An Average Spray of KING WHITE.—Reproduced from a Fordhook Photograph.

W. ATLEE BURPEE & CO., PHILADELPHIA, U. S. A.

*** Cable Address: BURPEE, Philadelphia.

Three Superb Burpee-Spencer Sweet Peas.

While we much regret not being able to offer several beautiful Sweet Pea Novelties which an attack of Aphis destroyed on our FLORADALE FARM, we consider ourselves fortunate on account of harvesting crops which permit our supplying the trade with seed of three of our superb novelties of 1914,—WEDGWOOD, ILLUMINATOR and KING WHITE.

Wedgwood. This beautiful novelty is likely to become quite as popular in the Sweet Pea world as the famous china is among connoisseurs. WEDGWOOD is a unique shade of lovely light blue and completely eclipses such varieties as *Flora Norton*

Spencer, *Princess Mary*, *Southcote Blue* and *Zephyr*. The flowers, of good size and substance, are well waved in both standard and wings; they are borne almost uniformly in four-flowered sprays upon long stout stems. WEDGWOOD is a color long sought for in Sweet Peas and will be eagerly welcomed by all lovers of this beautiful annual. It was awarded a Certificate of Merit by the Pennsylvania Horticultural Society at the Philadelphia Sweet Pea Show, June 26, 1913.

In sealed packets containing twenty seeds each: Per pkt. 15 cts.; \$1.00 per dozen pkts.; \$7.00 per 100 pkts. In lots of 500 packets or more, \$6.25 per 100 pkts. (Cable word, CHINA.)

In sealed packets containing forty seeds each: Per pkt. 25 cts.; \$2.00 per dozen pkts.; \$13.75 per 100 pkts. In lots of 500 packets or more, \$12.50 per 100 pkts. (Cable word, WEDGWOOD.)

A Flower, Natural Size, of "WEDGWOOD," from Photograph taken at FORDHOOK FARMS.

Illuminator. In color it is perfectly distinct from all other varieties and has been pronounced *the most glorious Sweet Pea ever seen*. It might be described as a rich glowing cerise-salmon, with an indication of bright orange suffusion which marvelously scintillates and glistens under bright sunlight; under artificial light the flowers appear to be a glowing orange-scarlet. Uniformly of large size and great substance. The flowers are most perfectly formed, and

well placed on long stout stems, frequently in "fours." Of vigorous growth, the vines carry a rich profusion of bloom. We were awarded a Certificate of Merit for ILLUMINATOR both by the American Sweet Pea Society at the great Boston Show, July, 1913, and The Pennsylvania Horticultural Society, Philadelphia, June 26, 1913.

In sealed packets containing twenty-five seeds each: Per pkt. 15 cts.; \$1.00 per dozen pkts.; \$7.00 per 100 pkts. In lots of 500 packets or more, \$6.25 per 100 pkts. (Cable word, SHINING.)

King White. Too much cannot be said in praise of this unique new white Spencer. It has all the first-class qualities which go to form Sweet Pea perfection. It is remarkable for the "*glistening immaculate purity of the whiteness*" and the perfect finish of the flower. While of truly gigantic proportions, the flowers are most exquisitely finished in every detail. KING WHITE has such marvelous substance,—which might almost be termed "leathery,"—that it is entirely free from the objectionable reflexing habit so generally found in the standard of other whites. The grand flowers are borne almost invariably in "fours" upon stout stems of great length. The bold, widely expanded standard is waved exquisitely, while the wings, also well waved, are beautifully placed. The plants are exceptionally vigorous in growth with distinctive rich green foliage, and wonderfully profuse in bloom for a long season. KING WHITE is the one white for both exhibitors and market growers, while it is indispensable in every up-to-date amateur's collection. KING WHITE received an Award of Merit from THE NATIONAL SWEET PEA SOCIETY OF ENGLAND, July, 1912, after having been grown in their trials; also Award of Merit by THE ROYAL HORTICULTURAL SOCIETY OF ENGLAND, July, 1913; Certificate of Merit by THE PENNSYLVANIA HORTICULTURAL SOCIETY, Philadelphia, June 26, 1913; and Bronze Medal from THE NORTH LONSDALE ROSE SOCIETY, Ulverston, England, July, 1913.

PRICE FOR 1915,—\$8.00 per lb. (Cable word, KING.)

Burpee's Advance Offer of Sweet Peas for 1915

We are acknowledged as
Headquarters for Sweet Peas in America

Bound by these prices only for quantities so far as accepted.

For cable words for quantities refer to our GENERAL WHOLESALE CATALOG or
5TH EDITION A. B. C. CODE,—but when convenient we prefer our own code.

Never before was there a better prospect for a large and fine crop of Sweet Pea Seed in America than during the spring of 1914, but unfortunately after the vines had started to run they were attacked by countless millions of Aphis. Every attempt was made to save the crops by careful and constant spraying, but only a few fields out of the many planted survived, and we are therefore facing another short supply of seed.

While we were unfortunate in losing a number of special stocks and many selections (including a promising crop of our Floradale Fairy), we saved fields planted with our re-selected stocks of standard Spencer varieties, while the Grandifloras have produced fair crops considering the Aphis, but all the crops were saved at a heavy expense for spraying and dusting.

As usual, our growing crops have been personally inspected and the quality of the seed offered will surely satisfy critical planters everywhere.

Superb Sweet Peas of the "Spencer" Type All of the Best Re-selected Strains

	Telegraph Code.	Per lb.
Afterglow. Electric shades of blue and rosy mauve,	<i>Sky</i>	<i>Sold out.</i>
