THE FUJI INDUSTRIAL CO., LTD.
Industrial Bank Building
Marunouchi, Tokyo.

May 20, 1947

SUBJECT: Application for permission for Disposition
of property.

TO : Anti-Trust and Cartels Div., ESS, GHQ, SCAP.

Sir;

We hereby beg to apply for your permission for
disposition of property as specified in the accompanying papers
in accordance with your Memorandum, AG 095, dated 29 June 1946.

Commanding the above to your kind attention.

Yours respectfully.

KIYOOMI NOMURA
President
Fuji Industrial Company Ltd.

May 28, 1947

Anti-Trust & Cartels Division ESS, GHQ, SCAP offers no
objection to disposal of above property.

/s/ I.T. BUSH

SPECIFICATION:

1. Items of proposed disposition of property:

- a. Object of disposition: Land and building.
- b. Location: Ipponsugi, Nishigahara, Utsunomiya City
Tochigi Prefecture.
- c. Date acquired: March 1943.
- d. Price acquired: ¥ 97,691.14 (See accompanying paper.)
- e. Value of compensatory assets:
66,810.26 (See accompanying paper.)

To make good the written promise (See annex), we intend to receive the real estate land and building of the buyer in compensation for the land and building we transfer to him. Hence the book value of the buyer's real estate is entered here instead of selling price.

f. Location of compensatory assets:

Kaidohigashi, Nishigahara-machi, Utsunomiya City
Tochigi Prefecture (in the areas of the Fuji Ind.
Co., Utsunomiya Plant.)

2. Buyer: Tochigi Prefecture (Machinery and Implements
Inspection Office)

3. Proposed use by buyer and reason for disposition:

To be used as machinery and implements inspection
office.

4. Disposition of compensatory assets:

They will be newly disposed of after having been
taken delivery of by us.

Utsunomiya City.

The plant is repairing the war-damaged carriages and the wooden
materials for it are being produced by 2nd Wood Working Plant
attached to Utsunomiya Plant, 2636, Nishihara-cho, Utsunomiya
City. Accompanied with increasement of the carriages to be
repaired, the quantity of electricity used for repairing has
increased and accordingly the capacity of the transformers has
become not sufficient. Hereupon, they wish to move the trans-
formers necessary for it to increase the production of the
wooden materials. ^{ance} As we warn the Plant to make sufficient and
adequate maintain for the machines, your kind permission will
be appreciated very much.

Dear Sir;

The building No. 8 which keeps the second class machine of Rubber press (2,000 ton oil press) of Inventoried No. 38-10-792 was badly damaged and is not fitted to protect the same machine, therefore we would like to tear down the building and repair the small sized shed which had been set up inside the building to protect the same machine as the shed is not strong enough to stand for weather after the building is torn down.

Your kind permission for dismantling the building and repairing the shed will be appreciated very much.

Dear Sir;

We would like to tear down the undermentioned
 building for the following reason.

1. Detail of the building to be torn down.

Name of bldg.	Structure	Floor space	Location	Remark
No. 23 (stripped part)	One storied Wooden bldg.	2,100 tsubo	Esojima Yokokawa- mura Kawachi- gun	40% were damaged by air- raid.
No. 15 (stripped part)	"	800 tsubo	"	
		Total	2,900 tsubo	

2. Reason to tear down;

- a. During the war the work started to move the above
 buildings and the roofs walls and a part of the struc-
 tures were already laken, in addition to that the build-
 ings were bombed on Aug. 13, 1945 and left untouched
 since.

- b. As mentioned above the buildings or skeleton of buildings are getting rotten and are in danger of falling down. If we leave these too long we may not even be able to use the lumber for scrap.
- c. We are not using these buildings to store the machinery under Reparation.

Under the circumstance if you give us your prompt attention for the matter and permit us to do so we will appreciate very much.
