WHAT IMMIGRATION IS DOING FOR THE SOUTH.

The Consus of 1850 develops the fact that there were 30,5,87 foreigners in the slave States at that time; and that 275,000 came to the country during the preceding ten years, the slave spapers that the foreign immigration into the slave States in new greater than the state of the succession to which we have no into the slave States in new greater than that the foreign immigration is the slave shall be slaved in the slave of the succession to which we have not stated too. But we have only seen the slaved in the slave of this traverset. Foreign read we will be shall be slaved in the slave of the succession of the succession of the succession.
