The copy filmed here has been reproduced thanks to the generosity of:

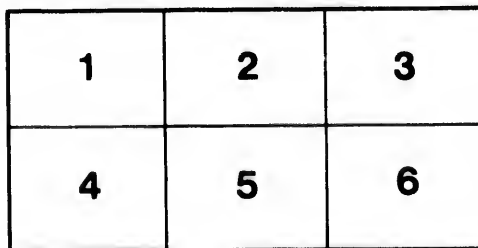

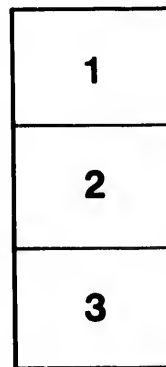

Library of the Public
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

This is what is termed a General Plate—that is, it is applicable to the use of different Banks—the name of the Bank and its location being the only alterations necessary. The most of the Banks which have this plate in use have decided, we believe, to issue a new design, as the better course for those not able to distinguish between the good and bad, is to withdraw all notes resembling the above.

This plate is excellently engraved and very likely to be mistaken for a genuine; indeed there are quite a number of genuine bills having similar vignettes, but no good bank note to be had in this country has the same combination, and our customers are therefore perfectly safe in refusing all notes like this above—it is the only way to save being deceived by it in the future. Beware of the following banks which have issued this same note on the following banks:—
 BANK OF NEWARK, N. J. | MERCHANTS BANK, BOSTON, N. J.

The FRANKERS & MECHANICS BANK, EASTON

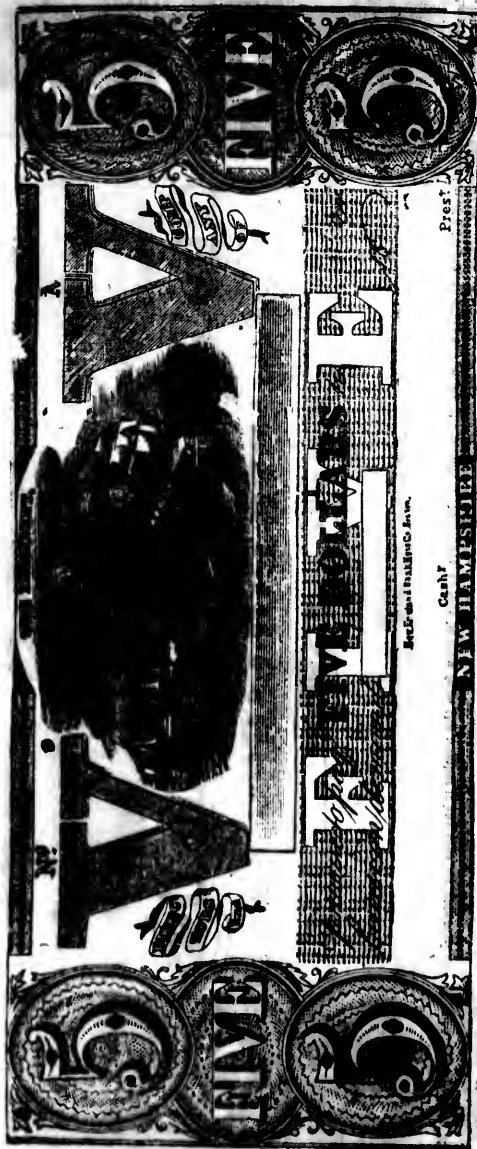

Will pay FIVE DOLLARS on demand

of *Benjamin* **EASTON** No.

Cash:  Easton, Pa.

Post:  Easton, Pa.

The above is a faithful imitation of a check upon a bank, the number of the bank, as may be seen from the number it has thus far appeared on. It was belonged to a Michigan bank, and was recently cashed, and has recently been altered to the following banks: FRANKERS & MECHANICS BANK, EASTON, Pa.; FRANKERS & MECHANICS BANK, NEW BRUNSWICK, N. J.; FRANKERS & MECHANICS BANK, NEW YORK, N. Y.; FRANKERS & MECHANICS BANK, PHILADELPHIA, Pa.; FRANKERS & MECHANICS BANK, PITTSBURGH, Pa.; FRANKERS & MECHANICS BANK, RICHMOND, Va.; FRANKERS & MECHANICS BANK, WASHINGTON, D. This is what is termed a General Plate—that is, it is applicable to the use of different Banks—the name of the Bank and its location being the only alteration necessary. The name of the Bank, which bears this plate is now here decided, we believe, to have a new design, so the better course is to have no title to distinguish between the present and the new design. The advertisement is enclosed in a decorative border. At the top center is a circular seal with a bear. To the right of this seal is a large illustration of a man wrestling a bear. Below the bear illustration is a vertical bar with the letters 'N.O.' on either side. To the left of the bar is a circular seal with a bear. Below the bar are three circular medals. At the bottom of the advertisement are three more circular medals. The text 'Five Dollars on Demand' is written in a large, stylized font across the middle. To the left of this text is the word 'Cash' and to the right is the word 'Pres.'. The entire advertisement is framed by a decorative border.

The above is a very good fac-simile of the original, and is very extensively altered by the counterfeiter. It has thus far been made to represent various banks and its being a fac-simile engraving makes it very dangerous for the public. We advise the possession of all notes corresponding with this fac-simile.

The above is a very good fac-simile (by Wm. Howland) of a note that has been, and is, very extensively altered by the counterfeiters. It has thus far been made to represent the following Banks, and no being a genuine engraving makes it very dangerous for the public. We advise the rejection of all notes corresponding with this fac-simile.

AMERICAN GOLD COIN TEST SCALE.

I am now prepared to furnish the **COUNTERFEIT** and **SWEATED AMERICAN GOLD COIN DETECTOR**. An article of the first importance to Bankers and Brokers, and all others receiving gold coins. The great increase of late in the emission of spurious coins and "Sweated" genuine pieces, has rendered our gold coins objectionable to many, and thrown a doubt even on the genuine issue. This "Test Scale," by its ready detection of the Spurious or Sweated Coin, will be of incalculable value to all parties receiving gold coins, while it will go far toward restoring confidence in our national issues. Price, \$1.50 each. Address
