Classes Wikipedia - Côte d'Ivoire

A reach out initiative organised by Côte d'Ivoire UG. The “Classes Wikipedia” gathered local, national, regional and international participants in the last year.

18 sessions (2 hours each)

100 hours of volunteer work

=> Endorsement of the Wikimedia Community in Côte d'Ivoire.

Neighborhoods of Yaounde in Wikipedia - Cameroon

Neighborhoods of Yaounde in Wikipedia: a project similar to Medinapedia Tunis. During Wiki Indaba Tunis the outreach started. An outreach and GLAM project.

The exchange and partnership spirit are the key to its success.
