Def Doc No. 1541 DEPARTMENT OF STATE AUGUST 25, 1935. FOR THE PRESS The following is the text of the note presented today to the Acting People's Commissar for Foreign Affairs at Moscow by Ambassador Bullitt and thereafter made available to the press at Moscow by Ambassador Bullitt: "Under instructions from my government, I have the honor to call attention to the activities, involving interference in the internal affairs of the United States, which have taken place on the territory of the Union of Soviet Socialist Republics in connection with the VII All-World Congress of the Communist International, and, on behalf of the Government of the United States, to lodge a most emphatic protest against this flagrant violation of the ploage given by the Government of the Union of Soviet Socialist Republics on November 16, 1935, with respect to con-interference in the internal affairs of the United States. "That plodge, which was given by the Government of the Union of Soviet Socialist Republics as a result of the discussions which took place prior to the establishment of diplomatic relations between the United States and the Union of Soviet Socialist Republics, reads in full as follows: washington, November 16, 1933. 'My door Mr. President: I have the honor to inform you that coincident with the establishment of diplomatic rulations between our two Governments it will be the fixed policy of the Government of the Union of Soviet Socialist Republics: 1. To respect scrupulously the indisputable right of the United States to order its own life within its own jurisdiction in its own way and to refrain from interfering in any manner in the internal affairs of the United States, its territories or possessions. 12. To refrain, and to restrain all persons in government service and all organizations of the Government or under its direct or indirect centrol, including organizations in receipt of any financial assistance from it, from any act overt or covert liable in any way whatsoever to injure the tranquillity, prosperity, order, or security of the whole or any part of the United States, its territories or possessions, and, in particular, from any act tending to incite or encourage armed intervention, or any agitation or propuganda having as an aim, the violation of the territorial integrity of the United Status, its territories or possessic a or the bringing about by force of a change in the political or social order of the whole or any part of the United States, its territories or possessions. 3. Not to permit the formation or residence on its territory of any organization or group and to provent the activity on its territory of any organization or group, or of representatives or officials of any organization or group - which makes claim to be the Government of, or makes attempt O. C. Street,

Def Doc No. 1541 upon the territorial integrity of, the United States, its territories or possessions; not to form, subsidize, support or permit on its territory military organizations or groups having the aim of armed struggle against the United States, its territories or possessions, and to prevent any recruiting on behalf of such organizations and groups. '4. Not to permit the formation or residence on its territory of any organization or group - and to prevent the activity on its territory of any organization or group, or of representatives or officials of any organization or group which has as an aim the overthrow or the preparation for the overthrow of, or the bringing about by force of a change in, the political or cocial order of thw whole or any part of the United States, its territories or possessions. !! Ian, my dear Mr. President, Very sincerely yours, MAXIM LITVINOFF People's Commissary for Foreign Affairs, Union of Soviet Socialist Republics. 'Mr. Franklin D. Roosevelt, President of the United States of America, The White House. My Government invites particular attention to the obligations of the Government of the Union of Soviet Socialist Republics contained in the paragraph numbered 4. "In view of the fact that the aim and activity of an organization, such as the Congress of the Communist International, functioning on the territory of the Union of Soviet Socialist Republica cannot be unknown to the Government of the Union of Soviet Socialist Republics, it does not seem necessary to present material to show the aim of the congress of the Communist International with respect to the political or social order of the United States or to quote from the published proceedings of the Congress to show its activity relative to the internal affairs of the United States, as evidenced in the discussion at the Congress of the policies and activities of the communist organization in the United States. Nor does it appear necessary to list the names of representatives or officials of the communist organization in the United States who were active at the above mentioned Congress and whose admission into the territory of the Union of Soviet Socialist Republics was, of course, known to the Government of the Union of Soviet Socialist Republics. "As I have pointed out to the People's Commissar for Foreign Affairs when discussing earlier violations of the undertaking of November 16, 1953, the American people resent most strongly interference by foreign countries in their internal affairs regardless of the nature or probable result of such interference, and the Government of the United States considers the strict fulfillment of the pledge of non-interference an exxential prerequisite to the maintenance of normal and friendly relations between the United States and the Union of Soviet Socialist Republics.

Def Doc No. 1541 "The Government of the United States would be lacking in candor if it failed to state frankly that it anticipates the most serious consequences if the Government of the Union of Soviet Socialist Republics is unwilling, or unable, to take appropriate measures to prevent further acts in disregard of the solumn pledge given by it to the Government of the United States. "I may add that it is a source of regret that in the present international situation the development of friendly relations between the Russian and American peoples will inevitably be precluded by the continuance on territory of the Union of Soviet Socialist Republics, of activities involving interference in the internal affairs of the American people." CERTIFICATE I, George A. Furness do hereby certify that the above documents were obtained from the office of the Secretary of State of the United States for use in evidence at the International Military Tribunal for the Far Last. That these documents have been in my possession at all times, since their receipt. /S/ George A. Furness
