\*These figures on measures reported include all placed on calendar or acted on by Senate even if there was no accompanying report. A total of 55 reports has been filed in the Senate; a total of 46 has been filed in the House.

\*\*This figure does not agree with the total difference between bills reported and bills passed, because resolutions and bills placed on the House Calendar without having been formally reported were not included in figures of measures reported to the House; the difference in the case of Senate figures is due to uncounted bills "laid on the table" or "indefinitely postponed."

**Migratory Labor—Correction:** DAILY DIGEST of March 9, page D141, erroneously reported that S. Res. 86, authorizing Committee on Labor and Public Welfare to investigate matters pertaining to migratory labor (\$50,000), was adopted, with committee amendment. This resolution has not as yet been adopted.

**Feed Grains:** By 52 yeas to 26 nays (motion to reconsider tabled), Senate passed with amendment H.R. 4510, to provide a special program for feed grains for 1961, after substituting for its text the amended language of S. 993, companion bill, on which actions had previously been taken as follows:

Adopted: Committee amendment (in nature of a substitute) as amended by Cooper amendment giving producers the election of making an additional reduction of corn and grain sorghum acreage and of certain nonconserving crops; and Dirksen amendment providing for a report to Congress within 90 days after enactment showing results to that point; and

Rejected: Dirksen amendment to add proviso that Commodity Credit Corporation shall not sell any feed grain for which price support is made available hereunder at less than 25 percent above current support price therefor; and Miller amendment to make grain and sorghum producers eligible for price support so long as they reduce total acreage of feed grains by 70 percent.

S. 993, companion bill, was indefinitely postponed.

Senate insisted on its amendment, asked for a conference with House, and appointed as conferees Senators Ellender, Johnston, Holland, Talmadge, Aiken, Young of North Dakota, and Hickenlooper.

Pages 3466-3508

### Joint Committee Meetings

#### TEMPORARY UNEMPLOYMENT COMPENSATION

*Conferees,* in executive session, agreed to file a conference report on the differences between the Senate- and House-passed versions of H.R. 4806, proposed Temporary Extended Unemployment Compensation Act of 1961. Agreements of the conferees are as follows:

##### 1. Taxes:

The conferees accepted the House provision relating to taxes, i.e., the 4 percent points will apply to the years 1962 and 1963. (The Senate version moved them forward to 1961 and 1962.)

##### 2. Retirement and pension disqualification:

The Senate amendment on this subject was modified as follows:

(a) There will be no reduction in TEUC for social security benefits.

(b) There will be a reduction in the case of other retirement systems and annuities if the unemployment compensation payments are based on the same wages that the retirement payments and annuities are based on to the extent of the retirement pension or annuity. However, there will be no reduction if unemployment compensation payments are based on earnings from another employer (that is, earnings independent of those which generated the retirement pension or annuity). There would be no reduction for veterans' disability and compensation payments.

##### 3. Ceiling on administrative expenses:

It was agreed that the ceiling for fiscal year 1961 would be \$385 million and fiscal 1962, \$415 million. The Senate had raised the ceiling to \$425 million for these 2 years. (The ceiling under present law is \$350 million.)

4. Conferees accepted the Senate amendment calling for the Secretary of Labor to collect certain information on receipts of temporary unemployment compensation.

\*These figures on measures reported included all placed on calendar or acted on by Senate even if there was no accompanying report. A total of 142 reports has been filed in the Senate; a total of 215 has been filed in the House.

\*\*This figure does not agree with the total difference between bills reported and bills passed, because resolutions and bills placed on the House Calendar without having been formally reported were not included in figures of measures reported to the House; the difference in the case of Senate figures is due to uncounted bills "laid on the table" or "indefinitely postponed."
