at a blow :

It was a fly, you were a man, and more, 2250
 Lord of created things, so took your course.
 Manliness, mind,—these are things fit to save,
 Fit to brush fly from : why, because I take
 My course, must needs the Pope kill me?—kill you !
 You ! for this instrument, he throws away, 2255
 Is strong to serve a master, and were yours
 To have and hold and get much good from out !
 The Pope who dooms me needs must die next year ;
 I 'll tell you how the chances are supposed
 For his successor : first the Chamberlain, 2260
 Old San Cesario,—Colloredo, next,—
 Then, one, two, three, four, I refuse to name ;
 After these, comes Altieri ; then come you—
 Seventh on the list you come, unless . . . ha, ha,
 How can a dead hand give a friend a lift ? 2265
 Are you the person to despise the help
 O' the head shall drop in pannier presently?
 So a child seesaws on or kicks away
 The fulcrum-stone that 's all the sage requires
 To fit his lever to and move the world. 2270
 Cardinal, I adjure you in God's name,
 Save my life, fall at the Pope's feet, set forth
 Things your own fashion, not in words like these
 Made for a sense like yours who apprehend !
 Translate into the Court-conventional 2275

"Count Guido must not die, is innocent !
 "Fair, be assured ! But what an he were foul,
 "Blood-drenched and murder-crusted head to foot ?
 "Spare one whose death insults the Emperor,
 "Nay, outrages the Louis you so love ! 2280
 "He has friends who will avenge him ; enemies
 "Who will hate God now with impunity,
 "Missing the old coercive : would you send
 "A soul straight to perdition, dying frank 2284
 "An atheist ?" Go and say this, for God's sake !
 —Why, you don't think I hope you'll say one word ?
 Neither shall I persuade you from your stand
 Nor you persuade me from my station : take
 Your crucifix away, I tell you twice !

Come, I am tired of silence ! Pause enough ! 2290
 You have prayed : I have gone inside my soul
 And shut its door behind me : 't is your torch
 Makes the place dark : the darkness let alone
 Grows tolerable twilight : one may grope
 And get to guess at length and breadth and depth.
 What is this fact I feel persuaded of— 2296
 This something like a foothold in the sea,
 Although Saint Peter's bark scuds, billow-borne,
 Leaves me to founder where it flung me first ?
 Spite of your splashing, I am high and dry ! 2300

God takes his own part in each thing He made ;
Made for a reason, He conserves his work,
Gives each its proper instinct of defence.
My lamblike wife could neither bark nor bite,
She bleated, bleated, till for pity pure 2305
The village roused up, ran with pole and prong
To the rescue, and behold the wolf's at bay !
Shall he try bleating?—or take turn or two,
Since the wolf owns some kinship with the fox,
And, failing to escape the foe by craft, 2310
Give up attempt, die fighting quietly?
The last bad blow that strikes fire in at eye
And on to brain, and so out, life and all,
How can it but be cheated of a pang
If, fighting quietly, the jaws enjoy 2315
One re-embrace in mid back-bone they break,
After their weary work thro' the foe's flesh?
That's the wolf-nature. Don't mistake my trope !
A Cardinal so qualmish? Eminence,
My fight is figurative, blows i' the air, 2320
Brain-war with powers and principalities,
Spirit-bravado, no real fisticuffs !
I shall not presently, when the knock comes,
Cling to this bench nor claw the hangman's face,
No, trust me ! I conceive worse lots than mine.
Whether it be, the old contagious fit 2326

And plague o' the prison have surprised me too,
 The appropriate drunkenness of the death-hour
 Crept on my sense, kind work o' the wine and myrrh,—
 I know not,—I begin to taste my strength, 2330
 Careless, gay even. What's the worth of life?
 The Pope's dead now, my murderous old man,
 For Tozzi told me so: and you, forsooth—
 Why, you don't think, Abate, do your best,
 You'll live a year more with that hacking cough 2335
 And blotch of crimson where the cheek's a pit?
 Tozzi has got you also down in book!
 Cardinal, only seventh of seventy near,
 Is not one called Albano in the lot?
 Go eat your heart, you'll never be a Pope! 2340
 Inform me, is it true you left your love,
 A Pucci, for promotion in the church?
 She's more than in the church,—in the churchyard!
 Plautilla Pucci, your affianced bride,
 Has dust now in the eyes that held the love,— 2345
 And Martinez, suppose they make you Pope,
 Stops that with *veto*,—so, enjoy yourself!
 I see you all reel to the rock, you waves—
 Some forthright, some describe a sinuous track,
 Some, crested brilliantly, with heads above, 2350
 Some in a strangled swirl sunk who knows how,
 But all bound whither the main-current sets,

Rockward, an end in foam for all of you !
 What if I be o'ertaken, pushed to the front
 By all you crowding smoother souls behind, 2355
 And reach, a minute sooner than was meant,
 The boundary whereon I break to mist ?
 Go to ! the smoothest safest of you all,
 Most perfect and compact wave in my train,
 Spite of the blue tranquillity above, 2360
 Spite of the breadth before of lapsing peace
 Where broods the halcyon and the fish leaps free,
 Will presently begin to feel the prick
 At lazy heart, the push at torpid brain,
 Will rock vertiginously in turn, and reel, 2365
 And, emulative, rush to death like me.
 Later or sooner by a minute then,
 So much for the untimeliness of death !
 And, as regards the manner that offends,
 The rude and rough, I count the same for gain. 2370
 Be the act harsh and quick ! Undoubtedly
 The soul 's condensed and, twice itself, expands
 To burst thro' life, by alternation due,
 Into the other state whate'er it prove.
 You never know what life means till you die : 2375
 Even throughout life, 't is death that makes life live,
 Gives it whatever the significance.
 For see, on your own ground and argument,

Suppose life had no death to fear, how find
 A possibility of nobleness 2380
 In man, prevented daring any more?
 What 's love, what 's faith without a worst to dread?
 Lack-lustre jewelry! but faith and love
 With death behind them bidding do or die—
 Put such a foil at back, the sparkle 's born! 2385
 From out myself how the strange colours come!
 Is there a new rule in another world?
 Be sure I shall resign myself: as here
 I recognized no law I could not see,
 There, what I see, I shall acknowledge too: 2390
 On earth I never took the Pope for God,
 In heaven I shall scarce take God for the Pope.
 Unmanned, remanned: I hold it probable—
 With something changeless at the heart of me
 To know me by, some nucleus that 's myself: 2395
 Accretions did it wrong? Away with them—
 You soon shall see the use of fire!

Till when,

All that was, is; and must forever be.
 Nor is it in me to unhate my hates,— 2400
 I use up my last strength to strike once more
 Old Pietro in the wine-house-gossip-face,
 To trample underfoot the whine and wile

Of beast Violante,—and I grow one gorge
 To loathingly reject Pompilia's pale 2405
 Poison my hasty hunger took for food.

A strong tree wants no wreaths about its trunk,
 No cloying cups, no sickly sweet of scent,
 But sustenance at root, a bucketful.
 How else lived that Athenian who died so, 2410
 Drinking hot bull's blood, fit for men like me?
 I lived and died a man, and take man's chance,
 Honest and bold : right will be done to such.

Who are these you have let descend my stair?
 Ha, their accursed psalm ! Lights at the sill ! 2415
 Is it "Open" they dare bid you? Treachery !
 Sirs, have I spoken one word all this while
 Out of the world of words I had to say?
 Not one word ! All was folly—I laughed and mocked !
 Sirs, my first true word, all truth and no lie, 2420
 Is—save me notwithstanding ! Life is all !
 I was just stark mad,—let the madman live
 Pressed by as many chains as you please pile !
 Don't open ! Hold me from them ! I am yours,
 I am the Granduke's—no, I am the Pope's ! 2425
 Abate,—Cardinal,—Christ,—Maria,—God, . . .
 Pompilia, will you let them murder me?

XII.

THE BOOK AND THE RING.

HERE were the end, had anything an end :
Thus, lit and launched, up and up roared and soared
A rocket, till the key o' the vault was reached
And wide heaven held, a breathless minute-space,
In brilliant usurpature : thus caught spark, 5
Rushed to the height, and hung at full of fame
Over men's upturned faces, ghastly thence,
Our glaring Guido : now decline must be.
In its explosion, you have seen his act,
By my power—may-be, judged it by your own,— 10
Or composite as good orbs prove, or crammed
With worse ingredients than the Wormwood Star.
The act, over and ended, falls and fades :
What was once seen, grows what is now described,
Then talked of, told about, a tinge the less 15
In every fresh transmission ; till it melts,
Trickles in silent orange or wan grey

Across our memory, dies and leaves all dark,
 And presently we find the stars again.
 Follow the main streaks, meditate the mode 20
 Of brightness, how it hastes to blend with black !

After that February Twenty-Two,
 Since our salvation, Sixteen-Ninety-Eight,
 Of all reports that were, or may have been,
 Concerning those the day killed or let live, 25
 Four I count only. Take the first that comes.
 A letter from a stranger, man of rank,
 Venetian visitor at Rome,—who knows,
 On what pretence of busy idleness?
 Thus he begins on evening of that day. 30

“ Here are we at our end of Carnival ;
 “ Prodigious gaiety and monstrous mirth,
 “ And constant shift of entertaining show :
 “ With influx, from each quarter of the globe,
 “ Of strangers nowise wishful to be last 35
 “ I’ the struggle for a good place presently
 “ When that befalls fate cannot long defer.
 “ The old Pope totters on the verge o’ the grave :
 “ You see, Malpichi understood far more
 “ Than Tozzi how to treat the ailments : age, 40
 “ No question, renders these inveterate.

" Cardinal Spada, actual Minister,
 " Is possible Pope ; I wager on his head,
 " Since those four entertainments of his niece
 " Which set all Rome a-stare : Pope probably— 45
 " Though Colloredo has his backers too,
 " And San Cesario makes one doubt at times :
 " Altieri will be Chamberlain at most.

" A week ago the sun was warm like May,
 " And the old man took daily exercise 50
 " Along the river-side ; he loves to see
 " That Custom-house he built upon the bank,
 " For, Naples born, his tastes are maritime :
 " But yesterday he had to keep in-doors
 " Because of the outrageous rain that fell. 55
 " On such days the good soul has fainting-fits,
 " Or lies in stupor, scarcely makes believe
 " Of minding business, fumbles at his beads.
 " They say, the trust that keeps his heart alive
 " Is that, by lasting till December next, 60
 " He may hold Jubilee a second time,
 " And, twice in one reign, ope the Holy Doors.
 " By the way, somebody responsible
 " Assures me that the King of France has writ
 " Fresh orders : Fénelon will be condemned : 65
 " The Cardinal makes a wry face enough,

- " Having a love for the delinquent : still,
 " He 's the ambassador, must press the point.
 " Have you a wager too, dependent here ?
- " Now, from such matters to divert awhile, 70
 " Hear of to-day's event which crowns the week,
 " Casts all the other wagers into shade.
 " Tell Dandolo I owe him fifty drops
 " Of heart's blood in the shape of gold zecchines !
 " The Pope has done his worst : I have to pay 75
 " For the execution of the Count, by Jove !
 " Two days since, I reported him as safe,
 " Re-echoing the conviction of all Rome :
 " Who could suspect its one deaf ear—the Pope's ?
 " But prejudices grow insuperable, 80
 " And that old enmity to Austria, that
 " Passion for France and France's pageant-king
 " (Of which, why pause to multiply the proofs
 " Now scandalously rife in Europe's mouth ?)
 " These fairly got the better in our man 85
 " Of justice, prudence, and *esprit de corps*,
 " And he persisted in the butchery.
 " Also, 't is said that in his latest walk
 " To that Dogana-by-the-Bank he built,
 " The crowd,— he suffers question, unrebuked,—
 " Asked, ' Whether murder was a privilege 91

- “ ‘ Only reserved for nobles like the Count ? ’
 “ And he was ever mindful of the mob.
 “ Martinez, the Cæsarian Minister,
 “ — Who used his best endeavours to spare blood,
 “ And strongly pleaded for the life ‘ of one,’ 96
 “ Urged he, ‘ I may have dined at table with ! ’—
 “ He will not soon forget the Pope’s rebuff,
 “ — Feels the slight sensibly, I promise you !
 “ And but for the dissuasion of two eyes 100
 “ That make with him foul weather or fine day,
 “ He had abstained, nor graced the spectacle :
 “ As it was, barely would he condescend
 “ Look forth from the *palchetto* where he sat
 “ Under the Pincian : we shall hear of this. 105
 “ ‘ The substituting, too, the People’s Square
 “ For the out-o’-the-way old quarter by the Bridge,
 “ Was meant as a conciliatory sop
 “ To the mob ; it gave one holiday the more.
 “ But the French Embassy might unfurl flag,— 110
 “ Still the good luck of France to fling a foe !
 “ Cardinal Bouillon triumphs properly.
 “ *Palchetti* were erected in the Place,
 “ And houses, at the edge of the Three Streets,
 “ Let their front windows at six dollars each : 115
 “ Anguisiola, that patron of the arts,
 “ Hired one ; our Envoy Contarini too.

- " Now for the thing ; no sooner the decree
 " Gone forth,—'t is four-and-twenty hours ago,—
 " Than Acciaiuoli and Panciatichi, 120
 " Old friends, indeed compatriots of the man,
 " Being pitched on as the couple properest
 " To intimate the sentence yesternight,
 " Were closeted ere cock-crow with the Count.
 " They both report their efforts to dispose 125
 " The unhappy nobleman for ending well,
 " Despite the natural sense of injury,
 " Were crowned at last with a complete success.
 " And when the Company of Death arrived
 " At twenty-hours,—the way they reckon here,— 130
 " We say, at sunset, after dinner-time,—
 " The Count was led down, hoisted up on car,
 " Last of the five, as heinous, you know :
 " Yet they allowed one whole car to each man.
 " His intrepidity, nay, nonchalance, 135
 " As up he stood and down he sat himself,
 " Struck admiration into those who saw.
 " Then the procession started, took the way
 " From the New Prisons by the Pilgrim's Street,
 " The street of the Governo, Pasquin's Street, 140
 " (Where was stuck up, mid other epigrams,
 " A quatrain . . . but of all that, presently !)
 " The Place Navona, the Pantheon's Place,

" Place of the Column, last the Corso's length,
 " And so debouched thence at Mannaia's foot 145
 " I' the Place o' the People. As is evident,
 " (Despite the malice,—plainly meant, I fear,
 " By this abrupt change of locality,—
 " The Square 's no such bad place to head and hang)
 " We had the titillation as we sat 150
 " Assembled, (quality in conclave, ha?)
 " Of, minute after minute, some report
 " How the slow show was winding on its way.
 " Now did a car run over, kill a man,
 " Just opposite a pork-shop numbered Twelve : 155
 " And bitter were the outcries of the mob
 " Against the Pope : for, but that he forbids
 " The Lottery, why, Twelve were Tern Quatern !
 " Now did a beggar by Saint Agnes, lame
 " From his youth up, recover use of leg, 160
 " Through prayer of Guido as he glanced that way :
 " So that the crowd near crammed his hat with coin.
 " Thus was kept up excitement to the last,
 " —Not an abrupt out-bolting, as of yore,
 " From Castle, over Bridge and on to block, 165
 " And so all ended ere you well could wink !

 " To mount the scaffold-steps, Guido was last
 " Here also, as atrociouslest in crime.

“ We hardly noticed how the peasants died,
“ They dangled somehow soon to right and left, 170
“ And we remained all ears and eyes, could give
“ Ourselves to Guido undividedly,
“ As he harangued the multitude beneath.
“ He begged forgiveness on the part of God,
“ And fair construction of his act from men, 175
“ Whose suffrage he entreated for his soul,
“ Suggesting that we should forthwith repeat
“ A *Pater* and an *Ave*, with the hymn
“ *Salve Regina Cæli*, for his sake.
“ Which said, he turned to the confessor, crossed
“ And reconciled himself, with decency, 181
“ Oft glancing at Saint Mary’s opposite,
“ Where they possess, and showed in shrine to-day,
“ The blessed *Umbilicus* of our Lord,
“ (A relic ’t is believed no other church 185
“ In Rome can boast of)—then rose up, as brisk
“ Knelt down again, bent head, adapted neck,
“ And, with the name of Jesus on his lips,
“ Received the fatal blow.

“ The headsman showed
“ The head to the populace. Must I avouch 191
“ We strangers own to disappointment here?
“ Report pronounced him fully six feet high,

- " Youngish, considering his fifty years,
 " And, if not handsome, dignified at least. 195
 " Indeed, it was no face to please a wife !
 " His friends say, this was caused by the costume :
 " He wore the dress he did the murder in,
 " That is, a *just-a-corps* of russet serge,
 " Black camisole, coarse cloak of baracan 200
 " (So they style here the garb of goat's-hair cloth)
 " White hat and cotton cap beneath, poor Count
 " Preservative against the evening dews
 " During the journey from Arezzo. Well,
 " So died the man, and so his end was peace ; 205
 " Whence many a moral were to meditate.
 " Spada,—you may bet Dandolo,—is Pope !
 " Now for the quatrain ! "

No, friend, this will do !

- You've sputtered into sparks. What streak comes next ?
 A letter : Don Giacinto Arcangeli, 211
 Doctor and Proctor, him I made you mark
 Buckle to business in his study late,
 The virtuous sire, the valiant for the truth,
 Acquaints his correspondent,—Florentine, 215
 By name Cencini, advocate as well,
Socius and brother-in-the-devil to match,—

A friend of Franceschini, anyhow,
 And knit up with the bowels of the case,—
 Acquaints him, (in this paper that I touch) 220
 How their joint effort to obtain reprieve
 For Guido had so nearly nicked the nine
 And ninety and one over,—folk would say
 At Tarocs,—or succeeded,—in our phrase.
 To this Cencini's care I owe the Book, 225
 The yellow thing I take and toss once more,—
 How will it be, my four-years'-intimate,
 When thou and I part company anon?—
 'T was he, the "whole position of the case,"
 Pleading and summary, were put before; 230
 Discreetly in my Book he bound them all,
 Adding some three epistles to the point.
 Here is the first of these, part fresh as penned,
 The sand, that dried the ink, not rubbed away,
 Though penned the day whereof it tells the deed:
 Part—extant just as plainly, you know where, 236
 Whence came the other stuff, went, you know how,
 To make the Ring that 's all but round and done.

"Late they arrived, too late, egregious Sir,
 "Those same justificative points you urge 240
 "Might benefit His Blessed Memory

" Count Guido Franceschini now with God :
 " Since the Court,—to state things succinctly,—styled
 " The Congregation of the Governor,
 " Having resolved on Tuesday last our cause 245
 " I' the guilty sense, with death for punishment,
 " Spite of all pleas by me deducible
 " In favour of said Blessed Memory,—
 " I, with expenditure of pains enough,
 " Obtained a respite, leave to claim and prove 250
 " Exemption from the law's award,—alleged
 " The power and privilege o' the Clericate :
 " To which effect a courier was despatched.
 " But ere an answer from Arezzo came,
 " The Holiness of our Lord the Pope (prepare !) 255
 " Judging it inexpedient to postpone
 " The execution of such sentence passed,
 " Saw fit, by his particular cheirograph,
 " To derogate, dispense with privilege,
 " And wink at any hurt accruing thence 260
 " To Mother Church through damage of her son :
 " Also, to overpass and set aside
 " That other plea on score of tender age,
 " Put forth by me to do Pasquini good,
 " One of the four in trouble with our friend. 265
 " So that all five, to-day, have suffered death
 " With no distinction save in dying,—he,

" Decollate by mere due of privilege,
 " The rest hanged decently and in order. Thus
 " Came the Count to his end of gallant man, 270
 " Defunct in faith and exemplarity :
 " Nor shall the shield of his great House lose shine
 " Thereby, nor its blue banner blush to red.
 " This, too, should yield sustainment to our hearts—
 " He had commiseration and respect 275
 " In his decease from universal Rome,
 " *Quantum est hominum venustiorum,*
 " The nice and cultivated everywhere :
 " Though, in respect of me his advocate,
 " Needs must I groan o'er my debility, 280
 " Attribute the untoward event o' the strife
 " To nothing but my own crass ignorance
 " Which failed to set the valid reasons forth,
 " Find fit excuse : such is the fate of war !
 " May God compensate us the direful blow 285
 " By future blessings on his family,
 " Whereof I lowly beg the next commands ;
 " —Whereto, as humbly, I confirm myself . . ."

And so forth,—follow name and place and date.

On next leaf— 290

" *Hactenus senioribus !*

" There, old fox, show the clients t' other side

- " And keep this corner sacred, I beseech !
 " You and your pleas and proofs were what folk call
 " Pisan assistance, aid that comes too late, 295
 " Saves a man dead as nail in post of door.
 " Had I but time and space for narrative !
 " What was the good of twenty Clericates
 " When Somebody's thick headpiece once was bent
 " On seeing Guido's drop into the bag ? 300
 " How these old men like giving youth a push !
 " So much the better : next push goes to him,
 " And a new Pope begins the century.
 " Much good I get by my superb defence !
 " But argument is solid and subsists, 305
 " While obstinacy and ineptitude
 " Accompany the owner to his tomb—
 " What do I care how soon ? Beside, folk see !
 " Rome will have relished heartily the show,
 " Yet understood the motives, never fear, 310
 " Which caused the indecent change o' the People's
 Place
 " To the People's Playground,—stigmatize the spite
 " Which in a trice precipitated things !
 " As oft the moribund will give a kick
 " To show they are not absolutely dead, 315
 " So febleness i' the socket shoots its last,
 " A spirt of violence for energy !

" But thou, Cencini, brother of my breast,
 " O fox whose home is 'mid the tender grape,
 " Whose couch in Tuscany by Themis' throne, 320
 " Subject to no such . . . best I shut my mouth
 " Or only open it again to say,
 " This pother and confusion fairly laid,
 " My hands are empty and my satchel lank.
 " Now then for both the Matrimonial Cause 325
 " And the Case of Gomez! Serve them hot and hot!

Reliqua differamus in crastinum!

" The impatient estafette cracks whip outside :
 " Still, though the earth should swallow him who swears
 " And me who make the mischief, in must slip— 330
 " My boy, your godson, fat-chaps Hyacinth,
 " Enjoyed the sight while Papa plodded here.
 " I promised him, the rogue, a month ago,
 " The day his birthday was, of all the days,
 " That if I failed to save Count Guido's head, 335
 " Cinuccio should at least go see it chopped
 " From trunk—' So, latinize your thanks! quoth I.
 " 'That I prefer, *hoc malim,*' raps me out
 " The rogue: you notice the subjunctive? Ah!
 " Accordingly he sat there, bold in box, 340
 " Proud as the Pope behind the peacock-fans :
 " Whereon a certain lady-patroness

" For whom I manage things (my boy in front,
 " Her Marquis sat the third in evidence ;
 " Boys have no eyes nor ears save for the show) 345
 " ' This time, Cintino,' was her sportive word,
 " When whiz and thump went axe and mowed lay man,
 " And folk could fall to the suspended chat,
 " ' This time, you see, Bottini rules the roast,
 " ' Nor can Papa with all his eloquence. 350
 " ' Be reckoned on to help as heretofore !'
 " Whereat Cinone pouts ; then, sparkishly—
 " ' Papa knew better than aggrieve his Pope,
 " ' And baulk him of his grudge against our Count,
 " ' Else he 'd have argued-off Bottini's' . . . what? 355
 " ' His nose,'—the rogue ! well parried of the boy !
 " He 's long since out of Cæsar (eight years old)
 " And as for tripping in Eutropius . . . well,
 " Reason the more that we strain every nerve
 " To do him justice, mould a model-mouth, 360
 " A Bartolus-cum-Baldo for next age :
 " For that I purse the pieces, work the brain,
 " And want both Gomez and the marriage-case,
 " Success with which shall plaster aught of pate
 " That 's broken in me by Bottini's flail, 365
 " And bruise his own, belike, that wags and brags.
 " *Adverti supplico humiliter*
 " *Quod* don't the fungus see, the fop divine

- "That one hand drives two horses, left and right?
 "With this rein did I rescue from the ditch 370
 "The fortune of our Franceschini, keep
 "Unsplashed the credit of a noble House,
 "And set the fashionable cause at Romæ
 "A-prancing till bystanders shouted 'ware !'
 "The other rein's judicious management 375
 "Suffered old Somebody to keep the pace,
 "Hobblingly play the roadster : who but he
 "Had his opinion, was not led by the nose
 "In leash of quibbles strung to look like law !
 "You 'll soon see,—when I go to pay devoir 380
 "And compliment him on confuting me,—
 "If, by a back-swing of the pendulum,
 "Grace be not, thick and threefold, consequent.
 "' I must decide as I see proper, Don !
 "' I 'm Pope, I have my inward lights for guide. 385
 "' Had learning been the matter in dispute,
 "' Could eloquence avail to gainsay fact,
 "' Yours were the victory, be comforted !'
 "Cinuzzo will be gainer by it all.
 "Quick then with Gomez, hot and hot next case !"

Follows, a letter, takes the other side. 391
 Tall blue-eyed Fisc whose head is capped with cloud,

Doctor Bottini,—to no matter who,
 Writes on the Monday two days afterward.
 Now shall the honest championship of right, 395
 Crowned with success, enjoy at last, unblamed,
 Moderate triumph! Now shall eloquence
 Poured forth in fancied floods for virtue's sake,
 (The print is sorrowfully dyked and dammed,
 But shows where fain the unbridled force would flow,
 Finding a channel)—now shall this refresh 401
 The thirsty donor with a drop or two!
 Here has been truth at issue with a lie:
 Let who gained truth the day have handsome pride
 In his own prowess! Eh! What ails the man? 405

“ Well, it is over, ends as I foresaw :
 “ Easily proved, Pompilia's innocence !
 “ Catch them entrusting Guido's guilt to me
 “ Who had, as usual, the plain truth to plead.
 “ I always knew the clearness of the stream 410
 “ Would show the fish so thoroughly, child might prong
 “ The clumsy monster : with no mud to splash,
 “ Small credit to lynx-eye and lightning-spear !
 “ This Guido,—(much sport he contrived to make,
 “ Who at first twist, preamble of the cord, 415
 “ Turned white, told all, like the poltroon he was !) —

- “ Finished, as you expect, a penitent,
 “ Fully confessed his crime, and made amends,
 “ And, edifying Rome last Saturday,
 “ Died like a saint, poor devil! That ’s the man 420
 “ The gods still give to my antagonist :
 “ Imagine how Arcangeli claps wing
 “ And crows! ‘ Such formidable facts to face,
 “ ‘ So naked to attack, my client here,
 “ ‘ And yet I kept a month the Fisc at bay, 425
 “ ‘ And in the end had foiled him of the prize
 “ ‘ By this arch-stroke, this plea of privilege,
 “ ‘ But that the Pope must gratify his whim,
 “ ‘ Put in his word, poor old man,—let it pass!’
 “ —Such is the cue to which all Rome responds. 430
 “ What with the plain truth given me to uphold,
 “ And, should I let truth slip, the Pope at hand
 “ To pick up, steady her on legs again,
 “ My office turns a pleasantry indeed!
 “ Not that the burly boaster did one jot 435
 “ O’ the little was to do—young Spreti’s work!
 “ But for him,—mannikin and dandiprat,
 “ Mere candle-end and inch of cleverness
 “ Stuck on Arcangeli’s save-all,—but for him 439
 “ The spruce young Spreti, what is bad were worse!

 “ I looked that Rome should have the natural girl

" At advocate with case that proves itself ;
 " I knew Arcangeli would grin and brag :
 " But what say you to one impertinence
 " Might move a stone ? That monk, you are to know,
 " That barefoot Augustinian whose report 446
 " O' the dying woman's words did detriment
 " To my best points it took the freshness from,
 " —That meddler preached to purpose yesterday
 " At San Lorenzo as a winding-up 450
 " O' the show which proved a treasure to the church.
 " Out comes his sermon smoking from the press :
 " Its text—' Let God be true, and every man
 " ' A liar '—and its application, this
 " The longest-winded of the paragraphs, 455
 " I straight unstitch, tear out and treat you with :
 " 'T is piping hot and posts through Rome to-day.
 " Remember it, as I engage to do !

" But if you rather be disposed to see
 " In the result of the long trial here,— 460
 " This dealing doom to guilt and doling praise
 " To innocency,—any proof that truth
 " May look for vindication from the world,
 " Much will you have misread the signs, I say.
 " God, who seems acquiescent in the main 465

“ With those who add ‘ So will he ever sleep ’—
“ Flutters their foolishness from time to time,
“ Puts forth His right-hand recognizably ;
“ Even as, to fools who deem He needs must right
“ Wrong on the instant, as if earth were heaven, 470
“ He wakes remonstrance—‘ Passive, Lord, how long ? ’
“ Because Pompilia’s purity prevails,
“ Conclude you, all truth triumphs in the end ?
“ So might those old inhabitants of the ark,
“ Witnessing haply their dove’s safe return, 475
“ Pronounce there was no danger, all the while
“ O’ the deluge, to the creature’s counterparts,
“ Aught that beat wing i’ the world, was white or soft,—
“ And that the lark, the thrush, the culver too,
“ Might equally have traversed air, found earth, 480
“ And brought back olive-branch in unharmed bill.
“ Methinks I hear the Patriarch’s warning voice—
“ ‘ Though this one breast, by miracle, return,
“ ‘ No wave rolls by, in all the waste, but bears
“ ‘ Within it some dead dove-like thing as dear, 485
“ ‘ Beauty made blank and harmless destroyed ! ’
“ How many chaste and noble sister-fames
“ Wanted the extricating hand, so lie
“ Strangled, for one Pompilia proud above
“ The welter, plucked from the world’s calumny, 490
“ Stupidity, simplicity,—who cares ?

“ Romans! An elder race possessed your land
 “ Long ago, and a false faith lingered still,
 “ As shades do though the morning-star be out.
 “ Doubtless some pagan of the twilight-day 495
 “ Has often pointed to a cavern-mouth
 “ Obnoxious to beholders, hard by Rome,
 “ And said,—nor he a bad man, no, nor fool,
 “ Only a man born blind like all his mates,—
 “ ‘ Here skulk in safety, lurk, defying law, 500
 “ ‘ The devotees to execrable creed,
 “ ‘ Adoring—with what culture . . . Jove, avert
 “ ‘ Thy vengeance from us worshippers of thee! . . .
 “ ‘ What rites obscene—their idol-god, an Ass!’
 “ So went the word forth, so acceptance found, 505
 “ So century re-echoed century,
 “ Cursed the accursed,—and so, from sire to son,
 “ You Romans cried ‘The offscourings of our race
 “ ‘ Corrupt within the depths there: fitly fiends
 “ ‘ Perform a temple-service o’er the dead: 510
 “ ‘ Child, gather garment round thee, pass nor pry!’
 “ Thus groaned your generations: till the time
 “ Grew ripe, and lightning had revealed, belike,—
 “ Thro’ crevice peeped into by curious fear,—
 “ Some object even fear could recognize 515
 “ I’ the place of spectres; on the illumined wall,
 “ To-wit, some nook, tradition talks about,

" Narrow and short, a corpse's length, no more :
 " And by it, in the due receptacle,
 " The little rude brown lamp of earthenware, 520
 " The cruse, was meant for flowers but now held blood,
 " The rough-scratched palm-branch, and the legend left
 " *Pro Christo.* Then the mystery lay clear :
 " The abhorred one was a martyr all the time,
 " Heaven's saint whereof earth was not worthy. What ?
 " Do you continue in the old belief? 526
 " Where blackness bides unbroke, must devils brood ?
 " Is it so certain not another cell
 " O' the myriad that make up the catacomb
 " Contains some saint a second flash would show? 530
 " Will you ascend into the light of day
 " And, having recognized a martyr's shrine,
 " Go join the votaries that gape around
 " Each vulgar god that awes the market-place ?
 " Are these the objects of your praising? See ! 535
 " In the outstretched right hand of Apollo, there,
 " Lies screened a scorpion : housed amid the folds
 " Of Juno's mantle lurks a centipede !
 " Each statue of a god were fitlier styled
 " Demon and devil. Glorify no brass 540
 " That shines like burnished gold in noonday glare,
 " For fools ! Be otherwise instructed, you !
 " And preferably ponder, ere ye judge,

" Each incident of this strange human play
 " Privily acted on a theatre 545
 " That seemed secure from every gaze but God's,—
 " Till, of a sudden, earthquake laid wall low
 " And let the world perceive wild work inside
 " And how, in petrification of surprise,
 " The actors stood,—raised arm and planted foot,—
 " Mouth as it made, eye as it evidenced, 551
 " Despairing shriek, triumphant hate,—transfixed,
 " Both he who takes and she who yields the life.

" As ye become spectators of this scene,
 " Watch obscuration of a pearl-pure fame 555
 " By vapoury films, enwoven circumstance,
 " —A soul made weak by its pathetic want
 " Of just the first apprenticeship to sin
 " Which thenceforth makes the sinning soul secure
 " From all foes save itself, souls' truliest foe,— 560
 " Since egg turned snake needs fear no serpentry,—
 " As ye behold this web of circumstance
 " Deepen the more for every thrill and throe,
 " Convulsive effort to disperse the films
 " And disenmesh the fame o' the martyr,—mark 565
 " How all those means, the unfriended one pursues,
 " To keep the treasure trusted to her breast,
 " Each struggle in the flight from death to life,

“ How all, by procuration of the powers
“ Of darkness, are transformed,—no single ray, 570
“ Shot forth to show and save the inmost star,
“ But, passed as through hell’s prism, proceeding black
“ To the world that hates white : as ye watch, I say,
“ Till dusk and such defacement grow eclipse
“ By,—marvellous perversity of man !— 575
“ The inadequacy and inaptitude
“ Of that self-same machine, that very law
“ Man vaunts, devised to dissipate the gloom,
“ Rescue the drowning orb from calumny,
“ —Hear law, appointed to defend the just, 580
“ Submit, for best defence, that wickedness
“ Was bred of flesh and innate with the bone
“ Borne by Pompilia’s spirit for a space,
“ And no mere chance fault, passionate and brief :
“ Finally, when ye find,—after this touch 585
“ Of man’s protection which intends to mar
“ The last pin-point of light and damn the disc,—
“ One wave of the hand of God amid the worlds
“ Bid vapour vanish, darkness flee away,
“ And let the vexed star culminate in peace 590
“ Approachable no more by earthly mist—
“ What I call God’s hand,—you, perhaps,—mere chance
“ Of the true instinct of an old good man
“ Who happens to hate darkness and love light,—

- " In whom too was the eye that saw, not dim, 595
 " The natural force to do the thing he saw,
 " Nowise abated,—both by miracle,—
 " All this well pondered,—I demand assent
 " To the enunciation of my text
 " In face of one proof more that ' God is true 600
 " ' And every man a liar '—that who trusts
 " To human testimony for a fact
 " Gets this sole fact—himself is proved a fool ;
 " Man's speech being false, if but by consequence
 " That only strength is true : while man is weak, 605
 " And, since truth seems reserved for heaven not earth,
 " Plagued here by earth's prerogative of lies,
 " Should learn to love and long for what, one day,
 " Approved by life's probation, he may speak.
- " For me, the weary and worn, who haply prompt 610
 " To mirth or pity, as I move the mood,—
 " A friar who glides unnoticed to the grave,
 " With these bare feet, coarse robe and rope-girt waist,—
 " I have long since renounced your world, ye know :
 " Yet what forbids I weigh the prize forgone, 615
 " The worldly worth? I dare, as I were dead,
 " Disinterestedly judge this and that
 " Good ye account good : but God tries the heart.
 " Still, if you question me of my content

- " At having put each human pleasure by, 620
 " I answer, at the urgency of truth :
 " As this world seems, I dare not say I know
 " —Apart from Christ's assurance which decides—
 " Whether I have not failed to taste much joy.
 " For many a doubt will fain perturb my choice—
 " Many a dream of life spent otherwise— 626
 " How human love, in varied shapes, might work
 " As glory, or as rapture, or as grace :
 " How conversancy with the books that teach,
 " The arts that help,—how, to grow good and great,
 " Rather than simply good, and bring thereby 631
 " Goodness to breathe and live, nor, born i' the brain,
 " Die there,—how these and many another gift
 " Of life are precious though abjured by me.
 " But, for one prize, best meed of mightiest man,
 " Arch-object of ambition,—earthly praise, 636
 " Repute o' the world, the flourish of loud trump,
 " The softer social fluting,—Oh, for these,
 " —No, my friends! Fame,—that bubble which,
 world-wide
 " Each blows and bids his neighbour lend a breath,
 " That so he haply may behold thereon 641
 " One more enlarged distorted false fool's-face,
 " Until some glassy nothing grown as big
 " Send by a touch the imperishable to suds,—

“ No, in renouncing fame, my loss was light,
 “ Choosing obscurity, my chance was well ! ” 645

Didst ever touch such ampollosity
 As the monk's own bubble, let alone its spite?
 What 's his speech for, but just the fame he flouts?
 How he dares reprehend both high and low, 650
 Nor stoops to turn the sentence “ God is true
 “ And every man a liar—save the Pope
 “ Happily reigning—my respects to him ! ”
 And so round off the period. Molinism
 Simple and pure ! To what pitch get we next? 655
 I find that, for first pleasant consequence,
 Gomez, who had intended to appeal
 From the absurd decision of the Court,
 Declines, though plain enough his privilege,
 To call on help from lawyers any more— 660
 Resolves earth's liars may possess the world
 Till God have had sufficiency of both :
 So may I whistle for my job and fee !

But, for this virulent and rabid monk,—
 If law be an inadequate machine, 665
 And advocacy, froth and impotence,
 We shall soon see, my blatant brother ! That 's

Exactly what I hope to show your sort !
 For, by a veritable piece of luck,
 The providence, you monks round period with, 670
 All may be gloriously retrieved. Perpend !
 That Monastery of the Convertites
 Whereto the Court consigned Pompilia first,
 —Observe, if convertite, why, sinner then,
 Or what 's the pertinency of award ?— 675
 And whither she was late returned to die,
 —Still in their jurisdiction, mark again !—
 That thrifty Sisterhood, for perquisite,
 Claims every piece whereof may die possessed
 Each sinner in the circuit of its walls. 680
 Now, this Pompilia seeing that, by death
 O' the couple, all their wealth devolved on her,
 Straight utilized the respite ere decease,
 By regular conveyance of the goods
 She thought her own, to will and to devise,— 685
 Gave all to friends, Tighetti and the like,
 In trust for him she held her son and heir,
 Gaetano,—trust which ends with infancy :
 So willing and devising, since assured
 The justice of the Court would presently 690
 Confirm her in her rights and exculpate,
 Re-integrate and rehabilitate—
 Place her as, through my pleading, now she stands.

But here 's the capital mistake : the Court
 Found Guido guilty,—but pronounced no word 695
 About the innocency of his wife :
 I grounded charge on broader base, I hope !
 No matter whether wife be true or false,
 The husband must not push aside the law,
 And punish of a sudden : that 's the point : 700
 Gather from out my speech the contrary !
 It follows that Pompilia, unrelieved
 By formal sentence from imputed fault,
 Remains unfit to have and to dispose
 Of property which law provides shall lapse. 705
 Wherefore the Monastery claims its due :
 And whose, pray, whose the office, but the Fisc's ?
 Who but I institute procedure next
 Against the person of dishonest life,
 Pompilia whom last week I sainted so ? 710
 I it is teach the monk what scripture means,
 And that the tongue should prove a two-edged sword,
 No axe sharp one side, blunt the other way,
 Like what amused the town at Guido's cost !
Astræa redux ! I 've a second chance 715
 Before the self-same Court o' the Governor
 Who soon shall see volte-face and chop, change sides.
 Accordingly, I charge you on your life,
 Send me with all despatch the judgment late

O' the Florence Rota Court, confirmative 720
 O' the prior judgment at Arezzo, clenched
 Again by the Granducal signature,
 Wherein Pompilia is convicted, doomed,
 And only destined to escape through flight
 The proper punishment. Send me the piece,— 725
 I'll work it! And this foul-mouthed friar shall find
 His Noah's-dove that brought the olive back
 Turn into quite the other sooty scout,
 The raven, Noah first put forth the ark,
 Which never came back but ate carcasses! 730
 No adequate machinery in law?
 No power of life and death i' the learned tongue?
 Methinks I am already at my speech,
 Startle the world with "Thou, Pompilia, thus?
 "How is the fine gold of the Temple dim!" 735
 And so forth. But the courier bids me close,
 And clip away one joke that runs through Rome,
 Side by side with the sermon which I send.
 How like the heartlessness of the old hunks
 Arcangeli! His Count is hardly cold, 740
 The client whom his blunders sacrificed,
 When somebody must needs describe the scene—
 How the procession ended at the church
 That boasts the famous relic: quoth our brute,
 "Why, that's just Martial's phrase for 'make an end'—

“ *Ad umbilicum sic perventum est !* ” 746
 The callous dog,—let who will cut off head,
 He cuts a joke and cares no more than so !
 I think my speech shall modify his mirth.
 “ How is the fine gold dim ! ”—but send the piece !

Alack, Bottini, what is my next word 751
 But death to all that hope? The Instrument
 Is plain before me, print that ends my Book
 With the definitive verdict of the Court,
 Dated September, six months afterward, 755
 (Such trouble and so long the old Pope gave !)
 “ In restitution of the perfect fame
 “ Of dead Pompilia, *quondam* Guido’s wife,
 “ And warrant to her representative
 “ Domenico Tighetti, barred hereby, 760
 “ While doing duty in his guardianship,
 “ From all molesting, all disquietude,
 “ Each perturbation and vexation brought
 “ Or threatened to be brought against the heir
 “ By the Most Venerable Convent called 765
 “ Saint Mary Magdalen o’ the Convertites
 “ I’ the Corso.”

Justice done a second time !
 Well judged, Marc Antony, *Locum-tenens*

O' the Governor, a Venturini too ! 770
 For which I save thy name,—last of the list !

Next year but one, completing his nine years
 Of rule in Rome, died Innocent my Pope
 —By some account, on his accession-day.
 If he thought doubt would do the next age good,
 'T is pity he died unapprised what birth 776
 His reign may boast of, be remembered by—
 Terrible Pope, too, of a kind,—Voltaire.

And so an end of all i' the story. Strain
 Never so much my eyes, I miss the mark 780
 If lived or died that Gaetano, child
 Of Guido and Pompilia : only find,
 Immediately upon his father's death,
 A record, in the annals of the town—
 That Porzia, sister of our Guido, moved 785
 The Priors of Arezzo and their head
 Its Gonfalonier to give loyally
 A public attestation of the right
 O' the Franceschini to all reverence—
 Apparently because of the incident 790
 O' the murder,—there 's no mention made o' the crime,
 But what else could have caused such urgency
 To cure the mob, just then, of greediness

For scandal, love of lying vanity,
 And appetite to swallow crude reports 795
 That bring annoyance to their betters?—bane
 Which, here, was promptly met by antidote.
 I like and shall translate the eloquence
 Of nearly the worst Latin ever writ :
 “ Since antique time whereof the memory 800
 “ Holds the beginning, to this present hour,
 “ The Franceschini ever shone, and shine
 “ Still i’ the primary rank, supreme amid
 “ The lustres of Arezzo, proud to own
 “ In this great family, the flag-bearer, 805
 “ Guide of her steps and guardian against foe,—
 “ As in the first beginning, so to-day ! ”
 There, would you disbelieve the annalist,
 Go rather by the babble of a bard?
 I thought, Arezzo, thou hadst fitter souls, 810
 Petrarch,—nay, Buonarroti at a pinch,
 To do thee credit as *vexillifer* !
 Was it mere mirth the Patavinian meant,
 Making thee out, in his veracious page,
 Founded by Janus of the Double Face? 815

 Well, proving of such perfect parentage,
 Our Gaetano, born of love and hate,
 Did the babe live or die? I fain would find !

What were his fancies if he grew a man?
 Was he proud,—a true scion of the stock 820
 Which bore the blazon, shall make bright my page—
 Shield, Azure, on a Triple Mountain, Or,
 A Palm-tree, Proper, whereunto is tied
 A Greyhound, Rampant, striving in the slips?
 Or did he love his mother, the base-born, 825
 And fight i' the ranks, unnoticed by the world?

Such, then, the final state o' the story. So
 Did the Star Wormwood in a blazing fall
 Frighten awhile the waters and lie lost.
 So did this old woe fade from memory: 830
 Till after, in the fulness of the days,
 I needs must find an ember yet unquenched,
 And, breathing, blow the spark to flame. It lives,
 If precious be the soul of man to man.

So, British Public, who may like me yet, 835
 (Marry and amen!) learn one lesson hence
 Of many which whatever lives should teach:
 This lesson, that our human speech is naught,
 Our human testimony false, our fame
 And human estimation words and wind. 840
 Why take the artistic way to prove so much?
 Because, it is the glory and good of Art,

That Art remains the one way possible
 Of speaking truth, to mouths like mine at least.
 How look a brother in the face and say 845
 "Thy right is wrong, eyes hast thou yet art blind,
 "Thine ears are stuffed and stopped, despite their
 length :
 "And, oh, the foolishness thou countest faith!"
 Say this as silverly as tongue can troll—
 The anger of the man may be endured, 850
 The shrug, the disappointed eyes of him
 Are not so bad to bear—but here 's the plague
 That all this trouble comes of telling truth,
 Which truth, by when it reaches him, looks false,
 Seems to be just the thing it would supplant, 855
 Nor recognizable by whom it left :
 While falsehood would have done the work of truth.
 But Art,—wherein man nowise speaks to men,
 Only to mankind,—Art may tell a truth
 Obliquely, do the thing shall breed the thought, 860
 Nor wrong the thought, missing the mediate word.
 So may you paint your picture, twice show truth,
 Beyond mere imagery on the wall,—
 So, note by note, bring music from your mind,
 Deeper than ever e'en Beethoven dived,— 865
 So write a book shall mean beyond the facts,
 Suffice the eye and save the soul beside.

And save the soul ! If this intent save mine,—
If the rough ore be rounded to a ring,
Render all duty which good ring should do, 870
And, failing grace, succeed in guardianship,—
Might mine but lie outside thine, Lyric Love,
Thy rare gold ring of verse (the poet praised)
Linking our England to his Italy !
