"Plain Talking" Features Premier's Fight at Ottawa

Hon. John Oliver Tells of Battle Before Railway Committee Against Excessive Rates; Ministers Coming to Coast to Settle Drydock and Harbor Problems.

Premier Oliver, fresh from the triumphant dinner and reception accorded him in Vancouver last night for the fight he has just made at Ottawa for non-discriminatory freight rates for British Columbia, returned to Victoria to-day.

Persons who attended last night's affair, which was given by the Vancouver Board of Trade, said to-day that they had never seen anything like it in the way of acclaim given to a public man in Vancouver.

"We had some fairly plain talking at Ottawa," the Premier said on his arrival at the Parliament Buildings after getting off the boat.

"I may say that while I cannot point to anything very definite in the way of success, I cannot help but feel that my trip will be of some benefit to the Province.

"I left with a good deal of reluctance and hesitancy, but I am satisfied that it would have been a great mistake had I not gone and appeared before the special committee of the House of Commons to consider railway transportation costs.

"I took opportunity before the committee of restating at considerable length B. C.'s grievance in respect to the excessive transportation rates she is forced to pay as compared to the rest of Canada and very emphatically asserted that it was the duty of Parliament to remove the discrimination and prevent its recurrence in the future.

"Generally speaking, what I had to say was received very favorably by the committee, although there was some disposition to limit the inquiry to a consideration of the effect of the restoration or cancellation of the Crow's Nest Pass Agreement.

"I took the stand that the restoration of the Crow's Nest Pass Agreement would increase the discrimination already existing against B. C. I pointed out the immense land grants B. C. had given in aid of the construction of railways and that apart from the construction of the railways, B. C. had received no benefit in respect to rates, but had been forced to pay excessive rates.

"I pointed out that as compared with the rest of Canada, and even the prairies, B. C. has to pay 50 to 100 per cent. more than other parts of Canada and that the people of B. C. did not intend to stand for that kind of treatment.

"I pointed out that as far as the Canadian Pacific Railway is concerned, the Government is subsidizing the most expensive part of the road, and handed it over to the Canadian Pacific Railway.

"The Premier also pointed out that the original contract with the Canadian Pacific Railway called for the construction through the Yellowhead Pass, through which there was mountain construction, but that it was the Canadian Pacific Railway itself that had the contract changed to enable it to build over the tops of the mountains instead of through the valleys.

"Discriminatory Rates. I pointed out that as compared with the rest of Canada, and even the prairies, B. C. has to pay 50 to 100 per cent. more than other parts of Canada and that the people of B. C. did not intend to stand for that kind of treatment.

FORUM MEETING TO BE HELD TO-NIGHT

Members of the Chamber of Commerce are reminded of the meeting of the Forum this evening in the Elks' Club to consider the City Council's proposed amendments to the Lord's Day Act.

Mrs. Hutchings To-day Defeats Miss Kavanagh, California Champion

THE SCORES In the second round of the Pacific Northwest Women's Championship, played at the links of the Colwood Golf and Country Club to-day, Mrs. Hutchings beat Miss Kavanagh, 5 up and 4 to play.

Mrs. Hutchings (of Winnipeg): Out: 5 5 5 6 8 5 4 5 5-48. In: 5 4 5 8 5-27 Miss Kavanagh (California Champion): Out: 6 5 6 6 5 7 4 5 5-49. In: 4 5 6 5 6-26

Although the male exponents of the royal and ancient pastime have provided most of the thrills at Colwood during the last few days, it can be said without hesitation that to-day's encounter between Mrs. Hutchings and Miss Kavanagh will take a top place in the many interesting events which the Pacific Northwest engagement has included to date.

PRESBYTERIANS CONSIDER UNION

Reports Are Brought Before General Assembly Dr. Clarke, New Moderator, Is Presiding

Winnipeg, June 8.—(Canadian Press)—With the new Moderator, Rev. W. J. Clarke, D. D., of Westmount, Montreal, in the chair, the Forty-Eighth General Assembly of the Presbyterian Church in Canada this morning commenced business and was occupied with the consideration of purely routine work.

At the Newmarket military headquarters this afternoon it was stated the Belleek had been taken without loss of life and that no prisoners had been taken.

Earlier Dispatch. Belfast, June 8.—A British military column comprising artillery, infantry and engineers, advanced into the Belleek district on the Fermanagh-Donegal border this morning with the reported object of occupying Belleek by nightfall.

The "Republican" forces are said to be falling back before the British advance, which was started from a point south of Lough Erne, six miles from Belleek. The British column was accompanied by armored cars.

Before the British troops moved on, a helicopter communication was established across Lough Erne, presumably with the forces holding the Pettigo salient. There appeared to be simultaneous movement in progress on both sides of the nature of an encircling manoeuvre.

It is expected by unionists that a policy of advancing the question as far as possible in view of its complicated character will be adopted.

Strong opposition to such a policy is to be offered, however, it was learned from the anti-union forces, who will move for another referendum vote by the people.

Annuitants A recommendation that the widows of Presbyterian ministers in Western Canada receive, in addition to their annuity, an allowance of \$50 for each child under eighteen years of age was contained in a committee report presented at this morning's session.

The endowment deficit for last year was \$542,687, an increase for the year of \$60,306, on which \$55,859 was received. The distribution of funds through the Forward Movement Committee. In the year \$33,169 had been paid out to widows and orphans.

Similar reports covering the maritime provinces showed receipts of \$30,255 and expenditures of \$13,740 to fifty-three beneficiaries.

Books Reports were presented on some aspects of the work of the church in the maritime provinces.

Rotarians Choose New Officers Contests To-morrow at Los Angeles Convention

Business of International Gathering Proceeds Los Angeles, June 8.—The thirteenth annual convention of the International Rotary Clubs being held here got down to definite business to-day with the nomination of several important officers, were apparent in the early hours of the convention.

A varied programme greeted the delegates to-day, numerous addresses by business men on service and business relations were followed by general discussions. The reports of several committees occupied the early afternoon hours.

There is much campaigning for the next convention city, St. Louis, Mo., was after it last year and probably will be a contender for the 1923 convention. Toronto has announced its offer for the 1924 meeting, but has made it plain it will be glad to entertain next year if it can be arranged.

To Year To-morrow. Election of officers will be held to-morrow. For president, prospective candidates include H. J. Litcher, Elmer, Orange, Tex.; R. J. Knobel, New York; William Coppeck, Council Bluffs, and Ray Havens, Kansas City, Mo.

Vice-presidents will be selected by the board of directors. Five directors will be elected from the United States. The Great Britain Association has already elected Alex. Wilkie, Edinburgh, Scotland, and Canada's prospective director is Alexander R. Macfarlane, Vancouver.

CHILD KILLED. Montreal, June 8.—Caught in a wheel of a motor truck and too small to be observed by the driver, Roland Girard, 3 years old, was crushed to death here last night when the driver started the truck.

ATLANTIC AIRMEN CONTINUE JOURNEY TO RIO JANEIRO Pernambuco, Brazil, June 8.—Captains Coutinho and Sacadura, the Portuguese airmen who completed their trans-Atlantic flight here from Lisbon on Monday, continued to-day on their journey to Rio Janeiro. Setting out this morning they planned to make their first stop at Bahia.

FEWER MEMBERS. London, June 8.—(Canadian Press Cable)—G. W. Bowerman, Labor M. P., addressing the conference of the National Union of Theatrical Employees, said that when the Trade Union Congress met last September he found that the membership of many unions had decreased considerably. The decrease in one instance exceeded 100,000.

FEWER UNEMPLOYED IN GREAT BRITAIN London, June 8.—(Canadian Press Cable)—The unemployed in Great Britain numbered 1,471,600. It was the first time in a year that the figures had fallen below the 1,500,000 mark. The total was over 2,000,000 on June 1 of last year.

TO MEET IN OTTAWA. Ottawa, June 8.—The annual meeting of the League of Nations Society in Canada will be held in Ottawa on Monday, June 12.

BRITISH TROOPS OCCUPY RISH TOWN

Irregular Irish Groups Forced from Belleek No Loss of Life; No Prisoners Taken

Belfast, June 8.—Belleek was occupied to-day by British troops, which advanced this morning to take the salient from the Irish irregular forces.

The fort overlooking Belleek was first captured by the British troops, and the town was then taken possession of by the military.

At the Newmarket military headquarters this afternoon it was stated the Belleek had been taken without loss of life and that no prisoners had been taken.

Earlier Dispatch. Belfast, June 8.—A British military column comprising artillery, infantry and engineers, advanced into the Belleek district on the Fermanagh-Donegal border this morning with the reported object of occupying Belleek by nightfall.

Federal Ministry Makes Changes in Budget Proposals

Commons Learns From Prime Minister of Altered Intentions; Vote May Be Taken at Two or Three o'Clock To-morrow Morning.

Ottawa, June 8.—(Canadian Press)—The Government's budget proposals are to be modified. In the House this afternoon the Prime Minister announced that the Finance Minister would subsequently have a statement to make which might possibly suggest some modifications of the proposals before the House.

Ottawa, June 8.—(Canadian Press)—An all-night session was before the House to-day for the winding up of the budget debate. Hon. H. H. Stevens, former Minister of Trade and Commerce, and Sir Lomer Gouin, Minister of Justice, are the principal speakers scheduled for the Conservatives and Liberals, respectively. The hope is expressed that the debate will be through by midnight, but if it is necessary, the intention is to continue through until it is ended, so the vote may not come possibly until two or three in the morning.

From indications this morning there appears to be no doubt that a vote will be demanded on the main budget motion.

Progressives and Conservatives are lining up against the Government. The Government majority on the main motion is estimated all the way from five to fifteen. It is probable that the actual figure will be between the two.

"WHOLE-HOGGERS" GAME MEN CALLED

Cowichan Would Keep All to Itself, Thomas Declares Hunters May Have to Wear Tags When in Woods

Silver-red Fox Mating to Be Experimented With The trouble with residents of the Cowichan district is that they are "whole-hoggers" and want to keep everything for themselves. C. E. Thomas, of the Victoria Game Association, told members of the Provincial Game Conservation Board at their session at the Parliament Buildings to-day.

Mr. Thomas, referring to the appearance before the board yesterday afternoon of a group of Cowichan men headed by J. Y. Copeman and Col. Collard, declared they are trying to keep all the shooting in their district to themselves. He also told of the meeting of the game bodies of the Province called at Duncan and from which Duncan and Cowichan men respectively absented themselves.

Tags for Hunters Mr. Thomas discussed forms of licenses that could be used in this Province and submitted a specimen form from Saskatchewan, which has on the back diagrams and a synopsis showing closed and open seasons. He also suggested that the old idea might be revived of issuing a metal tag to be carried as a fob or worn as an armband, as in the State of Washington, to be issued to licensed hunters. The board was to take this suggestion into consideration and, although it is too late to do anything this season, will get in touch with Washington to see what arrangements can be devised to the present system here.

Fur Farming Grows Figures presented to the Board to-day by E. Butler, of Cowichan, show that there are thirty-five fox farms operating in British Columbia, and that fur farmers here are also going in for beaver, marten, mink and muskrat.

The board decided to co-operate with a Prince Edward Island man who has been offering to establish a \$300,000 fox farm and wants to experiment in mating silver red foxes of the Chilliwack and other districts. He said that the fur from such cross-bred animals is more valuable.

M. B. Jackson, K.C., M.P.P., acting chairman of the board, said the results of these experiments might mean much for the success of the fur industry in the Province.

Regulations governing fox farming, and also for the protection of the fox farmer are to be made by the board. Fox farmers will be required to send reports to the board.

WU WILLING TO RESIGN LEADERSHIP

Urges Li Yuan Hung to Be Chinese President Tientsin, June 8.—(Associated Press)—Wu Pei Fu and Tao Kun, respectively the dominant military leader and his chief assistant, have expressed their willingness to resign in the interests of unifying the republic, provided Li Yuan Hung will immediately go to Peking and assume the presidency. This development followed to-day upon the vigorous manifesto issued by Li Yuan Hung prescribing, as a condition under which he would attempt to head a new centralized Government, the removal of the military powers.

Li's manifesto was received in official and civil circles here with mixed feelings of hope and apprehension. The practicality of its immediate abolition, however, is gravely questioned.

SOUTH CHINESE TROOPS ARE NOW IN KIANGSI PROVINCE London, June 8.—Troops of the Southern Chinese Government have entered the province of Kiangsi, the mission resulting in the flight of the Military Governor, says a Reuters dispatch from Peking.

REAPLANE NIGHT TRIPS TO EUROPE

First Paris-London Passenger Voyage Made Route Is Marked by Strong Lights

Paris, June 8.—The first aerial round trip flight, a night between Paris and London was made last night by an aeroplane carrying ten passengers. The flight was attempted for the purpose of proving that night commercial and passenger traffic by air between Paris and London is feasible. Strong lights had been installed along the route at Beauvais, Amiens, Boulogne and Dover for the guidance of pilots, and the terminal aerodromes at Le Bourget and Croissy were illuminated with a brilliance approaching that of daylight.

The machine left Le Bourget at 10 p.m., arrived at Croissy at 1 a.m. left for Le Bourget at 2:50 a.m. and landed at 6:05 a.m.

The return trip was slower than the first part because of a fog encountered en route.

PHYSICIANS HOPE TO CURE LENINE IN TWO WEEKS

Moscow, June 7.—(Associated Press)—The physicians in attendance on Nikolai Lenin, head of the Russian Soviet Government, expressed the hope of effecting a complete cure within two weeks, according to Leo Kamenoff, the Acting Premier. Lenin, he said, had been seriously ill, but he denied the reports that he had suffered an apoplectic stroke.

Riga, June 7.—(Associated Press)—The Riga newspaper publishes a report from a blood clot on the brain, the condition continues serious.

PAPER EXPRESSES OPINIONS ON TITLES

Manchester Guardian Gauges Sentiment of Dominions Says King's Advisers Should Alter Course London, June 8.—(Canadian Press Cable)—The Manchester Guardian, discussing the opposition aroused in South Africa and Australia over the bestowal of certain titles, says it looks as if the King's advisers would do well to make an end of bestowing such titles upon citizens of the Dominions. A hint of this was plainly enough given. The Guardian says that Canada politely requested that the titles be withheld and is regarded as virulent in South Africa and Australia. "That despite the known reluctance of the Dominions to be enriched with titled citizens, the British Government still persists in making the fountain of honor play on them, and play, moreover, like an ill-directed hose at a fire, on individuals whom their fellows consider quite suitable for such conspicuous treatment. Those who might conceivably be thought suitable are dodging the stream."

GETTING RID OF INSECT-PESTS

With Spring comes the time when every tree, every bush, every plant is a prey to insect pests of a hundred kinds. These must be fought if perfect fruit or blooms are desired. This can be done effectively if the trees or bushes are sprayed just as the larvae develop.

For general all round Kero-Spray is a safe and effective spray. It is prepared according to a formula which is approved by leading orchardists and gardeners and all who have used it praise it highly. A great point in its favor is that it is inexpensive and that it comes in concentrated form, the spray being easily prepared with water. For the orchard, Kero-Spray is needed but for the garden a whisk is just as good. The spray should be applied in the evening and the underside of both leaves and bloom should receive special attention.

Kero-Spray is a mixture in proper proportions of Lead, Kerosene, Whale Oil Soap and emulsifying ingredients. It is destructive to all forms of plant pests and also promotes plant growth. It is a preventive of rust, blight, mildew and other diseases.

Readers can obtain Kero-Spray at Vancouver Drug Co., stores, Vancouver, Victoria and New Westminster. It is sold at 40 cents for large bottle (making 5 gallons), \$1.25 per 1/2 gallon (making 25 gallons) and \$2 per gallon (making 50 gallons). (Adv.)

P. T. A. Dance—A dance will be held in Margaret Jenkins School Auditorium on Friday from 9 p. m. to 1 a. m. under the auspices of the Parent Teachers Association.

Play Extremely Close In Third Round This Morning at Colwood

The qualifying rounds in the amateur championship at the Colwood Golf and Country Club is bringing in some very close competition. Von Elm, who was last year's champion, found his match this morning when he went the first eighteen holes of the 36-hole round with R. Smith, who held him out to all square at the eighteenth.

Play in the amateur championship was confined to five Seattle players, two Portland players and one Salt Lake City player. The final round augurs well for Seattle being represented.

Men's Amateur Championship.
Fleeger and B. E. Stein all square at tenth hole. P. W. Steel leading Spiers one up at eighteenth. Wilhelm leading Watson, two up at eighteenth. Von Elm and R. Smith square at eighteenth.

First Flight.
R. Bone is leading Nelson, one up at eighteenth. F. Thomas is leading W. Bonin one up at eighteenth. M. J. Smilie leading B. Wilson, five up at eighteenth. Bragg leading A. V. Price, two up at eighteenth.

Men's Boy's.
D. D. Ballard minus 5.
J. E. Hall minus 5.
C. R. Harold minus 2.
R. Rendall plus 2.
C. Colville minus 7.
A. Stewart minus 3.
H. C. Adams plus 5.
H. Bull all square.
J. N. Findley minus 7.

Oak Bay, Fourth Flight.
H. A. Jones beat J. Burns, 4 up and 2 to go.

Pacific Northwest Handicap.
H. S. Rant leading L. S. York, 3 up at 18th.
H. E. Woodland-leading H. O. Kirkham, 1 up at 18th.

Oak Bay, First Flight.
R. Stafford beat Dr. Lennox, 2 up and 1 to go.

MEN'S CHAMPIONSHIP.
Play in the third round for the men's championship is extremely close. The players finished the first eighteen holes this morning level together and it is impossible to predict who will win their way into the semi-finals.

Von Elm, the champion, met a tartar in R. Smith, of Waverley. They finished the first eighteen holes all square. "Duke" Fleeger and Ben Stein, both of Seattle, were also a nip and tuck tussle and finished up all square.

Wilhelm, pulled down anything of a lead, being two up on Watson, also of Portland, at the eighteenth. Still was one up on Spiers.

HUDSON'S BAY STAFF GUEST OF SPORT CLUB

Some five hundred persons attended the entertainment given by the Otter Point Athletic Club last night in the club rooms. Two hundred and fifty members of the Hudson's Bay Co. staff attended and proved entertaining guests to the excellent programme.

They entered a basket ball team against the Otter Point team who are winners of the North American Life Assurance Cup. The match was a close one, and some keen competition was displayed. The Otter Point boys were leading at half time, but at the end of the game owing to some doubt as to the score, the two teams played for the first basket, and the Otter Point won the game. Following the tilt dancing was indulged in. The Hudson's Bay comedy orchestra rendered an excellent musical programme, and an enjoyable time was spent by all.

A buffet supper was served during the evening, and Mr. Stanhope expressed the thanks on behalf of the Hudson's Bay Company for the good time given them. R. M. King replied on behalf of the Otter Point "Club" Members from the Sooke and Jordan River Clubs and Victoria Rotarians attended and voted the evening a success.

The line-up for the game which was won by the Otter Point boys with a score of 17 to 16 was as follows:

Hudson's Bay Co.—G. Harris, E. Baylis, Pollock, Richardson and Sewell.

Otter Point—R. Clark, M. Vaugel, O. Stewart, M. Fletcher and H. Stewart.

PROMINENT SHRINERS HERE.
Dr. H. B. Cave and Mrs. Cave and James E. Forrest and Mrs. Forrest are among the delegation of Hella Shrine, Dallas, Texas, visiting the city en route to Texas. Dr. Cave is Potentate and Imperial Regent of Hella Shrine. While in the city they are being entertained by Mr. and Mrs. L. D. McLean. Mr. McLean is a former officer of Hella Shrine.

VETERANS MEET TO-NIGHT.
A special general meeting of the Great War Veterans' Association will be held this evening at 8 o'clock in the rooms at the Law Chambers, Bastion Street. Members are urged to make a point of attending.

Corns?
—just say
Blue-jay
to your druggist
Stops Pain Instantly

The simplest way to end a corn is Blue-jay. A test stops the pain instantly. Then the corn loosens and comes out. Made in two forms—a colorless, clear liquid (one drop does it) and in extra thin plasters. Use whichever form you prefer, plasters or the liquid—the action is the same. Safe, gentle. Made in a world-famed laboratory. Sold by all druggists.

INDIAN COLLECTS BOUNTY.
As the result of two days pleasant sojourn at Coal Harbor beaches Joe Harry, Indian, collected \$6 from the Provincial Police office to-day in crown bounties. Joe had thirty crows, while the bounty paid on each head is twenty cents. Crow shinning was pleasant work, held the Indian, who went off to purchase more ammunition.

Let Cuticura Keep Your Skin Fresh and Young
Daily use of the Soap keeps the skin smooth, clear, white and free of the Oldest Now, and then prevent little skin troubles becoming serious. Cuticura Talcum is ideal for powdering.
Soap 25c, Ointment 25c and 50c, Talcum 25c. Sold throughout the world. Canadian Depot: Lunn, Limited, 242 St. Paul St., W. Montreal.
"Cuticura Soap saves without name."

TO FIX HEALTH STATUS OF SETTLERS

Plan to Standardize Regulations Throughout Canada

To represent British Columbia at the annual meeting of the Provincial Health Officers of Canada, the Hon. A. D. MacLean, Provincial Secretary, left for Ottawa last night. The meetings will take place on June 12, 14 and 15.

Questions dealing with the health of the people of the country are to be taken up, including the question of the physical status of the immigrant, because of the likelihood of there being a big influx of immigration during the next few years.

Standardization of health acts in the provinces, the relationship of the activities of the Federal and Provincial governments, and the question of industrial hygiene and sanitation are also to be taken up.

Administrative officers of the various Provincial governments constitute the advisory council for the Federal Health Department.

Dr. MacLean will also visit some of the institutions in the Eastern provinces which care for the insane, quasi-criminal institutions, schools for the blind, and other institutions relative to Victoria at the end of June.

OBITUARY RECORD

The remains of the late Mrs. Henrietta Norman will be laid to rest to-morrow afternoon. Service will be held at the Thomson Funeral Home, 1625 Quadra Street, at 2.30 o'clock. Rev. Dr. Campbell will conduct the service. The remains will be laid to rest in Ross Bay Cemetery.

Frederick Stephen Tuck, of 913 Catherine Street, died this morning, aged 53 years. He has resided here for the past fifteen years. He came here from Newfoundland, and was a shipwright by trade. The funeral will take place at 2.30 on Saturday morning at 10 o'clock at the Sands Funeral Chapel, Rev. S. Cook will officiate, and interment will be made at Ross Bay Cemetery.

The death took place this morning at St. Joseph's Hospital of Baby Joyce Annela Bredner, infant daughter of Mr. and Mrs. George Bredner, of 123 Olive Street. The funeral will take place to-morrow morning at 10 o'clock at the Sands Funeral Chapel, Rev. S. Cook will officiate, and interment will be made at Ross Bay Cemetery.

The remains of the late Mrs. Ellen Thomas were laid to rest in Ross Bay Cemetery yesterday afternoon. Service was conducted in the B. C. Funeral Chapel at 2 p. m. Rev. S. Cook officiating. There was a large attendance, and many floral tributes were received. Two hymns were rendered, "Safe in the Arms of Jesus" and "Abide With Me." The pallbearers were John May, Joe Woolcock, Wm. Chapple, Frank Connolly, Wm. Freethy and Leslie Walmesley. Interment was made in Ross Bay Cemetery.

The funeral of the late Mrs. R. O. Clarke has been arranged to take place Friday morning from the B. C. Funeral Chapel at 8.45, proceeding to St. Andrew's Cathedral, where service will be conducted at 9 o'clock. The remains will be laid to rest in Ross Bay Cemetery.

JUNIOR BASEBALL

The Junior League baseball games to be played to-morrow are as follows:

Pirates vs. Hustlers at Royal Athletic Park.

The Tyees vs. Um Tumbles at North Ward Park.

Royals vs. Tyees at High School grounds.

Metropolitans vs. Y. M. C. A.

WANDERING COW LEADS FRIENDS INTO PURVIEW OF COURT

How a cream colored heifer, with a penchant for wandering, led to a penitence between friends of many years standing, landing one in the police court to face a charge which was not sustained, and the other into the Supreme Court to face an action for \$5,000 was recited to Mr. Justice Macdonald in the Supreme Court yesterday afternoon, in the hearing of the action of Pratt versus Veness.

The plaintiff, a farmer of Colwood, was charged in the Provincial police court recently by the plaintiff with harboring a cow, knowing the same to have been stolen. The charge was dismissed. In reply the plaintiff brought the present action against the defendant, informant in the police hearing, claiming \$5,100 in damages and costs.

Judgment for plaintiff in the sum of \$200 was awarded by the court at the close of the hearing.

PILES

Do not suffer another day with itching, burning, or protruding Piles. No operation required. Dr. Chase's Ointment will relieve you at once and effect permanent cure. Write to Dr. Chase, 1120 Broadway, New York, N. Y. Sample free. Be sure you mention this paper and enclose stamp to pay postage.

PROMISORY NOTE IS BASIS OF APPEAL

Appeal List Added to by Admission of Further Hearing

At the morning session of the Court of Appeal to-day H. W. R. Moore on behalf of the defendants-appellants secured an order to include the appeal of Clausen versus the Canada Timber and Lands Company, Ltd., in the present hearings of the Court. E. C. Mayers for the plaintiff-appellant agreed. An order was made placing that hearing at the end of the first list.

The appeal hearing of the Northern Pacific Financial Corporation, Ltd., versus J. E. Hutton Jeremy (appellant) opened with E. C. Mayers for the appellant, and J. A. MacInnes for the plaintiffs-appellants. The appeal is one from a judgment of Mr. Justice Murphy in the Supreme Court, on the plaintiffs' claim for \$2,358.25 in respect to a promissory note alleged to be due that company from the defendant, J. E. Hutton Jeremy, a resident of Vancouver.

In opening his case Mr. Mayers recited the history of the case in which

a Columbia Roadster, in the hands of the Customs on delivery from the factory, became the basis for a chattel mortgage and an exchange of transactions between three persons. Permanent Loan took part. Mortgage and note were retransferred until finally the company sued Jeremy for the sum stated. Mr. Justice Murphy gave judgment for plaintiff in the Supreme Court hearing, from which decision the appellant is now appealing. The appeal concerns mainly the promissory note made by Jeremy, it is alleged, on December 7, 1920, in favor of the Royal Financial Corporation, Ltd. The hearing continues.

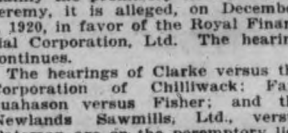

The hearings of Clarke versus the Corporation of Chilliwack; Farquahason versus Fisher; and the Newlands Sawmills, Ltd., versus Bateman are on the peremptory list.

NEW APPOINTMENTS

Premier Oliver to-day announced the appointments of A. W. Idjens as deputy registrar at Nelson; William Boothroyd as deputy assessor at Nicola; J. W. Irvin of East Delta, A. W. Benedict of Arrowhead, Archibald King of Manson Creek, as notaries public; and Theodore Forbes of Barriere, W. F. Gray of Quenell, Arthur Justin Cowan of Vancouver, and James Chapman of North Vancouver, as notaries public.

SUGGESTS FREIGHT RATE CHANGES

C.P.R. Official Proposes Reductions on Basic Commodities

W. B. Lanigan Heard by Commons Committee

Ottawa, June 8.—W. B. Lanigan, Chief Traffic Manager of the Canadian Pacific Railway, made the following suggestions to the Commons Committee on Railway Costs for a solution of the problem of rate reduction.

That as the Crow's Nest Pass Agreement has been put out of date by new conditions, it would not provide a solution for a country-wide economic situation.

That all rates should be placed unrestrictedly under the control of the Railway Commission.

That immediate reductions in rates should be granted on such basic commodities as the crude products of the field, the forest, the mine and the sea.

These reductions, he pointed out, would give the prairie farmer a reduction on his farm produce and would also bring about what the Crow's Nest Pass Agreement did not include, a reduction on lumber, shingles, fence posts and timber, brick, cement, lime, plaster and coal. To the manufacturer the reductions would mean cheaper lumber, iron, steel and coal. To the building trades all over Canada the change would mean cheaper lumber, shingles, timber, brick, lime and plaster. Finally, the whole of Canada, and not only a section of it, would benefit.

Mr. Lanigan was before the committee all day.

Grain.

In connection with the emphasis H. J. Symington, spokesman from the prairies, had placed on the Western grain movement and the high earnings in the Fall months, Mr. Lanigan said it should be remembered that this was a seasonal movement, and was the culmination of months of preparation on the part of the railways. From May to September, 1921, there had been moved over Eastern lines to the West 15,500 empty box cars. This was done at the expense of the Eastern lines.

The grain movement also involved a heavy movement of empty cars in one direction. This was illustrated by the fact that the percentage of empty freight car miles from January to August, 1921, in Manitoba was 25.84; Saskatchewan, 33.14; Alberta, 40.71. From September to December the figures were: Manitoba, 57.7; Saskatchewan, 62.2; Alberta, 59.11.

Cars had to be stored in anticipation of the movement, and interest paid on the capital invested in the equipment. Statistics showed that from Toronto, June 8.—At the suggestion of the Provincial Secretary, Mr. Nixon, the Legislature of Ontario last night dropped from the Assessment Bill the clause reducing the tax on breweries from 75 to 25 per cent.

AMALGAMATION OF CANADA'S RAILWAYS SUBJECT OF STUDY

Ottawa, June 8.—(Canadian Press)—The reason for the delay in amalgamating the Grand Trunk with the National Railways was asked by the Leader of the Opposition in the House of Commons yesterday afternoon.

Mr. Meighen inquired also whether the Government was aware of the immense loss that delay was causing. Premier King replied that the at-

ention of the Government was taken up with a large number of matters while Parliament was sitting; but the matter mentioned by Mr. Meighen was being carefully considered. He thought that in the end that no loss would accrue as a result of the delay.

TO TAX BREWERIES.

Toronto, June 8.—At the suggestion of the Provincial Secretary, Mr. Nixon, the Legislature of Ontario last night dropped from the Assessment Bill the clause reducing the tax on breweries from 75 to 25 per cent.

SO EASY TO BE WELL AND STRONG

Take "Fruit-a-tives" The Wonderful Fruit Medicine

805 Cartier St., Montreal.

"I suffered terribly from Constipation and Dyspepsia for many years. I felt pains after eating and had gas, constant headaches and was unable to sleep at night. I was getting so thin that I was frightened.

At last, a friend advised me to take "Fruit-a-tives" and in a short time the Constipation was banished, I felt no more pain, headaches or dyspepsia, and now I am vigorous, strong and well."

MADAM ARTHUR BEAUCHER.
50c. a box, 6 for \$2.50, trial 15c. 25c.
At dealers or sent postpaid by Fruit-a-tives, Limited, Ottawa.

GIRL SAYS SHE WAS KIDNAPPED BY GYPSY BAND

Sydney, N. S. June 8.—Giving her name as Marie of West Virginia, for whom police and private detectives are said to have been scouring the country without success for months, a pretty girl of twenty, today refused with the Sydney police yesterday afternoon after making her way from a band of gypsies encamped on the outskirts of this city. She says they kidnapped her in Philadelphia two months ago, beat her, "doped" her and otherwise misused her. The immigration authorities are investigating the case, and arranging her return to her parents.

TRAINMEN MET IN TORONTO

Toronto, June 8.—The convention of the Brotherhood of Railroad Trainmen, in session here for the last month, was concluded last night.

Before the installation of officers chosen to represent the Brotherhood for the next three years, a special committee was appointed to meet a committee of the Order of Railway Conductors to adjust certain working conditions connected with the Cleveland compact.

CONFERENCE SPEAKER CHOSEN BY BAPTISTS

Leviaton, Mont., June 8.—Rev. G. C. Cross, Superintendent of Baptist Missions for Montana, has been notified of his appointment to represent the Baptist denomination of the United States at the International Theological Conference to be held in Vancouver, B. C., this year. He will be one of thirteen speakers representing the major denominations.

UPPER SILESIAN QUESTION SETTLED

Paris June 8.—The Council of Ambassadors has made final arrangements for the turning over of Upper Silesia to the German and Polish authorities. One month's notification of the expiration of the powers of the Inter-Allied Commission in the region will probably be given June 11. Consequently the Inter-Allied troops will commence their withdrawal from Upper Silesia.

BOYS PLAYING TRUANT KILLED

Toronto, June 8.—Two boys, Albert Sweeting, 12, and James Wallace, 10, playing truant from school, were run over by shunting cars in the railway yards yesterday and instantly killed.

TO BE HANGED.

Ottawa, June 8.—"Big" Mike Prosko, four times reprieved after being sentenced to death by a military court for the murder of a man committed in a lumber camp in the backwoods of Quebec early in 1921, must pay the death penalty at Quebec on Friday next. After considering his case, the Cabinet has refused to commute his sentence. Several men were involved in the murder and some of them have already paid the penalty.

BY-ELECTIONS NECESSARY.

Montreal, June 8.—The acceptance of Dr. E. M. Desautels, M. P. P., of an appointment to the Quebec Liquor Commission, recently vacated by A. L. Carron, has created a vacancy in the Legislative Assembly, adding Chambly to the list of four vacant constituencies.

Pacific In a Camp

While on his holidays one of our men was about 25 miles from the Coast. They went in to a small lake for fishing, and on the way they found a surveyor's camp where a party of engineers were engaged in much. Nailed to the trees and against their shacks were empty milk cans holding all sorts of things. The chief of the party said the men would not have any milk but Pacific, and pointed to the milk lines through some timber. They used. All their cooking was done with Pacific Milk and they certainly did live well, as our fisherman had dinner there.

HEAT CAUSE OF DEATHS IN BOSTON

Boston, June 8.—Two deaths from heat and a score of prostrations were reported here last night at the close of the hottest June day in Boston since 1884. The temperature reached 90 degrees.

MAN SUFFOCATED.

Toronto, June 8.—Missing for a week, Harry Magee, 24, employed in the auditing department of the City Hall, was found dead in a rooming house, suffocated by illuminating gas.

NEWS AND NOTES OF THE MINES

To Drill Coast.

Kenneth Robinson, of Vancouver, has arrived in Prince Rupert to-day on his way to the Copper River, where he is to operate a diamond drill all Summer on the coal property of the defunct National Finance Company, preliminary to the development of the property.

The drill was taken in there during the Winter of 1913-14, but was never operated. The company is in liquidation, but its affairs are in the hands of the Yorkshire Trust Co. The property is 38 miles from the C. T. P. Railway and 135 miles from Prince Rupert on a water grade, an entrance to the valley being at Copper City near Terrace.

Two shifts of four men each will be operated all Summer and Autumn under the superintendency of Val Crockett, formerly with Boyle Bros. at Arden. The remainder of the party will arrive on the 8th with on the next steamer.

A BANK CASE.

Quebec, June 8.—On a complaint laid by the Bank of Montreal, Jules Marcoux, manager of the branch of the bank in Lauzon, appeared yesterday before Judge Choquette in the Court of Session.

ALBERTA CANDIDATE.

Edmonton, June 8.—W. E. Farquharson, of Eye Hill district, is the United Farmers of Alberta nominee in Ribstone, for the Provincial Legislature. The vacancy was made by the death of C. O. F. Wright a week after the Legislature prorogued.

QUALITY DRUGS

The Vancouver Drug Co. always recognize the responsibility, the pharmaceutical manufacturer owes the consumer. The same degree of care is exercised in the selection of raw drugs and chemicals entering into the composition of the "Reid Products," as is applied to the finished preparations, thus insuring a double safeguard.

THE MUNICIPAL CONVENTION.

In selecting Victoria as the scene of their first annual convention, the Council of Western Canadian Municipal Unions paid the city a nice compliment which ought to be appreciated by our citizens.

PUBLIC HEALTH.

Seventy-five per cent. of the time absorbed by the average legislative session is devoted to political speeches—invariably several times too long and often of little importance—instead of matters of real concern to the well being of the people.

Three or four months will elapse before the local House will commence its Fall session and the Government will have time before them to deal with the question of public health.

Does this question demand as much discussion as did the charge that a public servant had not observed the regulations respecting beaver and beaver pelts? The Royal Commission that investigated the ease in point cost the people of this Province a sum of money that would have converted three or four incipient T.B.'s into healthy members of society.

THINKING IT OVER.

Opponents of the tariff measure now before the United States Senate are making the most of the increase in the British preference announced by Mr. Fielding in his recent budget speech, as a basis of attack, and the indications are that no little impression will be made upon some of the lukewarm Senators who have been supporting the legislation.

Other developments which may give the Washington Government pause in its trade restriction policy is the defeat of the Administration standard bearer, Senator New, by Mr. Beveridge in the primaries in Indiana, and the victory of Gifford Pinchot over the Old Guard representative in Pennsylvania.

THE HELICOPTER.

London announces the fact that Mr. Louis Brennan has successfully experimented with a model helicopter, that he is engaged in the construction of a larger craft of the same type which is expected to meet the full list of conditions laid down in the British Air Ministry's offer of a prize of £5,000 to the successful inventor.

Only an ordinary imagination is required to perceive the possibilities of a contrivance that would answer to such miraculous control as that above described. It would be able to rise vertically at once instead of having to taxi along the ground before the actual ascent.

On the other hand if this latest invention shall successfully respond to its trials in the Fall and thus comply with the conditions of the British Air Ministry it will stand out as an achievement that must revolutionize flying—civil and military alike. In that case it will demonstrate once again that the various inventions that mark the many steps of human progress are the products of the scientific mind in peaceful pursuits, rather than the necessities of war.

Does this question demand as much discussion as did the charge that a public servant had not observed the regulations respecting beaver and beaver pelts? The Royal Commission that investigated the ease in point cost the people of this Province a sum of money that would have converted three or four incipient T.B.'s into healthy members of society.

NOTE AND COMMENT

lines indicated in a London dispatch, difficulty of an agreement on this score should not be very great.

One of Vancouver's humorists has said that Victoria is a place where few tourists touch without realizing that they have done so. From a mercenary point of view the people of Victoria will hope that the self-same tourists will keep on doing what they have been doing—only more so.

Other People's Views

INTELLIGENCE OF CHANCE?

To the Editor,—I have maintained that, if you rule out intelligence as the fashioning and directive force in the material universe, you have no choice but to fall back on chance. I am happy to be able to cite so great an authority as Lord Kelvin in support of this contention.

CAUSE OF CAUSES

To the Editor—It would possibly be well to inquire as to the value of this controversy concerning the "Cause of Causes." Many of your correspondents have touched on this aspect of the problem. The crux of the matter appears to be whether or not the universe was originally caused by "chance," "fortuitous variation and selection," "nothing," "Intelligence," "God," or possibly something else—each one of which may or may not be the true cause.

TOFINO ROAD MATTERS.

To the Editor—May we encroach upon your valuable space with further reference to Tofino Road matters.

We think it only fair to E. W. Abraham, our secretary, to state that the letter of 9th ult., which appeared over his signature as secretary of the Tofino branch of the Good Roads League of B. C. was not a personal letter from him, as both Mr. Oliver and Mr. Rhodes, by their replies of 11th and 27th ult. in The Victoria Times, endeavor to imply, he was written under instructions from the Rhoades states, he never has maintained that no charges are necessary other than an inspection of the work.

We fully realize that Mr. Beavan had a very difficult part to play in this matter, as he doubtless has his instructions from someone higher up. Whether or not that person higher up was Mr. Oliver is quite immaterial; the fact remains that our delegate received every assurance from the Minister of Public Works that our wishes would be carried out, and that Mr. Rhodes admits having seen and spoken to Mr. Oliver at that time, and it is quite possible that Mr. Oliver may have forgotten the incident.

We hold no ill feeling whatever against Mr. Rhodes as a man, although we are anxious to see the road completed. The Tofino Branch of the Good Roads League, although only recently formed, has a strong membership, and consists of a majority of the best and certainly the most progressive element of the settlement, amongst whom are a considerable number of well-known business men.

servatives, Returned Soldiers, Independents, Socialists and possibly, who knows, even Bolsheviks, but it is entirely unanimous on the question of Tofino's urgent need for a road out to civilization.

We would not for one moment presume to dictate to the Government, nor do we wish to run the Engineer's Department, but we surely are entitled to ask for fair treatment and somewhere near value for our money.

CAUSE OF CAUSES, AND THE GENESIC NARRATIVE.

To the Editor,—I think it will be fitting if I adopt the double heading to this contribution.

In your issue of the 6th inst. I am confronted with, I suppose, over a column of attack, the greater part of which is in the gladiatorial style. My defeat is also loudly trumpeted by one of your correspondents, in fact too loudly to silence, in any case my discussion is with Bishop MacDonald, and not with people who dispute the existence of men on this earth prior to the year 1800, or, in fact, who propound a list of questions to which a satisfactory answer could be found in any Public School Text Book on the subjects of geology and biology.

My reverend disputant takes a big task upon himself when he attempts to show that the so-called higher critics are wrong in assuming a composite authorship of the Genesis Narrative, and if it is all so simple, clear, and non-contradictory as he assumed and assures us, it is a pity, say it is more than a thousand pities, that the "inspired writer" had not been just a little bit more inspired and given us something which would have been clear and beyond all manner of doubt. What a help it would have been to poor blundering, guessing men!

The Bishop says in part, "It is incredible that any writer in possession of his senses should first declare that God made the plants and animals first, and then in the next chapter declare that man was made first." Exactly, and that is my point, different authorship, loosely or carelessly strung together as one narrative, is more than a thousand pities, and the two stories are inseparably and chronologically connected in the Genesis account, and which are both taken from much older creation and deluge myths, on which naturally the Bishop does not touch.

Now, Sir, if you wish to hang with the other records of vast empires and civilizations, existing and decaying long anterior to the time set for Adam and Noah by the Jewish Chroniclers, nor do the fabulous ages set forth by the same writers agree with the ages of mankind in general during the same period, as testified by contemporary monuments and remains.

"Antiquity of Man" (1915) states that evidence of the existence of man has been found to which he, in company with his co-workers and scientists, does not hesitate to give an age of at least a million and a half years.

Now the Bishop accuses me of being potent in assertion and weak in argument. Very well then, here is a chance for him. I assert that man has existed on this earth much longer than the six thousand to eight thousand years assigned to him in the various Biblical chronologies, and that he is moreover the outcome of long ages of painful and toilsome evolution, from a state of absolute savagery.

not to clamor. If we have any faith in our case, let us state it in the best way we can, and wait for calm and patient examination from the few who weigh and consider. Most are swayed by prejudice. As Dryden has it: "By education, most have been misled. So we believe, because we were so bred. The priest continues what the nurse began. And so the child imposes on the man. I have not forgotten St. Augustine and Thomas Aquinas, but hope to deal with them in my next."

SAY COURTS SHOULD NOT DECIDE APPEALS ON ASSESSMENTS

Municipal Union Wants Government Bodies to Decide Disputes

Final appeals against tax assessments should be heard by provincial assessment commissions, tax commissions of local government boards and not by the law courts, the Council of Western Canadian Municipal Unions declared in a resolution passed at its convention here to-day.

"This Council recommends that in provinces where a tax or assessment commission or local government board exists such body should be constituted the final court of appeal in all cases of appeals against assessments except on points of law."

"Another resolution passed to-day asked the Federal Department of Agriculture to make provision for coping with noxious weeds throughout the West, either through the provincial or municipal authorities, all cost to be borne by the Dominion Government."

IN WOMAN'S DOMAIN

Quaint Costumes Worn in Y. W. C. A. Pageant

Modern day misses with their abbreviated skirts and unhampered freedom of movement have much to be thankful for and should set their faces steadily against any attempt on the part of Parisian couturiers to introduce again the trailing skirt or the eroline.

Some quaint costumes of bygone days were in evidence, many the former possession of dead and gone beauties, and the excellent preservation of the dresses were a striking tribute to the ability of the silks.

Following the pageant the children of the Oriental mission gave a series of drills and recitations which were most appreciated.

Decorations of red, white and blue adorned the country stores, which were run by the ladies of the Presbyterian Church, including Mrs. D. D. Smith, Mrs. Gould, Mrs. J. R. Brown, Mrs. Clements, Mrs. R. Morrison, Mrs. Harmon, Miss Morley, Mrs. Dament, Mrs. Macdonald.

Decorations of orange and green decorated the candy stall convened by the Mission Circle of the Metropolitan Church, the members being Miss Mary Percy, Misses Hilary, Noble, Lewis, Hedley, McHadden, Birdshaw and Hambley.

The regular monthly meeting of the Lady Douglas Chapter was held at headquarters yesterday afternoon.

The Y. W. C. A. director directed the sale of advantageously placed in a booth decorated with blue and white streamers fastened to the edge of the balcony.

Among the many smart parties arranged by leading hostesses in honor of the visiting golfers was the dinner and dance given last evening by Mrs. and Mrs. John A. Bithel.

NON RUSTABLE D & A

Corsets Nipped in at the waist

Flat-backed, rather full hips, and always preserving the effect of slimmness—such is the season's correct corsetting. D & A Corsets will help you to secure the correct figure and, at lowest possible cost, combine style, comfort and economy.

Our Watchmakers Are Busy—While the fixtures for our new Yates Street store (next to Maynard's Shoe Store) are being manufactured, and the store itself is being remodelled, our jewelry repair men and watch manufacturers are busy at our temporary premises in the Winch Building.

CLUB RECEPTION FOR VISITING LADIES

Madame Lugin-Fahay has kindly consented to present the whole of the musical programme which is to be given in connection with the reception arranged by the Women's Canadian Club in honor of the visiting ladies of the Good Roads Convention, to take place in this city next week.

CANADIAN WEDDING AT LONDON CHURCH

London, June 6.—(Canadian Press Cable)—Considerable interest was manifested by Canadians now resident and visiting in London at the wedding which took place to-day of Katherine Griffith, eldest daughter of W. L. Griffith, to Martin B. Lewis. The bride's father has for many years been secretary to the Canadian High Commissioner's office in London.

Hird, Mr. H. Pennington Walker, Miss S. E. and Mr. W. E. Surocton, Mrs. D. G. Houston, Mr. F. J. Hillhouse, Mrs. Tracy, Mr. F. J. Wilson and family, and Mr. C. W. Spinks, of Vancouver, are guests of the Dominion Hotel.

Wedding Last Night of Miss Muriel Kelley to Sas-katchewan Man

A very pretty wedding took place last evening at the First Congregational Church, when Miss Muriel Hannah Kelley, daughter of the Rev. and Mrs. W. J. and Mrs. Kelly, of Cedar Hill Road, became the bride of Mr. William U. Dey, of Prince, Saskatchewan, the ceremony being performed by the Rev. A. K. McMinn in the presence of a large number of friends.

The church was very prettily decorated with a profusion of marguerites, columbines and ferns by Mrs. Walker and Miss Scowcroft, assisted by members of the choir, of which body the bride has been a valued member. To the strains of the wedding march, played by Mr. Jesse Longfield, the bride and groom, escorted by the bridesmaid, Miss Winifred Scowcroft, looked very pretty in a wild rose pink satin gown and carried a shower bouquet of sweet peas.

Following the ceremony a reception was held in the parlors of the church, which had also been prettily decorated with flowers. On the supper table, with its hostess, were two dining cakes, white and pink roses were artistically arranged, and on a large table were displayed the numerous wedding gifts, among which were two presentations, the one a beautiful being a silver butter dish, and from the Sunday School a silver flower vase, both gifts being suitable engraved.

During the evening songs were contributed by Miss Scowcroft, Mrs. E. Patterson, Miss Sylvia Kelley and Mr. Latty.

Mr. and Mrs. Dey left on the night boat via Prince-Rupert for their home on the prairie.

CHAPTER MAKES PLANS FOR GARDEN PARTY AT OAK BAY HOME

At the meeting of the Margaret Rocke Robertson Chapter, I. O. D. E., last evening a standing order of sympathy was passed to Miss Fox in the death of her father. Two new members, Miss Pearson and Miss Beryl Ferguson, signed the membership roll and one application was received.

No more delightful nook could be found in the length and breadth of the island than a little pond, gleaming water on whose bosom rest golden-hearted water-lilies with their dusky leaves. Hidden in a corner of the Empress Hotel Gardens, the centre and hustle of the stream of life which passes to and from dawn to dusk across the Causeway, this idyllic spot holds enchanted a peace as secure and sacrosanct as its own waxy blossoms. Snow white, rose-hued, or with delicate yellow petals, each lovely chalice breathes the same secret of a divinely inspired calm. Drooping willow branches are mirrored from above and the stately iris clusters in royal purple along the water's brim, while from the rocks a tiny cascade falls continually, stirring leaves and blossoms with its gentle flow. Seekers of beauty travel many miles, while within a stone's throw of the city's heart a little nook as fair as any lies for the most part disregarded.

VICTORIA MAY HEAR DR. WALTER HADWEN

Invitation from Local Anti-Vivisection Committee During American Tour

Victoria has asked to be included in the itinerary of the celebrated anti-vivisectionist lecturer, Dr. Walter Hadwen, when he makes his proposed visit to the United States this year.

The society, at its meeting on Tuesday under Alderman Lesning's presidency, learned from the secretary that seventeen new members had been enrolled since the annual meeting in April, also, that the newly organized society in Montreal had registered over 200 members in the first three weeks of its existence. There is also every probability that two more organizations will be formed on the mainland of British Columbia by the Fall. A second donation has been received from George Arliss, the celebrated actor and comedian, thanking him for the newly sent in their subscriptions for the present year the Victoria society would remain members that there are still several subscriptions outstanding, and that these will be gratefully received, as there is much work to be done. Besides other literature, 200 magazines a month are being circulated with a view to a better understanding of what the question of vivisection involves.

Amongst the friends of the anti-vivisection cause who have passed away, the society has with regret the death of Dr. W. R. D. Blackwood, of the Pennsylvania Medical School and a veteran of three wars. Of his work for the cause it has been said that "he was undaunted, uncompromising, tender as a woman, brave as a lion, and that he gave his best to protect animals from torture and men from degradation."

Much interesting correspondence was read.

Other matters discussed included the League of Nations and Vivisection. The policy of the society (total abolition) constitution of the society, etc., and it was decided to hold a public meeting in the form of a social evening, towards the end of the present month.

The One Unwanted

By RUBY M. AYRES
INSTALMENT No. 11

I watched them drive away, and gave a sigh of relief as the big red car swept around the bend and out of sight.

I went back to the kitchen and warmed my chilled hands at the fire. Mr. and Mrs. Alberry were talking together; they still seemed rather agitated at the unexpectedness of my father's visit; they kept on saying that if only they had known he was coming, things should have been very different; if only he had given them even an hour's notice!

"Things were quite nice as it was," I said, anxious to comfort them. "Mr. Champion had three huge helpings of your lovely hash."

Mr. Alberry laughed, but his wife raised her hands in despair. "Hash! For two gentlemen like that!" she said.

"Why not?" I asked. "Just because they're rich it's no reason why anybody should make more fuss over them than over anyone else, is it?"

I walked out of the room with my nose in the air. I felt ruffled. I wished I had asked Lionel Champion what he meant when he said that Mark was not the sort of man for me to be friendly with.

That evening, when Mr. Alberry got up from the tea table to go down for a last look round the stables, I got my big coat and a woolly cap and followed him through the mud and darkness, guided only by a lantern he carried.

I always liked the stables. They were warm, and I liked the way in which the horses turned their heads

touched Mr. Alberry. "Somebody wants you," I said.

He turned around, and I got up and put the lantern down on the overturned box.

"It's cold," I said, stupidly. "I'll go back to the house."

Mr. Anderson stood aside without speaking, and I went out into the dark yard, hardly knowing what I was doing.

Why had he come? I blundered on a few steps unseeing. There seemed to be invisible hands tugging at me, trying to drag me back, and yet not for anything would I have retraced a single step or even have turned my head.

If he thought he was going to be allowed to treat me just as he chose he was mistaken. If he thought that I cared a straw whether he came or whether he stayed away, I would show him that I did not. The mud from the thaw clogged my boots and kept me from making much pace in the darkness, and I was still some way from the back door of the farm when Mr. Anderson spoke behind me.

"You are in a great hurry to-night?"

(To Be Continued.)

FOR CHILDREN THE SANDMAN STORY FOR TO-NIGHT

THE CRY BABY OF THE FAMILY

Mrs. Robin Redbreast was having a hard time of it with her only child left in the nest, the others, after much patience and worry, she had taught to fly, but Robin was still on her hands.

Every morning he would wake up and begin to peep for his breakfast, and his mother would try to get him out of the nest. "Come, Robin," she would say, "just try to fly to the lower branch of the tree where mother will bring you a nice plump worm."

"I am afraid," the lazy baby would cry, and Mrs. Redbreast was so soft-hearted she would fly away and bring back his breakfast.

But Robin was beginning to get fussy. He would eat only the biggest

SS. PRINCE RUPERT WILL BRING SHRINE PARTY TO VICTORIA

Over 100 People Will Be Here Day En Route to the North

Schedule Re-arranged to Handle Special Party Embarking at Seattle

C. F. Earle, district passenger agent, Canadian National Railways, has been advised that the sailing schedule of the SS. Prince Rupert, for one trip sailing from Seattle June 20 has been revised to accommodate a special party of 117 persons. The party is representative of the New York Mecca Temple, Ancient Arabic Order of the Mystic Shrine, returning from California by way of British Columbia.

In order that the Shrine party may be handled expeditiously from Seattle, the SS. Prince Rupert the south-bound call at Victoria for one trip in order that the ship may be enabled to reach Seattle on the evening of June 20 to embark the delegation of Shriners. The Prince Rupert will, however, call at Victoria northbound and will remain here practically the whole day on June 21 to permit the party to see the city.

Special Schedule.
The following special schedule has been arranged for the SS. Prince Rupert to take care of this special party: Leave Prince Rupert 10 p. m. June 18; arrive Vancouver 9 a. m. June 20; leave Vancouver 11 a. m. June 20; arrive Seattle at 10 p. m. June 20. The Shrine party will embark and the steamship will sail from Seattle at 11.45 p. m. June 20, arriving at Victoria at 7 a. m. June 21.

The ship will remain at the Grand Trunk Pacific docks here until 11 p. m. when she will clear for Vancouver, arriving at the mainland port on regular schedule at 8 p. m. for Prince Rupert.

The schedule has been so arranged to give the New York Shrine party sixteen hours in Victoria and eleven and a half hours at Vancouver.

There is always room at the top young man, quoted a coal merchant to the lad who wanted to know if there was a vacancy for him in the office. "Yes, I've noticed that whenever I've seen a sack in your wagons go by," replied the youth.

LARGEST PASSENGER SHIP AFLOAT

WHITE STAR LINER MAJESTIC

MAQUINNA WILL MAKE SPECIAL RUN TO RIVERS INLET

Will Leave Here June 20 With Tourists via West Coast of Island

The annual special cruise of the Canadian Pacific steamer Princess Maquinna to Rivers Inlet by way of the usual West Coast of Vancouver Island route, will commence from this port June 20, it was announced to-day by L. D. Chetham, local passenger agent.

This is an annual excursion that is becoming more and more popular each year, and the company is planning to take care of a capacity list of tourists on the forthcoming cruise. All the points of interest on the rockbound west coast of Vancouver Island are visited between Victoria and Port Alifan, Quatsino Sound, as is done on the regular schedule, but the special cruise takes the tourist around Cape Scott, up to northern end of the island, across Queen Charlotte Sound to Rivers Inlet, where every opportunity is given to inspect the canneries on the inlet. The trip occupies eight days. The Princess Maquinna will sail from this port on her special cruise to Rivers Inlet at 11 p. m. June 20, returning here on June 28.

NILE MAY ENTER TAHITI SERVICE AFTER CALL HERE

Negotiations are expected to be shortly consummated for the operation of the British liner Nile, formerly in the Oriental trade of the China Mail Steamship Company, in the service between San Francisco and Papeete, under a working agreement between the China Mail Line and the California-Tahiti Steamship Company. The first sailing has been set tentatively for July 25, by which time the SS. Nile will have completed her excursion cruise between San Francisco, Honolulu and Victoria.

H. F. ALEXANDER NOW ON PACIFIC

Admiral Liner for This Service Reaches Balboa from New York

Making excellent speed on her run out to this coast from New York, the Admiral Liner H. F. Alexander, Capt. E. P. Bartlett, formerly the S. S. Great Northern, yesterday passed through the Panama Canal, arriving at Balboa at noon. The H. F. Alexander is expected to leave Balboa at 4 o'clock this afternoon for San Pedro, where she is expected to arrive June 14. She will arrive at San Francisco the following day and then set out from the Golden Gate on the Shriners' excursion to Honolulu. Returning from the Hawaiian excursion the H. F. Alexander will enter the coastwise service of the Admiral Line between Seattle, Victoria and San Francisco.

Ruth is Steamship.
The Admiral Line steamship Ruth Alexander, scheduled to leave here tomorrow evening on her south-bound trip to San Francisco, will have a capacity list of passengers aboard when she gets away from Victoria, according to William M. Allan, local agent.

The Ruth will have about 300 cabin passengers and a large percentage of the travelers will embark at this port.

WORD EXPECTED ON CABLE DUPLICATION

John Milward Now in London Conferring With Pacific Cable Board Directors

John Milward, Pacific Cable Board expert, who arrived here on the last voyage of the liner Niagara from the Fiji Islands, is now in London conferring with the directors of the Cable Board relative to his investigations into the proposed duplication of the Pacific cable, which has its Canadian terminus at Banfield, west coast of Vancouver Island.

MOVE MAY RESULT IN BIG FREIGHT WAR ON ATLANTIC

New York, June 8.—The North Atlantic Steamship freight conference declared open rates yesterday on moratorium than twenty standard commodities of export to Germany, Holland and Belgium. The action which was taken to permit its members to meet rates quoted by non-conference lines, was interpreted in shipping circles as an indication of a lively trans-Atlantic freight war.

NOTICE TO MARINERS

AMERICAN VESSEL IS SOLD AT MANILA
Manila, June 8.—The American barque Monongahela was sold by a Federal receiver yesterday to Atkins, Kroll & Company of San Francisco for \$13,100. The Monongahela has been lying in Manila Bay for over a year. About eighteen months ago she departed from Manila for San Francisco in cargo, but after battling adverse winds in the China Sea for more than a hundred days she was forced to return here.

WASHINGTON POTATOES SHIPPED TO CALIFORNIA
Seattle, June 8.—The Admiral liner Admiral Dewey, Captain H. E. Halverson, cleared at noon Tuesday for San Francisco and Los Angeles with an unusually heavy shipment of Washington potatoes composed of 4,000 sacks. The vessel carried a full cargo, which also included 15,000 cases of canned milk. Her passenger list was made up of eighty first class and twenty in other classes.

A Happy Combination
WHEN we decided to handle wallpaper along with our paint business we did it because we felt the public would appreciate the combined service which would give our customers everything they need for interior decoration. Just as we made a specialty of the Paint and Supply business so we are now specializing also in wallpapers. When you come to us for materials you find it easy to choose because our knowledge tells us what you should have, and in this way save a great deal of time in making wild guesses. It is hard to talk of either of these commodities because there is such a variety of both quality, color, use and price. You are invited to make our store your shopping place for all your requirements in your decorating plan.

Wall Papers
It is not sufficient to say that we stock many grades of papers. Our shelves contain the finest English papers of patterns that have been made famous by being used in the finest homes of the land. But we also have the more moderately priced popular variety which is so desirable in the great majority of homes. Prices range from 30¢ to \$3.00 per double roll.

Paints
Here again is our knowledge shown in quality and variety. It is with absolute assurance that we offer you any line we carry, since our personal guarantee backs up the manufacturers' guarantee. NEWS IN BRIEF

Army and Navy Veterans—The general monthly meeting of the Army and Navy Veterans will be held in their assembly room, Hamley Building, this evening at 8 o'clock.

Parent-Teachers' Dance—A dance will be held in Margaret Jenkins School auditorium to-morrow from 8 p.m. to 1, under the auspices of the Parent-Teachers' Association.

Home Cooking Sale—By kind permission of the management of David Spencer's, Ltd., the Robert Burns Memorial Chapter, T.O.D.E., will hold a home cooking sale in the basement of the store on Saturday morning. The proceeds from the sale will be devoted to the chapter's work.

Esquimalt P.T. Association—The regular monthly meeting of the Esquimalt Parent-Teachers' Association will be held next Friday at 8 o'clock in the school. A question box will be provided, and members are asked to drop in questions suitable for discussion. The nominating committee will also be elected.

Sidney G. A. U. V.—A special meeting of the Sidney Branch G. A. U. V. will be held in the new club quarters, Fifth Street, Sidney, for the election of officers at 8 o'clock to-morrow evening. June 9. Representatives from the Provincial command will be present, and it is hoped there will be a large turnout of members.

Welsh Choir Picnic—An enjoyable afternoon was spent yesterday by the Welsh Choir when a basket picnic was held at Fowl Bay Beach. There was a good turnout and everyone present had a splendid time. The Welsh Choir is now one of the largest and best musical organizations in Victoria.

Protest Rubber Stamping—After inspecting a number of labels from garments made in non-union shops, with the printed words "Union Made" lightly cancelled with a small rubber stamp, the Trades and Labor Council last night decided to inform the Garmentworkers International and advise prompt action. It was asserted that the practice now complained of is widespread.

Western Scots—A meeting of the 67th Battalion (Western Scots) Association was held last evening in the quarters of the Victoria Post in the Canadian Legion. Major A. C. Christie, D.S.O., occupied the chair. It was decided to hold a battalion reunion early in August, and a committee is working on the arrangements for this function. It is hoped to have as many as 100 members of the Western Scots' regiment at the entertainment as possible.

Profitless Proposals—At the Strawberry Vale School last evening Councilor George McWilliam, of Ward Four, Saanich, told a meeting of his constituents that he believed the proposals for a Greater Victoria would shortly cease to be a subject of discussion, as he could see little advantage to Saanich in the scheme, and without the inclusion of that municipality there was small chance of the other neighbors of Victoria supporting the plan. J. Chestnam outlined his proposal that a section of the provincial district of Esquimalt, which intrudes into the area of Saanich at Burnside, should be absorbed by the municipality.

Bridge Workers Join—The application of Bridge and Structural Ironworkers, now employed on the Johnson Street Bridge, for representation on the Trades and Labor Council was last night referred to Secretary Woodward for action. The men are members of the Vancouver local, and that body volunteers to pay dues for its members here instead of reviving a long dormant Victoria chapter in view of the temporary character of the work. A proposal to affiliate with the Employed and Unemployed Workmen's Council was laid over after Delegate Scouler had reported that a fight for the retirement of Mr. Moulton will feature the next session of the Unemployed, the delegates preferring to "wait and see" before finally choosing their course.

Only Need the Snow—If Vancouver could get the Parliament Buildings on a snow they would get them across the Gulf in the same way as they have got half the Government offices, complained delegates to the Trades and Labor Council last night, when protesting against the inconvenience of having to refer Compensation Board matters to the Mainland. President Simmons agreed, and a young fellow left here in Victoria, but he knows nothing here if ever he is applied to," he said. Delegates protested against the operation of savings on a nine-hour day at thirty cents per hour. President Simmons remarking, sixty-eight per cent. of all sawmill accidents occur after eight hours' work has been performed.

Commercial Class Specialist—With the re-opening of the High School in September the present system of teaching commercial courses will be abandoned, these studies being taken from the general staff and concentrated under the supervision of G. H. Ashman, a specialist, who has been in charge of this work for two years past in the city of Nelson.

Negro and Hindu.—Dolmer Johnson, negro, was charged in the city police court with having assaulted a Hindu Singh, but denying guilt, was remanded until Saturday morning for hearing.

Decree Absolute Granted—A decree absolute was granted to-day in the Supreme Court by Mr. Justice MacDonald in the undefended divorce of Raymur versus Raymur. H. E. A. Courtenay appeared for the petitioner, Mrs. Catherine Ellen Raymur.

British-American League.—The regular luncheon of the British-American League will be held at 12:30 o'clock to-morrow at the Hudson's Bay Company restaurant. American visitors to the city are especially welcome, but are requested to telephone the secretary, 3972, for reservations. Henry C. Hall, K. C., will address the gathering on Anglo-American topics.

Victorian Order of Nurses.—Miss R. A. Corbett, supervisor of the local branch, has been asked to resign her position by an Executive Committee of the Local Board, on the ground that the work that she has been doing has not been in the best interests of the Order. Miss Corbett has requested that an open meeting be called, so that her work may be reviewed.

Commercial Class Specialist.—With the re-opening of the High School in September the present system of teaching commercial courses will be abandoned, these studies being taken from the general staff and concentrated under the supervision of G. H. Ashman, a specialist, who has been in charge of this work for two years past in the city of Nelson.

Appeal From Order.—Before Judge Lampman in the Country Court to-day the appeal of Nicholas versus Cook came on for hearing. George Morphy acts for the plaintiff Mrs. Nicholson, with R. C. Lowe for the defendant George J. Cook. The appeal is being taken by the defendant against a decision of the court on a suit brought by Mrs. Nicholson, as executor of the estate of the late A. E. Nicholson, on a judgment against Cook arising in the small debts court. The action is proceeding.

Garden Party.—The Ladies' Aid Society of St. Paul's Lutheran Church, Princess Avenue and Chambers Street, at its regularly monthly meeting, held yesterday afternoon, was invited by the president of the society, Mrs. L. Schmelz, to hold a garden party at the residence of Mrs. Elnayson Avenue, on Wednesday afternoon, June 14. The invitation was gratefully accepted by the society, and it was decided to postpone the congregational supper, which had been set for June 20, to the early Fall, when the congregation will be able to burn the mortgage. The Schmelz residence has proved an ideal place for such functions in the past years, and a delightful afternoon and evening is anticipated.

Child Nurse Lecture.—The Fowl Bay Company Girl Guides are at present working hard for their Child Nurse Badge and Miss Corbett, of the Victorian Order of Nurses, has very kindly offered to give them a second lecture to supplement her first one on the subject. Any Guides of other companies are heartily invited to come and hear Miss Corbett on Saturday afternoon at the company headquarters, Lillian Road, Fowl Bay, at 2 p. m. The lecture will cover a review of the bathing and dressing of a small baby, its food and care and further including the clothing and feeding of children from two years. Every Guide will please bring pencils and notebooks.

WHY QUEBEC MAN PRAISES DODD'S KIDNEY PILLS

Honore Gervais who suffered from Kidney Disease and Rheumatism, Tells of the Relief He Got From Dodd's Kidney Pills.

St. Casimir, Que., June 7.—(Special)—The value of Dodd's Kidney Pills as a household remedy is splendidly shown by the statement of Mr. Honore Gervais, a well-known resident here.

"I suffered from kidney disease and rheumatism," Mr. Gervais states, "I used Dodd's Kidney Pills for my trouble and with such benefit that I recommend them to all others who suffer as I did."

"My wife and my little girl have also used Dodd's Kidney Pills and found them good. My wife has also been much benefited by the use of Dodd's Dyspepsia Tablets."

Dodd's Kidney Pills act directly on the kidneys, strengthening them so that they do their full work of straining all the impurities, all the seeds of disease, out of the blood. Ask your neighbors about Dodd's Kidney Pills.

WOULD DEPORT DRUG VENDORS

Decrepit Celestial Long Deceived Police As to Innocence

In sentencing Sing, a Chinaman, to six months imprisonment for having opium in his possession, Magistrate Jay this morning in the city police court commented: "If a few cases like that could be dropped in at Ottawa it would do a lot of good. Those people have no idea of what the Oriental question really means. I see that an English Magistrate recently ordered the deportation of a Chinaman convicted of a like crime to this man. I do not think we have that power in Canada. This man will serve six months, if he can be deported it shall be done."

Sing is possibly the most dreadful wreck of humanity seen for years in the police court. When arrested by Inspector Heatley and Sergeant Blackstock, opium prepared for sale for smoking, in scores of paper twirls, was found cached in his shoes, bedding, tobacco pouch, pockets and in various recesses of the Chinese Club wherein he served as caretaker. It was the chance of utter helplessness which had for years protected Sing from closer investigation by the officers, this being his first conviction.

WILL PRESS FOR SHORTAGES

Trades and Labor Council Will Again Seek Drydock Wage Adjustment

The Trades and Labor Council last evening decided to continue the fight to secure disputed pay arrears for men who are or have worked on the new Esquimalt drydock; appointing President Ben Simmons, Secretary Woodward and the delegates of the Building Trades Council as a committee to press the matter locally and upon Ottawa.

A letter from Hon. James Murdoch, Minister of Labor, brought the matter to a head by stating that the drydock contract was properly drawn up according to the Public Works Department, and could not be amended as asked by the inclusion of specified fair wage clauses.

The delegates noted that the Minister refrained from any reference to the suggestion that the contract should be passed upon by the legal advisers to the Government.

The point over which the chief dispute has arisen is the assertion that, from commencement of work on the dock until May, 1921, there was no schedule in effect at the dock, the men being paid vary wages and expecting an adjustment later. When the schedule was posted in May, no attempt, it is alleged, was made to adjust the existing shortages.

GOVERNOR TO UNVEIL TABLET TO JOURNALISTS WHO FELL IN GREAT WAR

Lieutenant-Governor Nichol will unveil Sunday, August 6, the memorial tablet to British Columbia newspaper men who fell in the war. The tablet, which is in bronze, will be placed under the dome of the Parliament Buildings.

Fourteen newspapermen from this Province were killed in the war, while the scroll of those who served and returned covered the names of 140. Journalists from all over the Province will attend the ceremony. The memorial has been subscribed to by daily and weekly newspapers and the B. C. Institute of Journalists.

WEAK AND NERVOUS

In This Condition the Blood Supply Should be Promptly Enriched.

Hardly any condition of ill-health causes more worry to the sufferer than that for which there is generally least sympathy. Men and women with nerves out of gear often become irritable and are blamed for ill-temper, when it is not their fault. Their poor health is the cause of their over-busy wife and mother, whose household cares have worn her out; the bread-winner whose anxieties have worried him until he is thin and ill; and among the nerve sufferers who become run down, their nerves, like all bodily organs, need rich, red blood. In such cases the best and simplest treatment is a course of Dr. Williams' Pink Pills which enrich the blood and tone up the nervous system and bring good health and cheerfulness. Proof is given by Mr. Donald McLeellan, Bay St. Lawrence, N. S., says: "I was nervous and run down and did not sleep well. As I grew older I became worse, and suffered from the nervousness more than I could readily believe. A friend advised me to try Dr. Williams' Pink Pills, and I began a treatment of this medicine. After taking five boxes I felt like a new man; could eat well and sleep well, and felt improved in every way. I think very highly of Dr. Williams' Pink Pills and recommend them to any person who is run down and in want of vitality. You can get these pills through any dealer in medicine, or by mail, at 50 cents a box or six boxes for \$2.50 from Dr. Williams' Medicine Co., Brockville, Ont."

REAL ESTATE MEN FROM EAST HERE

Pennsylvania businessmen, delegates to the National Association of Real Estate Boards convention in San Francisco, passed through Victoria yesterday on their homeward journey. There were eighty-seven delegates in the party, which was welcomed here by local real estate men, headed by C. T. Cross, a member of the Victoria Board and a past president. Mr. Cross had gone over to Seattle to travel to Victoria with the visitors.

F. Landsberg is the only Victoria real estate man who has returned from the San Francisco convention so far. He was much impressed with the convention and brought back many new ideas in connection with the real estate business. He also learned a great deal about the development and convention business, in which he is much interested.

"THE HONOR SYSTEM"

OPENS AT COLUMBIA

The Screen Portrays Prison Horrors With Realism

AMUSEMENTS TO-DAY

Columbia—"The Honor System."
Capitol—"Dream Street."
Dominion—"School Days."
Royal Victoria—"Smilin' Through."

"The Honor System" the powerful and spectacular drama of human interest which William Fox will present at the Columbia Theatre to-day, deals with one of the most vital and perplexing questions of the present day and aims right at the heart of the people.

In the big production will be shown the individual in a tragic battle against the forces of society. The story is a stirring and absorbing one.

Many of the details of the story are founded on fact, and under the able direction of R. A. Walsh nothing has been spared to make it a truly stupendous spectacle. A number of the scenes were taken in Arizona and California near the Mexican frontier, and one, showing a raid by Pancho Villa and his bandits on a border town, actually beggars description.

An all-star cast will be seen in this production, including Gladys Brockwell, Miriam Cooper, George Walsh and Milton Sills.

MOST THE PRO

shown all week at the Capitol Theatre is Eleanor Danohue, who wraps the hearts of all the audiences around her chubby little finger in the closing scenes of the film.

Eleanor should have played her scenes in a very short time, not more than half a day at the most. It was only her roughish charms that ever permitted her to hold up the entire work of the studio for three days, until the charming scenes were finally accomplished.

Blessed with Irish charm, she was also tense with Irish temper. She didn't like the make-up, she refused to be shaved, and she refused to go near them, shouting "Goo—Eleanor doesn't like goo."

DOMINION

Spontaneous picture productions, and Wesley Barry in his latest starring vehicle, Gus Edwards' "School Days," which came to the Dominion Theatre this week, gave a good example of how to extract humor out of a given situation. In other words, the filming of a picture, especially a comedy, it is necessary to fabricate mirth provoking situations right on the spot.

The scene that was being filmed was a classroom. About two dozen boys and girls were paying strict attention to the teacher, says Wesley, who was cutting up all sorts of pranks. Suddenly the teacher discovered the freckle-faced youngster and called:

"Stop that nonsense! Stand up and recite 'The Village Blacksmith.'"

The boy stood up and, after a tense moment, said: "Under the spreading blacksmith tree, the village, chestnut stands—"

"Wesley!" interrupted the teacher. "I am ashamed of you. Go to the blackboard and write 'I'm a fool twenty times.'"

Wesley struggled to the blackboard, and much to the edification of the director, ingeniously wrote "Teacher is a fool twenty times."

ROYAL VICTORIA

Sidney Franklin, who, though still in his twenties, takes his place in the first-rank-of-the-motion picture directors of to-day, has signed a new

contract with Joseph M. Schenck to alternate as director for Norma and Constance Talmadge. Mr. Franklin recently finished directing Norma Talmadge in her new First National picture, "Smilin' Through," the most ambitious undertaking of her career to date, adapted from Allen Langdon Martin's play of the same name, which will be shown at the Royal Victoria Theatre again to-day.

Mr. Franklin left New York for the Pacific Coast to direct Constance Talmadge, who had already preceded him to Hollywood, in an original story by Edgar Selwyn, temporarily titled "The Divorcee." Frances Marion was loaned by Mary Pickford to write the comedy.

Norma Talmadge also went to California to visit her sister Natalie, now Mrs. Buster Keaton, and to make a picture there.

Mr. Franklin formerly directed several productions for Norma Talmadge, including such successes as "The Safety Curtain," "Her Only Way," "The Heart of Wexona," "The Probation Wife," and "The Forbidden City." But the Edgar Selwyn story marks the first time he has been affiliated with Constance Talmadge. It is interesting to note that with this first Franklin picture for Constance her future stories will all be more dramatic in type. Constance says she is tired of being stamped as a "light comedienne," she can do more serious work and she intends to "show the world."

FRECKLES

Now is the Time to Get Rid of These Ugly Spots

There's no longer the slightest need of feeling ashamed of your freckles, as Othine—double strength—is guaranteed to remove these homely spots.

Simply get an ounce of Othine—double strength—from any druggist and apply a little of it at night and morning, and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful clear complexion.

Be sure to ask for the double strength Othine, as this is the only guarantee of money back if it fails to remove freckles.

FAUCE "JANE" AT LITTLE THEATRE

The Little Theatre, Oak Bay, promises to do record business all next week when a talented company from the Victoria Dramatic and Operatic Society stage the successful three-act farce "Jane." Theatre-goers will recollect that when the society played this laughy producer on a former occasion at the Princess Theatre, seats were at a premium, and judging by the bookings for the week starting Monday, those who do not book immediately may be disappointed. The society is to be commended for producing this side-splitting farce at popular prices, and a visit to the Little Theatre is guaranteed to act like a tonic. Miss Eva Hart, the favorite actress, has a delightful part as "Jane," being full of piquant humor and her study of this important role is a brilliant gem. Mr. Reginald Hincks as William, the harassed butler, is responsible for a large amount of the humor of the play and in his capable hands not a single line is missed in actor or pantomime facial expressions. Major Prideaux as Charley Shackleton, has a part almost made for him, and Charley's predicaments when attempting to extricate himself from the complications he gets into, would make a cat laugh. Special scenery has been built for this production which promises to be one of the most finished performances, down to the smallest part, ever produced by the society. Seats are on sale at Kent's Music Store, Government Street. Tuesday will be society night under distinguished patronage, and Wednesday night is club night, when the members will be out in force. The last rehearsal ran as smoothly as it the play had been before the public for weeks.

"ROBINSON CRUSOE" AT DOMINION

If ever a popular song met an odd revival that was the fate of "Where Did Robinson Crusoe Go With Play on Saturday Night?" It was sung by the full chorus, Crusoe, Friday and the rest of the gang, as an accompaniment to their brave buccaneering in the Universal serial based on the Daniel Defoe tale. Maybe they didn't buccanier, but what ever they did, Harry Myers, Noble Johnson, Gertrude Olmstead, Josef Swickard, Emmett King, Percy Pembroke, Gertrude Claire and the other players in the Universal serial, "The Adventures of Robinson Crusoe," portrayed for the camera to the hilt of the one popular tune. The serial, running at the Dominion Theatre.

"BEYOND THE ROCKS" COMING TO CAPITOL

Gloria Swanson, Paramount star, can't swim a stroke!

That didn't deter her, however, when it became necessary for scenes in "Beyond the Rocks," her latest starring vehicle, showing at the Capitol Theatre next week, from plunging into the ocean near Catalina Island, out of her own boat and then keeping up to the best of her ability until rescued by Rudolph Valentino, who plays the leading man's role.

"I never knew it was so hard to deliberately fall out of a boat into the water until I tried to do it in a natural way," observed the star, after the perilous scenes had been secured. "One of my oars accidentally slipped out of the oar-lock, however, and that gave me the idea. By pulling hard on one oar and then setting it slip out, and throwing myself to one side, I would seem naturally to fall right over the side of the tipping boat into the water."

"The camera started and gathering all my courage, I splashed over the side into the water. When I got my head above water, I saw the star, and soon Mr. Valentino had reached me. At first I ducked him in my struggles, but finally I got my senses together and calmed down a little. Then the pulled me into a boat. We were in the water about twenty minutes altogether and after the scenes, I was sick for a little while, due to having swallowed the salt water."

Although Miss Swanson was formerly heralded as a Mack Bennett bathing girl, she has never learned to swim.

SHRINERS ARRIVE ON WAY TO BIG ANNUAL MEETING

First of Thousands on Way to 'Frisco Welcomed in Victoria

The advance guard of thousands who will pass through the City on their way to their annual meeting in San Francisco, large numbers of Shriners arrived here yesterday, and were welcomed by local members of their order. To-day and to-morrow C. P. R. boats will be packed with the red-fezéd visitors who will pause here only long enough to see the sights of the City.

The largest group of Shriners to arrive here yesterday was the delegation from Dallas, Texas, members of Hells Shrine.

The Hells men wore business suits of a light material, but of the same shade and cut and so a uniform appearance was presented when on parade. They are all very proud of the "Lone Star State," and seized the opportunity of their visit to say a few kind words about their native city, its prospects and its achievements.

The visitors from Dallas were driven about the City by local Shriners and given an official welcome at the Empress Hotel.

The Shriners of Columbus, Ohio, will arrive here this afternoon and spend a few hours here. They will return to Vancouver before proceeding South to the United States. About 500 members of Aladdin Shrine, Columbus, are expected. The Columbus Nobles will bring their band, and will give an open-air concert in front of the Empress Hotel.

Just to let the countryside know that Hells Temple is on the map, they brought along Owain K. King, who, as "Uncle Jake," is known throughout the entire southeastern United States.

When not being an apostle of the obvious in telling people just what a fine crowd the Hells men and women are, Mr. King is news editor of The Dallas Journal, a leading paper in his section of the United States. For many years Mr. King was European representative of the New York Herald. In spite of his apparent youth he has acted as official scorer for world's baseball series for many years.

Decorated Cars.

The shrine train pulled into Vancouver yesterday decorated with bunting and festooned with electric lights. On the front of the engine was an almost life-size effigy of Mr. Cave, dressed as a baby, but sporting the shrine fez.

The whole party is loud in its praise for Canada. They state that on their return they will become unofficial, but far from silent boosters for this country.

In Two Trains.

The party travelled in two luxurious trains over the Canadian Pacific Railway. Each of the cars had everything for the comfort and entertainment of the guests. In a corner of the compartment-observation car stood a gramophone, with piles of the latest dance records. Close by was a complete radiophone receiving outfit with a power amplifier and loud-speaking horn. By this means the nobles have been entertained on their long trip across a quarter of the globe. Each night the latest news

For Style and Comfort

FLEET FOOT shoes changed the summer footwear habits of Canada and gave everybody the opportunity of wearing cool, comfortable, summer shoes.

FLEET FOOT revolutionized business for the retail stores, too, because these shoes created new business for the merchants during the dull season of the year. Now, you see FLEET FOOT, wherever you go.

Children, of course, delight in the foot freedom of FLEET FOOT.

The younger set appreciate FLEET FOOT because Fleet Foot styles are smart.

The tired business man and busy housewife, as they change to FLEET FOOT when work is over, enjoy the foot comfort of childhood days, and rest in unalloyed pleasure.

Ask YOUR dealer to show you some of the many new and attractive styles in FLEET FOOT shoes. Try FLEET FOOT this summer and see how much better you feel.

You will recognise the genuine by the name "FLEET FOOT" on every shoe. Look for the name.

FLEET FOOT

is a Dominion Rubber System Product

and the best of music have been available for them.

Hells Temple boasts the youngest potentate of any shrine temple in America. This is Harrison B. Cave, who at thirty-seven is the head of his temple, and who accompanied the

Shriners to Vancouver. Al Reed, chief Rabbi of Hells, and a "pep-timist" of note, is also with the party.

"Ah! To think there was a time when I rode in my own carriage!" remarked the tramp as he told his tale of woe to the kind-looking woman. "You poor man! What a come-down! And pray how long ago was that?" she asked, handing him a coin. Pocketing the coin, he replied, as he walked off, "Just forty years ago, ma'am. I was a baby then."

How Ironized Yeast Clears the Skin

Is your complexion blemished with pimples, blackheads, blotches or other embarrassing skin defects? If so, here is a test which will certainly astonish you. Simply mail coupon below for the Famous Three Day Free Trial Treatment of IRONIZED YEAST. Take these pleasant-tasting tablets—two with each meal. Then watch the results!

Note the Quick Improvement!

See how quickly pimples, blackheads, etc., begin to disappear—how your skin suddenly takes on a new freshness and charm. Note how paleness gradually gives way to the healthy glowing color of youth. See how your appetite increases. Note how "that tired feeling" disappears, and how your figure fills out with new firm flesh. Indeed, many thin folks report gaining five pounds and more on the very first package of IRONIZED YEAST.

Never before has any tonic been able to bring such seemingly "miraculous" results. And all because IRONIZED YEAST embodies a remarkable scientific process—a process which enables yeast to bring its wonderful results often in half the usual time!

How the New Process Works

While science admits that yeast is of wonderful value in clearing the skin and building health, it is found that yeast alone is not enough to bring 100 per cent results. For while yeast contains certain vital elements—lacking in diet, yet essential to health—experiments prove that some other agent is needed in order to quickly CONVERT these important yeast elements into new firm tissue, energy and health.

Everyone knows the great value of iron in converting our food into living cells and tissue. So working on this problem, our scientists finally discovered the remarkable process of ironization—the process which enables you to derive from yeast ALL of the wonderful benefits it holds for you.

The TIMES NEWS of SPORT

Kerry is New Head Of P. N. W. Golfers

Seattle Man Elected President — Association Discussed Advisability of "Divorcing" Handicap and Women's Championships — Seattle to Hold Next Tournament

Although there was a long discussion as to the advisability of divorcing the handicap and women's championships from the annual amateur tournament, no definite action was taken at the annual meeting of the Pacific Northwest Amateur Golf Association, held at the Empress Hotel last evening.

The annual tournaments have been growing at such a tremendous pace that they are showing signs of becoming too unwieldy. In order to keep the competition under control some delegates to the association thought that the handicap and women's championships should be passed up. There were others who thought to the contrary, and as a result it was decided to leave the matter in the hands of the revision committee, which consists of three members who will be appointed by the new president within the next few weeks.

No Action This Year
While the arguments in favor of the "divorce" are very strong, it is believed that no action along these lines will be taken until after the next tournament. The growth of the game in the Northwest makes it imperative that some action be taken within the near future.

The meeting was attended by representatives of all the twenty-seven clubs in the association. Biggerstaff Wilson, the retiring president, called the meeting to order and after the election, turned it over to A. S. Kerry, of the Seattle Golf Club, who was the unanimous choice of the association for the presiding genius for the next year.

Frank Sweeney, of Spokane, Wash., was elected vice-president, and John H. Dreher, of Seattle, secretary-treasurer.

Presented With Pictures
During the course of the meeting each delegate was presented with two beautiful framed pictures of the Colwood links. These pictures will receive places of honor in the various clubs of the Northwest.

A very boisterous vote of thanks was passed to the Colwood and Victoria golf clubs for the very splendid hospitality which had been accorded the visitors during the tournament. Everything had passed off extremely well, officials and everyone was delighted with everything.

Seattle will be the scene of the 1923 tournament, to be held at the Colwood Club as host to the golfers of the Northwest.

TO ENCOURAGE ALL KINDS OF SWIMMERS

V. A. S. C. Draws Up Programme for Summer; Every Kind of Event Is Down

A crowded meeting was held last evening at the Victoria Amateur Swimming Club at the Gorge to consider the swimming programme for the coming season. An elaborate programme was arranged, one which will keep the enthusiasm going all the summer and, furthermore, one which will give all classes of swimmers a chance in the competitions.

Handicaps have always proved a success with the club, so this year every Thursday evening from now until August 31 will be devoted to handicap events. These will be divided into two classes, one for the expert speed swimmers and the other for the beginners and those who are yet developing. Points will be given for each race and entrants in both classes will have an equal opportunity to win the handicap cup which has been donated to the club by John Wenger for the leader in points played every Tuesday evening.

Club championships have also been inaugurated. Four events have been decided on, from the 50 yards to the 880 yards. Points will be allotted separately for these championships, and the leader in points in these events will win the honor of being the swimming champion of the V.A.S.C. To further encourage "stunt" swimming and general proficiency, a club proficiency test has been decided on. The test will be held on a Saturday afternoon, the date to be determined. This test will consist of swimming several different strokes, plunge for distance, diving, floating and optional stunts. The nature of the nature of a speed test, but points will be given for the style and proficiency of the swimmer.

Water polo is coming to the fore this season. Teams have been picked for a club league, and games will be held until the end of August. Captain George Silburn has his hands full now accepting entries for the various events while Polo Captain Jock McNeill is busy arranging the teams for the water polo league.

The swimming programme for the season is as follows:
June 8, 50 yards handicap.
June 15, 100 yards handicap.
June 22, 150 yards breast stroke handicap.
June 29, 50 yards handicap.
July 6, 100 yards back stroke handicap.
July 13, 150 yards club championship.
July 20, 50 yards back legs only, followed by 400 yards club championship.
July 27, 100 yards handicap.
August 3, 50 yards handicap, followed by 880 yards club handicap.
August 10, 100 yards handicap.
August 17, 50 yards handicap.
August 24, 100 yards handicap.
August 31, 50 yards handicap.

FOURTEEN FOREIGN ENTRES AT HENLEY

Norwegians, Swiss, Belgians and French to Row for Grand Challenge Cup

London, June 8.—(Canadian Press Cable.) Fourteen foreign entries have been received for the Grand Challenge Cup at the Royal Henley Regatta, namely, the Christiania Rokklub of Norway; the Grasshoppers Club of Switzerland; the Club of Belgium; and the Marine Club of France; thus equalling the record of 1914.

The Ghent Club, whose re-appearance is welcomed, competed for the Grand Challenge Cup seven times between 1900 and 1911, winning the trophy in 1906-7. The Christiania Club won the Thames Cup in 1921 with a young and powerful crew and the experience gained then should be valuable for the Norwegians in the more important event in which they will meet much stronger English crews. France sends an eight-oared crew for the second time the previous occasion being in 1922, when the Societe Nautique Base Swiss was defeated by the Thames Rowing Club in the preliminary heat.

KOLEHMAINEN SETS NEW DISTANCE MARK

Helsingfors, Finland, June 8.—Hannes Kolehmainen, the noted Finnish runner, winner of the Olympic marathon in the 1920 games, is reported to have beaten the world's running record for 25 kilometres, making the distance in 1 hour 25-minutes 43 seconds.

The record for 25 kilometres is 1 hour 26 minutes 23.3 seconds, made by Kolehmainen in Finland in October, 1920.

AMATEURS AT LAST PLAY A GOOD GAME

Elks Defeated Eagles and Secured Cinch on First Place; Forbes Went Well

At last a real ball game. The officials of the league had a hunch that this was coming, but not being of the "I told you so" type they didn't want to talk too loud. At the same time they don't want to let their enthusiasm get the best of them by claiming that it was the best game the amateurs ever played, far be it from such, but compared to previous games played this season it was regular league stuff, and all the fans went home satisfied that they had seen a good game.

Too many errors and wild heaves still take the interest out of the amateur games, and if the boys only play a little it will help matters considerably. The old bird with the slippery fingers is not popping up quite so frequently, but here's hoping he hasn't got a season ticket.

ELKS ARE FIRST

On the strength of their victory, the Elks now have a toe hold on first place in the league. After this Forbes in direct line to tie up with the C. P. R. In last place should the railroaders come out victorious when they meet the Elks on Saturday afternoon. Lorimer selected Forbes to do the twirling for the Elks and Norm clearly demonstrated that he has returned to the form that made him the league's leading pitcher last season. He held the Elks' wrecking crew to six lonely innings and kept them so well scattered that he was in no danger at any time. He was inclined to be a little more liberal, however, and a couple of free passes combined with a hit, a wild peg and a dropped fly gave the Eagles their four runs in the eighth inning. After this Forbes settled down again and Potts' crew were retired in short order.

SWATERS AGAIN ACTIVE IN MAJORS

Heavy Hitting in Yesterday's Games; Giants Raise Pennant; Cards Slip

New York, June 8.—Home run bats that have been in temporary retirement in the major league races appeared to-day to be ready for another slugging skirmish. Home runs played a prominent part in six of the eight games yesterday, although the principal slugger—Williams, Hornsby, Miller, Ruth—failed to figure in the melee.

Bigbee, Tierney and Gooch, of Pittsburgh, put enough wallops out of the players to beat the Phillies, while Morrison pitched good ball. The Giants raised the National League pennant and then beat Chicago, 4 to 1. Snyder's homer helped to decide the battle.

The other leading National League contenders fell by the wayside, losing fielding and Vance's ineffectiveness costing Brooklyn a six-to-two decision to Cincinnati, while Miller's pitching and Gowdy's batting helped the Boston Braves take their sixth successive victory and third game in as many days from St. Louis. The Yankees bunched their hits to better advantage and made it two in a row, 9 to 7, from the White Sox. Brock and his seventh straight and Babe Ruth collected two hits and two walks. Falk made his seventh home run.

ST. LOUIS LOST SOME GROUND IN THE SOUTH

St. Louis lost some ground in the south by losing to Boston, 7 to 3, home runs by McManus and Menosky featuring the game. Brower's double gave Washington a 3 to 2 victory over Cleveland in 11 innings, and while Elmske scattered the Athletics' nine hits, the Tigers bunched their half dozen and won six to two.

KIRKWOOD DENIES REPORTS THAT HE WILL LIVE IN U.S.

London, June 8.—Joe Kirkwood, the Australian open golf champion, in a statement to the Associated Press yesterday afternoon, emphatically denied a dispatch from Sydney, Australia, published in a London newspaper yesterday, to the effect that he would be leaving for the United States to play with a golf club in the United States. Kirkwood said that after the present Thousand Guineas golf tournament at Glen Eagles, Scotland, was over, he expected to go on a world tour and then return to Australia, after which he had no plans.

Test Will Reach the Semi-Finals Friday

Bon Stein, of Seattle, Eliminates Jack Neville; All British Columbia Men Eliminated From Pacific Northwest Amateur Championship Contest.

Players from Seattle, Portland and Salt Lake are left to test their driving strength and putting ability in the remaining rounds of the Pacific Northwest amateur golf championship at the Colwood links.

California's sole hope, Jack Neville, and the two British Columbians, Yellowlegs and Vaughan, of Vancouver, all fell by the wayside in the second round yesterday. Neville was fancied in many quarters as one of the finalists but he found Bon Stein, of Seattle, his master.

In point of numerical strength Seattle has the advantage. Four of its players, Smith, Speirs, Stell and Flaeger survived the second round, while Portland had three, Watson, Wilhelm and Smith. The other player still in the running is none other than the redoubtable Von Elm, present champion. He is the only golfer from Salt Lake.

Numerical strength means a great deal in some games, but most of the golf enthusiasts who are following the play at Colwood would be willing to take the one chance on Von Elm for the remaining seven. The champion of Portland, to the thirty-third hole, defeated Hutchinson by one hole.

Yellowlegs tried hard. He took up the most gallant fight of the day. He carried H. Smith, of Portland, to the thirty-ninth hole before admitting defeat. Von Elm registered the easiest win of the tournament when he defeated Westlake by 12 and 11. Westlake played sound golf over the first nine holes, but fell away badly from then on.

HUTCHISON, LAST OF AMERICANS, LOSES

Glenegies, Scotland, June 8.—Match play began to-day in the Thousand Guineas golf tournament. Hutchinson, the only remaining United States representative, who holds the British open championship, was eliminated by A. G. Havers, of England. He defeated Hutchinson by one hole.

J. P. Fell beat H. F. Luhman, 2 and 1.

LADIES' CHAMPIONSHIP.

Plenty of interest is being taken in the ladies' championship and according to reports the favorites are finding plenty of backing. Mrs. Hutchinson, of Winnipeg, and Miss Kavanaugh, of California, are two idols of the galleries. They are playing to-day and one or the other must pass out of the competition.

Victoria has but one player left in the play. Miss Mars and Mrs. Parry were both eliminated yesterday.
Mrs. Philbrick was the only

LUCK HELPS BROAD STREET TO STAY UP

Broad Street still leads the Wednesday Cricket League as a result of its win over the Garrison at Beacon Hill yesterday afternoon. They won out by two runs in a very close finish.

Broad Street can thank the sportsman-like play of the Garrison for their record from being broken. The Tommies went in to bat first and hit freely for 132. Broad Street had lost ten wickets for 53 runs when Cowan when trying to step away from the ball when it took a nasty jump, was rendered unconscious and painfully injured. Cowan was unable to continue but the Garrison showed the sportsmanship and allowed a substitute to be used. It was the break of the game and the substitute began to put on runs with a vengeance until the Garrison's total was passed.
Wellers scored a win over the Five's, winning by 55-60. Askey, of Wellers, and Henkey, of the Five's, each applied a 37 to the scoreboard.
St. Aidans Win Easily.
St. Aidans had very little trouble in disposing of Spencers. The losers total only 53. Sparks put on enough runs by himself to win the game, retiring with a 57.
The scores were as follows:
Broad Street..... 124
Garrison..... 11
St. Aidans..... 55
Spencers..... 53
Wellers..... 114
Five's..... 60
Askey..... 37
Henkey..... 37
Sparks..... 57
Extras..... 9
Total..... 122

WIRELESS CHESS IS LATEST; PASSENGER LOSES TO CHAMPION

New York, June 8.—Edward Locker, the American amateur chess champion, now in Chicago, yesterday won a chess match from E. T. Gundlach, a passenger on the President Taft, eastbound for Plymouth, England. The game which was played by wireless, was won on Lasker's fourth move, was umpired by a local expert in the offices of the United States line here where the moves of the two players were received.

SUDDINGTON WILL MEET HOLLIDAY

Headliner Arranged for Opening Boxing Bout at Arena on June 16

Battling Jack Suddington, a well-known Canadian lightweight, who recently made a clean-up in Australian rings, and Len Holliday, a prominent Vancouver brawler, will appear in the main bout of the opening show to be held at the Arena on Friday, June 16.

Jack Allen, who is promoting the bout, has drawn up his card, and from the calibre of the fighters it looks as though the fans will see plenty of action.

Suddington has a number of important victories to his credit. He lost to Lew Edwards on a foul and drew with Ned Fitzgerald, who is now cutting a swath in New York.

Holliday claimed the lightweight championship of Canada and has a long string of victories.

They will box for two rounds. Four other bouts will be arranged.

FLOODS MAY SWAMP BUREAU, BUT SUMAS TESTED SECURE

Water-level of the Fraser River has risen four inches higher than it was yesterday, according to the latest reports at noon today at the Parliament Buildings. This makes the level 20.7 inches above normal high water.

The Hon. E. D. Barrow, Minister of Agriculture, and Col. Davies, chairman of the Land Settlement Board, are busy along the banks of the river superintending the fight against the rising water level, but up by the Government forces.

Chief fear is for the situation at Nicomen Island, where farms may be swamped if the water goes much higher. Sumas is considered safe, the only fear there being that the dykes are new and have not settled and are untested.

"No trouble at all," is the latest report from Sumas today.

Much cooler weather was reported today in the Cariboo. This means that not so much snow will be melted and the river will not be so swollen. This will not be noticeable in the Fraser River for two days at least, but that long for the water to get down from the higher levels.

TOO LATE TO CLASSIFY

Cuppiger, of Vancouver, Provincial Secretary of the Association, will preside at the meeting on work accomplished by women since the suffrage was won. There will also be a musical programme.

purely advisory, with specially equipped officers to carry out the administration.

TO-DAY'S TRADING IN WINNIPEG MARKETS

Winnipeg, June 8.—Both future and cash markets were dull this morning, although a slight improvement in business was reported as to be going on in the wheat futures. This being largely spreading with Chicago. The volume of business in the wheat futures was not large, and while seaboard advices showed an improved buying interest, they were not sufficient to move their bids very much.

After opening at 1 cent lower, July and October were very steady, spreading only 1 cent during the entire session. The opening price for the wheat futures was 11 1/2 cents for July, 11 1/2 for October, and 11 1/2 for December. An advance of 1/2 cent for the wheat futures was reported in Chicago, but this was not reflected in the Winnipeg market.

In the cash market there was a good demand for higher grades of wheat, and a few sales were made at 11 1/2 cents for No. 1 hard, 11 1/2 for No. 2 hard, and 11 1/2 for No. 3 hard. The lower grades were not in demand. There was little or no change in the cash rates. Inspections totalled 192 cars, of which 103 were contract wheat.

Manson Appeals to the Prairies to Help B. C. Cope With the Oriental

British Columbia Will Not "Sacrifice Itself on Altar of Imperial Relations" In Protecting Itself From Yellow Influx, He Warns; Proposes Longer Term For Municipal Councils; Urges Municipalities to Co-operate More With Government; Has New Inter-Municipal Unemployment Relief Scheme For Next Winter.

In seeking to protect itself from Oriental domination the people of British Columbia do not intend to "sacrifice themselves upon the altar of imperial relations," Attorney General Manson told the Council of Western Canadian Municipals yesterday afternoon.

"The Oriental problem is a menace of the worst possible type for the white social life of British Columbia and unless the other provinces, the provinces of the Prairies, realize their duty as part of the Dominion of Canada we are going to have a very serious situation indeed," Mr. Manson declared. "We have said that we don't intend to sacrifice ourselves on the altar of imperial relations in this connection. We don't and we won't. That, perhaps is my personal view but I speak as a Minister of the Crown. It is a grave situation when you find the Oriental in our schools, on our lands, as the leader or permanent holder of our lands.

"The Oriental is to-day a very serious factor both in the labor and mercantile life of British Columbia. He is to-day opening up his stores on the main streets of our cities—which he didn't do ten years ago—and under names which you could not recognize as Oriental.

"To you men from the Prairies I say help us to solve this problem. Help us to solve our unemployment situation, which will be much less serious if we can eliminate the Oriental permanently as a labor factor in our communities."

Asks Co-operation.
Mr. Manson uttered a strong plea to the municipalities of British Columbia and other western provinces to stop bickering and get together

cialities, Mr. Manson observed. The reason why provincial governments often handed matters over to municipal authorities, he declared, was that they were absolutely overburdened with responsibilities. And the British Columbia Government, he added, on account of the geographical condition of the Province, was faced with much more serious difficulties than the governments of the Prairie provinces. One of the results of these difficulties was constant bickering between the provincial government and the municipalities.

"I don't think that is necessary," he went on. "If we went on the assumption that both the government and the municipal authorities were placed in office only for the good of the people and that they have common interests there would be no necessity for strife between them. There is no occasion for that strife."

Office Term Too Short.
"Democracy has many weaknesses," Mr. Manson remarked as he went on to point to some of the defects of municipal government. "We must remember," he said, "that the life of municipal governments is short. Indeed, I have spoken to the Municipal Inspector on the question of whether the term of municipal office should be increased to bring about greater continuity in municipal government. Again, in many municipalities whom do you find in authority in the councils? You find men there of shallow experience, frequently self-seekers who perhaps want the petty returns paid to their office. Our best men will not serve. Isn't that true? We have appealed time and time again to our business men to take an interest in municipal affairs. But always the answer comes back 'I'm too busy, let someone else do it'."

Need for Experience.
"The inducement is not sufficient, in honor or in money. You have to fight constantly against material which would weaken a municipal council. The short term of municipal office encourages inexperienced men and results in poor government. A man needs experience to run a municipality. Then again, as in all public life, men once in the game strive to stay in and often cater to a certain class for votes. And, holding office for such a short term, the next election day looms very large in the minds of the council members. This leads to bad government, just as it does in the Federal and Provincial field. And the shorter the term of office the stronger that factor is and the poorer government you get. You might consider this question."

Uniform Legislation.
Mr. Manson went on to urge more uniformity in the legislation of western provinces. At the same time, he warned against making uniformity a fetish. Uniformity in legislation, he urged, must be based upon fundamental similarity of conditions in the various western provinces. The necessity of a two-year term for municipal councils, he thought, was a subject upon which uniformity of legislation in the western provinces was desirable.

Need Best Men.
"Then you need to get the best men in your councils," the Attorney-General proceeded. "That raises the question of salaries. Experience in that connection should, I think, be the same in all the western provinces. And I would be very glad to have advice from inter-provincial representatives on that question. You might also consider co-operation in the question of the division of taxation between the provincial government, the municipalities and the cities. In British Columbia we are at daggers drawn in this matter. There may well be some general principals on this subject which we could well lay down. But I warn you to approach taxation questions with the utmost caution. It is easy to impose taxation but you must remember who is going to pay it. All you can do is to get to general principles and lay down some guiding lines. I remember that, as a private member, I urged the Government, in considering taxation, to get the best men it could and let them go into it. Perhaps my advice was not accepted, I am not so sure that our system of taxation in this Province is perfect. In fact, if I said anything about it, I would say it was most imperfect."

Unemployment Mistakes.
Turning to unemployment Mr. Manson declared that British Columbia had made a mistake in its unemployment relief plans when it had started to handle unemployment on the "municipal unit basis," or upon the principle of "each municipality for itself. In the case of cities surrounded by a number of municipalities unemployed men wandered from place to place to find where they could get the most for nothing, he explained.

"I intend and hope this Summer to work out some system whereby our municipalities shall have an inter-municipal relief supervision board which will try to establish uniformity in relief measures and decide what is best to be done," he said.

Favors Longer Term.
A short discussion of the Attorney-General's address followed, the President pointing out that the millage of municipalities was often unnecessarily increased by indirect taxation, which was irrevocably imposed by the governments. He thought that if the governments would ask for a set rate it would be better. He, too, favored a longer term for aldermen and councillors, as did several other speakers.

Urges Standing Committee.
President Freeman suggested in addition that the government collect all taxes and give the municipalities their fair proportion.

Jack Loutet moved a vote of thanks to Hon. Mr. Manson, saying that whereas there had been differences between former attorneys-general and the municipalities, he felt that all were prepared to start afresh and co-operate with the present minister in attempting to solve taxation problems. He said the greatest complaint of the municipalities was that they had to bow to the dictation of the Government, when it decreed that certain things must be done in a certain way and then the municipal authorities were forced to raise the necessary money. This applied particularly to the school question.

Urges Standing Committee.
Mr. Loutet also suggested that some competent authority be appointed by the Government to act upon the standing Municipal Committee and the Private Bills Committee, so that there would not be so much difficulty in getting the problems of the municipalities before the Government.

S. R. Henderson, of Winnipeg, seconded the vote of thanks, and urged that the inter-provincial municipalities get closer together, to the benefit of all.

A protracted discussion arose over the question of indigents and the responsibility for them. Finally a

RESPONDENT MUST COMPLETE PURCHASE

County Court Ruling at Vancouver Reversed by Decision of Court of Appeal

At the close of the hearing of Fraser versus the Grant Motor Company, and McGregor, Johnston and Thomas (appellants) in the Appeal Court yesterday afternoon, the appeal was allowed by an unanimous decision of the Court.

The appeal was taken from an order of Judge Cayley in the County Court at Vancouver, nullifying an agreement of sale of a Kelly motor truck between the defendant and plaintiff respectively. This agreement with some thirteen promissory notes were later assigned to the appellant company, who brought the appeal. In the County Court judgment too the promissory notes were nullified, on the agreement being upset.

Appearing for the respondent, John Fraser, a resident of Vancouver, yesterday W. D. Gillespie argued that misrepresentation had taken place, and that the appellants in this appeal were parties to the agreement in a like position to the defendant motor company, the assignors.

C. W. Craig, K. C., for the appellants held that misrepresentation, if

any, had been innocent, and that the appellants were not obliged to stand in the position of the assignors in the main action. By allowing the appeal the Court reverses the decision of Judge Cayley, and the respondent Fraser becomes liable again for the amount due on the promissory notes.

the balance of the purchase price of the truck.
