Oggetto: Autorizzazione al caricamento di file sui progetti Wikimedia con licenza CC BY-SA 4.0

Subject: *Authorization for the upload of files on Wikimedia projects with CC BY-SA 4.0 license*

Io sottoscritto **Guja Guidi**, in qualità di sindaco facente funzione e legale rappresentante del **Comune di Pescia**, autorizzo il caricamento sui progetti Wikimedia dei file dei beni culturali rientranti nella competenza dell'ente da me rappresentato / di mia proprietà, e di seguito elencati:

I, undersigned Guja Guidi, am the acting mayor and legal representative of the of the Comune of Pescia, and I authorize the upload of the files depicting the pieces of cultural heritage whose owner I represent, and listed below, to the Wikimedia projects.

Bene / Item	Indirizzo o collocazione / Address or location
Scala Santa	Via della Scala Santa (coord. 43.90444, 10.68704)
Binario	Borgo della Vittoria (coord. 43.90200, 10.68816)

Nello specifico, con la presente dichiaro di essere a conoscenza che future immagini e file multimediali verranno rilasciati con la licenza libera Creative Commons "Attribuzione-Condividi allo stesso modo" (di seguito CC BY-SA 4.0, il testo completo della licenza è disponibile all'indirizzo: <https://creativecommons.org/licenses/by-sa/4.0/deed.it>), consapevole che i termini della licenza consentono una loro diffusione anche su materiali e siti non correlati ai progetti Wikimedia.

I confirm that I am aware that these future images and multimedia files will be released under the Creative Commons "Attribution-ShareAlike 4.0 International" (hereafter CC BY-SA 4.0, whose complete text can be found at <https://creativecommons.org/licenses/by-sa/4.0/deed.en>), and I am furthermore aware that the terms of the license allow their diffusion also on materials and websites not related to Wikimedia projects.

Autorizzo altresì la pubblicazione di tale elenco e delle relative informazioni cartografiche e descrittive in pubblico dominio (CC-0 , il testo completo della licenza è disponibile all'indirizzo <https://creativecommons.org/publicdomain/zero/1.0/deed.it>) su Wikidata e piattaforme correlate.

I also authorize the release of such list and the relative descriptive and cartographical information in public domain (CC-0, whose complete text can be found at <https://creativecommons.org/publicdomain/zero/1.0/deed.en>) on Wikidata and related platforms.

Si coglie l'occasione anche per aderire nello specifico al progetto **Wiki Loves Monuments Italia**, il concorso fotografico che coinvolge i cittadini a documentare il patrimonio culturale con immagini libere, e per consentire l'inserimento del nome dell'ente tra i sostenitori dell'iniziativa. Questa autorizzazione è da considerarsi valida a partire dall'edizione 2021 della manifestazione e anche per le successive edizioni del concorso, fino ad esplicita richiesta di esclusione da parte dell'ente.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. This is essential for ensuring the integrity of the financial data and for providing a clear audit trail. The records should be kept up-to-date and should be easily accessible to all relevant parties.

2. The second part of the document outlines the various methods used to collect and analyze data. These methods include direct observation, interviews, and the use of specialized software. Each method has its own strengths and weaknesses, and it is important to choose the most appropriate one for the specific situation.

3. The third part of the document describes the process of data analysis. This involves identifying patterns and trends in the data, and then using statistical techniques to test hypotheses. The results of the analysis should be presented in a clear and concise manner, using tables and graphs where appropriate.

4. The fourth part of the document discusses the importance of communication in the research process. This involves sharing the results of the research with other researchers, and also with the public. Clear and effective communication is essential for ensuring that the research is understood and that it can be used to inform policy and practice.

5. The fifth part of the document concludes by emphasizing the need for ongoing research and evaluation. The field is constantly evolving, and it is important to stay up-to-date with the latest developments. Regular evaluation of the research process is also essential for ensuring that it remains effective and efficient.

6. The sixth part of the document discusses the ethical considerations of research. It is important to ensure that the research is conducted in a way that is respectful of the rights and dignity of all individuals. This involves obtaining informed consent, protecting the confidentiality of the data, and ensuring that the research is for a socially beneficial purpose.

7. The seventh part of the document discusses the importance of transparency in the research process. This involves making the data and the methods used in the research available to other researchers. This is essential for ensuring that the research is replicable and that it can be used to inform policy and practice.

8. The eighth part of the document discusses the importance of collaboration in the research process. This involves working with other researchers and organizations to share resources and expertise. Collaboration is essential for ensuring that the research is comprehensive and that it can be used to inform policy and practice.

9. The ninth part of the document discusses the importance of funding in the research process. It is important to ensure that the research is adequately funded, and that the funding is used in a way that is efficient and effective. This involves seeking out potential funding sources and writing proposals that clearly outline the research objectives and the methods to be used.

10. The tenth part of the document concludes by emphasizing the need for a holistic approach to research. This involves considering all aspects of the research process, from the initial planning to the final evaluation. A holistic approach is essential for ensuring that the research is effective and that it can be used to inform policy and practice.

11. The eleventh part of the document discusses the importance of documentation in the research process. This involves keeping detailed records of all steps in the research process, from the initial planning to the final evaluation. This is essential for ensuring that the research is replicable and that it can be used to inform policy and practice.

12. The twelfth part of the document discusses the importance of peer review in the research process. This involves having the research reviewed by other experts in the field. Peer review is essential for ensuring that the research is of high quality and that it is based on sound evidence.

13. The thirteenth part of the document discusses the importance of dissemination in the research process. This involves sharing the results of the research with other researchers and the public. Dissemination is essential for ensuring that the research is used to inform policy and practice.

14. The fourteenth part of the document discusses the importance of reflection in the research process. This involves taking time to think about the research process and the results. Reflection is essential for ensuring that the research is effective and that it can be used to inform policy and practice.

15. The fifteenth part of the document concludes by emphasizing the need for a systematic approach to research. This involves following a clear and structured process, from the initial planning to the final evaluation. A systematic approach is essential for ensuring that the research is effective and that it can be used to inform policy and practice.

*The opportunity is also taken to join the project **Wiki Loves Monuments Italia**, the free photo competition involving citizens who seek to document cultural heritage using freely licensed images, and to allow the presence of the name of the institution among the supporters of this initiative. This authorization should be regarded as valid starting from the 2021 edition of the competition and for the next ones, until an explicit request for exclusion is provided by the institution.*

Autorizzo inoltre la pubblicazione di questo documento in licenza CC BY-SA 4.0.

I also authorize the publication of this document under CC BY-SA 4.0 license.
