AGREEMENT ACCEPTED.

Result of Voting Among Miners Employed by the Crow's Nest Pass Coal Company.

Fernie, May 23.—The final vote of the miners on the settlement offered by the Crow's Nest Pass Coal Company was made known to-day.

The settlement was agreed upon before the company and the local executive committee, but the miners refused to ratify it. Some changes have since been made in the agreement and now everyone is satisfied.

The present agreement is to last until March 1st, 1907.

SEALERS PICKED UP.

Three Men From Victoria Schooner Taken Aboard the Halibut Steamer San Juan.

A dispatch to the Times from Nanaimo to-day says: "The halibut steamer San Juan reported this morning that on May 24th she picked up three men in a boat belonging to the sealer San Diego, near Goose Island, north of Queen Charlotte Sound. She towed them ashore to Goose Island. The men hope to rejoin their vessel. Afterwards a schooner was sighted 25 miles south, supposed to be the San Diego."

The San Diego was one of the Victoria sealers which left here for the Cooper Island coast last month.

WILL FORCE TOGO TO ACCEPT BATTLE

Head of Russian Admiralty Says Rojstvensky is Steaming to Fight Japs--Fleet North of the Philippines.

St. Petersburg, May 25.—1.15 p. m.—Admiral Avellan, head of the Russian admiralty department, confirms the Associated Press dispatches, saying Vice-Admiral Rojstvensky is steaming north to give battle to Admiral Togo. He considers it possible that news to the effect that the two fleets have met may be received any day.

Admiral Avellan reaffirms the official denial of the report that Admiral Rojstvensky has broken down and asked to be released. Avellan says Rojstvensky sent detailed reports of the condition of his own health and of the health of the crews of his ships. "The constant tension and hard work of the past months have been a great strain on the admiral's health. Even before he left, said Avellan, Rojstvensky was a sufferer from kidney trouble, but his health is no worse. Admiral Voelkeram, in command of a squadron of the Russian fleet, has suffered from the long stay in the tropics.

The appointment of Vice-Admiral Skrydloff at Vladivostok will in no way affect Rojstvensky's status. His mission as chief of the fleet is to take it to Vladivostok. There will be no antagonism when he gets there.

"Do you anticipate a sea fight soon?" the admiral was asked.

He replied: "Certainly. The Japanese cannot afford to allow Rojstvensky to reach Vladivostok without an engagement. I personally expect it will take place in the near future, though I admit the admiralty knows nothing of Rojstvensky's strategy or plans, the Emperor having accorded him complete freedom of action."

In response to a suggestion that Togo might intentionally allow Rojstvensky to get to Vladivostok, containing his torpedo boat attack, while the Russians are on the way, and then try to bottle Rojstvensky up in Vladivostok, Admiral Avellan smiled, and said the story of Port Arthur will not be repeated. Rojstvensky will try to wrest the mastery of the sea from Togo. There are many ways of compelling Togo to accept battle. Rojstvensky will only have to bombard one of the coast cities to force Togo to appear in defence.

Admiral Avellan repudiated the report that a number of chartered colliers sent to Vladivostok were captured by the Japanese owing to the connivance of their captains, who arranged to receive half the price of the cargoes for betraying their route and time of departure. The admiral explains that the colliers were lost through delay in the receipt of orders telegraphed to them by the admiralty to go to Vladivostok by way of Laperouse Straits, instead of through the Straits of Korea. Two of these vessels which passed through Laperouse Straits arrived safely at Vladivostok.

A private letter from the commander of one of Rojstvensky's torpedo boat destroyers, mailed at Saigon, describes the fleet's passage of the Indian Ocean.

The writer says the hard work fell on the light cruisers and torpedo boat destroyers under Vice-Admiral Enquist, which were constantly scouting ahead and commencing the approach of vessels. Considerable difficulty was experienced at times in coaling from the transports at sea, especially in the case of the torpedo boat destroyers.

The officer adds that after the long voyage they were looking forward with relief to the coming battle. He says his torpedo boat destroyer was re-provisioned at Saigon.

the Nevski Prospect were almost mobbed by the people in their eagerness to learn the details.

MORE THAN FIFTY VESSELS WERE SIGHTED.

Manila, May 25.—Official advices have been received from Vigan that on May 20th over fifty war vessels were sighted off the east coast of the Batan Islands, sailing in a northerly direction. It is supposed that the vessels were Russian.

STEAMER STOPPED BY RUSSIAN WARSHIP.

Nagasaki, May 25.—The captain of the steamer Oscar II, reports that on May 19th, at 9 a. m., he was stopped in the Batan Straits by a Russian warship. In the vicinity he saw 14 converted cruisers and six torpedo boat destroyers.

VOLUNTEER CRUISE AT MOUTH OF THE YANGTSE.

Shanghai, May 25.—It is creditably reported that five volunteer cruisers of the Russian fleet, accompanied by three colliers and one Russian cruiser, arrived at the mouth of the Yangtze river this afternoon. Later the cruiser departed, and three of the volunteers came to Woosung to-night.

DEMONSTRATIONS BY JAPANESE TROOPS.

Harbin, May 16.—(Presumably held up by the censor).—There is immediate promise of the most important events since the Russian retreat from Mukden. The Japanese, who are preceded by Chinese bandits in their employ, are making a series of demonstrations along the trade route north of Pakoman.

The Russians are finding great difficulty in constructing trenches and other defence works owing to the lateness of the spring.

CORRESPONDENT HAS TROUBLE WITH OFFICIALS.

Tsingtau, May 25.—The steamer Cecile, belonging to Baron Kreigelstein, arrived last night from Hongkong, having had trouble with the Hongkong harbor officers. The Cecile was formerly the coasting steamer Wuchang, and was purchased by Baron Kreigelstein, superintendent of the Lokai, Anseignor, of Berlin, who placed it under French colors, and sailed with the intention of witnessing the expected battle between the Russian and Japanese fleets.

MANY WOUNDED.

Jewish Disorders at Warsaw—Fourteen of Injured Reported to Be Dying.

Warsaw, May 25.—The Jewish disorders here last night arose from an attempt of the Jewish Socialist organization, called the Bund, to purge the Hebrew district of Warsaw of all disruptive people. The Bundists, with the view of expelling their undesirable co-religionists, commenced to wreck disorderly houses, safes and other resorts. The fighting spread to the surrounding streets, continued until midnight and recommenced this morning. Occasional clashes are still occurring.

The Bundists have been permitted to carry on the work of destruction without any interference on the part of the authorities. Not a single policeman was visible. Occasionally a patrol of gendarmes dispersed the crowds, which, however, were immediately permitted to gather again. There has been considerable bloodshed, and many injured students have been taken to the hospitals. Fourteen of those wounded last night are reported to be dying.

BRAVERY REWARDED.

Medals For German Sailors Who Saved Two Members of Crew of Cruiser.

Berlin, May 25.—Three gold medals, given by President Roosevelt to three German bluejackets who saved the lives of several sailors of the United States ironclad Monadnock in Chinese waters, were transmitted by Ambassador Tower to the foreign office to-day, from which office they will be sent to the marine ministry. The American government inquired two months ago of the German government for medals for this act of heroism, which were received, and their acceptance followed. The medals referred to were awarded to P. Sinkwitz, Hermann Schutt and Albert Schuster, of the German gunboat Verwaerts, for gallant conduct in rescuing from drowning at Shanghai two American sailors, Thos. Nolan, chief water tender, and Jeremiah Quillwater, tender of the crew of the Monadnock.

THE BROOKLYN HANDICAP.

First of This Season's Great Races Will Be Decided To-Day.

(Associated Press.)

New York, May 25.—Favored by beautiful weather and a fast track, the nineteenth Brooklyn handicap will be decided to-day at Gravesend track. It is the first of this season's great handicaps at 1 1/4 miles for three-year-olds and upwards, and is worth \$20,000, of which the winner's share will be \$10,000. Several horses are on the over-night list, and the picking of a favorite will be an exceedingly hard problem. Among horsemen who haunt the training tracks, the race is generally thought to lie between Proper Dainty, Colonial Girl, Gradallo and Lord of the Vale. Unless one of the contestants makes it a runaway dash from start to finish a splendid struggle is assured.

The Result.
Gravesend, May 25.—The Brooklyn handicap result: Delhi, 3 to 1 and 8 to 1; first; Ostrik, 4 to 1; second; Gradallo, third. Time, 2:08 2-5.

MORE MEN WANTED FOR POLICE DUTY

MAYOR DUNNE ISSUES CALL TO CITIZENS

Chicago Strike Continues to Spread—Chief O'Neill and Sheriff Barrett Are Increasing Forces

(Associated Press.)

Chicago, May 25.—With the strike spreading each hour in the lumber district and no signs of peace in sight, affairs in the teamsters' strike assumed a serious aspect to-day.

Unable to meet the demands for police protection, Mayor Dunne issued a call for 1,000 able-bodied citizens to report at Chief O'Neill's office and be sworn in as policemen, to do strike duty.

Sheriff Barrett continued to swear in deputies. The deputies swear in since the beginning of the strike now number 4,000. Armed entries were guarding the various armories located in the city, and the officers expected a call to arms at any moment. Fifty thousand rounds of ammunition have been distributed among the four regiments in the city and the naval militia.

Before leaving for Judge Kohlsaat's court, where he was instructed to appear to answer a charge of contempt of court, President Shea conferred with several labor representatives and outlined the plan for the carrying on the strike to-day and to-morrow. Later he remarked ironically: "I have only one conference on to-day. That one is with Judge Kohlsaat."

Referring to the defiance of the court, Mr. Shea said: "I am in contempt of court. They will put me in jail. They may never let me out. If they keep me in jail until I lose my contempt, I don't know how many years I may have to serve. The whole proceeding is worthy of contempt. It was the most outrageous thing in the name of justice I have ever seen anywhere. It did not resemble a court in any way."

ATLANTIC YACHT RACE.

Close Contest Between the Atlantic and Hamburg—American Boat Believed to Be Leading.

(Associated Press.)

New York, May 25.—A two-masted schooner yacht, hull-down to the northward so far away that her identity could not be established, was sighted at 5 o'clock on the afternoon of May 24th about 830 miles east of Sandy Hook lightship by the British steamer Haversham Grange, which arrived to-day from Barry. The exact location of the yacht was latitude 40.24, longitude 55.42.

When sighted by the Haversham Grange she had two gaff topsails of equal height and an immense spinnaker set. The spinnaker had a peculiar square-head with triangular top added. Some time after she came into sight of the steamer a squall swept down upon her and she took in the topsails. They were quickly re-set as soon as the squall passed, however, and with the fair wind which prevailed she continued due east at a great speed.

It is believed from the description given above that the unknown yacht sighted was the German schooner Hamburg, which had not been sighted since May 18th, when the steamer Oneda reported her 132 miles from Sandy Hook and leading the Atlantic, and it was supposed all the others. If it was the Hamburg the race between the German schooner and the probable American leader is very close.

At 7 a. m. on the day this unknown yacht was sighted the Atlantic was reported by the steamer Bremen to be about twenty miles west and an equal distance north of the position of the supposed Hamburg ten hours later. This would give the Atlantic a lead of approximately eight hours over the swift German craft.

Probably the Utowana.

New York, May 25.—The German Lloyd steamer Hecker, which arrived to-day from Naples, reports that at 6 p. m. on May 23rd, in latitude 39.48, longitude 60.42, she passed a three-masted schooner five miles distant the yacht, which Capt. Harrassowitz was quite certain was the Utowana, had all sails set and was making good headway in a light southerly breeze.

WHY THE BILLS WERE DISALLOWED

STATEMENT IN HOUSE BY PREMIER LAURIER

Canadian Troops Going to Halifax—Written for Bye-Election in Lewis.

(Special to the Times.)

Ottawa, May 25.—Sir Wilfrid Laurier stated in the House to-day that the British Columbia bills recently disallowed by the Dominion were similar to the ones previously disallowed. They were disallowed because they were ultra vires and not in accordance with Dominion policy.

Troops for Halifax.

Canada has commenced to garrison Halifax. To-night there will be 174 Canadian troops from Fredericton and 133 from St. John on duty in the citadel at Halifax. To-morrow there will be 45 from Quebec, who have left under the command of Major Piset.

Bye-Election.

The writ for Lewis, Quebec, has been issued. The election will take place on June 13th, the same day as London and North Oxford.

May Have Perished.

Parties are searching the cold waters of Lake Deschens to-day for the remains of Ronald B. Howard, aged 24 years, teller of the Ottawa Bank, in this city. His canoe drifted ashore last night, and as Howard has not been seen since it is feared he is drowned.

BASEBALL AT VANCOUVER.

Two Games Played on Wednesday—Each Team Secured a Victory.

(Special to the Times.)

Vancouver, May 25.—Bellingham and Vancouver baseball teams played twice yesterday and it came very nearly being two straight for the Americans. In the ninth inning of the afternoon game Vancouver managed to pull it out of the fire with a total score of twelve to eleven. The game was an extraordinarily good one considering the score, but there were exhibitions of the town lot variety both morning and afternoon.

By all the rules of the game Vancouver should have been there with a win in the morning. It was five to one at the end of the fourth, and there were two men out in the first half of the fifth before there was anything doing for Bellingham. Then Harmon issued some passes and had the bases full when he made a high throw to first. Fumble came in bunches and Bellingham scored only five runs before the last man was out. The score ended ten to eight.

The score was tied no less than three times during the afternoon game. O'Brien was in the box for Vancouver and Cliff Husted for Bellingham. Husted pitched for the victors after the third inning. O'Brien, who is a recent addition to the Vancouver team, developed a batting streak and with Joe Marshall did the most of the base running.

The fans have been educated by McClosky, and with a few more hours and cowbells would make as much noise as Seattle. Yesterday the din was loud enough to suit any enthusiast in the American game. There were two thousand people present. Husted's umpiring appears to give satisfaction.

COLONIAL CONFERENCE.

Balfour Says Government Will Not Submit Proposals on Subject of Imperial Preference.

(Associated Press.)

London, May 25.—There was a further acrimonious discussion in the House of Commons this afternoon on the riotous scenes in the House on May 22nd, and a recurrence of the disorder at one time seemed imminent owing to Premier Balfour's demand that Sir Henry Campbell-Bannerman, the Liberal leader, guaranteed that there should be no repetition of such "an outrage of decency and fair play" if he granted a renewal of the discussion of proposed vote of censure.

Sir Henry hotly repudiated the responsibility for the disorder, declaring that it was due to Mr. Balfour's departure from the invariable practice of replying immediately when his personal conduct as a minister was impugned. Sir Henry refused the pledge demanded, and after a lively interchange of argument the Liberal leader said he thought the members would not depart from the ordinary procedure, unless provoked by Mr. Balfour.

The Premier said he accepted this "somewhat grudging undertaking," and fixed May 30th for the debate on the vote of censure.

PAPER MANUFACTURER DEAD.

(Associated Press.)

Waterbury, N. Y., May 25.—Andrew Catterton, aged 80 years, a pioneer paper manufacturer, died here to-day. He helped his father erect the first paper machine built in America, and ran of the first sheet of bank note paper ever made on a machine.

SECOND DAY OF THE CELEBRATION

THE BASEBALL AT OAK BAY THIS MORNING

Regatta Is in Progress On The Harbor—Firework at the Gorge This Evening.

(Special to the Times.)

More ideal weather is favoring the celebration to-day, the warm sun making the conditions more congenial for the regatta being held on the harbor. It had been feared that a cloudy day with high wind prevailing would mar this feature of the celebration, giving those who had hoped to have the event held at the Gorge good cause for pressing their claims in this respect another year. But the climatic conditions fortunately are such as to give the present experiment of holding the regatta on the harbor a satisfactory trial.

The steamers on the front are all defaced, and with a lengthy programme of sports in progress there is no reason why the regatta should not prove, as it always has done in the past, one of the strongest attractions of the whole celebration.

It is estimated by transportation people that there are close on three thousand visitors in the city. From the provincial mainland the C. P. R. steamships have carried approximately 1,200, the E. & N. railway has handled about an equal number, while from over the Victoria & Sidney railway and from the surrounding country the others have come.

To-day's sports opened with a baseball match, which started at 10:30, between the Victoria and Everett teams. The Victoria team won, the score being 7 to 3.

At 1 p. m. the regatta commenced, at 3 p. m. the Victoria and Everett baseball players opened another match at the Oak Bay park, and in the evening, commencing at 8 o'clock, there will be further entertainment provided at the Gorge.

It has been arranged that the band concert and pyrotechnic display at the Gorge shall commence at 8 o'clock sharp. In view of the fact that there will be an immense turnout for this event, the public are warned to start early and thus avoid the inevitable rush at the last.

The Electric Railway Company promises to give a complete service. All the cars available will be put on the run, and a through ten-minute service will be provided. From the end of the car line visitors to the Gorge will have an excellent opportunity of taking in the whole exhibition. The fireworks display will take place over the water of the Arm from Curtis Point, so that an excellent view will be obtained from the Gorge bridge and the approaches from each end.

The principal attractions arranged for to-morrow are firemen's sports on Yates street, between Blanchard and Broad streets, commencing at 2 p. m., and baseball at Oak Bay between Victoria and Bellingham.

ANOTHER VICTORY.

Victoria Baseball Team Defeated Everett in an Exciting Match Played This Morning.

The third of the series of Northwestern league matches being played between the Victoria and Everett teams took place this morning at Oak Bay, and was won by the local nine, score 7 runs to 3. It was witnessed by a large crowd of enthusiastic spectators. The features were the dismissal from the field of both Managers Howlett (Victoria) and Hulen (Everett) by Umpire Shock because of their strenuous protests against several close decisions, two pretty double plays by the infield of the home nine, and a beautiful two-base hit by Joseph Galaski in the sixth inning, which netted three runs for Victoria. Some fast work was done by the visitors in the first inning, when they brought in three by means of several neat singles, some stolen bases, and other incidents. But afterwards the Everett batters could not find Galaski's curves except on isolated occasions when single hits could not alter the score.

Almost as soon as play commenced the first incident occurred. Hulen hit a nice one to right field, and Jacobs followed with a neat bunt. Quick as a flash McManus threw the ball to second, and it seemed to reach second baseman Ford's glove simultaneously with the runner, Hulen. Umpire Shock declared the latter safe without hesitation, and George Howlett, Victoria's manager, registered a vigorous protest. He was promptly fined \$5 and sent from the grounds, the match being delayed until his departure. Philbrick took Howlett's position at third, and play started once more. After Hulen had been caught at first base, Heitmueller, the stalwart college player, recently signed on by the Everett management, sent out a good hit. It brought in both Hulen and Jacobs, and the hopes of Victoria fans sank to zero. But this wasn't the worst. Mackay managed to duplicate the performance of Heitmueller, and the latter crossed the plate. Steede retired the side by hitting to shortstop Downing, who forced out Mackay at the second base.

The contest progressed smoothly and without any important incidents until the last of the second, when Victoria came to bat. Downing led, but went out, and Daley followed with a single that placed him safely at the initial base. Shortly after he reached second on a pass ball, and was brought in by Galaski's hard hit to centre. This roused considerable interest.

(Continued on page 8.)

We Handle All Good Family Remedies

No matter what medicine, or drug, or sick room necessity, or toilet requisite, or drug store article of any kind you may desire, we invite you to come here and get it. You will receive courteous attention. You will find us exceedingly anxious to please you in every respect. We are proud of our drug store, and feel that it deserves all the trade which it receives. WATERWAY COMMISSION.

Proposal to Include Obstruction of St. John River in Subjects to Be Considered.

Washington, May 23.—Mr. Oberine, charge d'affaires of the British embassy, called on Secretary Taft to urge the inclusion of the problem in connection with the obstruction of the St. John river between New Brunswick and Maine in the list of subjects to be considered by the deep waterway commission, which will meet here next Thursday. The secretary recently was informed that the authorities of New Brunswick after protesting in vain against the construction of booms and dams in the river by Americans were about to remove these by process of law, acting through the courts. The secretary proposed to Mr. Oberine to have action deferred, Senator Hale promising to do what he could to secure early action at the next session of congress upon a resolution creating an international commission for the settlement of the disputed rights of the United States and New Brunswick.

As to the St. John river, it was supposed that this proposition was acceptable, but it appears the Canadians are not satisfied to allow the river to remain obstructed throughout the summer, and they have had recourse to the British government to express their dissatisfaction. They pointed out that the Canadian side of the international deep waterway commission already has been specifically charged to consider the St. John river obstructions as within their field of work and urged that it is not necessary to create another commission and incur the delay.

When a similar proposition was made Secretary Taft held that while the act of congress creating a joint commission was vague in its terms probably it did not provide for the inclusion of the St. John river problem in the work of the commission. He has promised Mr. Oberine to give this last proposition full consideration, but in view of his departure from the city it is probable he will not render a decision until his return to Washington next week.

Exquisite Complexion QUICKLY ACQUIRED IF THE SYSTEM IS REGULATED BY DR. HAMILTON'S PILLS.

The power of Dr. Hamilton's Pills over the complexion is marvellous. As if by magic all blemishes, humors, and pimples disappear. A clear, ruddy glow is quickly manifest on the cheeks, and looks that delight the eye come. It is by purifying and enriching the blood, and thereby building up the constitution, that Dr. Hamilton's Pills accomplish so much in a short time. "I can heartily recommend Dr. Hamilton's Pills for the complexion," writes Miss E. M. Porter, of Clear View, 10 very pale, murky complexion, and there was no redness or color in my cheeks. But Dr. Hamilton's Pills changed this and my looks have been much improved."

In every case of dull, sallow complexion, wherever the skin is blotchy and rough, Dr. Hamilton's Pills quickly prove their merit. You'll look better, feel better, and enjoy life on the result of which the fortress is isolated.

Insane Russians. Chefoo, May 23.—Forty insane Russian sailors and soldiers from Port Arthur, including a violently insane lieutenant, who was on the Sebastopol during the siege, arrived here to-day and were immediately transferred to the Russian improvised hospital ship Whimpoil, under the British flag, for transportation direct to Odessa. The party is accompanied by a former medical member of Alexief's staff and other officers. The condition of the insane men varied from melancholy to a violent stage.

The officers in charge state that many of these cases are the result of long incarceration of the men in ships during the terrific siege. Some cases are the result of scurvy and others due to nervous strain of the bombardments. All the cases are physical wrecks. The scene was a very pathetic as the chattering imbeciles mounted the decks of the steamer and entered the cages which were between decks.

Further Fighting. St. Petersburg, May 23.—Gen. Linvich, in a dispatch from the front, dated May 21st, announces that the Russian detachment east of the railway on May 18th approached the village of Shalots and was attacked by a considerable force of Japanese from the coal mines south of that place.

Further Fighting. St. Petersburg, May 23.—Gen. Linvich, in a dispatch from the front, dated May 21st, announces that the Russian detachment east of the railway on May 18th approached the village of Shalots and was attacked by a considerable force of Japanese from the coal mines south of that place.

OPENING DAY OF THE CELEBRATION A SUCCESS

Citizens and Visitors Had Plenty of Attractions to Interest and Amuse Them --Results of Athletic Events.

Good weather, a large attendance and a well arranged programme were the chief factors contributing to the success of what was really the opening day of the Victoria Day celebration yesterday. The event so far compares with anything of the kind Victoria has had in the past.

with the cry, "We're with you all the time," was proud of the Garrison Football Club, proud that such a team was possible in Victoria, for the effect of their play would be manifest for years to come.

The programme opened with a military parade, followed by a sham battle in the morning, in which the Sixth Regiment of Vancouver as well as the Fifth Regiment of Victoria participated.

The same ceremony was repeated with the British Columbia Football Association medals, after which "God Save the King" was sung and the concert closed with three cheers for the Garrison, called for by Capt. Goward of the Victoria United Football Club.

The day's events concluded with a carnival on the harbor, citizens and visitors alike voting the initial part of the celebration a complete success.

The regimental parade and sham battle yesterday proved a splendid success. Both the Fifth and Sixth Regiments turned out in large numbers, and their appearance, as they marched through the principal streets to the music of the bands, was everywhere favorably commented upon.

On Tuesday evening there was a concert in the Y. M. C. A. rooms, when medals and cups were presented to victorious football and basketball teams.

The concert and presentation of cups and medals under the auspices of the Vancouver Island Football Association was a most gratifying success, marked by an enthusiasm that augurs well for the future of Association football in this city and province.

This Season's Assortment For Men's clothing for spring reach the level of the custom made in quality, fit, finish and style. That's because we "specialize" in men's clothing. Think a moment and you'll realize that in clothing making as in other industries each manufacturer does some one thing better than he does others. One manufacturer, for example, excels in making spring overcoats, another in men's suits, another in trousers. We take advantage of that fact. Instead of buying all kinds of men's clothing from one maker, we buy from the "specialists." In this way we get results possible in no other way. Our assortments prove it. SPRING OVERCOATS...\$8 to \$14 SPRING SUITS...\$7 to \$18 SPRING TROUSERS...\$2 to \$3 W. G. CAMERON, 55 JOHNSON STREET

THE MAD CHAFFEUR.

The automobilist is now in our midst in earnest and is behaving very much as he is reputed to have done in every city whose streets he has invaded.

One of these flying machines came down Fort street just as the shades of night were falling yesterday evening.

We have not the slightest hesitation in saying that if such reckless imbecility as his now been twice witnessed on Fort street, and is no doubt a common occurrence on other thoroughfares, he not stopped by some means or other, there will be a terrible tragedy to report in the newspapers.

The regulation of the speed of automobiles is one of the most perplexing problems of the day in crowded centres.

There is an automobile club in Victoria. The president ought to call the members together and impress on them the necessity of care and caution in travelling upon the public streets.

We Eat Too Much

We eat too fast, we exercise too little, we overwork our nerves. The stomach and bowels get clogged.

Hunyadi Janos Nature's Laxative Water CURES ALL THESE TROUBLES

ROCKEFELLER NOT SO BAD.

John D. Rockefeller, multi-millionaire, has become the target for so much abuse that we are constrained to consider whether something cannot be said in extenuation of his offence of heaping up such an unnecessary quantity of the world's goods.

We will warrant that Mr. Rockefeller can find Scriptural authority for the diligence with which he has pursued business all the days of his life.

John D. Rockefeller, like his esteemed neighbors the Carnegies and the Fricks and the Morgans, and all the great army of millionaires which is constantly adding to its numbers, is a creature of circumstances.

The Oil King has distanced many of his favored competitors in the race for dollars innumerable simply because his rule and his way were more absolute than was possible in the case of his rivals.

Furthermore, it may be urged in defence of Mr. Rockefeller that while his accumulative faculties and his industrial adroitness are the wonder of the world, it is also true that his ingenuity in utilizing the by-products of oil has been one of the principal factors in his wealth-getting.

And so our opinion is that John D. Rockefeller is, humanly speaking, just an average specimen of the race.

THROTTLING THE TRUSTS.

President Roosevelt, daring and intrepid in all that he undertakes, after remodelling the Isthmian Canal Commission, has instructed that body to procure all the ships and material it may require in the markets of the world at the lowest possible prices.

The reason for this remarkable order of the president is reported to be a discovery that steamers held at the value of fourteen hundred thousand dollars in the United States can be procured in Great Britain at precisely half the figure.

But let it not be supposed that the representatives of the trusts and monopolies are going to sit unopposed and let such unheard-of things come to pass.

Apromos of this question of trusts and combines, their methods of doing business, and their patriotic regard for the welfare of the people amongst whom they operate in their characteristically benevolent style, it will be observed from our telegraphic dispatches that the steel combine says it sells at prices ranging about one-third lower to foreign than to home consumers, because this it is enabled to keep its mills steadily in operation and to cheapen the cost of its products.

CITY NEWS IN BRIEF

At the banquet given to the Hon. Joseph H. Choate by the bench and bar of England upon his recent retirement from the ambassadorship, it is reported that G. H. Mumm & Co.'s was the only champagne served. The banquet was one of the most brilliant and notable functions of recent times, and the exclusive use of G. H. Mumm's champagne shows the unique and distinguished position which that wine occupies among the elite of Great Britain.

The monthly meeting of the Epworth League of the metropolitan Methodist church was held on Tuesday evening.

Fast steamers for Skagway: Steamer Jefferson, May 28th; steamer Dolphin, May 30th. The Alaska Steamship Company, 100 Government street.

The Natural History Society have had a portrait of the late John Faouin executed in oil. It has been fittingly placed at the entrance to the provincial museum. The portrait is the work of Miss S. B. Pemberton, and is very true to life.

George H. Cheney, aged 57 years, a native of New York, died yesterday at the residence, corner Douglas and Francis streets. He leaves a widow to mourn his loss. The funeral is arranged to take place on Friday at 10 a.m. - Rev. Mr. Vichert will conduct the services.

Mrs. James H. Mairs, aged 57 years, died yesterday at the family residence, No. 17 Spring Road. The funeral will take place on Saturday at 2 p.m. from the above address. Mrs. Mairs was a native of London, Ont. Mr. Mairs is in the north and cannot be here in time to attend the funeral.

Mrs. Emma Rich, widow of the late Robert Rich, grain merchant of London, Ont., died at the residence of J. B. Rich, Oak Bay avenue, yesterday afternoon. The deceased was 72 years of age and a native of Nottinghamshire, England. The funeral is arranged to take place on Friday at 2 p.m. - Rev. E. G. Miller will officiate.

The Salt Lake Herald of May 20th says: "Herbert Cuthbert, secretary of the Tourist Association of Victoria, British Columbia, is in Salt Lake for the purpose of arranging if possible an excursion of local business men to the northwest country. Mr. Cuthbert called on Secretary Fisher-Harris of the Commercial club yesterday afternoon and was assured that the matter would be taken up and given consideration by the board of governors."

At the Savoy yesterday upwards of 1,400 witnessed the two performances, and the manifestations of approval were enough to gladden any theatre man's heart. Claude Feeley, the king of acrobats, comes in for the lion's share of the honors. He is a marvellous gymnast, his turning aerial somersaults being especially thrilling and clear cut. The musical Thurs, too, are masters in their domain as banjo virtuosos and xylophone duettists, their selections having a wide range in both the classical and the popular. Ben Harvey, the originator of razztime, is heard in a very original musical monologue, and the Singlow Bros. are extremely proficient in their ring specialties. Aileen Ellsworth, Jennie Clair, Grace Williams, Beatrice Lowe, the popular balladist, and Alice Wildermere, in illustrated songs, round out an extra meritorious olio, which will hold the boards all week. There will be matinees as well as evening shows to-day and tomorrow.

Don't forget the Iroquois's excursion among the Gulf Islands on 28th inst. Fare \$1. Train leaves V. & S. station 9:45 a.m.

There will be a practice of the High school cadet corps baseball club at Beacon Hill at 2 p.m. to-morrow. All interested are expected to be on hand punctually.

In the city police court this morning there was the usual grist of celebration drunks and disturbers of the peace. About seven or eight, including Indians and white men, answered the roll and were fined.

This afternoon special holiday matinees are being given at the Redmond, and to-night there will be an extra show to accommodate the large crowd of tourists here to take part in the celebration. The show is a very good one, that is meeting with excellent patronage.

At noon to-day the marriage took place of Mr. George Crist, of Seattle, and Pym Belle Douglas, of Port Angeles. The ceremony was performed by Rev. Dr. Campbell at his residence, 277 Fort street.

The heavy rain on Monday last did considerable damage in the different brick yards in the north end of the city. In all it is estimated that 700,000 bricks were destroyed in the making, the wind accompanying the rain having driven the water beneath the coverings.

There will be a farewell social gathering in the South Saanich Methodist church on Tuesday evening, May 30th, to bid good-bye to Rev. T. H. Wright, who will leave next week for Duncan, and also to Mr. and Mrs. H. J. Brooks, who intend to take up their residence in Victoria.

Angus McKeon, of this city, has received word from his son, W. A. McKeon, of White Horse, reporting that the latter's loss in the recent big fire which swept that town was small. Mr. McKeon was in the drug business and his store, a one of those said to have been destroyed.

The lacrosse players of the senior team are requested to be at Oak Bay this evening at 6:30 in order to get two hours' practice for the game in Seattle on Saturday. Charles Cullin and Robert Howarth will be on the field to coach the boys and assist in putting them in shape for the game.

A young girl visiting the city was found this morning in a rather dangerous condition from having taken an overdose of medicine. Her bedroom door was found locked and when opened the girl was discovered lying on the floor in an unconscious condition. Two doctors have been in attendance on her ever since, and as a result of their efforts it is believed the girl can be saved.

Hon. David Healy, commissioner of immigration of the United States at the port of Vancouver for the last six years, and a frequent visitor in this city, was the honored guest at a dinner given on Tuesday evening at the Maison de la Ville, Vancouver. Mr. Healy has been promoted to the inspectorship at the Ellis Island immigration station at New York, and will leave shortly to assume the duties of his new office.

To-day the tally-ho entered service for the first time this season. It will make its usual rounds from now on through the fine weather, starting out every afternoon at 2 o'clock on the same schedule as it was operated last year. The Victoria Transfer Company are having another conveyance built of a somewhat similar kind. It will seat 12 passengers, and is intended for use in supplying Carleton Bay or some other equally popular camping resort with a double daily service.

The Children's Aid Society, Vancouver, has received a contribution of \$25 and the following letter from the Lieut. Governor, Sir Henri Joly de Lotbiniere: "Mr. B. Morgan, Esq., Treasurer, Children's Aid Society: Dear Sir, - I have just read with much interest the report of the Children's Aid Society, and hope such a good work will not have to be given up for want of funds. Please to accept my subscription and believe me, yours truly, Henri G. Joly de Lotbiniere."

The management of the Victoria theatre has a rare treat in store for the theatre-goers of this city, in that it will on Monday night present Nat C. Goodwin in a new comedy-drama, "The Usurper," which was especially written for him by I. N. Morris. The play deals with the life and love-affairs of a wealthy young bachelor, and is said to give Mr. Goodwin greater opportunities than were ever given him in any of his former offerings. Everything is carried that is essential for the proper portrayal of its story.

On Sunday evening next, in the Centennial Methodist church, Rev. J. P. Westman, who has been pastor in that church for the past three years, and is now transferred to Cranbrook, B. C., will preach his farewell sermon. He has invited all the boys and girls to be present in the morning with their parents, and in the evening the address will be to the public generally. An interesting musical programme will be rendered in which Mrs. W. E. Stanland and others will sing solos, in addition to the regular choir work. Rev. Mr. Westman will leave the city on Friday morning of next week.

WILL NOT ATTEMPT TO BRING COLL BACK

A Dangerous Precedent Established in Case of Man Who Is Charged With Serious Crime.

In the little city across the straits is a man who is enjoying a good laugh at the expense of a number of Victoria tradesmen, the local police and the administration of justice in this province generally. That man is P. Coll, whose presence is most earnestly desired here just now. He is charged with a serious crime, that of forgery, the penalty for which is a term of years, and yet he can stand on the wharf at Port Angeles, only 17 miles away, and jeer at the British lion.

About two weeks ago Coll passed a number of forged cheques on various business men, clearing a hundred and fifty dollars, and skipped out. The local police, after a great deal of trouble, located him in Port Angeles, and instructed the chief there to hold him. Then the difficulty arose. The city authorities claimed that there were no funds available for extradition proceedings in the event of Coll putting up a fight. The provincial government, through the attorney-general's department, declined to do anything, being reduced to such pitiable impoverishment that the consequences of an outlay on cases of this kind might be awful. So the local police were forced to wire the Port Angeles chief to release Coll.

The amount which this man is charged with obtaining by fraud is not large, it is true, but apparently as far as either the city or government is concerned, it might have been a thousand dollars. The precedent established by their inaction in this case is a bad one. A smooth confidence man, taking his cue from Coll's experience, might come from the other side and victimize Victorians to a pretty lively tune and then return to the States perfectly secure in the knowledge that both the city and province are too "hard-up" to go after him. If the trick were turned on Saturday night it would not be discovered until Monday morning, and by then the man would be across the border. Once there he would be safe, as no effort would be made to bring him back.

There is another consideration. The Sound City police are not going to bother themselves in hunting and capturing criminals who escape from here, if the authorities do not propose to try to bring them back. This will place the local law guardians under a decided disadvantage, depriving them of that inter-city co-operation which is vitally essential to their work. The present conditions are unfair to the police, but especially so to the people of the city, who have a right to expect the highest measure of protection. The police claim to have a good case against Coll, and are confident that he would not fight extradition.

On Tuesday afternoon the funeral of the late Mrs. James McLaughlin took place from the residence, Hixton street. There being a large number in attendance, Rev. W. Leslie Clay conducted the funeral services, and the pallbearers were: Alex. Stewart, James Hall, W. Brown, John Bell, J. McHardy and W. Bobb.

OPENING DAY OF THE CELEBRATION A SUCCESS

(Continued from page 3) Fifth, and Lieut.-Col. White, in command of the Sixth Regiment, in perfect time. Each company was accorded a spontaneous outburst of cheers. Nor were the visitors forgotten. Their superiority in numbers and steadfastness while on parade made a most favorable impression.

This feature concluded the two corps prepared for the sham battle, and the crowd, or as much of it as there was room for, gathered at the top of the hill to witness the engagement. The visitors took up a position in the neighborhood of the bear pit, their plan being to attack the Fifth, the latter's holding the hill. After the Sixth Regiment had left, the local militia was divided into four sections—Nos. 1 and 2, No. 4, Nos. 5 and 6 and No. 3. The former were in charge of the field artillery guns, two of which were placed so as to assist the right flank (that nearest the beach) in checking the advance of the enemy and the third on the right. No. 4 Company was divided, placed under section commanders, and entrusted with the duty of the right flank. No. 3 was ordered to cover the ground directly in front and to the left of the hill. The remaining companies, Nos. 5 and 6, were held in reserve.

Both corps being in position the battle started, and it wasn't long after the Sixth was given orders to advance before they were sighted by the outposts of the local militia. As was expected, the main attack developed on the left flank. The enemy pressed No. 4 Company very hard, forcing a slow retreat. But every inch was stubbornly contested. It is reported that the casualties were by no means light, and that a number were taken prisoners. Soon the firing became exceptionally hot, volley after volley being fired, and then the sound of artillery, from the two 13-pounders placed on the left brow of the hill, joined in the general chorus, making the mimic battle more realistic.

As No. 4 Company soon became practically overwhelmed the reserve, Nos. 5 and 6, were ordered to its relief. As a result, the Sixth was held in check for about five minutes, when "cease firing" was sounded. It is understood that at a conference of the officers of the opposing forces the advantages secured by either side were considered, and it was agreed to declare the honors even.

Both regiments marched back to the drill hall, where they were dismissed. Refreshments were served to the visitors. During the afternoon and evening the officers' mess of the Fifth Regiment accorded Lieut.-Col. White and his staff every hospitality. They were taken to the lacrosse and baseball matches at Oak Bay, besides being tendered other little courtesies in the endeavor to make their visit as pleasant as possible. The same was done by members of the local sergeants' mess, while the different companies were not behind in the effort to make their guests feel at home. The majority of the officers and men of the Sixth Regiment returned last evening by the steamer Harmer.

Catarrh is Slow But Sure Death

ARE YOU ITS VICTIM? No need to suffer from Catarrh a day longer. Use "Catarrhazone." Inhale its soothing vapor and every trace of catarrh will quickly depart. No uncertainty about "Catarrhazone." In thousands of cases it has proved a perfect success. Your cure is absolutely certain. Relief comes in five minutes. In one day immense benefit results even in the worst cases. The following letters speak for themselves. Read them carefully.

stop. Ford (second base) appears to be increasing the "barring" average. Taken all through the match was most enjoyable. With fast infield playing, no glaring errors on the part of the outfielders, and good batting, the local fans were treated to an ideal exhibition. If the home team continues to acquit itself in the same manner Victorians may depend upon seeing this city's team very near the head of the league at the close of the series.

Score by Innings. Total 23. Grand total, 200. Field officers, 3; staff officers, 1; captains, 6; subalterns, 6; staff sergeants, 3; sergeants, 27; rank and file, 154. Total 200.

ON THE DIAMOND. Victoria Lost to Everett in the Morning. But Won in the Afternoon.

The baseball match in the morning, at which the score was Everett 2, Victoria 1, was a very fine exhibition, in spite of the fact that the ground was a little spongy. Up to the end of the fourth inning it was perfect ball, unbroken by errors. It was not until the fifth inning that Everett got its first run. Up to that time the Everett players were being retired in regular order as they came up. Galaski, pitching for the home team, was holding the visitors down in a manner which delighted the hearts of the local fans.

TO INCREASE PRIZES. Further Subscriptions to Assist the Parade Committee. In order to increase the prizes given in connection with the parade, which was acknowledged to be such an attractive part of the celebration, a number of business men made additional subscriptions.

THE PARADE.
 A Most Representative and Practical Procession Over a Mile Long.

A parade, variously estimated at from a mile to a mile and a half long, comprising the handomest horses in Victoria, many automobiles, some decorated, some plain, a splendid drummer's turnout, calliothumpian "chivvy" and many admirable features briefly described yesterday's procession through the streets. It was said by many in attendance that it was the best parade that has ever been given in Victoria, at least it was the most practical in appearance. It had good variety and represented a widespread interest among the citizens. A marshal presided over the procession, followed by a band in which were His Worship Mayor Barnard and Colonel Rogers, a guest of His Worship. Then came the fire department with shining equipment, ponies with boys as mounts, carriages, double and single, expressed, delivery wagons and carts of all kinds, a number of donkeys with riders dressed as clown, a hansom that might have suggested antiquity, a calliothumpian band and automobiles, three or four of which were most artistically decorated. Notable among these were the touring cars of Capt. Troup and R. Hutchison. The latter was canopied with flowers and evergreens, while the latter was draped in white and carried little girls dressed in harmony with the decorations. Dr. Garesche was in a runabout, which he had prettily decorated with flowers.

From upper Pandor, street the route of parade was as follows: Along Cook to Yates, to Douglas, to Cormorant, to Government, to Michigan, to the park. At Beacon Hill the judging took place and a further exhibition took place which did not conclude until 6 o'clock, the parade having left its starting point soon after 1 o'clock. The judging was done by J. H. Kelly and Hubert Keast, of Lunenburg, and though they had a difficult task allotted to them their decisions were such as gave general satisfaction. The only delay in the whole programme was in connection with the automobile committee at the end of the programme, which was a little slow in beginning.

When it came to the competition for the S. P. C. A. Society's silver cup offered for the most humane harnessed horse, Capt. A. J. Dallan, E. Pemberton and E. Kitto, officers of the society, stepped forward and did the judging. There was keen rivalry for the cup, one animal being driven without any bit, the reins being attached to rings in a halter on either side of the horse's head. An officer of the society said, however, this represented an extreme case, for which there was no necessity, as a horse, it would, could not be driven in this way.

There was one feature characteristic of many contests and that was the large number of really fine horses on exhibition. In the truck horses this was particularly the case, and the judges considered this was their most difficult task. For instance, in one team an animal was noticed better than any other animal on the ground. The team, however, did not get a prize because they were unevenly matched.

For the automobiles an obstacle race was arranged, stakes being driven in the road which tested the dexterity of the chauffeurs in manipulating the levers of their various machines, while further along their course other obstacles were placed. At the same time the machines were timed, so that the race was one well calculated to test the skill of the drivers. The results of the judging is as follows:

Gentleman's saddle horse, ridden by a gentleman amateur, 1st, Cameron & Colwell; 2nd, James Dunsmuir.
 Jumper, ridden by an amateur and shown over hurdles, with brush on top—1st, E. G. Garrett; 2nd, Miss O. Irving.
 Single horse (roadster), shown to an approximate vehicle and judged as a roadster—1st, James Morris; 2nd, S. White, 3rd, J. S. Gibb.
 Single carriage horse (under 15 hands), shown to vehicle and driven by an amateur, horse to count 75 per cent., appointments 25 per cent.—1st, A. McDermott; 2nd, A. B. Fraser.

Trotter or pacer in harness, open to all

horses that have ever competed in a public race; shown without boots, weights or hobbles—1st, James W. Meldrum; 2nd, Mrs. Henderson.

Best pair roadsters, shown to an approximate four-wheeled vehicle and judged as roadsters—1st, J. E. Greer; 2nd, T. Watson.

Best pair carriage horses, shown to a four-wheeled vehicle; horses to count 70 per cent., appointments 25 per cent.—1st, A. C. Flimmer; 2nd, J. A. Douglas.

Single draught horse in harness, shown to drag or other appropriate vehicle—1st, J. Walsh; 2nd, Victoria Truck & Dray Co.

Best pair draught horses in harness, shown to truck—1st, S. Leiser & Co.; 2nd, Victoria Truck & Dray Co.; 3rd, J. D. Williams.

Horse in delivery wagon (as actually used in local delivery); horse to count 50 per cent., appointments 50 per cent., horse to be owned and used by exhibitor two months prior to exhibition—1st, Dixie H. Ross & Co.; 2nd, Dixie H. Ross & Co.; 3rd, D. W. Hanbury.

Best pair horses in delivery wagon (as actually used in local delivery), horses to count 50 per cent., appointments 50 per cent.; horses to be owned and used by exhibitor two months prior to exhibition—1st, F. R. Stewart & Co.; 2nd, Victoria Truck & Dray Co.

Best single pony, driven to appropriate vehicle; pony to count 75 per cent., appointments 25 per cent.—1st, Miss O. Irving; 2nd, D. Richards.

Calliothumpian character, mounted or in vehicle—1st, R. Hayward; 2nd, Dixie H. Ross & Co.

Best decorated delivery wagon—1st, R. Fell; 2nd, Watson & Hall.

Best decorated touring car—1st, Capt. Troup; 2nd, R. Hutchison.

Best decorated runabout—1st, Dr. Garesche.

Obstacle race, at least six miles on a loop—1st, W. C. Todd.

Silver cup presented by the S. P. C. A. for the most humane harnessed horse, single or double, overdraw check barred—J. G. Mitchell.

The judges in this event considered Mr. Mitchell's horse well harnessed. It had a leather bit, no blinkers and no check rein.

Persons in charge of the parade were Dr. Carter (chairman), Dr. Garesche, J. H. Greer, D. A. Upper, H. Ross, L. S. Eaton, W. Moresby (secretary).

TWO LACROSSE MATCHES.

Senior Game a Soap For New Westminsters—Central Intermediates Defeated Argonauts.

The senior lacrosse match at Oak Bay yesterday afternoon between the Victoria and New Westminister teams was far from one-sided. It was a game in which the score told the story without exaggeration. Ten times did the red-jerseyed boys from the banks of the Fraser waft the ball into the main objective Victoria's net, and only twice could the local stick-handlers elude the "our defence," he said, "is so conducted that it cannot be drawn out. Your boys have first-class material among them, but they work too much to no purpose. They are not aggressive enough in their checking; seldom do you see them close with a man. Furthermore, they are too apt to follow a player who has the ball, instead of working along his side." All this was quite plain in yesterday's game. Whenever the ball flew to any considerable distance from the area of main play, it was invariably a Victoria man who darted after it. That was exactly what the visitors wanted. The unnecessary exertions of their opponents were alone enough to lose the game for them.

It was an immense crowd that witnessed the match, the weather being perfect, and the accommodation entirely adequate. Matt Barr was referee, and proved to be the right man for the place. The game was free from objectionable encounters, with the exception of a solitary exchange of embraces between C. D. Peche ("Discus") and Hendron, Victoria's new player. The latter, by the way, made his coast debut in this game, and played a hard, skillful game. But with a support that at the best was indifferent, it was hardly to be expected that he would show to anything but ordinary advantage.

The New Westminister players had their interchanges with them—Bryson, Wintemute and J. Gifford, and the trio offered themselves with glory. In fact

the older hands saw to it that they should have all the opportunities they could wish for. It was Bryson, who played inside home, who scored the first goal in eight minutes, after the ball had pretty well covered the field. The tireless Turnbull scored the second in about the same time, Bryson put through the third in one minute, and Turnbull repeated the performance in about forty-five seconds. At the end of the first quarter the score stood four to one in favor of the visitors.

When play was resumed fortune favored the home side, flickering smiles upon the hard-working Victoria twelve, and Morris scored in three minutes and a half. This roused the usual enthusiasm, which was dampened when Turnbull calmly banged another into the net for the "Ministers." Turnbull and Bryson again out-pointed goalkeeper Lorimer, and when the second quarter ended the score stood seven to one. In the third and fourth quarters the visitors landed three more goals and Victoria one, Haughton doing the trick for the locals.

Ending with ten to two there was little in the situation to justify more than a spasmodic struggle from the grand stand. As far as scientific lacrosse was concerned the game perceptibly deteriorated as it progressed. Victoria should recognize that if it wants to get a "look-in" in this year's league, it will have to put a stronger team in the field. Yesterday's two were wasted enough, and the day's work Westminister's score of two. They may have been chums for a decade, but they are nearly strangers to one another in a lacrosse way. Take the New Westminister intermediates. They play well in senior company. That is because they are disciplined into team work. Victoria's young stick handlers are as likely as any in British Columbia, and in Canada for that matter, but they want precisely that same disciplinary system that makes formidable seniors out of promising intermediates.

The two Lorimers played in good form. Sam-in-goal made some pretty stops, but flesh and blood could never stand the perpetual bombardment to which his fortress was subjected. West, as usual put up a neat game, his combination work with Hendon in spots being the genuine article. Crocker and Alex. Stevens also shone to good advantage.

Quite a number of players were allowed to cool their ardor on the fence. Among them were J. Gifford, Hendon, Peche and Latham. This was only the second time Latham has been ruled out in his whole career as a lacrosse player, which speaks volumes for his self-control. There were few casualties. Gifford tried to see eye to eye with the ball once, and the ball got the best of it. He played with one eye closed for the remainder of the match.

Will Alex. Turnbull kindly rise and state whether he has discovered the elixir of life, or the secret of that which is infinitely more to be desired than perpetual motion—perpetual youth? His work yesterday was noted for the same tremendous energy that has won him national fame. Whether in his eyes, or in his hands, or in his feet, or in his whole system. This assimilation helps in the oxidation of the red blood corpuscles, the poisons in the system are eliminated, the heart gets the right kind of blood and the person feels invigorated and energetic in consequence. As a stimulant it is far preferable to cod liver oil or any alcoholic compounds or tonics, because it gives the blood and the tissues the food elements they require and maintains a person's nutrition by enabling him to eat, retain, digest and assimilate nutritious food. It overcomes the gastric irritability and symptoms of indigestion. Because of the good effects from using Dr. Pierce's Golden Medical Discovery upon nutrition and the building up of the tissues, catarrh, consumption, weakness or debility and symptoms of fever, night-sweats, headaches, etc., disappear.

THE CHAIN OF LIFE.
 Each of the chief organs of the body is a link in the chain of life. A chain is no stronger than its weakest link; the body no stronger than its weakest organ. If there is weakness of heart or lungs, liver or kidneys, there is a weak link in the chain of life which may snap at any time. Often this so-called "weakness" is caused by lack of nutrition, the result of disease of the stomach. Diseases of the stomach and its allied organs are cured by the use of Dr. Pierce's Golden Medical Discovery. When the diseased stomach is cured, diseases of other organs which seem remote from the stomach, but which have their origin in a diseased condition of

the stomach and other organs of digestion and nutrition, are cured also.

THE FARMER FAILS.
 In health just as does the city-man, and he falls commonly from the same cause, "stomach trouble." The farm is a wholesome place to live; the farmer's life is a healthy life; but no external advantages can overcome the effects of a diseased stomach. When the stomach and its allied organs of digestion and nutrition are diseased, the food eaten is imperfectly digested and assimilated, and the consequent loss of nutrition results in physical debility.

DANGER SIGNALS.
 No engineer would be mad enough to run by the flag which signaled danger. What the danger was he might not understand, but he would take no chances. It is different with the average man or woman. They attempt constantly to run by the danger signals of Nature and that attempt costs thousands of lives every year. When the appetite becomes irregular or entirely gives out, when sleep is troubled and broken, when there is loss of flesh, when there is a constant feeling of dullness and languor, Nature is hoisting the danger signal. The stomach and its allied organs are failing in their work and the body is losing the nutrition on which its strength depends.

Such a condition calls for the prompt use of Dr. Pierce's Golden Medical Discovery.

A \$3,000 FORFEIT.
 Will be paid by the World's Dispensary Medical Association, of Buffalo, N. Y., the proprietors and manufacturers of Dr. Pierce's Golden Medical Discovery, if they cannot show the original signature of the individual who volunteers the testimonial below, and of the writers of every testimonial among the thousands which they are constantly publishing.

"Am pleased to tell you I am happy today to what I was when I first wrote to you," writes Mrs. M. Clara Thompson, of Tanworth, Ont. "I was a very sick woman and had been for about two years. I was about to give up all treatment and began to think there was no help for me. Got so I could not work much, so went to hospital and was treated there for dyspepsia and other diseases. My hands and feet swelled so, I had to be fed like a baby and could eat but little. Was in pain all over and could not bear to be turned in bed for one whole week. At last I gave up hope of ever being well again, until, one day my husband brought home one of Dr. Pierce's little pamphlets. Came across a case almost like my own which had been cured by the use of Dr. Pierce's medicines, so thought I would try. I was in bed for a week, and a backing cough, cold feet and hands, flat spells; could not eat anything except bread and milk. Nearly every one of my neighbors thought I was going into convulsion, and indeed I thought so myself. When I had taken two bottles of Dr. Pierce's medicines, one of the "Favorite Prescription" and one of the "Golden Medical Discovery" and could eat anything I wanted and work hard all day. My feet were warm all the time, both night and day, and my hands and feet were no longer swollen. I was able to see the change in me. I had only taken one-half a bottle of "Golden Medical Discovery" when my cough stopped and all those unpleasant symptoms which I have mentioned disappeared. I took two bottles of Dr. Pierce's Golden Medical Discovery, two of "Favorite Prescription" and two of "Pleasant Pellets." Now I can eat anything I want, do not cough any, and can work all the time without feeling so tired and weak as I used to. To tell you the truth, I think Dr. Pierce's medicines are the best ever put to my lips. I think they are really worth their weight in gold; they are now my only doctor."

A WONDERFUL BOOK.
 Is the People's Common Sense Medical Adviser. Sent free on receipt of 31 one-cent stamps for the book in paper covers, or 50 cents in stamps for the cloth-bound book. The price pays the expense of postage and mailing only. Address Dr. K. V. Pierce, Buffalo, N. Y.

THE TARGET.

CUPID REACHES A MAN'S HEART THROUGH THE STOMACH.

There is no disputing the fact that man's heart is often reached through the stomach. Happy the housewife who can please her husband's appetite with well cooked food for the day. Many a man is grouchy, ugly, nervous, suffering from distress after eating, heart palpitation, and all through the overworked stomach. No chain is stronger than its weakest link. No man is stronger than his stomach. If the proper elements in the food are not taken up by the blood in the stomach and carried to the vital organs of the body, one's health breaks down and one leaves the gates open for the entrance of disease germs. The germs of typhoid fever, grip, malaria, pneumonia and consumption cannot pass through the stomach into the intestines, where alone they are capable of doing harm unless the stomach has first been weakened by disease, indigestion, dyspepsia or errors in diet. Keep the stomach healthy, the bowels regulated and the blood pure and rich and your body is a stronghold against the germs of disease cannot make a successful attack. If your blood is impure and you are sometimes pale or have the other signs of bad blood, such as pimples, boils and eruptions, you should at once take warning.

NATURE THE PHYSICIAN.
 Nature is the real physician in such cases, for Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., years ago discovered that certain herbs and roots made into an extract, without the use of alcohol, was the best remedy for putting the stomach, blood and vital organs into proper condition. His Dr. Pierce's Golden Medical Discovery helps the assimilation of the food in the stomach, assists the blood in taking up the proper elements from the food, helps the liver activity, thereby throwing out of the system all the poisons in the blood and vitalizing the whole system. This assimilation helps in the oxidation of the red blood corpuscles, the poisons in the system are eliminated, the heart gets the right kind of blood and the person feels invigorated and energetic in consequence. As a stimulant it is far preferable to cod liver oil or any alcoholic compounds or tonics, because it gives the blood and the tissues the food elements they require and maintains a person's nutrition by enabling him to eat, retain, digest and assimilate nutritious food. It overcomes the gastric irritability and symptoms of indigestion. Because of the good effects from using Dr. Pierce's Golden Medical Discovery upon nutrition and the building up of the tissues, catarrh, consumption, weakness or debility and symptoms of fever, night-sweats, headaches, etc., disappear.

THE CHAIN OF LIFE.
 Each of the chief organs of the body is a link in the chain of life. A chain is no stronger than its weakest link; the body no stronger than its weakest organ. If there is weakness of heart or lungs, liver or kidneys, there is a weak link in the chain of life which may snap at any time. Often this so-called "weakness" is caused by lack of nutrition, the result of disease of the stomach. Diseases of the stomach and its allied organs are cured by the use of Dr. Pierce's Golden Medical Discovery. When the diseased stomach is cured, diseases of other organs which seem remote from the stomach, but which have their origin in a diseased condition of

the stomach and other organs of digestion and nutrition, are cured also.

THE FARMER FAILS.
 In health just as does the city-man, and he falls commonly from the same cause, "stomach trouble." The farm is a wholesome place to live; the farmer's life is a healthy life; but no external advantages can overcome the effects of a diseased stomach. When the stomach and its allied organs of digestion and nutrition are diseased, the food eaten is imperfectly digested and assimilated, and the consequent loss of nutrition results in physical debility.

DANGER SIGNALS.
 No engineer would be mad enough to run by the flag which signaled danger. What the danger was he might not understand, but he would take no chances. It is different with the average man or woman. They attempt constantly to run by the danger signals of Nature and that attempt costs thousands of lives every year. When the appetite becomes irregular or entirely gives out, when sleep is troubled and broken, when there is loss of flesh, when there is a constant feeling of dullness and languor, Nature is hoisting the danger signal. The stomach and its allied organs are failing in their work and the body is losing the nutrition on which its strength depends.

Such a condition calls for the prompt use of Dr. Pierce's Golden Medical Discovery.

SYNOPSIS OF REGULATIONS FOR DISPOSAL OF MINERALS ON DOMINION LANDS IN MANITOBA, THE NORTHWEST TERRITORIES AND THE YUKON TERRITORY.

NOTICE.
TENDERS FOR TIMBER LIMITS.
 Sealed tenders will be received by the undersigned up to noon on Wednesday, May 19, 1906, from any person who may desire to obtain a lease, under the provisions of section 42 of the Dominion Timber Act, for the purpose of cutting timber therefrom, of a timber limit situated on Vancouver Island, known as Lots 220, 221, 222, Clayquot District, containing in the aggregate 1,089 acres.

The competitor offering the highest cash bid will be entitled to use of the timber limits for a term of twenty-one years. Each tender must be accompanied by a certified cheque, made payable to the undersigned, to cover the amount of the first year's rental (\$225.25), and the amount of bonus tendered, and also a certified cheque for \$1,100.40, being the cost of cruising and surveying the limits. The cheques will be at once returned to unsuccessful competitors.

W. S. GORE,
 Deputy Commissioner of Lands & Works, Lands and Works Department, Victoria, B. C., 4th May, 1906.

NOTICE.
 The patent for a mining location shall provide for the payment of a Royalty of 2 1/2 per cent. of the sales of the products of the mine.

Placer Mining—Manitoba and the N. W. T., excepting the Yukon Territory—Placer mining claims generally shall have a minimum entry fee, \$5, renewable yearly. On the North Saskatchewan River claims are either bar or bench claims, but not exceeding 1,000 feet long and extending between high and low water mark. The latter includes bar diggings, but extends to the top of the hill or bank, but not exceeding 1,000 feet. Where steam power is used, claims 200 feet wide may be obtained.

Dredging in the Yukon Territory and the N. W. T., excepting the Yukon Territory—A free miner may obtain only two claims of five miles each, but not exceeding twenty years, renewable in the discretion of the Minister of the Interior.

The lessee shall have a dredge in operation within one season from the date of the lease for each five miles claim. The person or company has obtained more than one lease one dredge for each fifteen miles or fraction is sufficient to be allowed for an annual fee of five miles of river leased. Royalty at the rate of two and a half per cent. on the output after it exceeds \$10,000.

Dredging in the Yukon Territory—Six leases of five miles each may be granted to a free miner for a term of twenty years, also renewable.

The lessee's right is confined to the submerged bed or bars in the river below low water mark, and subject to the rights of persons holding claims for bar diggings or bench claims, except on the Saskatchewan River where the lessee may dredge to high water mark on an alternate lease.

The lessee shall have a dredge in operation within one season from the date of the lease for each five miles claim. The person or company has obtained more than one lease one dredge for each fifteen miles or fraction is sufficient to be allowed for an annual fee of five miles of river leased. Royalty at the rate of two and a half per cent. on the output after it exceeds \$10,000.

Dredging in the Yukon Territory—Six leases of five miles each may be granted to a free miner for a term of twenty years, also renewable.

The lessee's right is confined to the submerged bed or bars in the river below low water mark, and subject to the rights of persons holding claims for bar diggings or bench claims, except on the Saskatchewan River where the lessee may dredge to high water mark on an alternate lease.

The lessee shall have a dredge in operation within one season from the date of the lease for each five miles claim. The person or company has obtained more than one lease one dredge for each fifteen miles or fraction is sufficient to be allowed for an annual fee of five miles of river leased. Royalty at the rate of two and a half per cent. on the output after it exceeds \$10,000.

Dredging in the Yukon Territory—Six leases of five miles each may be granted to a free miner for a term of twenty years, also renewable.

The lessee's right is confined to the submerged bed or bars in the river below low water mark, and subject to the rights of persons holding claims for bar diggings or bench claims, except on the Saskatchewan River where the lessee may dredge to high water mark on an alternate lease.

The lessee shall have a dredge in operation within one season from the date of the lease for each five miles claim. The person or company has obtained more than one lease one dredge for each fifteen miles or fraction is sufficient to be allowed for an annual fee of five miles of river leased. Royalty at the rate of two and a half per cent. on the output after it exceeds \$10,000.

Dredging in the Yukon Territory—Six leases of five miles each may be granted to a free miner for a term of twenty years, also renewable.

The lessee's right is confined to the submerged bed or bars in the river below low water mark, and subject to the rights of persons holding claims for bar diggings or bench claims, except on the Saskatchewan River where the lessee may dredge to high water mark on an alternate lease.

PUBLIC NOTICE

Having secured the lease of the premises known as "The Big Church," corner Broad and Pandora streets, to where I have had removed all the contents of my other stores, for the greater convenience of both the public and myself, from points of room and location, we have fitted up the ground floor of the building for retail purposes for the convenience of those who care not to attend sales by auction. Thinking my numerous patrons and friends for their kind patronage in our old premises, and hoping to merit the same under more favorable conditions in our new and capacious home quarters, I remain, yours, very respectfully,

F. J. Bittancourt,
AUCTIONEER,
Cor. Broad and Pandora

Auction Sale

We are instructed to sell by Public Auction

—ON—

Saturday, May 27th

The fine 2-story dwelling house and lot, consisting of dining room, parlor, 3 bed rooms, kitchen, pantry and outbuildings, 13 North side, Spring Ridge; also all furniture and effects. Sale to commence 2 p. m. sharp. Terms as sale.

Browne & Kennedy,
AUCTIONEERS,
OFFICE, 8 STORE ST. P. O. BOX 183.

PRELIMINARY

Under instructions from Mr. Rosowicz, I will sell, commencing

Monday, 5th June
All the Valuable

FURNITURE

AND FURNISHINGS

Of the IMPERIAL HOTEL
VICTORIA, B. C.

ON ACCOUNT OF IMPROVEMENTS AND EXTENSION OF THE VICTORIA OPERA HOUSE.

Further notice will be given when catalogue is ready.

Wm. T. Hardaker, Auctioneer

SECOND DAY OF

THE CELEBRATION

(Continued from page 1.)

able excitement, and both Daley and Galaski were tendered quite an ovation. Nothing more transpired in this inning. A period followed during which both teams gave an exhibition of splendid ball, the infielders working like clockwork. The third, fourth and fifth innings were blank. All grounders, pop flies, etc., were picked up with a skill that frequently elicited cheers. Galaski pitched with surprising energy and gratifying results. He didn't distinguish himself by the number of strike-outs secured so much as the remarkable judgment displayed, batter after batter walking up, knocking an easy fly into some fielder's glove and retiring with evidence of disgust. Then McManus caught with commendable steadiness and held down the bases in such a way as to delight the most critical of fans.

In the sixth inning, however, the character of the match became materially altered. The first half was marked by a beautiful double on the part of Victoria's infield. Steel had secured first on a hit and, after Erle retired on a pop fly, Altman knocked one to the shortstop. Downing caught the grounder and, effectually preventing Steel from reaching second, then Ford transferred it to Hutchison, at first base, in time to nab Altman before he reached that point. It was a clean, snappy piece of work, and those concerned deserved the appreciative applause bestowed upon them.

But the latter part of this inning was the most eventful. In it Victoria secured a mortgage on the game. The excitement commenced when McManus landed a safe one in right field. Philbrick followed with a bunt which, with the assistance of the catcher's overthrow, advanced the two players mentioned to

second and third bases. Then Downing made a short hit, and was allowed to reach first base, the pitcher hesitating to throw because of the possibility of McManus coming home. With the bases full and nobody out the interest was intense. Pitcher Doyle lost his head at this juncture, and Daley was given free transportation, forcing in McManus's run. Ford made a short hit, and Philbrick scored. Hulen, Everett's manager, who had been complaining all through the game, became overbearing. He accused Centre Shock of partiality in the strongest terms, and was ordered to leave the grounds and fined \$5. For some minutes he refused to leave, but as a result of persuasion reluctantly took his departure. Play again started, and Galaski capped the climax by knocking out a two-bagger, which scored three runs.

The grand stand cheered for about three minutes, and the local pitcher rose in the estimation of the fans. Doyle recovered himself at this stage sufficiently to retire the side without further results. Another run by Victoria in the eighth was all that happened during the remaining innings.

PLAYED CHESS OVER TELEGRAPH WIRES

Friday Match With Vancouver Players, in Which the Victoria Club Was Successful.

A few days ago the Victoria Chess Club sent an invitation to the Vancouver Chess Club suggesting a friendly match during the Victoria Day celebration. The members of the Vancouver club being unable to come to Victoria in sufficient numbers proposed a match by telegraph, and the C. P. R. promptly offered to place their wires gratuitously at the disposal of the clubs. The ever-obliging manager, W. Christie, presided over the operations at the Victoria end, and E. Houghton handled deftly the work. A splendid service was given, and the company is to be congratulated upon the skillful handling of the complicated work of transmitting the hieroglyphics of chess notation.

The players faced each other as follows:

No. 1 Board—A. F. Gibson, Victoria; B. Hars, Vancouver.	No. 2 Board—W. Marchant, Victoria; Cameron, Vancouver.	No. 3 Board—J. T. L. Meyer, Victoria; Quinton, Vancouver.	No. 4 Board—Capt. Clarke, Victoria; W. France, Vancouver.	No. 5 Board—A. Gonnason, Victoria; Brydone-Jack, Vancouver.	No. 6 Board—Capt. Michel, Victoria; E. France, Vancouver.
---	--	---	---	---	---

The captains of each team, Messrs. Cameron and Marchant, played at board No. 2. T. H. Piper, who is acknowledged to be the strongest player in the West, and possibly in Canada, officiated as umpire. Messrs. Perry, Lombard and Benson were scorers and timekeepers.

The first blood fell to Victoria. Mr. Marchant defeated the rival captain in 22 moves at 11:53. Mr. Cameron resigning at the threatened loss of his queen.

The second game fell to Vancouver. Capt. Clarke resigning at the 24th move at 12:30 a. m.

The third game was won by A. Gonnason, of the Victoria team, who secured a well-earned victory at the 29th move.

The fourth game also was gathered in by Victoria, Capt. Michel winning on the 38th move.

At 2 o'clock the Victoria captain suggested that the two umpires adjudge upon the two remaining games. This, however, was not accepted, the answer coming "play it out."

At the 4th move on board No. 3 the Victoria player, Mr. Meyer, offered a draw, but the Vancouver player preferred to play on a little longer, and announced his move. This game, however, was finally declared drawn.

Considerable interest was shown in the game at board No. 1. The Vancouver player, B. Hars, very early in the game developed a strong attack, which was warded off successfully by his astute and experienced opponent, who safely merged out of the opening moves with a pawn to his credit, and a good safe position. Becoming, however, weary of the prolonged conflict he permitted the establishment of his opponent's rook at a strong strategic point, and finally succumbed to his younger and vigorous opponent. It was a fine exhibition of chess, and players are invited to visit the club rooms where the whole of the games as recorded may be seen.

Mr. Schroer acted as umpire at Vancouver. It is hoped that the friendly contest will become an annual event. Mr. Harrison very readily placed the spare rooms of the Strand at the disposal of the tournament players and visitors, and endeavored to make the players as

comfortable as possible. The net results of the game are as follows:

Victoria	Wins	Draws	Losses
Vancouver	2	2	2

The tournament thus terminated in a win for Victoria.

SALMO TROUBLE.

Harry Wright is Now Seeking to Have a Settlement Arrived At.

Harry Wright, M. P. P. for Ymir, is in the city. He has business with the government and will be in the city several days. Among other business which he has to discuss with the Premier and his colleagues and others is the race war now on at Salmo. The displacing of the white workers in the mills by Chinese and Japanese threatens to lead to serious trouble.

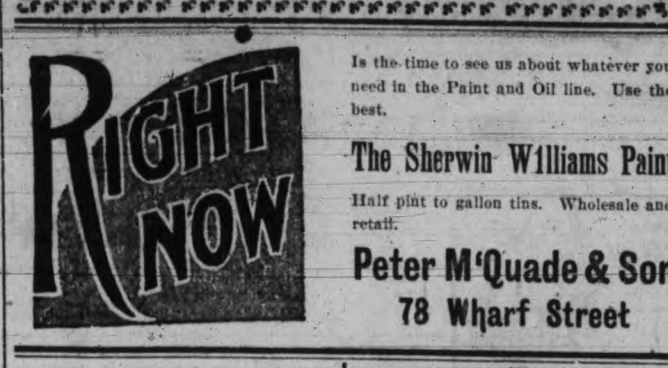

Attempts have been made at conciliation, but so far without success. J. H. Hawthornthwaite, M. P. P., the Socialist leader, was assured by the government that an investigation would be made into the matter, but apparently nothing has so far been done.

Mr. Wright has now taken up the question, and hopes to be able to persuade the owners of the mill to take steps to avoid trouble.

Mr. Wright is believed to have other business with the government, about which he is not saying so much as he does with respect to the Salmo labor question.

LEELINAW TRIES TO LAND CHINESE

ARRIVED OFF OUTER WHARF THIS MORNING

Steam Freighter Forrager Disabled Through Breaking Her Shaft—News of the Waterfront.

Steamer Leelinaw, Capt. Meyer, is off the outer wharf with a cargo of concentrates from Juneau for Tacoma. She called here to land four Chinese, but will not land had not succeeded in doing so. The customs authorities insist on having a deposit of \$2,000 put up for the men, an amount equivalent to the regular entrance fee; otherwise the Celestials must be identified. It appears that the Chinese were shipped from this port. The procedure then adopted, however, is not satisfactory to the customs, hence the present difficulty.

The Leelinaw has not had very good luck during the last trip or so. An effort was made to land the Chinamen at Tacoma a week or so ago, but this failed, and the Chinamen were ordered deported. On returning to Juneau it is said that the ship was fined for not carrying a properly certificated second mate. In the present instance, it is understood, an effort is being made to find someone who can identify the Chinamen.

LOCAL NEWS

The returns of the Victoria clearing house for the week ending yesterday show a total of \$80,127.

Situation open for man who is dissatisfied and wishes greater opportunities. Must be live, energetic, with good appearance and education. Salary and commission. Call fornoqu, room 31, Victoria hotel.

One of the most valuable privileges contained in the new policy contracts of the Canada Life, is that of "Extended Insurance." At the age of 21 the payment of four premiums on a 20-year endowment policy guarantees that the insurance will be continued in force for the full amount for the remainder of the 20 years, and \$40.00 in cash at the end of the twentieth year. If you contemplate putting on additional insurance let us show you what the Canada Life has to offer. A policy in it pays. Helsterman & Co., General Agents.

PERSONAL

A. E. Shelton, of Vancouver, is on a business visit to this city. Mr. Shelton is one of the partners of the Shelton Furniture Co., and is registered at the Vernon hotel.

Mrs. E. B. Marvin and Miss Florence Marvin left by the steamer Whatcom on Monday evening on a visit to the daughter of Mrs. Marvin, Mrs. J. A. Stratton, of Seattle.

Mrs. Thomas Palmer, wife of Detective Sergeant Palmer, of the city police, who underwent an operation at the Jubilee hospital on Monday, is convalescing rapidly.

Mrs. W. Templeman returned from Ottawa on Tuesday evening, accompanied by her niece, Miss McAdam, who will remain here for a few months.

Mrs. G. E. Morris, of Seattle, wife of Judge Morris, of the Superior court of King county, is visiting Mrs. F. G. Richards, Yates street.

R. G. Collier, sporting editor of the Guelph Herald, was among those in the city yesterday.

Mrs. F. S. Findley, of Vancouver, is visiting her parents at 18 Kingston street for a few days.

BORN.

BAGSHAW—At Nanaimo, on May 21st, the wife of the Rev. G. Arthur Bagshaw, of a daughter.

MACKENZIE—At White Horse, on the 24th inst., the wife of W. A. MacKeon, of a son.

Monday, May 29th

FOR

Northern B. C. Ports

John Barnsley & Co.

AGENTS. The Company reserves the right to change sailing date.

Sealed tenders addressed to the undersigned, and endorsed "Tender for Post Office at Vancouver, B. C.," will be received at this office until Friday, June 23rd, 1905, inclusive, for the erection of a Post Office building at Vancouver, B. C., according to plans and specification to be seen at the Department of Public Works, Ottawa, Ont., and at the Vancouver Armory, Vancouver, B. C.

Tenders will not be considered unless made on the printed form supplied, and signed with the actual signatures of tenderers.

An accepted cheque on a chartered bank, payable to the order of the Honorable the Minister of Public Works, equal to ten per cent. (10 p. c.) of the amount of the tender, must accompany each tender. This cheque will be forfeited if the party tendering declines the contract or fails to complete the same within the time specified, and will be returned in case of non-acceptance of tender. The Department does not bind itself to accept the lowest or any tender.

By order, FRED. GELINAR, Secretary.
